This agreement made and entered into as of May 6, 2021 by and between the Board of Education of the Beaverton Schools, hereinafter referred to as the "Board" and Beaverton Education Support Personnel Association, MEA, NEA, hereinafter referred to as the "Union."

### MASTER AGREEMENT

between

**BEAVERTON SCHOOLS  
BOARD OF EDUCATION**

and

**BEAVERTON EDUCATION SUPPORT  
PERSONNEL ASSOCIATION,  
MEA-NEA**

**2021-2024**

### ARTICLE ONE RECOGNITION

- A. The Board recognizes the Union as the sole bargaining agent for all full-time and regular part-time employees in the following current classifications: maintenance, secretaries, playground aides, paraprofessionals, mechanics, mechanic helpers, bus drivers, custodial and food service employees, excluding supervisors, confidential bookkeepers, tutors and all other employees.
- B. The term "employee" or "employees" for the purpose of this Agreement shall include employees of the Board, as defined in Article One, Section A, of this Agreement. A part-time employee is defined as one who works less than forty (40) hours per week, and a full-time employee is defined as one who is regularly scheduled to work forty (40) hours per week for twelve (12) months.

### ARTICLE TWO EMPLOYEES SECURITY AND DUES

- A. The Board shall furnish, prior to the beginning of each school year, a list of all bargaining unit members to the Association; thereafter, such list shall normally be delivered within the first five (5) work days of any personnel changes. The list should include the resignees' or new hires' names, addresses, phone numbers, rate of pay, number of assigned hours per day, classifications and date of resignation or date of hire.
- B. Any case of assault upon an employee, shall be promptly reported to the Board or its designated representative. The Board may provide legal counsel to advise the employee, who is acting within the framework of Board policy of his/her rights and obligations with respect to such assault, and shall render all reasonable assistance to the employee in connection with handling of the incident by law enforcement and judicial authorities.

The Board will reimburse employees who are acting within the framework of Board policy for losses, damages or destruction of clothing or personal property while on duty. Reimbursement will not exceed the actual cost of the item or a maximum of \$100.00 per incident, whichever is less. Glasses are exempt from the \$100.00 limitation for repair or replacement. Damages will be reported within forty-eight (48) hours of the occurrence.

Each employee will be covered by the applicable workers compensation laws. The employee may use his/her accumulated sick leave, on a prorated basis, to make up the difference of his/her regular weekly income.

### **ARTICLE THREE** **UNION AND MANAGEMENT RIGHTS**

- A. Except as expressly provided otherwise by the terms of this Agreement, the determination and administration of educational policy and the operation of the schools are vested exclusively in the Board or in the Superintendent when so delegated by the Board. The exercise of judgment and discretion by the Board and its administrators, if made in good faith and for valid reasons not in conflict with the express terms of this Agreement, shall be upheld.
- B. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws or any other national, state, county, district or local laws or municipal regulations as they pertain to education.
- C. The Union, as the sole and exclusive bargaining representative of the employees, shall have the rights granted to it by Act 379 of the Public Acts of 1965, as amended.
- D. The Board reserves all rights exclusive of those mutually agreed upon in this Agreement.

### **ARTICLE FOUR** **GRIEVANCE PROCEDURE**

- A. Definition
  - 1. A "grievance" shall be defined as an alleged violation of the expressed terms and conditions of this Agreement. The purpose of the grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise.
  - 2. For handling of grievances on their behalf, the Union shall select one (1) grievance representative from each classification. The Union shall notify the Board in writing of the name of each representative and the Board shall not be obligated to recognize any grievance representative until such notification. Each grievance representative shall represent only those employees in his/her respective area (at the first and second step). In the absence of any appointed grievance representative, the President may be substituted on an interim basis.
- B. A grievance, as defined in A. above, shall be processed according to the following procedures, time limits, and regulations:
  - 1. **LEVEL ONE**  
A grievance shall first be taken up with the principal or his/her designee or with the immediate supervisor, where there is no principal, within ten (10) working days of the time of the act or condition on which the grievance is based. Disposition of the grievance shall be made within ten (10) working days after this verbal discussion.

2. LEVEL TWO

If the grievance is not settled under LEVEL ONE above, the grievance shall be reduced to writing on the proper grievance form, be signed by the grieving employee(s) and shall be submitted to the principal or his/her designee or to the immediate supervisor within ten (10) working days of the time of the disposition at LEVEL ONE provided that in no event shall any grievance be filed more than ten (10) working days after the date of the occurrence. Said written grievance shall name the employee(s) involved, shall identify all of the provisions of the contract alleged to have been violated by appropriate reference, and shall identify the relief requested.

Disposition of the grievance shall be made by the principal or his/her designee or by the immediate supervisor within ten (10) working days. If the grievance is resolved at this level, appropriate indication of the solution thereof shall be indicated by both parties on the written grievance.

3. LEVEL THREE

If a satisfactory solution is not reached under LEVEL TWO, the area grievance representative, and the President or his/her designee may, within ten (10) working days of the disposition at LEVEL TWO, present the problem to the Superintendent of Schools or his/her designee. An answer as to the disposition of the grievance may be expected within a ten (10) working day period.

4. LEVEL FOUR

In the event the dispute shall not have been satisfactorily settled at LEVEL THREE, the Union may within ten (10) working days, appeal the grievance to a committee appointed by the Board which shall include at least one (1) Board member. Within ten (10) working days after receiving the written grievance, the Committee appointed by the Board will meet with the aggrieved employee and not more than two (2) Union representatives, for the purpose of resolving the grievance. The Board's disposition on the grievance at LEVEL FOUR will be rendered by the Board, at the next scheduled regular Board meeting following the Level Four hearing or not more than ten (10) workdays after the Committee meeting.

5. If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration before an impartial arbitrator and/or arbitrators selected by the parties. If the parties cannot agree as to the arbitrator, he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree that the decision of the arbitrator shall be final and binding and that judgment thereon may be entered in any court of competent jurisdiction.

6. The cost of arbitration under this Article shall be paid by either party to this Agreement requesting arbitration.

C. A standard form for all grievances shall be used. The form shall be incorporated in the Agreement as Appendix B.

D. Any grievance not filed within the prescribed time limit or not advanced to the next step within the time limit in that step, shall be deemed abandoned. Time limits may be extended by the mutual agreement of the Board and the Union in writing; then the new date shall prevail.

E. The following matters shall not be the basis of any grievance filed under the procedure outlined in the article:

1. The termination of services or failure to re-employ any probationary employee.

2. The placing of any probationary employee on an additional period of probation, provided such employee shall be presented with the written reasons for the additional probationary period at least five (5) work days prior to the end of the initial period.

F. A group grievance may be submitted by the Association President.

#### ARTICLE FIVE DISCIPLINE AND DISCHARGE

A. The Board shall retain the right: to establish, adopt, change, amend and enforce rules for employees to follow; to verbally warn, issue written reprimands, suspend, discharge, demote or transfer any and all employees who violate these rules, subject to the terms of this Agreement.

B. An employee's disciplinary record shall not be valid after three (3) years if there are no repeat offenses.

C. An employee shall be offered an opportunity to have a Union representative present when the employee is being disciplined. Should the employee choose not to have the Union Representative present, the employee must do so in writing.

D. The Board shall not discharge nor suspend any seniority employee without just cause. The Board agrees to follow a procedure of progressive discipline.

#### ARTICLE SIX SENIORITY

A. Seniority shall be defined, for the purpose of this Agreement, as length of continuous service with the Board within his/her classification. A bargaining unit member may hold seniority in more than one classification while employed by the District. A seniority list shall be maintained by the district and updated any time personnel changes take place. The list will be provided to the Association President.

B. New employees to the district shall acquire seniority upon completion of one (1) probationary period of ninety (90) calendar days from the date of hire. Summer vacation days shall not be included in the ninety (90) day probationary period, unless an employee is scheduled to work during the summer. This ninety (90) day period will be served in the classification in which the employee was first hired. An additional thirty (30) calendar days may be required by the employer in conformity with Article Four, paragraph E-2.

C. The seniority of an employee shall continue while absent because of injuries covered by the Worker's Compensation Act.

D. Employees inducted or volunteering (while the United States is in a state of war as defined under the Constitution, or engaged in a military action within the authorization under the War Powers Act) shall retain all continuing seniority rights while serving in the Armed Forces if application is made within one hundred-twenty (120) calendar days of discharge or upon completion of training.

E. An employee shall be terminated and lose his/her seniority rights if he/she:

1. Leaves of his/her own volition (quits or retires);
2. Is discharged for just cause;
3. Is not rehired from layoff within a period of twenty-four (24) months;
4. Is absent on sick leave in excess of twelve (12) months;
5. Fails to return from a leave of absence.

**ARTICLE SEVEN**  
**VACANCIES, PROMOTIONS AND TRANSFERS**

- A. A vacancy shall be defined as an existing position that is not permanently filled by a bargaining unit member or a newly created position unfilled for more than twenty-five (25) days total.

In the event job vacancies are to be filled, first rights to a position are given internally by seniority, but the applicant must pass a determined level of proficiency on a skills assessment if one is required for the vacant position in accordance with the Master Agreement. Employees that are transferred within their classification in this manner do not have a probationary period as they already served their first probationary period when they initially entered that classification.

The Association and applicants will be made aware of skills tested on the assessment at least ten (10) work days prior to the testing date per the job posting. Skills tested will be given equal weight on the assessment.

Employees will meet a level of proficiency of at least 80% conclusively in order to be considered proficient to hold the position. Internal candidates who meet the 80% or higher proficiency rating then will be awarded the position based upon the most senior bargaining unit member. If no internal candidates, who have taken the skills test, meet the 80% proficiency level, the next highest proficiency level internal candidate will be assigned the position and granted a trial period as defined in Paragraph D of this Article. If this single candidate fails to demonstrate competency or does not wish to continue the position after fifteen (15) work days, the District may then go outside to obtain candidates for the vacant position.

- B. When there is such a vacancy, the Board shall cause it to be posted on its bulletin boards for a period of seven (7) calendar days in advance of its filling the vacancy. During the summer, the Association president will be notified and the vacancies will be posted for a period of ten (10) calendar days. Applications for such vacancy shall be in writing and turned into the supervisor. The position will be filled within ten (10) work days after the posting period. The Association President will be notified in writing, by the Superintendent or his/her designee, as to the status of any position filled or not filled within ten (10) work days after the posting period. If at any time the District and the Association determined that the ten (10) work day timeline is not desirable, the timeline may be waived by mutual agreement with the Association and the Superintendent.
- C. In the event no employee from the classification bids for such vacancy, employees from the other classifications, or on layoff, may apply for the vacancy, based on their seniority and ability to do the work.
- D. When an employee from another classification applies for a job and has passed the determined level of proficiency on a skills assessment in the classification applied for and in accordance with the Master Agreement, he/she shall be granted a trial period of not less than fifteen (15) working days during which the employee shall prove competency in the job, acknowledging the provision of Letter C above. Determination of competency during the fifteen (15) work day trial period shall rest completely in the hands of his/her supervisor/principal or superintendent. In the event he/she cannot handle the job, the employee shall be returned to his/her former position with no loss of service time. In the event that said employee continues in his/her new position beyond the fifteen (15) work day trial period his/her seniority shall freeze and not accrue in the previous classification. The seniority list shall be amended to reflect any seniority earned within the last five (5) years.
- E. During the trial period, the employee shall be paid at his/her old rate. If successful, the employee shall be paid the new rate retroactively to the first day of the job.

- F. A "Temporary" vacancy shall be defined as a vacancy created by a regular employee having been granted a leave of absence for a duration of not more than one year or as newly created position that is less than twenty-five (25) work days old and has not been filled by a permanent employee. Internal posting of temporary vacancies shall be for forty-eight (48) hours.
- G. Employees working in a temporary assignment shall not be barred from bidding into a vacant permanent assignment prior to the end of the temporary arrangement.
- H. Current employees shall be given first right of refusal as subs for positions outside their classification which they may perform, provided such work does not interfere with job assignments or duties within the first classification. Such assignments would be subject to seniority and other provisions of this Agreement.

If a bargaining unit member serves as a substitute for the District in any bargaining unit position, the bargaining unit member will be paid at the rate of pay of the classification they are substituting.

If a bargaining unit member serves as a substitute for the District in a teaching position, the rate of pay will be equivalent to the current substitute rate of pay for teachers.

Nothing in this paragraph may be the subject of a grievance.

- I. A bargaining unit member may be hired for two different classifications of work, provided such work does not interfere with the job assignment or duties within their primary job function.

## ARTICLE EIGHT LAYOFFS

- A. When layoffs are made, those with the shortest length of service in that classification affected will be laid off first, starting with probationary employees. An employee who gains seniority in more than one (1) classification may exercise his/her seniority rights in his/her former classification if laid off. The ability to claim a position will be based on the seniority list prepared in 2004, dating back to seniority established in July of 1999. This document, titled "Seniority Previous Classification 7/99 Forward" shall establish the limit of recognized seniority for recall from a previous classification(s). An employee who is laid off after this date shall be able to assert any classification seniority that he/she may have in another classification so long as that classification seniority was earned and recognized by the parties as of or after July 1999. A fifteen (15) working day notice will be given to any employee who is to be laid off.

In the event that a reduction of work hours is needed within a particular classification, the employee being reduced shall have the right to bump a less senior employee in that same classification that would maintain as near as possible the hours the employee was scheduled to work prior to the Board's decision to reduce that employee's hours. This provision shall apply when an individual employee has their hours reduced by a cumulative total of thirty (30) minutes or more per day during a school year.

- B. In the event of recall, notice of recall shall be by certified mail to the last recorded address of the employee as it appears on the records of the Board; and upon failure to report within five (5) working days of receipt of such notice or immediately upon return of undelivered notice, such failure shall be considered to be a voluntary quit; provided, however, the employee's failure to report is not the result of inability to report by reason of illness, in which case the employee shall notify the Board by certified mail within this five (5) day period. Such illness or injury must be supported by documents supplied by the attending physician.
- C. When there is an increase in the work force after a layoff, the laid off employees will be recalled in inverse order of layoff in their classification.

- D. Seniority shall not accumulate during any period of layoff, but such employees rehired within the twenty-four (24) month period following layoff shall be deemed to have on the date rehired the seniority which had been accumulated up to the layoff date.
- E. There shall be no bumping across job classification.

**ARTICLE NINE**  
**HOURS OF WORK AND OVERTIME**

- A. Work hours and schedule for each employee are set by the principal or supervisor. All employees shall be entitled to a thirty (30) minute unpaid lunch period except in the cafeteria where employees shall continue to receive a paid worked lunch period. This exception is based upon the understanding that other break and lunch benefits for the cafeteria employees shall remain unchanged.

For pay purposes, the standard work week shall be the hours that fall between 12:01 a.m. on Friday and 12:00 midnight on Thursday.

- B. Time and One-Half
1. Time and one-half (1 1/2) shall be paid for all overtime in excess of forty (40) worked hours per week.

An employee who is called into work after his/her regular shift has been completed shall be paid (and may be required to work) one (1) hour more, depending on the requirements as determined by the Board.
- D. Overtime work shall be based upon seniority, number of overtime hours (within a range of 15% from lowest to highest), and shall be assigned on a rotation basis as much as possible, recognizing the 15% range beginning with the employee with the most seniority to the extent reasonably possible and within the classification needed to do the work.
- E. Weather Emergency and other school cancellation days -- Employees must work or use benefit time to be paid. All shifts must work regularly scheduled hours. When the work employees are normally expected to perform is cancelled, employees shall not be required to report to work and will not be paid, unless on remote instructional days.
- For the FIRST non-instructional day only; all BESPAs employees will be compensated at their normal daily rate without having to use any merit, personal or sick time. The maintenance employees must work their scheduled number of hours on these days to be granted an additional merit day.

When the cancelled work is rescheduled, employees will be paid for the time worked during the rescheduling. If an employee so chooses, and they have the day(s) available, an employee may use a combination of merit, or personal(s) or sick day(s) to cover **any non-instructional cancelled days of school**.

If the school chooses to hold remote instruction on days cancelled because of weather emergency, pandemic reasons, or other extenuating circumstances that shuts down a building or the district, secretaries will follow the provisions of Article Nine, Paragraph H. Paraprofessionals/playground aides will have the option to work remotely with their assigned teacher/classroom doing work assigned by their supervising

Days scheduled for State and Board-approved student assessments which are in addition to regularly scheduled student days may not require that all school term employees work. When the District has professional development relevant to the employees' assignments they will be scheduled to attend. Support staff shall be informed of Professional Development days two (2) weeks in advance if the employer knows at least two (2) weeks in advance.
1. Paraprofessionals, and Playground Aides are expected to work a full day on opening day and the first day of student attendance (normally a half day for student attendance). Additionally, they will be expected to work a full day on the last teacher day (student record day).
  2. Paraprofessionals, and Playground Aides will work and be paid for not less than one half of their regular day's pay on scheduled early releases. Additionally, they may be requested to work a full day on scheduled early release days by their immediate supervisor. If employees are to work a full day on these early release days the immediate supervisor must complete a form explaining the need for such work and have that form signed by the Unit Director (Principal/Supervisor) and the Superintendent. Such work requests must be approved not later than the Friday prior to the early release day. In the event not all members of the classification are needed on that day, seniority and ability to perform the work within the building will be used in selecting the individual abiding with the rotation system detailed in Article Nine – D.
  3. Paraprofessionals will be guaranteed a regular work day of a minimum of seven (7) hours as scheduled in their annual work year. Paraprofessionals shall be presented with a tentative work schedule prior to the first instructional day of school. If regular work day is reduced, a paraprofessional's hours maybe less than 7 hours, and would be guaranteed the number of hours they worked to the nearest ¼ hour. If assigned appropriate training, by building administration on reduced work day, paraprofessional will be required to stay for entire 7-hour day. Notification, of required training, will be provided in accordance to Article Nine-G.
- H. Secretaries will be guaranteed the minimum paid days as scheduled in their annual work year. Secretaries shall be presented with a tentative work schedule at the beginning of the work year. Such work schedule may be adjusted by the Board in the event there is a reduction in the number of days of pupil instruction offered for the school year. All Merit and Personal Days count toward the guaranteed number of work days (210 + paid holidays).
- I. Compensation for all meeting/training attendance shall be paid at the employee's regular hourly rate.
- J. Extra assignments within classification will be bid annually on a seniority basis. Extra assignments will not result in overtime except in emergency situations.
- K. For the purposes of accumulation, usage, and pay, the definition of a "day" for any bargaining unit member shall be the number of hours that a member is regularly scheduled to work each day.
