SECTION 1

The Munising Public School District No. 3, hereinafter “Employer” or “District”, hereby recognizes the Munising Michigan Education Support Personnel Association (MESPA), an affiliate of the National Education Association, hereinafter the “Association/Union”, as the sole and exclusive bargaining representative for the purpose of and as defined in the Public Employment Relations Act, as amended, MCLA 423.201 et seq.: MSA 17.455(1) et seq. (PERA), for all personnel as outlined in MERC Case #R89 A-21 and MERC Case #R89 1-232: all full-time and part-time employees, maintenance, custodian, bus drivers, and school lunch department, but excluding the office clerical, supervisory personnel, and paraprofessional persons.

SECTION 2

Unless otherwise indicated, use of the term “employee/bargaining unit member” when used hereinafter in this Agreement shall refer to all members of the above defined bargaining unit. Within the various classifications of bargaining unit members covered herein there shall be the following:

- A. Full-time: A bargaining unit member who is employed regularly at least thirty (30) hours or more per week.
- B. Part-time: A bargaining unit member who is employed less than thirty (30) hours per week.
- C. Probationary Employees: Newly hired employees will serve a 60 workday probationary period and upon successful completion of this period as determined by the Board or its designee will qualify to be assigned to a full-time or part-time position.

ARTICLE 2 – ASSOCIATION DUES, SERVICE FEES, AND PAYROLL DEDUCTIONS

SECTION 1

- A. Any employee who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall as a condition of employment pay a service fee to the Association in an amount not to exceed the dues uniformly required to be paid by members of the MESPA (including local, state, and national dues) in accordance with applicable law, provided however, that the bargaining unit member may authorize payroll deduction for such fee in the same manner as provided elsewhere in this Article (paragraph E below). In the event that a bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction as herein provided, the Employer shall, at the request of the Association, terminate the employment of such bargaining unit member.

The parties expressly recognize that the failure of any bargaining unit member to comply with the provisions of this Article is just cause for discharge from employment. The method of determining the amount of the service fee indicated above shall involve relevant labor laws and judicial decisions and be consistent with both.

- B. The Association, in all cases of discharge for violation of this Article, shall notify the employee/bargaining unit member of noncompliance by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for discharge may be filed with the Employer in the event that he/she has failed to pay the service fee; then he/she may request and shall receive a hearing before the employer Board of Education and the Association limited to the question of whether he/she has failed to pay the service fee.
- C. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel, provided:
1. The Employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires; and
 2. The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
- D. Association agrees that in any action so defended it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article, but this does not include any liability for compensation paid under the Michigan Employment Security Act.

- E. Any bargaining unit member who is a member of the Association or who has applied for membership may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments, and contributions in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked according to the procedures outlined in the MESPA Constitution and Bylaws. Pursuant to such authorization the Employer shall deduct dues every payday in equal amounts beginning with the second payday of the school year or the first pay period after ratification of this Agreement and ending with the close of the school year (dues deduction over a ten-(10) month payroll period).
- F. Upon appropriate written authorization from the bargaining unit members the Employer shall deduct from the salary of any such bargaining unit member and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Association and the Employer provided that there are at least ten(10) employees authorizing such deductions to the particular organization involved.

These deductions shall be made every payday, within a thirty- (30) day period, once the authorization is delivered to the business office. Upon authorization individuals on twenty-six (26) pay periods will have deductions continue for the summer. However, if they wish to change, notification must be made no later than May 1. Except in unusual circumstances, bargaining unit members shall not be permitted to make more than two (2) changes per year total for such deductions.

SECTION 2 – PERIOD OF ENROLLMENT

The Association shall present to the Board authorization for deduction by the second Friday of the school year or within fifteen (15) working days of ratification of this Agreement.

Should the Employer require such meetings to be during participating bargaining unit members' normal scheduled hours, such members will be released for the purpose of attending such conferences without loss of pay.
- B. The Association shall be provided with bulletin board space for the purpose of posting Association materials. These bulletin boards will be designated by building principals. 1. Leaves of absence shall be applied for in writing and shall state the reason for the leave. Employees shall be granted leaves of absence for illness or injury including workers' compensatory leave of absence (which will include retroactive accrual) for up to one (1) year and may be extended at the discretion of the Board.
 2. Breaks caused by seasonal job completion shall not be considered a break in continuous employment.
 3. Layoff for a period of less than one (1) year for lack of work or lack of funds.

The Superintendent will be responsible for the distribution of application forms to those who wish to apply. The employee with the greatest seniority within the job classification posted who is qualified or qualifiable after a six-(6) week training period will be assigned to the job. Likewise, any employee posting for and being assigned to fill such a vacancy shall be entitled to retain such a position on a permanent basis should it be known that the employee on extended leave will definitely not be returning. Further, should the employee on extended leave return to regular employment, the person who had been awarded the position of the absent employee would be entitled to return to a position similar to the one he or she held previously.
