2. The Bargaining Unit Member will upon written request, receive the balance of his/her contracted salary at the conclusion of the school year in lieu of twenty-six equal payments. Such request must be made by the First of May.

ARTICLE 12
EXPERIENCE CREDIT

The Board will allow newly employed staff member(s) up to ten years credit for professional experience in the field for which they are being employed. Staff to be placed beyond step one shall be done so after consultation with the Association. Written notification shall be made to the Association of the amount of credit granted to the teacher.

Example: A teacher granted ten (10) years of experience would receive credit for those years and placed on step eleven (11) for the upcoming school year.

ARTICLE 13
CONFERENCES

- A. Conference attendance must be approved in advance by the immediate supervisor and Superintendent. All out of state conferences require prior approval by the Board. Subsequent to approval, employees will register for the conference and pay all costs associated with their attendance. Bargaining unit members will file an evaluation form for the conference if requested by the administration.
- B. Food and Lodging: Food payable up to forty dollars (\$40.00) per day. Gratuities may be included within the forty-dollar limit. Lodging will be reimbursed at the room rate on the preapproval form. If two staff are staying together in the same room only one room rate will be reimbursed. Itemized receipts are required for all conference expenditures within fourteen days of the end of the conference.

ARTICLE 14
OUTSIDE EMPLOYMENT

- A. Outside employment commensurate with the Bargaining Unit Members professional training, which does not interfere with or adversely affect the regular duties of a person employed by Barry Intermediate Board of Education is considered to be a personal matter of the Bargaining Unit Member. If, however a Bargaining Unit Member's outside activity interferes with the regular assigned duties of the Bargaining Unit Member, the Superintendent or designee shall duly advise the Bargaining Unit Member and appropriate action may be taken if the situation is not corrected.
- B. Private Tutoring: Any Bargaining Unit Member assigned to the instruction of children in the county may not accept employment as a tutor of a school age child in the area of his professional specialization during the period of his/her contract year except if the parents of a school age child requests additional services over and above what can be provided for in the public school setting. Such tutoring shall require the approval of the Superintendent.

ARTICLE 15
LENGTH OF SCHOOL YEAR AND DAY

- A. The Board and the Association understand that the BISD calendar needs to closely resemble the days and hours of its constituent districts. Every effort will be made to ensure that regardless of which district's calendar is followed, all employees are scheduled for the same

number of hours of work per school year. The Board will develop the calendar with consideration given to the local district schedules. The calendar will be provided to the Association and they will be provided an opportunity for input. The Association agrees that as in the past, employees shall continue to serve the needs of students beyond the regularly scheduled hours, and also attend staff meetings, which extend beyond the normal working hours. Exceptions to scheduled working hours may be granted if written requests are submitted and approved by the teacher's immediate supervisor. Attendance at parent teacher conferences is important and all classroom teaching staff will attend parent teacher conferences on the schedule of the local school district in which their program is housed. Itinerant staff may be excused from parent teacher conferences by their immediate supervisor. A written request will be submitted. Staff excused from parent teacher conferences will work the day after conferences or make up the times within a 2-week period after conferences as approved by immediate supervisor. Staff may propose to their supervisor an alternate conference schedule but the parent teacher conference schedule will be determined by the administration.

- B. Bargaining Unit Members who are asked and agree to work the additional workdays during the summer session shall return a signed contract on or before April 1 of the year for which they will work. Failure to return a signed contract by the deadline shall mean the employee does not want to be hired for the summer session.
- C. If school is delayed Bargaining Unit Members are to report to their work stations at the rescheduled student starting time. If the delayed start becomes an inclement weather day, itinerant employees may either go home or remain at work. Teachers shall follow their local school district's cancellation and rescheduling policy.
- D. Teaching Hours: Days and hours will be determined with input from local district calendars and the Association with the exception of first day of school, Christmas and Spring vacation which have been agreed to per Common Calendar. Exceptions can be granted to scheduled hours if written requests are submitted to the immediate supervisor and approved by same. On days preceding holidays or extended vacations, teachers are free from duty at the close of the pupils' school day provided all required paperwork is submitted to the supervisor.

All employees will be provided with a duty free lunch period of a minimum of 30 minutes. Reasonable breaks for personal needs will be allowed when appropriate.

- E. Classroom Teacher Planning Time: Teachers who are assigned to a classroom on a full-time basis will be provided eighteen sessions of half day time periods. It is mutually agreed that this time will be taken in ½ day increments with prior approval by administration. At the end of the month if a teacher does not receive the full amount of the planning time for the month, subject to the exceptions below, the District will compensate the teacher at an hourly rate for missed planning time using the following formula.

BA Step 1 divided by one hundred eighty (180) divided by six (6) equals an hourly rate

for compensation.

Teachers will not be reimbursed for missed planning time due to inclement weather days or other school building closure, sickness, personal absences or issues, field trips, assemblies or presentations, fire, lockdown, or tornado drills, meetings, or conferences, professional development, scheduling errors, or any circumstance or situation outside of the ISD's control that may interfere with a teacher's planning time. Teacher submissions for compensation under this section must be submitted by the 10th calendar day of every month for the immediately preceding month. Late submissions will not receive compensation.

- F. Year Round Schedule: Bargaining unit employees who are assigned to work in the Early On program over a 12 month calendar will be compensated for the number of contract days set forth in the school year calendar. Each employee will submit an annual work schedule from July 1 to June 30 subject to approval by the employee's immediate supervisor. The schedule may be amended by the employee with the employee's supervisor's approval. Employee's submitted schedule may be reflected in days and/or hours and must be equivalent to the full regular school year staff days and hours. When the employee leaves the ISD's employment, the employee and Association will consult with payroll to determine if the employee was over or under paid in relation to the days worked. If the employee was overpaid, the ISD will use a payroll deduction to cure the overpayment. If a payroll deduction is not able to recoup the overpayment, the employee will reimburse the ISD for any overpayment.

ARTICLE 16 DEGREE EQUIVALENCY

SCECHs as used herein shall be defined as professional development acquired through seminars, conferences, workshop, ect. The SCECHs shall have been approved in advance at the discretion of the Superintendent. The decision of the Superintendent is not subject to the grievance procedure. Members who would like credit for SCECH's earned prior to the 2014-15 school year to be credited to a potential lane change need to file a request to the business office, outlining the earned credit and the dates attained, prior to October 1st of 2014. Graduate level coursework is required in order to qualify for a lane change (excluding those hours grandfathered and documented buy Oct 1, 2014).

2. Within each program slotted for reduction, employees shall be listed by full approval, temporary approval, continuing tenure, probationary tenure, and length of employment at BISD (seniority).
3. Within each program employees will be laid off in the following order, provided the person retained has the necessary certification:

4. Seniority shall be defined as length of continuous, contracted service within the bargaining unit, as of the member's effective date of employment.

B. Recall:

Any member on layoff shall be recalled in reverse order of layoff provided he/she is properly certified/approved/registered/licensed/endorsed for the vacancy. No new members shall be employed by the Board while there are members of the Barry ISD on layoff, unless there are no laid off members with proper certification/approval/registration/license/endorsement to fill any vacancy, which may arise. The Board shall give written notice of recall from layoff by sending a registered letter to said member, at his/her last known address. It shall be the responsibility of each member to notify the Board of any change of address. The member's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the members.

Members who are notified of recall by registered letter and fail to respond within ten (10) days, or who fail to report to duty within ten (10) days of such recall notice, shall be considered as resigned.

C. If a professional staff member is laid off, then recalled to fill a different position within the

- B. Where the specific language of this Agreement might conflict with the rules or regulations of the Board, the language of this Agreement will govern.
- C. An emergency manager appointed under the Local Financial Stability and Choice Act is authorized to reject, modify, or terminate this agreement as provided in the Local Financial Stability Act, 2012 Public Act 436
- D. School Improvement Committees
 1. Both parties recognize the importance of site-based decision making and accept the concept of participatory management systems that facilitate shared decision-making authority on select issues, joint planning and joint problem solving which focus ultimately on the goals of improving the quality and delivery of educational services and the work environment.
 2. To this end, the parties recognize the contribution ISD staff can make in sharing in the decision-making process at the building level and additionally recognize that with authority must come responsibility and accountability.
 3. It is further understood that those proposed areas of jurisdiction are not intended to extend beyond the scope of the traditional decision-making authority of building level administrative staff and that the focus of approved plans must be consistent with the Board's statutory authority, mission statements and goals. Such approved plans shall not be in conflict with the terms and conditions of this Agreement.

4. The Association Co-Presidents shall be given minutes of the meetings.

E. Department Budgets

For the purpose of planning, teachers will receive draft department budgets for the following school year on or about April 15th of the preceding school year. Both parties recognize that budgets are subject to change and are set by the Board.

ARTICLE 19

This Agreement is subject to amendment, alteration or additions only by a subsequent written agreement between and executed by the District and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions. If any Article or Section of this Agreement or any supplements thereto should be held invalid by legislative enactment or by any competent jurisdiction or tribunal, or if compliance with enforcement of any Article or Section should be restrained by such tribunal, the remainder of this Article shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article or Section, to the extent permitted by law.

ARTICLE 20
CONTINUITY OF OPERATIONS

- A. The Association and Board recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association therefore agrees that its officers, representatives and members shall not authorize, instigate, cause, aid, encourage, ratify or condone, nor shall any employee take part in any strike, slowdown, or stoppage of work, boycott, picketing or other interruption of activities in the school system. Failure or refusal on the part of any employee to comply with the provisions of this Article shall be cause for whatever disciplinary action is deemed necessary by the District.
- B. The Board agrees it will not lock out employees during the term of this Agreement. This provision shall not be construed to prohibit the District from sending employees home during a strike by another labor group or by the Association and/or certain of its members in violation of section A.

"The term 'days' as used in the grievance procedure shall mean calendar days on which the Barry Intermediate School District administrative office is open, excluding Saturdays, Sundays, and holidays recognized on the ISD calendar. The end of a day for all deadlines in this article is defined as the regularly scheduled close of business at the ISD's administrative office (i.e., 4:30 pm). On behalf of the Association,

LETTER OF AGREEMENT

EPSLA Extension

This Letter of Agreement is entered into between BARRY INTERMEDIATE SCHOOL DISTRICT (the "District") and THE BARRY INTERMEDIATE EDUCATION ASSOCIATION/MEA/NEA (the "Association").

The District and the Association recognize that on December 31, 2020, the Families First Coronavirus Response Act (FFCRA) expired, and was replaced with the Consolidated Appropriations Act of 2021 which does not extend the Emergency Paid Sick Leave Act (EPSLA) but does allow an optional extension of its terms through March 31, 2021, under the COVID-related Tax Relief Act of 2020.

The District and the Association agree to allow employees to carry over unused portions of 2020 FFCRA time under the EPSLA through March 31, 2021.

This Agreement is effective January 1, 2021, upon ratification by both the Association and the District. Any employees in 2021 who were in the course of using Non-FFCRA leave time for reasons covered by EPSLA will have their leave time restored and replaced with FFCRA time.

Neither the District nor Association waive any other rights or protections respectively afforded them by the terms of the Collective Bargaining Agreement.

Approved by the Board of Education at its regular meeting of February 9, 2021.
