The parties recognize that optimum school facilities for both students and teachers are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.

- A. Because the pupil-teacher ratio is an important aspect of an effective educational program, class sizes can only exceed, except in instances of voluntary experiments, the following standards by a maximum of one, with teacher consent. Overloads will be on a volunteer basis, based on seniority. When class sizes are exceeded, the teacher shall be compensated at six dollars (\$6.00) per student per contact hour with a minimum of fifty dollars (\$50), per school year, the balance to be paid at the end of the school year. This will commence with the third student contact week of the course/class.

Special education overloads will be based on the first student Monday in December and the first student Monday in May. If the maximum case load waiver is five (5), .25% of the member's

All secondary classes will be scheduled at two less than the class maximums set forth below. Beginning with the 2007-2008 school year there will be no maximum daily load.

This does not apply to multi-age or gifted programs at the elementary level. At the elementary level, attempts will be made to equalize the number of students per grade level in a split classroom (See Article IX B 9 g for staffing).

Scheduling of Special Needs Students

Special needs students participating in a regular education classroom shall be equally distributed to the extent possible when scheduling. Should the combined number of students with Individual Educational Plans or students with 504 Plans (excluding those with only speech services) in any general education classroom exceed thirty percent of the established maximum class size, that class size limit shall be reduced by two (2) unless an additional paraprofessional is provided in the class.

Where a teacher is assigned to more than one special education area, the student maximums will be a pro-portion of the maximums established in applicable laws/rules. Deviation shall be compensated under Section A of this Article. Notification will be sent to the Association President whenever a deviation or waiver is requested or utilized.

6. The Office of Human Resources will make class size information available, upon written request, to the Association within ten (10) days.
7. The Association recognizes that building/construction progress or emergency situations affect student class size. If circumstances exist that are beyond the Board's control, the Board and Association will meet to work out a solution.

B. COUNSELING SERVICES

For the 2010-2011 school year counseling services will be staffed at a minimum of three (3) for the high school, a minimum of two (2) for the middle school and a minimum of three (3) at the elementary with no fewer than nine (9) counselors.

In staffing for subsequent years of the contract a total of two counselors may be reduced, with no more than one reduction per school year. However, in the event that additional counselor(s) were to leave the district, the total number of counselors may be reduced beyond the minimum number of 9 through attrition. Any counseling positions reduced through attrition beyond the minimum of 9 will be replaced by a certified EA member, whose certification may be, but is not limited to, roles such as: social worker; psychologist; counselor; behavior interventionist, etc.

Counseling work year may be adjusted per article V J 14.

When media services are provided, the media center will be staffed to meet **AdvancED** standards.

I. Telephone facilities shall continue to be made available to teachers for professional use.

J. All teaching hours and schedules including marking periods shall be developed within the following parameters:

All secondary teachers shall have regularly scheduled planning time of at least 275 minutes per week, which shall be scheduled in blocks of at least twenty five (25) consecutive minutes, with at least one such block scheduled each day. 7. Elementary teachers will be released from duty during recess periods, except when scheduled for supervision.
8. Teachers having a first (1st) period shall report to their immediate classroom area ten (10) minutes prior to the start of their first class and are to use this time for the conduct of professional duties which shall include, but not be limited to, supervision of students. Teachers scheduled for the last instructional period of the day shall remain in their classroom area, except in cases of emergency, ten (10) minutes after classes are dismissed. All teachers' lunch periods shall be scheduled between 10:30 a.m. and 2:15 p.m.
9. It is the Board's responsibility to establish the beginning and ending times of a school day within the parameters of this contract. When a building schedule is to be realigned within these times, the following procedure shall be followed:
 - a. Following consultation with the teachers involved, the building principal will develop individual building schedule options within the parameters.
 - b. Proposed schedules are subject to approval by a majority of the building faculty in a secret ballot vote conducted by the Faculty Advisory Council.
 - c. If realignment must take place during the summer, the principal shall set a temporary schedule to begin school. Adjustments made after the process has been completed shall be accomplished as soon as practical.
 - d. Notice of a proposed change of schedules shall be forwarded to the Association President forty-eight (48) hours prior to vote.

Secondary teachers shall be assigned to no more than five (5) classes per day. Instructional Specialists and Coordinators shall be assigned to six (6) hours per day or thirty (30) hours each week.
12. The master schedule of each secondary building for the current school year will be mutually reviewed by the Board and the Association prior to the first day of school.
13. **At the High School, zero (0) hour sections will be limited to no more than three (3).** Staffing for zero hour will be first on a volunteer basis. If no staff member volunteers, the specific department/PLC may give input for staffing to the Principal. Zero hour teachers will have coverage provided in order to participate in all scheduled professional development opportunities during late start Wednesdays.

At the High School, Alternate 2nd through 7th hour schedule will be staffed on a volunteer basis. If there are multiple qualified volunteers for an alternative 2nd through 7th hour schedule, members will be selected in the following order: 1. successful experience at the task, 2. area of specialization, 3. seniority.

Teachers with a 2nd through 7th hour schedule will fulfill their professional development obligations on late-start Wednesday's beginning at 7:55 a.m. In the event that said teachers are requested, or approved to attend by the building principal, they will be compensated for the additional hour at curriculum rate.

14. Non-load bearing members may have a different work year than load bearing members. Non-load bearing members will work the same number of days as load bearing members. Any additional days beyond the non-load bearing schedule shall be voluntary and compensated at a rate agreed upon between the association and the board, on the basis of the work being done, to be pre-determined in writing. No one will be assigned to work in July, weekends, weeks with less than three (3) days or holidays unless mutually agreed upon.

For the purpose of work year, non-load bearing members consist of: instructional specialists, counselors, academic coaches, social workers, curriculum coordinators, psychologists, teacher consultants, media specialists, nurse, speech language and department chairs. If there are multiple qualified volunteers for an alternative schedule, members will be selected in the following order: 1. successful experience at the task, 2. area of specialization, 3. seniority.

Specific to non-load bearing staff where a supervisor determines an alternative work year schedule is necessary; the schedule will be mutually developed by the supervisor and

member and submitted by July 1st to the Human Resource (HR) department and EA President. Changes to the schedule within the same school year must be mutually agreed to by the supervisor and member and approved by HR department and EA President at least seven (7) work days before change occurs. If an agreement between supervisor and member can not be reached by July 1st for the following year, the Assistant Superintendent for HR and EA President or designee, shall mutually agree on the calendar and that agreement will be binding. .

- K. If teachers in a building, through consensus, decide to formulate a schedule that does not fit the parameters of Article V J, of the master agreement, the following process shall be followed:
1. All teachers of the affected building will have input into the proposed schedule.
 2. The F.A.C. will develop a written draft of the proposed schedule.
 3. The aforementioned proposal(s) are subject to the approval of the Board and the Association Executive Committee each year.
 4. Following approval, a secret ballot vote shall take place. In order for the changes in the schedule to be made, there must be an 80% approval by 100% of the building teachers.
 5. The proposed change(s), if approved, shall take place and shall remain in effect as long as the proposal states.
 6. If the approved proposed changes are made at the end of the school year, the changes shall take place the following year.
 7. At the conclusion of the year implemented, an evaluation shall take place.
- L. When the media specialist and/or librarian is not on duty in the library, only certificated personnel or responsible adults shall supervise the students in the library.
- M. Nothing in this Article shall be interpreted to prevent any teacher from volunteering for emergency teaching assignments.
- N. **Each school unit shall have allocated to it the sum of seventy-five dollars (\$75) per full-time teacher (pro-rated for fractional teachers) per year for the purchase of instructional supplies and equipment over and above the pupil allotment.** Said funds shall be controlled and administered by the building principal (on a departmental basis at the secondary level), but shall be used exclusively to honor teachers' requests for instructional materials. Purchases made directly by teachers shall require prior approval and proper invoices for payment.
- O. Teachers shall not be required to work under unsafe or hazardous conditions, or to perform tasks which endanger their health, safety or well-being.

- P. 1. Whenever it is known that school is not to be in session because of conditions not within the control of school authorities not limited to heat, water or weather conditions, students and teachers shall have notification as soon as practical prior to the time school is to begin, and teachers shall not be required to report for work.
2. If school is in session and students are sent home because of heat, water, or weather conditions, teachers shall be relieved of duty when students have been dismissed.
- Q. The Association and the Board recognize that professional responsibilities and duties may not be confined to the normal teaching day. Attendance for these professional responsibilities and duties shall be voluntary.

In case of emergency, teachers are obligated to assist and supervise children after regular working hours.

It is the responsibility of the teacher, when an individual parent initiates a conference, to schedule said conference within three (3) working days at a time that is convenient to the teacher.

- R. School improvement plans/strategic planning/site-based decision making

The Board and Association recognize that teacher participation in these initiatives is desirable in providing positive results for students. If it becomes apparent that plans coming out of these initiatives violate or are inconsistent with this collective bargaining agreement, it is understood that the collective bargaining agreement shall prevail.

Further, it is understood that the Board and Association will seek to collaborate in any situation where contract language is inconsistent with mutually agreed to improvements.

The Board and the Association commit themselves to establishing a collaborative process to ensure a school environment that improves both teaching and learning.

ARTICLE VI

LEAVE PAY

Building on the “agreed to effort” instituted in the 2007-2010 CBA, members will be allowed to use their annual allotment of sick and personal time as leave days subject to the following stipulations:

- A. **Members will be allowed to use 12 days as leave days. Use of these days around a holiday will still require administrator approval, in addition to working four events prior to use of those leave days. Worked events can carry forward one (1) year.**
- B. **At the beginning of each school year, a teacher who reports for work shall be credited with twelve (12) days to be used for absences of the teacher for reasons outlined in C below. When an employee does not report within the first two weeks of the school year, the leave**

credited will be prorated by the hour for time not worked. Employees who have unpaid leaves during the year and/or whose employment terminates prior to the end of the school year will have any leave accrual for that year prorated by the hour for time not paid. The unused portion of such allowance shall be accumulated to 180 days.

- C. Leave days shall not be used to extend a vacation, holiday or travel time related thereto. Leave days may be used immediately preceding or following a holiday or vacation when the necessity for the day clearly falls beyond the control of the teacher. Up to two (2) additional leave days may be earned as outlined in Schedule I. Earned leave days may be carried as whole days into the next year with a maximum of fourteen (14) leave days. Unused leave days will be carried over as sick days into the following school year. Hours earned that are less than the amount needed to equate to a day as outlined in Schedule I cannot be carried over and will be compensated for at the rate set in Schedule E.

No more than five leave days may be used in succession without prior administrative approval.

A committee consisting of two Assistant Superintendents and two Education Association representatives, designated by the Association President, shall be formed to consider special requests for use of leave days in extenuating circumstances.

- D. Leave days may be used for the following:

1. Personal illness or disability. The teacher may use all or any portion of leave days accumulated to recover from illness or disability which shall include childbirth and complications of pregnancy.
 - a. If the Board has reason to suspect abuse of leave days, a teacher may be asked to provide verification of illness or disability. The phrase "reason to suspect abuse" shall mean a pattern of absences taken so as to create reasonable suspicion on the part of the administrator of abuse. In that situation, the administrator must then notify the member of that suspicion in writing and may request verification of further absences. This request can last no longer than one (1) year from date of notification.
 - b. Should time and/or circumstances not allow the administrator to make written notification and enough peripheral evidence exists to create reasonable suspicion of abuse, the administrator shall notify the association president and discuss the suspicions and reasons for suspected abuse. After this discussion, if the administrator still has suspicions then he/she may contact the member verbally, notify the member of suspected abuse and request verification prior to the days being taken. This request shall be followed by written confirmation, not to be placed in personnel files, outlining reasons for suspicions, with a copy sent to the association president.
 - c. When abuse is suspected, "verification" shall mean an "appointment card," note signed by a physician or other such proof. Verification must include the time period for which the employee is/was unable to work and why the employee is/was unable to work. If the

initial verification provided is not sufficient to alleviate suspicion of abuse, then the administrator may request an evaluation by a physician of the district's choice at the school district's expense.

- d. For a continuing illness or disability of five (5) or more days, the teacher may be asked to supply verification upon request.
2. Illness of an immediate family member. For serious illness or medical care of the spouse, son or daughter, parents, siblings, in-laws, close friend living in the home or other dependent, which requires the presence of the teacher in order to provide the necessary care; or critical illness of the spouse, child, siblings, parents or in-laws.
 3. Death in the family. For the teacher's use in case of death in the immediate family: The immediate family will include residents of the employee's household, dependents, parents, parents-in-law, children, siblings, grandparents, grandchildren, and any person who has acted in loco parentis for the employee or vice-versa.
 4. Court appearances not delineated in Article VI D 2.
 5. Travel. A reasonable length of time for travel is included in all above allowances.
 6. Death of close friends or relatives outside the immediate family. No more than three (3) days including travel time to attend the funeral of a close friend or relative outside the immediate family. In extenuating circumstances additional travel time may be approved by the Office of Human Resources.
- E. **Leave with pay, not chargeable against the teacher's leave days shall be granted for the following reasons:**
1. Jury Duty—Absence when a teacher is called to jury duty.
 - a. The teacher is to report to the principal when called for jury duty.
 - b. If a teacher serves, any remuneration paid for jury duty shall be returned to the school district upon receipt, excluding expenses.
 - c. When a teacher is released from jury duty prior to the end of his/her work day, it is the teacher's responsibility to report back to his/her work assignment. When there is less than two hours left in the teacher's workday, the teacher need not report back to work.
 2. Court appearances as a witness in any case connected with the teacher's employment, or the school. If subpoenaed in a case involving the public interest s/he shall be granted leave pay.
 - a. Any remuneration shall be returned to the school district upon receipt, excluding travel expenses.

- b. This paragraph (VI D 2) shall not apply in cases where the employee and/or the Association is the plaintiff, or where the interests of either the employee and/or the Association are not the same as the employer. At the sole discretion of the employer, exceptions to this language (VI D 2 b) can be made.
3. Administration approved visitation to another school, or approved educational conference or convention.
 4. Time necessary to submit to selective service physical examinations.
 5. A teacher called to active military duty, shall be granted the difference between military pay and current contractual salary, including fringe benefits for a maximum of thirty (30) work days per contract year.
- F. If the Board has reason to believe that a teacher is unable to satisfactorily perform his/her professional duties when assigned to a position, or requesting to return to a position, then the Board may require the teacher to submit to a medical examination by a physician of the Board's choice at the Board's expense. A teacher may submit a report of examination by his/her own physician, which shall be considered in conjunction with the Board's report, in any decision regarding the teacher.
- G. Sick Leave Bank Policy
1. The Association will operate a sick leave bank on a mandatory basis. The Association will establish a committee to administer the sick leave bank and to provide the information to the Business Office which will keep the records. A representative from the Office of Human Resources will serve in the capacity of an advisor to the committee. The Association shall make the sick bank guidelines available to each teacher and apprise teachers in a timely fashion of guideline changes.
 2. Each employee will donate one (1) day of his/her leave to the bank whenever the bank is depleted to 1,000 days. In addition to the above, every teacher new to the district will donate one (1) day of his/her leave per semester for his/her first year of his/her employment.
 3. Additions will be made to the bank at the beginning of each fiscal year according to the above limitations.
 4. A person will not be able to withdraw the contributed days.
 5. The first fourteen (14) consecutive work days of illness or disability will not be covered by the bank, but must be covered by the person's own accumulated leave time. Upon exhaustion of accumulated leave time, subject to the limitations of VI F 6 a, the employee will automatically be placed on an unpaid leave of absence. This leave shall not exceed fourteen (14) days.

6. a. A person credited with less than fifty (50) leave days (**sick and leave**) at the beginning of the school year will not be able to use days from the bank until his or her leave days are depleted to three (3) days.

b. A person credited with fifty (50) or more leave days at the beginning of the school year will not be able to withdraw days from the sick bank until his or her leave days are depleted to fourteen (14) days.
 7. An individual may withdraw the number of days from the bank necessary to result in no loss of wages for one year, subject to number 6 above.
 8. Persons withdrawing leave days from the bank will not have to replace these days except as a regular contributing member of the bank.
 9. Any teacher who leaves the employ of the Carman-Ainsworth Community Schools shall donate one third of his/her unused leave to the sick bank.
 10. Should the Association require an employee to be evaluated by a physician of the Association's choice prior to determining his/her eligibility or continuing eligibility, the results of such an evaluation will be shared with the Administration and will become part of the employee's personnel file.
- H. The Board agrees to make every effort to maintain an adequate list of substitute teachers. Teachers shall be informed by the first day of school of the procedure they are to follow to report unavailability for work. Teachers will not be penalized if, in cases of emergency, they are not able to follow the procedure. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
- I. Absence due to injury or illness incurred in the course of the teacher's employment shall be charged against the teacher's leave days on a prorated basis, and the Board, on this basis, may pay the difference between the teacher's daily rate and the benefits received under the Michigan Workers' Compensation Act for the duration of such absence. The total amount received from sick days and Workers' Compensation shall not exceed the employee's regular pay.
- J. Any period of leave under this contract will run concurrently with any leave that is eligible to be taken pursuant to the Family and Medical Leave Act (FMLA).

ARTICLE VII

SABBATICAL LEAVES

- A. After a teacher has been employed at least seven (7) consecutive years and/or at the end of each additional seven (7) or more consecutive year periods, s/he is eligible for a sabbatical leave for professional improvement subject to the following conditions:

1. The Board may grant sabbatical leave up to four (4) teachers for a period not to exceed two (2) semesters at any time.
2. The teacher must hold a Permanent, Professional, Provisional, Continuing or Life certificate.
3. Of the sabbaticals approved, any or all may be one-semester sabbaticals. A teacher on sabbatical may be based in a district building or program to enhance professional growth and training. The type of growth and training may include the following: curriculum development, training for use of new technology, developing computer skills, learning new teaching strategies, etc.
4. The teacher obligates him/herself to return for one (1) year; otherwise the grant becomes a loan to be repaid within one (1) year with no interest for the first six (6) months. After six (6) months any unpaid balance shall be assessed at an interest factor of six percent (6%) per annum.
5. During the sabbatical leave, the teacher shall have a contract and shall be considered in the employment of the Board.
6. The teacher shall be paid a minimum of one-half (1/2) his/her full annual salary (or more, dependent upon the nature of the leave) and full fringe benefits, provided the teacher does not utilize approved sabbatical leave for gainful employment elsewhere. Educational grants and fellowships shall not be considered as gainful employment.
7. A teacher on sabbatical leave shall be allowed credit towards retirement for time spent on such leave in accordance with the rules and regulations established by the Michigan School Employees Retirement Board. The Board shall reimburse the teacher the dollars equal to the current retirement contribution for the earliest qualifying salary to allow the teacher to purchase a full year's credit for retirement. It is the teacher's obligation to complete the purchase within two (2) years of the completion of the sabbatical leave. Failure to do so within this time limit negates any responsibility for reimbursement on the part of the Board.
8. A teacher, upon return from a sabbatical leave shall be restored to his/her teaching position or, if it does not exist, to a position of like nature. Credit shall be given for all seniority and leave accumulated prior to paid leave and seniority shall accrue for the duration of the leave. Full credit shall be given for salary as though the teacher had not been on leave.

ARTICLE VIII

UNPAID LEAVES OF ABSENCE

A. Conditions of Unpaid Leaves

Leaves of absence without pay shall be granted subject to the following conditions:

1. Teachers must have been employed by the district for a period of three years.
2. A leave may not extend into a school year following the one in which the leave commenced.

3. Requests for leaves shall be in writing to the Office of Human Resources and shall contain the type of leave requested, the reason(s) for such leave, the duration of the leave, and the expected date of return to employment.
4. The teacher shall deliver the request for leave to the Office of Human Resources at least sixty (60) days prior to the date on which the leave is expected to commence. Exceptions may be made at the discretion of the Office of Human Resources.
5. All leaves, except deduct leave, are subject to formal Board approval.
6. A teacher shall be notified whether or not leave is granted within thirty (30) working days of receipt of application.
7. Leaves shall be granted to those teachers who meet the conditions of leave as set forth in this Article except in cases of personal, public office, exchange and study leaves which shall be at the discretion of the Board. In cases of personal, public office, exchange and study leaves, employees must meet the conditions of the leave before the leave request can be considered by the Board.

B. Leaves are available for the following purposes:

1. Child Care - A leave of up to one school year related to the birth and/or care of the teacher's child shall be granted. "Teacher's child" shall include natural child, a stepchild, a child that is adopted, or a child receiving foster care from the teacher. Such leave shall be extended up to an additional two (2) years upon request of the teacher.
2. Personal Illness and Disability - A teacher who is unable to teach because of personal illness or disability and who has exhausted all leave available shall be granted a leave of absence without pay for the duration of such illness or disability, up to one (1) year and the leave may be renewed each year upon written request by the teacher. Medical insurance will be continued until the teacher is eligible for Long Term Disability (LTD). For all teachers on LTD, the **insurance carrier** will cover the cost of the entire medical premium as provided by the existing policy in effect at the time the teacher goes on LTD. Should such leave be extended four times, prior to any additional extension a probable date of termination of necessity for such leave shall be provided by the physician(s) in charge of the case before any additional extension shall be granted by the Board. Should the physician not be able to provide a date of probable termination of the disability, the employee shall be considered permanently disabled and the District's obligation for future employment shall be terminated.
3. Military Leaves - Military leaves of absence shall be granted to any teacher in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA).
4. Association Office - A leave of absence shall be granted to any teacher upon application for the purpose of serving as an officer or on the staff of the Association, its parent groups or affiliates. Upon return from such leave, such teachers may be placed at the same position on the salary schedule as they would have been had they taught in the system during the period.

5. Voluntary Staff Reduction Leave - If a reduction of staff is deemed necessary, a teacher who would not be affected by the layoff may request a leave of absence for one (1) year during the staff reduction, irrespective of his/her position on the seniority list. This leave shall be granted provided that it eliminates the need to layoff at least one teacher.
6. Public Office - The Board may grant leaves of absence without pay for a teacher to campaign for, or serve in, a public office. This office may be elective or appointive. Any information released by the Board to interested and qualified persons, regarding such campaign and/or service, shall consist solely of dates of employment in the Carman-Ainsworth Community Schools.
7. Personal Leave - After a teacher has been employed at least four (4) consecutive years, and/or at the end of each additional four (4) or more consecutive year periods, s/he is eligible for a personal leave.
 - a. The maximum number of teachers that may be on personal leave at any one time shall not exceed three percent (3%) or 18, whichever is less, of the bargaining unit.
 - b. If the number of applicants for personal leave exceeds the maximum, selection shall be made as follows:
 1. Those teachers needing the leave due to an emergency situation, which has been agreed to mutually by the Board and Association, shall be granted said leave.
 2. All other requests shall be divided into two (2) groups: Group A applicants who were granted any leave pursuant to Articles VII and VIII within the last five (5) years excluding leaves taken pursuant to either the FMLA or the USERRA; Group B—All other applicants.
 3. Group B applicants will be selected by lot until their number when added to the number of emergency situation personal leaves pursuant to this Article (VIII B 7 b 1) equals the maximum.
 4. Then applicants from Group A shall be selected by lot until the total number of personal leaves approved equals the maximum.
8. Study - A leave related to the teacher's certification major or minor or study required to meet eligibility requirements for a certificate other than that held by the teacher (or study, research or special teaching assignment involving probable advantage to the school system) may be granted. If said leave is taken with the mutual consent of both parties, the regular salary increment shall be allowed.
9. Exchange Programs - A leave of absence may be granted to any teacher, upon application, for the purpose of participating in exchange teaching programs in other districts, states, territories, or countries; foreign or military teaching programs; the Peace Corps, Teachers' Corps, or Job Corps, as a full time teacher in such programs.
10. Deduct Leave - A teacher may be granted up to two (2) deduct days each year. Application for these days must be made through the Office of Human Resources.

C. Return Procedures

1. Teachers on approved leaves of absence shall retain all credits toward illness and disability leaves, seniority, and salary increments accrued prior to the beginning of the unpaid leave. No credit shall accrue during any such leave unless specifically stated in this Collective Agreement.
2. Full seniority and salary credit shall be granted for the semester in which the leave was granted, if the employee worked one-half or more of the semester.
3. A teacher on an approved leave of absence shall notify the Office of Human Resources by April 15 of his/her intent to return for the following school year. A teacher on approved leave of absence who wishes to extend his/her leave for the following school year shall make his/her request for such extension to the Office of Human Resources on or before April 15 of the current school year. Should such leaves occur after April 15, intent to return or extend shall be indicated in the initial request. Failure to file notice of intent to extend will result in the employee being placed on active employment status for the following school year and assigned in accordance with the applicable provisions of this agreement. The Board will notify the Association President of the status of all teachers on leave, including those teachers not conforming to this requirement.
4. All teachers returning from leave pursuant to Article VII shall be offered positions, providing they are qualified and certified, before any new teacher is assigned.
5. A teacher returning from a leave of ninety-five (95) work days or less will be returned to the same position s/he had when said leave commenced, or, if it does not exist, to an existing position which s/he has sufficient seniority to hold. Paid sick leave including leave days from sick bank, which immediately precede a personal illness or disability leave (Article VIII B 2), shall be counted toward these ninety-five (95) days.
6. A teacher wishing to return from a leave of ninety-six (96) days or more shall be placed in his/her proper place on the seniority list and will be subject to assignment based on the same criteria as are applied to all other members of the bargaining unit.
7. Unless the teacher is under contract to another educational institution, failure to accept an available position for which the teacher is qualified and certified, or failure to notify the Office of Human Resources of intent, shall be considered a voluntary quit. The Office of Human Resources must receive notice of acceptance of assignment within ten (10) days of notice of tentative assignment. The Board shall not act to terminate employment for a period of five (5) days after notice to the Association President.
8. Nothing in this contract regarding return from leave procedures shall be deemed to supersede the tenure rights of any teachers affected by such return from leave.

ARTICLE IX

STAFFING

A. SENIORITY

1. a. A seniority list shall be prepared by the Board and verified by the Association. Seniority is defined as length of active service within the bargaining unit, subject to restrictions included in this Agreement. Employees hired through the last Friday of September shall have September 1 as their date of hire for seniority purposes. Employees hired after the last Friday of September and prior to the beginning of staffing for the next school year shall be placed on the seniority list in order of hire.
- b. When two (2) or more employees have the same years of service, they will be ranked in order of their respective dates of hire. Except as provided in Article IX A 1 a, date of hire, is defined as the first day of work as an employee covered under this agreement. When two (2) or more employees have the same years of service and the same date of hire, the individuals so affected will participate in a drawing to determine placement on the seniority list. The Association and teachers so affected will be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance. The drawing shall establish the employee's seniority for the duration of employment. The drawing shall take place prior to December 1 each year.
2. a. The seniority list (including seniority date, years of seniority, type of certification, majors, minors, current assignments, and leave status) shall be published and posted conspicuously in all buildings of the district by January 15 of each school year. Revisions and updates of the seniority list shall be published and posted prior to the date assignments are made for the following school year, but no later than the last day of school. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Association.
- b. Individual employees are responsible to notify the Office of Human Resources of any changes or anticipated changes in certification, in endorsements and in majors and minors. Such notice must be given prior to March 15th to be used in making an assignment from the current seniority list. The teacher will provide appropriate documentation as soon as it is available.
3. A teacher transferred to a supervisory or executive position who later returns to teacher status, shall be given credit for service obtained before leaving the unit but shall not accrue seniority for time out of the bargaining unit. They shall be placed on the seniority list accordingly at the time of return to teaching duties.
4. All seniority is lost when employment is severed by resignation, retirement, or discharge for cause or transfer to a non-bargaining unit position other than in 3 above; however, seniority

is retained if severance of employment is due to layoff. In cases of layoff, teachers so affected retain all seniority accumulated as of the effective date of layoff.

5. Teachers shall not accrue seniority during unpaid leaves unless allowed for elsewhere in this Agreement or as provided by law.
6. Half ($\frac{1}{2}$) a year seniority credit shall be given if a teacher works at least one-fourth ($\frac{1}{4}$) of the total workdays. One (1) year seniority shall be given if the teacher works three-fourths ($\frac{3}{4}$) of the total workdays.
7. Seniority earned during any one school year may not exceed the equivalent of one full year.

B. PLACEMENT

1. Every effort will be made to employ, for regular positions, only teachers holding a Professional, Provisional, Permanent or Continuing Certificate and who have received their training from a college or university accredited by the NCATE. The Board will actively recruit additional minority teaching staff.
2. The employment of teachers with special certificates is to be permitted only in cases of absolute necessity, after conferring with the Association.
3. Teachers shall not be assigned, except for good cause, outside the scope of their teaching certification and qualifications as established by state and federal law.
4. A vacancy shall be defined as a current or new position within the bargaining unit which the employer is attempting to fill and which lasts or is expected to last more than ninety-five (95) work days. A vacancy shall not be caused by a paid leave of absence, an unpaid leave under the FMLA, or a military leave that is scheduled to end by the end of the school year in which it began.
5. All vacancies, whether full or partial, shall be posted. Vacancies for the upcoming school year shall be posted on the initial posting. Vacancies remaining and occurring after the initial posting shall be posted on the second posting only. Unless mutually agreed otherwise, no position shall be posted after the first student week (five (5) student contact days) of a given school year. Any position vacated before second semester shall be filled with a new hire, provided a suitable applicant is available. Vacancies filled after the first student week shall be considered vacant and posted prior to May 15.
 - a. Whenever a vacancy is to be posted within the district, the Board shall publicize the same by giving written notice of such vacancy and necessary qualifications to the Association and providing appropriate posting in every school building, office and faculty lounge. During the summer recess, adequate notice shall be given to the Association for publication.
 - b. Teachers who desire to apply for such vacancies shall submit their applications in writing to the Board's authorized representative within the time limit specified in the

notice. In filling such vacancy, the Board will give due weight to the background and service of those presently employed in the district.

- c. A position that has not been present in the building or the bargaining unit which becomes a vacancy after the second posting shall be posted (e.g., another section of third grade is not a vacancy, adding a "health" teacher to an elementary building where there was not a health teacher would be a vacancy).
6. Assignment to a position cannot cause the reduction in whole or in part of another assigned teacher's position or cause the layoff of actively employed teachers outside of their seniority ranking.
 7. Laid off teachers shall be recalled to a vacancy for which they are certified and qualified, in order of seniority.
 8. No new staff shall be hired until all staff on leave or layoff have been offered an opportunity in writing to return to active employment (to a position for which they are certified and qualified).
 9. Requested transfers to posted positions:
 - a. Requests by a teacher for transfer to a posted position shall be made in writing on the form provided, to the Office of Human Resources. If the teacher does not receive the position, s/he will remain in his/her original position. When a position is filled, all unsuccessful applicants shall promptly be notified in writing.
 - b. Requests by a teacher for transfer shall be made within five (5) working days of posting during the school year.
 - c. After the initial posting there will be one additional posting. Any employee who wishes to be considered for any other position, which may become available, must submit a completed preference sheet to the Human Resources Office. Preference sheets shall contain in rank order listings of specific positions and buildings for which the employee wants to be considered. As vacancies occur, teachers shall be contacted based on their preferences in order of seniority.
 - d. In determining requests for voluntary reassignments and/or transfers, the application of the individual teacher will be honored to the extent that it does not conflict with the instructional requirements of the position. The employer may schedule pre-assignment conferences. At the request of the teacher, an Association Representative shall be present at any pre-assignment conference. If more than one teacher has applied for the same position, the teacher with the most seniority meeting the qualifications shall be appointed.
 - e. If the posted position requires an interview, the best qualified teacher will be given the position. When a position is filled, all unsuccessful applicants shall promptly be notified in writing. These positions include:

- A. Counselors (initial appointment to counselor and changing levels: elementary, junior high/middle school and high school)

As new positions are created discussions between the board and association will be held to determine if they are interview positions.

- f. A request for transfer shall not be honored if the requesting teacher has had an unsatisfactory evaluation within the current school year, unless mutually agreed between the Board and Association.
- g. A goal of the Board shall be to have as few splits as possible. Any K-6 (K-5) multi-grade (split) classrooms will be assigned as follows:
 - 1. The lowest seniority teacher in the affected group will be assigned to the split.
 - 2. If the assigned teacher requests, a volunteer for exchange of positions will be sought from within the building.
 - 3. If there is none, and the assigned teacher requests, a volunteer for exchange of positions will be sought from within the district.
 - 4. If there is none, the assigned teacher remains in the split position.
 - 5. Should an exchange of positions take place, both persons will be returned to their original assignments or positions at the completion of the school year, providing they have the seniority to hold that position.

10. Voluntary Unassignment

Teachers wishing a change in assignment can unassign themselves. They will be placed on the unassigned list and assigned to the first vacancy, according to seniority, for which they are certified and qualified. Preference sheets will be used to determine placement.

11. If assignments are not made in accordance with this Article; the Association may challenge the assignment. If after discussion, the challenge has not been resolved, the matter may be transmitted by either party to arbitration, as provided in Article XIX, Section D Level Three, except that expedited arbitration shall be used unless otherwise agreed by the Board and Association. A written grievance containing the claimed violation and pertinent contract citations must be filed prior to a request for arbitration. In lieu of a grievance, the parties may mutually agree as to the matter submitted to arbitration.

2. During leave of absence as set forth in Article VIII, or during layoff, a teacher shall receive no insurance benefits at Board expense, but may elect to continue insurance benefits by paying the premiums at the Board office by the 10th day of each month. This section is contingent upon approval by the respective insurance carrier and must be implemented according to administrative directive.
3. Any teacher, who would qualify to retire at the end or during the next year and would be laid off, shall be permitted to teach that year so as to acquire needed service. This provision may be invoked once by an individual.

4. The fact that a teacher is placed on layoff shall not result in loss of seniority for previous years of service, but seniority shall not accrue during said layoff. ARTICLE X

STUDENT DISCIPLINE AND TEACHER PROTECTION

- A. Teachers' authority and effectiveness in the classroom are strengthened by administrative backing and support. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the principal will take reasonable steps to assist the teacher with respect to such a pupil. However, the principal will take immediate steps to refer the student to the appropriate agency upon written notification by the teacher.
- B. A teacher may use such reasonable physical force as is necessary to protect him/herself from attack, or to prevent injury to others, or as allowed by law.
- C. A teacher may exclude a pupil from the classroom when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. That pupil may be excluded from that class

or activity for that day. In such cases the teacher will furnish the principal, as promptly as his/her teaching obligation will allow, full particulars of the incident and follow all procedures as required by law.

- D. Suspension of students from school may be imposed only by a principal, or his/her designated representative. School authorities will endeavor to achieve correction of student behavior through counseling and interviews with the child and his/her parents, when warranted. Transfer of the student to another teacher or other measures may be tried prior to suspension. When a teacher has one or more pupils in class who constitute serious behavioral problems, appropriate action shall be taken by the building principal.
- E. When the administration has knowledge of a student with a recent pattern of threatening, violent and/or dangerous behavior, the administrator shall notify all affected staff members.
- F. Any case of assault upon a teacher shall be promptly reported to the building principal. Before the incident is put in writing, the teacher shall have the right to consult with the Association President. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault, and shall render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities. 1. LEVEL ONE - IMMEDIATE SUPERVISOR

If the grievance is not resolved by this discussion the grievance shall be put in writing on the appropriate form. It shall be signed by the grievant or the Association and delivered to his/her immediate supervisor within the same twenty-five (25) days after the alleged incident was known or should have been known to the aggrieved party. The written grievance must contain the claimed violation and pertinent contract/policy citations.

The employer representative shall render a written disposition of the grievance within seven (7) days of the hearing.

The arbitrator shall be selected according to the rules of the American Arbitration Association unless the parties agree to mutually select an arbitrator.
- b.** The arbitrator shall have power only to rule on matters clearly specified in this agreement. He/She shall have no power to add to, subtract from, or modify any language contained in this agreement.

- e.** The fees and expenses of the arbitrator shall be shared equally by both parties. Additional expenses incurred by either party shall be paid by the party incurring the expense.
- f.** The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party.
- g.** Prior to requesting arbitration, the Association, in its sole discretion, may make a presentation to the Board of Education concerning the grievance. Such presentation may or may not include the grievant(s) addressing the Board. The presentation shall be scheduled in advance by written notice to the Board recording secretary. Normally such presentation shall not exceed fifteen (15) minutes. The Board shall hear the presentation but shall not render a disposition.

E. Rights of Representation

A party of interest may be present at all meetings and hearings at any level of the grievance procedure when requested by the Association. ARTICLE XX

PROFESSIONAL COMPENSATION

- A. The salaries of teachers, covered by this Agreement, are set forth in Schedule A which is part of this Agreement. Teachers hired after ratification of the 2004-2007 Collective Bargaining Agreement shall be paid on the 26/27 pay option.**
- B. For the 2010-2011 school year, the salary schedule will remain unchanged from the 2009-2010 salary schedule (Base salary \$38,408). Members at step 11 and above in 2009-2010 will receive a one-time, off schedule increase equal to 1.5 of their 2009-2010 base salary, payable in a special December pay.**

- C. For the 2011-2012 and 2012-2013 school years, the 2010-2011 base salary will be increased according to the same formula in the current Carman-Ainsworth Administrator Association CBA. (Example #1 below)

Example #1

For the years 2011-2012 and 2012-2013 wages will increase by 50% of the percentage increase in the state foundation allowance from the previous years with a minimum of 1.5% and a maximum of 2.5%. The 2010-2011 and 2011-2012 scales shown are the minimum.

For example: Foundation Increase	Percentage Increase
6%	2.5%
3%	1.5%
0%	1.5%

- D. Salaries for extra duties in addition to normal teaching load are spelled out in Schedule B, C, D, E, and F which are a part of this Agreement.
- E. For the 2010-2011 school year, teachers who are eligible and elect to receive health benefits will be provided MESSA Choices 2 \$100/\$200 with a \$10/\$20 prescription plan and an employee contribution of \$500.

If the membership elects to not take the low bid, members will be responsible for a \$500 employee contribution plus the difference in cost as determined by subtracting the low bid plus 3% of the low bid from the high bid, and dividing by the number of members who are eligible and elect to take healthcare. (Example #2 below) In 2012-2013, 2% of the low bid will be added to the low bid prior to subtracting that sum from the high bid. Any year the membership elects to take the insurance provided by the low bidder, the \$500 employee contribution will be waived.

Example #2

High Bid	\$6,942,000
Low Bid	\$6,190,000
Difference	\$752,000
3% of Low Bid	\$185,700
Difference	\$566,300

If 308 employees took healthcare benefits, and a determination was made to accept the high bid, each member would be responsible for their employee contribution (\$500) plus \$1839 (\$566,300 divided by 308).

Medicare premiums will be paid on behalf of the employee, spouse and/or eligible dependent. Internal and external coordination of benefits shall be included except for health insurance. Employees may elect health insurance provided by the Board, but may not be covered by two health plans.

6. When a teacher's spouse's insurance protection becomes unavailable, the Board will provide coverage for said teacher as soon as the carrier allows.

0.2 F.T.E. - No Fringe Benefits

0.4-0.6 F.T.E. - **Plan B**

0.7-1.0 F.T.E. - **Plan A**

Time earned in the above manner, which cannot be taken prior to the Friday before the last week of school will be compensated at the above rate.
- E. Teachers hired after January 1, 2001 shall be allowed four (4) years of teaching credit for their first four years of outside professional service in approved public or private K-12 institutions. - H. Subject area coordinators, Instructional Specialists, Department Chairs, and Media Specialists may request from the Superintendent additional weeks with compensation if the situation warrants extra work. Compensation will be at the regular contractual rate.
- I. Vocational Coordinators will work at the request of the administration five (5) days per ten (10) students of co-op assignment in addition to the regular teacher work days of the calendar. These days are not to exceed fifteen (15) working days. Two thirds of the time will be worked prior to the starting date of school, and one third will be worked between the ending date of school and June 30. Compensation will be at their regular contracted rate.
- J. Whenever salary is to be deducted from any teacher because of absence from work that is not covered under any leave policy stated in this Agreement, the salary shall be deducted according to the following formula: the teacher's contractual salary shall be divided by the number of contractual days. Whenever a fraction of a work day is missed, salary deductions shall be determined by figuring the portion of the work day missed.
- K. For those teachers leaving the district, a payment of sixty dollars (\$60) times two-thirds the number of accumulated sick days to a maximum of one hundred twenty (120) days will be made to the teacher at the time of termination. One-third of the accumulated sick days will be donated to the sick bank per Article VI G 9.**

Example:

Teachers leaving the district with at least ten (10) years of service to the district shall receive a terminal leave payment equal to one percent (1%) of the current base (BA, Step 1) times each year of service to the district beyond five (5) years. This payment for years of service shall not exceed two thousand dollars (\$2,000).

- L. Compensation at the negotiated rate may be granted at the discretion of the Assistant Superintendent of Instruction for curriculum work occurring outside the normal work hours.
- M. Teachers using their automobiles for school approved activities or functions will be reimbursed at the Internal Revenue Service (IRS) rate but not less than twenty-five (25) cents per mile. The request for payment forms will be available from the building principal or the administration building.
- N. A stipend of five hundred dollars (\$500) will be paid in addition to mileage to each teacher whose daily work assignment requires travel between two or more buildings. Employees who have to travel between two or more buildings but not on a daily basis, shall have this stipend prorated based on the number of days they are scheduled to travel per week (e.g., normally scheduled to travel two (2) days per week shall receive \$200 rather than \$500). The eligible teachers will be identified in staffing.

- O. An annual payment of fifty dollars (\$50) times the number of unused sick days in excess of one hundred eighty (180) will be paid to each teacher at the end of each school year.
- P. An employee who provides notice on or before February 15 of intent to retire at the end of the school year shall receive a one thousand dollar (\$1,000.00) stipend upon retirement.
- Q. Trained Pathwise Mentors shall be paid a stipend when they serve as a mentor in addition to their regular teaching assignment. When serving as a mentor to a first year teacher, the mentor shall be paid eight hundred dollars (\$800). When serving as a mentor to a second year teacher, the mentor shall be paid five hundred dollars (\$500). When serving as a mentor to a third year teacher, the mentor shall be paid three hundred dollars (\$300).
- R. A five hundred dollar (\$500) annual stipend will be paid to teachers who achieve certification from the National Board for Professional Teaching Standards (NBPTS). To be considered for this stipend in any other area not certified by the N.B.P.T.S., an employee shall submit information regarding certification standards to the Assistant Superintendent of Instruction. Mutual agreement between the employer and the Association must be reached before the stipend for certification from a National Board other than the NBPTS is paid.

ARTICLE XXI

SCHOOL CALENDAR

The school calendar(s) shall be as set forth in Schedule H. There shall be no change in the school calendar(s) except by written mutual agreement between the Board and the Association. If an emergency or change in law requires additional days to meet total State requirements, the calendar(s) shall be adjusted, as outlined in Article XVIII D.

ARTICLE XXII

NEGOTIATING PROCEDURES

- A. At least sixty (60) days prior to the end of this Agreement, negotiations will be undertaken for the purpose of negotiating a successor Agreement.
- B. During the course of negotiations when agreements are reached on separate Articles of the proposed contract, the agreed upon Articles shall be written, and signed or initialed by representatives of each team. Each team shall receive and maintain a copy of the agreed upon Article.
- C. Special conferences on important matters concerning the administration of the contract shall be arranged between the Association President and a designated representative of the employer upon the request of either party. Such meetings shall be between not fewer than two (2)

representatives of each party. Arrangements for such special conferences shall be made in advance by mutual agreement.

- D. The parties are encouraged to meet once a month during the school year, excluding December. These meetings shall be used for communications and solving mutual problems. The Negotiations Chair and the Office of Human Resources shall develop a written agenda.
- E. The terms and conditions set forth in this Agreement represent the full and complete understandings and commitments between the parties. This Agreement may be added to, deleted from or modified only through the voluntary mutual consent of the parties in a written Letter of Agreement.
- F. All Letters of Agreement between the Association and Board Representatives shall be in writing, signed by two (2) representatives of each party, and shall become part of and subject to the provisions of this Agreement. If a Letter of Agreement is not incorporated into the successor agreement, it will terminate with the expiration of the current Master Agreement.
- G. If any provision of this Agreement is held to be contrary to law, then such provision will be deemed valid only to the extent permitted by law; but all other provisions of this Agreement will continue in full force and effect. The parties will meet not later than ten (10) days after such holding for the purpose of renegotiating the provision(s) affected.
- H. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. All individual teachers' contracts shall be expressly subject to and consistent with the terms of this Agreement. Any individual contracts executed between the Board and the individual teacher shall be in the form provided in the Appendices.
- I. The employer shall provide copies of this agreement to all teachers.
- J. The policies of the Board, as they relate to rates of pay, wages, hours of employment, or other conditions of employment, shall, as of the date of this contract, be considered a part of this contract and they shall not be added to, subtracted from, or changed in any way without the mutual agreement of both parties.

ARTICLE XXIII

JOB SHARING

- A. A maximum of ten (10) full time positions for the purpose of job sharing may be made available:
 - 1. at the discretion of the Board,
 - 2. upon recommendation of the Office of Human Resources,
 - 3. with the approval of the building principals in whose buildings shared positions will be located, and

4. within the allocated staff positions for the current school year.
- B. For the purpose of this Agreement, job sharing shall mean the occupation of a single staff position by two (2) individuals with each assignment being at least half time. In order for a shared position to be approved, the two (2) individuals must complete an application for such on a form mutually agreed upon by the Board and the Association, or agree to such a position subject to the conditions of this Article if contacted by the Office of Human Resources.
- C. The Board will approve shared positions to a maximum of ten (10) for the current school year dependent upon the following:
1. While job sharing, teachers shall not file for or be eligible for unemployment benefits. Failure to comply with this provision will result in assigning the teacher as a substitute to provide for full employment.
 2. When a shared position is terminated, each partner will return to the same status s/he had prior to the shared position. Return to full employment from a leave or from shared time assignment will be only in accordance with Article VIII or Article IX as appropriate. A return to full employment may not result in a layoff.
 3. The ability of the district to create a shared position without rescheduling large numbers of students. In lower elementary positions or in self-contained classrooms, shared time positions will be approved only if the students whose parents object to the arrangement can be accommodated without substantial disruption of classes.
 4. Teacher partners having joint responsibility for the same students will attempt to reciprocate substituting up to a maximum of three (3) days. In no event shall either partner be obligated to the other for more than three (3) days. Any substitute not reciprocated will be paid, after the donation of one (1) hour, as provided for in the current Master Agreement.
 5. The teacher partners having attained tenure in the Carman-Ainsworth Community Schools.
 6. An agreement by the teacher partners that joint planning will be undertaken whenever they have joint responsibility for the same students. In order to accommodate this requirement, individual arrangements will be made with the administration prior to implementation.
 7. The Board and the Association shall work closely together on the implementation and evaluation of the shared time program.
 8. No teacher in the district shall be involuntarily transferred in order to create shared time positions.
 9. Job sharing assignments shall terminate at the end of each school year.
- D. Shared time positions will be compensated as follows:
1. Teaching salary will be prorated to reflect the fraction of the position shared. The experience and educational step for the teacher will be the same as s/he would be entitled to

if employed on a full time basis. This step will determine the base salary from which the salary fraction will be computed.

2. Seniority will accrue to a person in a shared time position on the following basis:
 - a. If both teachers are on staff and have enough seniority to hold positions, and their sharing prevents the layoff of another person or brings back a person from layoff, both will be credited with full seniority for the year.
 - b. Under conditions other than D 2 a of this Article seniority will be prorated.
 3. Sick and **leave** will be prorated according to the fraction of the position for which the person is employed.
 4. Fringe benefits will be prorated on an individual basis. Prorating shall be based on a fraction of a six (6) hour day. The cost for fringe benefit package shall not exceed the prorated cost of full family benefits for a full time employee.
- E. Prior to the end of the school year, an evaluation of the job sharing will be conducted.

**ARTICLE XXIV
DURATION OF AGREEMENT**

This Agreement shall be effective as of **July 1, 2010**, and shall continue in effect through the 30th day of **June 2013**. It may be reopened upon mutual consent of the parties.
