ARTICLE I - RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for professional personnel, including personnel on tenure, probation, classroom teachers, guidance counselors, librarians, teachers with special or temporary certificates, employed or to be employed by the Board, but excluding supervisors, executive and GSRP (Pre-School) personnel. The term teacher, when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiation unit as above defined and references to male teachers shall include female teachers.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.
- C. The Board shall continue to provide payroll deductions consistent with applicable law. Items to be deducted to be specified. A total of eight (8) can be deducted. To be a deduction, it must be approved by a majority of the Association members and the Board of Education. The following are a number of those which may be deducted as authorized in writing by the individual:
1. Insurance
 2. Savings Bonds
 3. Tax-sheltered Annuities
- D. Nothing contained herein shall be construed to restrict or deny any teacher rights he may have under the Michigan Revised School Code or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be an addition to those provided elsewhere.

ARTICLE II - RIGHTS OF THE ASSOCIATION

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any of the rights conferred by Act 379 or any other law of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievances, complaints, or proceeding under this Agreement, or otherwise, with respect to any terms or conditions of employment.
- B. The Board specifically recognizes the rights of its employees appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency.
- C. The Association and its members shall continue to have the right to use school building facilities at all reasonable hours for meetings, subject to scheduling by the Principal. No teacher shall be prevented from wearing insignias, pins, or other identification of membership in the Association, either on or off school premises. Faculty bulletin boards, school mail, and other established media of communications shall be made available to the Association and its members with the exception of political issues.
- D. The Board agrees to furnish to the Association, in response to reasonable requests from time-to-time, all available public information concerning the financial resources of the District, tentative budgetary requirements and allocations, and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with information which may be necessary for the Association to process any grievance or complaint.
- E. The Association shall be advised by the Board of any new or modified millage, bond, or tax programs which are proposed or under consideration, and the Association shall be given reasonable opportunity to consult with the Board with respect to the proposed annual budget prior to its adoption and general publication.

ARTICLE III - RIGHTS OF THE BOARD OF EDUCATION

- A. It is recognized by all parties hereto that the Board, on its own behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws of the Constitution of the State of Michigan and the United States. It is further recognized that the exercise of said powers, rights, authority, duties and responsibilities by the board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the United States.
- B. The Association specifically recognizes the right of the Board appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency.

ARTICLE IV - PROFESSIONAL COMPENSATION

- A. The salaries of teachers covered by this Agreement are set forth in Appendix A, which is attached to and incorporated into this Agreement.
- B. The Salary Schedule is based upon days worked as designated in the school calendar.
- C. A school calendar with holidays and vacation that follow the BAISD common calendar shall be determined by the Board in cooperative effort with the Association each year and shall be listed as Appendix C.
- D. A teacher engaged during the school day in negotiation on behalf of the Association with any representative of the Board, or participating in any mandatory formal professional grievance negotiation, including arbitration, shall be released from regular duties without loss of salary to the extent allowed by law.
- E. An elected Association representative shall be released from regular duties without loss of salary for the purpose of participating in regional and state meetings of the Michigan Education Association, such release to be mutually agreed upon by both parties, not to exceed two (2) days per school year, to the extent allowed by law.
 - (1) Association representatives shall be released for the same purpose, providing the Association pays for the cost of the substitute's salary.
- F. As new staff positions which may fall within the scope of the bargaining unit are created, salaries for such positions shall be negotiable.

- G. Teacher's salary and benefits are based on their daily work schedules/assignments. In the event that a Teacher's daily work schedule/assignment has been reduced from full time, then the teacher's salary and benefits shall be pro-rated accordingly. Example: If a teacher's schedule/assignment is at 60%, then that teacher's salary and benefits will be set at 60%. The District will be limited to three (3) teaching positions that are less than full time.

ARTICLE V - TEACHING HOURS

- A. The Board will, so far as possible, set work schedules and make professional assignments that can reasonably be completed within a standard thirty-five (35) hour school week. Except as herein provided, the Board will not require teachers to regularly work in excess of such standard week within or outside any school building. Teachers agree to comply with all state and federal regulations related to teaching days and clock hours. In the event that there is a significant change in the legislation relative to clock hours and instructional days, the parties will, upon request of either party, meet regarding these legislative changes.
- B. All teachers shall have a duty-free uninterrupted lunch period of at least thirty (30) minutes.

Teachers may not normally be required to remain after school for longer than thirty (30) minutes to attend meetings called by the Superintendent, Principal, or Department Heads.

ARTICLE VI - TEACHING LOADS AND ASSIGNMENTS

- A. In the event that changes in schedules are proposed, all teachers affected shall be notified.
- B. High School
- 1) The normal teaching load shall consist of a seven (7) period day. Teachers will teach six (6) class periods per day, and receive five (5) periods for preparations per week.  - 2) A reasonable effort will be made by the administration to limit the number of preparation hours for the teacher to three (3).
 - 3) A teacher requested to accept an overload shall be compensated for working during their preparation period (per ratio to the school day of their work load).
 - 4) Selection for an overload shall be made by the building administrator based on teacher qualifications.

C. Middle School

- 1) The normal teaching load at the Middle School is driven by grade level and established by the building administrator. Class period times may vary depending on subject matter and grade level. One (1) conference period per day.
- 2) A teacher requested to accept an overload shall be compensated for working during their preparation period (per ratio to the school day of their work load).

These times may be adjusted to comply with regulations or to equalize elementary and secondary work schedules.

ARTICLE VII - TEACHING CONDITIONS

- A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education, which is the goal of both the Association and the Board. It is further recognized that the class size is controlled for the most part by the facilities and resources available. Because pupil-teacher ratio is an important aspect of an education program, the parties agree that the class size should be lowered whenever possible.
- B. The ratio of pupils to total classroom teachers within the District shall not, whenever possible, exceed twenty-five to one (25:1), with the exception of a class having one or more mainstreamed pupils. Teachers having one or more mainstreamed pupils must have class size decreased according to the number of such pupils and the nature and severity of their impairment. A special student shall be weighted as to one and one-half (1-1/2) to three (3) regular pupils. The Board agrees that extra effort will be made to keep grades K-2 at or below this ratio.
- C. Lounges, lavatories, workrooms, and personal storage shall be conveniently available to the professional staff. Future building plans shall provide these facilities.
- D. The Board recognizes that appropriate texts, library reference facilities, maps, globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer annually at In-Service or Curriculum Meetings for the purpose of improving the selection and use of such educational tools; and the Board shall promptly consider any recommendations resulting from such studies.
- E. Telephone facilities shall be made available to teachers for their reasonable use. This shall include a separate telephone for the use of the counselors.

ARTICLE X - SICK LEAVE AND SICK LEAVE BANK

- A. The primary purpose of the sick leave allowance is to cover the absence of any employee from school because of personal illness sufficiently severe that it will make his presence in school inadvisable. Sick leave applies only to absences resulting from illness of the employee, and not absence caused by illness in the immediate family.
 - (1) To qualify for sick leave bank, a teacher must have been in the system for a period of two (2) years. With teachers who have had previous teaching experience for a minimum of five (5) years shall be granted eligibility after one (1) year in the system.

- D. If an employee is disabled through injury or illness stemming from school employment, sick days will integrate with Worker's Compensation to provide one hundred percent (100%) salary. The remaining fraction of each sick day will be used to extend the employee's protection.
- E. To afford maximum protection against a prolonged illness, the following sick leave bank shall be established for members of the bargaining unit as described in Paragraph A (1) and each member covered by this Agreement shall participate as follows:
- (1) When the sick leave bank falls below fifty (50) days, the Board shall assess each participating employee one (1) day of his sick leave.
 - (2) Upon depletion of a member's own accumulated sick leave, the employee must wait an additional ten (10) working days before drawing from the bank.
 - (3) Any employee on sick leave who wants to participate in the sick leave bank must file an application in the Superintendent's office within 30 calendar days upon diagnosis and/or injury.
 - (4) A maximum of thirty (30) days may be granted per appeal illness from the bank.
 - (5) Persons withdrawing sick leave days from the bank will not have to replace these days except as a regular contributing member to the bank.
 - (6) If it appears that an individual is abusing the above policy, the Superintendent may direct said individual to be examined by a doctor to determine if the illness is valid.
 - (7) The Sick Leave Board may grant or suspend sick days from the bank. Their judgment and/or decisions will be final.
 - (8) The Sick Leave Board shall consist of four (4) elected members of the Association and the Superintendent, or his designated representative.
 - (9) No employee will be credited with sick leave day allowance while drawing from his own accumulated sick leave or the sick leave bank until he has reported back to work.

ARTICLE XI - LEAVE OF ABSENCE

- A. Upon return from leave, a teacher shall be assigned to the same position or a substantially equivalent position, when available.
- B. Leaves of absence, with pay chargeable against the teacher's sick leave allowance, shall be granted for the following reasons:
- (1) A teacher absent due to the illness of members of his or her family may choose to deduct up to five (5) days in any one (1) year from his or her sick leave. Family is defined as father, mother, brother, sister, spouse or child. Grandparents and parent-in-law are also included if they live in the household.
 - (2) Doctor and dental appointments. Employees are not permitted to make non-emergency appointments on days preceding or following times when employees are not regularly scheduled to work in the school calendar.
- C. Leaves of absence with pay, not chargeable against the teacher's sick leave allowance, shall be granted for the following reasons:

The parties to this Agreement acknowledge that arbitration hereinafter set forth may occur only after mutual agreement of the Association and Board of Education expressed in unity, each to the other.

- (e) His powers shall be limited to deciding whether the Board has violated the express article or sections of this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
- (f) In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement. Decisions of the Arbitrator will be final and binding upon both parties.
- (g) In the event that a case is appealed to an Arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

Reports and recommendations will be made by the Committee to the Board of Education and the Association.

ARTICLE XVII - RETIREMENT

- A. Alternate Procedures of Treatment: If alternate procedures, services or courses of treatment may be performed to properly correct a dental condition, the maximum eligible dental charge which will be considered for payment will be for the least expensive procedure which will, as determined by the Insurance Company, produce a professionally satisfactory result.

*Basic Benefits Incentive Plan Increment Provision: The Basic Benefits Percentage applicable to a Covered Individual's insurance under the coverage for a Benefit Year will be increased as indicated provided the Covered Individual visited a Dentist for periodic examination and diagnosis at least once during the preceeding Benefit Year, and all Basic Services, indicated in the List of Dental Services, which were recommended by the Dentist as a result of the first of such visits, were completed during that Benefit Year. Otherwise, the original Basic Benefits Percentage will again apply for the current Benefit Year, and future incentive increments will be determined as described on the Coverage Schedule.

**Additional Benefits Annual Deductible Amount Provision: For the purposes of calculating benefits for charges incurred in connection with anyone Treatment Plan, charges used toward the satisfaction of the Additional Benefits Annual Deductible for a Benefit Year will include any charges in connection with that Treatment Plan which were used toward the satisfaction of the Additional Benefits Annual Deductible for a previous Benefit Year. If any benefit has become payable under the Coverage in connection with a charge, that charge shall in no event be considered in the satisfaction of the Additional Benefits Annual Deductible for any Benefit Year.

DENTAL INCENTIVE PLAN

HERE'S HOW IT WORKS

Each family member must visit a dentist for examination and diagnosis at least once per calendar year and all Basic Services, which were recommended, must be completed during the calendar year.

However, if during any calendar year the services were not completed, the Basic Services Benefit percentage reverts back to the original plan percentage for the next calendar year.

HOW DO I USE THIS PLAN?

1. Select the **DENTIST OF YOUR CHOICE** and make an appointment for your examination.
2. When the dental services are complete, your signature on the SET claim form (or any universal dental claim form) will assign payment of benefits directly to your dentist.
3. If charges will be \$200 or more, your dentist should submit a Pre-Treatment Estimate.

Questions regarding eligibility and claims should be directed to SET, Incorporated (1-800-292-5421).
