 - a. Verbal warning
 - b. Written warning
 - c. Written reprimand
 - d. Suspension with pay
 - e. Suspension without pay

 5. Any employee has the right to representation for any disciplinary matter.
 6. ARTICLE VI

Vacancies, Transfers and Promotions

- A. A vacancy shall be defined as a position which is unfilled because it is newly created or because the individual who previously held the position has terminated employment in the bargaining unit by resignation, retirement, death, or is on any other leaves as defined in Article IX, H, or has transferred to another position either within or outside the bargaining unit. Whenever a vacancy occurs in any of the classifications, a written notice of such position shall be sent to the Association President and to each building and posted for ten (10) working days, regardless of whether school is in session or not, before such position is filled on a permanent basis. The Board agrees to interview internal candidates based upon demonstrated ability to do the work, as evidenced by their recent evaluation, before seeking any external candidate for the position. Any finalist candidate selected from the unit must be recommended for hire based on the sole discretion of the administrator seeking to fill a secretarial post under their direct supervision.
- B. Promotions will be effective the first day of permanent assignment to the new job and the annual raise shall start from that date. When moving to a new classification, the employee's new classification wages shall be in the same year of seniority as the employee's previous classification
- C. When a position is going to be temporarily vacant, under ninety (90) days, it shall be filled at the discretion of the Administration. For vacancies over ninety (90) days, paragraph "A" shall be followed. Days shall mean working days when referred to in this Agreement, unless otherwise indicated.
- D. In a reduction of staff, the District will reduce staff according to the lowest seniority and most recent evaluation. If there is a tie, the employee with the least seniority will be laid off and the re-call provision will be implemented according to their order of recall rights as outlined in this agreement. Employees whose positions have been eliminated or who have been affected by a lay-off shall have the right to bump into any lateral or lower classifications for which they are qualified, subject to seniority and most recent

evaluation. Lay-offs in classification II will be on the basis of seniority, and most recent evaluation. Recalls shall be in the reverse order of lay-off within classification, provided the employee has the ability to perform the required work.

- E. Seniority shall be defined as continuous length of service in a bargaining unit position commencing from either the date of hire by the Board of Education or the first day an employee begins work in a position (whichever comes first) to which he/she is subsequently employed by the Board, providing such employment has been continuous. Employees on an unpaid leave of absence shall not accrue seniority. Their seniority shall be frozen for the duration of the unpaid leave. Anyone on a childcare leave (see Article IX, paragraph D), disability leave, or lay-off (see Article IX, paragraph E) shall continue to accrue seniority. An employee on lay-off will accrue seniority up to a maximum of two years. A lottery will be used to determine seniority for those with identical hire dates. Any bargaining unit member who is on lay-off for a period of time that exceeds one (1) year more than the total years worked in the bargaining unit will lose all seniority and recall rights.
- F. The District shall provide a seniority list to the Association and to each member of the bargaining unit by October 1st annually. The Association and its members shall have thirty (30) days after receipt of the list each year to challenge the accuracy of the list. Otherwise, the list is accepted until the new list is published. The list shall record the employee's name, date of hire, and the amount of seniority

ARTICLE VII

Grievance Procedure

- A. Definition - A grievance is defined as an alleged misinterpretation, misapplication or inconsistent application of a specific provision of this Agreement. Any alleged violation for which another forum is provided shall not constitute a grievance if the employee elects the other forum at any time, such as Civil Rights, E.E.O.C., F.E.P.C., or M.E.R.C.
- B. As used in this Article, the term "employee" may mean a group of employees having the same grievance.

- D. The term "days," when used in this Article shall mean Monday through Friday, except for holidays that may fall during the period.
- E. The Board or the Union may designate a representative other than those specified to handle grievances at any step of this procedure.

2. If this fails to resolve the grievance, the employee and/or the Union shall reduce the grievance to writing and present it to the employee's supervisor within five (5) working days of receipt of the written grievance, the supervisor shall attempt to arrange a conference with the view of satisfactorily resolving the grievance. Such conference shall be scheduled at a reasonable time when there is no disruption of normal school routine and duties of the employee.

If the employee or the Union does not appear at such conference, said grievance shall be considered settled. If the supervisor or his/her representative does not appear at this conference, the grievance shall be sent to the Superintendent's designee.

3. Within five (5) working days after such conference, the supervisor shall answer such grievance in writing. If the grievance is not appealed from the written answer within five (5) working days after receipt of such answer, the supervisor's decision shall be final.
4. If the employee does not accept the supervisor's written answer, the grievance may be appealed to the Executive Director of Personnel by sending notice in writing to him within five (5) working days from the date of the supervisor's written decision.
5. Within five (5) working days of receipt of the written grievance, the Executive Director of Personnel shall attempt to arrange a conference with the view of satisfactorily resolving the grievance. Such conference shall be scheduled at a reasonable time when there is no disruption of normal school routine and duties of the employee. If the employee of the Union does not appear at such conference, said grievance shall be considered settled. If the Executive Director of Personnel or his representative does not appear at this conference, the grievance shall be sent to the Superintendent.
6. Within five (5) working days after such conference, the Executive Director of Personnel shall answer such grievance in writing. If the grievance is not appealed from the written answer within five (5) working days after receipt of such answer, the Executive Director of Personnel's decision will be final.

7. If the employee does not accept the Executive Director of Personnel's written answer, the grievance may be appealed to the Superintendent by sending notice in writing to him/her within five (5) working days from the date of the Executive Director of Personnel's written decision.
8. Within five (5) working days of receipt of the written appeal, the Superintendent will arrange for a conference with the view of satisfactorily resolving the grievance. Such conference shall be scheduled at a reasonable time when there is no disruption of normal school routine and duties of the employee. If the employee or the Union does not appear at such conference, said grievance shall be considered settled. If the Superintendent or his representative does not appear at this grievance, the grievance shall be sent to the Board.
9. Within five (5) working days after such conference, the Superintendent shall answer such grievance in writing. If the grievance is not appealed from the written answer within five (5) working days from receipt of such answer, the Superintendent's decision shall be final.
10. If the employee is not satisfied with the disposition of the grievance by the Superintendent, the grievance shall be transmitted to the Board of Education by filing a written copy thereof with the Secretary, or other designee of the Board, within five (5) working days of the Superintendent's answer. A committee, designated by the Board of Education, not later than the Board's next regular meeting, or two (2) calendar weeks, whichever shall be most convenient to the committee, may hold a hearing on the grievance, review such grievance in executive session, or give such consideration as it shall deem appropriate. A copy of the Board's disposition shall be furnished to the unit chairman and the local President within ten (10) working days following such decision.
11. Such answer shall be final and binding unless appealed to the next step within ten (10) working days from the date of the decision.
12.
 - a) Within the ten (10) working days referred to above in Paragraph 11, the party choosing to arbitrate must give written notice to the other party, setting forth the nature of the grievance to the arbitrator and file a demand for arbitration with the American Arbitration Association.
 - b) The rules of the American Arbitration Association shall govern the proceedings.
13. This agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the arbitrator in the same manner as other collective bargaining agreements. The function purpose of the arbitration is to determine disputed facts upon which the application of the Agreement depends. The arbitrator shall, therefore, not have authority, nor shall he/she consider his/her function to include the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction.

The arbitrator shall not give any decision, which in practice or actual effect modifies, revises, detracts from or adds to any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify or result in which is in effect a modification, whether by addition or deletion, of written terms of this Agreement. The arbitrator has no obligation or function to render decision or not to render decision merely because in his/her opinion such decision is fair or equitable or because in his/her opinion it is unfair or inequitable.

14. If either party shall claim before the arbitrator that a particular grievance fails to meet the test of arbitrability, as the same are set forth in this Article, the arbitrator shall proceed to decide such issue before proceeding to hear the case on its merits. The arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case, where the arbitrator determines that such grievance fails to meet said test of arbitration, the arbitrator shall refer the case back to the parties without a recommendation on the merits.
15. Unless expressly agreed to by the parties in writing, the arbitrator is limited to hearing one grievance, including its arbitrability, at any one hearing upon its merits. A separate arbitrator shall be selected for each issue appealed to arbitration.
16. The arbitrator may make such investigation as he/she deems proper and may, at his/her option, hold a public hearing and examine all such witnesses and make a record of all said proceedings. Within thirty (30) days after the close of the hearing, or the date established for filing post-hearing briefs, if so desired by either party, the arbitrator shall issue his/her decision which shall be final and binding.
17. The fees and expenses of the arbitrator shall be shared equally by the parties.
