LENGTH OF AGREEMENT

The terms of this Agreement shall remain in effect from July 1, **2007** through June 30, **2011**.

RECOGNITION

The Board of Education of the East Jordan Public School District (hereinafter called the Board) hereby recognizes the East Jordan Bus Drivers Group as the sole and exclusive bargaining representative for all Bus Drivers in the East Jordan School District, but excluding all supervisory and executive personnel, and all other employees of the East Jordan Schools.

The term employee when used hereinafter in this Agreement, shall refer to all employees represented by the group in the bargaining unit.

PROBATIONARY PERIOD

All new personnel shall have a ninety (90) day probationary period (not including summer vacation), before they are eligible for insurance benefits.

SENIORITY

- A. Seniority shall be defined as length of service within the district, as of the bargaining unit member's first working day. When a bargaining unit member leaves a seniority classification his/her seniority shall be frozen in that seniority classification. When he/she returns to the bargaining unit the seniority will be unfrozen.
- B. There shall be no seniority among probationary employees until satisfactory completion of the probationary period, at which time seniority shall be retroactive to the date of hire as a bargaining unit member.
- C. A bargaining unit member shall lose seniority rights if he/she retires, resigns or is discharged, and is no longer an employee of the district.
- D. A new bargaining unit member shall be considered to be probationary until he/she successfully completes ninety (90) work days in the district.
- E. In the case of more than one individual bargaining unit member beginning employment on the same date, the supervisor's written evaluations and other appropriate criteria will be used by the Board to make a final decision on which employee shall be senior. All Board decisions shall be final and binding.

PERSONAL BUSINESS DAYS

At the beginning of each school year, each full time employee shall be granted two (2) personal business days to conduct personal business which cannot be conducted outside regular work hours. Personal business days shall not accumulate from year to year. The use of personal business days shall be subject to the following conditions:

- A. A request must be made in writing to the superintendent at least 48 hours prior to the day requested. Exceptions to this provision may be made at the discretion of the superintendent.
- B. Personal business days shall not be used for the following purposes:
 1. Recreation
 2. Child-care
 3. Economic activity or gain
 4. Personal business days may not be taken the day before or the day after a holiday or weekend or the first day of the school year or the last day of the school year. A personal business day may be taken before or after a weekend if a substitute is available.
 5. Exceptions to the above provisions in emergency situations may be granted on a case-by-case basis by the superintendent whose decision shall be final.

DOCK DAYS

Dock days are discouraged by the Board and by the bus drivers. In the event that a driver requests a dock day(s) to conduct personal business not covered elsewhere in this Agreement, the following provisions shall apply:

1. Requests for dock days shall be submitted to the bus supervisor.
2. The bus supervisor shall have the sole authority for granting/denying the request. Requests for an excessive number of days shall not be granted, nor shall any request be granted for which driving duties cannot be covered by a certified and qualified substitute driver, or in cases where granting such a request places an undue level of additional responsibility on the other bus drivers or the bus supervisor.
3. In the event that a request is approved, the driver utilizing the dock day(s) shall be financially responsible for the day(s), as follows:
 - The driver shall be docked for 1/180th of his/her base pay. In the event that the school calendar has been modified to reflect less than 180 days, the docked portion shall be equal to the number of days of scheduled instruction (for example, 1/175th, 1/177th, etc.).
 - The driver shall be docked for 1/365th of the total annual cost of his/her fringe benefit package, as outlined on pages 11 and 12 of this Agreement.

PAST PRACTICES

It is mutually understood and agreed that all previous Agreements are null and void, this being the only Agreement between the parties. All past practices shall be considered null and void effective the date of this Agreement.

SICK LEAVE

Sick days must be earned before they can be taken. Full time personnel to receive one (1) sick day per month worked. Sick leave to accumulate from year-to-year to a maximum of one hundred (100) days. Regularly scheduled part-time personnel to receive a pro-rated share in accordance with hours worked per day. After three (3) days of illness the Board may require a physician's statement.

SICK LEAVE BONUS

Personnel not using more than two sick leave days per year (days used for bereavement shall not be counted in the two days) will be compensated in a lump sum payment according to the following schedule:

<u>Days Used</u>	<u>Bonus</u>
0	\$75
1	\$55
2	\$35

Payment shall be made prior to August 1st annually. For purposes of the bonus program, personnel using a sick day (1/2, 1/3, etc.) shall receive prorated compensation. Sick leave bonus payments shall in no way affect the number of sick days accumulated by the employee.

CHAUFFEUR LICENSE

The driver will pay for his/her first chauffeur license. Following the probationary period chauffeur licenses are to be paid for by the employee and the district will then reimburse the employee for the cost of the license during the term of employment.

LEAVES OF ABSENCE

Leaves of absence with pay, not chargeable against the employee's allowance, for personal illness, shall be granted for the following reasons:

1. A maximum of five (5) days per death in the immediate family of the employee or the employee's spouse (the immediate family is defined as the spouse, children, parents or brothers and sisters).
2. Absence when an employee is called for jury service or is subpoenaed as a witness in court. The employee will be paid the difference between the daily salary and the court paid fee. The employee must present the court payment voucher to qualify for payment under this section.

Leave of absence with pay chargeable against the employee's allowance, for personal illness, shall be granted for the following reasons:

1. A total of three (3) days per calendar year for critical illness in the immediate family (as defined above).
2. Time necessary for attendance at the funeral service of a person, whose relationship to the employee warrants such attendance in the opinion of the superintendent. The superintendent's decision shall be final.

LIMITED HOURS

Drivers are not to work over forty (40) hours per week, however, in emergencies the bus supervisor has the authority to authorize a driver to work more than forty (40) hours per week.

SENIORITY AND EXTRA TRIPS

The seniority system shall apply to the assignment of extra trips. The bus supervisor will keep a list of drivers by seniority. This list will be used as a revolving system for assigning trips. If a driver is not available for the bus supervisor to reach, the next man on the list will be called. The bus supervisor shall have the authority to make extra trip assignments not based on seniority in emergency situations and when extenuating circumstances preclude seniority. In the event that a driver shows up for a scheduled extra trip that was cancelled without notification to the bus garage, the driver shall be compensated three (3) hours of "show up" time.

REGULAR ROUTES

Regular routes will be assigned on the basis of seniority.

EMPLOYEE EVALUATION

- A. It is understood that the evaluation process includes assessment of the driver's total job performance and may in part be based upon job-related conduct which has not been personally observed by the evaluator.
- B. Evaluations shall be reduced to writing and a copy given to the driver not later than March 1st on an annual basis. Evaluations shall be based on a period of time that adequately samples a driver's work, and shall be completed by the Transportation Supervisor.
- C. Following each formal evaluation, which shall include a conference with the evaluator, the driver shall sign and be given a copy of the evaluation report. The driver's signature shall not be construed to mean that he/she agrees with the contents of the evaluation and, if so desired, he/she may submit additional written comments to the evaluation as an attachment. All written evaluations are to be placed in the driver's personnel file.
- D. If the evaluator believes a driver is doing unacceptable work, the reasons therefore shall be set forth in specific terms in the written evaluation. Further evaluations will include whether or not improvement has taken place.

OTHER PROVISIONS

- A. The supervisor will keep a record on each driver as to any and all complaints. A copy of any serious complaint will be given to the driver, and one will be maintained in the driver's personnel file only after a hearing has been held between the supervisor and the driver. Drivers may also write a reply to any serious complaints.
- B. A driver accumulating three (3) points on their driving record shall be notified by the bus supervisor that they are placed on "conditional" status. Any driver accumulating six (6) points shall be terminated as a bus driver.
- C. Substitute drivers shall not be eligible for fringe benefits.
- D. Probationary drivers will not be included on the extra trip list until after the first year of employment, however, they may drive extra trips if a regular driver is not available.
- E. This agreement can be modified by mutual agreement of the parties.

SNOW DAYS

The parties agree to continue their past practice of compensating bus drivers on days when school is closed due to inclement weather, severe storms, fires, epidemics or other conditions beyond the control of school authorities, however, if the foregoing cancelled days may not be counted by the school district for purposes of receiving State Aid and meeting the number of State-mandated days, then any and all such days shall be rescheduled and bus drivers will be required to work on those rescheduled days with no additional salary paid to the bus drivers.
