2. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
3. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment if requested by the aggrieved or the School. The Association shall be notified of the disposition of the grievance in writing at and after Level Two of the grievance procedure.

B. Procedure

Days shall mean working days when school is in session. The number of days indicated shall exclude Saturdays, Sundays and Holidays. During summer vacation the individual shall have ten (10) week days, excluding holidays, to initiate the grievance. The Superintendent, or his/her representative, shall meet within five (5) days thereafter with the aggrieved and the Association representative. Within five (5) days of that meeting the Superintendent, or his/her representative, shall reduce his/her decision to writing and deliver the same to the individual and to the Association.

3. Level Three

If the aggrieved is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) days after he/she has first met with the Superintendent, he/she may file the grievance in writing with the President of the Association within ten (10) days after he/she first met with the Superintendent. Within five (5) days after receiving the written grievance, the President of the Association will refer it in writing to the School Board. The ultimate decision on the grievance at Level Three will, however, be rendered by the Board at a special or regular board meeting.

4. Level Four

a. If the aggrieved is not satisfied with the disposition of his/her grievance at previous levels, or if no decision has been rendered within ten (10) days after he/she has first met with the Board Committee, he/she may, within five (5) days after a decision by the Board or fifteen (15) days after he/she has first met with the Board Committee, whichever is sooner, request in writing to the President of the Association to submit the grievance to arbitration. If the Association determines that the grievance is meritorious and that it arises from the language of this Agreement or an alleged breach thereof and that submitting it to arbitration is in the best interests of the Delton Kellogg School System, it may, by written notice to the School, submit the grievance to arbitration within fifteen (15) days

after receipt of a request by the aggrieved person. If not so delivered within fifteen (15) days, the grievance shall be deemed abandoned. Grievances which do not arise from the language of this Agreement may be processed through Level Three but will not be arbitrable.

- b. Within ten (10) days after such written notice of submission to arbitration, the Board Committee and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions of the issues submitted. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. His/Her authority shall be limited to deciding whether a specific Article and Section of the Agreement has been violated. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under law and this Agreement. The decision of the arbitrator, if within the scope of his/her authority as above set forth, shall be final and binding.
- d. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel and subsistence expenses will be borne equally by the School and the Association.

D. Miscellaneous

1. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

2. In the course of investigation of any grievance, representatives of the Association will report to the principal of the building being visited and state the purpose of the visit immediately upon arrival.
3. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with assigned duties. However, in the event it is agreed by the School to hold proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.
4. Any grievance to be valid must be filed within the five (5) day period from the time the individual became aware of the event causing the grievance. Any pay adjustment allowed will not be retroactive beyond the current school year in which the grievance is filed.
5. This establishes a joint Labor-Management Committee which may meet once per month upon the request of either party. Each committee team may consist of up to five (5) members. The joint Labor-Management Committee does not circumvent or replace the Grievance Procedure.

ARTICLE VIII – AUTHORIZED LEAVES

A. Allowances

1. Sick Leave

There shall be an allowance of ten (10) days per year for sick leave which shall be added, after the first day (but not including the first day) of actual work on this contract. Each teacher shall be entitled to an accumulation for the unused portion of each year's sick leave up to a maximum of one hundred eighty (180) days. Each teacher who has accumulated one hundred eighty (180) days shall be paid twenty dollars (\$20) for each unused sick day above the one hundred eighty (180) day accumulation at the end of each school year. The amount of unused sick leave shall be certified to the teacher within thirty (30) days after the beginning of each work year. The number of days, as furnished by the Board, shall be conclusively deemed to be accurate unless the teacher informs the Board of any error within fifteen (15) calendar days after receipt of such certification. If the first year of employment is terminated prior to the end of the school year, sick leave use will be allowable at a ratio of one (1) sick leave day for every month employed.

2. Business Days

There shall be an allowance of four (4) half-days for personal business. Advance notice in writing, at least one (1) full day, shall be given the Administration in requesting a half-day(s) for personal business. With prior notification, holiday and vacation provisions may be waived in case of emergency. No more than ten percent (10%) of the total staff shall be absent for personal business on a given day. If leaves are to be canceled because more than ten percent (10%) of total staff have given notice, cancellations shall be in reverse order of receipt. Up to four (4) full personal business days can be accrued and will roll over from year to year. Unused business days, in excess of four (4), shall be added to the accumulated sick days annually.

The sick leave and business day leave allowances for teachers hired after the beginning of the regular school year shall be prorated.

3. Compensatory Hours/Holiday Extension

- a. A maximum of two (2) days of accumulated compensatory hours/personal business will be allowed for use without consideration of holiday language in the Agreement, for the following holidays: Thanksgiving, Christmas, Spring Break and Memorial Day. Compensatory time/personal business must be used in one-half (1/2) day increments.
- b. A maximum of ten (10) staff members may receive holiday extensions under this Agreement.
- c. A teacher will submit a written request to his/her Association Representative no later than six (6) months prior to the scheduled vacation he/she wishes to extend. If both spouses are employees of Delton Kellogg School District, they may submit their names together. The request shall indicate the number of days requested as well as the desire for the planned usage. A lottery pick will be conducted by the Association leadership to determine who receives the extensions. Requests cannot be rescinded after the six (6) month prior date. If a teacher is chosen and he/she later decides not to use the extension, there will not be any replacements chosen, and that individual will move to a low priority status the following year. In addition, any teacher selected for Christmas or Spring Break extensions will receive low priority status for each of those following vacations.
- d. Those individuals selected for a holiday extension will be given a low priority status for the same holiday the following year. If in the event more than ten (10) members of the teaching staff request an

extension the following year, the previous years' recipients will not be included in that lottery.

- e. If ten (10) members of the teaching staff do not apply for any given extension, requests may be submitted up to thirty (30) days prior to the desired holiday for the remaining positions. No additional requests will be considered after the thirty (30) day deadline. Selection under this scenario will be awarded on a first come first served basis.

B. Leaves of Absence

Two types of leaves of absence may be granted by the Board -- namely, leaves with pay and leaves without pay.

1. Leaves of Absence With Pay

- a. CHARGEABLE against the teacher's allowance:

(1) Sick Leave

- (a) Sick leave shall be construed, herein, as absence from work due to the illness of the employee and includes teacher emergency dental and doctor appointments and medical disability due to child birth.
- (b) No sick leave allowance shall be granted to any employee for any period of time when he/she is on approved leave of absence for which pay is not granted by the Board.
- (c) Sick leave shall become effective after, but not including, the first full day of actual work on the contract; provided, that a returning teacher who is absent due to personal illness at the time the contractual year begins shall receive such sick leave up to his/her prior accumulated sick leave at regular pay periods during his/her illness; and provided further, that newly hired and returning teachers who are absent due to personal illness at the time their contract begins shall receive sick leave pay up to ten (10) days which will be included in their first full paycheck after they report for work.

- (d) Sick leave days may be used or charged on a one-half (1/2) day basis. However, a portion of a half-day will be charged as an entire half-day of leave.
 - (e) Verification, by statements from doctors or dentists, of illness or use of sick-day-leaves for appointments may be requested by the administration before payment for sick leave is allowed.
 - (2) Illness or Accident in the Immediate Family
 - (a) An employee may take up to five (5) days per year of sick leave without loss of pay for illness or disabling accident in the immediate family of the employee.
 - (b) "Immediate family" as used in this provision shall refer to the employee's spouse, children, parents and grandparents.
- b. Leaves of absence with pay NOT CHARGEABLE against the teacher's allowance shall be granted for the following reasons:
 - (1) A leave of absence may be granted a teacher called for jury service. The School shall pay an amount equal to the difference between the teacher's daily salary and the daily jury fee paid by the court (not including travel allowances or reimbursement of expenses) for each day on which he/she otherwise would have been scheduled to work provided the School is notified promptly of pending jury duty and the School retains the right to request that the teacher be excused from jury duty. The teacher shall return to his/her duties whenever his/her attendance in court is not actually required.
 - (2) Court appearance as a witness when a school district is a plaintiff or defendant or when subpoenaed in any case connected with the teacher's employment. Additional time may be taken to attend other depositions using personal or compensatory time up to a maximum of four (4) days per year.
 - (3) Approved visitation at other schools or for attending education conferences or conventions as requested by the School.

- (4) Time necessary to take the selective service physical examination.
- (5) Up to a maximum of four (4) days leave without loss of pay may be allowed on the occasion of a death of a spouse or child; three (3) days leave on the occasion of a death of a father, mother, step-children, or like in-laws; two (2) days leave on the occasion of the death of a grandparent, brother, sister, or like in-laws. One (1) day may be added if the individual lived out of state. Additional time, charged against sick leave, may be requested of the Superintendent.
- (6) A teacher who has completed seven (7) years of teaching in Delton Kellogg Schools may be granted a sabbatical leave of absence for one (1) semester/trimester or for one (1) year for the purpose of study to improve the teacher's ability to teach. During said sabbatical leave, the teacher shall be considered to be in the employ of Delton Kellogg Schools, shall have a contract, and shall be paid one-half (1/2) of his/her full salary and insurance benefits. While on sabbatical leave, seniority shall accrue. Upon return from leave, the teacher shall be assigned and placed on the salary schedule as the teacher would have been had he/she taught in the District during the sabbatical period. A teacher who is granted a sabbatical leave further agrees to return to the Delton Kellogg Schools for two (2) years following such leave. A teacher, who has taken such leave and does not comply with the above, shall reimburse all costs to the School during such leave.

2. Leaves of Absence Without Pay

Any teacher who is working under contract with the Delton Kellogg Schools, upon written application to the Superintendent of Schools, may request a leave of absence without pay. No leave of absence will be granted without the approval of the Board of Education. Leaves of absence may be granted for the following reasons:

a. Health Care Leaves

- (1) Health care leaves may be requested for up to one (1) year for the employee's own illness, for an employee to care for a spouse, or a parent, or for the purpose of child rearing.

Requests for leaves of absence for ill health must be accompanied by a statement from the attending physician recommending that the employee be granted such leave of

absence. A request for return from leave because of ill health must be accompanied by a physician's statement indicating that the employee has been examined by the physician and that he/she is able to resume his/her regular duties with the Board of Education.

The School reserves the right to require the employee to be examined by a doctor of the School's choice. In the event the employee's and the School's respective doctors disagree, the doctors will select a third doctor for final determination of the employee's fitness to return to work. Up to twelve (12) weeks may be covered under FMLA.

- (2) An eligible employee may take a Family Medical Leave Act (FMLA) Leave for up to twelve (12) weeks during any twelve (12) month period for one or more of the following reasons:
 1. The birth of a child, and to care for the newborn child;
 2. The placement of a child with the employee through adoption or foster care, and to care for the child;
 3. To care for the employee's spouse, son, daughter, or parent with a serious health condition; and
 4. Because a serious health condition makes the employee unable to perform one (1) or more of the essential functions of his or her job.

Leave under FMLA includes up to twelve (12) weeks for the same eligible occurrence (above), and includes the time for the same occurrence for which the employee is covered by sick leave under this Agreement.

Under FMLA leave, the employee's insurance benefits will continue to be paid by the employer.

- (3) Illness in Immediate Family – Members of the employee's immediate family shall be defined as the employee's spouse, children, parents, and grandparents. No sick leave time may be used during such a leave. Up to twelve (12) weeks may be covered under FMLA if the illness is a spouse, child, or parent.

(4) Child Care Leave – A leave of absence shall be granted a teacher for the purpose of child rearing or child adoption. The teacher shall notify the Superintendent, in writing, of the desire to take such a leave. The letter requesting the leave shall also include the date of expected return and, except in case of emergency, shall give such notice at least thirty (30) days prior to the date on which the leave is to begin. The physician's or adoption agency's statement shall be included with the leave request. Up to twelve (12) weeks may be covered under FMLA.

- b. Military Leave – All employees shall be granted a leave of absence without pay for the purpose of enlistment, conscription or recall to active service in the military forces of the United States. Experience credit on the salary schedule shall continue to accrue during the leave for military service as required by law.
- c. Advanced or Additional Study – A teacher may be granted a leave of absence without pay for the purpose of study to meet eligibility requirements for an educational certificate other than that held by the teacher.
- d. Public Office – A teacher may be granted a leave of absence without pay for the purpose of campaigning for a public office. This leave shall be for a period of not more nor less than one (1) year.
- e. Association Office – A teacher may be granted a leave of absence without pay for the purpose of serving and performing his/her elected duties as an elected officer in the local, state, or national association. Such leave is to be for the term of office.
- f. Job Saving – The Board agrees to grant a leave of absence to any teacher who applies, providing such leave will prevent another teacher from being laid off.

3. Duration of Leave of Absence

- a. Leaves of absence may be requested and may be granted for a period of time not to exceed one (1) year and such leaves are to be applied for at least thirty (30) days prior to the date on which the leave is to begin, except in case of emergency. Extension of a leave for one (1) additional school year may be granted in unusual circumstances by the Board of Education upon written request by the employee not later than two (2) months prior to the termination date of the original leave.

- b. Whenever possible, leaves of absence will commence and terminate at the start of the school year or semester/trimester.

4. Return From Leave of Absence

- a. An employee wishing to return to the Delton Kellogg Schools from a leave of absence must notify the Superintendent in writing of this intent ninety (90) days prior to the termination date of the leave, but not less than thirty (30) days prior to the termination date of the leave.
- b. After a request to return from leave, the teacher shall be assigned to a like or similar position for which he or she is certified and qualified to teach.
- c. Those teachers on an unpaid leave of absence for more than six (6) weeks during half of a contracted school year will not receive seniority credit for the time missed but will retain the seniority they have amassed up to that time.

C. Workers' Compensation

Any teacher who is absent because of an injury compensable under the Michigan Worker's Compensation law, excluding any compensable injury resulting from other employment, and while receiving workers' compensation from the School shall receive the difference between the allowance under the workers' compensation law and his/her regular salary not to exceed the balance of the teacher's contract year. No sick leave deductions will be made for compensable injuries. The School Board agrees that these differential payments are not to be utilized as an offset pursuant to Section 354 of the Workers' Compensation Act against any worker's compensation benefits due a teacher, but shall constitute a benefit under a disability pension plan.

ARTICLE IX – LAYOFFS

- A. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. If the teacher fails to report to work on the date set forth on the notice of recall, or if the date for resuming work is more than fifteen (15) days from the date of the notice of recall and the teacher within (10) days from the giving of the notice shall have failed to confirm in writing the availability of the teacher for employment, the teacher shall be considered a voluntary quit, unless an extension shall have been

granted by the Board in writing, and the obligation of the Board to reemploy the teacher shall terminate.

- B. Teachers shall not accrue additional sick leave days or advance on the salary schedule during layoff nor will they lose sick days or years of experience on the salary schedule acquired prior to layoff.
- C. A teacher, who is laid off and is paid unemployment compensation benefits (associated with his/her regular teaching assignment) during the summer immediately following layoff and is subsequently recalled to a teaching position at the beginning of the next school year, will be paid according to an annual salary rate such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following conditions:
 - 1. The teacher is recalled for the full year to a position at least equal to the position he/she was laid off from.
 - 2. The teacher may voluntarily agree to repay the amount of unemployment compensation received, in which case there would be no reduction in salary.
- D. Tenured teachers who have been on layoff for more than three (3) years shall no longer be eligible for recall. Probationary teachers shall have the recall rights for two (2) years from date of layoff.
- E. Certificate Nullification- A teacher seeking to nullify or otherwise limit one or more endorsements or grade level certifications appearing on his/her teaching certificate shall not have their seniority penalized, adjusted, or reduced in any way.
- F. "Highly Qualified" for purposes of this article shall be defined as "highly qualified" pursuant to NCLB, 20 USC 6301 et seq.

ARTICLE X – MISCELLANEOUS PROVISIONS

- A. Each teacher shall be furnished a telephone number to call to report unavailability for work. A teacher shall report such unavailability before 6:45 a.m. unless the reason for such unavailability shall arise after such time or extenuating circumstances shall make it impossible for the teacher to follow such procedure.
- B. The Association will be notified and will have the opportunity to consult with the School with respect to contemplated millage increases.
- C. The School will, upon written request of the President of the Association, provide public information pertinent to collective bargaining. The request will state in writing the purpose for which information is intended.

- D. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contract heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- E. Copies of the Agreement will be printed, with the expense shared equally by the Board and the Association, and presented to all teachers now employed or hereafter employed by the School while this contract is in effect.
- F. If any provision of this Agreement shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

SCHEDULE A

Basic Compensation

SCHEDULE A

Section 1: Basic Compensation Schedule

A.

In order to protect the parties intent to make off schedule wage concessions for the 2014-15 school year, the parties will not make adjustments to Schedule A for 2014-15. The salary schedule will remain intact and unchanged for 2013-14 and 2014-15.

For 2013-14 a wage increase equal to 0% with steps, longevity and lane changes awarded.

For 2014-15, the parties agree to an off-schedule wage concession equal to 5.5% with steps, longevity and lane changes awarded.

Trigger awards begin in 2014-15: Concerning the fall student FTE count, for every 10 student increase over the previous fall student FTE count, the district will award .5% of salary. Further, if the district's audited undesignated fund balance exceeds \$500,000, the district will award 3% of salary, or, if the district's audited undesignated fund balance exceeds \$400,000, the district will award 2.5% of salary. These triggers remain until negotiated otherwise.

This agreement is for 2013-14 and 2014-15 school year and expires on June 30, 2015. It does not change the parties agreed upon salary schedule. The parties understand that 2015-16 salaries shall remain at the level paid in 2014-15 per Public Act 54, until otherwise negotiated.

For the 2012-2013 school year, a .5 step will be awarded to those eligible members who the district withheld a .5 step for the 2011-12 school year. The master compensation schedule will be followed as written for the 2012-13 school year, with those on steps 01-11 advancing to the next step. (For example, a member on step 04 B.A. advancing to step 05 for the 2011-12 school year was awarded a .5 step equal to \$876.50 for a total salary of \$39,298.50 instead of the step 05 salary of \$40,175. For the 2012-13 school year, said member would receive an additional .5 step, or \$876.50, and would advance on the master compensation schedule to step 06 for a salary of \$41,943).

B. Wage increase equal to 0%, except .5% wage rate increase on scale to those not otherwise receiving a step or longevity increase during 2012-13 school year.

Section 2: Additional Compensation

A. Longevity

At fifteen (15) years, an additional 4.5% of the B.A., M.A. and Spec. maximum level.

At twenty (20) years, an additional 4.5% of the fifteen (15) year's salary.

At twenty-five (25) years, an additional 4.5% of the twenty (20) year's salary.

Longevity is defined as the number of years a member has been employed by and in service to the district.

For the 2012-13 school year, an additional 2.25% of the B.A., M.A., or Spec. maximum level will be awarded to those eligible members who the district withheld 2.25% for the 2011-12 school year. (For example, a member who has fifteen (15) years M.A., \$59,419, received an additional 2.25% (\$1,336.93) for a total salary of \$60,755.93 for the 2011-12 school year. For the 2012-13 school year, that member would receive an additional 2.25% of the fifteen (15) years M.A. amount, or an additional \$1,336.93 for a total salary of \$62,092.86. For the 2012-13 school year, said member would advance to 16 years).

If a husband and wife are both members of this bargaining unit, no more than one (1) shall elect health insurance coverage. Per PA 152 of 2011, the district shall pay no more than \$5,857.58/year for a single subscriber, \$12,250/year for a 2-person subscriber and \$15,975.20/year for a full family of the medical care component (MESSA Choices II or MESSA ABC HSA Plan 1) adjusted when effective each medical benefit coverage year after ratification by the state treasurer, based on the change in the medical care component of the United States consumer price index for the most recent 12-month period for which data are available from the United States department of labor; bureau of labor statistics.

Plan A – For employees needing health insurance;

MESSA Choices II	w/\$300/600 deductible, \$10 office visit and Saver Rx, effective
Delta Dental	80/80/80
Vision	VSP2 Silver
Negotiated Life	\$25,000 AD&D

Or

MESSA ABC HSA Plan 1	w/ \$1250/\$2500 in network deductible and Saver RX
Delta Dental	80/80/80
Vision	VSP2 Silver
Negotiated Life	\$25,000 AD&D

Plan B – For employees not electing health insurance:

Delta Dental	80/80/80
Vision	VSP2 Silver
Negotiated Life	\$30,000 AD&D

MESSA/MEFSA non-taxable options up to one hundred dollars (\$100.00) per month. Any amounts exceeding the Board subsidy shall be payroll deducted.

The Board's contribution shall first be applied to insurance premiums, then to any remaining insurance "costs" in an amount not to exceed the monthly per employee cap listed above. Insurance "costs" shall include any payments already made, or that will be made by the Board during the "medical benefit coverage year" toward Board reimbursement of copays, deductibles, or payments into health reimbursements arrangements, health savings accounts, flexible spending accounts, or similar account used for health care costs, insurance related taxes, penalties, or fees and any other costs required to be accounted for under Public Act 152 of 2011, as amended. (Collectively Supplementary Payments). If the total value of the Supplementary Payments already made, and/or will be made, during the "medical benefit plan coverage year" exceeds the aggregate monthly per employee Board contribution, the Board shall reduce the payments made toward the Supplementary Payments only in an amount necessary to avoid exceeding the aggregate monthly per employee Board contribution. Any Board payments, including but not limited to Supplemental Payments shall comply with all applicable state and federal laws or become void. Employees shall be responsible for paying all health insurance costs in excess of the monthly cap.

The Board shall maintain a qualified plan document which complies with Section 125 of the Internal Revenue code regarding the per month option in Schedule B, Section 1, Plan B. Bargaining unit members shall receive \$150.00 per month in lieu of health insurance benefits if 1-7 employees take Plan B and \$400.00 per month if 8 or more employees take Plan B (*Tentatively agreed to on August 16, 2012*).

Plan C – For retired employees with a spouse in the bargaining unit, the Board will reimburse the out-of-pocket MPERS health, vision and dental premium cost if the current employee does not elect health insurance at Delton Kellogg School Board Expense (Plan A).

Plan C would remain in effect as long as the out-of-pocket premium reimbursement plus Plan B for the current spouse/employee is less than the cost of Plan A.

Section 2: Duration of Coverage

- A. The medical benefit plan coverage year shall run from July 1 to June 30 of each school year. It is understood and agreed that this change in the medical benefit plan coverage year does not create a break or lapse in insurance coverage. This change simply moves the coverage period so that it coincides with the district's fiscal year. Any teacher retiring from the district will have the opportunity to continue to receive their insurance benefits by the district through August 31 or contract year.
- B. If a teacher shall not complete the full work year, the Board's obligation to contribute insurance premiums shall terminate at the end of the calendar month in which the obligation of the board to pay compensation expires.

C. The Board will allow continued coverage of insurance under contracted group insurance plans. A teacher taking unpaid leave shall be responsible for premium payments beginning when the unpaid leave begins and for the duration of the unpaid leave, except that a teacher who:

1. has completed one (1) full year of service in the District;
2. is disabled from providing services by reason of personal illness or injury, and
3. has exhausted his/her sick leave allowance.

shall be eligible to have his/her hospital and medical insurance coverage, as set forth in Schedule B, Section 1, continued at board expense for a period not to exceed one (1) calendar year.

Section 3: Carrier Requirements

The Board's sole responsibility under Schedule B is to provide premium payments on behalf of eligible employees, as set forth above, and the coverage referenced herein are offered specifically subject to the rules and regulations of the various insurance carriers and/or underwriters. All insurance must be compliant with the Patient Protection Affordable Care Act (PPACA). If the identified plan does not comply with the PPACA, a comparable plan acceptable to both parties shall be timely selected as a replacement.

Section 4: HSA Deductible Stipend

For those taking the HSA, the district will pay to the premium limits plus a stipend to offset the deductible up to the statutory cap limits on a month to month basis. The district shall not prepay any amount that would exceed the monthly cap.

LETTER OF UNDERSTANDING

BETWEEN THE

DELTON KELLOGG SCHOOLS

AND THE

UNIFIED BARGAINING COUNCIL, MEA-NEA

The following passages in Attachment A were removed from the Collective Bargaining Agreement (CBA) because the parties believe they concern “prohibited subjects” of bargaining in light of the passage of PA 103 of 2011. If PA 103 is amended or a competent appellate court of appropriate jurisdiction concludes that (1) PA 103 is unenforceable, in whole or in part; or (2) that the removed passage(s) do not fall within the meaning of PA 103, in whole or in part, then the passage(s) encompassed by such court opinion shall revert back to the CBA. The parties also agree to remove additional passages from the CBA (not originally removed), and to place them into Attachment A if PA 103 is broadened or a competent appellate court of appropriate jurisdiction concludes that they are “prohibited subjects” of bargaining under PA 103 of 2011.

Further, all provisions shall remain enforceable for bargaining unit members who are not “teachers” within the meaning of PA 103 or are not governed by Section 1248 of Michigan’s Revised School Code and Michigan’s Tenure Act.

This Letter of Understanding shall be in effect upon ratification by both the Board and the Association and shall continue in effect until the 30th day of June, 2012.

- C. In the event it becomes necessary to reduce the number of teachers through layoff of employment or to reduce the number of teachers in a given subject area, field, or program or eliminate or consolidate positions, the Board shall determine the order of layoff provided, however, such action shall not be contrary to Section A. The Board shall give notice of layoff to the individual involved by July 1.
