The Board designates the principal of each building to act as its representative at Level One as hereinafter described; and the Superintendent or his designated representative to act at Level Two as hereinafter described.

### **D. FORM**

Written grievances under this Article shall conform to the following specifications:

1. Must be signed by the grievant, grievants or an Association Representative.
2. Must be specific.
3. Must contain a synopsis of facts giving rise to the alleged violation.
4. Must cite the specific sections or subsections alleged to have been violated.
5. Must contain the date of the alleged violation.
6. Must specify the relief requested.

### **E. COMPLIANCE**

Any grievance not in compliance with D (1-6) supra shall be rejected as improper. Such rejection shall not extend time limitations hereinafter set forth.

## **F. PROCEDURAL LEVELS**

1. Level One - A teacher alleging a violation of the expressed provisions of this contract shall, within seven (7) days of the alleged violation, orally discuss the grievance with the building principal. An Association representative may be present at all levels of the Grievance Procedure at the request of the grievant. If no resolution is obtained within two (2) days of the discussion, the teacher shall reduce the grievance to writing as described in D supra and proceed within five (5) days of the Level One discussion to Level Two.
2. Level Two - The written grievance shall be filed with the Superintendent or his designated representative. Within five (5) days of receipt of the grievance, the Superintendent or his designated representative shall arrange a meeting with the grievant to discuss the grievance. Within five (5) days of the discussion, the Superintendent or his designated representative shall render a decision in writing to the grievant. If no resolution of the grievance is rendered or if the decision at this level is unsatisfactory, the grievant may within five (5) days file a written grievance with the Board of Education through the Superintendent.
3. Level Three - Upon receipt of the written grievance, the Board President shall appoint someone to hear the grievance within fourteen (14) days of the date the grievance was submitted to Level Three. The Employer's designated representative shall hear the grievance and render a decision in writing within ten (10) days of the meeting at which the grievance was heard.
4. Level Four - If the Association is not satisfied with the disposition of the grievance or if no response is received at Level Three, it may within ten (10) days of the expiration of Level Three submit the matter to binding arbitration. If the parties have not agreed upon arbitrator, he/she shall be selected in accordance with the AAA Voluntary Arbitration rules.
  - a. The costs of the arbitration shall be borne equally by the parties, but expenses incurred in calling its own witness or preparing its own testimony and exhibits shall be borne by each party individually.
  - b. Neither party may raise a new defense or ground at Level Four not previously raised or disclosed at prior levels of this grievance procedure.
  - c. The powers of the arbitrator shall be limited as follows:
    - He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
    - He shall have no power to establish salary scales.

## **G. TIME LIMITS**

Should a teacher fail to institute a grievance within the time limits specified, the grievance will not be processed. Should a teacher fail to appeal a decision within the limits specified, or leave the employ of the Board, (except a claim involving a remedy directly benefiting the grievant regardless of his/her employment), all further proceedings on a previously instituted grievance shall be barred. Should the Administration or Board fail to respond to a grievance within the time limitations herein established, the grievance shall be automatically advanced to the next level of the grievance procedure. Time limitations hereinafter established for the processing of grievances may be extended only by mutual agreement in writing.

**H. ASSOCIATION GRIEVANCES**

The Association shall have the right to file a grievance alleging a violation of the Association's rights under this Agreement.

**I. GRIEVANCE HANDLING**

All preparation, filing, presentation, or consideration of grievances shall be held at times other than when a teacher or a participating Association representative are to be at their assigned duty stations, unless mutually agreed upon by the parties.

**J. ARBITRATION AWARDS**

Both parties agree to be bound by the award of the arbitrator, and agree that judgment thereon may be entered in any court of competent jurisdiction.

**SECTION II EMPLOYMENT RELATIONS**

**2.1 ASSOCIATION RIGHTS**

**A. FACILITIES**

The Association and its representatives shall have the right to use school buildings, per building use procedure, and equipment including District electronic resources at all reasonable hours for meetings, provided that when a special custodial service is required, the Board may make a reasonable charge therefore.

**B. ORGANIZING ACTIVITIES**

Organizational activities by the Association shall not take place during normal school hours.

**C. ASSOCIATION PRESIDENT**

The Association President may use the preparation period for Association business. If the Association President does not have a designated preparation period, he or she may use times prior to and after the close of the regularly scheduled student day for Association business. At the beginning of each school year, the President of the Association will notify the Administration which period shall be used. This paragraph supersedes B above.

**D. SUPPLIES**

The Association shall pay for any costs incurred by the Board from Association requests for materials and supplies in full.

**E. COMMUNICATIONS**

The Association shall have the right to post notices of its activities and matters of Association concern on teacher bulletin Boards, at least one of which will be provided in each school building. The Association may use the teacher mailboxes and E-mail for communication to the teachers. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the Association either on or off school premises. Individual teachers shall have the right to use the district's electronic resources including E-mail free of charge provided the individual teacher follows current Board policies.

**F. NONDISCRIMINATION**

The Board shall not discriminate against any employee for membership or participation, or non-membership or participation, in lawful activities of the Association.

**G. PRINTING**

The Board agrees to post the final version of this Agreement on its website.

**H. CONTRACT ADMINISTRATION**

A liaison committee consisting of three (3) representatives of the Association and three (3) administrative representatives and one (1) board member will meet each month for the purpose of reviewing contract administration, and to recommend resolution of any problems, which may arise. These meetings are not intended to bypass the grievance procedure.

**2.2 TEACHER RIGHTS**

**A. NONDISCRIMINATION**

Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection, or refrain from participating in those activities. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership or lack thereof in the Association, his/her participation or lack thereof in any activities of the Association or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

The teachers shall be entitled to full rights of citizenship and religious or political activities of any teacher or the lack thereof shall not be grounds for any discrimination with respect to the professional employment of such teacher.

Nothing contained within this contract shall be construed to deny or restrict to any teacher rights he/she may have under the Revised School Code, Tenure Act, or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

The parties agree that it will in no way discriminate against or between employees covered by this agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, marital status, sexual orientation, disability or place of residence.

## **B. VALIDITY OF AGREEMENT**

If any provisions of the Agreement or any application of the Agreement to any employee shall be found contrary to law, then such provision or application shall be deemed null and void, but all other provisions or applications shall continue in full force and effect; furthermore, the provisions of such law shall supersede, to the extent of the conflict, the provisions of this Agreement and govern the relation of the parties hereunder.

## **C. MUTUAL AGREEMENT**

This Agreement is subject to amendment, alteration, or additions only by a subsequent written agreement between, and executed by, the district and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

## **D. COMPLETION OF AGREEMENT**

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any

subject or matter not removed by law from the area of collective bargaining, and that all understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the District and the Association, for the life of this Agreement each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

## **2.3 BOARD RIGHTS**

### **A. RIGHTS**

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities and the activities of its employees;
2. To hire all employees and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, of their dismissal or demotions; and to promote, and transfer all such employees with written defined reasons that are not arbitrary or capricious;
3. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board;
4. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
5. To determine class schedules the hours of instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect to administrative and non-teaching activities, and the terms and conditions of employment.

### **B. LIMITATIONS**

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and

the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.

## **2.4 PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS**

### **A. NOTICE OF ASSIGNMENT**

The Administration will endeavor to provide teachers with written notice of tentative assignment for the following school year no later than ten (10) workdays prior to the last teacher day of the current year providing said assignment is different from the present year's assignment. The term "assignment" as used in this paragraph means assignment within the subject matter of instruction in Middle School and Senior High school, and grade level in elementary school.

### **C. PREPARATIONS**

Normally no middle school or senior high school teacher will be assigned to more than three (3) different subject matter preparations in any one given semester without consent of the teacher involved. However, the Administration may assign some teachers to a fourth preparation.

Prior to the administrator making the final decision, teachers who may be assigned four (4) preparations may review the proposed schedule and the various alternatives available, and may suggest other alternatives. All alternatives presented will be considered and the effect on the total program will be assessed before a final decision is made.

### **D. SUPERVISORY TEACHERS**

Supervisory teachers of student teachers shall be tenure teachers who voluntarily accept this assignment and they shall be known as "Supervisory Teachers." The parties recognize that "Supervisory Teachers" are not supervisors under Public Act 379 of 1965.

### **E. MENTOR TEACHERS**

The Board and Association realize that a new teacher may need help and orientation to be an effective teacher in the Benzie County Central Schools. The parties agree that providing Mentor Teachers for probationary teachers is an essential practice and further agree to cooperate in providing this assistance.

1. A Mentor Teacher shall be defined as a Master Teacher as identified in Section 1526 of the Revised School Code and shall perform the duties of a Master Teacher as specified in the code. The Mentor Teacher may be a member of the bargaining unit.
2. Each teacher in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Administration. Any previously tenured teacher new to the District will receive a mentor for their first year at Benzie. The Mentor Teacher shall be

available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide assistance, resources and information in a non-threatening collegial fashion.

3. A Mentor Teacher may be assigned in accordance with the following:
  - A. The Mentor Teacher, if from the bargaining unit, shall be a tenured member.
  - B. Participation as a Mentor teacher shall be voluntary.
  - C. This assignment should be finalized within thirty (30) days of the commencement of the starting date of the Mentee.
  - D. Every effort will be made to match Mentor Teachers and Mentees who work in the same building and have the same area of certification.
4. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member employee and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential and shall not be a part of either's evaluation.
5. Upon request, the administration may make available reasonable release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular workday. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.
6. Mentees shall be provided with a minimum of fifteen (15) days of professional development induction during their first three- (3) years of classroom teaching. The Board shall attempt to schedule Professional Development within the parameters of the regular workday and work year. It is understood by the parties that should it be necessary to schedule such training outside the regular work day or work year that the affected bargaining unit members will be paid at the substitute teacher rate. The training dates, if possible, will be a part of the negotiated calendar.

## **2.5 VACANCIES AND TRANSFERS**

- A. Bargaining Unit vacancies will be posted on the District Website. This language is not subject to the grievance procedure in article 1.4.

## **2.6 SENIORITY**

### **A. SENIORITY**

1. Seniority: Seniority in the school district for the purpose of this section shall mean continuous permanent employment in the district as a teacher, counselor, or principal. Those persons first hired as a principal or counselor after September 1, 1982 shall not accrue seniority in the bargaining unit. Any teacher transferred to a position of

counselor or principal and later returned to a teacher status shall be entitled to retain such rights as he/she may have had under this agreement prior to such transfer to a counselor or principal.

2. Seniority in this district shall be based upon the number of paid days of employment in the school district. At the end of each school year the teacher will have added to his rank the number of days in that year for which he was paid.
  - a. To establish this rank for the 1995-96 school year, those teachers who are presently employed will have the number of years, or a fraction thereof, of service to Benzie County Central Schools multiplied by 183.
  - b. In the event more than one (1) individual has the same effective date of hire, after "a" above has been followed, the teacher with the highest last four (4) digits of his/her Social Security number will be retained. In the event that the last four- (4) digits are identical, the middle two (2) digits of the Social Security number will be used.
  - c. The parties agree to change the seniority accumulation format, effective the first day of work of the 1995-96 school year. Seniority will be calculated, based upon a full-time bargaining unit position as defined by the current master agreement in Sections 3.1 and 7.5. All previously accumulated seniority will stay as it is and additional seniority will simply be accumulated under the new format and added to the amount that has been previously accumulated. The new format will be a prorate format which will take into consideration the number of hours worked per day and the number of paid days per year. For example, all teachers work 7 hours per day. A teacher who works 4 hours per day for a 120 days would be credited with 57% (4/7) of 120 days (.57\*120) or 68 days of seniority.

#### **B. EXTRA DUTY / SCHEDULE B POSITIONS**

Extra duty assignments shall not carry tenure of position.

#### **C. TENURE ACT**

Nothing herein stated should be construed as a waiver of any right that an individual teacher may have under the Tenure Act.

#### **D. BENEFITS**

Teachers recalled to duty shall retain accumulated sick leave and shall be returned to the step on the salary schedule held at the time of layoff.

#### **E. SENIORITY LIST**

A seniority list will be developed and updated by January 1 of each year with a copy of said seniority list sent to the Association.

**2.7 PROFESSIONAL BEHAVIOR**

Teachers are expected to comply with rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being or is professionally demeaning.

**2.8 SCHOOL IMPROVEMENT**

The parties do hereby mutually agree to work together on the school improvement process. Any plan developed by the committees shall not be in conflict with the Master Agreement or Board policy.

**SECTION III TEACHING CONDITIONS**

**3.1 TEACHING HOURS**

**A. WORK DAY**

- 1. A full time teacher’s normal contract day in each building of Benzie County Central Schools shall be as follows:

High School..... 7:30 a.m. to 3:00 p.m.  
Middle School ..... 7:30 a.m. to 3:00 p.m.  
Betsie Valley Elementary 8:40 a.m. to 4:10 p.m.  
Crystal Lake Elementary 8:40 a.m. to 4:10 p.m.  
Lake Ann Elementary .....8:40 a.m. to 4:10 p.m.

Start and end times may be adjusted by the employer. However, if there is a need to adjust the length of the current teacher workday, then said changes will be subject to bargaining.

- 2. Itinerant (elementary special education, elementary art, elementary physical education, and elementary music) may be scheduled by administration to have up to (60) minute duty-free lunch and a work day that shall not exceed eight (8) contiguous hours if they work in more than one building. It is understood by the parties that an individual itinerant teacher’s schedule will not necessarily fit one of the above building schedules.
- 3. On days when Parent-Teacher Conferences are held, an equal number of hours shall be scheduled, but shall not exceed the number of hours in a normal contract day. Parent/teacher conferences may be held in the second semester of each contract year.

4. In the event it is necessary to change the structure of the school day, the above schedule may be changed only after negotiation with the Association, but shall not exceed seven and one-half 7 ½ contiguous hours, which includes thirty (30) minutes of duty free lunch time and an individual teacher's preparation time.

## **B. EXTRA DUTIES**

Extra work for which the teacher receives extra pay shall be performed outside the normal contract hours unless otherwise designated by the Board.

### **1. Committee Assignments**

Any teacher volunteering to serve on a district committee shall receive fifteen (\$15.00) per committee meeting that they attend. The total amount to be paid to an individual teacher shall not exceed four hundred fifty (\$450.00) per school year, per committee and shall be paid in a lump sum payment at the end of the school year in June. Approval of committees/committee chairpersons and number of members will be determined by Board of Education. Keeping records of minutes and attendance at meetings will be the responsibility of the committee chairperson and submitted within one (1) week of the meeting on the district wide recording form (appendix B). Any teacher who serves as chairperson of a committee will receive thirty (\$30.00) per meeting up to a maximum of nine hundred (\$900.00) per school year and shall be paid in a lump sum payment at the end of the school year in June.

2. Teachers may volunteer to participate in joint planning sessions to assist with the success of Title I/Special Education inclusionary programs, or volunteer to participate at workshops, which occur during scheduled breaks such as summer. Teachers who volunteer to participate in these planning sessions or workshops will be compensated at the rate of twenty (\$20.00) per hour. It is expressly understood that teachers will only be entitled to receive compensation if the planning sessions or workshops are outside of the established teacher workday or work year in that building and have prior administrative approval.
3. The Board agrees to compensate bargaining unit members at the rate of twenty dollars (\$20) for up to a maximum of five (5) hours when the bargaining unit member changes/moves to a new classroom outside of school hours. This compensation will occur when the administration requires the change or move, not when the bargaining unit member requests a transfer that necessitates changing classrooms, which would be a voluntary move/change.
4. If a teacher's day is extended an additional 7.5 hours beyond his or her scheduled teaching day (Monday-Friday), either before the official start time, after, or a combination, for the purpose of chaperoning students on building-approved non-Schedule B field trips, he or she shall receive either the equivalent dollar amount substitute teachers are compensated or a comp. day to be used within that school year. Comp. days shall not be used to extend vacations, holidays, or travel related thereto. Unused comp. days will not be banked as sick days.

### C. MONTHLY MEETINGS

Professional Development/staff monthly meeting time may be extended the regularly scheduled teachers' day by one (1) hour and thirty (30) minutes. This time may be split into 2 meetings per month.

### D. NUMBER OF PERIODS

1. There shall be no more than a seven (7) period day in grades 7-12. Teachers in these grades will be assigned six (6) periods, and will be provided with one (1) period for planning. No teacher shall be scheduled to travel during his or her preparation time or lunch period.
2. In the event of financial hardship or shortage of facilities the Board of Education may provide with five (5) straight periods for students in grades 7-12. All teachers would have five (5) straight periods followed by a planning period.
3. Normally, no Middle School or senior high school teacher will be assigned to more than three (3) different subject matter preparations in any one given semester without consent of the teacher involved. However, the Administration may assign some teachers to a fourth preparation. The option to volunteer for a fifth preparation is at the teacher's discretion. Every assignment above three (3) will receive the "split grade" or "multi age" compensation of \$600.00 per semester.

**Seminar:** Seminar is to be developed with building principal and staff input for a successful model for all students to participate. The seminar period shall not be considered an additional compensated prep period. The Seminar shall be reviewed annually and a report will be presented to the District Wide School Improvement (DWSI) Committee for future modifications.

4. In grades 7 and 8, the added period shall be considered a prep.

### E. DAILY SCHEDULE

1. Double Bus Runs - Teachers shall be required to be on duty a total of seventy-five (75) minutes in grades K-6 and sixty (60) minutes in grades 7-12 before and after the published regular pupil's school day.
2. The division of the 75/60 minutes or the 60/60 (single bus run) shall be a joint Administration-Teacher decision at each building. It is understood that the district may have to add additional instructional time to meet the minimum state clock hour requirement. Furthermore, any addition of workdays or lengthening of the current existing workday, to meet minimum state clock hour requirements, shall be accompanied by a prorated adjustment in pay.

3. In grades K-6, a total of thirty (30) consecutive minutes of planning time plus an additional fifteen (15) minutes of planning time per day will be scheduled exclusive of provisions of E-2 above, when the teacher has had students in individual classrooms the full student day. The thirty (30) consecutive minutes of planning time shall not be scheduled before the student day begins. No teacher shall be scheduled to travel during his or her preparation time or lunch period.

The following applies to all elementary schools.

- a. The schedule may be adjusted so that teachers in these buildings may not have a planning period of thirty (30) consecutive minutes one (1) day per week, but may have a planning period of sixty (60) consecutive minutes on one (1) other day (Section 3.1 E.3). There will be only one (1) adjustment per week per teacher. The fifteen (15) minute "additional" planning time (Section 3.1 E.3) will not be adjusted. The total planning time per week will be two hundred twenty five (225) minutes per teacher.
  - b. The number of bargaining unit members with two (2) preps on one (1) day and none on another will be kept to the minimum necessary. Bargaining unit members who volunteer for this schedule will be used first.
  - c. On a day with no preparatory time, the teacher will have two (2) non-duty periods of fifteen (15) minutes each, one (1) in the morning and one (1) in the afternoon. One (1) of those non-duty relief periods will not count toward the two hundred twenty-five (225) minutes total planning time per week.
  - d. If the job description for the itinerant staff changes, those staff affected will be notified of those changes by March 15 of each year.
4. In the event of a field trip or other activity outside the normal classroom schedule, provisions for preparation time are waived.
  5. Efforts will be made to find competent, qualified substitutes for special classes.
  6. Teachers required to travel between buildings shall be given adequate travel time.

#### **F. LUNCH PERIODS**

All Bargaining unit members shall be entitled to a duty-free minimum thirty (30) minute lunch period.

#### **G. SUBSTITUTE PAY**

Teachers doing substitute teaching during their preparation period shall be reimbursed for such assignment at the hourly rate of \$25.00 per hour.

#### **H. ACT OF GOD DAYS**

Nothing in this Article shall require the Board to keep schools open in the event of severe and inclement weather or when otherwise prevented by an act of God. When schools are closed to students for instruction, due to the above conditions, teachers are not required to report to

duty, and shall be notified. When openings are delayed due to the above conditions, teachers' hours shall be shortened accordingly, and they shall be notified. In either case, the teacher shall suffer no loss of pay.

Act of God Days, allowed by law, will not be subject to rescheduling. Only student days/contact hours will be rescheduled, if required by law to receive full state funding.

This agreement supersedes the conditions outlined in the Stipulated Arbitration Award of November 14, 2007.

## **I. DISTRICT WIDE SCHOOL IMPROVEMENT COMMITTEE**

A District Wide School Improvement Committee composed of an Association Representative for each elementary, Middle School, and Senior High building, and an equal number of Administrative Representatives may be established.

1. The Committee may plan and conduct In-service Education activities.
2. The equivalent of one (1) student day In-Service training may be provided for each teacher on a workday, provided at least one thousand (1,000)-student hours of attendance are scheduled.

## **3.2 CLASS SIZE AND TEACHING CONDITIONS**

### **A. FACILITIES**

The Board shall provide:

1. A separate desk for each teacher in the district with lockable drawer space.
2. Closet space for each teacher to store coats, overshoes, and personal articles.
3. Appropriate technology in every regular classroom.

The Board shall make available in each school, for staff use only, the following:

1. One room furnished with restroom and lavatory facilities.
2. One room to be used as a workroom and/or lunchroom.

There shall be one room for staff in the middle/senior high building.

### **B. CLASS SIZE**

The Board and the Association agree maintaining reasonable class loads is important. Laboratory classes will be limited in size to the equipment available.

1. Physical education classes will be limited to a maximum of forty (40) students. Class sizes over forty (40) students will be compensated at \$90.00 per section to a maximum of \$750.00 per semester. Band/Instrumental Music and Chorus/Vocal Music exceeding forty (40) students will be compensated at \$90.00 per section.

Advisory/Homeroom sections exceeding twenty-five (25) students on or after November 1<sup>st</sup> of each school year will be compensated an additional \$90.00 per section per semester. Every attempt will be made to balance sections as the schedule permits. A Middle School teacher will be defined as a teacher who teaches four (4) or more Middle School classes.

2. Classes in grades K-2 that exceed 24 students will have additional paraprofessional time assigned. All recommendations, written or oral, shall be based solely on the contents of the teacher's personnel file. The Board agrees to immediately notify the employee any time there is a request to review or release materials in his/her personnel file to a third party prior to the review or release of materials, provided it is possible to do so.

A teacher must request use of a personal leave day at least forty-eight (48) hours in advance, in writing, except in emergency situations. ## **4.2 FAMILY MEDICAL LEAVE ACT (FMLA)**

Bargaining unit employees may be eligible for leave under the FMLA as set forth in Board Policy 4106. See [link](#). To request FMLA leave, a bargaining unit employee must complete forms provided by the administration with a health care provider's certification.

If an employee is absent for three (3) or more consecutive days due to an FMLA eligible event, the employee will submit documentation, retroactive to the first absence, requesting FMLA leave. An employee returning from FMLA leave, or an extended leave of absence, must provide a fitness-for-duty from the employee's health care provider before returning to a position at the District. Failure to produce a fitness for duty may result in a delay in the employee's return or termination of employment. The District may direct an employee to undergo an independent medical examination if the directive is job related and consistent with a business necessity.

FMLA leave will run concurrently with other leaves available to the employee, if any. An alleged violation of Board Policy 4106 or FMLA statute or regulations are not subject to the grievance procedure.

The request for the leave of absence must be in writing setting forth the reasons for the leave of absence and the anticipated length of time; and if requested, verification shall be submitted. Any extensions for leaves of absence shall be handled the same as the request for the regular leave. The date of return from any leave under this section shall be established in advance by mutual agreement of the Board and the teacher.

**C. RETURNING FROM LEAVE**

Employees returning early from leave of absence must submit a request to return to work in writing. Employees returning from a medical leave of absence may be required to certify their ability to return to work at least five (5) working days prior to the requested date of the return.

Credit shall not be granted for academic credit earned toward provisional certification requirements. Credits that are not part of the aforementioned advanced degree programs must be graduate credits. These classes must be approved in advance by the Superintendent and must apply to the teacher's present or anticipated future teaching/administrative assignment. Teachers must receive a minimum grade of "B" to receive reimbursement. The maximum Board contribution (total staff pool) shall be two thousand five hundred dollars (\$2500.00) per year. The Board shall contribute the maximum hard cap amount allowed by law under PA 152 of the medical benefit costs of Plan A. The Board shall contribute 80% of the ancillary benefits of Plan A and Plan B below (as elected by the bargaining unit member).

If a member leaves employment from the district due to retirement, termination, or resignation before the end of the deductible year, the member shall reimburse the district 1/12th of the deductible amount contributed by the district for each month they left early. Reimbursement shall be made through payroll deduction. In the event payroll deduction is not enough to fully reimburse the district, the district may pursue all options necessary to receive full reimbursement from the employee and will hold the Association harmless in these matters.

In the 2021-22 school year, if an eligible bargaining unit member elects the MESSA ABC 1 plan, the Board shall contribute the annual deductible to the employee's Health Savings Account (HSA). Check runs are done every Thursday or on the Wednesday when a holiday falls on Thursday. It is understood that the contribution to the member's HSA is part of the district's hard cap contribution.
