Upon recommendation by the administrator or supervisor to the Superintendent, the employee's probationary period may be extended for an additional thirty (30) working days beyond the ninety (90) working day period.

The parties mutually pledge that representatives selected by each shall be clothed with necessary power and authority to make proposals and concessions in the course of negotiations, subject only to such ultimate ratification.
- B. If the parties fail to reach an agreement in any such negotiations, either party may invoke the procedures established under Public Act 379, as amended.

ARTICLE VIII
HEALTH INSURANCE

- A. The Employer will make available upon successful completion of the probationary period, the following options from which an employee may select one (1):

OPTION 1 –

The employee may choose between plans offered through West Michigan Health Insurance Pool (WMHIP) for the school year with the deductible to be pre-funded by the District. Option 1 will be made available to all regular employees who are employed 30 hours or more a week. (Option 1 is not available if such coverage would be substantially equivalent to or would duplicate the hospitalization insurance with which the employee is already covered, it being the intention of the Board to provide necessary insurance, but also the intention of the Board that no employee shall have double coverage which has no reasonable benefit to the insured). Employees hired on or after July 1, 2006 will be eligible for employee only medical coverage, additional coverage for dependents may be purchased by the employee funding 100% of the additional cost above single person coverage.

OPTION 2 -

For those employees not participating in Option 1, the Employer shall provide cash in lieu of health insurance benefits, not to exceed eighty-five dollars (\$85) per month. The employee may choose to invest his/her cash option via payroll deduction. Secretaries who work less than full-time shall receive this benefit on a pro-rated basis, with eight (8) hours per day considered full-time.

- B. The insurance benefits for either Option 1 or Option 2 (above) will be paid by the Employer as described above for all employees who are employed by the School District eight (8) hours per day, forty (40) hours per week and are “full school year” employees. “Full school year,” for insurance purposes, includes regular eight (8) hour employees who are employed in a position that extends throughout a full nine and one-half (9 ½) months school year.
- C. Regular part-time employees (working throughout the school year but less than eight [8] hours per day) who select one of the above options will have their insurance benefit pro-rated. The employee’s share of any required additional premium will be deducted from the employee’s paycheck each month.
- D. Regular employees who are employed less than thirty (30) hours per week will not be eligible for any of the above insurance benefits.
- E. When an employee leaves the school system for any reason, his/her insurance will terminate on the last day of the month in which the employment was terminated.
- F. While the above benefits are available as outlined, individual employees must assume the responsibility of signing up to receive the benefits, as benefits are not automatic. Marriage, childbirth, death, or any other change in an employee’s family status should be brought to the immediate attention of the business office for purposes of keeping insurance coverage current. It is important that all employees review their benefits with the business office when accepting a position with Allegan Public Schools when a change in the family occurs and at the beginning of each school year. If an employee does not sign up for insurance within one (1) month from the date of

hire, the employee must wait until the open enrollment period (presently between August 15 and September 15) to sign up for the insurance benefit.

- G. If the Employer considers a new healthcare carrier during the contract duration, the union will be represented in consideration and discussions.

Employees must sign up for dental insurance coverage during the first month of employment or during the open enrollment period each year, presently at the beginning of the school year.
- E. Dental insurance benefits are subject to the following limitation and conditions:
 - 1. Spouse and/or dependent benefits shall not be paid if such benefits are substantially equivalent to or duplicate those to which spouse and/or dependent is enrolled in under any other group insurance plan. It is not the intention of the Employer to provide insurance coverage which would result in an employee having double coverage which would have no reasonable benefit to the insured.
 - 2. The Employer's contribution for the above dental insurance shall terminate at the end of the calendar month in which the employee's employment terminated.

Within ten (10) business days of said filing, the supervisor and/or the building principal or department head shall meet with the aggrieved and the Steward and render within seven (7) business days from that date his/her decision in writing. The written grievance shall include:

1. Identification of the grievant.

- E. Any grievance not appealed from Step 3 within fourteen (14) business days shall be deemed not settled on the basis of the earlier response. This and all other time limits, however, may be extended by mutual consent of the parties.

GENERAL PROVISIONS

- A. If any provisions of this Agreement or any application of the Agreement shall be found contrary to law, then such provision or application shall not be deemed valid, except to the extent permitted by law, and all other provisions or applications shall continue in full force and effect. If any provision of this Agreement is found to be contrary to law and is therefore invalidated, either party may request that the parties meet for the purpose of renegotiating any such invalidated provision.
- B. The Union agrees that it will in good faith cooperate with the Employer in attempting to assure that reasonable work standards, schedules, and rules and regulations of the Employer are complied with, and that it will not directly or indirectly encourage, permit, or cause any concerted work stoppage, slowdown, strike, (or other interference with the day-to-day operations of the Employer). The Employer shall have the right to discipline, including discharge, any employee for taking part in any violation of this provision. The provisions of this Section shall remain in full force and effect until such time as this Agreement shall be superseded by a new Agreement between the parties.
- C. It is expressly agreed that neither the bargaining unit nor any provision of this Agreement shall be altered during the term of this Agreement, except upon the voluntary prior written consent of both the contracting parties, provided that nothing herein shall prohibit the Employer from adopting policies, initiating programs, or entering into other Agreements which are not contrary to the expressed terms of this Agreement, and provided further that the waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of the terms of this Agreement.
- D. The Employer agrees to furnish a copy of this Agreement to each individual employee in the bargaining unit during the term of this Agreement.
- E. This Agreement shall become effective upon ratification by a majority of the Board of Education of Allegan Public Schools and the membership of the local bargaining unit,

and shall continue in effect through June 30, 2023, at which time it will terminate.

- F. The parties recognize the Employer's obligation to the public to maintain and preserve at a reasonable cost the physical facilities of the District. Accordingly, nothing in this Agreement shall limit the right of the Employer to use such equipment, techniques, and procedures as it deems necessary.
- G. The Employer and Union acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the Employer and Union after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly agree that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time that the Agreement was negotiated.
- H. Special conferences will be arranged between the parties upon the request of either party. The purpose of special conferences shall be to discuss matters of concern to either party. Special conferences shall be held within ten (10) working days of either party's request for said conference.
- I. This Agreement shall supersede any rules, regulations, or practices of the school which shall be contrary to or inconsistent with its terms.
- J. If any provisions of this Article are invalid under federal law or laws of the State of Michigan, such provisions shall be modified to comply with the requirements of federal, state, and city law or shall be renegotiated for the purpose of adequate replacement. The Agreement shall also be guided by the Federal Wage Price Council directives and controls.
- K. The Union and its members may use the Employer's building facilities at reasonable times and hours for meetings, when such buildings are available and staff is on duty. The request for building use must be made to the building administrator. The Union and its members may make reasonable use of Employer's equipment, so long as such use does not interfere with the operation of the Employer. The Union may post notices on any bulletin board ordinarily designated for Union use.
- L. The Employer shall grant family leave to employees in accordance with the Family and Medical Leave Act of 1993. It is understood and agreed that the Employer reserves all rights and powers granted to employers under that legislation and applicable regulations and this Agreement shall not be construed as limiting or restricting those rights.
