This Agreement is made as of the date hereinafter set forth by and between Delton Kellogg Schools, Counties of Barry and Allegan, acting by and through its Board of Education (hereafter the "School" or "Board") and the Unified Bargaining Council, MEA/NEA (hereafter the "Association").

PREAMBLE

WHEREAS, the Board has a statutory obligation, pursuant to the Public Employees Relations Act as amended ("Act") to bargain with the Association as representative of its teaching personnel in respect to rates of pay, wages, hours of employment or other conditions of employment.

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and agreements herein contained, it is agreed as follows:

WITNESSETH:

ARTICLE I – RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of the Act, for all certificated personnel and non-certificated counselors and media specialists, excluding substitutes, administrators and supervisors.
- B. The Board agrees not to negotiate with any teachers' organizations other than the Association for the duration of this Agreement.
- C. The Association hereby designates the Delton Kellogg Education Association (hereafter "DKEA") as its local agent for purposes of contract administration.

ARTICLE II – TEACHERS' RIGHTS

- A. Teachers' Hours
 - 1. The teachers' normal teaching hours in the Elementary, Middle and High Schools shall be as follows:

K	-	7:50 a.m. – 3:30 p.m.
1-8	-	7:50 a.m. – 3:30 p.m.
9-12	-	7:50 a.m. – 3:30 p.m.

If provisions of the Revised School Code or the State School Aid Act requires increased hours, the parties agree to comply by extending teacher/student instructional time.

2. Teachers' meetings will be held once weekly, commencing one (1) hour prior to the regular teaching day. The meeting will be called at the discretion of the building principal. When necessary, a special meeting in place of the regular meeting may be called by the Superintendent with the approval of the Association President.
3. Dismissal time during inclement weather will be after bus departure.

B. Teaching Loads and Assignments

1. Mentor Teacher
 - a. A Mentor Teacher shall be defined as a master teacher as identified in section 1526 of the Revised School Code and shall perform the duties of a master teacher as specified in the code. The Mentor Teacher shall be a member of the bargaining unit.
 - b. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Association with the approval of the Administration. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.
 - c. The Mentor Teacher assignment shall be for one (1) year subject to review by the Mentor Teacher and Mentee after two (2) months. The appointment may be renewed in succeeding years.
 - d. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential and shall not in any fashion be a matter included in the evaluation of the Mentor Teacher or Mentee. Neither the Mentor Teacher nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other. Further, the Mentor Teacher shall not be called as a witness in any grievance or administrative hearing involving the Mentee nor shall the Mentee be called as a witness in any grievance or administrative hearing involving the Mentor Teacher.

- e. During the first semester of employment, the Mentor Teacher will meet with the Mentee for a maximum of one and one-half (1 ½) hours bi-monthly. For each semester following, the meeting time will not exceed one and one-half (1 ½) hours monthly. Meeting time, whenever possible, should be scheduled before or after the regular school day.
 - f. Mentees shall be provided with a minimum of fifteen (15) days of professional development induction during their first three (3) years of classroom teaching. Professional development shall be scheduled within the parameters of the regular work day and work year.

 3. Each middle and high school teacher's schedule shall include one (1) class period daily for conference and/or preparation and planning.

No deviations from this agreed schedule shall be made unless accepted by the Association and the Board. 10. The Board will not discriminate against any teacher with regard to wages, hours, and other terms and conditions of employment, by reason of such teacher's membership in any recognized political party, or by reason of any teacher's choice not to become a member of any recognized political party. Additionally, the School will not discriminate against any teacher with regard to wages, hours and other terms and conditions of employment by reason of the teacher's membership in any religious organization, or by reason of the teacher's lack of membership in any religious organization. The Association agrees that its members will not seek to advance any political cause in the classrooms and that its members will abide by the constitutional requirements with regard to the teaching of the religious beliefs of any particular religious sect in the school classrooms. The Association further agrees that its members will not participate in any activity which would be a violation of the conflict of interest statutes of the State of Michigan.
11. 1. Strikes and Sanctions

- a. During the term of this Agreement neither the Association nor any persons acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from his/her position, or stoppage of work, or abstinence in whole or in part, from the full, faithful and proper performance of the teacher duties of employment) or the imposing of sanctions for any purpose whatsoever against this District.

b. Reprisals

- (1) The Association will not support the action of any teacher taken in violation of this Article, nor will it directly or indirectly take reprisals of any kind against a teacher who continues or attempts to continue the full, faithful and proper performance of his/her contractual duties or who refuses to participate in any of the activities prohibited by this Article.
- (2) The Association agrees that it will neither take nor threaten to take any reprisals, directly or indirectly, against any supervisory or executive officials because of any decisions, actions or statements made either personally or in the course of their official duty relative to collective

bargaining. The Association further agrees that it will neither take nor threaten to take any reprisals against the Board, or any member thereof, by reason of any decisions, actions or statements made by them either personally or in the course of their official duty relative to collective bargaining.

- (3) It is expressly understood that this Section F., 1., b., will not be construed as in any way restricting the right of the Association to take any lawful action or exert any lawful pressure in connection with negotiations for future professional negotiation agreements.

c. Violation

- (1) The Board, in the event of violation of this Article, will have the right, in addition to the foregoing and any other remedies available at law, to seek injunctive relief and damages against the Association; provided, however, that if the Association promptly disclaims, in writing, to the Board and publicly, responsibility for any activity prohibited hereby, and publicly orders the teachers back to work, it will not be liable in any way therefore.

- d. Nothing contained in this Article will be construed as a waiver of any rights to the Association or its members may have under the Act which are otherwise provided by law.

F. Protection of Teachers

1. Any case of alleged assault upon a teacher which had its inception in a school centered problem will be promptly reported to the Board or its designated representative. If the alleged assault was by a pupil, it will be promptly investigated by the principal or his/her designated representative. This person and the Superintendent shall determine a suitable punishment for the assaulting pupil(s). This decision will be communicated to the teacher concerned.
2. If the assault is by an adult person, who is not a pupil, the School will promptly report the incident to the proper law enforcement authorities providing there is a signed complaint by the person(s) assaulted.
3. The Board shall furnish legal counsel to a teacher if such teacher is assaulted in the discharge of his/her professional duties, provided that the teacher shall have promptly reported any such assault to the administration, and provided further, that the teacher has first exhausted any insurance which provides for same.

4. During the term of the Agreement, the School will include all teachers as named insured's under its Liability insurance policy. The Association shall have the right to review the terms of the policy in order to ascertain that the provisions of this Section have been implemented. The fact amount of the policy shall not be less than set forth in the 1985-87 Agreement.
5. Whenever a teacher is absent from school as a result of person injury caused by an assault arising out of and in the course of his/her employment, he/she will be paid his/her full salary (less the amount of any workers' compensation made for temporary disability due to said injury) for the period of such absence not to exceed ten (10) school months, and no part of such absence will be charged to his/her annual or accumulated sick leave. The Board agrees that these differential payments are not to be utilized as an offset pursuant to Section 354 of the Workers' Compensation Act against any workers' compensation benefits due a teacher. The Board may, at its option, request a confirming statement from a medical doctor relative to the duration of such absence from the teaching assignment. As soon as such teacher is physically able to return to work, he/she shall be restored to his/her previous position providing such position is still in existence. In that event, by mutual agreement, the teacher shall be returned to a like or similar position. The provisions of this Article may not apply if the teacher(s) is adjudged guilty by a court of competent jurisdiction.
6. If, as a result of an assault arising out of and in the course of his/her employment, a teacher suffers damage or destruction of clothing and glasses, the School or its workers' compensation carrier will reimburse the teacher for such loss. Such reimbursement by the School will cover all such costs except those covered by insurance.
7. Classroom control is the basic responsibility of the classroom teacher. The Board will continue to accept its responsibility to give aid and support to the teachers through the appropriate administrators.
8. Any pupil who is determined by the administration, after consultation with appropriate qualified professional people, to be incapable of adjusting to the regular classroom will be removed from such regular classroom.

G. Released Time

H. Least Restrictive Environment

Whenever prospective planning activities relating to the implementation of the Least Restrictive Environment (LRE) concept throughout the Intermediate School District occur, the Board shall ensure that the Association shall be a full participant in any planning process involving the District as well as in the formulation and presentation of the Board's position as a part of any such planning activities involving the Intermediate School District.

Such participation shall neither expressly nor by implication be deemed to be a waiver of the Association's right to bargain any working condition in accordance with its responsibilities pursuant to the Public Employment Relations Act, as amended.

ARTICLE III – ASSOCIATION RIGHTS

- A. The Association and its representatives shall be able to use school building facilities and equipment at all reasonable hours for meetings provided that such meetings shall not interfere with the regular educational programs of the schools. This use of the facilities shall be without charge in accordance with the school policy for the use of school facilities as it shall exist from time to time. Damage to any equipment used will be paid for by the Association. The Association may purchase materials from the school at cost. Internal school mail service shall be granted to the Association, provided that communication through the mail service shall clearly identify the person or persons responsible for same.
- B. The Association shall have the exclusive right to post notices of activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in each school building.

Use of such days is at the discretion of the Association. The Association agrees to notify the Board no less than forty-eight (48) hours in advance of use.

ARTICLE IV – SCHOOL MANAGEMENT RIGHTS

- A. The determination and administration of educational policy, the operation of schools, and the direction of the professional staff are vested exclusively in the

Board or in the Superintendent when so delegated by the Board, except as expressly provided otherwise by the terms of this Agreement.

It will be the intent and practice of the School to encourage the staff to actively participate in and cooperate with the District School Improvement Team concerning instructional and curricular matters. The Committee will refer and recommend their decisions to the Board for its consideration.
- C. The School may adopt reasonable rules and regulations not in conflict with the terms of this Agreement.
- D. In the event of a school merger, annexation, or other change in constituents of the School, any right or privilege afforded any teacher by this Agreement, not to exceed the remainder of the current school year, shall not be abrogated by such change in the school composition.
- E. Individual teachers shall implement, as required, performance goals and objectives in connection with their teaching assignments and the educational needs of their students as determined by the School and by the State of Michigan.

ARTICLE V – EVALUATION SYSTEM

- A. Each teacher shall have the right upon request to review the contents of his/her own personnel files maintained at the individual's school or at the Administration Building. A representative of the Association may, at the teacher's request, accompany the teacher in this review. The review must be made in the presence of the Administrator responsible for the safekeeping of these files. Privileged information as defined by law is specifically exempted from review. The Administrator shall, in the presence of the teacher's authorized representative, remove these credentials and confidential reports from this file prior to a review of the file by the teacher.
- B. The Board will assume responsibility for the review of information in personnel files before releasing any material and will not transmit to a third party any disciplinary reports, letters of reprimand or other records of disciplinary action which are more than four (4) years old, except when ordered to do so in a legal action or arbitration, and except to other Michigan school districts when required as part of employee background checks for unprofessional conduct.
- C. In the case of a FOIA request for personnel files or grievance files, the Board shall request the allowable extension under the law so that the information to be released can be reviewed by the teacher who is the

subject of the information request. The Board shall notify the Association President and the teacher that a request for information pursuant to the FOIA has been made.

- D. All observations of the work performance of a teacher shall be conducted openly.

ARTICLE VI – GRIEVANCE PROCEDURE

A. Purpose

1. The sole remedy available to any teacher for any alleged breach of this Agreement or any alleged violation of his/her rights hereunder will be pursuant to the grievance procedure. However, nothing contained herein will deprive any teacher of any legal right which he/she presently has, provided that if a teacher elects to pursue any legal or statutory remedy, such election will bar any further or subsequent proceedings for relief under the provisions of this Article.
2. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
3. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment if requested by the aggrieved or the School. The Association shall be notified of the disposition of the grievance in writing at and after Level Two of the grievance procedure.

B. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. Days shall mean working days when school is in session. The number of days indicated shall exclude Saturdays, Sundays and Holidays. During summer vacation the individual shall have ten (10) week days, excluding holidays, to initiate the grievance. If appropriate action is not taken within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. The time limits specified may, however, be extended by mutual agreement.

1. Level One

Any aggrieved person with a complaint shall confer with his/her immediate supervisor or principal, individually, together with or through his/her Association representative. This information conference, shall take place within a maximum of five (5) school days following the occurrence of the complaint. A decision of the supervisor or principal shall be given within five (5) days following the conference. Either party may request the decision in writing. Should the aggrieved person not be satisfied with the results of the informal conference, he/she shall within five (5) days file a written grievance with the immediate supervisor or building principal. A written decision of the supervisor or principal shall be given within five (5) days.

2. Level Two

If the aggrieved is not satisfied with the disposition of his/her complaint at Level One, he/she may file, within five (5) days, the complaint in writing with the Superintendent or his/her representative. The Superintendent, or his/her representative, shall meet within five (5) days thereafter with the aggrieved and the Association representative. Within five (5) days of that meeting the Superintendent, or his/her representative, shall reduce his/her decision to writing and deliver the same to the individual and to the Association.

3. Level Three

If the aggrieved is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) days after he/she has first met with the Superintendent, he/she may file the grievance in writing with the President of the Association within ten (10) days after he/she first met with the Superintendent. Within five (5) days after receiving the written grievance, the President of the Association will refer it in writing to the School Board. Within ten (10) days after receiving the written grievance, a committee of the Board will meet with the aggrieved person for the purpose of resolving the grievance. The ultimate decision on the grievance at Level Three will, however, be rendered by the Board at a special or regular board meeting.

4. Level Four

- a. If the aggrieved is not satisfied with the disposition of his/her grievance at previous levels, or if no decision has been rendered within ten (10) days after he/she has first met with the Board Committee, he/she may, within five (5) days after a decision by the Board or fifteen (15) days after he/she has first met with the Board Committee, whichever is sooner, request in writing to the President of the Association to submit the grievance to arbitration. If the

Association determines that the grievance is meritorious and that it arises from the language of this Agreement or an alleged breach thereof and that submitting it to arbitration is in the best interests of the Delton Kellogg School System, it may, by written notice to the School, submit the grievance to arbitration within fifteen (15) days after receipt of a request by the aggrieved person. If not so delivered within fifteen (15) days, the grievance shall be deemed abandoned. Grievances which do not arise from the language of this Agreement may be processed through Level Three but will not be arbitrable.

- b. Within ten (10) days after such written notice of submission to arbitration, the Board Committee and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions of the issues submitted. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. His/Her authority shall be limited to deciding whether a specific Article and Section of the Agreement has been violated. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under law and this Agreement. The decision of the arbitrator, if within the scope of his/her authority as above set forth, shall be final and binding.
- d. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel and subsistence expenses will be borne equally by the School and the Association.

C. Rights of Teachers to Representation

- 1. No reprisal of any kind will be taken by either party against any school representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
- 2. Any party in interest may be represented at all stages of the grievance procedure by a person of his/her own choosing, except his/she may not be represented by a representative or by an officer of any teacher organization other than the Association and its affiliates.

D. Miscellaneous

1. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
2. In the course of investigation of any grievance, representatives of the Association will report to the principal of the building being visited and state the purpose of the visit immediately upon arrival.
3. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with assigned duties. However, in the event it is agreed by the School to hold proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.
4. Any grievance to be valid must be filed within the five (5) day period from the time the individual became aware of the event causing the grievance. Any pay adjustment allowed will not be retroactive beyond the current school year in which the grievance is filed.

ARTICLE VII – COMPENSATION AND BENEFITS

A. Compensation

1. The basic compensation of each teacher shall be as set forth on Schedule "A". For the 2011-2012 school year, teachers shall receive pay equal to half steps only.
2. A teacher who is directed by the principal to use a planning conference period to serve as a substitute for another teacher shall be compensated at a rate of one-fifth (1/5) of the B.A. base daily rate of pay or compensatory time which can be accumulated to a maximum of two and one-half (2 ½) days at a teacher's option. Compensatory time shall not be used adjacent to sick leave days, except with the prior consent of the Superintendent. Compensatory time shall not be used adjacent to holiday or vacation periods except as is allowed under Article 8 Paragraph A (3). No more than two (2) days of compensatory time and personal business days may be used in combination, without the permission of the Superintendent.
3. A teacher requested to work in excess of the number of days set forth in the School Calendar shall be entitled to a prorated increase in compensation.

4. In the event a teacher teaches a fifth assignment in the high school and does not have a planning period, the additional compensation shall be 16.5% of that teacher's base pay per year. It is 5.5% per trimester. The extra assignment would be voluntary.

B. Previous Teaching Experience

1. The Board will recognize the highest degree level accomplished, and may grant experience credit for prior certified teaching experience.
2. Those teachers teaching one (1) full semester but less than a full year will receive credit for one-half (1/2) year.
3. Any teacher required by the State Department of Education to have work related experience as a condition of certification may receive credit for such experience on the salary schedule. Such credit on the salary schedule shall not exceed three (3) years.

C. Advancement on Schedule

Degrees and/or fifteen (15) and thirty (30) hour blocks of hours beyond degrees secured prior to August 31 shall become effective at the beginning of the school year in September. If secured after August 31 and prior to January 20, credit shall be given on the salary schedule effective with the beginning of the second semester. Teachers shall be responsible for providing proof of degree and, or transcript before prorated payment is made.

D. Fringe Benefits

The Board shall provide fringe benefits as set forth in Schedule B.

E. Differentials

The Board shall provide differentials as set forth in Schedule C.

F. Deductions

Teachers desiring payroll deductions for credit union, money-saver plan, annuities, United Way, insurance, scholarship, etc., must within thirty (30) days of their employment sign and deliver to the School an assignment authorizing such deductions. Such sums will be deducted from the teacher's remaining pay periods during the then current school year.

G. Tuition Reimbursement

The district shall reimburse members of the bargaining unit for classes that will be applicable to the member's further certification, technology, or completion of "highly qualified" criteria, pursuant to NCLB, 20 USC 6301 et seq. Each member will be paid seventy five dollars (\$75.00) per credit hour for classes successfully completed. Each member shall have the approval of the superintendent or his/her designee prior to the first day of the class. Members must request reimbursement within 60 days of receipt of grades. The member must minimally receive a 3.0 grade for all course work and must report the successful completion of the class to the district accompanied by a transcript or grade form.

ARTICLE VIII – AUTHORIZED LEAVES

A. Allowances

1. Sick Leave

There shall be an allowance of ten (10) days per year for sick leave which shall be added, after the first day (but not including the first day) of actual work on this contract. Each teacher shall be entitled to an accumulation for the unused portion of each year's sick leave up to a maximum of one hundred eighty (180) days. Each teacher who has accumulated one hundred eighty (180) days shall be paid twenty dollars (\$20) for each unused sick day above the one hundred eighty (180) day accumulation at the end of each school year. The amount of unused sick leave shall be certified to the teacher within thirty (30) days after the beginning of each work year. The number of days, as furnished by the Board, shall be conclusively deemed to be accurate unless the teacher informs the Board of any error within fifteen (15) calendar days after receipt of such certification. If the first year of employment is terminated prior to the end of the school year, sick leave use will be allowable at a ratio of one (1) sick leave day for every month employed.

2. Business Days

There shall be an allowance of four (4) half-days for personal business. Advance notice in writing, at least one (1) full day, shall be given the Administration in requesting a half-day(s) for personal business. With prior notification, holiday and vacation provisions may be waived in case of emergency. No more than ten percent (10%) of the total staff shall be absent for personal business on a given day. If leaves are to be canceled because more than ten percent (10%) of total staff have given notice, cancellations shall be in reverse order of receipt. Up to four (4) full personal business days can be accrued and will roll over from year to year. Unused business days, in excess of four (4), shall be added to the accumulated sick days annually.

The sick leave and business day leave allowances for teachers hired after the beginning of the regular school year shall be prorated.

3. Compensatory Hours/Holiday Extension

- a. A maximum of two (2) days of accumulated compensatory hours/personal business will be allowed for use without consideration of holiday language in the Agreement, for the following holidays: Thanksgiving, Christmas, Spring Break and Memorial Day. Compensatory time/personal business must be used in one-half (1/2) day increments.
- b. A maximum of ten (10) staff members may receive holiday extensions under this Agreement.
- c. A teacher will submit a written request to his/her Association Representative no later than six (6) months prior to the scheduled vacation he/she wishes to extend. If both spouses are employees of Delton Kellogg School District, they may submit their names together. The request shall indicate the number of days requested as well as the desire for the planned usage. A lottery pick will be conducted by the Association leadership to determine who receives the extensions. Requests cannot be rescinded after the six (6) month prior date. If a teacher is chosen and he/she later decides not to use the extension, there will not be any replacements chosen, and that individual will move to a low priority status the following year. In addition, any teacher selected for Christmas or Spring Break extensions will receive low priority status for each of those following vacations.
- d. Those individuals selected for a holiday extension will be given a low priority status for the same holiday the following year. If in the event more than ten (10) members of the teaching staff request an extension the following year, the previous years' recipients will not be included in that lottery.
- e. If ten (10) members of the teaching staff do not apply for any given extension, requests may be submitted up to thirty (30) days prior to the desired holiday for the remaining positions. No additional requests will be considered after the thirty (30) day deadline. Selection under this scenario will be awarded on a first come first served basis.

B. Leaves of Absence

Two types of leaves of absence may be granted by the Board – namely, leaves with pay and leaves without pay.

1. Leaves of Absence With Pay

a. CHARGEABLE against the teacher's allowance:

(1) Sick Leave

- (a) Sick leave shall be construed, herein, as absence from work due to the illness of the employee and includes teacher emergency dental and doctor appointments and medical disability due to child birth.
- (b) No sick leave allowance shall be granted to any employee for any period of time when he/she is on approved leave of absence for which pay is not granted by the Board.
- (c) Sick leave shall become effective after, but not including, the first full day of actual work on the contract; provided, that a returning teacher who is absent due to personal illness at the time the contractual year begins shall receive such sick leave up to his/her prior accumulated sick leave at regular pay periods during his/her illness; and provided further, that newly hired and returning teachers who are absent due to personal illness at the time their contract begins shall receive sick leave pay up to ten (10) days which will be included in their first full pay check after they report for work.
- (d) Sick leave days may be used or charged on a one-half (1/2) day basis. However, a portion of a half-day will be charged as an entire half-day of leave.
- (e) Verification, by statements from doctors or dentists, of illness or use of sick day leaves for appointments may be requested by the administration before payment for sick leave is allowed.

(2) Illness or Accident in the Immediate Family

- (a) An employee may take up to five (5) days per year of sick leave without loss of pay for illness or disabling accident in the immediate family of the employee.

(b) "Immediate family" as used in this provision shall refer to the employee's spouse, children, parents and grandparents.

b. Leaves of absence with pay NOT CHARGEABLE against the teacher's allowance shall be granted for the following reasons:

- (1) A leave of absence may be granted a teacher called for jury service. The School shall pay an amount equal to the difference between the teacher's daily salary and the daily jury fee paid by the court (not including travel allowances or reimbursement of expenses) for each day on which he/she otherwise would have been scheduled to work provided the School is notified promptly of pending jury duty and the School retains the right to request that the teacher be excused from jury duty. The teacher shall return to his/her duties whenever his/her attendance in court is not actually required.
- (2) Court appearance as a witness when a school district is the plaintiff or defendant or when subpoenaed in any case connected with the teacher's employment. Additional time may be taken to attend other depositions using personal or compensatory time up to a maximum of four (4) days per year.
- (3) Approved visitation at other schools or for attending education conferences or conventions as requested by the School.
- (4) Time necessary to take the selective service physical examination.
- (5) Up to a maximum of four (4) days leave without loss of pay may be allowed on the occasion of a death of a spouse or child; three (3) days leave on the occasion of a death of a father, mother, step-children, or like in-laws; two (2) days leave on the occasion of the death of a grandparent, brother, sister, or like in-laws. One (1) day may be added if the individual lived out of state. Additional time, charged against sick leave, may be requested of the Superintendent.
- (6) A teacher who has completed seven (7) years of teaching in Delton Kellogg Schools may be granted a sabbatical leave of absence for one (1) semester or for one (1) year for the purpose of study to improve the teacher's ability to teach. During said sabbatical leave, the teacher shall be

considered to be in the employ of Delton Kellogg Schools, shall have a contract, and shall be paid one-half (1/2) of his/her full salary and insurance benefits. While on sabbatical leave, seniority shall accrue. Upon return from leave, the teacher shall be assigned and placed on the salary schedule as the teacher would have been had he/she taught in the District during the sabbatical period. A teacher who is granted a sabbatical leave further agrees to return to the Delton Kellogg Schools for two (2) years following such leave. A teacher, who has taken such leave and does not comply with the above, shall reimburse all costs to the School during such leave.

2. Leaves of Absence Without Pay

Any teacher who is working under contract with the Delton Kellogg Schools, upon written application to the Superintendent of Schools, may request a leave of absence without pay. No leave of absence will be granted without the approval of the Board of Education. Leaves of absence may be granted for the following reasons:

a. Health Care Leaves

- (1) Health care leaves may be requested for up to one (1) year for the employee's own illness, for an employee to care for a spouse, or a parent, or for the purpose of child rearing.

Requests for leaves of absence for ill health must be accompanied by a statement from the attending physician recommending that the employee be granted such leave of absence. A request for return from leave because of ill health must be accompanied by a physician's statement indicating that the employee has been examined by the physician and that he/she is able to resume his/her regular duties with the Board of Education.

The School reserves the right to require the employee to be examined by a doctor of the School's choice. In the event the employee's and the School's respective doctors disagree, the doctors will select a third doctor for final determination of the employee's fitness to return to work. Up to twelve (12) weeks may be covered under FMLA.

- (2) An eligible employee may take a Family Medical Leave Act (FMLA) Leave up to twelve (12) weeks during any twelve (12) month period for one or more of the following reasons:

1. The birth of a child, and to care for the newborn child;
2. The placement of a child with the employee through adoption or foster care, and to care for the child;
3. To care for the employee's spouse, son, daughter, or parent with a serious health condition; and
4. Because a serious health condition makes the employee unable to perform one (1) or more of the essential functions of his or her job.

Leave under FMLA includes up to twelve (12) weeks for the same eligible occurrence (above), and includes the time for the same occurrence for which the employee is covered by sick leave under this Agreement.

Under FMLA leave, the employee's insurance benefits will continue to be paid by the employer.

- (3) Illness in Immediate Family – Members of the employee's immediate family shall be defined as the employee's spouse, children, parents, and grandparents. No sick leave time may be used during such a leave. Up to twelve (12) weeks may be covered under FMLA if the illness is a spouse, child, or parent.
 - (4) Child Care Leave – A leave of absence shall be granted a teacher for the purpose of child rearing or child adoption. The teacher shall notify the Superintendent, in writing, of the desire to take such a leave. The letter requesting the leave shall also include the date of expected return and, except in case of emergency, shall give such notice at least thirty (30) days prior to the date on which the leave is to begin. The physician's or adoption agency's statement shall be included with the leave request. Up to twelve (12) weeks may be covered under FMLA.
- b. Military Leave – All employees shall be granted a leave of absence without pay for the purpose of enlistment, conscription or recall to active service in the military forces of the United States. Experience credit on the salary schedule shall continue to accrue during the leave for military service as required by law.

- c. Advanced or Additional Study – A teacher may be granted a leave of absence without pay for the purpose of study to meet eligibility requirements for an educational certificate other than that held by the teacher.
- d. Public Office – A teacher may be granted a leave of absence without pay for the purpose of campaigning for a public office. This leave shall be for a period of not more nor less than one (1) year.
- e. Association Office – A teacher may be granted a leave of absence without pay for the purpose of serving and performing his/her elected duties as an elected officer in the local, state, or national association. Such leave is to be for the term of office.
- f. Job Saving – The Board agrees to grant a leave of absence to any teacher who applies, providing such leave will prevent another teacher from being laid off.

3. Duration of Leave of Absence

- a. Leaves of absence may be requested and may be granted for a period of time not to exceed one (1) year and such leaves are to be applied for at least thirty (30) days prior to the date on which the leave is to begin, except in case of emergency. Extension of a leave for one (1) additional school year may be granted in unusual circumstances by the Board of Education upon written request by the employee not later than two (2) months prior to the termination date of the original leave.
- b. Whenever possible, leaves of absence will commence and terminate at the start of the school year or semester.

4. Return From Leave of Absence

- a. An employee wishing to return to the Delton Kellogg Schools from a leave of absence must notify the Superintendent in writing of this intent ninety (90) days prior to the termination date of the leave, but not less than thirty (30) days prior to the termination date of the leave.
- b. After a request to return from leave, the teacher shall be assigned to a like or similar position for which he or she is certified and qualified to teach.

- c. Those teachers on an unpaid leave of absence for more than six (6) weeks during a semester will not receive seniority credit for the time missed but will retain the seniority they have amassed up to that time.

C. Workers' Compensation

Any teacher who is absent because of an injury compensable under the Michigan Worker's Compensation law, excluding any compensable injury resulting from other employment, and while receiving workers' compensation from the School shall receive the difference between the allowance under the workers' compensation law and his/her regular salary not to exceed the balance of the teacher's contract year. No sick leave deductions will be made for compensable injuries. The School Board agrees that these differential payments are not to be utilized as an offset pursuant to Section 354 of the Workers' Compensation Act against any worker's compensation benefits due a teacher, but shall constitute a benefit under a disability pension plan.

ARTICLE IX – LAYOFFS

- A. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. If the teacher fails to report to work on the date set forth on the notice of recall, or if the date for resuming work is more than fifteen (15) days from the date of the notice of recall and the teacher within (10) days from the giving of the notice shall have failed to confirm in writing the availability of the teacher for employment, the teacher shall be considered a voluntary quit, unless an extension shall have been granted by the Board in writing, and the obligation of the Board to reemploy the teacher shall terminate.
- B. Teachers shall not accrue additional sick leave days or advance on the salary schedule during layoff nor will they lose sick days or years of experience on the salary schedule acquired prior to layoff.
- C. A teacher, who is laid off and is paid unemployment compensation benefits (associated with his/her regular teaching assignment) during the summer immediately following layoff and is subsequently recalled to a teaching position at the beginning of the next school year, will be paid according to an annual salary rate such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following conditions:
 1. The teacher is recalled for the full year to a position at least equal to the position he/she was laid off from.

2. The teacher may voluntarily agree to repay the amount of unemployment compensation received, in which case there would be no reduction in salary.
- D. Tenured teachers who have been on layoff for more than three (3) years shall no longer be eligible for recall. Probationary teachers shall have the recall rights for two (2) years from date of layoff.
- E. Certificate Nullification – A teacher seeking to nullify or otherwise limit one or more endorsements or grade level certifications appearing on his/her teaching certificate, if tenured, shall immediately have his/her seniority placement adjusted to the position on the seniority list immediate above the most senior probationary teacher unless that adjustment would result in an increase in seniority for the tenured teacher, or the lowest level he/she is highly qualified to fill. If the teacher seeking to nullify or limit their endorsements or grade level certification is a probationary teacher his/her seniority placement shall immediately be adjusted to the position immediately below the least senior probationary teacher, or the lowest level he/she is highly qualified to fill.
- F. “Highly Qualified” for purposes of this article shall be defined as “high qualified” pursuant to NCLB, 20 USC 6301 et seq.

ARTICLE X – MISCELLANEOUS PROVISIONS

- A. Each teacher shall be furnished a telephone number to call to report unavailability for work. A teacher shall report such unavailability before 6:45 a.m. unless the reason for such unavailability shall arise after such time or extenuating circumstances shall make it impossible for the teacher to follow such procedure.
- B. The Association will be notified and will have the opportunity to consult with the School with respect to contemplated millage increases.
- C. The School will, upon written request of the President of the Association, provide public information pertinent to collective bargaining. The request will state in writing the purpose for which information is intended.
- D. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contract heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- E. Copies of the Agreement will be printed, with the expense shared equally by the Board and the Association, and presented to all teachers now employed or hereafter employed by the School while this contract is in effect.

F. If any provision of this Agreement shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

G. Agency Shop

1. Financial Responsibility

Membership in the Association is separate and distinct from the assumption by a teacher of his/her equal obligation to compensate the Association for the benefits he/she receives from representation. The terms of this Agreement have been equally made for all the teachers in the bargaining unit and not solely for the benefit of the members of the Association. Accordingly, it is agreed that it is fair that each teacher in the bargaining unit pay equally for benefits received and that each assumes his/her fair share of the cost of representation.

2. Agency Service Fee

Each teacher, as a condition of continued employment, shall authorize the deduction of membership dues or assessments of the Association from his/her salary, or, if he/she shall not be a member of the Association, shall authorize the deduction of an agency service fee that shall not exceed the amount of professional dues paid to the Association. If during the term of this Agreement it shall be determined by a court of competent jurisdiction that the foregoing amount is unlawful, the amount shall be modified to such amounts as shall be lawful.

3. Check-Off Procedure

Each teacher shall authorize in writing the deduction of Association dues, or the agency service fee, as the case may be, within thirty (30) days following the beginning of the school year. Teacher authorizations for the deduction of Association dues, or for the payment of the agency service fee, shall identify the teacher, the amount of each deduction, the period for which deductions are to be made, and be signed by such teacher. The Board shall deduct the authorized amount due from each teacher's pay and transmit the total deductions to the Treasurer of the Association within fifteen (15) days following such deduction together with a listing of each teacher for whom deductions were made. The Board shall use its best efforts to make the aforesaid deductions in the manner set forth but assumes no responsibility for any errors in making such deductions other than to correct such errors. In the event of overpayment, the Association agrees to refund moneys within twenty (20) days.

4. Non-Discrimination

The Association agrees that it will not discriminate against any teacher in the bargaining unit by reason of sex, race, religion, marital status, age or national origin and that any teacher who has paid an agency service fee shall be entitled to participate in all of the activities of the Association relating to the negotiation and administration of the collective bargaining agreement to the same extent as any other teacher.

5. Employment Termination

If a teacher shall fail to join the Association or to designate the Association as his/her agent and to pay the sum hereinbefore set forth, such failure shall constitute reasonable and just cause for the discharge of the teacher at the end of such semester that the failure to pay dues or service fee occurred, provided that the Association shall have given written notice of such fact to the Board not less than sixty (60) days prior to the expiration of such semester.

6. Application and Indemnification

In the interpretation and the application of the provision herein set forth, the Association assumes full responsibility for the validity and legality of the provisions herein set forth. The Association, by the execution of this Section, expressly agrees to indemnify and save the Board harmless from any and all claims, demands, suits or other forms of liability that may arise out of or by reason of the demands made by the Association that a teacher be discharged because of the provisions herein set forth, subject however, to the following conditions:

- a. The damages have not resulted from the negligence, misfeasance, or malfeasance of the Board or its agents.
- b. The Association, after consideration with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of this Section or defense which may be assessed against the Board by any court or tribunal.
- c. The Association has the right to choose the legal counsel to defend any said suit or action.
- d. The Association shall have the right to compromise or settle any claim made against the Board under this section.

If the Association elects to exercise its rights as set forth in a., b., c., and d., above, the Board shall have the right to require the Association to post

a bond in an amount which in its judgment is sufficient to defray the costs of defending any action or appealing a decision of any court or tribunal, including damages imposed on the Board by such court or tribunal as well as reasonable attorney fees.

H. Emergency Financial Manager

An emergency financial manager appointed under the Local Government and School District Fiscal Accountability Act is authorized to reject, modify, or terminate this Agreement as provided in the Local Government and School District Accountability Act.

ARTICLE XI – DURATION OF AGREEMENT

This Agreement shall be in effect upon ratification by both the Board and the Association and shall continue in effect until the 30th day of June, 2012.

403(b) Plans

The above named parties agree to the following:

1. That for a number of years, the District has established and maintained a tax sheltered deferred retirement program. Recently, the Internal Revenue Service has issued significantly new regulations impacting such programs. These new regulations took effect January 1, 2009.
2. The District has chosen CPI Qualified Plan Consultants, Inc. (CPI) as its Third Party Administrator (TPA).
3. The following Investment products will continue to be offered to Association members: Ameriprise Financial, AIG, MEA Financial Services/Paradigm, Valic, Waddell & Reed/Nationwide, Met Life, ING and 403 B ASP Fund Source. None of the remaining products will be discontinued by the district without prior consultation with and agreement of the Association.

LETTER OF UNDERSTANDING

BETWEEN THE

DELTON KELLOGG SCHOOLS

AND THE

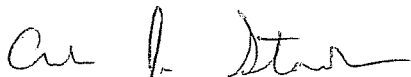

UNIFIED BARGAINING COUNCIL, MEA-NEA

The following passages in Attachment A were removed from the Collective Bargaining Agreement (CBA) because the parties believe they concern “prohibited subjects” of bargaining in light of the passage of PA 103 of 2011. If PA 103 is amended or a competent appellate court of appropriate jurisdiction concludes that (1) PA 103 is unenforceable, in whole or in part; or (2) that the removed passage(s) do not fall within the meaning of PA 103, in whole or in part, then the passage(s) encompassed by such court opinion shall revert back to the CBA. The parties also agree to remove additional passages from the CBA (not originally removed), and to place them into Attachment A if PA 103 is broadened or a competent appellate court of appropriate jurisdiction concludes that they are “prohibited subjects” of bargaining under PA 103 of 2011.

Further, all provisions shall remain enforceable for bargaining unit members who are not “teachers” within the meaning of PA 103 or are not governed by Section 1248 of Michigan’s Revised School Code and Michigan’s Tenure Act.

This Letter of Understanding shall be in effect upon ratification by both the Board and the Association and shall continue in effect until the 30th day of June, 2012.
