Section K: The Board recognizes that the pupil-teacher ratio is an important aspect of an effective educational program. The Board agrees that where in its judgment, smaller classes will enhance the learning opportunities of the pupils, it will continue its efforts to maintain class size as much in keeping with this necessity as is dictated by the financial conditions of the District, the building facilities available, the availability of qualified teachers and the best interest of the District as administratively deemed feasible. When the number of students in attendance in a K-6 classroom is thirty (30) or more as of the October official count day, the Board of Education will compensate the teacher \$12.50 per hour upon written notification from the teacher to the building administrator. The building administrator shall have a two-day grace period for the Board to meet the requirements of this section for the classroom with thirty (30) or more students. Failure to provide written notification shall require the teacher to reimburse the District for the amount paid during the period students in attendance were below this requirement. The classroom limits shall not apply to flexible grouping, team time or other mutually agreed upon programs.

Section L: An elementary parent-teacher conference on released time will be scheduled for each elementary student on the days designated in each semester for the purpose of reporting to the parent a student's progress and to promote better communications between the teacher and the parent. A copy of the parent-teacher conference schedule will be filed in the principal's office to ensure the coordination of the schedule with other teacher's schedules.

Secondary parent-teacher conferences on released time will be scheduled for students on the days designated in the first semester for the purpose of reporting to the parent a student's progress and to promote better communications between the teacher and the parent.

Section M: The administration shall continue to support and assist teachers with respect to the maintenance, control and discipline in the classroom. Whenever it appears to the administration and the teacher that a particular pupil would benefit from special counseling or services of a social worker, law enforcement personnel, physician or other professional person, the administration will take reasonable steps with respect to such pupil. Discipline matters which the teacher feels require the enforcement of the discipline code should be referred to the building principal in a manner consistent with the discipline code.

Section N: No departure from these norms, except in the case of emergency, shall be made without prior consultation with the Association. In the event of any disagreement between the representative of the Board and the Association as to the need and desirability of such deviation, the matter may be processed through the professional grievance procedure.

Sick leave may accumulate up to one hundred One Hundred Forty (140) days, unless an employee has already exceeded One Hundred Forty (140) Days. Any such employee's sick days will be grandfathered in and capped at One Hundred Sixty (160) Days. If an employee leaves the district before the end of the school year and if they have taken more sick days than they have earned, they shall reimburse the district to cover the overpayment.

At the end of each school year, teachers may choose to turn in half of their remaining sick days, with a maximum of 4.5 accumulated sick days, at their daily rate of pay. The other half of their sick days would carry over to the following year not to exceed 140 days, unless already capped at 160 days.

Teachers not completing a full school year shall have their annual sick leave for that year prorated. If a teacher leaves the district and has taken more sick time than earned, the teacher shall repay the district for the time taken beyond the time earned. When personal sick days are needed beyond what an individual has accrued, those additional days shall be deducted from the teacher's pay. The leave days may be taken by a teacher in half-day increments for the following reasons and subject to the following conditions based on current court decisions.

1. Personal illness or disability. The teacher may use all or any portion of his leave to recover from his own illness or disability, which shall include, in part, all disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery. Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom shall be treated on the same terms and conditions as are applied to other temporary disabilities, including but not limited to those terms and conditions involving commencement and duration of leave, accrual of seniority, reinstatement, continuance within insurance programs, etc.
2. Illness in the teacher's immediate family, to include present spouse, son, daughter, mother, father or legal dependent.
3. When sick leave is to be used for a doctor's appointment, the teacher shall notify the principal of his intended absence at least twenty-four (24) hours in advance except in cases of emergency. Such leave shall be in half-day increments

Section C: Upon request by the Board of Education, a teacher must submit a certificate from a doctor indicating the nature of his illness and a statement to the effect that such teacher is physically or mentally able to return to his classroom duties.

Section D: The Board shall furnish each teacher with a written statement at the beginning of each school year setting forth the total accumulated sick leave credited to him.

Section E: In addition, each teacher shall be given three (3) personal leave days at the start of the school year, the days are to be taken a full day or half day at a time. The days shall be for the purpose of permitting the teacher to transact personal business provided arrangements for leave have been made at least twenty-four (24) hours in advance to the Superintendent's office and approved by the Superintendent of Schools.

Except as stipulated below, there will be no personal leave approved for the last day of instruction before or the first day of instruction after any vacation or holiday. If a CEA member must have such a day off, the day will be without pay. No more than six such days off (District-wide) without pay for any single day of instruction before/after a holiday and/or vacation shall be granted. If more than six CEA members request such an unpaid day off, days shall be awarded on a first come/first serve basis.

Additional considerations:

- If an "Act of God" day occurs that keeps a CEA member from being able to travel and report to work on the first day after any vacation or holiday, the CEA member will be required to notify their principal/immediate supervisor as soon as it is practically possible and the CEA member will be allowed to use personal leave (if they have personal leave accumulated and available for use).
- Any CEA member calling in sick on the day immediately before or after a vacation or holiday will be required to provide a "certificate from a doctor indicating the nature of his illness" as per Article IX, Section C.

Section F: In the event of an absence due to an injury or illness which arises out of and in the course of employment, the employer shall pay the bargaining unit member, at their request, the difference between his salary and the weekly benefits received under the workers' compensation act for the duration of their sick leave benefits.

Section G: By the Fall Count Day of each school year, at the discretion of the Association, each teacher participating in the sick bank shall contribute one (1) or two (2) days of the foregoing sick leave allowance to a common bank to be administered by the Association. The Association shall provide the District with the number of days remaining in the sick bank and the teachers participating in the sick bank by the fifth Friday of each school year. Days in the bank shall not exceed four hundred (400), with any in excess of four hundred (400) being dropped at the end of each school year.

Teachers who have exhausted their accumulated personal sick leave allowance may make reasonable withdrawals, as determined by the Association, from the common bank for personal illness or disabilities, provided that there are sufficient days in the bank, and provided that no teacher may use more than sixty (60) days per incident, and sixty (60) days per school year. The Association will, within five (5) school days, notify the business office of each withdrawal from the bank. The bank shall be administered in accordance with the guidelines in Appendix D. Said guidelines may be amended by the Association with the prior approval of the Superintendent.

ARTICLE X

APPENDIX B (continued)

Section B: Scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions (as defined by city, county or state health authorities) will be rescheduled to ensure that there are at least the number of days and/or hours of student instruction as is required by Section 101 of the State School Aid Act and the rules of Michigan Department of Education. If the contract year does not meet accreditation or state requirements and a number of days and/or hours must be added to meet these standards, teachers will, after negotiations between the Board and the Association to schedule such days and/or hours, meet these standards without additional compensation. Teachers will receive their regular pay for days that are cancelled but shall work on the rescheduled days with no additional compensation. The rescheduling of days shall be done by the Board.

The parties further agree that this contract provision has been negotiated with the intention of complying with the above provisions of the State Aid Act and/or the Michigan Department of Education to ensure that the District will incur no loss of state aid.

Section C: Curriculum and special project work requested to be done by the Superintendent when school is not in session will be reimbursed at \$100 per day.

Section D: The number of student days and professional development days will be determined by state requirements. It is the intent of the Board to follow these requirements. All professional development days will be within the school calendar. However, if in an emergency, Board requirements exceed state requirements for professional development days or student days, teachers will be reimbursed per diem of the BA step one salary schedule. If an emergency exists teachers will be notified 48 hours prior to the additional day unless a shorter notification period is mutually agreed to by both the Board and the Association.

Section E: For a school year that begins with an expired contract, the calendar for the school year will use dates corresponding to the previous school year. However, the placement and format of the professional development days will be negotiated by the parties for the school year. The total number of days for the school year shall be subject to negotiation.

APPENDIX C

Section A: The pay for extra duties in this Appendix shall be based on a percentage system. A teacher will be paid a percentage of \$30,500 for each extra duty in the 2016-17, 2017-18 and 2018-19 school years.

APPENDIX E
Letter of Understanding

The Berrien-Cass Education Association/Michigan Education Association (subsequently "BCEA") and the Michigan Education Association/MEA/NEA ("Association") and the Cassopolis Public Schools District Board of Education ("Board" or "School District") have agreed to address a teacher's use of sick days. This Letter of Understanding is the result of the resolution of two separate grievances filed during the 2015-16 school year on behalf of two members of the bargaining unit represented by the BCEA and the Association regarding whether use of the C.E.A. Sick Bank provides health insurance coverage at School District expense. This Letter of Understanding supplements and clarifies Article IX, Illness or Disability Leaves, and Appendix E, C.E.A. Sick Bank.

1. When a teacher is on any leave pursuant to the Family and Medical Leave Act ("FMLA"), the teacher's sick days and personal leave days will be charged and run concurrently with FMLA leave.
2. The School District is responsible for the cost of the employer's share of health, dental and vision insurance premiums as outlined below:
 - a. The teacher is out and is using (i) sick leave days and/or (ii) personal leave days, if available.
 - b. If a teacher has more than 60 accrued sick and personal leave days, exclusive of accessing days from the C.E.A. Sick Bank, the School District will cover the teacher's share of health insurance premiums for all of the teacher's FMLA leave and for all of the teacher's accrued sick and personal leave days. As noted in #1 above, sick and personal days are charged and run concurrently with FMLA leave.
 - c. The teacher is out on FMLA leave, if available, and may be using days from the C.E.A. Sick Bank until FMLA leave runs out.
3.
 - a. Once the teacher's accrued sick and personal days run out and all of the teacher's available FMLA leave, if any, has been used, the School District is not responsible for any of the cost of the teacher's share of insurance coverage for any continuation of any insurance coverage even if the teacher continues to receive compensation, *e.g.*, from the C.E.A. Sick Bank.
 - b. Examples of when the School District is not responsible for the cost of the employer's share of insurance premiums are when:
 - i. The teacher is out of (A) sick days and (B) personal leave days and is not on FMLA leave and may or may not be using days from the C.E.A. Sick Bank.
 - ii. The teacher is out and is not on FMLA leave and is using days from the C.E.A. Sick Bank.

The teacher may continue to maintain health, dental and vision insurance, but at the teacher's own expense.
4. The use by a teacher of any day(s) from the C.E.A. Sick Bank does not create a duty or an obligation at any time on the part of the School District to contribute toward or to assume any cost of any insurance coverage(s) for a teacher unless the teacher is on FMLA leave.
5. The grievances referenced above have been resolved, were withdrawn and may not be refiled.
