ARTICLE 4

WORK SCHEDULE AND DUTIES, COMPENSATION AND BENEFITS

4.10 Regular Compensation The basic compensation of each Employee shall be set forth on Schedule A.

4.11 Clarification of work schedule for the school year.

A letter will be sent to each employee at the beginning of the school year to clarify permanent work schedule and assigned positions. If an employee is assigned an additional permanent assignment, an updated letter will be issued and filed in Employee's personnel file.

Daily work hours will be calculated on most current work schedule on file in personnel file.

4.12 Additional Assigned Work Hours

This section does not apply to an employee who is normally scheduled to a 40-hour work week.

During the school year, employees who are identified by management as Affordable Health Care Act (ACA) eligible may be assigned additional hours, as long as the employee is qualified and capable to perform other assigned duties, up to four hours per day without a job posting.

Employees who work less than 30 hours per week will not be allowed to exceed 29 hours in any given week without management's approval.

Any and all additional hours assigned shall be solely at management's discretion.

Employees cannot earn or use sick time or personal leave time for these additional assigned hours.

Extra hours shall not conflict with extra scheduled hours.

4.20 Other Compensation Any Employee conducting out-of-district school related business that exceeds five hours shall be reimbursed up to \$12 per meal. Claims for reimbursement for meals (no alcoholic beverages) must be accompanied by a detailed restaurant receipt which includes the name of the restaurant and date of purchase within 24 hours upon returning to work. Mileage to conduct school business shall be reimbursed at the current IRS rate.

4.30 Overtime Compensation

4.31 Computation An Employee shall be entitled to receive overtime compensation at the rate of one and one-half (1-1/2) times his/her regular rate of pay for hours worked in excess of forty (40) hours during a work week, Monday through Saturday. For hours worked on Sundays and scheduled holidays, Employee(s) shall be paid at the rate of double time, provided that none of the above work is regularly scheduled. For Employees regularly working scheduled overtime on Saturdays, Sundays and scheduled holidays, however, such work shall be paid at the rate of time and one-half their hourly rate for such hours worked in excess of forty (40) hours during a work week including not more than sixteen (16) hours during which the Employee is on authorized absence (excluding vacation). Compensatory time off may be given (in the same period earned) instead of overtime pay if mutually

agreeable to the Employer and the Employee. Such compensatory time shall be at the rate of time and one-half.

4.32 **Overtime Scheduling** Overtime work shall be as scheduled by the Employer and, except in the case of an emergency, must be authorized by the Employer in advance. The Employer shall assign overtime on a rotational basis within the department. If departmental rotation cannot satisfy the need of the Employer, overtime shall be assigned within the bargaining unit according to seniority among qualified Employees. Overtime hours not worked by an Employee, when requested, shall be counted as hours worked for the purposes of overtime scheduling. The Employer agrees that the regularly scheduled workweek of Employees shall not be rescheduled solely to avoid the payment of overtime. Overtime shall be recorded by management and an overtime chart shall be made available to the Association.

4.321 If no one volunteers for overtime, then overtime may be assigned in inverse order of seniority on a rotating basis within the department, or within the building when applicable. When the supervisor determines that there is a need for overtime to be assigned involuntarily, such assignments shall be made as soon as is practicable. Except in an emergency, such assignments will be made by 12:00 Noon on the day(s) the work is to be done.

4.322 In the event of an emergency or an unanticipated condition, volunteers will be solicited from those Employees in the department who are most readily available. In the event there are no volunteers, the overtime assignment order will be applied to the Employees in the department readily available beginning with the least senior.

4.40 Substitutes The Employer will hire substitutes during the absence of regular Employees if the administration determines that one is necessary. The work of the absent Employee may be offered to other Employees regularly assigned to that department and building. If those Employees refuse the work, it may be offered to Employees in that department at other buildings. Duties of the absent Employee may be assigned to Employees working. In case of conflict between normal and assigned duties, the immediate supervisor will indicate the priority of work to be done during the shift.

4.41 If the Employer determines that a substitute will be hired for an absent Employee the work will be offered to a regular Employee scheduled to work less hours that day. This will be done on a rotating seniority basis providing this does not cause the Employer to pay overtime (unless otherwise determined by the Employer as in the first paragraph of Section 4.40 above) and the Employee is qualified to do the work. This will be done according to building and department and shall be recorded by management on a chart which shall be made available to the Association. Should the Employee move into a higher classification he/she shall be paid at his/her regular rate or the probationary rate of the classification, whichever is greater. A substitute may be assigned a position from which the Employee moved, if the Employer

deems it necessary. There will be only 1 displacement and this shall not apply to bus drivers.

- 4.42 If an Employee is temporarily assigned to fill a vacancy in a higher classification by the Employer, the Employee will be paid according to his/her current step at the pay scale of the higher classification. If an Employee is temporarily *assigned* to fill a vacancy in a lower classification by the Employer, the Employee will be paid at his/her regular rate of pay.

4.50 Breaks

- 4.51 Lunch Breaks All Employees working at least five (5) consecutive hours per day shall be entitled to an unpaid, duty free, lunch period of 30 minutes. Certain Employees, due to the nature of their assignment may be required to be "on call" during their lunch period. In such cases, affected Employees will be scheduled for a 30 minute paid lunch period as part of their normal 8-hour shift.

- 4.52 Relief Breaks All Employees working six (6) or more hours shall be entitled to two (2) fifteen-(15) minute paid relief breaks per shift. Employees working at least three (3) but less than six (6) shall be entitled to one (1) relief break per shift.

- 4.60 Benefits** The Employer shall provide benefits as set forth on Schedule B.

- 4.70 Deductions** The Employer shall have the right to deduct from the pay of each Employee such amounts as may be required by law and as may be due the Employer from the Employee, together with such additional sums as may be mutually agreed upon by the Employer and the Employee.

4.80 Bus Driver Assignments

- 4.81 The District will have regular route drivers (i.e., K-12 regular route, single run drivers, the vocational education run, and the alternative education route). Employees will be on site and available for assigned routes/duties, unless released by the transportation supervisor. The intent is that regular drivers will drive an A.M. and P.M. run and will be on duty for at least five (5) hours per school day. Assigned time will include but not be limited to, driving time, fueling, pre-post bus inspections, cleaning, bus misconduct processing, and viewing videos. Those drivers that may be assigned a mid-day driving assignment will receive a minimum of one (1) hour for their mid-day driving assignment. District can add an additional hour before and after routes, which will not require a minimum of an hour of compensation.

- 4.811 The transportation supervisor will notify the drivers in writing of their daily starting and ending times.

- 4.812 At the beginning of each month the transportation supervisor will notify the driver in writing if there is a change in their starting and ending times.

- 4.82 The hourly rate will be per Schedule A of the Collective Bargaining Agreement, (i.e., CBA).
- 4.83 Extra trips will be assigned per the CBA. There shall be no overtime allowed any driver, (i.e., +29.5 hours/week), without the prior authorization of the Superintendent or the Superintendent's designee. Extra trip pay shall be per the CBA.
- 4.84 The Employer agrees, if requested, to meet and confer with the Association on November 1st and March 1st regarding the operational impact of this Section (4.8000) of the CBA. Each side agrees to submit to the other, five days before each meeting, any matters, issues, concerns, or questions it plans to present.
- 4.85 Any routes beyond the stipulated will have driver compensation per the terms of the current CBA.

4.90 Instructional Paraprofessionals as Substitute Teachers

- 4.91 The Employer and the Association acknowledge that on occasion, when a regular certified teacher is not in his/her regular assignment, the district may be unable to secure a fully certified substitute teacher.
- 4.92 In such a circumstance, the parties agree that a certified substitute paraprofessional, who is certified to perform substitute duties, may be asked to supervise the students and teaching station assigned to the absent certified teacher. If the district requests a paraprofessional to become a certified substitute, the district will reimburse any costs associated with the process upon satisfactory completion of the required coursework.
- 4.93 Such assignment will be offered, based on seniority, from within the teacher's building on a rotating basis.
- 4.94 If no certified substitute paraprofessional willingly wishes to supervise the students on the day no substitute teacher is available, the principal has the right to assign a paraprofessional to the duty. Such assignment will be made on a reverse rotation beginning with the least senior instructional paraprofessional. There shall be no disciplinary actions if previous conflicting commitments are verified.
- 4.95 The Employer and the Association agree that the instructor of record for the circumstance that is basis of this Section (4.90) of the Collective Bargaining Agreement is the building principal.
- 4.96 The principal will direct the activities of both the substitute certified paraprofessional and the students.
- 4.97 It is agreed that the principal, or an agent of the principal, will visit the classroom often during the school day (i.e., no less than four times).

4.98 Substitute Certified Paraprofessionals that accept or are assigned the duty that is the subject of this Section (4.90) of the Collective Bargaining Agreement will be paid their regular rate plus a \$2/hour differential for all hours worked on the referenced day(s).

ARTICLE 5

Probationary Employees shall be paid for holidays provided in this Agreement scheduled during the probationary period. All Employees hired after the effective date of this Agreement shall have a seniority date that shall be thirty (30) days prior to the completion of their probationary period. ARTICLE 6

VACANCIES AND JOB OPENINGS

- 6.10 Vacancy Definition** A vacancy shall be defined as a newly created position or a present position that the Employer intends to fill.
- 6.11 Bargaining unit positions which are expected to exist not longer than ninety (90) workdays shall be considered as temporary.
- 6.12 Temporary positions need not be posted nor does the person filling the position become a member of the bargaining unit.
- 6.13 If, however, the position is either expected to exist longer than ninety (90) workdays, or, in fact, does exist longer than ninety (90) workdays, it shall be posted as a vacancy according to subsequent Sections of Article 6.
- 6.20 Posting of Vacancies** All vacancies shall be posted on the Association bulletin board in each building of the district for a period of seven (7) workdays. Interested Employees may apply in writing to the Superintendent or designee within the posting period. Summer vacancies shall be posted for a period of ten (10) days. - 6.40 Selection** Except as herein provided, transfers and promotions within the bargaining unit shall be made by the Employer on the basis of ability and unit-wide seniority. The position shall be awarded to the most senior Employee who has the qualifications and skills necessary to perform the duties of the vacant position. The most senior Employee in the Department in which the vacancy exists who has the requisite skills and qualifications shall be given preference. The Employer reserves the right to verify minimum qualifications and skills before awarding the position, which may include but not be limited to skill testing of Employees. If the vacancy is not filled by bidding, the Employer shall have the right to employ a new hire. The District retains the sole discretion to place employees in vacancies based on the required skills and certifications.
- 6.50 Trial Period** The successful applicant shall be granted a trial period of thirty (30) workdays. The successful applicant may

waive their 30-day trial period if mutually agreed to in writing by the Employee and Employer.

6.60 Compensation The Employee shall be entitled to receive during the trial period the rate of pay designated for the new classification or position.

6.61 If an Employee moves into a higher classification (i.e., a classification with a higher rate of pay) he/she shall not suffer a reduction in pay but shall be placed on the step with the pay rate closest to his/her former step which will give the Employee a pay increase.
