The local union secretary shall advise the payroll office, in writing, as to the monthly dues or fees five (5) workdays prior to the first payroll period date. No one shall be discharged pursuant to the above union security clause in this agreement unless said discharge is recommended and requested by the Union at a public Board of Education meeting. The Union shall indemnify and save the Board harmless against any and all claims, demands, suits or any other form of liability that may arise out of any reason of complying with this "check-off" provision.

Section 4: The Employer will not aid, promote or finance any labor group or organization which purports to engage in Agreement or make any agreement with any such group or organization for the purpose of undermining the Union.

Section 6: Grievances which are not appealed within the time limits specified in the grievance procedure shall be considered to be withdrawn by the Union. The Union’s grievance committee shall be comprised of not more than two (2) individuals who have not less than six (6) month’s seniority with the employer.

ARTICLE V – DISCIPLINE AND DISCHARGE

Section 1: An employee shall not be disciplined except for just cause. In keeping with the concept of just cause, discipline, where appropriate, will be progressive in nature, up to and including discharge.

Section 2: Any employee may appeal such disciplinary action in accordance with the grievance procedure.

Section 3: An employee shall be advised of his/her right to have a Union representative present at a meeting at which discipline may or will take place or at an investigatory interview of the employee by the Employer regarding allegations or charges of misconduct against the employee which, if substantiated, could result in discipline.

Section 4: Disciplinary Action and Conference

- a) Whenever an employee is to be formally charged with a violation of any rules and/or policies, a Disciplinary Conference shall be scheduled and the employee shall be notified in writing prior to the conference of the claimed violation. No Disciplinary Conference shall proceed without the presence of a Union representative. The employee shall be informed of the nature of the charges and the

reasons that disciplinary action is intended or contemplated. The employee shall have a right to respond to the charges both orally and in writing.

Section 6: Any grievance protesting the Employer's decision to suspend or discharge is to be filed in writing at the second step of the grievance procedure within seven (7) calendar days after the date of notification of the disciplinary suspension or discharge.

Section 2: Any employee, group of employees or Union steward who instigates, aids or engages in a strike, slowdown or any other concerted interference with the operations of the employer may be disciplined or discharged within the sole discretion of the employer.

ARTICLE VII – SENIORITY

Section 1: Seniority shall be defined as an employee's length of continuous service with the employer since he/she first reported for work at the instruction of the employer and at a time since he/she has not quit or been discharged. No time shall be deducted from an employee's seniority due to absences occasioned by leaves or layoffs for lack of work, except as hereinafter provided.

Section 2: All new employees shall be probationary employees until they have worked ninety (90) calendar days for the employer. The purpose of the probationary period is to give the employer an adequate opportunity to observe the performance of the new employee and thus determine whether such employee has the ability and other attributes which will qualify him/her for regular employee status.

- a) During the probationary period, the employee shall have a no seniority status and may be laid off or terminated in the sole discretion of the employer.
- b) Upon satisfactorily completing his/her probationary period, the employee's name shall be entered on the seniority list as of his/her most recent date of hire unless, during such probationary period, the

employee has been absent from work, in which case such employee's name shall be entered on the seniority list as of ninety (90) calendar days prior to the completing of the probationary period.

Section 3: An up-to-date seniority list shall be prepared and made available to the Union President on October first of each year. The Seniority list shall consist of a unit-wide list beginning with the most senior bus driver and a extra run list beginning with the bus driver with the most continuous extra (Kindergarten and Vocational Education) run seniority.

Any objection to the seniority dates shown on any seniority list must be registered with the employer by the union or employee within fifteen (15) calendar days after receipt of said list.

In the event two (2) or more employees have the same hiring date; they shall be ranked on the seniority list alphabetically by the first letters of their last name. If two (2) or more employees have the same last name, the same procedure shall be followed with respect to their first name.

Section 4: An employee's seniority shall terminate:

- a) If he/she quits or is discharged for just cause.
- b) If, when notified by certified mail, return receipt requested, deliver to addressee only, or by personal service prior to the start of the school year the employees fails or refuses to advise the employer in writing of his/her intent to return to work or not to return to work within one (1) calendar week after receipt of such recall notice.
- c) When, following a layoff for lack of work (other than case referred to in subsection (b) above, he/she fails or refuses to notify the employer within forty-eight (48) hours after receipt of the recall notice sent by certified mail, return receipt requested, deliver to addressee only, or by personal service of his/her intent to return to work within three (3) regularly scheduled working days after receipt of such recall notice.
- d) If he/she is absent for three (3) regularly scheduled working days without notifying the employer within such three (3) day period of a justifiable reason for such absence.
- e) If he/she fails to return to work immediately upon the expiration of a leave of absence or any extension thereof or accepts employment elsewhere while on a leave of absence which would preclude him/her from performing his/her responsibilities and duties for the employer.
- f) When he/she has been laid off for lack of work for a continuous period of time in excess of twelve (12) consecutive months.

Section 5: When it becomes necessary to lay off employees due to lack of work or to reduce the size of the work force, part-time and probationary employees shall be laid off first, provided there are employees with seniority who are available, qualified and who have the then preset ability and physical fitness to satisfactorily perform the work of such probationary employees without training. Among employees with seniority, the employee with the least seniority shall be the first to be laid off for lack of work, provided always that the remaining employees are available, qualified and have the then present ability and physical fitness to satisfactorily perform the work of such laid-off employee without training. If there is no available senior employee meeting these requirements, then the employee with the least seniority in the bargaining unit whose job can be satisfactorily performed by an available employee without trial or training shall be the one laid off.

- a) When recalling employees following a layoff for lack of work, the laid off employee with the most seniority who is qualified and has the then present ability and physical fitness to satisfactorily perform the work without training shall be the first employee recalled.

ARTICLE VIII – JOB POSTING AND BIDDING

Section 1: All vacancies and/or newly created bus routes within the bargaining unit shall be posted for a period of three (3) working days on the Union's bulletin board. Employees interested in such vacancies shall sign the posting during the above three (3) day period. All vacancies or newly created positions shall be filled on the basis of seniority. Kindergarten runs shall be subject to article VII, Section 3, provided the most senior employee who bids thereon shall possess the necessary qualifications for such job. In the event the senior applicant is denied the job, reasons for the denial shall be given in writing to the employee and to his/her steward.

- a) All regular drivers who hold Kindergarten/Voc-Ed runs shall accumulate Kindergarten/Voc-Ed run seniority. All current Kindergarten/Voc-Ed run drivers, as of the effective date of this contract, will be credited with all uninterrupted Kindergarten/Voc-Ed run service. Kindergarten/Voc-Ed run seniority shall be utilized in the following manner:
 1. Elimination of Kindergarten/Voc-Ed run – the affected driver shall bump the least senior Kindergarten/Voc-Ed run driver, provided the affected driver has more seniority.
 2. Newly created Kindergarten/Voc-Ed runs – any Kindergarten/Voc-Ed drivers who were bumped as a result of a Kindergarten/Voc-Ed run position elimination shall exercise Kindergarten/Voc-Ed runs seniority to secure this position.
 3. Any new Voc-Ed driver will be paid per school district calendar which includes those days that are ½ day runs paid as ½ days and not full days after July 1, 2012. Any current driver will continue to be paid according past practice.

Section 2: The opportunity for bus drivers to take special runs (field trips, sports events, etc...) shall be offered as specified in Appendix A.

It is mutually understood and agreed upon that during the first week (seven calendar days from the actual start date of classes) of school, bus drivers need to run their own routes in lieu of taking an extra trip which is in conflict with their regular run so that the drivers may familiarize themselves with their route and the children on that route and any changes which typically occur during that time period.

Where field trips are in direct conflict with morning runs or afternoon runs, the school administration reserves the right to assign substitute drivers to the regular run permitting a regular driver the extra trip (except as noted in the previous paragraph). During spring sport event trips (baseball, track, etc.) the trips will be first offered to the regular drivers as set forth above, if no regular drivers choose to drive, it shall then be offered to the substitute drivers.

Section 3: Any bus driver that elects to take extra run or assignments such as kindergarten runs, vocational education runs, spectator buses, field trips, etc. is expected to maintain discipline and control of their bus at all times. Coaches, teachers, supervisors, etc. shall be responsible for the conduct of their students and shall abide by the rules of the bus as established by the bus driver and the Transportation Supervisor. Failure to do so could lead to removal from the extra trip assignment.

Section 4: Assignment of extra trips will be accomplished by the use of a rotation list, which the Transportation Supervisor shall post.

Section 5: If an extra trip is cancelled, and the extra trip is rescheduled within 14 calendar days of its cancellation, the Driver originally scheduled shall have first option to drive. If the driver chooses not to drive, the extra trip shall be posted for rotation. If the driver exercises the option to take the rescheduled trip and, as a result, must forfeit a previously bid extra trip, then the forfeited trip will be assigned by rotation of the PIN.

Section 6: Drivers shall not trade extra trips. When a driver is unable to take their bid trip, the trip is forfeited and returns to the rotation.

Section 7: All regular drivers are eligible for extra trip assignments after they have completed their probationary period (90 calendar days). All trips will be distributed on a rotation basis. For the purpose of establishing the extra trip rotation list, the new list shall commence on the first day of scheduled classes each new school year. We will start at the top of the seniority list and maintain a continuous rotation through that year. All trips will be posted by Monday, at 8:00 a.m. each week, to cover trips from Tuesday through Monday.

If a bus driver assigned to drive an extra trip does not give 24 hr. notice of inability to drive said trip, the transportation supervisor may assign the next available driver on the rotation list. A driver, after canceling two extra trips (except in cases of recognized emergencies), shall lose the opportunity to bid on extra trips posted on Monday for the following week, Tuesday through Monday (late trips included). The supervisor, or his/her designee, shall pickup, post, file, and assign all extra trips.

Section 8: Any employee driving a kindergarten or vocational run, that the employer knows will be absent for three days or more, will have their run filled by a one day posting for bid in accordance with the Seniority Article.

Section 9: Any late trips (those scheduled with the Transportation Department after 8:00 a.m. on Monday), although highly discouraged by Administration with every attempt to keep at a minimum, shall be assigned by the use of the PIN. Drivers who already have a conflict with either a Kindergarten or Vocational run will be skipped.

If an extra trip is handed down within 24 hours of the trip, the supervisor, or designee, will hand out the trip by use of the PIN but will not move the PIN. If there is no access to the rotation list, the supervisor reserves the right to call anyone to fill the trip but the PIN does not move.

Section 10: If an extra trip is handed in with no leave time on it, it will be posted for Monday handout. If no regular driver bids on the trip, the supervisor, or designee, will hold it until the time is posted. The trip will then be filled by rotation of the PIN.

ARTICLE IX – WAGES AND HOURS

Section 1: The job classification and applicable rates of pay are set forth in Appendix A attached hereto and shall remain in full force and effect for the duration of this Agreement.

Section 2: The normal work year for bus drivers shall be according to the school calendar established by the Board of Education.

Section 3: For the purpose of this Agreement, the week shall be the calendar week and the day shall be the calendar day.

Section 4: The pay period will coincide with the regular scheduled pay period for the School District and the pay period will be every two weeks for the school year (school calendar) established by the Board of Education. A time clock system will be utilized for recording each employees time worked. Employees are responsible for their own time records.

Section 5: The Quincy Community School District must comply with MCLA 388.1703 of the state school act. The law is explicit stating that each school district must have 1,098 hours of instruction and hours of school lost because of inclement weather, fire, epidemics or health conditions as defined by city, county, or state health authorities shall not be counted as hours of public instruction. This law mandates a flexible ending date of the school calendar. If, at any time during the life of this agreement, it becomes lawful to count as hours of pupil instruction, hours when pupil instruction is not provided due to conditions not within the control of school authorities such as due to severe storms, fires, epidemics or health conditions, it is agreed that the following school closing provision shall become immediately effective:

“When an act of God or an employer directive forces the closing of school or other facility of the employer, bargaining unit members shall be excused from reporting to duty without loss of pay. Hours lost due to the school closing under the foregoing

circumstances shall not be rescheduled. To the extent that any other provision of the collective bargaining agreement, such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provisions shall be null and void as to the extent of the inconsistency.”

Delays in the school day shall not cause loss of pay for drivers for their AM, PM, Kindergarten or Voc-Ed runs. Every attempt will be made to contact drivers in the event of a delay and/or closure, but no additional compensation shall be paid for failure to notify.

ARTICLE X – SAFETY AND HEALTH

Section 1: All drivers are to have completed their physical exams and/or chest x-ray., if needed, and have the report from the medical examiner filed in the Superintendent’s office prior to the first day of school.

The following is an explanation of the new law:

- a) The driver shall be in good physical and mental health, be able-bodied, free from communicable disease, and strong enough physically to handle the bus with ease.
- b) As evidence of his/her physical fitness and mental alertness, the driver shall submit, not less than once each year, or according to law, to a physical examination by a reputable physician designated by the local Board of Education, and he/she shall present the physician’s certificate to the employing school board or the Superintendent of the school for which the pupils are being transported. A Superintendent who has reason to believe that a driver is not physically qualified to drive a school bus may require a physical examination for that driver at more frequent intervals.
- c) All drivers must meet all state, federal, and Michigan Department of Education licensing and bus driving regulations. The school district will pay the cost for such testing. The school district will pay the cost for such items, including the medical examination if the employee goes to the school’s designated doctor. However, in the event the employee chooses to secure such examination from his/her own doctor, the school will reimburse up to \$35.00 of non-covered expenses, plus the cost of a chest x-ray, if needed.

The new hired driver will not be permitted to drive a bus with students until their physical has been completed and the results filed and a criminal records check/fingerprinting has been completed and the results filed.

For those drivers hired after July 1, 2007, it shall be the applicants responsibility to pay for the criminal records check/fingerprinting.

Any driver under medication must let their physician know that they are employed as a school bus driver and provide health information that could be detrimental to their driving.

Section 2: Employees must immediately report all accidents or injuries sustained by students or themselves or which the vehicle entrusted to them is involved. Employees shall be required to fill out report forms made available by the employer that will then be filed in the Superintendent’s office. The exact time, date and description of the injury/accident are to be included in the contents of the report.

Section 3: The facilities, bus garage and parking lot, are to be used for the express purpose of working on the school owned fleet and the storage of the same. All buses are to be stored in the enclosed parking lot night and day for security reasons and for the efficiency of having the mechanic available to start them in the morning so as time and schedules are adhered to and in the general safety of the students that ride the bus. Further, routine maintenance can be scheduled in the daytime.

Section 4: Any infraction of any safety or failure to use such safety devices or equipment shall subject the employee to disciplinary action, including discharge.

Section 5: The superintendent, or designee, the supervisor and all full-time drivers will hold a meeting prior to the first day of school to discuss bus safety, bus driver rules and regulations, changes in District policies and procedures, and the assignment of routes and buses. A review of all benefits associated with employment will take place at this meeting. The calendar for the up-coming school year will also be distributed at this meeting.

Section 6: Any unlawful use, distribution, or possession of illicit drugs or alcohol on school property or at its activities will not be tolerated by the Board resulting in disciplinary action leading to dismissal, as well as notification to proper legal agencies. In some violation instances a rehabilitation program may be required for continued employment. Any employee with a substance abuse problem, seeking proper treatment, should consult the Superintendent for a proper and confidential referral.

ARTICLE XI – GENERAL

Section 1: Supervisory employees or non-bargaining unit employees shall not perform bargaining unit work, except in cases of absence or unavailability of bargaining unit employees.

Section 2: It shall be the responsibility of each employee to meet the qualifications for any license required for the performance of his/her job responsibilities. Any license required must be kept valid and up-to-date to qualify for continued employment. The cost of the license shall be the responsibility of the employer.

Section 3: If, during the life of this Agreement, any of the provisions contained herein are held to be invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any provision should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement shall not be affected thereby. In the event any provision herein contained is so rendered invalid, upon written request by either party hereto, the employer and the Union shall enter into a collective bargaining for the purpose of negotiating a mutually satisfactory replacement for such provision.

Section 4: Employees shall be required to keep the employer informed at all times as to their current addresses and telephone numbers. It is understood that any communication addressed to an employee at his/her last address on record with the employer shall constitute notice to the employee of the contents of such communication.

Section 5: Each driver is responsible for reporting all maintenance requests to the bus supervisor. The supervisor in return will advise the driver when the work is completed. The supervisor will schedule the maintenance in order of severity but each request will be addressed.

Section 6: Each driver is responsible for refueling their bus. All buses are to be refueled every third day unless extra trips or added mileage would require enough fuel to necessitate more frequent refueling.

Section 7: All drivers are responsible for a bus warm-up period and a pre-trip check bus inspection prior to leaving for all bus runs and extra trips, when vehicles have not been operated for more than an hour. During the warm-up period the driver is to be in or around the bus, except when parked in the bus garage parking lot. When the temperature is around or below zero, all attempts to assist drivers in warming-up their buses will be made by the Supervisor or designee. All drivers are responsible for a bus cool-down period. During the cool-down period, the driver is to be in or around the bus. Specific warm-up and cool-down times are set forth in Appendix A, Section 13.

Section 8: Each driver, as a condition of employment, shall wash their bus inside and out, once every month. During muddy or dusty conditions a light rinse of the outside would be expected by each driver as needed or as often as weather, road conditions, and time will permit, as approved by the supervisor. All wording on the bus must be clearly visible for safety reasons. Good housekeeping practices at all times is mandatory for all buses.

Section 9: It shall be the responsibility of the employee to notify the employer as soon as he/she has knowledge of an anticipated absence, but in no case shall such notice be less than two (2) hours prior to the starting time of the route (except in cases of recognized emergencies). All drivers shall complete an absence report form, provided by the supervisor, giving the dates and the reasons for the absence. This must be done the day following the absence and given to the supervisor.

Section 10: The management reserves the right to alter routes for emergency situations but will make every effort to minimize and avoid the necessity for altering routes.

Section 11: An employee who serves on jury duty will be paid the difference, if any, between his/her pay for jury duty and the pay he/she would normally have received at such day's work.

Section 12: The employer will provide a bulletin board in the bus garage, which may be used only by the Union for posting notices pertaining to Union business and by the employer for posting job vacancies and/or newly created positions.

Section 13: Unpaid personal leaves of absences may be granted to employees if requested and approved by the superintendent and/or his designee. All requests must be in writing giving the dates of requested absence. During the time of leave, the employee forfeits any privileges of other employees such as salary for inclement weather, holiday pay, and all fringe benefits. If he/she fails to return to work immediately upon the expiration of the unpaid leave of absence or any extension thereof or accepts employment elsewhere while on a leave of absence which would preclude him/her from performing his/her responsibilities and duties for the employer, the employee would be terminated.

An employee granted an unpaid personal leave of more than ninety (90) calendar days, must notify the employer fifteen (15) days prior to the end of said leave of their intent to return. They will be returned to the first open position, (meaning the next available job not occupied by any driver, probationary or otherwise), after their date of availability. An employee returning from leave will be returned to the step in the wage scale when the leave was granted.

Section 13 (a): Family and Medical Leave Act – It is understood that the Family and Medical Leave Act of 1993 does not abrogate the rights of the parties under this Collective Bargaining Agreement. Where additional benefits are extended by the Act to the employees, those additional benefits will be honored by the district. Where certain employer rights are also granted in connection with those additional benefits, the district shall be free to exercise those rights. To the extent that leave of absences are granted under this contract where paid or unpaid, it is the intent of the parties that the rights granted there under will serve to satisfy the requirements of the Family and Medical Leave Act provisions to the extent applicable by law. All applications for Family and Medical Leave Act leaves will comply with Board policy.

Section 13 (b): Subject to the Family Medical Leave Act, all fringe benefits paid by the district will continue during the approved FMLA period with the employee continuing to pay their portion each month FMLA based on a rolling calendar..

Section 14: Effective July 1, 2007, the Board will provide single-subscriber health insurance and prescription coverage to all eligible full-time drivers, or \$2,040 cash (\$170 per month) in lieu of health insurance for drivers hired before July 1, 2012. All eligible full time drivers hired after July 1, 2012, the board will provide \$1200 cash (\$100 per month) in lieu of insurance. Documentation of insurance coverage is required in order to receive the cash in lieu.

Employees electing health insurance coverage must fulfill the at-work requirements of the carrier. These requirements include that; the employee be actively at work for the carriers minimum work/hour requirement, (for purposes of this section, full-time drivers), and perform all the usual and customary duties of their occupation at the employer's business establishment, or at some other location where the employer's business requires them to be. The Board agrees to help in making available an insurance benefit program, within the underwriting rules and regulations as set forth by the carrier. In addition, newly hired employees shall only be eligible for insurance benefits, upon acceptance of a written application by the insurance carrier on the first date of eligibility after which

Employee will have benefits terminated on the day after the date of termination of employment. In the event an employee retires, the Board will coordinate insurance benefits with the State Retirement Office, if and when possible.

Employees electing a tax sheltered annuity payment, in lieu of health care coverage, will have the right to change to a health care coverage plan, (as established by AFL-CIO Local #2597, in cooperation with the district), if they meet the carrier's underwriting rules and regulations. For example, this could occur if an employee is covered by their spouse's insurance program and the spouse were to lose health care coverage, the employee could then drop his/her tax sheltered annuity in order to switch to a health care plan.

Section 15: The District will provide single coverage vision insurance for all drivers with regular runs. Any changes in the carriers will provide equal or better coverage as currently agreed.

Section 16: The District will provide single coverage dental insurance for all drivers with regular runs. Any changes in the carriers will provide equal or better coverage as currently agreed.

Section 17: The employer will make available a stall within the bus garage a minimum of two days per week for employees to wash and clean buses during inclement weather; unless unusual circumstances prevail.
