THIS AGREEMENT made and entered into this 1st day of July 2018, by and between the **BOARD OF EDUCATION of the DOWAGIAC UNION SCHOOL DISTRICT #31**, of Dowagiac, Michigan, hereinafter referred to as the "**Board**" and the **BERRIEN - CASS COUNTY EDUCATION ASSOCIATION/DOWAGIAC EDUCATION ASSOCIATION, MEA-NEA**, hereinafter referred to as the "**Association**".

ARTICLE 1 - PURPOSE AND INTENT

WHEREAS, the School District has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the **Association** as the representative of its teaching personnel with respect to wages, hours, and other terms and conditions of employment, and

WHEREAS, the parties have conducted extensive negotiations, each side in good faith, to arrive at an agreement which will be fair, not only to the School, but also to the **Association**; and

WHEREAS, as a result of the extensive good faith bargaining which has taken place, the School and the **Association** have arrived at such agreements, the terms of which have been reduced to writing and are set forth hereunder;

NOW THEREFORE, in consideration of the foregoing, and the mutual covenants and agreements herein contained, it is agreed as follows:

ARTICLE 2 - RECOGNITION

Section 1: The **Board** hereby recognizes the **Berrien - Cass County Education Association/Dowagiac Education Association, MEA-NEA** as the exclusive bargaining representative as defined in Section II of Act 379, Public Acts of 1965, in regard to wages, hours and other terms and conditions of employment for the following certified personnel employed by the school: Classroom teachers, counselors, librarians, speech therapists, special program teachers and permanent full-time substitutes under contract. The term "teacher", when used hereafter in this agreement shall refer to all of the foregoing employees who are members of the bargaining unit.

Section 2: Excluded are all administrative, supervisory and executive personnel, substitute teachers, and all other present and future employees of the **Board** other than "teachers" as defined above.

Section 3: The **Board** further agrees that for the duration of this agreement or any extension thereof, it will not recognize nor bargain with any entity other than the **Association**.

Section 4: The **Association** agrees, upon request, to defend the **Board**, its officers, agents or employees in any suit brought against all and to indemnify the **Board**, its officers, agents or employees for any costs, damages, back pay or unemployment benefits which may be assessed against all or any of them regarding this Article of the Master Agreement, provided, however, that:

- a. The **Association** has the right to choose the legal counsel to defend any such suit or action, after consultation with the **Board**.
- b. If the **Board**, its officers, agents or employees elects to select its or their own counsel in any such suit, then the **Association** shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if the **Association**, through counsel it selects after consultation with the **Board**, does represent the **Board**, its officers, agents or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit.
- c. The **Association**, in defense of any such suit, after consultation with the **Board**, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of this Article.
- d. The **Association**, in defense of any such suit, shall have the right to compromise or settle any monetary claim made against the **Board**, its officers, agents or employees under this section, after consultation with the **Board**.
- e. In the event a claim is made regarding unemployment benefits, the **Board** will object to such claim and demand a hearing regarding such claim and will immediately notify the **Association** so it can defend against such claim in a timely fashion.

Section 5: The **Board** shall make lawful payroll deductions upon written authorizations from teachers for annuities, credit union, and savings bonds, or any other lawful plans or programs jointly approved by the **Association** and the **Board**. Funds shall be transferred to the appropriate programs within two (2) business days after the deduction.

ARTICLE 3 - RIGHTS OF THE BOARD

A representative of the **Association** may, if the teacher so desires, accompany the teacher in such review.

Section 3: The **Board** recognizes its responsibility to give assistance to teachers, with respect to the maintenance of control and discipline in the classroom, within the confines of School policies. It shall be the responsibility of the teacher to report to the principal the name of any student who, in the opinion of the teacher, needs the particular assistance of skilled personnel. Principals and teachers will work cooperatively in resolving discipline problems which disrupt good classroom operations.

- a. The District-wide School Improvement Process shall be used to develop a K-5 Code of Discipline that will contain realistic behavioral expectations for students. This Code of Discipline will include a mission, standards, model, range of consequences for misbehavior, positive behavioral interventions and training for all staff. A record of student behavior shall be maintained by the principal, along with a copy of each referral form documenting any incidence of misbehavior.
- b. A lead teacher(s) shall be named for each elementary building by the first building staff meeting to make necessary disciplinary decisions when the principal is absent from the building. The district shall also provide a disciplinary referral form to K-5 teachers. These referral forms shall be used to record students disciplined by the principal and the staff.
- c. A Student Intervention Time room shall be established.

Section 4: If classes contain emotionally disturbed students or if certain students require the special attention of social workers, special counselors, law enforcement officials, physicians or other professional persons; the principal with input from the teacher may recommend remedial and/or disciplinary action to be considered by the **Board**.

Section 5: Any case of assault upon a teacher shall be promptly reported to the administrator in charge of that building. The **Board** will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault. However, this shall not preclude the **Board** from rendering legal assistance if, in the interest of the **Board** and the teacher, it deems it advisable to do so.

Section 6: If, in the opinion of the **Board**, a teacher suffers loss, damage or destruction of clothing or other personal property while properly engaged in school business or activities, the teacher may be reimbursed by the **Board** for any amount up to one hundred dollars (\$100.00) on any one incident for such loss not covered by insurance carried by the teacher or the **Board**.

Section 11: The **Board** shall make available in each school building, lunchroom, restroom, and lavatory facilities exclusively for use by school personnel. At least one room in each building shall be established for use as a staff lounge. The **Board** further agrees that there shall be no reduction in the present staff lounge facilities. Present facilities are acceptable.

Section 12: A designated telephone shall be made available to teachers in the staff lounge or another acceptable location for their use. Any long distance calls made by the teacher and charged to the **Board** must have been approved by the administration. No personal long distance calls are to be charged to the **Board**.

Section 13: Parking facilities shall continue to be made available to teachers for their use. Where necessary, each building shall have two (2) reserved spaces with signs for traveling teachers.

Section 14: The operation and maintenance of any vending machines that have been placed in the staff lounges shall be the sole responsibility of the sponsoring group in each building. It shall be the responsibility of the sponsoring group should any financial loss be incurred.

Section 15: No teacher shall be required to perform those custodial duties presently being done by custodians or to drive a school bus as part of his assignment.

Section 16: Any teacher has the right to use the proper chain of command up to the Superintendent concerning teaching problems in which they are directly involved.

Section 17: The **Board** shall take reasonable steps to provide a safe and healthful work environment. In the event a teacher believes that unhealthful or unsafe work conditions exist, he/she may submit a report to the District's business manager. The business manager shall investigate and attempt to correct or resolve the deficiency, if any.

There shall also be created, a health and safety committee, consisting of three (3) members appointed by the **Association** and three (3) members appointed by the administration. The committee shall be empowered to investigate unresolved health and safety issues and make recommendations to the **Board** or its designee.

Section 18: The Employer shall not make a request of the State **Board of Education** for a deviation from the rules as set forth in the Special Education Code pursuant to Rule 34 (R340.1734) or in filing a petition for non-compliance pursuant to Section 252(b) of the Mandatory Special Education Act (MCLA 340.252b) without prior notification to the **Association** and prior discussion with the affected teacher(s). Upon request, the affected teacher(s) will have a meeting with their building principal, the Director of Special Education and the Superintendent.

Section 19: Appropriate forms will be available in each building principal's office on which a teacher can indicate a concern relative to a lack of proper texts, materials and supplies. The form should be submitted to the building principal with a copy to the Superintendent. The building principal will respond to the concern within five (5) working days with a copy to the Superintendent.

Section 20: It shall be the prerogative of the teacher to arrange classroom seating in accordance with their best professional judgment.

Section 21: Sexual Harassment.

- a. The parties shall be bound by the District's policies against sexual harassment.
- b. Sexual harassment includes, but is not limited to, the distribution or displaying of sexually suggestive or related photographs, drawings, and graffiti; sexually degrading words and innuendoes; sexual advances and propositions; and verbal or physical abuse of a sexual nature.

ARTICLE 6 - TEACHING CONDITIONS

Section 1: Because the pupil/teacher ratio is important to an effective educational program, the **Board** agrees that class sizes (whenever possible) should not exceed the number of workstations for lab, science, industrial tech, art, life skills and computer classes.

Further, the **Board** agrees to continue its effort to keep K-12 class sizes at an acceptable number as dictated by the financial condition of the School District, the building facilities available, the availability of qualified teachers, and the best interest of the District as deemed administratively feasible.

If a teacher believes the size of his/her class(es) is inequitable, he/she may file a complaint with the school. The procedure for filing the complaint shall correspond to the procedure for filing grievances (Article 18). The complaint procedure shall terminate at Step 4 (**Board** level). The decision of the **Board** shall be final.

Section 2: Every reasonable effort will be made to limit the number of secondary course preparations to three (3).

Section 3: The **Board** is responsible for providing substitutes to the extent that qualified substitutes are available.

- b. A teacher shall obtain the approval of his principal to contact other staff teachers for substitution purposes. Such assignments shall be voluntary, unless an emergency situation exists.
- c. In the case of an emergency, when the Administration is unable to obtain a certified substitute, the following process of rotation, within the building, shall be used to fill the position.
 - 1) Qualified para-professionals shall be part of the rotation pool, and may be used with permission of the principal.
 - 2) No certified staff person will be continually or inequitably required to fill vacant positions. Every effort will be made to rotate coverage among ALL certified staff listed in the pool.
 - 3) The rotation pool will include: (not necessarily in order) Building Principal, Counselor, Assistant Principal, Media Specialist, Title I Teacher, Music Teacher, Art Teacher, PE Teacher, and Speech Therapist, and any certified staff.
 - 4) In the event that a "specials" teacher is required to substitute for a classroom teacher resulting in a loss of preparation time, the "special" class will not be made up. The affected classroom teachers losing this preparation time should turn in the appropriate form for compensation when subbing during a "special" class.

5) If an assembly is scheduled during a specials time the specials teacher will accompany his/her class to the assembly unless the assembly is off-site or a fundraiser assembly. If "special time" is missed due to an event scheduled by the school and/or classroom teachers, the "special" will not be made up. If the classroom teacher is required to be with his/her class because of the scheduled event, a compensation form may be turned in.

- d. K-12 teachers needing substitute teachers shall report absences no later than 6:00 a.m. on the day of the absence unless there are extenuating circumstances, using the AESOP system or a successor district system for reporting absences. Teachers can access this system via telephone at 1-800-942-3767 or the Internet at www.aesoponline.com.

Section 4: It is recognized that teachers who work in more than one building, in a situation which necessitates travel between buildings within the school system, need special consideration.

- a. Storage space with capacity to hold supplies for such teachers shall be provided in each building.
- b. Said teachers shall be assigned to one administrative supervisor.
- c. Matters of district policy shall be handled through their administrative supervisor. Matters pertaining to building policy shall be handled through the building principal.
- d. Teachers who travel to more than one building per day will be paid mileage one way between buildings at the IRS approved rate.
- e. Traveling teachers who do not get a full preparation period will be paid a pro-rated amount (of subbing on preparation period) based on the amount of time traveling overlaps with their planning period.

Section 5: Supervising teachers of student teachers shall be tenured teachers.

- a. Monies made available to the district by the placing college or university shall be used for college tuition and textbook reimbursement, to the extent of the reimbursement for that student teacher, for supervising teachers and for staff in-service training programs.
- b. No student teacher shall be used as a substitute teacher nor shall any student teacher be placed in sole charge of a classroom until the principal and the supervising teacher have mutually agreed that such an experience is desirable, except in the case of an emergency.

Section 6: The Dowagiac Schools may need to provide services to medically fragile students not currently served in a regular education classroom setting who require additional assistance in order to be included in a regular classroom setting as determined at the initial I.E.P.C. meeting. The District's nurse shall develop an individualized health plan for such students and is available to assist teachers serving such students. General education teachers shall not be required to perform routine, scheduled maintenance of a medical appliance or apparatus (specific appliances to be identified in the procedure) nor render routine, scheduled care or maintenance of

exceptional bodily functions related to students' handicap conditions. Emergency measures to be performed by general education teachers and necessary training also will be addressed in the written directions provided by the District nurse and/or other health care provider, along with immediate contact information for the school nurse.

It is agreed that:

- (a) The individualized plan will be implemented as specified during the I.E.P.C. meeting.
- (b) The bargaining of working conditions shall not alter the individualized educational plan.

Section 7: Professional Conferences At the beginning of each school year, the principal or a district administrator will review the building conference budget with the teachers in the building. In addition to the building budget, the principal or a district administrator will provide a list of non-building resources available to support conference attendance, i.e. Title 1, At-Risk, special education.

A copy of all requests sent to the principal will also be sent to the district administrator with conference approval responsibility. Conference requests must be aligned with the School Improvement plan of the building or district school improvement plan or individual teacher's development plan or co-curricular position. If a conference request is denied, a written rationale for the denial will be provided in the space provided on the conference form.

A principal may require conference attendance at professional development activities if it is related to a teacher's evaluation. When conference attendance is required, the district will pay all costs of the conference.

When conference funds or substitutes are limited, departments in their "Review Years" will be given preference for conference attendance related to the area of curriculum in review.

ARTICLE 7 - CURRICULUM AND DEPARTMENTS

Section 1: The parties recognize that the development of curriculum is a professional responsibility shared by the administration and teaching staff. The **Board** shall provide materials including textbooks, training and supplies relating to instruction of the approved curriculum. Any teacher who is granted tenure shall have seniority from the last date of hire. For the purpose of this article, date of hire is the date of the letter of intent given by the Superintendent or his designee. Seniority shall be maintained, but shall not accrue, while a teacher is on unpaid leave. The school shall transmit a copy of the seniority list to the **Association** on or before the 30th day of September each year. Within thirty (30) days of the dissemination of the seniority list, any objections to the list shall be filed. Thereafter, the list shall be final and conclusive.

Such meetings will be scheduled on Tuesday afternoon and will not exceed one (1) hour in duration. Teachers will keep Tuesday after school free for such purposes. Such meetings may be rescheduled on other days or at other times except Fridays or the day before a vacation, provided a majority of the affected staff members agree.
- c. Teachers shall be expected to attend departmental meetings, and other committee meetings scheduled with teachers involved with said committee.
- d. The **Board** may schedule up to six (6) evenings during each year by building, or system-wide, for parent-teacher conferences, open house and/or student achievement nights, and as determined by individual building school improvement teams and/or building administrators. These meetings will not be scheduled to exceed three hours per meeting. All staff members are required to be in attendance unless excused by the building administrator. When parent-teacher conferences are scheduled during the afternoon or at night in that building and a half day is scheduled, those students and their teachers shall be released from school no later than the time representing 50% of the normal student day. Afternoon conferences will start no earlier than 1 hour after the student/teacher release time unless agreed upon by a majority of the

teachers affected. During parent/teacher conferences if a teacher teaches in the morning and has parent/teacher conferences in both the afternoon and evening of the same day, they will be provided with release time on the Friday afternoon of parent/teacher conference week, or another afternoon mutually agreed to by the Superintendent and the **Association**.

- e. Kindergarten and pre-school roundups shall be scheduled during the normal teacher day hours in the spring.
- f. It is recommended that teachers attend regularly scheduled PTA/PTO meetings scheduled for their buildings.
- g. Individual teacher exceptions to this section shall be obtained from the building principal.
- h. The **Board** and the **Association** recognize the importance of good parent-teacher communication. Elementary teachers that hold 26 or more parent-teacher conferences will be compensated for each conference above 25 based on a pro-rated BA base for a maximum of 15 minutes per conference. The additional conferences (above 25) will be scheduled at the discretion of the teacher outside of the student day or during preparation time. Only conferences scheduled outside of the regularly scheduled parent-teacher conference times will be compensated.
- i. Teacher Record Days--Scheduling of Meetings. Meetings involving staff members (curriculum, general staff, IEPs, school improvement, etc.) shall not be scheduled on teacher record day without the consent of the affected staff. Brief emergency meetings shall be the only exceptions.

Section 2: Instructional/Planning Time

- a. Teachers shall provide to students such hours as qualify as instructional time for state aide purposes that are necessary for the District to receive full state aide under §1284 of the School Code of 1976. Each teacher grades 6-12 shall be assigned a minimum of five (5) periods of conference, preparation or evaluation time per student week. It is understood that art, music, physical education, library, and other specials are part of elementary preparation time. Preparation time will be equitable within grade levels.

b. Elementary Planning Time

To eliminate shared recess and provide quality blocks of planning time for classroom teachers (not less than 20 minutes), every effort will be made to provide the needed time by adding minutes to "Specials" (Music, Art, Physical Education, Library, and other specials). Additionally, efforts will be made to provide balance between the teaching times of the specials in each building. Elementary building principals, the Association president, the Superintendent or designee and the Specials teachers will meet no later than May of each year to discuss proposed schedules that will be finalized by the start of the new school year.

- c. Any teacher who is assigned more than twenty-seven (27) hours of instructional time per week shall receive an hourly stipend for each hour or fraction of an hour above twenty-seven (27) calculated by dividing the teacher's salary by 1340 for each five (5) day student week in which the instructional hours are exceeded. The board will ensure the 300 minutes of weekly elementary planning time and duty free 30 minute lunch time.
- d. K-5 teachers will not be assigned pre and post school student supervision and breakfast and lunch supervision.
- e. Each principal shall be responsible for implementing the above paragraphs.
- f. Instructional time means time which counts for state aide purposes.
 - 1) A teacher shall be entitled to a planning period if he/she is scheduled to teach at least 50% of a full teaching load.
 - 2) A teacher with less than a full teaching schedule will have salary, benefits, and conference time pro-rated based on the percentage of the number of his/her scheduled hours to the number of hours scheduled for full-time teachers.
 - 3) Every attempt will be made to hire elementary teachers on the basis of one-half (1/2) day or full day.

Section 3: When an **Association** member substitutes during his preparation period for an absent teacher he shall be paid at an hourly rate based on the BA base divided by 1340 hours for each classroom period of substitution. Any secondary teacher who substitutes in a "block" class will have their pay pro-rated.

Section 4: For middle and high school teachers, each overload equals 1+ (number of classes offered a normal student in that building during a normal school year) of salary. (i.e., in a 7 period day, each overload would equal 1/7th of salary, in a trimester each overload would equal 1/15th of salary.) (6 period day = 1/6th of salary)

Section 5: Teachers shall assist in maintaining discipline in the halls before and after class time. It is recognized that conferences with students might occasionally keep teachers in a classroom.

Section 6: Educational Forms

a. Progress Reports

Teachers shall make it known to the principal at the midpoint of each marking period, those students who, at that point, are receiving a grade less than a C- or have dropped an entire grade from the previous marking period. Progress reports will report the student's actual grade at this midpoint progress report time. Parents may request an individual progress report from a teacher.

K-5 parents or guardians may not request a progress report at less than one week intervals without a prior meeting of the parent, teacher and building administrator or his/her designee.

Requests for 6-12 weekly progress reports by parents, guardians, coaches and/or other legally entitled parties must be submitted to building guidance departments by 2:00 pm on Tuesday of the week requested. Guidance personnel will publish a list for teacher use in preparation of reports which can then be printed by Friday morning. Following procedures established by building, these reports are to be turned in to guidance or provided to requesting parties and/or individual students on Friday.

b. IEPC's

Child Study Coordinators will notify district certified staff members who are required to attend an Individual Educational Planning Committee (IEPC) meeting as soon as possible after the meeting date has been arranged with the parent and itinerant staff.

If an IEPC/504 meeting extends beyond a teacher's contractual workday, he/she will be compensated with replacement time or at the contractual hourly rate.

c. Forms/Procedures (IEPC/504 and Other Non-District Forms)

1. All requests will first come to the building principal or Central Office administrator.
2. All requests from outside agencies will have the prior written consent and approval of the subject child's parent/guardian.
3. A district level administrator given that responsibility will approve all forms for use.
4. Teachers will be held harmless for information given provided that the information supplied is, to the best of their knowledge, accurate.
5. All requests will have a 10-calendar day (excluding scheduled vacations) lead time for completion except in cases of emergency and agreed to by the staff member completing the form(s).
6. When requests are made for information that is not applicable, not observed or the teacher completing the form(s) feels unqualified to answer, the teacher will so indicate on the form(s). If the form(s) do not provide a way to indicate that the information is not applicable, not observed or the teacher feels unqualified to answer, the teacher shall provide a written explanation regarding the information requested.
7. Training will be provided if requested or needed.

8. If filling out form(s) generates revenue for the district, the teacher will share the proceeds to be used for curriculum-related materials.

Section 7: Teachers shall mark report cards very thoroughly in all areas to the best of their ability.

Section 8: Teachers shall turn in their completed final report cards to the principal no later than the close of the last teacher day, unless an extension is granted by the principal. It shall be the responsibility of the administration to distribute the final report cards.

Section 9: Non-tenured teachers shall complete weekly lesson plans in brief outline form and a copy shall be turned in to the principal's office not later than 4:00 p.m. on Friday of each week for that following school week.

Where a teacher is absent the teacher is responsible for the preparation and submission of an emergency lesson plan which contains sufficient detail that a substitute teacher can reasonably be expected to carry on classroom instructions. Failure to submit such emergency substitute teacher lesson plan when absent without adequate justification may result in disciplinary action.

Should the absence extend beyond five (5) days the teacher is no longer responsible for providing lesson plans for the substitute teacher.

Section 10: Mentor Teacher

- a. The Building Principal, after consultation with the department chair, grade level chair or building representative shall appoint a person with the approval of the **Association**, who qualifies under Section 1526 of P.A. 335 of Public Act of 1993 as a mentor for each probationary teacher. Any person so selected may decline to serve as a mentor.
- b. Every effort shall be made to match mentor teachers and probationary teachers who work in the same building and have the same areas of certification.
- c. Probationary employees shall only be assigned to one (1) mentor teacher at a time.
- d. The mentor teacher's assignment shall be for one (1) school year subject to review by the mentor teacher and probationary teacher. The appointment may be renewed in succeeding years.
- e. The mentor teacher job description is as follows:
 1. The mentor will assist the probationer.
 2. The mentor will be available to help the probationer learn procedures and policies of the School and School District.
 3. The mentor will assist the probationer to achieve the goals of the IDP.

4. The mentor will make an effort to build rapport with the probationer at the earliest time possible.
 5. The mentor will directly assist the probationer with getting ready for school and with the end of semester/year work and materials.
 6. The mentor will offer encouragement "when things get tough."
 7. The mentor will make it clear that part of his/her role is to help the probationer to interpret and act on visitations/observations reports.
 8. The administration will keep the mentor and the probationer well advised of potential concerns--"No last minute surprises."
 9. The mentor will be positive; it is just as important to remark about the good things observed as to note needs for improvement.
- f. Release time shall be provided in those K-12 special areas for probationers to consult with special area staff when needed.
 - g. Upon request, the Administration shall make available reasonable release time so the mentor may work with the probationer in his/her assignment during the regular workday. When possible, the mentor and probationary teacher will be assigned a common preparation time.
 - h. Each mentor shall be compensated at the rate of two (2%) percent of the BA Base each year for their services inclusive of training activities outside the work day or school year, not to exceed five (5) days beyond the contract year. Attendance is expected at all mentor-mentee meetings to receive this compensation, unless the absence is approved in advance or an emergency occurs.
 - i. The mentor teacher shall not participate in the supervision or evaluation of the probationary teacher. The mentor teacher shall not be called as a witness in an administrative hearing involving the probationary teacher's evaluation.

Section 11: It is the sole responsibility of the teacher to maintain certification and, where mandated, highly qualified status. Certification and highly qualified status (if applicable) must be assured before contracts shall be issued. It is the responsibility of the teacher to provide the district office with updated certification/state license or certificate.

Section 12: Teachers and administrators are responsible for a general knowledge of the teacher handbook, including building regulations, and this agreement. It is understood that teachers will have these documents and any subsequent changes available.

- a. Teacher violations of the teacher handbook, building regulations and/or Master Agreement, may be subject to disciplinary action according to the degree of violation.

- b. Matters not governed by the Master Contract may be responded to or addressed by teachers, starting at the building principal and, if requested, ending with the **Board**.

It is understood that building principals will request through memo or staff meeting announcement teacher input into the teacher and student handbooks and building regulations.

Section 13: The administrators shall consider the teacher's views and recommendations in developing the building's school budget.

ARTICLE 10 - TEACHER EVALUATION

Section 1: The **Association** and the **Board** recognize the right and responsibility of the administrative staff to evaluate the performance of teachers. The **Association** and the **Board** also recognize the right and responsibility of the administrative staff of the school to visit classrooms for purposes of evaluating and promoting the educational program. Records and evaluations of the work performance of each individual teacher will be properly kept and maintained.

- a. Upon review with the teacher of the evaluation report, the teacher shall sign a statement to the effect that the administration has reviewed this evaluation report with the teacher but the teacher's signature does not signify agreement with the evaluation.
- b. If a teacher so desires, he or she may prepare a written response which shall be attached to said evaluation and be made a part of his or her file. Such written response shall be submitted no later than ten (10) school days if the evaluation is reviewed more than ten (10) school days before the end of the school year, or within fourteen (14) calendar days if the evaluation is reviewed less than ten (10) school days before the end of the school year.

ARTICLE 11 - PAID LEAVES OF ABSENCE

The Association and Board recognize the importance of professional staff members being in the classroom regularly and therefore all absences will be considered prior to approval of other school-related absence requests.

The administration may restrict school-related absences if a high use of Personal Business Days or other paid leave days have already been approved and/or have occurred.

Section 1: Twelve (12) days sick leave per year with full pay shall be granted in case of **necessary** absence due to:

- a. Personal illness of the teacher.
- b. Illness of a spouse, child, mother, father, mother-in-law, father-in-law, stepchild, stepmother, stepfather, and guardian/legal dependent.
- c. Funeral leave--five (5) days for family per occurrence and two (2) days for non-family members per year.
- d. Personal business—four (4) days, with five (5) working days' notice.
 - i. A maximum of 2 consecutive days per request
 - ii. Personal Business Days will not normally be granted on days immediately before or after school breaks, vacations or holidays. It is understood that requests for leave on days preceding or following recess times and the beginning and closing of school shall be denied, except in case of verified emergency, or extenuating circumstances as determined by the Superintendent.
 - iii. When the total number of requests for a specific day exceeds five (5), the District can ask teachers to reschedule their leave. It is understood that some days cannot be rescheduled (one-time-only events). In such instances, the District will seek other means to fill anticipated subbing needs, including rescinding approval for conferences and in-district curriculum meetings.
- e. In cases where extenuating circumstances exist in the aforementioned sections of this article, the teacher may appeal to the Superintendent whose decision shall be final.

Section 2: Part-time teachers shall accrue sick leave on a pro-rated basis and shall be charged the use of sick leave on a pro-rated basis. For example: a teacher teaching one-half time will be credited with six (6) full days of sick leave for a year. If this one-half time teacher were to be absent twelve one-half days in a year, the teacher would be charged for six (6) full sick days.

Section 3: Each teacher will be given a sick day balance on a bi-weekly basis via their check stub. In no case shall the accumulated total exceed one hundred fifty-five (155) days.

Section 4: Leave provisions shall apply to full-time personnel. Teachers employed on less than a full-time contract basis shall have their sick leave pro-rated.

Section 5: The Superintendent or designee may request a verification certificate for illness signed by a board certified health care professional in the event of irregular attendance and/or may request other appropriate verification as needed whenever abuse of any paid leave is observed.

Section 6: In the event that the **Board** questions a teacher's fitness to return following the use of sick leave in excess of five (5) work days, the teacher must submit a written statement from his health care provider, physician and/or psychologist, to the effect that he is physically and/or mentally able to perform the essential functions of his assigned duties and responsibilities.

If after returning to active employment, the teacher's fitness is still in question, the **Board** may, after discussing the problem with the teacher require an examination by a physician or psychologist of the **Board's** choice. The **Board** shall pay for the costs of examinations above that amount covered by insurance. This shall include the necessary expenses incurred while traveling outside the school district.

Section 7: Worker's Compensation -- Any teacher who is absent because of an injury, condition, or disease compensable under the Michigan Worker's Compensation Act shall receive from the **Board** the difference between Worker's Compensation and the regular salary, to the extent and until such time as such teacher shall have used his/her sick leave allowance.

All on-the job injuries must be reported within 48 hours via the district's accident report form, or the teacher's absence telephone recorder. Whenever a teacher is injured on the job, he or she is to immediately report the injury to the building principal. The teacher is to complete the "Employee's Report of Injury" form detailing the injury, cause, time, date and other information requested on the form; sign, date and submit it to their building principal. The injury report is to be completed even though there may be no medical treatment at the time of reporting. If medical treatment is needed at a future date, a report will be on file.

If medical treatment is needed, the district will provide the injured teacher with the "Authority for Treatment" form, which the injured teacher will take to the school district's designated medical facility. In cases of emergency, and/or if the medical treatment is discovered to be needed after regular school hours, and/or days not in session, the teacher may seek immediate treatment at the facility/doctor of their choice, informing the facility that it is a work-related injury. The teacher may use his/her MESSA insurance card at the time, but notify the school district as soon as possible of the treatment, and inform his/her principal of his/her progress, and if it will be necessary for the teacher to be off from work, or of any other information related to the injury claim. The teacher is to obtain a doctor's release to return to work. Teachers should contact the district's business office with any questions regarding their Worker's Compensation claim.

In order to file a Worker's Compensation claim:

1. A teacher must be absent from work for seven (7) days or longer due to the injury or illness.
2. All claims must be filed with the district's business office.
3. After a claim is filed the district's business office will contact the insurance company. Said company, or the district, will notify the teacher that the claim has been filed.
4. If medical treatments are continuing on the seventh (7th) day or thereafter, the teacher must notify the district's business office.

NOTE: The district's accident report form is not a claim for Worker's Compensation.

If a teacher is assaulted by a student, which causes an injury that is covered by Worker's Compensation, the **Board** shall pay the difference between the amount paid by Worker's Compensation and the teacher's salary, for a total of thirty (30) work days with no sick leave charged to the teacher.

Section 8: Jury Duty and Subpoenas

Teachers released less than a half day from jury duty or as a witness shall contact their supervisor to determine whether the employee should return to work.

- a. Jury Duty—When a teacher is notified of selection and/or service for jury duty, that said teacher shall:
 1. Present the written notice to the Human Resources office within two (2) working days following receipt of such notification.
 2. Provide proof of service and amount paid to her/him for such service by the court by either a receipt copy (in the event of a cash payment) or a check copy (if paid by check).
 3. Submit to the Human Resources office the fees paid to her/him by the court within ten (10) working days of receipt of said fees (teacher keeps amount paid for mileage only).
 4. If the above procedures are complied with, teachers will not lose any teaching salary or fringe benefits including sick days or personal leave.

- b. Subpoenas—When a teacher is subpoenaed as a witness, defined as a party to any litigation for which neither he/she nor any family member is the defendant or plaintiff, has or may have a vested interest, that teacher shall:
 1. Present the written notice to the Human Resources office within two (2) working days following the receipt of such notification.
 2. Provide proof of service and amount paid to her/him for such service by the court by either a receipt copy (in the event of a cash payment) or a check copy (if paid by check).
 3. Submit to the Human Resources office the fees paid to her/him by the court within ten (10) working days of receipt of said fees (teacher keeps amount paid for mileage only).
 4. If the above procedures are complied with, teachers will not lose any teaching salary or fringe benefits including sick days or personal leave.

Section 9: Sick-Bank. A sick leave bank for certified staff has been established whereby each teacher may donate one day per year (with the option of donating more days in any given year if the bank falls below a minimum number of days as determined by the oversight committee).

The intent of the Sick Bank is to provide a support system for teachers who have a serious significant health issue (guideline #3) that extends beyond their accumulated sick leave.

The bank will be used by teachers with medical leave needs above and beyond their personal sick leave bank, for serious illness/surgery. A joint administration – teacher committee will oversee the bank with three (3) teachers and two (2) administrators mutually establishing its guidelines and eligibility criteria for bank use. The maximum number of days in the sick bank will be 270 per year. An increase in the total can only be granted following a favorable majority vote of the teacher Sick Bank Committee. Any such increase will be on a case-by-case basis.

It is understood that this sick bank will be in operation only as long as administrative and other non-union, non-certified staff **have the option to be** members of the DEA health insurance pool.

GUIDELINES:

1. Applications for days from the sick leave bank must be made in writing to the Sick Leave Bank Committee, in care of the DEA Executive Board/Insurance Committee and accompanied by a doctor's statement.

2. After exhaustion of an employee's sick leave accumulation, a minimum of two (2) consecutive workdays must pass before the employee is eligible to receive days from the sick leave bank.

3. Sick leave days shall be available from the bank for an employee's illness, injury, disability, or for those of their children or spouse.

4. The minimum number of days that can be applied for is 10 days per occasion or, the number of days needed to complete the extended sick leave. The maximum that can be awarded is 90 per school year, or 50% of the total number of days available in the sick bank, whichever is less.

All sick days loaned by the bank will be paid back at a rate determined by the committee, on a case-by-case basis.

5. Under no circumstances will a donated day result in a payment which exceeds an employee's normal daily rate.

6. The Sick Leave Bank Committee may make reasonable rules regarding its operation provided they are not contrary to the terms set forth here, or in other portions of the contract.

7. Each case will be judged on its individual merits. The committee will meet within five (5) days of receiving the request and determine by majority vote whether the request will be granted, modified, or denied. Teachers and Administrators sitting on the committee will abstain from voting on an application from their respective buildings and the **Association** will select an administrator, and the **Administration** will select an Association member, to be the substitute voter.

8. The decision of the committee is final.

9. Within 30 days of the beginning of each school year, the **Administration** will provide the **Association** with an updated balance of each teacher's personal bank (to be held in confidence).

10. Monthly reports on the status of the sick leave bank will be issued by the Association.
11. When the committee determines that the number of days in the bank is not sufficient, they may request, at semester break, a new open contribution period.

ARTICLE 12 – UNPAID LEAVE OF ABSENCE

Section 1: Applications may be made, prior to March 1, for a leave of absence after the end of the school year for one (1) school year for the purpose of participating in full-time study at an accredited college or university. Such leave may be granted for tenure teachers provided a suitable replacement is available. This leave may be extended upon written application by the **Board** on or before March 1 of the leave year.

- a. The **Board** may grant leaves of absence for serving as a full-time officer of the NEA or MEA; foreign or exchange teaching programs; Teacher Corps; a cultural travel or work program related to his professional responsibilities; or child care.
- b. Other leaves of absence may be granted upon application to the **Board**. Leaves of absence may be granted for other times.

Section 2: A teacher who enters the military service by draft or enlistment shall be granted a leave of absence for that period and, at the conclusion of such leave of absence, shall be reinstated in accordance with all other applicable provisions of the Selective Service Training Act or any other applicable law then effective.

Section 3: A teacher who is unable to teach because of an extended personal illness, disability or pregnancy/maternity, shall be granted an unpaid leave of absence. Such unpaid leave of absence shall be granted for the duration of the illness or disability, but in no event shall it extend beyond the remainder of the current school year in which such unpaid leave commences plus one additional school year.

Where such unpaid leave of absence can be anticipated, it shall commence at a natural school break.

- a. Teachers may, at their option, request such unpaid leave of absence without first utilizing all their accrued but unused paid sick leave.
- b. The board reserves the right to receive written verification from a physician, of the physical condition for which such leave of absence is granted, both at the commencement of the disability of illness, during and at the termination of the disability of illness. Where the medical verification establishes that the unpaid leave of absence has exceeded the time in which the teacher is unable to work due to illness, disability or pregnancy, then the board shall provide its share of the medical and health insurance benefits only for the period of the actual disability in accordance with the foregoing paragraph, up to twelve (12) weeks per FMLA.

- c. Upon termination of such leave of absence, the teacher shall return to work providing that a position for which he is certified and qualified is available. If such position is not available the teacher shall be offered the first such position which becomes vacant.

Section 4: The unpaid leaves of absence mentioned in this article carry the following provisions:

- a. A teacher on an unpaid leave of absence wishing to return to active employment at the start of the next school year shall notify the **Board**, in writing, of his intention to return on or before March 1st. A teacher on an unpaid leave of absence whose leave terminates during a school year shall notify the **Board**, in writing, of his intention to return not less than thirty (30) days before the termination date of the leave. Whenever an unpaid leave of absence is granted, the teacher shall be notified, in writing, of the requirements of this section.
- b. If a teacher fails to provide notice within the time limits set forth herein, said teacher shall be deemed to have refused an offer of active employment, pursuant to Article 14, at the beginning of the succeeding school year. Such refusal shall constitute a voluntary resignation effective July 1 of that year. The Board/designee may extend the deadline due to extenuating circumstances.
- c. A teacher hired to fill a vacancy created by a leave of absence shall be informed of the provision of this section.

Section 5: The following provisions shall determine insurance coverage for teachers on an unpaid leave of absence:

- a. Voluntary unpaid leave: Teachers who are on a voluntary unpaid leave of absence in excess of ten (10) total days in any school year shall receive from the **Board** a pro-rated amount of premiums paid by the **Board** for health and dental insurance. The pro-ration of the **Board's** annual contribution shall be determined the following formula:

$$\frac{\text{(Days worked + used paid sick leave days)}}{\text{Number of scheduled teacher days}}$$

Teachers on voluntary unpaid leave who have exhausted the foregoing pro-rated premium may continue insurance coverage at their expense for such period as the insurance carrier allows by paying to the **Board** the full monthly premium on the date due.

- b. Involuntary unpaid leave: The Board will continue its share of the insurance premium for teachers on an involuntary unpaid leave of absence due to illness or accident. The teacher will receive pro-rated insurance under the formula set forth in Subsection (a) above, or until LTD benefits are available, whichever occurs first. **Board** paid insurance means the **Board** submitting its share of the insurance premium.
- c. Teachers who have elected to "bank" sick days or not utilize sick days cannot obtain an additional year's insurance coverage by deferring sick days until the commencement of the next school year although they are entitled to utilize their sick days.
- d. For teachers who retire or resign at the end of the school year, the **Board** will continue to pay the monthly contribution through August 31. Teachers who retire or resign prior to the end of the school year will receive pro-rated insurance under the formula set forth in Subsection (a) above.

Section 6: Permission for day(s) off with loss of pay may be granted. Requests must be presented in writing for approval by the building principal and the Superintendent, one (1) week prior to the day requested.

Section 7: The parties shall be bound by School District policy and procedure pertaining to the Family and Medical Leave Act, up to twelve (12) weeks. FMLA will run concurrently with any qualifying leave request.

Upon request, the employer shall grant a leave under the Family and Medical Leave Act, where the employee satisfies the federal eligibility criteria. Such leave shall be granted for serious health conditions of employees, the employee's spouse, parent, child, and other provisions as provided by law.

The employee must use one-half (1/2) of their accumulated bank or one-half (1/2) of FMLA request (whichever is less), and the remainder of the leave shall be unpaid, or, at the teacher's option, he/she may request to use their remaining paid leave days.

In the instance of personal illness only, when an employee has (STD) short-term disability insurance (employee paid), said person will be required to use only their accumulated paid leave days until short-term disability insurance (STD) is effective.

ARTICLE 13 - VACANCY

Section 1: A vacancy shall be defined for the purposes of this agreement as a newly created position or an unoccupied position caused by resignation, retirement or transfer, shall be posted as a vacancy.

- a. Vacancies occurring within the bargaining unit and within the total professional staff, including newly created positions, shall be posted on the district's website and emailed to the teachers. Such postings shall reflect specific requirements and preferences for the position.
- b. Positions shall be posted at least five (5) school days prior to being filled unless the vacancy occurs within the first two weeks of the school year,

then the five (5) days are waived. Bargaining unit members may apply for such positions by submitting written application to the personnel office.

Section 2: All bargaining unit members shall be given written notice of their tentative assignment for the forthcoming school year no later than the last regularly scheduled day of school. When possible, such tentative assignment shall include building and grade level for elementary teachers, and building, department(s) and a listing of probable courses to be taught for secondary teachers. All changes in a teacher's tentative assignment made subsequent to this notice shall be communicated to the teacher immediately.

Section 3: Although teachers may gain tenure under the Michigan Teachers Tenure Act, it is understood that no teacher shall acquire tenure in a specific position, such as counseling, etc.

ARTICLE 14 - PLANNING COMMISSION

The parties agree to establish a permanent Planning Commission for the purpose of discussing problems of mutual concern.

Section 1: A committee consisting of 3 administrative and 3 DEA representatives shall be established to investigate and discuss matters of concern pertaining to the smooth operation of the Dowagiac School System.

Section 2: The Commission shall meet during September or a time designated by the Superintendent, at which time the Commission will designate a permanent chairperson.

Section 3: The operating procedure and times for meetings shall be determined by the committee. Items for discussion may be forwarded by either party prior to each meeting. Items for discussion shall be limited to those affecting the school system.

Section 4: The Commission may have specific committees working with it for both short and long term studies. These committees shall make a conscientious effort to make recommendations to the Planning Commission.

Section 5: Findings, recommendations, and/or conclusions of the Planning Commission may be reported to the **Association** and the **Board**.

Section 6: The **Association** agrees to foster and encourage professionalism among its membership and agrees to undertake efforts through education or otherwise which are reasonably designed to maintain acceptable standards of professional behavior and responsibility.

ARTICLE 15 - DISCIPLINE

Section 1: Complaints Against Teachers. When there is a complaint against a teacher from a parent or student, the following procedure will be followed:

- The teacher will be notified immediately by the building administrator.
 - The person filing the complaint will be encouraged to seek an informal resolution with the teacher.
 - If the informal process does not lead to a satisfactory resolution, or if the person filing the complaint refuses to follow the previous step, then the building administrator will conduct a preliminary investigation.
 - Following the completion of the informal investigation, the results will be shared with the teacher within five (5) school days.
 - If any disciplinary action, verbal and/or written, is deemed necessary, the teacher shall have the right to: a) know the identity of the person filing the complaint, and (b) the right to request to meet with the person bringing forth the complaint.
- a. A building representative of the **Association** may, if the teacher so desires, accompany the teacher in review of such complaint.

Schedule C Compensation for Extended Seasons

Compensation for performance of Schedule C duties will be increased by a pro-rated amount for each week or fraction thereof that the season extends beyond the last regular season contest for Varsity Head Coaches and Varsity Assistant Coaches. The regular season includes the opening round of the MHSAA tournament if all teams automatically qualify for the first round.

For the sport of Football where the team has to qualify for the MHSAA State Tournament by reaching six (6) or more wins, the compensation for extended seasons will begin with the first round of the MHSAA playoffs.

For team sports that automatically qualify for MHSAA District Tournaments, the compensation for extended seasons will begin if/when the team reaches the MHSAA Regional Tournament. Sports in this category include the following:

- | | |
|--------------------|--------------------------------------|
| • Boys Basketball | • Boys Soccer |
| • Girls Basketball | • Girls Soccer |
| • Baseball | • Volleyball |
| • Softball | • Wrestling (Team and Individual) ** |

For individual sports that automatically qualify for the MHSAA Regional Tournaments, the compensation for extended seasons will begin if/when the team or individual reaches the MHSAA State Finals. Sports in this category include the following:

- Boys Golf
- Girls Golf
- Boys Tennis
- Girls Tennis
- Cross Country**
- Boys Track**
- Girls Track**

** If one to five (1-5) athletes qualify for the MHSAA State Finals, then only the Varsity Head Coach will qualify for the extended season compensation. If six (6) or more athletes qualify for the MHSAA State Finals, then two (2) Head Coaches will qualify for the extended season compensation. In the event the sport does not have two (2) Head Coaches, the Varsity Assistant or the Junior Varsity Coach will be asked to assist with the tournament and will qualify for the extended season compensation. If the Team qualifies, then discussion in regard to the number of coaches needed will take place between the Athletic Director, Superintendent and immediate Head Coach. This paragraph also applies if both boys and girls track are combined into one team.
