The Association shall be responsible for proper use of all facilities and equipment, including leaving them in the same condition as they were prior to the Association's use. The Association shall pay for the reasonable cost of all materials and supplies incident to such use and shall be liable for damages caused to said equipment by improper use by individuals using it for Association business.
- B. Duly authorized non-employee representatives of the Association and its respective affiliates, the Michigan Education Association (MEA) and the National Education Association (NEA), shall be permitted to transact local Association business on Employer property at all reasonable times, provided that this shall not interfere with or interrupt normal operations. Such representatives shall notify the administrator responsible for the building or facility which they intend to enter of their presence and the nature of their intended business prior to actually conducting any such business.
- C. The Association shall have the right to post notices of activities and matters of Association concern on designated bulletin boards in each building or facility to which employees may be assigned. To the extent permitted by law, the Association may use the inter-school District mail system, without U.S. postage, to distribute Association material. - B. It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are clearly and expressly relinquished hereby by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board. Such rights shall include, by way of illustration and not by way of limitation, the right to:
 - 1. Manage and control its business, its equipment, and its operations and to direct the working forces and affairs of the Board.

Article 6—Employee Rights and Protection

- B. Each employee shall have the right to have an Association representative present at any scheduled meeting with a supervisor at which there exists a reasonable likelihood, to the administrator’s or supervisor’s prior knowledge, that the meeting will result in discipline against said employee. No disciplinary action shall be taken against an employee without the presence of such representation, unless waived by the employee, except in emergency situations in which both immediate action is necessary and prior notification of a representative is not reasonably possible. If disciplinary action shall become likely at a given meeting, the employee shall be advised immediately of such possibility.
- C. An employee shall have the right upon written request to review the contents of his/her personnel file, excluding materials exempt from review by law, and to have a representative of the Association accompany him/her in such review. Such reviews shall not exceed twice during any single calendar year and shall not be held during the employee’s regular duty hours, except lunch and break periods, unless expressly authorized by the employee’s immediate supervisor.

Whenever new substantive material pertaining to the conduct or performance of an employee, including but not limited to student, parental, or school personnel complaints, are to be placed in the employee’s personnel file, he/she shall first be provided an opportunity to review the material so included. The employee may submit a written notation regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. After reviewing material to be placed in the employee’s file, the affected employee shall sign said material and such signature shall be understood to indicate awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material. If the employee refuses to sign any such material, the Administration may send a copy of the material to the Association President, who shall sign the material and specifically acknowledge in writing that a copy was served on the employee and that the employee refused to sign the material.

Article 7—Grievance Procedure

- A. A grievance shall be defined as an alleged violation of the expressed terms and conditions of this contract.

 6. It shall specify the relief requested.
- C. The time limits provided under this procedure shall be strictly observed unless changed by mutual written consent. Failure of the grievant or Association to proceed to the next grievance step within the time limits set forth shall be deemed to constitute acceptance of the Employer's decision and shall constitute a waiver of any further appeal on the grievance.
- D. Informal Level: When an employee believes that a grievance has occurred, he/she shall request a meeting with his/her immediate supervisor in an effort to resolve the complaint. This request shall be made within ten (10) days of the alleged occurrence or omission giving rise to the grievance. The Association may be notified and a representative thereof present with the employee at such meeting. If the employee is not satisfied with the result(s) of the meeting, he/she may formalize the complaint in writing as provided in E. below.
- E. Formal Level 1: If a grievance is not resolved in the meeting between the affected employee and his/her immediate supervisor at the Informal Level, the grievance may be formalized in writing, within ten (10) days of the Informal Level meeting between the supervisor and the affected employee. A copy of the grievance shall be sent to the immediate supervisor. The immediate supervisor shall, within five (5) days of the receipt of the grievance, render a written decision. A copy of this decision shall be forwarded to the grievant and the Association.
- F. Formal Level 2: Within five (5) days of receipt of the supervisor's decision at Level 1, if the Association is not satisfied with the decision at Level 1, or if no decision has been made within five (5) days of the receipt of the grievance by the immediate supervisor, the grievance shall be transmitted to the Superintendent, or his/her designee. Within five (5) days after the grievance has been submitted, the Superintendent, or his/her designee, shall meet with the Association to discuss the grievance. The Superintendent, or his/her designee, shall, within five (5) days after the conclusion of the meeting, render a written decision. A copy of the decision shall be forwarded to the Association and the grievant.
- G. Formal Level 3: Within five (5) days of receipt of the decision of the Superintendent, or his/her designee, at Level 2, if the Association is not satisfied with the decision at Level 2, or if no decision has been made within five (5) days of the meeting at Level 2, the grievance shall be transmitted to the Board of Education. Within thirty (30) days after the grievance has been submitted, a committee of the Board or a designee shall meet with the Association on the grievance. A decision on the grievance shall be issued by the Board no later than its next regularly scheduled meeting following the meeting to hear the grievance.
- H. Formal Level 4: If the Association is not satisfied with the decision at Level 3 or if no decision has been made within the period provided in G. above, the Association may submit the grievance to arbitration before an impartial arbitrator. If the Association desires to submit a matter to Arbitration, a petition shall be filed, with a copy to the Employer, within ten (10) days after the Level 3 response. If the parties cannot agree as to the arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceeding. Neither the Employer nor the Association shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party.

- I. The term “days” as used herein shall mean days when the District’s central administrative offices are open. All grievances shall be processed during times which do not interfere with the performance of employee job responsibilities.

J. Powers of the Arbitrator

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

1. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
2. The arbitrator shall have no power to rule on any of the following:
 - a. Actions taken by the Employer with respect to probationary employees including, but not limited to, discipline and discharge.
 - b. Any claim or complaint for which there is another remedial procedure or forum established by law or by regulation having the force of law.
 - c. Any matter involving the content of an employee evaluation.
3. He/she shall have no power to change any practice, policy, or rule of the Employer nor to substitute his/her judgment for that of the Employer as to the reasonableness of any such practice, policy, rule, or any action taken by the Employer. His/her power shall be limited to deciding whether the Employer has violated the express articles or sections of this Agreement; and he/she shall not imply obligations and conditions binding upon the Employer from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Employer.
4. He/she shall have no power to decide any question which, under this Agreement, is within the responsibility of management to decide. In rendering a decision, an arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
5. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall first determine the arbitrability of said dispute. By stipulation of the parties, the Arbitrator shall have the authority to concurrently hear both the jurisdictional issues and the merits of the dispute in the same proceeding. Should the Arbitrator determine that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits. Submission of jurisdictional issues to the Arbitrator shall not be regarded as a waiver by either party of its right to institute civil litigation contesting either the authority of the Arbitrator or any award allegedly rendered in excess of such authority.
6. There shall be no appeal from the arbitrator’s decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its members, the employee or employees involved and the Employer. Any litigation to vacate or enforce the Arbitrator’s decision must be initiated within six (6) months of the issuance of the Opinion and Award.
7. The fees and expenses of the arbitrator shall be shared equally by the Association and the Employer.

K. Claim for Back Pay

The Employer shall not be required to pay back-wages for longer than thirty (30) days prior to the date a written grievance is filed.

1. All claims for back-wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he/she may have received from any other employment or unemployment compensation during the period of the back pay.
2. No decision in any one case shall require a retroactive wage adjustment in any other case.

Article 8—Performance of Unit Work By Non-Unit Employees and Students

In addition, a supervisor may perform unit work for the purposes of demonstration, training or in emergency conditions or where, in the Employer's judgment, an employee does not have the required technical expertise.
