WITNESSETH: WHEREAS, the parties hereto have reached an agreement for the purpose of facilitating the peaceful adjustment of differences that may arise from time to time and promoting harmony and efficiency to the end that the parties hereto may mutually benefit, the parties hereto covenant and agree as follows.

**ARTICLE I**

**MANAGEMENT RIGHTS**

**SECTION 1 - Management Rights** - The Board, on its own behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right to the executive management and administrative control of the school system and its properties and facilities, and the work-related activities of its employees; to hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote and transfer all such employees; and the exclusive right to plan the work, direct the work force, determine qualifications as referred to in this Agreement, hire new employees, and discipline employees for just cause.

The Employer agrees not to use their management rights for the purpose of discrimination and any grievance arising out of the exercise of this right and responsibility shall be subject to the grievance procedure. This section is not to conflict or disagree with the Agreement between the parties or any State or Federal law.

**ARTICLE II**  
**RECOGNITION**

**SECTION 1 - Recognition** - The Union and the MEA shall be and is hereby recognized as the sole and exclusive collective bargaining agency for the purpose of collective bargaining with respect to rates of Pay, Wages, Hours of Employment, and other Conditions of Employment for the employees of the Employer as defined in this paragraph. The term Employees, as used in this Agreement, shall mean all bus drivers, including the Sugar Island Bus Driver, Activity Bus Driver and School to School Shuttle, with the exception of Supervisors.

The District shall not negotiate individually with any bargaining unit member concerning wages, hours, terms or conditions of employment.

**SECTION 2 - Non-Discrimination** - The Employer recognizes and will not directly or indirectly interfere with the rights of employees to be members of the Union and will not discriminate against employees on account of Union membership or activity. Neither the Union nor any of its members will intimidate or coerce any employee or interfere with his/her right to work because of his/her refusal to participate in Union membership or activity.

An employee shall be able to attend union meetings and functions (one per month) provided that prior notice (24 hours) be given to the supervisor. It is understood that the employee must make up said time. It is also understood that said request may be denied in emergency situations.

**SECTION 3 - School Facilities** - The Union shall have the right to use school facilities, as approved by the administration, for union-related meetings. Telephones and inter-school mail will be available for legitimate union business. Any costs associated with the use of the Employer's telephones will be reimbursed by the Union.

**SECTION 4 – Staff Performance Recognition** - The Board of Education will recognize employees who have demonstrated outstanding individual and/or team performance. The district shall establish a Board Policy and Administrative Guideline for such staff recognition.

**ARTICLE III**  
**REPRESENTATION AND GRIEVANCE**  
**PROCEDURE**

**SECTION 1 - Definition**

- a. A grievance is an oral and/or written complaint upon an event or condition which is allegedly in violation of this Agreement.
- b. The grievant is the person or persons making this claim.
- c. The term days mean working days.

**SECTION 2 – Grievance Committee** - For the purpose of effectively representing the employees coming within the jurisdiction of the Union and this Agreement, the Union shall select a grievance committee consisting of three members, all of whom shall be employees of the Employer. The Union shall furnish the Employer with the names of the grievance committee members and the Employer agrees to deal with these representatives of the union in settling grievances and in bargaining under this Agreement.

**SECTION 3 - Grievances** - Employees attending mutually arranged grievance meetings will not lose any regular pay nor be paid extra for time spent outside of the regularly scheduled hours.

Any step of the grievance procedure may be extended by mutual written agreement between the parties. A matter involving two or more employees and the same issue, may be submitted by the Union as a class action grievance in writing within ten (10) working days of the event giving rise to the grievance or not later than ten (10) working days after the facts giving rise to the grievance should have reasonably been known to the employees involved.

**SECTION 4 - Grievance Procedure** - Grievances shall be taken up for adjustment in each case as necessary as follows: In order to be considered in the grievance procedure, a grievance must be filed not later than ten (10) working days after the event giving rise to the grievance or not later than ten

(10) working days after the facts giving rise to the grievance should have reasonably been known to the employee(s) involved.

**STEP # 1:**

An employee who has a grievance concerning his/her employment should promptly, and in no event later than ten (10) working days after occurrence, inform orally his/her immediate supervisor. The Supervisor shall then set a place and time within the next two (2) workdays for an oral presentation of the grievance. If the aggrieved employee wishes, a grievance committee member may assist the employee in the oral presentation.

If the aggrieved employee does not receive a satisfactory answer within two (2) working days after the oral presentation, the grievance may be submitted in written form to the immediate supervisor to be submitted to the Superintendent or his/her designee at Step #2, provided the submission is made within five (5) working days following an unsatisfactory answer at Step #1 or lack of answer thereof.

**STEP #2:**

Upon receipt of the written grievance, the Superintendent or his/her designee shall set a hearing to be held within ten (10) working days from the date the written grievance is submitted. The aggrieved employee may have a member of the Grievance Committee represent them at the hearing.

If the aggrieved employee does not receive a satisfactory answer or no answer within five (5) working days after the written grievance is heard in Step #2 by the Superintendent or his/her designee, the union may request that the written grievance be submitted to Step 3.

**STEP #3:**

Upon receipt of the appeal from Step 2, the Superintendent or his/her designee shall schedule a Step 3 meeting to be held within ten (10) working days. The aggrieved employee shall have the assistance of the Grievance Committee at the hearing as well as a representative of the International Union.

If the aggrieved employee does not receive a satisfactory answer or no answer within ten (10) working days after the written grievance is heard in Step 3 by the Superintendent or his/her designee, the Union may give written notice to the Superintendent of its intention to give to arbitration.

**STEP #4:**

Within ten (10) working days from receipt of the Step #3 answer, or lack of answer thereof, either party may request the Michigan Employment Relations Commission to assign a Mediator to assist in resolving the grievance.

In the event that neither party requests mediation, or if mediation services are unavailable or unsuccessful, either party may file for arbitration to the Michigan Employment Relations Commission with a copy of the notice sent to the other party.

Either party desiring to arbitrate will notify the other party in writing setting forth the matter or matters to be arbitrated. The arbitrator shall be selected in accordance with the rules of the Michigan Employment Relations Commission, except each party shall have the right to peremptorily strike no more than three names from the list of arbitrators. The Union shall strike the first name; the District shall then strike one name. This process shall be repeated three times.

The decision of the arbitrator will be final and binding on the parties. The arbitrator will have no power to add to, detract from, or modify the Agreement, and the subject of a general wage increase shall not be subject to arbitration. The expense of the arbitrator will be borne equally by the parties hereto. A grievance, to be subject to arbitration, must involve the meaning or application of the Agreement or an alleged violation thereof. Employees attending grievance meetings shall not be paid extra nor lose time while attending such meetings.

The Committee shall have the right to call in a Representative of the International Union at any time. The Chairman of the Grievance Committee will be permitted a reasonable amount of time away from his/her work with pay to assist in the adjudication or investigation of grievances or complaints. He/she shall attempt to perform such duties at such times as will have a minimal effect on his/her work and will secure the consent of the Supervisor before leaving his/her job. Such consent shall not be arbitrarily withheld.

Expedited arbitration may be utilized by mutual agreement of both parties.

**ARTICLE IV**  
**DISCHARGE AND SUSPENSION**

**SECTION 1 - Discharge and Suspension** - An employee who is discharged or suspended, who considers such discharge or suspension without just cause, may present a grievance within ten (10) working days of such action, as provided in Article III, Section 4, to the Third step of the grievance procedure.

**ARTICLE V**  
**SENIORITY, LAYOFF AND**  
**PROMOTIONS**

**SECTION 1 - Seniority** - Seniority shall mean the amount of seniority accumulated by the employee as a regular employee of the school district, whether outside or within the bargaining unit. Unit seniority shall mean the amount of seniority accumulated by the employee within the bargaining unit.

For employees hired on the same date, the employee's birth date will determine seniority with the oldest being senior.

**SECTION 2 - Loss of Seniority** - Seniority shall be broken only by discharge, voluntary quit, retirement, or layoff for more than two (2) years, or not returning from a leave of absence within two (2) years. In the event of recall, a laid off employee shall be given one week's notice of recall by certified mail to the employee's last known address. In the event the employee fails to make him/herself available for work at the end of said one (1) week without an acceptable reason, all seniority rights shall be lost under this Agreement.

If the employee is absent from work for two (2) consecutive working days without notifying the Employer prior to or within such two (2) day period of a justifiable reason for such absence, if it was possible for such notice to be given, the employee shall lose all seniority rights under this Agreement.

A bargaining unit member who accepts a position with the Employer in another bargaining unit of the MEA will have their seniority in the bargaining unit frozen as of the first day they accept the position

in the other bargaining unit. An employee who transfers to an excluded position with the Employer has one year to indicate in writing to the Employer of their wishes to return to their former position in the bargaining unit and must return within one year.

Any employee staying in a supervisory position after one (1) year shall not have the right to return to the bargaining unit unless such time period is mutually extended by the bargaining unit and the Employer.

**SECTION 3 - Promotions** - The parties recognize that job opportunity and security should increase in proportion to length of service and ability to perform the work. It is agreed therefore that in all cases of promotion, demotion, transfer, recall, and layoff the following factors shall be considered:

- a. bargaining unit seniority
- b. physical fitness for the work
- c. ability (qualifications) to perform available work

Where factors (b) and (c) are relatively equal, unit seniority shall be the governing factor. In the event of a dispute over the relative equality of factors (b) and (c) in the case of any employee, a trial period of thirty (30) days or a certification period of ninety (90) days shall be provided if requested by the grievance committee of the Union after a full discussion of the matter with the Employer. The question of ability and/or physical fitness for the job shall be determined by the Employer at the end of such trial/certification period.

Job announcements may be posted for six (6) working days. Jobs may be posted for fewer working days upon agreement of the Union and the District. When awarded a bid, the employee will be moved within twenty (20) working days.

An employee awarded a position or bumping into a position will have the option of returning to their previous job within twenty (20) working days if they find they are not suited for the position.

The District may run the internal and external posting concurrently if they are aware that no internal candidate possesses the qualifications to be awarded the position. Should an internal candidate present

the District with evidence of meeting the qualifications during the internal bid process, the existing employee with highest Unit seniority will be awarded the position.

**SECTION 4 - Reduction In Force** - In the event of a reduction in force that necessitates the layoff of any employee from the system, the employee with the least seniority within the bargaining unit will be the first to be laid off regardless of his position. However, in order to be retained or recalled the employee or employees must be able to perform available work efficiently.

Employees to be laid off for an indefinite period of time will be given a written notice of layoff at least ten (10) working days prior to the effective date. Also, the employer shall give written notice to the Local Union President and the Chairperson of the Grievance Committee on the same day as the employee is notified.

When it is necessary to reduce the number of employees in any job classification due to elimination of the job, a reduction in the number of employees in that job or other reason, the employee on the job with the least seniority will be released from that job. Such employee will then be allowed to displace an employee with less unit seniority on another job classification provided the displacing employee is able to satisfactorily perform the duties of the job the employee seeks to displace into. Any employee displaced under this procedure will, in turn, have a like right until, by the process of elimination, the employee with the least unit seniority is laid off or, if no layoff is contemplated, is assigned other work by the Employer.

Employees on layoff shall be placed at the top of the substitute list and given priority status and will be paid the regular union rate of pay for the job they are performing. Employees who are collecting unemployment compensation benefits agree to forfeit their eligibility for such benefits for the day(s) they are called to work and do not report for work.

Laid off employees shall have their sick leave frozen during the time of layoff. Employees shall be removed from the layoff list after a two year period, and shall no longer be subject to recall.

Any employee who has been accepted into a new position through the displacement procedure will be placed in the new position no later than a month after acceptance, when possible.

**SECTION 5 - Probation** - New employees shall be on probation for a period of one hundred twenty (120) working days before they accrue seniority rights and the right to release such probationary employees shall be vested exclusively in the Employer regardless of other provisions of this Agreement. Probationary employees retained in excess of one hundred twenty (120) working days shall have seniority from date of hire. The one hundred twenty (120) working day probationary period may be extended by mutual agreement by thirty (30) working days

**New Employees** - Within two weeks following the end of the probationary period, the employer will notify the union secretary of the status of the employee.

If a vacancy is posted within the bargaining unit during an employee's probationary period, the employee will be permitted to bid providing they meet the prescribed qualifications, however, their selection shall be at the sole discretion of the District without recourse to the grievance procedure. If the employee is selected for the promotion, a new one hundred twenty (120) working-day probationary period will be required.

**SECTION 6 - Permanent Vacancies** - Within ten working days after the actual occurrence of a permanent vacancy, a notice will be electronically mailed to all members of the bargaining unit and sent electronically to building secretary to print and put in mailbox for members indicating the vacancy. One paper copy will be sent by U.S. mail to the Lead Association Representative. It is the Association Representative's responsibility to notify membership of the position. The notice will contain the position, its location, and hours when less than full time. All positions will be abolished and re-bid that have a permanent minimum change of two hours in assignment or change that would cause a change in benefits or when there is a change in primary duties.

Should the position remain vacant after the bidding process, a new employee will be hired in a reasonable amount of time, if it is deemed that the position is necessary.

**SECTION 7 - Temporary Vacancies** - When temporary vacancies occur, they will be filled on the basis of seniority and qualification without undue interference with the regular work schedule. Vacancies hereunder shall not be subject to the bidding procedure.

**SECTION 8 - Temporary Workers** - The parties recognize that it is necessary to employ temporary workers at times.

A temporary worker shall be defined as one who is hired for a specific project not to exceed sixty (60) Calendar days without intent on the part of the employer to reemploy the temporary worker after the temporary job is completed. A temporary worker shall accrue no seniority while so employed.

**SECTION 9 - Substitute Workers** - The parties recognize that it is necessary to employ substitute workers at times. A substitute worker shall be defined as one who is hired to replace Union members who are absent from work because of an approved leave or due to illnesses, vacations, resignation, or dismissal. Such substitute worker shall accrue no seniority.

**SECTION 10 - Handicapped** - The parties agree that employees handicapped by physical impairment in a manner or degree to restrict their ability to perform assigned work should receive special consideration under the seniority provisions.

Any employee so handicapped shall have the obligation to furnish medical proof in the form of a written statement from their physician detailing the impairment. Copies of the statement shall be submitted to the Superintendent or designee and the local Union President.

Accordingly, any seniority provisions may be altered or waived with respect to such employees as mutually agreed between the Employer and the Union. It is understood that the provisions of this Section are inapplicable to employees eligible for retirement.

**SECTION 11 - Performing Supervisory Work** - When a supervisor is absent, the person appointed by the administration in writing, to take their place shall receive one dollar (\$1.00) per hour above their present rate for the time spent replacing the supervisor.

Upon mutual agreement between the union and administration, the administration may offer supervisory duties to an employee regardless of seniority. The administration will give initial consideration to employees within the bargaining unit. The supervisory duties are not considered automatically part of a specific work assignment. The employee has the right to refuse the duties,

and/or accept a trial period of one year or less. At the end of the trial period, the employee may retain the supervisory duties or return to their former duties.

**ARTICLE VI**  
**WAGES, HOURS AND WORKING**  
**CONDITIONS**

**SECTION 1 - Schedules** – Unless a position is bid otherwise, there is hereby recognized a normal five consecutive day week, Monday through Friday with lunch breaks.

The employees shall be entitled to a fifteen (15) minute relief period during a.m. and p.m. portions of the day. Breaks for bus drivers may be scheduled differently so as not to interfere with bus runs.

**SECTION 2 - Wages** - The wage rates for all job classifications covered hereunder are shown on the Wage Schedule attached hereto and made a part hereof as "Schedule A". The administration will continue to place vacation and sick leave balances on electronic paycheck stubs.

The Board of Education will pay the employer's contribution to the Michigan Public School Retirement Fund.

**SECTION 3 - Compensation for Field Trips** - For all field trips confined to a single day, the rate will be applied to actual driving time from departure until returning to base. Time shall be computed from the time the employee is ordered to report to work and registers in, and until the time the employee is effectively released from duty.

Overnight trips: the driver will be entitled to a minimum of his/her regularly scheduled hours at his/her regular rate. For hours in excess of the regularly scheduled hours, Article IX, Section 9, Overnight Trips applies.

All unit members will receive his/her payroll compensation by direct deposit.

**SECTION 4 - Overtime** - The overtime rate will be based on one and one-half times the hourly rate of the work performed.

**SECTION 5 – Compensatory Time** - Bargaining unit members may be granted time off with pay rather than receiving overtime pay. All hours granted as time off with pay for hours worked in excess of forty (40) hours in a workweek are to be considered as compensatory time and scheduled as one and one-half (1½) hours for each overtime hour worked. An employee may not accrue more than 100 hours of compensatory time.

The use of compensatory time must be arranged by mutual agreement between the employer and the employee and used when school is not in session or when mutually agreeable with the supervisor. Compensatory time shall be used during the fiscal year in which it was earned.

An employee who has accrued compensatory time shall upon termination of employment, be paid for the unused compensatory time at the regular rate earned by the employee at the time the employee accrued the compensatory time.

**SECTION 6 - Emergency** - Employees reporting for duty at the Employer's request for work which is outside of and not continuous with their scheduled work period, shall be guaranteed two (2) hours pay at the rate of time and one-half their regular rate.

**SECTION 7 - Inclement Weather** - If due to inclement weather or other emergency conditions, the school district is closed down by order of the Superintendent, bargaining unit members will not lose time or pay providing they are in pay status and are scheduled to work. Employees who report for work because of essential services requirements, shall be compensated at one and one-half times their regular rate of pay, or at the employee's option, with the approval of the supervisor, equivalent time off work at the rate of time and one-half, with pay at a later date. At the beginning of the school year, the Employer shall inform employees who are assigned to "essential service positions."

**SECTION 8 - New Positions** - Whenever the Employer establishes a new position different and distinct from those now in existence or makes a substantive change in an existing position, the Employer will immediately notify the Union, giving all pertinent information relative to the new or

changed job. The parties will then meet promptly to attempt to agree on a rate of pay for such job. If the parties agree on a new rate of pay, it becomes effective with the institution of the new job.

If the parties are unable to agree on a new rate or if they are unable to agree on whether or not a job change is substantive enough to warrant a rate change, the Employer may institute the rate proposed by the Employer and the Union shall have ten (10) working days in which to file a grievance protesting the equity of such rate and the matter will be processed through the grievance procedure, including arbitration. In the event a grievance is filed hereunder, the Employer shall not be liable for more than up to ten (10) days back pay prior to the date the grievance was filed.

Any rate adjustments made hereunder shall be kept equitable with already existing rates in so far as possible. Employer shall not be liable for back pay beyond the date the grievance was filed.

**SECTION 3- Donation of Vacation Leave** - An employee desiring to donate accrued vacation leave to another member of the bargaining unit must make a written request to the Union for donation of vacation time to be deducted from the donors accrued vacation allotment. A copy of this request must be submitted to the Superintendent of designee for appropriate recording purposes.

It is understood that the maximum earned for the above is 12.15 days, for employees hired after July 1, 2014, the maximum earned for both above is nine (9) days, and the employee's regular rate shall be paid for such time off. Employees may be permitted to use sick leave for a catastrophic family illness subject to Superintendent or Designee approval and not subject to the grievance procedure. Sick leave for all bus driving staff is subject to unlimited accumulation.

The employer may request a doctor's certificate covering any illness exceeding three (3) consecutive days.

**10 - 11 Month Employees** - Sick leave and personal leave may only be taken when an employee is actually at work or scheduled to work and not on leave or vacation except that:

Leave without pay accumulating to ten (10) days during a fiscal year will result in the member no longer being eligible for Board paid fringe benefits including but not limited to hospitalization. The member may continue coverage at his or her own expense. A day is based on the driver's scheduled regular route hours.

All bus drivers must use their paid vacation during school breaks and not during the regular school year when school is in session. However, bus drivers can submit for days off based on availability of substitutes. In order for vacation days to be used when school is in session, approval of the bus supervisor must be obtained, and an authorized substitute must be in place. Failure to follow procedure may lead to action on the part of the administration. Denial of time off requests under this section is not subject to the grievance procedure.

Neither vacation nor unpaid leave shall be granted for the first or last day of the school year nor on the first working days preceding or following a vacation period or holiday, except in cases of extreme emergency. The member must have the approval of the immediate supervisor on such emergency leaves.

Exceptions to this rule will apply. If a sub driver is available and willing to take the scheduled runs and if the direct supervisor approves, the employee may request the days off, a final decision is not subject to the grievance procedure.

**SECTION 10 – Extended Leave of Absence** - The Superintendent or Designee may consider a leave of absence without pay for one (1) year with the possibility of one extension for a second year. An employee desiring a leave of absence shall file a written request for such leave with the Superintendent, or designee, outlining the reason for such request and the duration of the leave requested and a copy of said request shall be sent to the recording secretary of the Local Union.

Leave of Absence will only be granted for appropriate reasons and no leave will be granted for the purpose of working elsewhere. Any employee working elsewhere during a leave of absence granted hereunder will be terminated immediately.

Leaves of absence will be for a pre-determined time period and the employee will either:

- a. return to work at the expiration of a leave
- b. request and receive an extension of such leave
- c. terminate his/her employment on the date the leave expires.

An employee on leave of absence will forfeit any right to bid on vacancies that may occur during such leave and will have no inherent right to any promotions that occur during such leave upon return to work.

During any authorized leave of absence without pay of more than fifteen (15) consecutive calendar days, a member will not accrue sick leave nor be eligible for any fringe benefits paid by the Board including but not limited to hospitalization.

Upon return to work after a leave of four (4) months or less, the employee will be returned to the job last held before such leave. An employee returning from a leave of four (4) months or longer will be placed in the job formerly held if possible or as an alternative, may be placed on another position at equal pay. Seniority will accrue during such authorized leave of absence.

**SECTION 11 - Medical Leave of Absence** - The Superintendent or Designee may consider a medical leave of absence without pay for one (1) year with the possibility of one extension for a second year for an employee who (1) is unable to work because of personal sickness or injury and (2) has exhausted sick leave and vacation leave.

An employee desiring a medical leave of absence shall file a written request for such leave with the Superintendent of designee including evidence of disability satisfactory to the District. Any employee working elsewhere during a leave of absence granted hereunder will be terminated immediately.

Leaves of absence will be for the period of continuing disability, but not to exceed one (1) year, and the employee will either:

- a. return to work at the expiration of a leave

- c. terminate his/her employment on the date the leave expires.

An employee on leave of absence may bid on vacancies, which occur during such leave; however, they must be able to assume the position within ninety (90) calendar days of the award date.

During any authorized leave of absence without pay of more than fifteen (15) consecutive calendar days, a member will not accrue sick leave.

During any medical leave of absence granted, the employee shall continue to accumulate seniority.

Upon return to work after a leave of four (4) months or less, the employee will be returned to the job last held before such leave. An employee returning from a leave of four (4) months or longer will be placed in the job formerly held if possible or as an alternative, may be placed on another position at equal pay.

**SECTION 12 - Absent From Work** - An employee is expected not to be absent from work for any reason other than personal illness without making prior arrangements with the employee's Supervisor. Unless such prior arrangements are made, an employee who, for any reason, fails to report for work must make a sincere effort to immediately notify the Supervisor of the reason for being absent. If the absence is to continue beyond the first day, the employee must notify the Supervisor on a daily basis unless otherwise arranged with the Supervisor. In proper cases, exceptions will be made.

An employee shall lose status as an employee and seniority if absent from work, including the failure to return to work at the expiration of a leave of absence, vacation or disciplinary layoff, for two (2) consecutive working days without notifying the Employer, except when the failure to notify and work is due to circumstances beyond the control of the employee.

**SECTION 4 – Health Insurance** - The District will provide a partial premium towards medical insurance coverage, subject to the provisions of PA 152. This coverage shall be available for twelve (12) months to all employees working the full calendar year from January 1<sup>st</sup> – December 31<sup>st</sup>.

up to a maximum monthly benefit of \$2,500.00 with a modified fill. Monthly benefits shall continue until death, age 65, or recovery, and for a maximum of two (2) years for alcoholism/drug addiction or mental/nervous reasons. All claims are subject to the provisions of the insurance underwriter. Any and all disputes are expressly barred from the scope of the Grievance Procedure and therefore from the jurisdiction of an arbitrator.

**SECTION 9 - Annuity or Payment in Lieu of Insurance Coverage** – Current employees (those hired prior to January 1, 2018) who are eligible for health insurance at the District's expense, but who elect not to be covered by said insurance, shall be entitled to a payment or annuity of \$200.00 per month for any month during which health insurance is not provided for said employee at the District's expense. This Payment in Lieu of Insurance coverage will remain a part of this bargaining agreement until June 30, 2019 (at completion of this agreement). At that time there will be no payment in lieu of insurance for those covered by this agreement. Those members of the bargaining unit currently receiving cash in lieu (prior to the completion of the August 31, 2017-July 31, 2019 Agreement) will continue to receive their current cash in lieu payment until the termination of their employment.

Effective September 1, 1995, any employee who is eligible for dental and vision insurance at the District's expense, but who elects not to be covered by said insurances, shall be entitled to a payment or annuity of \$10.00 per month for any month during which dental and vision insurance is not provided for said employee at the District's expense.

**SECTION 10 - Insurance Caps**

<b>Health</b>	<b>2019-2020</b>	
<b>1 Person</b>	<b>\$546.71 per month</b>	<b>\$6,560.52 per year</b>
<b>2 Person</b>	<b>\$1,144.09 per month</b>	<b>\$13,729.07 per year</b>
<b>Family</b>	<b>\$1,491.03 per month</b>	<b>\$17,892.36 per year</b>

Cap figures are applied to the total cost of premium, taxes, and fees as per PA 152. Co-pays shall be calculated for insurance costs from December 31-January 1, and be spread over the December-January pays.

The district reserves the right to modify the insurance coverage or change carriers subject to the insurance caps listed above.

The employee co-pay will be equal to any costs over the above rates and will be deducted from the bargaining unit member's pay by payroll deduction. The Board agrees to maintain a qualified IRS Section 125 *Cafeteria* Plan that the bargaining unit member may enter into; employee portions will be deducted by a salary reduction agreement. In the event the said options become taxable, the Board shall not be liable for said taxes, subject to the provisions of PA 152.

Should the cost of insurance for the group fall below this amount, the savings will be divided among all those employees eligible for insurance (the group). The actual insurance costs will be computed in June as soon as the June bill is final and compared to what the total would have been for the group for the year. The savings will then be divided equally among the members eligible for insurance. The year shall be considered December 31st – January 1st, in accordance with PA 152 and the insurance plan year. The savings will be calculated and paid, if savings exist, each year of this contract. Any and all taxes and retirement costs associated with the payment shall be the responsibility of the employee. The savings shall be paid to the employees through the payment plan mutually agreed upon by the Group and Administration each fall. Any employee who leaves employment prior to January or who starts employment after July shall be entitled to a pro-rated amount for this payment based on the months they were employed.

For example, should the yearly savings for the group amount to \$336,600 and there are 99 members in January that are eligible for insurance, each would receive \$3,400 less any and all taxes and retirement costs.
