**ARTICLE I**  
**Purpose and Intent**

- 1.1 The general purpose of the Agreement is to set forth the wages, hours and working conditions of employment. Both parties agree to abide by the terms and provisions set forth herein for the duration of this Agreement.

**ARTICLE II**  
**Recognition**

- 2.1 The Employer hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all regular and substitute bus drivers, but expressly excluding supervisory personnel, mechanics, drivers of school vehicles other than buses, and all other employees of the Employer.

**ARTICLE III**  
**Management Rights**

- 3.1 The Employer, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the constitution of the State of Michigan and the United States of America. Such rights and responsibilities shall include, by way of illustration and not by way of limitation, the right to the executive management and administrative control of the school system and its properties and facilities, the direction of the activities of employees within the scope of their employment, to establish written personnel and other policies, to hire all employees subject to the provisions of the law, to determine employee qualifications for continued employment, to discharge, discipline, or demote for just cause, and to promote, transfer, and retire all such employees, to establish policies, bus schedules, the hours of work, and other duties, responsibilities and assignments of drivers and other employees, and to otherwise carry out the ordinary and customary functions of management.
- 3.2 The exercise of the forgoing powers, rights, authority, duties, and responsibilities of the employer, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.
- 3.3 It is understood and agreed that, in exercising its rights and meeting its responsibilities, the employer acts through its administrative and supervisory personnel in the administration of this Agreement.

**ARTICLE IV**  
**Representation**

- 4.1 All regular and substitute bus drivers are covered by this Agreement and shall be represented by the Association.
- 4.2 Nothing herein contained shall abridge the right of any individual to process his/her own grievance without interference of the association, provided that the individual so notifies the association and employer in writing of such intent. The Association may have a representative present at all discussions of the grievance and any adjustments that may result therefrom shall not be inconsistent with the terms of this Agreement.
- 4.3 Any employee participating in a grievance hearing or contract negotiations during his/her working hours on behalf of the Association with a representative of the employer shall be released from his/her regular duties without loss of pay.
- 4.4 Either party hereto may require that grievance hearings or contract negotiations between the parties shall be held during employee non-working hours.

**Article V**  
**Employee Discipline Procedure**

- 5.1 No employee shall be disciplined, reprimanded, or reduced in compensation without just cause.
- 5.2 An employee shall be entitled to have present an elected representative of the Association and a personal representative from the Association for any disciplinary action.
- 5.3 It is agreed and understood that the system of discipline is as follows:
1. Discussion of the problem with the supervisor.
  2. Verbal Warning
  3. Written Warning
  4. One (1) to five (5) day suspension without pay (according to the severity of the offense)
  5. Ten (10) days suspension without pay
  6. Dismissal
- 5.4 It is recognized that the seriousness of a problem may cause the problem to initially be dealt with at a higher level than in the order of discipline as listed above. For example, it could start at Step. 5.
- 5.5 Each employee shall have the right, upon request, to review the contents of his/her own personnel file at a reasonable time (an employee shall be entitled to have present an elected representative of the Association for any disciplinary action). Nothing will be placed in the personnel file without the prior knowledge of the employee.

**Article VI**  
**Grievance Procedure**

- 6.1 A grievance shall be defined as a charge of a violation, misinterpretation, or misapplication of the expressed terms of this Agreement.
- 6.2 For purposes of this article, days shall mean calendar days, exclusive of Saturdays, Sundays, legal holidays, and paid holidays.
- 6.3 The procedures of adjustment of grievances shall be as follows:

**Step 1.** An employee with a problem or grievance shall first discuss the matter with his/her immediate supervisor with the objective of settling it quickly and informally.

**Step 2.** In the event the grievance has not been satisfactorily settled, the matter shall be reduced to writing no later than ten (10) days from date of occurrence. The written grievance shall be on a form as provided in Appendix A.

The written grievance shall be presented to the employee's immediate supervisor for disposition. Within five (5) days of receipt of the written grievance the supervisor shall have a conference with the employee and the elected representatives of the Association. The employee may choose to have an additional member of his/her own choosing attend the conference. It is the supervisor's responsibility to attempt to set a mutually satisfactory time and place for said meeting. The affected employee(s) shall be present at such meeting. Within five (5) days after the meeting, the supervisor shall state his decision in writing, or indicate that the relief sought is outside his jurisdiction and authority, and furnish a copy thereof to the grievant(s) and Association.

**Step 3.** Within five (5) days after receiving the decision in Step 2, the Association may appeal in writing to the Superintendent or his/her designee.

Within five (5) days of receipt of the written grievance, the Superintendent or his/her designee shall schedule a conference with the Association. It is the Superintendent or his/her designee's responsibility to attempt to set a mutually satisfactory time and place for said meeting. The affected employee or employees shall be present at such meeting.

Within five (5) days of the hearing meeting, the Superintendent or his/her designee shall state his/her decision in writing, and furnish a copy thereof to the grievant(s) and the Association.

**Step 4.** Within five (5) days after receiving the decision of Step 3, the Association may appeal the decision in writing through the Superintendent of Schools to the Board of Education.

Within ten (10) days of receipt of the grievance, the Board of Education shall have a hearing with the grievant(s) and the Association.

The Board shall hear the grievance in dispute and shall render its decision in writing within ten (10) days from the close of the hearing.

**Step 5.** If the Association is not satisfied with the disposition of the grievance by the Board or no decision is rendered within the time provided in Step 4, the Association may, within ten (10) days, submit the matter to arbitration and so notify the Superintendent in writing.

If possible, the Board and Association shall mutually begin the selection of an arbitrator within ten (10) days of the arbitration request by the Association. If the parties cannot agree to an arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules. The only evidence or arguments which may be presented at the arbitration hearing are those which were used in the previous steps of this grievance procedure and to which a written reference has been made.

The arbitrator shall hear the grievance in dispute and shall render his decision in writing as soon as is reasonable. The arbitrator's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issue submitted to arbitration. The arbitrator shall confine the decision to the particular case submitted to arbitration. Both parties agree to be bound by the award of the arbitrator.

The arbitrator shall have no authority except to pass upon alleged violations of this Agreement. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement, nor to interfere with the exercise of the Employer's rights and responsibilities, except, as those rights are expressly limited to this Agreement.

- 6.4 The fees and expenses of the arbitrator shall be paid at equal expense of the Employer and Association. The cost of grievances brought solely by an employee without the support of the Association shall be the responsibility of the employee only.
- 6.5 No complaint which alleges a statutory unfair labor practice (under the Michigan Employment Relations Act) or a statutory unfair labor practice (under the Federal or State Civil Rights Act) or any other right or remedy which arises pursuant to state constitution or government regulation, may be filed or processed as a grievance under this Agreement. Such matters shall be resolved by the agencies in courts of competent jurisdiction designed by law to deal with such issues.
- 6.6 On agreement between the Employer and the Association, a hearing upon a grievance may be commenced at any step, and any time limit within the grievance, and may be extended by mutual agreement.
- 6.7 An employee or the Employer has the right to be represented at any step in the grievance procedure by an attorney or representative. All proceedings in the grievance procedure process shall be held on the Employer's premises.
- 6.8 Any grievance or request for advancement to the next grievance level which is not made within the time prescribed shall be deemed to have been withdrawn and shall automatically terminate any further proceedings, resulting in a forfeiture of the grievance.
- 6.9 The foregoing grievance procedure shall not apply to:
  - a. A grievance by an employee who desires to assert his/her right to present such grievance to the Employer and have it adjusted without interference of the Association, provided that the adjustment is not inconsistent with the terms of this Agreement

  - a. To determine which substitute employee shall be awarded a regular route, when such route is open and available for bidding.
  - b. To determine which driver to assign to an extra trip when no driver has voluntarily signed up for the extra trip.
- 8.3 Substitute driver seniority shall be lost when an employee refuses to drive a requested regular run or extra trip unless such refusal is based upon a prior commitment, or the substitute driver is ill, or the substitute driver is contacted to drive less than one (1) hour before the scheduled trip. Formal action will follow the second written complaint by a driver or bus supervisor. However, before substitute seniority is lost, the driver, and an association representative(s) if requested, will meet with the Administration to determine if the refusal is reasonable. The decision of the Administration is final.
- 8.4 All substitute employees shall be probationary employees.
- 8.5 When a regular or substitute driver rides a route, he/she shall be paid at the extra trip rate of pay. This applies to all AM, PM, and mid-day runs.

For the school year, any emergency or inclement weather closing days which are required by the Michigan Department of Public Instruction to be rescheduled, will not qualify for pay as an inclement weather day, but instead will be rescheduled as paid work days. A regular driver who is available to work, or on a paid leave, either the day before or the day after the inclement weather day, shall qualify for this benefit. Proration will be calculated on fifteen (15) minute increments (i.e.-A driver working 5.5 hrs. = 5.5 hr. proration; a driver working 5.62 hrs. = 5.75 hr. proration). The employee's share of any required premium will be deducted from the employee's pay check each month. The employee will be responsible to pay the premium directly to the Business Office during the summer vacation period when the employee is not working.

The 90 percent minimum will be calculated on a monthly basis. Drivers will be allowed one month below 90 percent requirement without their insurance or cash in lieu premium being recalculated. If a driver falls below the 90 percent requirement in a second month during the school year the insurance or cash in lieu premium will be recalculated using only am and pm routes for the remainder of the school year. Absences due to the death of a family member (as identified in Article 12.1), pre-approved personal leave, or absences for which a doctor's note is received stating the need/reason for the absence, will not be counted in calculating the 90 percent minimum requirement.

- 18.2 Any regular driver who does not desire the insurance coverage above, or who is covered elsewhere, will receive a cash payment equal to \$12.50 an hour on a daily average basis, to a maximum of \$100.00 a month (which includes FICA) for regular runs, which the employee may choose

to invest via payroll deduction. A kindergarten run will be considered as a run and will apply to this benefit. The benefit will be based on 12 months of employment.

- 18.3 The Employer will make available without cost to each employee who is employed as a regular employee, (and the employee's eligible dependents) dental care insurance, equivalent to MESSA Delta Dental Plan C, Class I and II (80/80 co-pay). The Employer will name the carrier.

- 18.5 Individual employees must assume the responsibility of signing up to receive vision, dental and/or cash option as none of these benefits are automatic. Marriage, childbirth, death, or any other change in the employee's family should be brought to the immediate attention of the Business Office for purposes of keeping insurance coverage current. Employees must sign up for insurance coverage during the first month of employment or during the open enrollment each year, presently in September.
- 18.6 The aforementioned insurance benefits are subject to the following limitations and conditions:
  - a. Spouse and/or dependent benefits shall not be paid if such benefits duplicate or are substantially equivalent to those to which spouse and/or dependent is enrolled in under any other group insurance plan. It is the intention of the parties of this Agreement that no employee shall have double coverage that has no reasonable benefit to the insured.
  - b. The Employer's contribution to the above insurance shall terminate at the end of the calendar month in which the employee's employment terminates.

**ARTICLE XIX**

- 19.1 Any physical examination an employee is required to take, as a job requisite, must have approval from the Superintendent or his/her designee. The cost of such physical examination shall be at the expense of the Employer. The employee shall be paid one (1) hour of his/her regular hourly wage.
- 19.2 Any injury sustained by students or employees must be reported immediately to the Transportation Supervisor. A written follow-up injury report by the driver is mandatory. Such report is to be completed within twenty-four (24) hours after the injury.

**Extra Trips**

- 21.1 Drivers shall not be paid less than one (1) hour's wages for any extra trip.
- 21.2 Extra trips will be awarded using the following procedure:
  - a) Extra Trip signings will be held on an as needed basis.

- b) Extra Trips will be awarded based on seniority starting at the top of the seniority list at the first Extra Trip signing of each school year.
  - c) The starting point on the seniority list at each subsequent Extra Trip signing during the school year will be determined by the ending point at the previous meeting.
    - i. Extra Trips will be awarded following the seniority list until all trips are awarded or all regular drivers have had three opportunities to sign extra trips.
    - ii. Substitute drivers must wait twenty-four (24) hours after an extra trip has been posted before they may sign up for the trip. In the event that a driver wishes to have his/her name removed from a trip, prior approval must be given by the supervisor and the trip is to be reposted and re-dated when possible. This will give regular drivers the opportunity to sign up first.
- 21.3 If no regular or substitute driver has signed up for an extra trip, the Transportation Supervisor shall assign a driver to the extra trip. When a regular driver has been assigned by the Transportation Supervisor to drive an extra trip (because no regular or substitute driver had signed up for the extra trip), the regular driver shall be compensated for the extra trip at his/her regular route rate for the first two hours of the extra trip assigned if the assignment requires the regular driver to give up his/her regular run that day.
- 21.4 When assigning extra trips, the Transportation Supervisor shall first assign from the Substitute Driver List. If no substitute drivers are available, regular drivers will be assigned an extra trip beginning in reverse order of seniority and continuing up the seniority list in reverse order. No regular driver shall be assigned more than one (1) extra trip each year until all regular drivers have been assigned an extra trip.
- 21.5 Extra trips shall be defined as those trips that do not involve the transportation of children between their home and the school or the school and their home in a school bus except for regularly scheduled daily and/or weekly trips (i.e. Voc. Trip, etc.).
- 21.6 When the means of transportation for an extra trip is changed from a bus to an other transportation, and the trip had been posted and signed by a driver, he/she will be paid the scheduled driving time of the trip if the driver receives less than five (5) working-day notice of the change in transportation. This condition does not apply to cancelled extra trips.
- 21.7 An extra trip of 3 hours or more=1 meal; 6 hours or more=2 meals; 9 hours or more=3 meals; to a maximum of three (3) meals per day, which will be compensated at \$10.00 per meal, reimbursed through payroll less normal deductions.
- 21.8 When an extra trip is cancelled with less than a one (1) hour notice the driver will be paid the time lost, at regular pay, for the original regular run. If a regular run was not lost due to the extra trip, the driver will receive two (2) hours of extra trip pay.
- 21.9 On one-way extra trips, the driver (regular or substitute) will receive a minimum of two (2) hours of regular pay; any remaining time will be paid at the extra trip rate.
- 21.10 When a multiple bus trip is reduced in number(s), the last driver(s) who sign the posting will forfeit the trip.
- 21.11 Drivers who work in other positions within the District are allowed to take a maximum of (2) two extra trips per trimester that will interfere with their other duties.
