ARTICLE 2
ASSOCIATION AND TEACHER RIGHTS

A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that certified teachers of the Board shall have the right to elect to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiations. As a duly elected body exercising governmental power under laws of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act and the laws of Michigan, that it will not discriminate against any teacher with respect to hours, wages, or condition of employment by reason of his/her membership and participation in the Association's activities, or collective bargaining or professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this agreement.

ARTICLE 4

A. The Association agrees to indemnify and hold the Board, including each individual school board member, harmless against any and all claims, demands, costs, suits or other forms of liability including, but not limited to, back pay and all out of court or administrative agency costs that may arise out of or by reason of any action by the Board for the purpose of complying with this Article.

B. Teachers shall be paid according to a schedule of their choice.

- (1) Total annual salary shall be divided into 26 pay periods and payable every two weeks. The total unpaid balance shall be paid in a lump sum at the end of the school year.

E. First pay is to start two weeks after the last payday of the prior contract. (This includes methods 1 and 3 above.)

ARTICLE 5

TEACHING HOURS AND CLASS LOAD

A. Teachers shall be required to report for duty twenty-five (25) minutes before the opening of the pupil's regular school day in the morning and be present in their classrooms or areas of assignment. Teachers shall be permitted to leave five (5) minutes after close of the pupils' regular school day. It is the responsibility of each individual teacher, as well as the Board, to provide the highest quality educational program practicable for every boy and girl in the school district. Teachers are to remain for a sufficient period after the close of the pupils' day to attend to those matters which properly require attention at that time, including consultations with parents when scheduled directly with the teacher and principal, except that on Fridays or on days preceding holidays or vacations, the teacher's day shall end at the close of the pupils' day.

B. The weekly teaching load in the junior and senior high school will include one unassigned

In the event that there is no school due to a snow day or calendar-approved day off, a teacher will not be compensated for their missed special. If a special class must be missed due to a planned special event at the school, a teacher will be compensated as described above.

At any time a teacher must take over the class due to the absence or non-attendance of the teacher, that teacher is to notify the superintendent's secretary and a record of such times will be kept. The time so accumulated may be used as release time or will be paid time to the teacher based on twenty dollars (\$20) per period or nearest half hour at the teacher's choice.

In the event it becomes necessary for a teacher to teach both sections of a class, i.e., one teacher is absent in the first grade, no substitute is available, and the teacher present teaches both sections, that teacher is to **notify the superintendent's secretary and a record of such times will be kept. The time so accumulated will be paid time to the teacher based on twenty dollars (\$20) per period or hour when submitted within the same pay period at.**

Compensation for this time is explained in Article 19 B

The district shall provide in-service training in hygienic practices and management to teachers coming into contact with students having such communicable diseases, if requested by such teachers. Once notified and trained, teachers shall comply with the district's policies to assure that such afflicted students are not discriminated against.

ARTICLE 7

TEACHING CONDITIONS

- A. The Board recognizes that appropriate textbooks, athletic equipment, and similar materials are the tools of the teacher profession. The Board agrees at all times to keep the school equipped and maintained within the finances available.

D. The Board recognizes that it is desirable to develop a master schedule as soon as possible for the upcoming school year.

ARTICLE 9

VACANCIES, PROMOTIONS, AND TRANSFERS

A. The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher for a transfer to a different class or position, shall be made in writing on forms furnished by the Board, of which one copy shall be filed with the superintendent. The application shall set forth the reasons for transfer, the school, grade or position sought, and the applicant's academic qualification.

B. The Association recognizes that when vacancies occur during the school year, it may be difficult to fill them from within the district without undue disruption to the existing instructional program. If the superintendent, in his/her reasonable judgment so determines, such a vacancy may be filled from outside the district.

C. Any teacher who shall be transferred to an administrative or executive position for one year or less and shall later return to a teacher status, shall be entitled to retain such rights as he or she may have had under this agreement prior to such transfer to supervisory or executive status. Any teacher who transfers to an administrative or executive position for more than one year shall retain but not accrue rights under this master agreement. Such teacher shall only return if there is a vacancy or in compliance with the tenure act.

ARTICLE 10

ILLNESS OR DISABILITY

A. At the beginning of each school year, each teacher shall be credited with a fourteen (14) day sick leave allowance to be used for absences caused by illness or physical disability of the teacher. The unused portion of such allowance shall accumulate from year to year, up to a total of:

Less than 15 years of service – a maximum of 130 accumulated sick days

At least 15 years of service – a maximum of 140 accumulated sick days

At least 20 years of service – a maximum of 150 accumulated sick days

The Board shall furnish a written notice of sick leave credit at the beginning of each school year.

The rate at which the accumulated sick days are to be computed shall be determined by dividing the

current year's annual salary by the number of teacher contracted days in the annual school calendar.

B. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability, up to one year subject to renewal at the discretion of the Board. Requests for extension must be submitted in writing by April 1. Any teacher requesting additional time off for child care must comply with Article 13.

C. Absence due to injury incurred in the course of the teacher's employment shall not be charged against the teacher's sick leave days. The Board shall pay the teacher the difference between his salary and benefits received under the Michigan Worker's Compensation Act, for the duration of such absence.

D. In the event of absence of a teacher for illness in excess of three (3) consecutive working days (or if the Board has evidence of repeated abuse), the Board may, at its expense, require an independent examination by a physician appointed by the Board. The Board will notify the teacher of any evidence of abuse prior to requiring the independent examination.

E. Upon the recommendation of the superintendent, the Board may, at the Board's expense, require a teacher to submit to an examination by appropriate specialists to determine whether involuntary sick leave is warranted.

F. **Up to three (3) days bereavement days will be granted for the death of a person in the immediate family.** (The immediate family may include father, mother, spouse, children, mother-in-law, father-in-law, grandparents, brothers, sisters, brother-in-law, sister-in-law or grandchildren.) Additional days may be granted by the Administration and will be charged to the teacher's accumulated sick leave.

G. Three (3) days, or six one-half days, a year may be used for personal business. If personal business days are not used by the teacher during the school year, the teacher will have the choice at the end of the year to convert business days to sick days, or accumulate them as personal business days up to a maximum of five (5) days. A teacher may use more than three consecutive days, dependent on availability of a substitute. Any exceptions will be considered by the Administration. Persons who have accrued more than 5 days of personal leave time before the effective date of this agreement will not lose those days.

H. Personal business means an activity that requires the teacher's presence during the school day, and is of such nature that it cannot be attended to at a time when schools are not in session. An application for personal business leave must be submitted in writing at least one week in advance (except in the event of an emergency when a shorter notice may be acceptable).

I. A personal business leave day shall not be granted for the day preceding or the day following holidays or vacations, and the first and last two weeks of the school year. Any exceptions will be considered by the Administration.

J. In the event of a catastrophic or long-term illness, teachers shall have the right to donate sick leave hours to another employee (employee and their immediate family which may include father, mother, mother-in-law, father-in-law, grandparents, spouse, biological, step and foster children, brother, or sister)

ARTICLE 11

All requests for professional leave must be submitted in writing to the Administration at least 24 hours in advance.

B. A teacher called for jury duty or subpoenaed to give testimony before any judicial or administrative tribunal in litigation involving the district and the teachers duties with the district shall be compensated for the time off by being paid the difference between the teaching pay and the pay received for the performance of such an obligation.

C. A teacher who is a plaintiff or defendant, not related to teaching services, before any judicial or administrative tribunal, shall not be compensated, unless personal days are used, for the time missed from normal teaching duties. A teacher's personal business days may be used for such an absence.

D. Teachers shall be granted a minimum one half day of in-service training with the Administration approving the resource person.

ARTICLE 12
SABBATICAL LEAVE

A. Teachers who have been employed for seven (7) years shall be granted a sabbatical leave for one year. It shall include, but not be limited to, attending college, university or other educational institution. During said sabbatical leave, the teacher shall be considered as an employee of the Board providing said teacher states in writing his/her intent to return prior to March 1 of the year the leave expires.

B. During the leave, he/she shall not receive any salary, prepaid insurance, sick leave increments (Insurance paid for by the Board) or other fringe benefits. At no time will more than one teacher in the district be absent on sabbatical leave at one time. The Board shall be responsible for granting all leaves. Approval by the Board will be contingent upon securing a certified employee to assume the applicant's duties. Sabbatical leaves shall be granted only once during the teacher's tenure in the district.

ARTICLE 13
CONDITIONS FOR EXTENDED LEAVE

- A. The following conditions shall apply to extended leaves of absence:
- (1) Requests for leaves shall be in writing.
 - (2) Eligibility shall be based on a minimum of two (2) years of continuous service and having tenure in the district.

- (8) Reemployment during the school year shall be at the discretion of the Board, and reemployment for the beginning of a new school year shall depend upon an opening on the staff for which the teacher is qualified.

B. Upon written application, a leave of absence for up to one year may be granted without pay for study related to the teacher's licensed field or his/her professional growth. The regular salary increment shall accrue.

C. A leave of absence shall be granted up to one period of enlistment to teachers who are inducted into any branch of the armed forces of the United States. Reinstatement on completion of such service shall be in accordance with the requirements of the applicable laws of the United States. Regular salary increments shall accrue.

D. A teacher shall be granted a child care leave by the Board of Education after the end of the teacher's sick leave, which leave was taken due to a pregnancy. If a teacher wishes a child care leave, the teacher should give notification to the Board of Education three (3) months prior to the scheduled due date for the child. A teacher on child care leave shall not be entitled to any salary or fringe benefits and the teacher shall be assigned to the same step in the salary schedule upon return to teaching. The teacher, upon return, shall be assigned to the same or an equivalent teaching position, if such a position exists. The maximum one school year leave includes time spent on an FMLA child care leave.

E. A teacher will be granted one year leave without pay prior to the beginning of, or at the conclusion of, the school year to campaign for him/herself or serve in public office. Further extensions shall be granted at the will of the Board. Reemployment will be made only if a position is available and the teacher is qualified.

ARTICLE 14

TEACHER PERFORMANCE/PERSONNEL FILE

A. Each teacher shall have the right, to review the contents of his/her own personnel file upon request. A representative of the Association may, at the teacher's request, accompany the teacher to this review. Each teacher's personnel file shall contain the following minimum items of information:

- 5) A transcript of academic records.
- 6) Tenure information.
- 7) All criticism which had been brought to the attention of the teacher. No material may be placed therein without allowing the teacher an opportunity to file a response thereto, and said response shall become a part of the file

ARTICLE 15

PROFESSIONAL BEHAVIOR

A. Teachers are expected to comply with reasonable rules, regulations and directions from time to time adopted by the Board or its representatives, which are not inconsistent with the provisions of this agreement. Further, during the term of this agreement neither the teacher organization nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from his/her position, or stoppage of work or abstinence in whole or part, from the full, faithful and proper performance of the teacher's duties of employment) for any cause or purpose whatsoever. A violation of this clause may be subject to court action.

ARTICLE 16

PROFESSIONAL IMPROVEMENT

A. The Board supports the principle of continuing training of teachers. In order to qualify for professional improvement, teachers must be enrolled at an accredited university or college, in the areas of study in which they may be certified to teach. They may convert fifty (50%) percent of their accumulated sick leave allowance to pay for tuition, fees and books, upon successful completion of such a course. **The reimbursement will be capped at six (6) credits per teacher every five (5) years.** A request for such payment must be turned in to the Board with the grade earned, within a month of the completion of the course. Courses outside the area of certification must be approved by the superintendent. The teacher must have permanent certification before any courses outside their area of certification will be approved. Reimbursement for courses taken will not be subject to regular payroll deductions.

B. Any bargaining unit member employed prior to the requirements for additional endorsement required by the Department of Education shall receive full reimbursement from the Employer for tuition, books, and transportation upon successful completion of each course applicable to the endorsement. This does not apply to the continuing credits, which must be earned for continuing certification under the new certification law. The location of the institute where the courses are to be taken must be approved by the Superintendent if taken out of state. The teacher using this method of professional improvement must serve a minimum of five (5) years in the district in the subject area for which the endorsement was earned or must reimburse the district the full amount paid him/her. The provision is null and void upon the teacher's layoff, involuntary transfer, or retirement.

C. Any bargaining member's lateral move on the salary schedule due to increased approved professional credit hours shall occur the following semester.

ARTICLE 17

REDUCTIONS IN PERSONNEL, SENIORITY AND RECALL

A. Seniority shall be defined as the teacher's first working day of the current term of

employment in the school district (except that seniority shall not accumulate if so specified elsewhere in the contract). Beginning with the 1989-90 school year (present staff is grandfathered; not retroactive), one day seniority shall be awarded for each day worked including paid leave. Any person working less than a full six-hour day shall have the time pro-rated based on actual time worked (a person working one half day per day for a year can earn ninety (90) days seniority for the year). This provision is independent from the salary schedule steps.

- (1) A teacher shall lose his/her seniority only if he/she resigns, retires, is discharged by the Board, providing said discharge is not overturned by the Tenure Commission or through the courts or by the grievance procedure if a grievance is permitted elsewhere herein.

ARTICLE 18

SCHOOL CALENDAR

A. The school holidays and start and ending times shall be established by the Board and representatives from the professional staff with input from the support personnel. Those times must provide for additional hours mandated by the Michigan Department of Education's Instructional Time Requirements.

There shall be no deviation from, or change in, the calendar except for an emergency. Notification of any change shall be given to the teachers in writing. The school calendar shall be set forth in Appendix A. The beginning and the end of the school year shall be determined by the Board.

B. The school year shall consist of no less than 178 days and shall include the number of instructional hours necessary to allow the District to qualify for full state aid. There shall be one full day for teacher record keeping and in-service at the end of the first semester and one-half (1/2) day at the completion of the student calendar for record keeping and finalization of work duties. Students will be present on the first day and the last day of school for a minimum one-half day or as many hours as needed to be counted as a day by the State of Michigan. An additional day shall be granted to teachers for attendance and work duties at the one (1) scheduled parent/teacher conference. Students will be dismissed early and each parent/teacher conference will be five (5) hours in length. In the event that scheduled day/hours are cancelled and need to be made up to qualify for full state aid, the makeup time shall be scheduled at the conclusion of the school year or at an otherwise mutually agreeable time.

C. The District shall comply with MCLA 388.1701 (3) and (4) of the School Aid Act as amended by PA 239 of 1984, commonly called the "Snow Day Provision," however, the rescheduling of such days shall not entitle employees to additional compensation. Makeup days will be rescheduled by mutual consent of the Board and the Association. In the event the law changes, the district shall return to the practice in effect prior to the passage of the above law in which teachers were not required to attend, or make up days due to cancellations of school due to causes beyond the control of the district.

D. The parties agree to negotiate the school calendar on or about May 15 of each year of the contract.

ARTICLE 19

which is attached to and incorporated in this agreement. Such salary schedule shall remain in effect during the designated period. All teachers shall be given full credit on the salary schedule up to step 5 (be placed on step 6).

B. If a teacher substitutes for another teacher during his/her preparation time, the teacher shall be allowed to bank this time in the form of compensatory time to be used later. However, if the compensatory time is **not used** it can be carried over to the next year for use. All substitution time must be emailed to the Central Office Secretary **within three (3) working days after occurrence** in order to qualify for compensatory time.

C. Part-time employees required to attend in-services or conferences which extend their normal time of daily work, will be paid on a prorated basis for that time, not to exceed the amount the employee would have received per day if he/she had been a full-time employee, regardless if the conference/in-service runs beyond the regular school day. All teachers required to attend a conference and/or in-service training outside the scheduled day, shall be reimbursed at the rate determined by the conference/in-service coordinator but not less than \$45.00 per day. PTO or a similar organization, parent-teacher conferences, class activities, honors night, and similar functions are excluded from this provision.

D. Teachers required in the course of their regular working day to drive personal automobiles from one school building to another shall receive a car allowance at the current IRS rate. The same allowance shall be given for use of personal cars for field trips or other business of the district. The school car will be used if available. Written reports shall be submitted for all field trips and educational conferences before any reimbursement of expenses.

E. In the recognition of service to the school district, a lump sum based on the following formula shall be paid to a teacher at retirement as unearned terminal leave pay (UTLP).

At least 10 years of service – a maximum of **150** accumulated sick days at \$30 a day.

At least 15 years of service – a maximum of **150** accumulated sick days at \$40 a day.

At least 20 years of service – a maximum of **150** accumulated sick days at \$50 a day.

F. The Board agrees to provide insurance benefits to bargaining unit members (including those who opt for Plan B) as follows:

2017-2019 - Hard Cap on medical insurance paid by the School District.

The Employer will pay 100% of Plan B and all non-medical insurance benefits.

Medical Coverage: The employer shall provide MESSA Choices II as described below for a full twelve (12) month period for each year of this Agreement for the bargaining unit member and his/her eligible dependents as defined by MESSA, including sponsored dependents. Should a plan of equivalent benefits become available, the parties will meet and consider such plan.

Bargaining unit members electing health insurance shall choose from one of the following plans:

Plan A:

ARTICLE 20

SPECIAL TEACHING ASSIGNMENTS

A. Assignments for adult education, driver education, extra duties enumerated in Appendix B, and summer programs will be made by the Administration on the basis of preference to tenure teachers possessing permanent teaching certification and regularly employed in the district during the normal school year, and if within their fields of endeavor. Any assignment in addition to the normal teaching schedule shall not be obligatory, but shall be with the consent of the teacher. Teachers who are instructing a staff in-service or conference that requires work beyond the regularly scheduled day, will be paid \$15.00 per hour.

B. The Board agrees at all times to maintain a list of substitute teachers. Teachers shall be informed of a telephone number they may call before 7:00 a.m. to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the Administration to arrange for a substitute teacher, if possible.

ARTICLE 21

STUDENT DISCIPLINE AND TEACHER PROTECTION

A. The Board recognizes its responsibilities to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom. Whenever a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional person, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil, upon the recommendation of the Administration.

B. It is recognized that discipline problems are less likely to occur in classes where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use such force as is necessary to protect him/herself from attack, or to prevent injury to another student. A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior, or disruptive effect of the violation make the continuing presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligation will allow, full particulars of the incident in writing. Any case of assault upon a teacher, which had its inception in a school centered problem, shall be reported immediately in writing to the superintendent or his/her designated representative. In the event of such an assault, the teacher involved may request assistance of the Board in such matters. These requests shall be made in writing to the superintendent. If any teacher is complained against, or sued, by reason of disciplinary action in accordance with Board policy taken against a student, the Board will provide legal counsel and render all necessary assistance to the teacher in his/her defense. No corporal punishment of any type is permitted.

C. Time lost by a teacher in connection with any incident mentioned in this article, not compensable under the Worker's Compensation Laws, shall not be charged against the teacher unless he/she is adjudged guilty by a court of competent jurisdiction.

ARTICLE 22

PROFESSIONAL GRIEVANCE PROCEDURE

A. A claim by a teacher or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this contract may be processed as a grievance hereinafter provided. It shall be recognized that a grievance is a complaint alleging a violation of a specific article, or a section of this agreement. The following matters shall not be the basis of any grievance filed under the procedure outlined in this article:

- (1) The termination of services or failure to re-employ any probationary teacher.
- (2) The termination of services, or failure to re-employ, any teacher to a position of the extra-curricular schedule.

(3) Any matter for which there is recourse under the Michigan Tenure Act, provided that statutory timelines of the tenure act are met.

B. It shall be the general practice of all parties in interest to process grievance procedures during the time when and which do not interfere with the assigned duties, provided, however, in the event it is agreed by the Board to hold the proceedings during regular working hours a teacher participating in any level of grievance procedure, with a representative Board, shall be released from assigned duties without loss of salary.

C. A teacher, at any time, may present the grievance at any level and have the grievance adjusted without intervention of the Association, provided, however, that said adjustment is not inconsistent with the terms of this agreement and the Association has been given an opportunity to be present at such adjustment.

Step One: Within five (5) school days of the occurrence of an alleged grievance, the teacher shall submit on the form attached to this agreement as Appendix C, a written grievance to the building principal. If a grievance is not submitted within five (5) school days, then the grievance shall be considered waived. Within (5) school days following the receipt of the written grievance, the building principal shall meet with the teacher in an effort to resolve the grievance. Within five (5) school days following said meeting, the building principal shall submit a written answer to the teacher.

Step Two: If the teacher is not satisfied with the written answer of the building principal, within five (5) school days following receipt of said answer, the grievance shall be submitted to the superintendent. Within seven (7) school days following receipt of the written grievance, the superintendent shall meet with the teacher in an effort to resolve the grievance. Within five (5) school days following said meeting, the superintendent shall submit a written answer to the teacher.

Step Three: If the teacher is not satisfied with the written answer of the superintendent, within (5) school days following receipt of said answer, the grievance shall be submitted to the secretary of the Board or its designee. The Board at its next regular meeting, or within four (4) weeks, whichever occurs first, shall meet with the teacher or local Association in an effort to resolve the grievance.

Step Four: If the local Association is not satisfied with the written answer of the Board, within seven (7) school days following receipt of said answer, the grievance may be submitted to the American Arbitration Association in accord with its rules.

Section D: The Board and the teacher, or his/her designated representative, shall not be permitted to assert in such arbitration proceedings on any ground or rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add or subtract from the terms of this agreement. The arbitrator's decision shall be final and binding upon the Association, the Employer and employees in the bargaining unit; provided, however, that each party may have its legal remedies if the arbitrator exceeds the jurisdiction provided in this agreement. The fees and expenses of the arbitrator shall be equally shared by the parties involved. The arbitrator shall hold meetings promptly and issue his/her decision not later than thirty (30) days from the day of the close of the hearings unless mutually extended by the parties.

Section E: The time limits provided in this article shall be strictly observed, but may be extended by written agreement of the parties. In the event that a grievance is filed after May 15 of the current school year, and strict adherence to the time limits may result in hardship to any party, the Board may use

its best efforts to process such grievance prior to the end of the school term, or as soon as possible. Notwithstanding the expiration of this agreement, any claim or grievance arising during this agreement may be processed through the grievance procedure until resolution.

ARTICLE 23
EXTRA CURRICULAR

A. Any and all positions regarding extracurricular activities, including but not limited to coaching positions and other non-tenure assignments, shall not be part of this contract and shall be non-tenured assignments. A coach and anyone holding an extra-curricular assignment shall have no expectancy of serving in that position from one year to the next. All coaching and extra-curricular assignments shall be declared vacant annually and within forty-five (45) days after the end of the coaching season, or the conclusion of the extra-curricular assignment, the coach or person holding said assignment, shall be notified as to the reappointment for the ensuing season or assignment. The Board's determination not to appoint or reappoint any individual to a coaching or other extra-curricular assignment shall not be subject to the grievance procedure. The job shall be posted according to the rules of the school district.

B. Compensation for extra-curricular will be as follows: Non-bargaining unit members shall be considered as entering a contracted service agreement with Big Bay de Noc School District. The school district will pay these individuals the contract amount listed on Schedule B, per Master Agreement, upon approval by the Superintendent. Contracted individuals shall be responsible for any and all tax liability incurred.

Bargaining unit members are employees of the district, and therefore will receive remuneration through payroll (as extra pay) at the approval of the Superintendent. Designated teaching time shall not be used to complete extra-curricular assignments. In the event designated teaching time is used to complete extra-curricular assignments, the compensation shall be pro-rated in order to avoid a dual payment.

ARTICLE 24
CONFERENCE COMMITTEE

A special conference committee shall meet at least once a semester, and if necessary more, to discuss relevant matters dealing with the school and to provide open communications for the teachers, administration, and the Board of Education. The agenda for the conference committee meeting will be set jointly by the superintendent and the union president. The special conference committee shall be made up of the following representatives: an early elementary teacher, a later elementary teacher, a middle school teacher, a high school teacher, two Board members, and all administrators. This committee shall be advisory only and shall not make any policy regarding the operation of the school system.

Association and Board also recognize that in certain circumstances drug abuse could constitute an illness.

B. The Board agrees that any bargaining unit member with an alcohol or drug abuse problem who requests diagnosis or treatment will not jeopardize his/her job rights or job security and that such problems will be handled in a confidential manner. The employee must participate in an approved program. This provision will not be used more than once per member.

ARTICLE 26

NEGOTIATION PROCEDURES

A. Release time shall be provided the Association's negotiation committee to permit the parties to alternately meet both during and after school hours, if requested by the School Board's negotiation team.

B. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations.

C. There shall be three (3) signed copies of the final agreement for the purpose of record, one retained by the Board, one by the Association, and one by the Superintendent. The cost of printing the contract is to be shared equally between the Association and the Board.

D. This agreement incorporates the entire understanding of the parties on all issues, which were or could have been the subject of negotiating. During the term of this agreement neither party will be required to negotiate with respect to any such matter, whether or not covered by this agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this agreement.
