The employee's supervisor will investigate and report his/her disposition of the alleged violation within five (5) regularly scheduled workdays after it has been made to him/her. In the event the alleged violation is not satisfactorily settled in this manner, it shall become a grievance and the following procedure shall apply.

SECTION 2 - FIRST STEP

To be processed hereunder, a grievance must be reduced to writing, stating the facts upon which it is based, when they occurred, specifying the section of the contract which has allegedly been violated, and must be signed and presented to his/her supervisor within five (5) regularly scheduled workdays after the alleged occurrence, or five (5) regularly scheduled workdays after supervisor's reply to informal step. A written answer shall be given by the Board of Education within ten (10) regularly scheduled workdays after the date of the Board hearing. If the grievance has not been submitted to arbitration within said fifteen (15) calendar day period, it shall be considered as being withdrawn by the Union. The arbitrator shall have no authority to add to, subtract from, change, or modify any provision of this Agreement but shall be limited solely to the interpretation and application of the specific provision contained herein. However, nothing contained herein shall be construed to limit the authority of an arbitrator other than the fact that the arbitrator shall not be empowered to rule on or interpret any federal, state or local laws or statutes in determining, according

to his/her own judgment, to sustain, reverse or modify any alleged unjust discharge that may reach this stage of the grievance procedure.

The decision of the official shall be final and binding on both parties hereto. The expenses and fees of the official (from the Michigan Employment Relations Commission) shall be paid by the losing party. The Union and the Board of Education will be responsible for their own personal costs as to witnesses, attorney fees, etc. All other costs of any arbitration proceeding under this provision shall be borne by the party that is found to be at fault. It is further understood where one party is not one hundred percent at fault that the other party will be assessed a percentage of the final settlement according to the arbitrator's decision.

SECTION 6

Grievances which are not appealed within the time limits specified in the grievance procedure shall be considered to be withdrawn by the Union. If the Employer fails or neglects to answer a grievance within the time limits specified at various steps of the grievance procedure, the grievance shall automatically be referred to the next higher step in the grievance procedure.

It is understood and agreed that the time limits specified in this grievance procedure may be extended by mutual agreement in writing between the Union and the Employer.

SECTION 7

Whenever the words "regularly scheduled workdays" are used in this Agreement, they shall be defined as those days which are scheduled for work for any employees in the unit between Monday and Friday, both inclusive, excluding holidays recognized under this Agreement.

SECTION 8

There is no reimbursement to the employee or committee members for grievance hearings. However, any meeting called by the Employer will not result in any loss of pay to the employee(s).

SECTION 9

The Union shall promptly notify the Superintendent of Schools in writing as to the membership of its grievance committee and any changes therein.

ARTICLE VII
STRIKES AND LOCKOUTS

SECTION 1

The Union agrees that during the life of this Agreement neither the Union, its agents, nor its members will authorize, instigate, aid, condone, or engage in a strike, work stoppage, refusal to work, slowdown, or any other concerted interference with the operations of the Employer. The Employer agrees that it will not lock out the employees.

SECTION 2

Any employee, group of employees, or Union steward who instigates, aids, or engages in a strike, work stoppage, refusal to work, slowdown, or any other concerted interference with the operations of the Employer may be disciplined or discharged within the sole discretion of the Employer. It is understood and agreed that the question as to whether the actions of employees constitute such prescribed activities shall be subject to the grievance procedure. If, however, the question is submitted to MERC for review, the matter shall not be subject to further processing through the grievance procedure.

ARTICLE VIII
SENIORITY

SECTION 1

“Seniority” shall be defined as an employee's length of continuous service with the Employer since his/her last hiring date. “Last hiring date” shall mean the date upon which the employee first reported for work at the instruction of the Employer since which he/she has not quit or been discharged. No time shall be deducted from the employee's seniority due to absences occasioned by authorized leaves of absence, vacations, sick or accident leaves, or layoffs for lack of work except as hereinafter provided.

SECTION 2

All new employees shall be probationary employees for the first sixty (60) workdays since their most recent date of hire. The sixty (60) workday probationary period may be extended or reduced by the administration.

An additional ten (10), twenty (20), or thirty (30) working days for probationary purposes may be requested by the Employer in specific cases. This extension, if exercised, is to be by mutual agreement with the Union steward.

- a. During the probationary period, the employee shall have no seniority status or rights under this contract and may be laid off or dismissed from employment at the discretion of his/her administrative supervisor without regard to his/her relative length of service.
- b. Upon satisfactorily completing his/her probationary period the employee's name shall be added to the seniority list as of his/her most recent date of hire as a bargaining unit member.

SECTION 3

The Employer will maintain up-to-date seniority lists, copies of which will be posted on the appropriate bulletin boards by October 1 of each year, and changes, if any, as they occur will be furnished to the local president. Within 60 days of posting the seniority list any objections to the list shall be filed and thereafter the list shall be final and conclusive. The names of all employees who have completed their probationary period shall be listed on the seniority list in order of their last hiring date. The employee who has the greatest amount of seniority is to be listed at the top of the list. If two (2) or more employees have the same last hiring date, their names shall appear on the seniority list alphabetically by the first letter or letters of their last names. The same procedure will be followed in respect to their first names.

- a. Hours worked for seniority purposes are to be calculated as follows for time after June 30, 1980.

One (1) year	approximately 2000 hours/52 weeks (custodial/maintenance/utility/mechanics)
One (1) month	22 days
One (1) day	8 hours = full time employees 4 or more hours = regularly scheduled employees (bus drivers/custodians)
- b. Two separate seniority lists shall be prepared by the Employer covering the following departments: (1) custodial, utility, and maintenance; and (2) bus drivers, mechanics, and bus aides.
- c. Seniority will accrue to the employee who is absent from work due to an injury or illness which is work-related and the employee is compensated from a Worker's Compensation Insurance carrier.

- d. Seniority is not maintained or accrued until a full-time or regularly scheduled position is assigned.
- e. Seniority does not follow an employee when changing departments. An employee changing departments shall have his seniority frozen in the prior department and shall then begin to accrue seniority in the new department from the date upon which he reports for work in that department.

SECTION 4

An employee's seniority shall terminate and his/her employment shall cease:

- a. If he/she quits, retires, or is discharged, which discharge is not reversed through the grievance procedure, or by the requested withdrawal of funds he/she contributed to the Michigan Public School Employees Retirement Fund.
- b. If the employee fails or refuses to advise the Employer within five (5) calendar days in writing of his/her intent to return to work or not to return to work after receipt by certified mail of his/her assignment.
- c. If, following a layoff for lack of work or funds, he/she fails or refuses to notify the Employer of his/her intent to return to work within two (2) regularly scheduled work days after receipt of such recall notice.
- d. If he/she is absent for two (2) consecutive regularly scheduled workdays without notifying the Employer within such two (2) day period of a justifiable reason for such absence if it was possible for such notice to be given.
- e. If he/she fails to request a leave of absence, accepts employment elsewhere while on a leave of absence, or does not return to work immediately following the termination of a leave of absence or vacation, unless, in the latter case, he/she presents evidence satisfactory to the Employer that it was impossible for him/her to return to work at the expiration of such leave or vacation.
- f. If he/she has been laid off for lack of work for a continuous period of time in excess of twelve (12) consecutive months.

SECTION 5

When it becomes necessary to lay off employees due to lack of work or funds or to reduce the size of the work force, student, temporary, probationary, and part-time employees will be the first to be laid off in all classifications and then such employees within those classifications with the least seniority. Employees are hired within the

transportation department or the maintenance/custodial department. Seniority for layoff or bumping shall only be utilized within their respective department.

Senior employees bumping into a new job must be able to satisfactorily perform their new job functions with proper training within five (5) work days in the opinion of management.

- a. When employees are recalled to work following layoffs for lack of work or funds, they shall be recalled to the classification from which they were initially laid off. The laid off employees with the most job classification seniority who can satisfactorily perform the work involved within a break-in period without a training period, shall be the first to be recalled.
- b. Further, it is understood that the following employees will be the last to be recalled in the reverse order of the layoff procedure: part-time, probationary, temporary, and student.

SECTION 6

The Employer shall have the right to temporarily transfer employees from one job to another to cover the employees who are absent due to illness, accident, vacation, or leaves of absence, or to fill temporary jobs or temporary vacancies and to take care of any conditions or situations that may arise. For the purpose of this section, temporarily shall not exceed a period of thirty (30) consecutive workdays or sixty (60) workdays for FMLA leave coverage. Temporary transfers shall not be used to avoid the posting of permanent openings or vacancies.

SECTION 7

The Employer shall determine if a vacancy exists. The Employer shall post all new positions or vacancies in the bargaining unit that are to be filled on a bulletin board accessible to Union members. The Employer shall also notify the Union of vacancies that the Employer does not intend to fill. The posting of new positions or vacancies will be for five (5) workdays and shall specify the then existing scheduled work hours for that position or vacancy. A copy of all postings will be forwarded to the President and Secretary of the Union. Employees are to notify the Employer of their intent to apply for such job openings, in writing, within five (5) regularly scheduled workdays following the date of posting. Notification will be given by the Employer within five (5) regularly scheduled workdays following the posting deadline to all applicants of the individual who was awarded the position. The Employer shall notify the President of each employee who bids on any posted vacancy.

- a. It is expressly understood that the Employer reserves the right to disqualify an employee's job bid, with the disqualification notice to be sent to the employee within five (5) workdays.

- b. BIDDING
- (1) Bidding Within Classification: Bargaining unit members will be given consideration for any position they apply for within their current classification (e.g. (1) mechanic, (2) bus driver (3) bus aide or (4) maintenance utility and custodian). The Employer will consider each applicant's education, training, experience, work history and the job qualifications contained in the job description in evaluating the applicants. The most senior bidder within the classification will be awarded the job provided the bidder possesses the qualifications contained in the job description.
- (2) Bidding Outside Classification: Bargaining unit members may apply for positions outside their current classification. If, in the judgment of the Employer, the qualifications of a bargaining unit member and an applicant from outside the bargaining unit are equal, the senior bargaining unit member will be awarded the job, provided he or she possesses the qualifications contained in the job description.
- c. It is understood and agreed that the Employer shall have the right to temporarily transfer drivers from one route to another when it is necessary to readjust assignments to properly provide transportation for the school children. It is understood and agreed that if an employee is temporarily transferred for the convenience of the Employer under the provisions of this subsection to a route that involves fewer hours of work than the route from which he/she was transferred, such employee shall suffer no reduction in pay by reason of such temporary transfer.
- d. It is also understood and agreed that in the event an employee is temporarily transferred for the convenience of the Employer under the provisions of this Agreement, the employee will be paid at the higher of his/her existing rate and of that of the position so assigned.
- e. All employees in the bargaining unit shall be allowed to bid on new or vacant positions where no change in rate of pay or duties will occur or where there will be less pay, once each fiscal year. This shall be in addition to the route bidding process at the beginning of the school year, outlined in SECTION 8 of this Article. Vacancies created by a move of an employee to such a position shall not be posted but shall be assigned by the Employer.

ARTICLE IX

SENIORITY

SECTION 1

Before the end of each school year, employees will be required to fill out an Intent to Return to Work form provided by the Employer. Any employee failing to return the form will be reminded of the requirement to return the form not later than June 30.

After authorization/award of route assignment has been made by the Supervisor, the next senior driver will do the same, repeating this process until all drivers on the seniority list have selected their desired routes and the assignments are completed. The bidding will then be closed.
- e. However, an employee who, through no fault of his/her own, and has both indicated his/her intent to return to work and will be available to work the first thirty (30) days of school, is unable to attend the first in-service meeting will be allowed an appeal to have his/her name entered in seniority order in the route bidding process provided that:

- g. The utility position will also be bid annually. This work is assignable to any department employee from a list of employees who sign up on the route bidding date in the event of absence or additional daily requirements. If an employee who has signed up on the list has a conflict they must notify the supervisor at the beginning of their shift. The work may also be assigned to the lowest senior department employee that has not declared they have a conflict.

If the conditions specified above have been met, the bargaining unit members in attendance at the first in-service meeting will determine, by a majority vote, the acceptability or lack thereof, of the absent employee's appeal. Should the bargaining unit members in attendance at the first in-service meeting rule against the absent employee's appeal, his/her name will be assigned any route remaining after the bidding is closed. Further, the Employer will be held harmless against any determination reached by the membership at the first in-service meeting regarding the route bidding process, and an employee absent from the first in-service meeting is precluded access to the grievance procedure if his/her appeal is denied by the bargaining unit membership in attendance at the first in-service meeting.

SECTION 2

It is the responsibility of the employee (bus driver) to notify the Supervisor of Transportation, in writing that he/she is interested in all field trip opportunities. - e. The Supervisor of Transportation or authorized designee has the right to determine the normal run time of a given bus route, setting the starting and returning time. If the employee returns earlier than the normal time, he/she shall be paid the normal time. If the employee returns later than the normal time, he/she will be paid normal time unless the additional time is approved by the Supervisor. Should substantial changes in the conditions under which the established time was arrived at occur, the bus driver may request and/or the Supervisor may make a reassessment of the required time to make the run.

ARTICLE XVIII

- d. On days in which the start time of the school day is delayed, the decision to delay the start of the day and the driver "fan-out" will be implemented as early as possible. If the decision to delay the start of a school day is not made in time to begin the "fan-out" notification procedure by 6:00 a.m., then each driver will be paid one (1) hour's pay, regardless of whether school is subsequently held or cancelled. In addition, if the decision on whether to hold school or cancel school after the delay is subsequently not made within the period of time after 6:00 a.m. equal to the length of the announced delay, the drivers shall be paid one (1) hour's pay, regardless of whether school is held or cancelled. For example, if the announced delay is for 90 minutes, the decision to hold or cancel school would have to be made before 7:30 a.m. or the drivers would receive one (1) hour's pay.

If school is held after the delay, drivers shall receive their regular run pay. If school is cancelled after the delay, the provisions of Article IX, Section 3-e, shall apply.

By way of illustration, if the decision to delay the start of school two hours was made at 6:05 a.m., and at 7:50 a.m. the decision was made to hold school, the drivers would drive their regular runs and would receive one (1) hour's pay, in addition to their regular run pay. If the decision was made to delay the start of school two hours and the "fan-out" was implemented at 5:50 a.m., and at 7:50 a.m. the decision was made to cancel school, the provisions of Article IX, Section 3-e, would determine what pay, if any, the drivers would receive.
