LETTER OF AGREEMENT

THIS AGREEMENT entered into this 1st day of July, 2017, between the Board of Education, Bangor Township, Bay City, Michigan, hereafter called the “Board,” and the United Steelworkers, AFL-CIO-CLC, and hereafter called the “Union.”

WITNESSETH:

WHEREAS, the Board and the Union have a statutory obligation pursuant to Act 379, of the Michigan Public Acts of 1965, to bargain with each other with respect to hours, wages, terms and conditions of employment of driver/dispatcher, bus drivers, including substitutes and stand-by drivers.

DEFINITION OF EMPLOYEE:

The term “employee” as used in this agreement shall mean all school bus drivers, including substitute bus drivers, special education drivers, and such other employees as the Board and Union may agree to. In consideration of the following mutual covenant, it is hereby agreed as follows:

ARTICLE I – RECOGNITION

Section 1.1: Unit and Employee Defined

The Board hereby recognizes the Union as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for all school bus drivers but excluding supervisory and administrative personnel. The term “employee,” when used hereinafter in this agreement, shall refer to all employees represented by the Union in the bargaining and negotiating unit as above defined and reference to male employees shall include female employees.

Section 1.2: Equal Application of Agreement

It is the continuing policy of the Board and the Union that the provisions of this agreement shall be applied to all employees without regard to race, color, religious creed, national origin, or sex. The representatives of the Union and the Board, in all steps of grievance procedure and in all dealings with the parties shall comply with the provision.

Section 1.3: Sole Recognition

The Board agrees not to negotiate with any organization representing the employees covered by this agreement, other than the Union, for the duration of the agreement, or enter into any agreement or contract with said employees individually or collectively which in any way conflicts with the terms and provisions of this agreement. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having the grievance adjusted without intervention of the Union, if the adjustment is not inconsistent with the terms and procedures of this agreement, provided that the Union has been given the opportunity to be present at such adjustment.

Section 1.4: Union Membership

Any employee who is a member of the Union in good standing on the effective date of this agreement shall have an opportunity to maintain membership in the Union to the extent of paying the periodic membership.

Any employee who on the effective date of this agreement is not a member of the Union and any employee thereafter hired shall have an opportunity to, starting thirty (30) days after the effective date of the agreement or after the completion of the sixty (60) working day initial probation period, whichever is the later, acquire and maintain membership in the Union to the extent of paying the initiation fee and the equivalent of the periodic membership dues uniformly required of all Union members.

If any court of competent jurisdiction or administrative agency holds that an “agency shop” clause is invalid, illegal, or unconstitutional, or that it violates any federal or state law, or that it is in conflict with any federal or state law forbidding the “agency shop” clause, or any part thereof (which this Article does not conform to or with), this Article shall be null and void.

Section 1.5: Complete Agreement

The parties acknowledged that during the negotiations which resulted in this agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the School District and the Union, for the life of this agreement each voluntarily and unqualifiedly waive the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this agreement and with respect to any subject or matter not specifically referred to or covered by this agreement, even though such subject may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this agreement.

Section 1.6: Changes in Writing

Should the parties mutually agree to alter or change any portion or part of this agreement, it must be put in writing and be approved by the Union and the Board.

ARTICLE II – RIGHTS OF THE UNION

Section 2.1: Right to Union Activity

Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right to freely organize, join and support the Union for the purpose of engaging in collective bargaining or negotiation and other concerted activities of mutual aid and protection. As a duly elected body exercising governmental power under the cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly, discourage, deprive, or coerce any employee in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not

discriminate against any employee by reason of his membership in the Union, his participation in any activities of the Union or collective negotiations with the Board, or his institution of any grievance, complaint or proceeding under the agreement or otherwise with respect to any terms or conditions of employment.

Section 2.2: State Labor Mediation Board

The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from said public agency.

Section 2.3: Wearing of Insignia

No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Union either on or off school premises. Bulletin boards, school mail, and other established media of communication shall be made available to the Union.

Such information shall be furnished in the methods stipulated in Board policy.

ARTICLE III – RIGHTS OF THE BOARD OF EDUCATION

Section 3.1: Reserved Rights

The Board, on its own behalf and on behalf of the electors of the District hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon it and invested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:

- a. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees;
- b. To hire all employees and, subject to the provisions of the law, to determine their qualifications and the conditions of their continued employment or their dismissal or demotion, and to promote and transfer all such employees;
- c. To determine work schedules for hours of employment and the duties, responsibilities, and assignments of employees with respect thereto and work assignments and terms and conditions of employment, provided it is not in violation of any other Article of this agreement.

Section 3.2: Rights of the Board

Nothing contained herein shall be considered to deny or restrict unlawfully the Board of its rights, responsibilities, and authority under the Michigan General School

Laws or any other national, state, county, district or local laws or regulations as they pertain to the School District.

ARTICLE IV – WAGE RATES

Section 4.1: Hourly Rates

The hourly rate for the employees covered by this agreement shall be paid in accordance with Schedule “A” attached to and incorporated in this agreement.

Section 4.2: Overtime Rates

Time and one-half shall be paid for all overtime work in excess of eight (8) hours in any one day, or forty (40) hours in any one week, and for all time worked on Saturday. No employee shall receive both daily and weekly overtime for the same hours worked. Double time shall be paid for all work performed on Sunday. The minimum amount of work which shall be scheduled on Saturdays, Sundays, or holidays shall be four (4) hours.

Section 4.3: Holidays and Scheduled Non-Instructional Days

Legal paid holidays and scheduled non-instructional days shall be:

- Labor Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Day
- New Year’s Day
- Good Friday
- Memorial Day

Scheduled Non-Instructional Days from the first student day of the school year through the last student day of the school year (not to exceed three per school year).

All employees shall receive pay for their regular number of hours as in a regular workday for each of the holidays listed herein when not worked. Double time in lieu of holiday pay shall be paid for all work performed on any of the holidays herein listed. Scheduled non-instructional days shall be paid at the DRIVERS REGULAR GUARANTEED HOURS BASED ON THEIR REGULAR ROUTE plus any actual hours worked. [Time and one-half shall be paid for the accumulation of time in excess of eight (8) hours.]

In addition to the aforementioned holidays and scheduled non-instructional days, weekdays between Christmas Day and New Year’s Day shall be paid holidays; in no event shall this be less than five (5) paid days.

Section 4.4: Grievance/Negotiating

An employee engaged during the school day in negotiating in behalf of the Union with any representatives of the Board, or participating in any mandatory formal

professional grievance negotiations, shall be released from his regular duties without loss of pay. The Union and the Board will split the cost of lost time for employees who are engaged in negotiation with the Board or in processing a grievance. The Grievance/Negotiating Committee shall consist of the two members of the Grievance committee (Stewards) or their alternate, the Unit Chairperson and the Unit Secretary or their alternate. The local President may attend if he so desires.

Section 4.5: New Positions

As new positions defined under the “Witnessed” section of this agreement which fall within the scope of the bargaining unit are created, hourly rates for such positions shall be negotiable.

Section 4.6: Holiday Pay Eligibility

FULL TIME employees must work the day before or after a holiday to receive pay for the holiday. In order for drivers to qualify for non-instructional days they must meet the same qualifications as for holiday pay.

ARTICLE V – HOURS WORKED

Section 5.1: Route Determination

Hours worked by bus drivers shall be determined by the route or routes assigned. Established routes shall not be arbitrarily or discriminatorily changed. This is not to infer that the Board cannot change routes to effect efficiency and economy. If an employee feels he has been discriminated against, he may have recourse to the grievance procedure.

Section 5.2.a: Minimum Hours Per Day

A full-time driver will be defined as a driver with a full set of AM and PM runs consisting of high school, middle school and elementary, or special education students. Full-time drivers will receive a minimum of four and one half (4 ½) hours per day. Driver/dispatcher will be guaranteed an eight (8) hour workday. The District agrees to establish a minimum of twelve (12) routes with a guarantee of six (6) hours or more of pay for work per day. All Bargaining Unit members employed by the district on May 31, 2017 are eligible for these guaranteed routes. Those drivers hired after May 31, 2017 will not be eligible for the 6 hour guarantee.

Section 5.2.b: Short-Time Drivers

Short-time are those drivers with regular runs who do not meet the definition of Full-time drivers in Section 5.2.a. Short time drivers will receive a minimum of two and one-half (2 ½) hours pay, their assigned bid hours or actual driving time, whichever is greater for the day. Holidays, personal days and sick time are paid based on the route hours of the job bid. (For example if a driver bid on a four (4) hour run they will be paid four (4) hours for holiday, personal and sick time). Such short-time runs will be subject to the bidding procedure as provided in Section 6.2.

5.2c Substitute drivers will be defined as those drivers without regular runs.

5.2d Short time pre-school drivers, who do not have school on Fridays, will be placed on the substitute list according to seniority and section 17.1 on non-pre-school days. This will also apply at the beginning and end of the school year while pre-school is not in session.

Section 5.3: Work on “ACT OF GOD” Days

In the event of a “ACT OF GOD” day all regularly scheduled runs will be canceled. Individuals required to work will be paid for the actual hours worked in addition to the six (6) hour guarantee.

If an employee has taken a sick or personal day and that day is cancelled due to an ACT OF GOD, the day will be reinstated to the employee’s sick time.

Section 5.4: Special Education, Bay City vs. Bangor Calendar

Because of the fact we have special education buses that must follow THE BAISD OR OTHER SCHOOL DISTRICTS calendar in terms of days worked and also the Bangor Township School calendar, we find that on several occasions during the year our special education buses are scheduled to work while other drivers are not. This additional time that the special education drivers work has been looked at as regular run time. In the event the regular special education drivers elect not to drive, THEY WILL NOT BE PAID AND the work shall go to the most senior employee desiring the work.

ARTICLE VI – SENIORITY

Section 6.1: Seniority Date, Probation

Seniority of employees covered by this agreement shall be determined in the following manner: probationary period new employees, including substitutes, shall be on probation during the first sixty (60) days worked or one (1) calendar year from date of hire, whichever is earlier. Probation period may be extended with mutual consent of both parties based on job evaluation. During this period they have no seniority and may be discharged by the Board without assigning any cause therefore. Upon completion of the probationary period their names shall be placed on the seniority list WITH SENIORITY BASED ON DATE OF COMPLETION OF PROBATIONARY PERIOD. No seniority status exists during probationary period. It is further understood that the Union will not be a representative of any employee during his/her probationary period. The order of seniority for new employees hired on the same day shall be determined using the last digit of their social security numbers, with the highest number considered highest seniority. The present order of seniority shall remain as of this date.

Section 6.2.a: Job Bidding

Selection of employees for the purpose of filling all job vacancies or newly created routes and jobs shall be made by the Board on the basis of seniority. In the selection of employees for such purposes, the following provisions shall apply:

- a. The driver shall supply the Board with all available information pertaining to their route (maps, bus mileage, distance driven, head count) fifteen (15) days prior to the closing of school in June.

- b. Route Determination. The Board shall determine the routes to be assigned no later than four (4) business days prior to the opening of school in the fall, and immediately following such period, all available information pertaining to routes will be made available for inspection by the driver during regular business hours.
- c. Orientation/Bid Meeting Date. The Board shall hold an orientation/bid meeting no later than two (2) business days prior to the opening of school, and at this meeting, job bidding will take place and all routes will be awarded according to seniority. Job bids may be submitted in writing.
- d. For annual bids, if an employee on paid or unpaid sick leave is in possession of a doctor's release at the time of the bid (that returns them no later than the second Friday of October) they shall be allowed to bid. If they do not return before the second Friday of October, the route will be rebid and when the employee returns to work they will be placed per the provisions of Article 8.12.
- e. For bids that occur during the school year an employee must be at work, on excused absence covered by the contract, or cleared to return to work when the job is filled in order to bid.
- f. Once such routes have been established and bid on, the time for such routes shall not arbitrarily nor discriminatorily be changed. This is not to infer that the Board cannot change routes to effect efficiency and economy.
- g. If such route is increased or decreased by more than twenty (20) minutes before or after the beginning or end of a morning, noon, or afternoon run, or by addition or deletion of a noon run, any of the affected seniority drivers may then bump for a more desirable route based on his/her seniority except for special education bus routes, for which special administrative consideration will be given.
- h. After routes have been bid and awarded, drivers may not thereafter change routes except where a permanent vacancy occurs.
- i. Trainer Positions: Vacancies for trainer positions shall be posted and filled per the collective bargaining agreement by senior qualified applicant.

Section 6.3: Notice of Permanent Vacancy

The Board may, at its discretion, assign a CDL licensed driver with all required endorsements to operate the bus or vehicle involved while the "permanent" vacancy is being filled as provided herein.

Notice of vacancy shall be posted by the Board on the bulletin boards within five (5) working days from the time such vacancy first occurred, for a period of not less than three (3) full working days in order that all interested employees may be given an equal opportunity to bid.

If an employee is off work in excess of 90 total instructional work days in a school year, paid or unpaid the employee shall lose their route for the remainder of the year and the route shall be bid as a permanent vacancy. Upon return to work during the

same school year, the driver will be placed in a full time or short time route per Section 8.12.

Section 6.4: Notice Information

Such notice shall state information about the permanent vacancy including route, the hours and the date bidding closes.

Section 6.5: Written Bids

Interested employees' bids shall be put in writing by them in a method mutually agreed to by the Board and the Union, in duplicate, and shall be signed by the employee (email or fax will be accepted). The employee will then deliver two (2) signed copies to the Union committeeman who will keep one and file one with the Director of Transportation. When the notice of permanent vacancy is posted it will be pointed out that other permanent vacancies will probably result when the advertised job is filled and all employees will indicate on their bid slips whether they are interested in only the original or any other resulting permanent vacancy and this will be taken into consideration when bids are opened in the presence of the Union representative.

Section 6.6: Trial Period

The successful bidder shall be placed on the permanent vacancy or route within five (5) working days, or sooner if possible, from the date the permanent vacancy or route was first posted. Such successful applicant shall be given a trial period of up to fifteen (15) working days during which the employee may choose to remain in the position or the employer may choose to remove the employee from the position, for good cause. If the employee does not remain in the position either by his or her choice or by the employer's decision they will be returned to their former route or position, subject to the grievance procedure. If during the fifteen (15) day trial period an employee chooses not to remain they will be moved no later than the following Monday to their former route or position. It is further understood that an employee may only exercise his right to return to his former route or position once each semester.

Section 6.7: Notification to Union President

The Director of Transportation shall notify the Unit President of the committee and the driver/dispatcher as to the name of the successful bidder together with the date of such award.

The Unit President and the driver/dispatcher will be provided notification when an employee is returned to his former position.

Section 6.8: Loss of Seniority

Seniority shall be lost for any one of the following reasons only:

- a. Employee quits
- b. Employee is discharged for just cause
- c. The laid-off employee is not reemployed within twenty-four (24) months

- d. If an employee is absent for three (3) consecutive workdays without having called in to notify the District of a justifiable reason for such absence.
- e. If the employee engaged in gainful employment while on personal disability leave from the district without prior written approval from the employer.

Section 6.9: Seniority List Posted

Up-to-date seniority lists shall be posted on the bulletin boards of the school system at each bus yard one (1) week before the end of the school year, and thirty (30) days after Labor Day of each year. Unless an employee files a written grievance or protest to his seniority date as shown on the list within ten (10) working days from its posting, such list shall be presumed as correct.

Section 6.10: Layoff Procedure

When there are layoffs for any reason, the following procedure shall be followed:

- a. Probationary employees shall be laid off first.
- b. Thereafter, employees shall be laid off in line with their seniority. Employees with seniority, who are qualified and willing to do the work of the employee to be displaced, in a lower classification may do so at the rate applicable for such job.
- c. When there is an increase in working forces, after a layoff, the reverse of the above layoff procedure shall be followed. Before any new employee is hired, the senior employee on layoff shall first be offered the employment if he is willing and able to do the work.
- d. When an employee, other than a probationary employee, is laid off for an indefinite period, s/he will be given a fifteen (15) day notice of such layoff.
- e. The Director of Transportation shall supply the Union Chairperson a copy of all layoff notices.
- f. An employee, leaving his position with the Board shall likewise be required to give the Board at least fifteen (15) days written notice of his intention to terminate. Failure to provide such notice results in resignation to be considered not in good standing.
- g. The above section shall not apply to situations in which unforeseen circumstances result in the closing of schools, such as boiler breakdown, power failure, strikes, fires, etc.

Section 6.11: Seniority Status

Seniority status for full time drivers, substitute drivers, and special education drivers, shall be the same. There will be no differentiation between the three (3) groups for seniority purposes.

Section 6.12: Probationary Drivers Working

Probationary drivers shall work only when all seniority employees are working or have refused to work in accordance to the terms of this Agreement.

Section 6.13: Filling Temporary Vacancy

A temporary vacancy shall be filled for ten (10) working days from the list of available substitute drivers. After the initial ten (10) day period, the vacancy shall be filled by the most senior substitute desiring the vacancy, who shall then remain in the position until the regular driver returns. The substitute shall enjoy the status of a full time driver except that they shall receive only those benefits granted to a substitute driver under the Labor Agreement.

Section 6.14: Loss Of Full Time Status

In the event of a full time driver losing full time status there shall be a minimum of Ten (10) work days prior notice.

Section 6.15: Full-time Drivers Requesting Sub Status

When a full-time driver requests to become a substitute driver, such driver shall maintain his/her seniority with accrual of seniority as long as he/she remains a substitute but will waive his/her rights to bump until at such time the employee has informed the Board that he/she wants to return as a full-time driver. After informing the School Board of her/his desires of returning as a full-time driver, the employee must then wait until there is a permanent vacancy or the following school year and will be given such full-time driving job after the regular bidding procedure in accordance with her (or his) seniority.
