### **ARTICLE IIA - TEACHER RIGHTS**

A. Pursuant to Act 379 of the Public Acts of 1965, the Board agrees that every employee of the Board represented by the Association hereunder, shall have the right freely to organize, join and support the Association and other concerted activities for the purpose of engaging in collective bargaining or negotiation for mutual aid and protection to the extent permitted by law or to refrain from such activities. The Board and the Association undertake and agree that each will comply with all of the laws of the State of Michigan now in force or enacted during the period of this agreement.

The Board further agrees that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment or refraining from such activities.

B. The Association and its members shall have the right to use school building facilities at all reasonable hours for meetings, provided that such meetings do not conflict with previously scheduled meetings or activities. No teacher shall be prevented from or be required to wear insignia, pins or other identification of membership in the Association either on or off school premises. Specific bulletin boards, public address systems, school mail boxes and telephones within the school system shall be made available to the Association for Association business.

C. The Board shall furnish to the Association all records available under the Freedom of Information Act upon written request. The Association shall reimburse the district as provided by FOIA.

Bargaining unit members shall receive copies of any materials to be placed in their personnel file and shall be afforded an opportunity to provide written response within 10 days of receipt of the document for inclusion in the file.

### **ARTICLE IIB - BOARD RIGHTS**

The Board retains all rights, powers, and authority vested in it by law and all management rights and functions. Rights reserved exclusively herein by the District shall include, by way of illustration and not by way of limitation, except to the extent expressly limited by this Agreement, the right to:

A. Direct the affairs of the Employer and to manage and control the school's business, equipment, and operations.

B. Determine the services, supplies, and equipment necessary to continue its operations and to determine the methods and schedules of operation, and the means, methods, and processes of carrying on the work.

C. Direct the working forces, including the right to hire, promote, suspend, and discharge employees, transfer employees, make teaching assignments to employees, determine the size of the work force and its organization, responsibilities, and alignments, lay off employees, and determine hours of work.

D. Adopt rules, regulations, and policies.

E. Determine the location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions, or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings, or other facilities.

F. Determine the financial policies, including all accounting procedures, and all matters pertaining to Board public relations.

### **ARTICLE III - PROFESSIONAL COMPENSATION**

A. The salaries of teachers covered by this Agreement are set forth in Appendix A, which is attached to and incorporated in this Agreement. Such salary schedules shall remain in effect during the term of this Agreement.

B. The salary schedule is based upon a normal teaching load during normal teaching hours. No additional assignments other than prevailing practices at the time of the adoption of this contract shall be required of teachers.

C. Teachers shall work according to the negotiated school calendar.

D. A teacher engaged during the school day in negotiating on behalf of Association with any designated representative of the Board or participating in any professional negotiation, shall be released from regular duties without loss of salary, personal, or sick leave days.

E. A teacher shall be released from regular duties without loss of salary (or loss of leave days) for any county teachers' conferences or local area workshops, or other conferences as shall be expressly permitted by the Board of Education, or the Superintendent.

F. The cost for each routine physical exam required of teachers by the Board or by State or Federal programs or laws shall be at the Board's expense.

### **ARTICLE IV - TEACHING HOURS**

A. Teachers will work the school calendar and provide their professional services to equate to the instructional hours mandated by the State plus before/after school time as described below. All schedules allow thirty (30) minutes duty free for lunch. Teachers report to school fifteen (15) minutes before starting time and remain fifteen (15) minutes after dismissal in the afternoon unless the daily schedules are mutually reconstructed by the parties.

B. The Board recognizes the principle of a standardized workweek for all teachers in the system and will, so far as possible, set work schedules and make professional assignments which can reasonably be completed within such standard workweek within or outside of any school building.

The normal workweek for teachers shall include the normal teaching-load week; plus the performance of other unscheduled professional teaching services and duties, which have been prevailing at the time of the signing of this contract.

The parties mutually agree and understand that continuing flexibility with respect to arrangement of teaching periods, preparation periods, and the daily and weekly schedule is necessary for progress of education. The parties further mutually agree that the assignment of teaching periods, and time preparation periods, and the remainder of the daily and weekly schedule shall be and remain the exclusive prerogative of the Board of Education.

C. The Board of Education will employ a noon hour supervisor (or supervisors as conditions warrant) in each elementary building to release K-6 teachers during their noon hour period. Secondary teachers (7-12) shall have a scheduled duty-free lunch period in length as currently scheduled.

D. When a school is closed due to severe weather, or when otherwise prevented by an Act of God, teachers need not report for duty. (Days beyond the number allowed by state law or regulation will be made up.) In the event of an early dismissal of the schools for reasons stated above, teachers will be released 10 minutes after all children have left the building. No teacher will lose a personal day or sick leave day when school is closed due to an inclement weather and/or any Act of God.

E. The parties agree that all pupils shall receive the number of instructional hours to allow the District to qualify for full state aid. It is further agreed that the teacher work day as stated in Article IV, paragraphs A & B shall not be extended. In the event that scheduled days/hours are canceled and need to be made up to qualify for full state aid, the makeup time shall be scheduled at the conclusion of the school year or at an otherwise mutually agreeable time. In the event that the hours/days are no longer required to qualify for state aid, then the hours/days shall not be added.

F. Comp time is to be available to all teachers on a voluntary basis and would operate on a rotating seniority basis.

- 1 class period (HS/ JH) = Equivalent amount of comp. time.
- 6 hours of comp. time - One full day
- 3 hours of comp. time - ½ day

Teachers may utilize up to 3 days (18 hours) of Comp Time for personal time off during a school year. Unused and Additional Comp Time hours earned will be paid upon the completion of the school year.

#### Accumulation of Comp. Time

1. Substituting for another teacher
2. Attending an I.E.P.C. meeting before school, during a prep period, or after school
3. Supervising student attendance make-up time

4. Teaching a full period during an elementary itinerant time
5. Providing up to 6 hours of Parent/Teacher conferences scheduled outside the school calendar day

All Comp Time will be earned in increments of fifteen (15) minutes.

Comp time may be used in the last 20 days of the school calendar, providing the day(s) or time used does not fall on a Monday or Friday, or is contiguous to a holiday; and providing a substitute can be secured. Up to 6 hours of Comp Time may be carried over to be utilized the following year.

Teachers would be paid \$25 per hour for any unused comp time.

Comp time will be subject to the same conditions/terms as Personal Leave.

## **ARTICLE V - TEACHING LOADS AND ASSIGNMENTS**

A. The standardized workweek in the senior high school will be 25 teaching periods and 5 unassigned preparation periods. The standardized workweek in the junior high school will be 25 teaching periods, 5 advisory periods, and 5 unassigned preparation periods. Elementary teachers will have 4 unassigned preparation periods during their standardized workweek. Beginning in the 2019-2020 school year, elementary teachers will have 5 unassigned preparation periods during their standardized workweek. No departure from these norms, except in case of emergency, shall be authorized without prior consultation with the Association. Elementary preparation periods shall be defined as a block of time during which students are attending an itinerant class. Student recess time shall not be considered teacher prep time.

Elementary itinerant schedules shall have a maximum limit of 30 sections per week. Itinerants shall also be allotted in their schedule an adequate travel time allowance when it is necessary to schedule classes at multiple schools on any given day. This shall not be considered "prep" time and may reduce the total number of sections scheduled.

Elementary itinerant teachers assigned part-time shall have their pay percentages calculated as follows: Number of sections divided by 30. For accounting purposes, calculations shall be rounded up to the nearest increment of .05.

The parties mutually agree and understand that continuing flexibility with respect to arrangement of teaching periods, preparation periods, and the daily and weekly schedule is necessary for progress of education. The parties further mutually agree that the assignment of teaching periods, and time of preparation periods, and the remainder of the daily and weekly schedule shall be and remain the exclusive prerogative of the Board of Education.

## **ARTICLE VI - TEACHING CONDITIONS**

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

A. The Board recognizes the educational soundness of providing a pupil-teacher ratio of one teacher to 25 pupils in grades K-3 and one teacher to 32 pupils in grades 4-6. Efforts shall be made to enroll an equitable number of students in all sections of classes that are the same within a building or the District.

Before enrolling additional students resulting in an overload condition in a K-6 classroom, the Administration shall meet with the Association President and an Elementary Representative to determine if alternative options are more appropriate.

In the event the Administration and the Association are in agreement that the overload condition is the most appropriate option, the affected classroom teacher shall receive overload compensation at the rate of \$10 per student enrolled, per day. Classroom teachers with students resulting in an overload condition on a part-time basis shall receive a prorated amount based upon the time the student is enrolled daily.

Overload compensation shall be calculated and remunerated to the teacher at the conclusion of the school year.

B. A teacher, who believes that in his professional judgment a teacher overload condition, as defined herein exists, shall have the right to submit a written request to the building administrator to remedy the condition. The request shall include the reasons why, in his professional judgment, a teacher overload condition exists. "Teacher overload" is defined as the assignment of pupils to any teacher, which in his professional judgment is in excess of A., above, is excessive and detrimental to his effectiveness as a teacher and poses danger to the safety and well-being of other students.

In the event that the 26<sup>th</sup> student in grades K-3 or the 33<sup>rd</sup> student in grades 4-6 has a personal aide, this is not considered an overload.

In making the determination that a claim of teacher overload exists, the parties agree that the following factors, among others, shall be taken into consideration:

- Individual class size;
- Combined student load;
- Number of preparations;
- Number of assignments;
- Planning and preparation time;
- Nature of the learning activities;
- Professional or paraprofessional assistance;
- Teaching equipment and materials;
- Building space and facilities;
- Nature of students;
- Nature of course content;
- Safety of students and staff.

The building administrator shall refer the matter to a four (4) member panel, consisting of equal representation of Association and Administrative personnel to determine the validity of the claim. The panel shall consider the request, using the guidelines below, and make a recommendation to the Board.

The panel and building administrator shall consider the following guidelines, among others, to remedy the situation:

1. Transfer pupils to other classes;
2. Transfer pupils to other schools;
3. Provide additional professional assistance (part-time certified teacher);
4. Divide the overload into additional groups for teaching purposes;
5. Schedule excess load on a double session basis.

The Board agrees that the building administrator shall take the necessary steps to correct the condition according to the Board's decision.

In the event the teacher is not satisfied with the disposition, he may lodge a grievance.

C. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. A joint teacher and administrative committee will confer from time to time for the purpose of improving the selection and use of such educational tools, and will make recommendations for consideration by the Board. The Board agrees at all times to keep the schools reasonable and properly equipped and maintained.

D. The Board shall attempt to make available during the school day in each school adequate lunch room, restrooms and lounge facilities exclusively for teacher use and at least one room appropriately furnished.

E. In schools where continuous cafeteria service for teachers is not available, vending machines for beverages, candy, gum, etc. will be installed at the request of the Association building representative, the location to be determined by the building principal.

F. Telephone facilities shall be made available to teachers for reasonable use, subject to control by the building principal. All long distance calls shall be properly logged and arrangements made for compensation of any phone calls which shall be chargeable to the number involved.

G. Adequate parking facilities shall be made available for teachers and shall be reserved for their exclusive use and to the extent it is practicable.

H. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher, or the lack thereof, shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher is not within the appropriate concern or attention of the Board, provided, however, that any private or personal conduct which becomes public, or a matter of reputation, and adversely affects the teacher, the schools or the children, shall be an appropriate concern for the attention of the Board and Association.

I. The provisions of this Agreement, and the wages, hours, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status or membership in, or association with, the activities of an employee organization.

## **ARTICLE VII - SABBATICAL LEAVE**

A. Teachers who have been employed for seven (7) years consecutively by the Board may be granted a sabbatical leave for professional improvement for up to one (1) year. It is agreed that professional improvement includes full time attendance at a college, university, or other educational

institution at the graduate or undergraduate level in a course of study related to his or her assignment in this school district, and travel which will improve the teacher's ability to teach.

B. In order to qualify for such sabbatical leave a teacher must hold a teaching certificate beyond a provisional certificate.

C. During said sabbatical leave, the teacher shall be considered to be in the employ of said Board, shall have a contract and will be paid 50% of his full salary plus fringe benefits, provided, however, the Board shall not be held liable for death or injuries sustained by any teacher while on sabbatical leave. The teacher guarantees to the Board that he will return for at least two (2) full years of service following the sabbatical leave. Failing to return for the specified time of service, he shall reimburse the Board his salary and the cost of fringe benefits incurred during his leave.

D. Teachers on sabbatical leave shall be allowed credit toward retirement for time spent on such leave in accordance with the rules and regulations established by the Michigan Public School Employees Retirement Board.

E. A teacher returned from sabbatical leave shall be restored at least to his teaching position or to a position of like nature, seniority, status, and pay.

F. Sabbatical leave may be granted to two (2) teachers during each year of the contract. Teachers requesting this leave shall submit their request in written form to the Board. The final decision shall be made by the Board.

G. A leave of absence, without pay, benefits and salary advancement, and without loss of seniority, salary placement or sick leave accrued to the date of starting leave shall be granted upon written application, after two years of employment, made prior to May 1 of the contract year preceding the leave for the purpose of serving as an officer of the Michigan Education Association or the National Education Association. Leave will be granted for one (1) year, and will be granted for one (1) additional year upon written application, provided request is made no later than May 1 of the year of the initial leave. The employee shall notify the Board by May 1 of his year of leave of his intentions to return to employment, or has resigned.

#### **ARTICLE VIII - LEAVE PAY**

A. All teachers absent from duty on account of personal illness, including absences due to maternity, or because of death or illness in the immediate family, shall be allowed full pay for a total of twelve (12) days in any school year. Such days, to the extent unused, may accumulate to a maximum base figure of 180 days. Once such maximum base figure of 180 days has been reached, any of the 12 days not used as provided for above shall be deleted. (However, a new 12 days shall be allotted to the teacher at the beginning of the next school year, subject to the deletion at the end of such school year if not used.)

B. Available sick leave shall be used in the following order by a teacher in any given year:

1. First the 12 days allotted for each year shall be used;
2. Next, the accumulated sick days shall be used.

C. A teacher will be given written verification, at the beginning of the school year, of the number of sick leave days available for the school year. A copy of such verification will be given to the Association at the same time, unless the teacher has filed a written objection with the Superintendent in advance.

D. The term "immediate family" shall include the following: husband, wife, son, daughter, father, mother, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparents, and grandchildren.

E. In addition to the prescribed sick leave, each teacher shall be allowed an additional four (4) days per year, for personal business, death or sickness of more distant relatives not listed above, of friends, of religious observances, or time necessary to conduct personal business impossible to handle outside normal school hours provided notification is given in advance. Teachers shall receive 50% of substitute pay for any personal business days remaining unused at the end of each year.

It is further agreed that except in case of emergency this leave may not be used contiguous to a holiday, or the first day of a semester without prior approval. Written notice of the use of personal leave days for deer hunting shall be given to the building principal one week in advance of the opening of deer season.

If a person has applied for and been approved the use of personal business day(s) but is forced by extenuating circumstances to use the same day(s) instead of sick leave according to Article IX (A), the employee will be allowed to do so after the fact but only if verification of sick leave is provided (to the Superintendent and EEA President). Verification shall be the responsibility of the employee. In addition, if a person has applied for and been approved the use of a personal business day(s) and in the event school is canceled for any reason, the person shall not have that day(s) charged to his/her personal business day account.

F. Upon suspected abuse of sick leave, the employee may be subject to progressive discipline by the Superintendent, which may include proof of illness by a physician after one warning.

G. When sudden illness or emergency occurs which will prevent any teacher from reporting to school, a phone call indicating the reason\* for the absence, in accordance with practice, is all that is needed to arrange for a substitute teacher. The earliest notification possible will be appreciated. All teachers are to notify the central office. The absent teacher should contact the principal before the end of each school day for the duration of the absence to keep the substitute informed. (\*The term "reason" shall be defined as a statement of illness, personal leave, or emergency).

## **ARTICLE IX - LEAVE OF ABSENCE**

A. Any teacher whose personal illness or period for purposes of child care extends beyond the period compensated under Article IX may be granted a leave of absence, without pay, not to exceed one year with the option for annual renewal up to three years with the annual approval of the Board. If said teachers plans to return to the classroom the following year, the office of the Superintendent of Schools must be so informed in writing by March 1. Unless the teacher provides written notice by March 1 that teacher's position will be considered vacant and a replacement hired.

Should the teacher return to the classroom from such extended leave, pursuant to FMLA he shall be assigned to the same or equivalent position. If a teacher is on a leave of absence of twelve (12) weeks or less, seniority will continue to accrue. If the leave of absence covered under this paragraph extends beyond twelve (12) weeks, seniority will not accrue.

B. Absence from duty for the purpose of attending professional meetings or approved visitation at other schools, or court appearances as a witness, providing the employee is not a plaintiff in a

suit against the District, or serving jury duty, shall not be charged against one's accumulated sick leave, nor personal business leave, and shall be so compensated for at full pay. Such absences from duty, other than those required as a witness or juror, shall be limited to five (5) days. The number of such days may be extended at the discretion of the Superintendent following a request for such an extension. Jury duty will be compensated at the differential between jury duty pay and the teacher's daily pay.

C. A military leave of absence shall be granted to any teacher who shall be inducted for military duty in any branch of the armed forces of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he would have been had he taught in the district during such period, and shall receive all rights and benefits accorded by State and Federal law. No such leave shall accumulate.

In the event that a teacher is called to active duty as a member of the Michigan National Guard, the district shall pay the teacher the difference between the Guard pay and the teacher's regular classroom salary. Such payment shall be for a period not to exceed five days annually.

D. A leave of absence without pay and without seniority accrual may be granted, not to exceed one year, with options for annual renewal of up to three (3) years for any reason, including securing or engaging in other employment with the annual approval of the Board. In the event the leave is granted, the employee must provide written notice by March 1<sup>st</sup> to either indicate to the Superintendent that he/she plans to return the following year, or make a request to the Board for an additional year of leave.

E. Leaves of absence without pay shall be granted at the discretion of the Board of Education, upon application, for the following purposes:

1. Study related to the teacher's license field.
2. Study to meet eligibility requirements for a teaching license other than that held teacher.
3. Study, and research, or special teaching assignments involving probable advantage to the school system.

Seniority on the salary schedule will continue during the period of absence.

F. The Board may not discriminate against any teacher for campaigning for, or serving in, a public office. The Board shall grant a leave of absence without pay or increment to any teacher to campaign for, or serve in, in a public office.

Leave of absence in public office is limited to one term or two years, whichever is less.

G. The Board agrees to grant the Association a maximum of twenty-five (25) days leave per year for officers of the Association to attend conferences, provided forty-eight (48) hours' notice is supplied to the Board or its designee, and provided the Board or its designee approves the attendance.

The Board shall not be liable for any travel or incidental expenses incurred in such attendance.

The Association President shall be entitled to 18 days release time per year to attend to Association business. No more than three days may be taken consecutively. The Association will bear the cost of the substitute's pay and retirement contribution for the Association days.

H. The representatives of the School District and Association agree that it is their mutual intent and understanding to comply fully with the terms and conditions of the Family Medical Leave Act of 1993 (FMLA). In doing so, the parties agree that employees requesting leaves of absence, pursuant of the FMLA, who are found eligible therefore, will be required to utilize paid entitlements for which they are otherwise eligible under the terms and conditions of the Master Agreement during their FMLA leave time. The employee may save up to five days of accumulated sick leave for use upon return from FMLA. While the parties understand and agree that the rights established by FMLA will not diminish any employee benefit programs or plans or paid leave provision dictated by terms of the Master Agreement, they also agree that any rights afforded by the FMLA will not be used to expand an employee's contractual rights and benefits, provided those rights and benefits meet or exceed the basic requirements of the FMLA.

#### **ARTICLE X - TERMINAL LEAVE**

A. In appreciation for services to the school district, a terminal leave payment of 75% of the teacher's unused sick leave up to \$40,000, as established in Article IX above, will be paid upon retirement, provided however that the maximum number of days to be based upon for terminal leave shall in no event exceed 136 days. (Terminal leave pay for teachers hired after January 1, 1995, shall be 50%, not 75%, of the teacher's unused sick leave as set forth below.) The payment shall be based on the retiree's position on the then existing salary schedule exclusive of any extra duty money. This number of days, not to exceed 136, shall be multiplied by 75% (or 50%), as set forth above, to determine the actual number of days for terminal leave purposes. To obtain this payment, the teacher shall have been employed in the School District for at least ten (10) years. This paragraph shall apply only to retirees who qualify as such under the Michigan Public School Employees' Retirement System. (See Appendix F). After twenty (20) years in the District, 75% (or 50%) of the unused sick leave will be paid to employees that leave the district for other reasons than retirement, except for employees discharged for reasons not arbitrary and capricious, provided however that the maximum number of days to be based upon for terminal leave shall in no event exceed 136 days. The payment shall be based on the retiree's position on the then existing schedule. This number of days, not to exceed 136, shall be multiplied by 75% (or 50%), as set forth above, to determine the actual number of days for terminal leave purposes.

In both cases, the heirs of the teacher will be paid in the event of the death of the employee.

Retirees can take their terminal leave to purchase service credit under the Internal Revenue code section 414 (h) (2). Payment will be made prior to the employee retiring. Any amount remaining will be paid out in three equal installments over a three-year (fiscal-year) period into an employer paid 403B Special Pay Plan. If the retiree has no purchase of service credit, then the terminal leave payment will be paid in three equal installments over a three-year (fiscal) period into an employer paid 403(b) Special Pay Plan. The 403(b) Special Pay Plan will be sponsored by Valic. Clarification: Providing a member retires at the end of one fiscal year (example: June 30, 2016), then the first fiscal year's payment will be July 1 of the next fiscal year (July 1, 2016) with the second and third year payments on the following July 1st dates: July 1, 2017, July 1, 2018.

B. Whenever a teacher plans retirement, notification of intent to retire early is to be submitted to the administration no later than March 1 of the year previous to such retirement so that terminal leave pay can be projected and properly budgeted. If such notification is not given, the teacher may be required to forfeit the right to terminal leave pay unless early retirement is necessitated by illness or other emergency. A final decision will be made by a joint committee of the Association and Administration.

C. Early Retirement Compensation: A teacher who has acquired a minimum of ten (10) years of service in the Escanaba Area School System and who will meet state requirements for retirement by September 1 of the school year may at his or her option request early retirement. Retirement as used in this policy shall mean severance of active employment with the Escanaba Area Public Schools and verification to the Board of an application from the teacher to the Michigan Public Schools Employees' Retirement System for retirement benefits of said retirement system. The affected teacher will notify the Superintendent of Schools of his or her early retirement in writing no later than March 1 prior to the next school year when such retirement will take effect. If a teacher decides to retire after March 1, but before October 31, his or her request for early retirement incentive must be agreed to by both the Board and the Association. Applicants who do not notify the Board by March 1 or obtain the mutual consent of the Board and the Association shall not be eligible for the benefits outlined in this policy.

Qualified retirees shall receive One Hundred Fifty (\$150.00) Dollars per month from the Board, beginning on September 1 of the first school year of their retirement, for a period not to exceed six (6) years. The first payment shall be made on the appropriate September 1 and subsequent payments shall be made on the first of each month thereafter. If the first payment will jeopardize retirement benefits, it will be delayed thirty (30) days. A lump sum payment may be elected and will be paid January 1 of each year covering the period of time from September 1 to October 31.

The \$150.00 monthly benefit can be applied toward the payment of health insurance in effect under the Master Agreement between the Board and the Association at the time of applicable benefits if the retiree submits such a request in writing and is eligible for coverage under the group health insurance then in effect.

In the event of death of the retiree prior to his or her 6<sup>th</sup> year, benefits will be paid to the retiree's spouse, if any, or dependent, if any, as defined by the I.R.S. for the same amount of time as it would had the teacher lived throughout the period.

If a Michigan court, following exhaustion of all available state appeals, rules that early retirement incentive plans are in violation of law, then the Early Retirement Incentive Program described in this policy shall be null and void. In such case, the retirees shall have no cause of action against the Board whatsoever.

The retiree shall lose eligibility for the rights and benefits set forth herein, if the teacher returns to full-time teaching for compensation at any level or location.

The Board, by payment of the monthly amounts required hereunder, shall be relieved from all liability with respect to any benefits provided in this policy. The retiree's benefits and rights shall be specifically limited to the payment of the monthly amount provided for herein. The failure of any insurance company to provide any of the benefits which it has contracted for, for any reason, if such benefits are selected by the retiree, shall not result in any liability to the Board, nor shall such failure be considered a breach by the Board of any obligations or duties under this policy.

## ARTICLE XI - INSURANCE PROTECTION

A. The employee will select and the Board will provide one of four options.

**Option 1:** MESSA(s) Choices with a \$500/1000 In-Network \$1000/\$2000 Out-of-Network deductible, with a Co-payment option of \$20 Office Visit/\$25 Urgent Care \$50/Emergency Room; and with a Saver RX for prescription drugs for the contract period for the employee's entire family; provided, however, that the employee shall pay any and all deductibles required in such insurance plan or coverage. This insurance will be at the PAK rate. When appropriate, Medicare premiums will be paid on behalf of eligible spouses or their dependents. The employee will have the option of the Board prefunding all or part of the deductible amount into a Flexible Spending Account (FSA) pre-tax.

**Option 2:** MESSA(s) ABC Plan 1 with a \$1300/\$2600 deductible (\$1350/\$2700 beginning January 1, 2018); with an ABC Rx for prescription drugs for the contract period for the employee's entire family; provided that the employee shall pay any and all deductibles required in such insurance plan or coverage. This insurance will be at the PAK rate. The employee will have the option of the Board prefunding all or part of the deductible amount into a Health Savings Account (HSA) pre-tax.

**Option 3:** MESSA(s) Choices with a \$1000/\$2000 In-Network \$2000/\$4000 Out-of-Network deductible, with a Co-payment option of \$20 Office Visit/\$25 Urgent Care \$50/Emergency Room; 20% Coinsurance, and with a Saver RX Mail for prescription drugs for the contract period for the employee's entire family; provided, however, that the employee shall pay any and all deductibles required in such insurance plan or coverage. This insurance will be at the PAK rate. When appropriate, Medicare premiums will be paid on behalf of eligible spouses or their dependents. The employee will have the option of the Board prefunding all or part of the deductible amount into a Flexible Spending Account (FSA) pre-tax.

**Option 4:** MESSA(s) ABC Plan 2 with a \$2000/\$4000 deductible; 20% Coinsurance with an ABC Rx for prescription drugs for the contract period for the employee's entire family; provided that the employee shall pay any and all deductibles required in such insurance plan or coverage. This insurance will be at the PAK rate. The employee will have the option of the Board prefunding all or part of the deductible amount into a Health Savings Account (HSA) pre-tax.

For employees opting to switch plans, this change shall be selected during "Open Enrollment" in the fall and the employee will continue under their current plan until the start of the calendar year (January 1<sup>st</sup>). It is understood that members utilizing the ABC plan will use a Health Savings Account (HSA) rather than a Flexible Spending Account (FSA) as per I.R.S. regulations.

B. The Board will provide dental services provided by Delta Dental, Plan E, with orthodontic rider (0-7), calling for payment up to 80% of dental charges. The Board shall pay 100% of the premium. This plan will include internal and external coordination of benefits.

E. The Board shall provide a \$75,000 Life Insurance Policy for each Association member under the Master Agreement (provided by MESSA with AD&D Rider). Any bargaining unit member retiring after July 1, 1990, will be entitled to the same Life Insurance benefits, paid by the Board, as the employees covered under this Master Agreement. Retirees after July 1, 1990 are entitled to same coverage up to the age of 70 paid by the Board. Members hired after July 1, 2015 shall not be entitled to "Retiree Life Insurance."

F. Each bargaining unit member shall have the right to freeze their sick leave benefits after the designated waiting period for both short-term disability and long term disability.

G. The Board agrees to make available to members and their families long-term health care insurance offered by the Verity Insurance Company. The full cost of this insurance will be paid by the employee. In no case will the Board be liable for payment or other responsibilities that might be incurred other than payroll deduction.

H. Any claim by an employee as to insurance benefits shall not be the basis of a grievance or subject to arbitration. The Board, by payment of any premium payments required to provide coverage as agreed upon, shall be relieved from all liability with respect to any insurance benefits provided in this Agreement. The failure of an insurance company to provide any of the benefits which it has contracted for, for any reason, shall not result in any liability to the Board, nor shall such failure to be considered a breach by the Board of any obligations or duties under this Agreement.

I. Annuity. Pursuant to Section 125 of the Internal Revenue Code, each bargaining unit member for whom such contributions are made shall retain all non-forfeitable rights and control over the tax-deferred annuity plan.

In lieu of health insurance, the employee shall receive in cash an amount set forth below. Such cash may be contributed to a TSA plan as allowed by federal law.

The annuity amounts are:

Single Subscriber	\$250.00/month = \$3,000 per year
Employee Spouse/Employee Child	\$ 75.00/month = \$900 per year
No health	\$545.00/month = \$6,540 per year

In addition to the above, any teacher may take additional MESSA options through payroll deduction, but any additional options beyond these amounts shall be at the cost of the teacher.

Hold Harmless Clause With Respect to Annuity Options:

If any additional tax liability is imposed as a result of the Board making an annuity option available, the individual employee shall be responsible for his or her additional taxes plus any interest or penalties due, and the employer shall be responsible for its share of the taxes due plus any interest or penalties due. The employer contribution shall be submitted by separate check paid directly to the annuity company on forms provided by the annuity company, as directed in written form by the employee. In the event of an individual employee's failure or refusal to make any payments as required above, the Board shall be held harmless and indemnified with respect to any additional taxes due plus interest and penalties, if any, arising from such employee's non-payment. Such

representation of the Board shall be undertaken by legal counsel reasonably acceptable to the Board.

J. Beginning with the 2011-2012 school year, any employee who chooses to take health care coverage shall contribute 20% towards the payment of the medical insurance costs (health) under a qualified 125 plan of the Internal Revenue Code. The Board reserves the right to implement a statutory insurance cap with regard to health insurance; or to vote to pay no more than 80% of medical benefit plans, as per Michigan P.A. 152 of 2011.

## **ARTICLE XII - PROTECTION OF TEACHERS**

A. Teachers shall be responsible for creating and maintaining conditions conducive to learning and discipline. If disruptive behavior becomes abnormally frequent in a teacher's classroom and the teacher excludes a student, the teacher upon request, will furnish the particulars of the incident in writing to the administrator and meet with the administrator and/or the student's parents if requested by the administrator. If the student or parent refuses to attend a conference, the teacher will be notified in writing by the administrator. Other steps may be taken to resolve the matter, such as a behavior plan.

Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps in accordance with Public Act 11, to provide administrative assistance in the supervision of such student during the referral process.

1. Since the teacher's authority and effectiveness in the classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board and the administration recognizes its responsibility to give all reasonable support and assistance to teachers in student discipline and class control.

2. A teacher may temporarily exclude a pupil from class when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable as permitted by law.

3. If the judgment of a teacher is to be questioned by an Administrator, it shall be done privately and not in front of students.

4. The Board shall provide a statement of the rules, regulations and procedures governing discipline, suspension and expulsion of students. The statement shall be distributed during the first week of each school year.

B. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board may provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and may render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities, as far as their investigation of the incident may warrant.

C. If any teacher is complained against or sued by reason of an action taken by the teacher against a student, the Board, after suitable investigation, may provide legal counsel and render all necessary assistance to the teacher in his defense provided the teacher is not in violation of Board policy, consistent with law and acting within the scope of his/her employment. Assistance may include indemnification of damages, fines or legal fees or other reasonable costs.

Time lost by a teacher in connection with an incident mentioned in this Article shall not be charged against the teacher as sick leave or as personal business leave.

D. After suitable investigation the Board will reimburse teachers for any loss, damage, or destruction of clothing or personal property of the teacher while on duty in the school or on the school premises not involving personal negligence on the part of the teacher. The Board will not substitute its responsibility for parental responsibility.

If a teacher is injured while in the line of duty, free medical, surgical, or hospital care will be furnished by the Board at a designated hospital unless covered by Workers' Compensation. Time lost under such circumstance will not be charged against teacher's sick leave.

E. Affected teachers will be notified in advance if possible where appropriate and consistent with state or federal law, of a student's serious or chronic communicable disease. The Board shall provide in-service training in hygienic practices and management to teachers coming into contact with students having such communicable diseases.

F. Employees with drug or alcohol problems are encouraged to seek rehabilitation before such conditions adversely affect their employment. An employee shall not be disciplined merely for seeking treatment. The parties recognize that alcoholism is an illness to the extent defined by law.

G. The Board and the teachers agree to comply with state law and Board policy as it relates to corporal punishment of students. Teacher may access via the District Web Site, board policies relating to student discipline and corporal punishment, as well as alternatives to corporal punishment. A teacher may use reasonable force, as allowed by law, he deems necessary to protect himself and others from harm; to remove or restrain a student to maintain a safe environment if the student refuses to discontinue his/her behavior after being asked; prevent the student from harm or from harming others; quell a disturbance that threatens injury to any person or; obtain possession of a weapon; or, protect property [MCL 380.1312].

H. Employees not covered under the Tenure Act (i.e. school social workers), shall not be disciplined, reprimanded, or reduced in compensation without just cause, and thus shall be provided an opportunity for a hearing before the Board. Any such discipline, reprimand or reduction in rank or compensation shall be subject to the professional grievance procedure hereinafter set forth. This section shall not apply to non-renewal of probationary staff.

### **ARTICLE XIII - NEGOTIATION PROCEDURES**

A. It is agreed that matters not specifically covered by this Agreement, but of common concern to the parties, shall be subject to professional negotiations between them from time to time during the period of this agreement. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.

B. In the event the salary schedule is reopened for negotiation by either party, as provided in Appendix A, Salary Schedule paragraph 2 of this Agreement, the parties will promptly negotiate for the purpose of reaching an agreement upon a revised salary schedule. At least by April 1<sup>st</sup>, the parties will likewise begin negotiations for a new agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.

C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the school district.

It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation procedures of the Michigan Employment Relations Commission, or take any other lawful means.

E. During the first two weeks of each school quarter, the Association Professional Negotiating Committee and the Administrative Staff, together with a member of the Board of Education or its designee shall meet to discuss the administration of this Agreement and any problems under it which either party believes exist or may occur in the operation of the School District. The Superintendent of Schools or the chairman of the Professional Negotiating Committee shall be responsible for calling this meeting. An agenda shall be prepared by the parties covering the subjects to be discussed at least one week prior to the meetings.

F. Any special federal, state, or local aid program being considered for adoption by the District shall be brought to the attention of the Association. The parties shall negotiate wages, hours, and working conditions of any federal, state, or local aid program adopted by the Board if within this bargaining unit.

#### **ARTICLE XIV - GRIEVANCE PROCEDURE**

A. **Definition of Grievance:** A "grievance" is an alleged violation of the terms and provisions of this Agreement, including questions of interpretation of application of the terms and provisions of this Agreement, subject to the exceptions set forth below.

B. **Time Limitations:** All time limitations herein shall consist of school days, and such limits may be extended only upon mutual written consent of the parties. It is understood and agreed that the time limitations herein set forth shall be considered as substantive, and failure to conform to such limitations shall mean default by the party failing to conform.

The failure of an aggrieved person to proceed to the next level of the procedure within the time limits herein set forth shall be deemed to be an acceptance of the decision previously rendered, and shall constitute a waiver of any future appeal concerning that particular grievance.

C. **Purpose and Definitions:** The purpose of this grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise from time to time affecting the working conditions of teachers. Both parties agree that these proceedings shall insofar as possible, be kept as informal and confidential as may be appropriate at any level of the procedure. Nothing contained herein shall be construed to limit the right of any teacher to discuss a matter informally with any appropriate member of the administration. The term "aggrieved person" is the person or persons, including representatives of the Association, making the grievance.

D. Procedure: In the handling and processing of a grievance the following procedures shall apply:

1. Step One. Any teacher who believes he has a grievance may present such grievance, on an informal basis, with his immediate supervisor. A representative of the Association Grievance Committee may be present at this informal conference, if requested. If the grievance is not resolved, the matter shall be reduced to writing by the aggrieved person and submitted to his supervisor within five (5) days from the time of the discussion between the aggrieved person and his supervisor. In the event the grievance involves more than the aggrieved person or is filed by the Association, it must be filed with the appropriate supervisor who could remedy the alleged grievance. No grievance shall be processed unless it is presented at Step One within fifteen (15) days of its occurrence or of the date upon which it reasonable should have become apparent.

Within ten (10) days after the presentation of the written grievance, the supervisor shall give his answer in writing to the aggrieved person or to the Association, whichever shall have submitted the written grievance. The grievance shall be submitted to the supervisor on the forms provided for such purpose, shall be signed by the "aggrieved person", and shall specify the nature of the alleged violation, misinterpretation or misapplication, including specific references to the sections of this Agreement allegedly involved.

2. Step Two. In the event the grievance is not settled at Step One, whether because of dissatisfaction with the written decision of the supervisor by the aggrieved person or by failure on the part of the supervisor to render a decision within the time provided, the aggrieved person may refer the matter to the Association president or Association Grievance Committee who shall refer the grievance, in writing, to the Superintendent of Schools within five (5) days after the date of the answer by the Superintendent (or his designee) at Step One of this procedure, or within five (5) days after the date of the answer of the supervisor was due. The Superintendent of Schools or his designee shall represent the Administration in the handling of the grievance procedure at this level, and within ten (10) days after receiving the written grievance, he shall meet with the aggrieved person in an attempt to resolve the grievance. Within five (5) days after the conclusion of such meeting, the Superintendent shall provide to the aggrieved person and the Association President a written answer to the grievance. A representative of the Association may be present at the meeting between the Superintendent and the aggrieved person, if requested by the aggrieved person.

3. Step Three. If the alleged grievance is not settled at Step Two, it may be referred in writing to the Secretary of the Board of Education within five (5) days after the answer by the Superintendent in Step Two. Such grievance shall state with specificity and in detail the nature of the grievance, including referenced to the provisions of the Master Agreement claimed to have been violated or misinterpreted. The Board, or a committee thereof, shall hold a hearing or otherwise investigate the grievance or prescribe such other procedures as it may deem appropriate for consideration of the grievance. The Association shall have an opportunity to present its views to the Board or committee at this step. The Board, or a committee thereof, shall render a decision on the grievance and present it, in writing, to the Association within fifteen (15) days after the matter was referred to the Board of Education, as therein provided.

4. Step Four. If the grievance is not settled at Step Three, the matter may be referred to arbitration by the Association or the Board. Notice to refer the matter to arbitration must be given to the Board within ten (10) days from the date of the Board's written decision at Step Three. Within five (5) days after the request for arbitration has been served upon the Secretary of the Board of Education, a committee of the Board, or its designated representative, and a

committee of the Association, or its designated representative, shall meet and make every reasonable effort to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator within a five (5) day period, the party seeking arbitration shall file a request with the American Arbitration Association for submission of a list of qualified arbitrators to the parties. The arbitrator shall then be selected according to the rules of the American Arbitration Association.

The arbitrator shall hear the grievance in dispute and shall render his decision in writing within thirty (30) days from the close of the hearing. The hearing shall be conducted in accordance with the rules and procedures of the American Arbitration Association, except as expressly modified by rule of the arbitrator. The arbitrator's decision shall be submitted in writing, and shall set forth his finding and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the Escanaba Area Public Schools, the Upper Peninsula Education Association, and the employees involved.

The arbitrator has no authority except to pass upon alleged violations of the provisions of this Agreement, and to determine disputes involving the application or interpretation of such provisions; and shall have no power or authority to add to, subtract from, or modify any of the terms or provisions of this Agreement. The arbitrator shall not render any decision which would require or permit action in violation of the applicable School Laws and Regulations of the State of Michigan.

The arbitrator's fee and expenses shall be shared by the Escanaba Area Public schools and the Association equally. The expense and compensation for attendance of any employee, witness, or participant in the arbitration proceedings shall be paid by the party calling such employee, witness or requesting such participation.

**E. Subjects Excluded From Grievance Procedure:**

The following subjects covered and governed by the terms and provisions of this Agreement shall not be subject to the grievance procedure as herein set forth:

1. Any complaint or dispute involving the discharge, termination, demotion of a teacher.
2. Any non-renewal of a probationary teacher's employment, or termination of a probationary teacher.
3. Any claim or complaint for which there is established another remedial procedure or forum established by law, including alleged disputes within the jurisdiction of the Equal Employment Commission; Civil Rights Commission; Michigan Employment Relations Commission or Michigan Tenure Commission.
4. Any action, order or regulation of the Board governed by Article I, paragraph D of this Agreement, or governed by Article IIB of this Agreement.
5. Any policies, rules or regulations of the Board, except if the same shall directly relate to wages, hours, and conditions of employment.

**F. Class Grievance:**

If, in the judgment of the Association Grievance Committee, grievance affects a group or class of teachers, the Association Grievance Committee may submit such grievance in writing, to the Superintendent of Schools directly, indicating the same to constitute a class grievance, and the processing of such grievance shall be commenced at Step Two of the grievance procedure. Such grievance shall be designated as a "class grievance" and the class affected shall be designated.

G. Documentation:

Copies of all written decisions of grievance shall be sent to all parties involved and the Association president. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be jointly prepared and given appropriate distribution by the Superintendent to facilitate operation of the grievance procedure.

H. General Provisions:

In the event a grievance is filed on or after June 1<sup>st</sup>, which, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limitations herein set forth shall be, insofar as practicable, reduced so that the grievance procedure may be completed prior to the end of the school terms or as soon thereafter as is practicable, and references to days shall be, in such event, deemed to be calendar days.

The filing of any grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance. In the event the alleged grievance involves an order, requirement, regulation or similar rule or procedure, the aggrieved person shall fulfill or carry out such order or requirement pending the final decision of the grievance procedure. No teacher may be represented by any teacher organization other than the Association in any grievance procedure initiated pursuant to this Agreement.

The time limitations with regard to presenting grievances at Step One, Step Two, Step Three, and Step Four of the grievance procedure shall be deemed to be of the essence. Accordingly, failure by the aggrieved person or the Association to comply and conform with such time limitations shall be deemed a waiver of the grievance, and such waiver shall be deemed to be with prejudice and without right for refiling or reinstatement of the grievance.

Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new agreement shall not be processed, but may be the subject of negotiations. Any grievance which arose prior to the effective date of this Agreement shall not be processed.

No back pay shall be awarded for any period prior to five (5) days before the filing of a written grievance. No claim for back wages shall exceed the amount of wages the teacher would otherwise have earned at his regular rate. Any settlement of a back-pay claim shall be limited to the amount of wages the employee would otherwise have earned from his regular employment with the district, less any wages earned during the time he is off work.

It shall be the general practice of all parties of interest to process grievances during times when such procedures do not interfere with assigned duties.

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants. Access shall be made available to records of all information necessary to a determination and processing of a grievance, and teachers' personnel files shall be examined by the Association only upon prior written approval of the teacher affected submitted to the Superintendent of Schools.

During the term of this grievance procedure there shall be no strike or lock-out. The Board of Education and the Association agree they will not permit, direct, encourage, or support any actions prohibited herein.

I. Rights of Teachers to Representation:

1. No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any School Representative, any member of the Association Grievance Committee, or any other participant in the grievance procedure by reason of such participation.

2. Any party in interest may be represented at all stages of the grievance procedure by a person of his own choosing, except that he may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. Individuals may not arbitrate grievances.

3. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

J. Miscellaneous:

1. Decisions rendered at Levels One, Two or Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Chairman of the Association Grievance Committee.

2. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

B. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Association with the approval of the Administration. A teacher new to the district with greater than three (3) years previous experience in the classroom may be assigned a Mentor Teacher for their first year if mutually agreed upon by both the Association and District. The purpose of the mentor assignment is to provide an individual who can offer assistance, resources and information in a non-threatening collegial fashion.

C. A Mentor Teacher shall be assigned in accordance with the following:

1. Participation as a Mentor Teacher shall be voluntary.
2. The District shall immediately notify the Association of those members requiring a mentor assignment or any affected member whose classroom assignment has changed.
3. The Association shall notify the Administration when a Mentor Teacher is matched with a bargaining unit member (Mentee). The assignment of the Mentor Teacher shall be finalized by the Administration within ten (10) work days after the notification.
4. Every effort shall be made to match Mentor Teachers and Mentees who work in the same building and have the same area of certification.
5. Mentee shall only be assigned to one (1) Mentor Teacher at a time.

D. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, neither the Mentor Teacher nor the Mentee shall be required to participate in any matter related to the evaluation of the other. Further, neither shall be required to testify as a witness in any grievance or administrative hearing involving such evaluations.

E. Where possible, the Mentor Teacher and Mentee shall be assigned common preparation time, if applicable.

F. Mentees shall be provided with such professional development induction into teaching as required by law.

G. Mentor Teachers shall be compensated \$500 per school year in which they work as a Mentor.

**ARTICLE XXII - DURATION OF AGREEMENT**

This Agreement shall be effective as of August 17, 2020 and shall continue in effect for until June 30, 2021.

Pursuant to P.A. 4 of 2011, the Board and Union shall follow the state guidelines regarding the appointment of an emergency financial manager.

\* For Service in Escanaba District (years 16 and beyond)

### **Ins. Bidding**

The district will comply with state requirements to bid health care insurance.

C. Payment of salary shall be according to the existing schedule except that when any payday falls on a holiday, then teachers shall receive pay for that period on the last business day prior to the holiday.

D. Newly hired teachers shall be placed on the salary schedule with full credit allowed for:

1. Teaching experience outside the Escanaba Area Public Schools not to exceed five (5) years.

2. Interrupted teaching experience within the Escanaba Area Public Schools shall be evaluated by the Superintendent of Schools for Board approval.

3. No credit shall be given for any teaching experience received or earned before obtaining provisional certification.

4. Credit for placement on the salary schedule for teaching experience acquired outside the Escanaba Area Public Schools shall be based on those years performed under a contract in an accredited school with the teacher holding State certification.

E. No teacher shall be hired at a base salary in excess of the existing salary schedule, after proper determination as to previous experience and or special education certification held.

F. In the case of the necessity of hiring a non-certified teacher for full time teaching, that person shall be paid at the rate of 90% of the B.A. Step 1 salary until valid certification is obtained. A non-Michigan certified teacher shall be granted one year from the date of hire to acquire valid Michigan certification. If at the end of that period a MI certification has not been obtained, pay will revert to the rate of the BA Step 1 salary.

G. Nurses' salaries shall be based on the B.A. plus permanent certification using the index of the salary schedule in Appendix A, providing a Bachelor's degree in Nursing has been obtained. In cases where a Bachelor's degree has yet to be earned, the salary shall be 90% of the BA + PC lane. Further lane advancement will be granted as outlined in the salary schedule.

Comp time for nurses may be arranged for approval by the superintendent for the same discretionary use as personal leave days.

Nurses will be given a minimum of sixty (60) calendar days' notice before termination of employment.

H. Advancement of the Schedule:

Teachers completing the necessary number of eligible credit hours for advancement to the next higher schedule may make application for such consideration as soon as official grades, transcript, etc., have been received. Such application will be forwarded, on the appropriate form, to the office of the Superintendent together with the necessary supporting transcripts. Courses taken for advancement on the salary schedule must be related to the teacher's assignment or to inter-related disciplines within the scope of the major or minor fields.

Guidelines used in the evaluation of such applications are as follows:

1. B.A. + Certification and M.A. +15:

a. Only those courses taken after full provisional certification are applicable for advanced schedule credit.

b. Graduate credit courses of the candidate's own choice may be counted. They do not have to be in a planned program.

c. Undergraduate credit courses must have the written approval of the Credentials Evaluation Committee before enrollment. Such requests will generally be allowed only when the undergraduate course is directly related to the person's teaching assignment. To secure this approval, file a written application in triplicate on the appropriate form which is available in your school office. Send such application to the office of the Superintendent clearly marked "Attention of Credentials Evaluation Committee".

2. M.A. +30:

a. All hours beyond the M.A. +15 must be on the graduate level and should be related to one's own area of teaching assignment or in preparation for a specific future assignment in the system. Any course not included in a degree program (i.e. second master's program) must be approved by the committee. In order to secure approval, a written application should be submitted as in (1-c). In cases where there may be question, doubt, or where committee action is indicated concerning the application, the Superintendent and the Board of Education.

b. Teachers completing the necessary number of eligible credit hours for advancement to the next higher schedule may make an application as soon as work is completed. They will be placed on the next higher schedule immediately upon confirmation (i.e., statement from the Superintendent's Office verifying completion of required work), and retroactive to approval by Credentials Committee.

I. Mileage paid to itinerant teachers and bargaining unit members for approved travel shall be at the current Federal Rate.

**APPENDIX B - SUMMER SCHOOL ATTENDANCE, FOREIGN TRAVEL, AND  
EXTENSION COURSES**

A. Upon receipt of a statement of credit earned in an extension course offered by an accredited college or university in Escanaba, Marquette, or any other public institution in Michigan, the Board will pay 75% of the tuition cost for up to 3 credits per school fiscal year. For any other institution the Board will pay 75% of the average between the highest cost and the lowest cost for graduate level courses of the same nature of the two relevant Michigan public universities or colleges. This includes any credits earned for job-related educational expenses.

The board will file a 1099 Form for such educational expenses upon request of the employee. The Board shall reimburse the employee by separate check. Any subsequent tax obligation will be the responsibility of the employee.

B. Teachers who receive an increase in salary by reaching a higher training level after summer school attendance shall receive both the increase as provided for in the salary schedule and the allowance for summer school attendance.

C. Reimbursement of tuition will be made twice each year-at the first payday in March for courses taken during the first semester, and at the first payday in October for courses taken during the second semester or in summer session. Submission of tuition reimbursement requests must be made no later than 6 months after the conclusion of the course. The teacher must be in the employ of the Escanaba Area Public Schools at the time of reimbursement in order to receive it.

D. For reimbursement the course work must be directly related to the teaching assignment or pre-approved by the Superintendent

## APPENDIX C – EXTRA DUTY PAY SCHEDULE

1. The District shall have the right to determine qualifications and hire individuals for all Appendix C positions. Seniority shall not be a factor for hiring.
2. Contracts for all Appendix C positions shall be signed annually for such positions.
3. Staff employed in Appendix C positions shall have the option of receiving salary divided between the halfway point and at the completion of the extra duty or in a lump sum at the completion of the extra duty.

Remuneration (annual) for a given assignment bears a percentage relationship to the appropriate level of the bachelor schedule for the teacher involved. The schedule is based on the adopted B.S. plus permanent certification schedule and percentage as shown in Appendix C. In the event a teacher does not have permanent certification, the schedule is based on the adopted B.S. schedule and percentage as shown in Appendix C.

Copies of signed contracts of all non-professional staff employed under Appendix C shall be given to such staff and the EEA within seven (7) days of the commencement of the involved extra duty assignment with prior written permission of employee.

Extra-duty pay scale as applicable to Appendix C will be based on the B.S. plus permanent certification and years of service will be based on experience in the extra-duty position. Newly hired personnel shall be given credit for experience in the specific or related position outside the EAPS not to exceed 5 years.
