ARTICLE I - AGREEMENT

This Agreement, entered into this 1st day of July, 2016, by and between the Association (EHESP) MEA-NEA, hereinafter called the "Association," and the Essexville-Hampton Public Schools Board of Education, hereinafter called the "Board."

WITNESSETH:

Whereas, the Board and the Association have a statutory obligation pursuant to Act 379 of the Michigan Public Acts of 1965, as amended, to bargain with the Association as the representative of its secretaries, clerks, media specialists, paraprofessionals, aides, playground supervisors, and hall monitoring/parking lot attendants with respect to hours, wages, terms, and conditions of employment. It is understood that substitutes are not represented by the bargaining unit.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE II – PURPOSE

- A. The parties recognize the importance of orderly and peaceful labor relations for the mutual interest and benefit of the Board of Education, bargaining unit members and the Association. The Board and the Association further recognize the mutual benefits of just and expeditious resolution of disputes which may arise as to proper interpretation and implementation of this Agreement, or of policies or regulations of the Board; and accordingly, have included herein a Grievance Procedure for the effective processing and resolution of such disputes.
- B. The wages, hours, terms and conditions of employment provided in this Agreement shall remain in effect until changes by written, mutual consent. The parties agree that their undertakings in this Agreement are mutual. Any previously established practice, policy, rule, or regulation which is in conflict with a provision of this Agreement shall be superseded and replaced by this Agreement.
- C. It is understood that the following classifications are excluded from the scope of this Agreement: head bookkeeper, payroll clerk, superintendent's secretary, board office receptionist, administrative assistant at the Community Education office, and supervisory personnel.
- D. The Board hereby agrees not to negotiate with any other bargaining agent other than the Association for the duration of this Agreement.
- E. Notwithstanding their employment, members shall be entitled to full rights of citizenship and no religious or political activities or any member or lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such a member.
- F. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status or membership in any association with the activities of any employee organization.

ARTICLE III - RIGHTS OF THE ASSOCIATION

- A. Pursuant to Act 379 of the Public Acts of 1965, as amended, the Board hereby agrees that every employee of the Board shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection or to refrain from such activities. The Board and association undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any individual in the enjoyment of any rights conferred by said Act 379, or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any individual member of the

Association, her/his participation in any activities of the Association or collective professional negotiations with the Board, or her/his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment or nonparticipation in the association.

It is agreed that non-bargaining unit personnel will not be assigned bargaining unit work.

- B. The Board specifically recognizes the rights of its employees appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement.
- C. The Association and its members shall continue to have the right to use school building facilities and equipment, including computers and Internet access, to which bargaining unit members normally have access, at all reasonable hours for Association business subject to scheduling through district procedures. No member shall be prevented from wearing insignia, pins, or other identification of membership in the Association, either on or off school premises. Bulletin boards, school mail, and other established media of communication may be made available upon request and approval by the building principal or Superintendent or his/her designated representative to the Association and its members. Except that these media shall not be used to promote a political candidate or advocate for a political cause, unlawful purpose or interfere with work.
- D. The Board agrees to furnish the Association, in response to reasonable written requests, all available public information concerning the financial resources of the District, tentative budgetary requirements and allocations, and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of its members, together with information which may be necessary for the Association to process any grievance or complaint. This information shall include but is not limited to names, addresses, seniority, wage, benefit costs, etc., for all members of the bargaining unit, without charge.
- E. Whenever a bargaining unit member is called to her/his supervisor's office for the purpose of investigation, which may culminate in a reprimand or disciplinary action, the bargaining unit member will be notified. The bargaining unit member may or may not request the presence of an Association representative. If the bargaining unit member requests the presence of an Association representative, the request may not be denied. No discussion will take place until the Association representative is available. Association members and representatives may discuss pending issues involving the Association during the work day as long as such discussions are brief and do not interfere with the employee's regular duties and responsibilities, as determined by the building Administrator.
- F. The President of the Association shall be notified of the following information within a new employee's first two (2) weeks of employment: name, hire date and time, classification, hours of work, and job location. This notification can be in e-mail or in writing.
- G. Each member of the Association shall have the right, upon request and by appointment, to review the contents of his/her own personnel file. The official personnel file shall be maintained at the office of the Superintendent and members shall have the right to a copy of any of the materials included in such file. The member shall be provided with a dated copy of all materials that are to be placed in the personnel file.

ARTICLE IV - RIGHTS OF THE BOARD OF EDUCATION

- A. It is hereby recognized by all parties hereto that the Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States. It is further recognized that the exercise of powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this contract and then only to the extent that this contract is in conformance hereof with the Constitution and laws of the State of Michigan and of the United States.
- B. The parties agree that this Contract incorporates their full and complete understanding and that any prior oral agreements or practices are superseded by the terms of this Agreement. The parties further agree that no such oral understandings or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this Agreement.

ARTICLE V - DUES AND PAYROLL DEDUCTIONS

Membership in the Association is not compulsory. Neither party shall exert any pressure on nor discriminate against an employee in regard to such matters.

Compensatory time, in lieu of overtime pay, must be mutually agreed upon by the employee and their immediate supervisor. Compensatory time is to be computed and compiled on the basis of time and one-half (1½×). Scheduling of compensatory time is to be determined by the individual's immediate supervisor after consultation with the Association member. Work performed on weekends (Saturday-Sunday) shall be compensated at double time for all hours after the completion of 40 (forty) hours of

work during the work week. An exception to the aforementioned would be a posted and accepted position by an Association member that would include weekend hours. Compensation would be made at the normal hourly rate. The employee's work day shall be a contiguous day, unless mutually agreed upon between the employee, Supervisor, and the Association President.

Time will be provided for employees to complete the beginning of the year required training and appropriate technology will be available. To be paid, required training must be completed outside of the work day on or before October 1st of each year. The pay will be reflected in the second paycheck of October.

- D. Bargaining unit members who are scheduled for work, appear for work, and are then sent home shall receive one-half (½) their normal day's pay.
- E. - F. The regular (usually monthly) meeting of administration with union leadership for communication and collaboration will address professional development throughout the year. Professional development will be based upon the school improvement plan, the immediate training needs of members for their positions, and/or the district strategic goals for the year. The training can be mandatory as mutually agreed upon by both parties leadership.

ARTICLE VIII - VACANCIES, PROMOTIONS, LAYOFF, RECALL AND TRANSFERS

- A. Whenever any vacancy in the bargaining unit shall occur, the Board shall publicize the same by posting written notice of such vacancy in every building where members are employed. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been posted for at least five (5) workdays in all buildings. All vacancy notices will be delivered to the building principal and secretary. Such notices will be dated and initialed upon receipt and posted immediately. Said posting shall not be required to be posted except during the school year. However, all vacancies occurring during the summer months shall be sent to the Association President via the U.S. Mail. During summer recess, the President of the Association shall be notified of said vacancy 10 (ten) days before the vacancy is permanently filled. This provision does not apply to temporary summer positions. When any vacancy is permanently filled, the Association President will be notified, in writing, within five (5) working days.
- B. A vacancy notice shall include:
1. Classification.
 2. Type of work.
 3. Minimum requirements necessary for the job.
 4. Minimum hours of work/hours to be worked.
- C. All personnel will be encouraged to train and prepare for promotional opportunities and, insofar as practicable, all vacancies shall be filled by the best available candidate with seniority and with ability, as judged by management, being the major criteria.

The District shall maintain a training subsection in each employee's personnel file. Certificates of training shall be maintained in this section for all District-sponsored training, as well as training completed through the employee's own initiative. When promoting, transferring, or reassigning employees, these training certificates shall be used to determine qualification and ability. It is the responsibility of the employee to provide documentation of training to the Employer.

In the event any individual position in any classification has time added in excess of fifteen (15) minutes or more, those individual positions shall be posted for bid within the Collective Bargaining Unit.

- D. If a reduction in the workforce becomes necessary, in one or more classifications within the bargaining unit, the following layoff and recall procedures will be followed:
1. Probationary staff (those with less than 120 (one hundred and twenty) calendar days within the school year) shall be laid off first. Probationary staff are not eligible for recall.
 2. If a reduction is still necessary, those with the least seniority within a classification are to be laid off first. The displaced employee shall have the right to displace another employee in a lower classification with less District seniority and retain their current step. Any member whose services are so terminated shall be notified at least 14 (fourteen) calendar days in advance in writing by the Board.
 3. Seniority shall not continue to accrue while on layoff, but will be frozen at the time of layoff for up to two (2) years.

CLASSIFICATIONS AND SUB-GROUPS

Within each subgroup, employees are considered “qualified” for each lower classification level.

Subgroup A – Paraprofessionals, Office and Library Support Staff

Classification IV: Secretary
Classification III: Media Specialists
Classification II: Paraprofessionals

Seniority is defined to mean the amount of time an individual is continuously employed as a member of the EHESP within the School District. District seniority shall be calculated from the initial date of hire. Seniority shall be established by a date and time stamp on the employee’s personnel file at the time of hire. Under no circumstances shall seniority accrue until an employee has served her/his probationary period. If the probationary period is satisfactory, seniority shall be retroactive to the date of hire.

Seniority shall be lost for the following reasons:

- Discharge for cause;- Retirement or resignation;
- Acceptance of a position within the District that is outside of the bargaining unit;
- Exceeding the two (2) year limitation on recall rights;
- If an employee on layoff is employed elsewhere and refuses recall.

Seniority shall be based on school years worked. One (1) year of employment is equal to one (1) year of seniority. Employees hired prior to the start of the second semester shall receive one (1) year’s seniority. Employees hired after the start of the second semester shall receive one-half (½) year seniority. The seniority list will be posted in the fall of each year. Objections to the list shall be filed within 10 (ten) days. Thereafter, the list shall be considered final and conclusive.

A laid off employee may submit a written letter of intent indicating in which building(s) and positions she/he is willing to sub. Such employees will be granted priority status on the substitute list.

For purposes of future vacancies, employees displaced to a lower classification as a result of reduction in positions and/or programs shall be judged as having the ability to perform the work of their previous classification, with the exception of Subgroup B.

Recall

When there is an increase in the work force after a layoff, or an opening occurs due to attrition, the position will be posted internally in accordance with Sections A-C above. Laid off employees shall retain recall rights for a period of two (2) years.

Notice

In the event of a recall, the laid off employee shall be informed of the recall via telephone followed by delivery confirmation letter stating the date the employee must return to work. If the employee is employed elsewhere, she/he will be allowed to provide her/his current employer up to a two (2) week notice before returning to work. Notice of recall via delivery confirmation will be mailed to her/his last known address. The employee must respond to such notice within five (5) work days after delivery thereof. In the event the employee fails to comply with the above, or fails to notify the Employer of a change of address, she/he shall lose all seniority rights under this Agreement. Employees terminated through layoff may elect to escrow any accrued vacation time or be paid for same. These payments shall be paid in the last paycheck. Accrued sick leave shall be escrowed for use upon employee recall. The District may email communication in addition to

the language above.

- E. The parties agree that involuntary transfers of bargaining unit members are to be affected only for reasonable cause as determined by the Superintendent/designee after consultation with the Association.
- F. When the administration becomes aware of a temporary leave of absence which is originally documented to be in excess of twenty (20) school days, a job posting notice will be placed in each building in order that bargaining unit members may be notified of the temporary vacancy. Individual bargaining unit members may apply to the individual stated within the temporary notice. Seniority and ability, as determined by management, will be considered when filling the temporary vacancy.
- G. Employees interested in working during summer school sessions will provide written notice of their desire to the Administrator in charge no later than May 1st. Assignment of these positions will be made by the Administrator based upon the needs of the program and the qualifications of the employee.
- H. When, by mutual agreement between the Employer and the employee, a member of the Association serves as a substitute classroom teacher, the District agrees to pay the member his/her normal wage or normal substitute pay, whichever is greater.

ARTICLE IX - DISCIPLINE, DEMOTION AND DISCHARGE

- A. After satisfactory completion of the probationary period which is 120 (one hundred and twenty) calendar days within the school year, no bargaining unit member shall be disciplined (including warnings, reprimands, suspensions, reductions in rank, discharged, or other actions of a disciplinary nature) for any reason without just cause. Discipline of personnel under the provisions of this Agreement will be conducted in accordance with the basic concepts of due process and Board Policy. A copy of the written disciplinary action given the bargaining unit members may be given to the Association President, if requested by the employee. Any complaint made against a bargaining unit member shall be promptly called to the attention of the bargaining unit member. If substantiated, a corrective procedure will be given except where there is just cause for discharge. This would also include allegations of wrongdoing regarding the employee's private and personal life.
- B. In the event disciplinary action becomes necessary, after informal conversations with the Supervisor, the following steps will be followed. Any step or steps, however, may be skipped based on the severity of the situation with mutual agreement between the Bargaining Unit and the Administration.
 - 1. Documented verbal warning - copy to personnel file.
 - 2. Written reprimand - copy to personnel file.
 - 3. Up to ten (10) days off without pay based on the severity of the incident and upon mutual agreement between the Bargaining Unit and the Administration - copy to personnel file.
 - 4. Discharge - copy to personnel file.
- C. In the event a bargaining unit member shall be suspended or discharged from employment and believes she/he has been unjustly dealt with, such suspension or discharge shall be a case to be handled in accordance with the Grievance Procedure.
- D. Should it be decided that an injustice has been done in regard to a bargaining unit member's suspension or discharge, the board agrees to reinstate her/him and pay her/him for all time lost.

ARTICLE X - RESIGNATION

Any employee desiring to resign shall notify the Superintendent or her/his designated representative in writing at least 14 (fourteen) days prior to effective date. Employees will be paid for all granted, but unused, vacation at the time of her/his resignation. The rate of pay shall be in accordance with the hours worked at the time these days were granted. Employees resigning prior to the end of the school year shall have her/his vacation days prorated. It is understood that an employee resigning prior to the end of the school year who have used more than her/his prorated number of days shall reimburse the District for said days.

ARTICLE XI - SICK LEAVE

A. The primary purpose of sick leave is to cover the absence of a bargaining unit member from employment due to personal illness sufficiently severe that it would make her/his presence in school inadvisable. Sick leave applies only to absences resulting from illness or injury of the employee or their immediate family.

B. Sick leave balances to include beginning, used, and remaining days will be provided on each bi-weekly pay stub.

Thirteen (13) days each school year with pay will be granted each bargaining unit member because of illness or injury. During the first year of employment, a bargaining unit member will be granted the sick leave days on a monthly basis, i.e., one (1) sick day per month, September 1 through June 1.

Unused sick leave shall be accumulated. A sick leave day is equivalent to an employee's regularly scheduled work day. All support personnel that retire or leave the district during the course of the school year will have their granted sick days for said year prorated.

C. There shall be established at the beginning of each school year a Sick Leave Bank, funded with only the unused personal business days. The bank will accumulate yearly, but shall not exceed a total of 120 (one hundred twenty) days. Bargaining unit members who have exhausted her/his individual accumulated sick leave and personal business days shall be entitled to make withdrawals of up to 30 (thirty) days from the bank upon the approval of a majority of the Administrative Panel of the bank. The Administrative Panel shall consist of three (3) members designated by the Association and two (2) members designated by the Board of Education.

D. In accordance with the Michigan Paid Medical Leave Act (PMLA), paid leave may be used for an eligible hourly employee or employee family member (child, parent, spouse, grandparent, grandchild, or sibling) with any of the following:

- a. Mental or physical illness, injury, or health condition, including related medical diagnosis, care, treatment or preventative medical care;
- b. For a victim of domestic violence or sexual assault, any related medical care or counseling; victim services or legal services; judicial proceedings, or relocation;
- c. For closure of the employee's primary workplace by order of a public official; for an employee's need to care for a child whose school or place of care has been closed by order of a public official; or a determination by health authorities that the presence of the employee or family member in the community would jeopardize the health of others due to exposure to a communicable disease.

ARTICLE XII - LEAVE OF ABSENCE

A. A bargaining unit member whose illness or award under the Worker's Compensation Act continues

beyond the unused sick leave period specified in Article XI hereof, will be granted a leave of absence without pay for a period not to exceed one (1) year. Such member, or a member of her/his immediate family in her/his behalf, shall make a written request to the Superintendent for such leave of absence, accompanied by a certificate from her/his physician that she/he is unable to perform her/his duties. She/he shall make a written request to the Superintendent for reinstatement when able to resume her/his duties, accompanied by a certificate from her/his physician evidencing such ability.

The Board may require the member to submit to a physical and/or mental examination by a physician of its choice and at its cost. If the Board determines that the member is able to resume her/his duties, and her/his leave of absence has not expired, she/he shall be assigned to the same position in which employed prior to the illness or injury, or to a substantially equivalent position, commencing at such date as such a position becomes available.

- B. The term "immediate family" as used in this Article, or elsewhere in this Agreement, is defined to mean mother, father, stepmother, stepfather, husband, wife, sister, brother, stepsister, stepbrother, grandparents, mother-in-law, father-in-law, child, stepchild, grandchild (natural or adopted), son-in-law, daughter-in-law, brother-in-law, sister-in-law and/or grandparents-in-law.
- C. A bargaining unit member will be granted leaves of absence with pay to the extent only of her/his unused sick leave pay specified in Article XII hereof, each year as follows:
 - 1. Serious illness of a member of her/his immediate family not to exceed four (4) days if request is made and approved by the Superintendent or her/his designated representative as soon as conditions permit the bargaining unit member to make the request.
 - 2. For such period of time as the bargaining unit member is necessarily absent from employment because of an emergency, if request therefore is made to and approved by the Superintendent or his/her designated representative, as soon as conditions permit the bargaining unit member to make the request.
- D. A bargaining unit member will be granted leaves of absence with pay, not chargeable against sick leave pay specified in Article XII hereof each year as follows:
 - 1. Association members absent from duty because of death of her/his immediate family shall be paid for a maximum of five (5) days for attendance at the funeral if the days are scheduled workdays. Said days are independent of sick leave and are not cumulative.

Association members absent from duty because of the attendance at the funeral service of an aunt, uncle, niece, and/or nephew shall be paid the equivalent of one (1) day's pay for each day of funeral leave used. Said day is independent of sick leave and is not cumulative. Attendance at a friend's funeral shall be limited to one paid day per year.
 - 2. Not to exceed 30 (thirty) days while serving as a juror in a Court of Record. The pay of the member shall be reduced by the per diem compensation paid to her/him as a juror.

newly-adopted child, not to exceed one (1) year. A member of the Association shall be entitled reemployment within one (1) calendar year from the date of the beginning of the leave of absence. It is recognized that members returning from leave as described in this paragraph will be placed on the step of the salary schedule that the individual enjoyed at the time the leave was granted. Individuals returning will retain accumulated sick leave that was accumulated at the time of commencing leave, provided that no portion of this Article is in conflict with current law.

- F. A leave of absence shall be granted to eligible employees in accordance with the Family and Medical Leave Act (FMLA) for the purposes permitted by the FMLA. FMLA leave will run concurrently with paid or unpaid leave for FMLA qualifying events.

ARTICLE XIII - TERMINAL LEAVE

A bargaining unit member who submits a letter of retirement to the school district with ten (10) years of service shall be paid for their individual accumulated sick days. Payout shall be part time members (those working less than Thirty (30) hours per week) at \$35/day and full time members \$45/per day.

An employee that qualifies for terminal leave can increase their per diem pay rate from \$35 or \$45 per day, to \$43 or \$53 per day respectively, by submitting an irrevocable letter of retirement seventy five (75) calendar days prior to their last day of work.

In case of death of the employee, the above benefits will be paid to the surviving legal spouse or to the employee's designated beneficiary. The District will provide a beneficiary designation form to each employee.

ARTICLE XIV - GRIEVANCE PROCEDURE

Should differences arise between the Board and the Association, or its members employed by the Board, as to the meaning and application of the provisions of this Agreement, there shall be no suspension of work on account of such difference, but an earnest effort shall be made to settle such difference immediately in the following manner:

- Step 1: Within twenty (20) working days of the occurrence or discovery thereof of the facts forming the basis of the grievance, an aggrieved employee may initiate a grievance in writing on forms provided by the Association, or verbally by contacting the employee's Supervisor, who must give an answer within five (5) working days. Should the grievance involve more than one (1) building, or fall outside the authority of the employee's Supervisor, an initial meeting will take place between the Superintendent and his/her designee and shall be processed at Step 2.
- Step 2: If the grievance is not settled in Step 1, or no disposition has been made, a copy of the grievance will then be submitted within 10 (ten) working days of receipt of the answer in Step 1 to the Superintendent of Schools. A meeting will then be held as soon as possible, but not later than ten (10) working days, between the Superintendent of Schools and the aggrieved Association/employee for discussion of the grievance. Such meeting may include the aggrieved employee. The decision of the Superintendent of Schools, or his/her designated representative, shall be made in writing within five (5) working days after the meeting.
- Step 3: If the grievance is not settled at Step 2, or no disposition has been made, a meeting must be held between representatives of the Association and the School Board or their representatives. The request for a meeting must be forwarded within ten (10) working days upon receipt of answer at Step 2, or the time limit for the answer. The meeting shall be held within 10 (ten) working days of the receipt of the request, or thereafter by mutual agreement. The decision of the Board shall be made in writing within five (5) working days of a meeting.

Step 4: If the grievance is not settled at Step 3, the matter shall then be referred to arbitration by the Board or the Association within 15 (fifteen) working days by filing a demand for arbitration with the American Arbitration Association. He/she shall be selected through the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration hearing. Neither party shall be permitted to assert in such arbitration proceeding any issues which have not been set forth in the original grievance. The Arbitrator shall have no power to alter or add to or subtract from the terms of this Agreement. The Arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law which is in violation of the terms of this Agreement. Each party may present the testimony of witnesses and any pertinent written evidence. The cost of the arbitrator shall be borne equally by the Board and the Association.

Arbitration conducted in accordance with Step 4 shall be binding upon both parties.

ARTICLE XV – INSURANCE

A. Bargaining unit members who are regularly scheduled to work 30 hours or more per week shall receive Board of Education provided health and ancillary benefits. The District shall pay the maximum allowed annual hard cap amount, for the selected insurance plan, towards the total cost of the medical premium and deductible. For those on the ABC Plan, the deductible amount will be front loaded into a Health Savings Account (HSA) on ½ on January 1 and ½ on July 1 of each plan year.
