MASTER AGREEMENT
2011-2013**

This Agreement is entered into by and between the Crawford AuSable Support Staff Federation affiliated with MFT, AFT, AFL-CIO, hereinafter termed the "Union", and the Crawford AuSable School District, hereinafter termed the "Board", who shall be the sole parties to this Agreement.

**ARTICLE I
RECOGNITION**

- A. The Board hereby recognizes the Union as the exclusive bargaining representative for all food service, media center paraprofessionals, monitors, instructional paraprofessionals, technology paraprofessionals, and other paraprofessional personnel, employed or to be employed by the Board (whether or not assigned to public school building), but excluding supervisory personnel. The term "employee" when used hereinafter in this Agreement shall refer to all employees represented by the Union in the bargaining unit as above defined and reference to one sex shall include the other.
- B. Within thirty work days of the beginning of their employment hereunder, the employee may sign and deliver to the Board an authorization for deduction for Board approved voluntary deductions, savings bonds and membership dues and assessments of the Union upon such conditions as the Union shall establish, and other deductions mutually agreed upon by the parties, such sum to be deducted from the regular salaries of all members and remitted not less frequently than monthly to the Union.
- C. Nothing contained herein shall be construed to deny or restrict to any employee rights she/he may have under the Revised School Code of 1996, as amended, all regulations pursuant thereto, and other laws and regulations. The rights granted to employees herein shall be deemed to be in addition to those provided elsewhere.
- D. A copy of the letter to new employees will be sent to the Union President and Treasurer.

**ARTICLE II
FINANCIAL RESPONSIBILITY**

- A. Any employee who is not a member of the Union in good standing or who does not make application for membership within thirty (30) work days from the date of commencement of duties shall; as a condition of employment, pay a service fee to the Union, which shall be an amount equal to the dues required to be paid by the members of the Crawford AuSable Support Staff Federation affiliated with MFT, AFT, AFL-CIO. The employee may authorize payroll deduction for such fee in the same manner as provided in the preceding Article. In the event that an employee shall not pay such service fee directly to the Union or authorize payment through payroll deduction, the Board shall, at the request of the Union, terminate the employment of such employee. The parties recognize that the failure of any employee to comply with the provisions of this Article is just and reasonable cause for discharge from employment.
- B. The procedure in all cases of discharge for violation of this Article shall be as follows:
 - 1. The Union shall notify the employee of noncompliance by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall provide ten (10) work days for compliance and shall further advise the recipient that a request for discharge shall be filed with the Board in the event that compliance is not effected.

2. If the employee fails to comply, the Union shall file charges in writing with the Board and shall request termination of the employee's employment. A copy of the notice of noncompliance and proof of service shall be attached to said charges.
 3. The Board, upon receipt of said charges and request for termination, shall conduct a due process hearing on said charges. In the event the employee complies with the financial responsibility provisions herein at any time prior to discharge, the Union shall withdraw charges.
- C. The Board agrees to remit service fees which are payroll deductible not less frequently than monthly to the Union.
- D. The Union agrees to assume the legal defense of any suit or action brought against the Board regarding this Article. The Union further agrees to indemnify the Board for any cost for damages which may be assessed against the Board as the result of said suit or action, subject, however, to the following conditions:
1. The damages have not resulted from the negligence, misfeasance or malfeasance of the Board or its agents.
 2. The Union, after consultation with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of this section or the damages which may be assessed against the Board by such court or tribunal.
 3. The Union has the right to select legal counsel to defend any such suit or action.
 4. The Union shall have the right to compromise or settle any claim made against the Board under the provisions of this Article.

This Article shall be effective retroactively to the date of this Agreement, and all sums payable herein shall be determined from said date.

If an employee works additional time or overtime in a different job classification, the employee will be compensated accordingly at the hourly wage for that job classification, at the step the employee is currently employed at. Whenever the situation arises that requires work over and above the regular 40 hour work week, assignments of personnel will be made by the supervisor involved and will be scheduled equally among employees. Any employee who works on a holiday listed in Article III, F will be compensated at 1½ times his/her regular hourly wage. All scheduled overtime must be approved by an Administrator.

- E. The following would be used to develop schedules at the building level. These are the parameters at the building level.

Break and Lunch Periods:

In filling such vacancy, the Board agrees to give due weight to the background and attainments of all applicants, the length of time each has been in the unit and other relevant factors. An applicant with less service in the unit shall not be awarded such position unless his/her qualifications as outlined in the job description and/or job posting therefore shall be substantially superior to applicants with greater seniority. The Board declares its support of a policy of promotions when merited from within its own staff, including promotions to supervisory or executive levels. Seniority in the unit, for purposes of this Agreement, shall mean continuous employment as an employee of the support unit, but shall exclude all periods when the employee was on leave of absence for any cause. ARTICLE VII SENIORITY, DISPLACEMENT, LAYOFF, AND RECALL

SENIORITY

- A. Seniority shall be defined as the length of service to the district, beginning with the date of hire (except anyone hired as a two hour or 2 + 2 hour paraprofessional).
- B. No later than thirty work days following the ratification of this Agreement and by September 30 thereafter, a seniority list shall be prepared by the Board and submitted to the Union for approval.
- C. In the event that a reduction of personnel shall become necessary, the following method shall be used in determining the order of retention for all other employees:
 - 1. Any employee who requests layoff will be laid off first.
 - 2. Those employees with the greatest seniority in the unit shall be retained; provided that they qualify for a position and said position is not claimed by an employee with greater seniority who meets the requirements of the paragraph.
 - 3. If two or more employees are found to have equal status in (2) above, the employee possessing the most seniority in the bargaining unit shall be retained.
 - 4. If two or more employees are found to have equal status in (2), and (3) above, the employee originally employed by the district at the earliest date shall be retained.
 - 5. If two or more employees are found to have equal status in (2), (3) and (4) above, the employee with the highest last four social security digits shall be retained.
- D. The seniority list shall be published and copies furnished to the Union. Periodic revisions shall be derived, published and distributed in the same manner.
- E. All seniority is lost when there is both a severance of employment and a break in service, unless this is due to layoff. In such cases, provisions of the seniority clause shall prevail.
- F. The duly elected Union President, Vice President, Secretary, Treasurer and Union Chief Negotiator shall be kept at their original position on the seniority list.

DISPLACEMENT

- A. Displacement only applies in a lay-off situation.
- B. Beginning with the first name on the seniority list, each individual will select a position for which he/she is qualified, according to the first applicable procedure listed below:
 - 1. Current department within the same building;
 - 2. Current department within another building;

3. Another department which he/she is qualified in the same building;
 4. Another department which he/she is qualified in another building.
- C. Employees will be given up to three (3) calendar days after personal or verbal notification from administration to make their decision as to which position they choose to displace.

LAYOFF

A. Reduction in Personnel

1. No employee shall be laid off pursuant to a necessary reduction in personnel unless there is substantial decrease in the students enrolled in the school district, there is substantial decrease in the revenues of the school district or there are other substantial budgetary considerations which shall have detrimental effect on the district. The decision as to the existence of cause for necessary reduction in personnel shall be subject to the grievance procedure.
2. No employee shall be discharged pursuant to a necessary reduction in personnel.
3. No employee shall be laid off pursuant to a necessary reduction in personnel for any school year or portion thereof unless said employee shall have been notified of said layoff at least forty five (45) work days prior to the commencement of the layoff period.

B. Layoff Benefits

1. When reduction of staff is necessary, all requested leaves of absence for any reasonable purpose shall be granted by the Board.
2. A laid off employee shall receive insurance/annuity benefits as herein provided for a period of six months following the effective date of his/her layoff, or until equally covered by a subsequent employer.
3. The Board and the Union shall jointly establish a priority substitution list, based upon seniority as described herein, including all bargaining unit members affected by layoff. Such list shall be used in the selection of members to substitute for any employee on sick leave or other types of leaves. Removal from the substitution list may occur if the substitute receives one (1) or more reviews showing substantially substandard performance.
4. Laid off employees/reduction of hour employees shall receive their regular rate of pay when called to do substituting in the district.

RECALL

- A. It is the responsibility of laid off employees to maintain a current address with the Board of Education.
- B. Displaced employees with reduced number of hours have the right to be recalled to their former number of hours.
- C. Laid off employees shall be recalled to the first vacancy for which they are qualified in reverse order of layoff. All laid off employees shall be recalled immediately upon the resolution of any crisis which may have precipitated the reduction in staff.
- D. A laid off employee shall be considered laid off until he/she is reinstated in the district, refuses an offer from the Board of a position for which he/she is qualified, fails to respond within fourteen calendar days of its receipt to a written offer of a position made by the Board, or is laid off for a

period of time equal to the length of time the employee has worked in the unit up to three (3) calendar years. After the layoff period has expired, all seniority rights are forfeited.

- E. Notifications of a recall shall be in writing with a copy to the Union. The notification shall be sent by certified mail to the employee's last known address.
- F. A laid off employee shall be given fourteen (14) work days to notify the Board that he/she is interested in a position and an address through which he/she may be contacted. If an employee notifies the Board as required above, said employee shall be kept on the layoff list with all the rights to which he/she was entitled under this Article to any subsequent opening for which he/she is qualified. *Failure to notify within fourteen (14) work days can be considered a resignation.*
- G. Recalled employees shall be entitled to all sickness and leave benefits as provided herein. Utilization of such benefits or an existing necessity for utilization of such benefits shall not be considered proper reason for failure to recall or reinstate.
- H. No new employee shall be employed by the Board while there are employees in the unit who are laid off that are qualified for the position.

ARTICLE VIII SICK LEAVE

- A. An employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability until the end of the current school year and the leave of absence will be renewed each year upon request in writing by the employee. The employee will return to the former position at the end of the next semester after his/her leave begins.
- B. Absence due to injury or illness incurred in the course of the employee's employment shall not be charged against the employee's sick leave days only when approved by the district Workers' Compensation carrier. The employee can use sick days to equate the difference between his/her salary and benefits received under the Michigan Workers' Compensation Act for the duration of his/her absence provided such practices are in compliance with the district carrier's provisions.
- C. An employee shall not suffer diminution of compensation and shall not be charged with sick leave if the employee's absence is due to mumps, scarlet fever, measles, chicken pox, head lice, scabies, or pink eye.

ARTICLE IX LEAVE OF ABSENCE

- A. Leave of absence with pay, chargeable against the employee's allowance, shall be granted for the following reasons:
 - 1. A maximum of five work days per school year for serious illness in the employee's (or employee's spouse's) immediate family; husband, wife, children, parents, in-laws, grandchildren, foster parents, grandparents, or siblings (where the employee is unavoidably responsible for their care).
 - 2. One day when emergency illness in the family requires an employee to make arrangements for necessary medical or nursing care.
 - 3. Attendance at a ceremony awarding a degree to a staff member for such portion of the day as is necessary.

4. One day, except when travel requires additional time, for attendance at the school graduation of a son, daughter, husband, wife or self.
 5. Time necessary to conduct personal affairs which cannot normally be handled outside school hours, such as performance of religious obligations and medical and dental appointments when such appointments cannot be made at any other time.

1. Up to five work days following a death in the immediate family. (Immediate family: spouse, children, parents, foster parents, parents-in-law, grandparents, brothers, sisters, brothers-in-law, sisters-in-law, grandchildren, or any person for whose financial or physical care the employee is primarily responsible.) When funeral arrangements or other demonstrable obligations fall on an employee following death of any person not covered above, this provision shall be extended to include that person.
 2. Approved attendance at educational conferences or conventions, or professional development opportunities including Federation meetings.
 3. Time necessary to take the selective service physical examination.
 4. Eight (8) days for the Union for Union business. Up to four (4) additional days may be granted if approved by the joint committee as described in Article XV (A). Any additional time needed for Union business will be granted and the Union will reimburse the school for the amount of the pay for the substitute.
- C. A military leave of absence without pay shall be granted to any employee who shall be inducted or shall enlist for a first tour of duty in any branch of the armed forces of the United States. Upon return from such leave, an employee shall be given credit for time served up to two years on the salary schedule as he/she would have been had he/she worked in the District during such period.
- D. A leave of absence without pay shall be granted to any employee upon application for the purpose of campaigning for or serving in a public office. Upon return from such leave, an employee shall be placed at the same position on the salary schedule as he/she would have been had he/she worked in the system during such period. If any employee desires to return to work within one year after going on maternity leave, the employee must inform the Assistant Superintendent/Business Manager in writing the date of their return to work. Return from such leave will be with the doctor's approval.
- E. An employee may return from leave provided in this Article whenever there is a position open for which the employee is qualified and interested, and shall be placed on that step of the salary schedule from which the employee went on leave. An employee adopting a child may receive similar leave which shall commence upon entry of an order terminating the rights of the natural parents by the probate court.
- F. A person on unpaid leave may continue group coverage in such fringe benefits as are then current by paying the Board for such coverage at such time as the premiums are due provided such an arrangement is in compliance with the insurance carrier.
- G. Leaves of absence for short periods of time, without pay, for the purpose of recreation, vacation, relaxation, professional workshops, special events, etc. may be granted only after application to the employee's building principal and review by a committee composed of the Principal,

Superintendent's designee, Support Staff Federation President and the employee's building representative. If the committee feels the employee has a legitimate need to be absent for the purpose stated, the committee may award a leave of absence of up to ten working days. For an unpaid day to be granted, a minimum of five working days prior notice must be given to obtain an acceptable substitute. All days permitted will be docked not only for pay, but the cost of fringe benefits at the rate of the cost of the total fringe benefit package divided by the number of days in the school year.

- H. An educational leave of absence without pay shall be granted for a period of eighteen weeks with approval of the Superintendent. Employees shall retain their position and their accumulated sick and personal days while on leave.

ARTICLE X EMPLOYEE EVALUATION

- A. All monitoring or observation of the work performance of an employee shall be conducted openly and with full knowledge of the person involved. The use of eavesdropping, closed circuit television, public address or audio systems and similar surveillance devices shall be strictly prohibited. This does not preclude the gathering of this information based on reasonable cause or substantiated charges.
- B. An employee shall at all times be entitled to have present a representative of the Union when he/she is being reprimanded, warned or disciplined for any infraction of discipline or delinquency in performance. When a request for such representation is made, no action shall be taken with respect to the employee until such representation of the Union is present.
- C. No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of employee performance or violation of ethics asserted by the Board or any agent or representative thereof shall be subject to grievance negotiations procedures hereinafter set forth.
- D. Written evaluations will be given at least once every other year. The employee will receive a copy within five (5) working days.
- E. Any complaint against an employee which is not serious enough to create a written record thereof may not be brought up later in evaluating or reprimanding an employee. For a complaint to be used later in an evaluation or reprimand, it is agreed that the creation of the written record must take place within five (5) working days following the complaint being registered. Copy of such written record shall be presented to the employee involved within the five (5) day time frame. This does not preclude a series of verbal notifications prior to escalation of a problem to the degree that there may be a need to reference the problem in an evaluation or reprimand. When this level of escalation is reached, the written notification must be made as outlined above, in order for the problem to be referenced in an evaluation or reprimand.

ARTICLE XI PERSONNEL FILES

For Evaluative, Disciplinary or Derogatory Statements:

- A. No materials may be in an employee's personnel file unless the employee has had an opportunity to review the material. The employee may submit a written notation regarding any material, within 10 working days, and the same shall be attached to the file copy of the material in question.

- B. If an employee believes that material placed in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown through the grievance procedure, whereupon the material will be corrected or expunged from the file.
- C. An employee must be requested to sign material placed in the individual's personnel file. Such signature shall be understood to indicate the individual's awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- D. If an employee should refuse to sign material to be placed in his/her file, it shall be signed by that employee's representative and building chairman. These signatures shall indicate that said employee has been made aware of this material, but has refused to sign it.
- E. Each employee shall have the right, upon request, to review the contents of his/her own personnel file. A Union representative may be requested by the employee to accompany the employee in such review.
- F. No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, shall be subject to all the machinery of the grievance procedure hereinafter set forth.
- G. Employees are expected to comply with reasonable rules, regulations and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement. An employee may reasonably refuse to carry out an order which threatens his/her physical safety or well being.
- H. The Union will use its best efforts to secure correction of unprofessional behavior by an employee, which behavior shall be reported by the Board or its representatives to the employee and to the Union within three school work days of occurrence.

ARTICLE XII
PROTECTION OF EMPLOYEES

- A. The Board will give all reasonable support and assistance to employees with respect to the maintenance of control and discipline in the workplace.
- B. Any case of assault upon an employee shall be promptly reported to the Board or its designated representative.
- C. Time lost by an employee in connection with any incident mentioned in this Article shall not be charged against the employee, unless he/she shall be judged guilty by a court of competent jurisdiction from whose decision no appeal has been taken or found guilty through the internal disciplinary process.
- D. Employees shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of gross negligence or gross neglect of duty for any damage or loss to person or property.
- E. Employees who are required to provide direct services to students related to hygiene or medical conditions including but not limited to diaper changing, toilet transfers, and catheterization will receive training to perform the specific procedures at the district's expense. Employees required to provide such services will be involved on a case-by-case basis in the process by which it is determined the manner in which such services will be provided.

ARTICLE XIII
NEGOTIATION PROCEDURE

- A. It is contemplated that matters not specifically covered by this Agreement, but of common concern to the parties, shall be subject to negotiations between them from time to time during the period of this Agreement, upon request by either party to the other. The parties undertake to cooperate in arranging the meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. Negotiations for a new Agreement shall begin at a time, date and place mutually determined by the Board and the Union. Either party may initiate such request and negotiations shall proceed at the earliest time practicable following the request.
- C. Neither party shall have any control over the selection of the bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and a majority of the membership of the employees but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, concessions in the course of negotiations, subject only to such ultimate ratification.

ARTICLE XIV
GRIEVANCE PROCEDURE

- A. A grievance is an unsettled complaint by an employee, group of employees, or the Union alleging that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Board relating to wages, hours or terms and conditions of employment.
 - 1. The grievance procedure shall not apply to any matter which is prescribed by law or state regulations over which the Board is without power to act.
 - 2. No dispute over the modification of this Agreement shall be made the subject of a grievance.
- B. A Liaison Board will be established consisting of the employee and the Vice President and the Building Representative or another member appointed by the Executive Board. The Liaison Board shall meet with the building principal/supervisor to discuss problems which may arise from time to time among the employees. If the problem is not resolved, the Liaison Board shall present the problem to the Assistant Superintendent/Business Manager.
- C. If the Liaison Board is unable to resolve the issue, a formal grievance may be filed within five (5) school work days of the determination that this is so, on the form set forth, annexed hereto, and signed by the grievant and Union representative, which form shall be made available to each Building Representative. A copy of the grievance form shall be delivered to the principal or supervisor.
- D. If a grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.
- E. Within three (3) school work days or three (3) calendar weeks, whichever is earlier, after receipt of the grievance, the principal or supervisor shall meet with the Union Grievance Committee in an effort to resolve the grievance. The principal or supervisor shall indicate his/her disposition of the grievance in writing and the supporting reasons therefore, within three (3) work days of such meeting and shall furnish a copy thereof to the Union.

- F. Within twenty (20) school work days after the delivery of the decision, the grievance may be appealed to the Superintendent.
- G. Within ten (10) school work days after delivery of the decision, the Superintendent or his designee shall meet with the Union Grievance Committee on the grievance and shall indicate his disposition of the grievance in writing, along with the reasons therefore, and shall furnish a copy thereof to the Union.
- H. Within ten (10) school work days after delivery of the decision of the Superintendent or his designee, the grievance may be appealed to the Board of Education by filing a written copy of the grievance accompanied by copies of previous decisions, with the Secretary or other designee of the Board.
- I. The Board, no later than its next regular meeting, or two (2) calendar weeks, whichever is later, shall hold a hearing on the grievance. At such hearing, the aggrieved shall have the right to be represented by Union Counsel. Participants in this hearing, including witnesses, shall be given at least three (3) work days notice of the hearing.
- J. Within seven (7) work days after this hearing, the Board shall communicate its decision in writing, together with supporting reasons, to the principal, the Superintendent, the Union, Counsel for the Union (if any) and to the aggrieved.
- K. Within ten (10) work days after receipt of the decision of the Board, the Union may appeal the decision to binding arbitration under the auspices and rules of the American Arbitration Association.
- L. General Principles:
 1. The Board and the Union shall not be permitted to assert in arbitration any ground or to rely on any evidence not previously disclosed to the other party.
 2. A grievance may be withdrawn at any level.
 3. When hearings and conferences are held during duty hours, all persons who are entitled to be present at the hearing or conference pursuant to this Article whose duty hours are affected shall be excused with pay for that purpose.
 4. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement.
 5. Failure at any step of the grievance to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of a procedure within the time which would have been allotted had the decision been given. Failure to file a written grievance within the time specified at each step shall bar the grievance. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance and shall bar further appeal.
 6. The time limits specified in this procedure may be extended in any specific instance by mutual agreement, which agreement shall be reduced to writing and signed by the parties. The arbitrator shall be bound by the time limits set forth herein and shall have no power to extend such limits.
 7. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement.

8. The Employer and the Union each shall bear the full costs for representative counsel in the arbitration.
 9. The arbitrator's fees shall be assessed against the parties in a proportion to be determined by the arbitrator.
 10. It is the intention of the parties, where possible, that the issues to be arbitrated, the relevant facts comprising the issues, and the remedy or remedies sought shall be jointly stipulated by the Board and the Union, or if the parties are unable to agree to such stipulation, each party of interest shall submit a written stipulation of the issues to the arbitrator in advance of the hearing date.
 11. The primary purpose of this grievance procedure is to secure equitable solutions at the closest supervisory level possible. The parties mutually agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.
- M. If any employee for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated with full reimbursement of all compensation lost. If he/she shall have been found to have been improperly deprived of any other compensation or advantage, the same or its equivalent in money shall be paid to him/her.
- N. No grievance shall be adjusted without prior notification to the Union and opportunity given to the Union to be present.
- O. Notwithstanding the expiration date of this Agreement, any grievance arising thereunder may be processed to completion under the procedures contained herein.
