 3. The right to direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, assign work or extra duties to employees, determine the size of the work force and to lay off employees so long as such action does not conflict with the seniority and layoff and recall provisions of this Agreement.
 4. No employee in any classification shall have his/her hours reduced, displaced, or replaced as a result of compliance with this section.
2. The Transportation Director shall prepare a list of extra runs within the entire school district prior to the beginning of each school year. Drivers may choose two (2) extra runs based on seniority. No two (2) runs may be of the same type and if said extra run(s) are discontinued during the year, the affected driver may exercise his/her seniority and choose another comparable run from another driver of lesser seniority who in turn may choose another run to replace the one lost to the driver with greater seniority on down the seniority order. In short, no driver of greater seniority shall lose a run before a driver of lesser seniority unless willing to waive his seniority rights for that particular instance.
3. In-district trips or runs shall be rotated amongst the drivers who do not have two (2) extra runs per day. Advance notice will be given whenever possible (72 hrs.) of additional runs or run changes as they become available. The eligible driver shall be notified by telephone, or by notice on the bulletin board. The half-time driver will not be awarded any *in-town special runs* except in the case of an emergency. In the event that all drivers have two (2) extra runs and additional runs come up, they will revert back to the top of the seniority list.
4. Substitute kindergarten drivers will be picked from the drivers who do not have kindergarten runs on a rotating basis. Each driver will learn one run and substitute for that kindergarten run for the year.
5. The transportation director shall poll the drivers each year at the beginning of the school year to determine which personnel are interested in accepting out-of-district trips. Out-of-district trip time coinciding with a regular assigned run (morning, kindergarten, or afternoon) shall be paid at the regular rate (maximum of 4.5 hours).

The list of all regular drivers (not substitute, part-time, emergency, or half-time drivers) interested in out-of-district trips shall be compiled and requests from this list made on a rotating basis for driving assignments. Any driver refusing his turn shall be ineligible to drive a run for the rest of the week.

6. Kindergarten runs shall be posted and selected on a seniority basis three (3) weeks prior to the beginning of the school year. A driver may request the runs be re-bid if there has been a significant change in student numbers or miles traveled on his/her bid run as of the first day of school.

B. Secretarial Personnel

1. Working hours shall be forty (40) hours per week during the regular school year. During the summer months and on non-session days during the school year, there will be thirty-five (35) hours per work week or seven (7) hours per day, except as covered in subsection 5 of this section.

3. Employees will be allowed a 15-minute daily relief period within each four (4) hour work schedule and a full hour duty-free uninterrupted lunch period without pay, but subject to variation with the approval of the Superintendent.
4. If an employee is detained for any reason, exclusive of Act of God closing and arrives on the job late, the employee will be required to make up the time or lose pay if it exceeds a half an hour.
5. On non-session workdays, office hours may be arranged with the administrator in charge of that office.

C. Custodial/Maintenance Personnel

1. Shifts will be set up by the administrator in charge of the building or the Superintendent in such a way that the school program and community services of the District are fulfilled adequately. Such shifts will be set up as far as possible to allow for daytime work consecutive hours.
2. Alternating shifts on a bi-weekly basis is required if the partner employee wishes to do so and arrangements are made with the administrator in charge. Shorter alternates to meet special needs are permissible if approved or ordered by the administrator in charge.
3. On non-session days, shifts may be changed to day or afternoon shift to suit the employee providing it is approved by the administrator in charge and it does not interfere with a school or community activity taking place in the building. A non-session day shall be defined as those days when classes are not in session.

4. The regular full working day shall consist of eight (8) working hours per day plus thirty (30) minutes unpaid lunch, except designated part-time employees.
5. Weekend building and boiler checks will be performed during the heating season when required. Responsibility for building checks will be rotated among the custodians within the individual buildings. Custodians will be compensated two (2) hours per day for building and boiler checks.
6. Employees may take a coffee break not to exceed fifteen (15) minutes in the a.m. and also a like coffee break in the p.m., both on the premises.
7. An employee reporting for overtime on a special call-out will be allowed at least two (2) full hours of time and one-half pay. Extended overtime of a shift shall be allowed to the nearest half-hour.
8. The District reserves the right to alter shifts to meet the custodial needs of the school system.
9. **Equalization of Overtime Hours**
 - a. The district reserves its right to keep overtime to a minimum. However, overtime hours shall be divided as equally as possible among employees in the same classifications in their buildings. The present practice for offering overtime when necessary (substitute not available) throughout the school district shall continue as follows:
 1. The employee with the least total overtime shall be offered the work.
 2. Refusal of overtime shall be credited against the employee on an hour-for-hour basis.
 3. Once an employee's overtime has been equalized with other employees they will be offered overtime in rotation.
 4. The above-described procedure will be repeated until overtime is equalized for all the affected employees.
 5. An employee may choose to remove himself/herself from the overtime list. If the employee later decides to work overtime, he/she shall be credited as having worked the same number of hours overtime as the employee with the most overtime.
 6. The overtime list shall be posted in the first floor lounge and updated each Monday.
 - b. Overtime hours shall be divided as equally as possible on a district-wide basis on maintenance work.
 - c. In the event nobody within the custodial classification elects to work overtime, the Superintendent will direct the Head of Maintenance to assign the first person on the list.

D. Food Service Employees

1. Work hours for food service employees shall be scheduled by the food service director. The normal work hours for any food service employees shall not be altered once the school year has begun without prior discussions with the union.
2. Employees may take three (3) coffee breaks not to exceed ten (10) minutes each.
3. Shift preference will be given to employees on the basis of seniority within a classification. If all shifts are not covered by employee preference, assignments will be made by the Employer on the basis of inverse seniority (least senior worker assigned first).
4. Extra bargaining unit work shall be offered to employees on a rotating schedule on a seniority basis before hiring from outside the bargaining unit. Substitutes are to be used only after all bargaining unit employees are given opportunity to work additional hours, so long as overtime is not involved.
5. Overtime hours shall be divided as equally as possible among employees in the same classifications. An up-to-date list showing overtime hours will be posted weekly in a prominent place.

Whenever overtime is required, the person with the least number of overtime hours in that classification will be called first and so on down the list in an attempt to equalize the overtime hours.

For the purpose of this clause, time not worked because the employee was unavailable, or did not choose to work will be charged the average number of overtime hours of employees working during the call-out period.

Overtime hours will be computed from July 1 through June 30 each year.

E. Monitors and Aides

1. At the beginning of every school year, once the monitors and aides have the number of hours assigned for each specific building, the principal has the right to assign the monitors/aides according to his/her scheduled number of work hours.

F. All Employees

1. Employees shall be paid overtime for all hours in excess of forty (40) hours per week as provided for in the Fair Labor Standards Act.
2. In the event an employee is requested to work on a paid holiday, he/she shall receive their regular hourly rate plus holiday pay.
3. If compensatory time is requested by the employee in lieu of overtime, the employee shall receive one and one-half (1½) hours for each hour worked. Compensatory time must be arranged at least one (1) day in advance with the Superintendent.
4. Snow days or any other days that school is not in session and it is not made up are also days off without loss of pay. Employees need not report on snow days or Act of God days except as follows:

- a. Custodians assigned to furnace duties. Such custodians may leave after duties are performed.
- b. In the case of emergency, any employee may be called out to correct the situation and then leave after the corrections are made.
- c. When the urgency of the work requires it. After the work is completed, the employee may leave.
- d. If ordered by the Superintendent. The employee may leave after the assigned duties are completed.

The minimum call-out for any employee shall be two (2) hours. If it falls within the regular work hours, the employee shall receive his/her regular day's pay only.

If the District fails to notify kitchen workers of an Act of God day by 5:30 a.m., all kitchen staff who report at their normal times shall receive 2 hours of call-out pay.

5. An employee reporting for overtime on a special call-out will be allowed at least two (2) full hours of time and one-half pay.
6. In the event an employee is required to obtain a State license in order to perform the job duties of his/her present assignment, said employee shall be granted a reasonable timeline to meet the new requirement.

- F. Bargaining unit members shall be properly trained, where necessary, to dispense or administer medication, or perform diapering or medically related procedures. Medication shall be stored in a properly secured area. The bargaining unit member shall be advised of and shall follow school district policies and procedures related to parental permission and the dispensing of medicine.

ARTICLE 14
EMPLOYEE DISCIPLINE

- A. Discharge, demotion, suspension, or any other disciplinary action applied to a bargaining unit member shall be made only for reasonable and just cause and in accordance with the policies and provisions of this Agreement. Transfer to a position of like job description and pay shall not constitute demotion.
- B. New employees shall be considered to be in a probationary period during their first sixty (60) work days of employment, adjusted for absences. Upon completion of the probationary period, the Board shall notify the employee and the Union. A probationary employee shall not be granted the use of the grievance procedure if he/she is discharged, demoted or suspended.
- C. When non-probationary employees are disciplined, they shall be notified in writing stating the reason for such action. In the event the discipline or discharge of a non-probationary employee is found to be without just cause, the arbitrator may order reinstatement and payment of lost wages.
- D. A bargaining unit member shall be notified, in advance, of the purpose of a meeting where an unsatisfactory rating and/or disciplinary action is contemplated and shall be entitled to have a Union representative present. A bargaining unit member may request said notification to be in writing.
- E. The Board agrees that discipline should be appropriate to the offense and the offender. The disciplinary scale ranges from a minimum of oral reprimands to written reprimands, to suspension with pay, to suspension without pay to the maximum measure of discharge.

ARTICLE 15
UNION RIGHTS

- A. The Union shall, with administrative approval, have the right to use the school facilities and equipment at reasonable times when such facilities and equipment are not otherwise in use. The Union shall pay the cost of all materials and supplies. All arrangements shall be made through the Superintendent or his/her designee. Any such request shall not be arbitrarily denied.
- B. The Board agrees to furnish to the Union in response to written requests available public information concerning the financial resources of the district, tentative budgetary requirements and allocation, and such other non-privileged information relevant to collective bargaining. The Union shall reimburse the Board for the expenses incurred in furnishing information or making records available.
- C. Bulletin boards and other established media of communication shall be made available to the Union and its members.
- D. The Union will be credited with five (5) days per year with pay for the purpose of conducting union business. An additional five (5) days per year shall be granted where the actual cost of replacement personnel will be borne by the Union where replacement personnel are needed. In the event such days are to be used for local bargaining, the Union will not pay the cost of replacement personnel.
- E. Such meeting shall be attended by at least two (2) representatives of the Union. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. Conferences shall be held between the hours of 9:00 a.m. and 9:00 p.m. by mutual agreement. The members of the Union shall not lose time or be paid overtime for time spent in such special conferences, nor shall time be paid if the conference falls after work hours. This meeting may be attended by a representative of the MEA.

ARTICLE 16

PERSONNEL FILES AND EMPLOYEE COMPETENCE

- A. A bargaining unit member shall have the right to review the contents of all records (excluding initial references) of the Board pertaining to said individuals, originating after the initial employment, and to have a Union representative present at such review. It is understood that this will be done only in case the employee has a valid reason for such a request. The bargaining unit member shall receive a copy of all material placed in his/her personnel file at the time the copies are placed therein.
- B. If the bargaining unit member believes the material placed, or to be placed in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown, through the grievance procedure, whereupon the material shall be corrected or expunged from the file. If a bargaining unit member is requested to sign material to be placed in his/her file, such signature shall not be interpreted to mean agreement with the material's content.
- C. A bargaining unit member whose performance is considered unsatisfactory shall be given written notice explaining the deficiency and the administrative assistance that will be provided to help correct the deficiency. The employee shall be given a reasonable period of time, but in no event less than three (3) months, to bring his/her job performance up to a satisfactory level.

ARTICLE 17
SICK AND PAID LEAVES

- A. 1. Each full-time, full year bargaining unit member, prorated for part-time, shall be credited with fourteen (14) days sick leave at the beginning of each contract year, and each full-time school year bargaining unit member, prorated for part-time, shall be credited with twelve (12) sick leave days at the beginning of each school year. Unused days shall accumulate to a maximum of one hundred eighty (180) days.
- a. Following an employee's first days of work, sick leave will be taken at the employee's status classification rate. When an employee's hours or classification changes, said employee's sick leave days will be adjusted to reflect days available based on his/her new permanently scheduled hours.
2. Except in situations involving Workers Compensation, and effective with the 2001-02 school year, sick leave, personal leave, and vacation will be converted to hourly figures. A full-day leave will be dependent upon the number of hours in the full day each employee works. For example, if an employee works eight (8) hours per day, a full-day leave is eight (8) hours. If they work six (6) hours per day, their full-day leave is six (6) hours.
- The hourly figure will accrue on a prorated basis. For example, for sick leave, if an employee works four (4) hours per day, they will be able to accrue four (4) x 180 hours. If they work six (6) hours per day, they will be able to accrue six (6) x 180 hours. Personal day and vacation day accumulations will be on the same basis as the examples above.
- Any leave over and above a given hour will be rounded to the next hour. For example, if someone takes 1 hour 15 minutes of leave, it will be rounded to two (2) hours. If someone takes 2 hours 10 minutes, it will be rounded to three (3) hours. If someone takes 3 hours 45 minutes, it will be rounded to four (4) hours.
3. A record of the bargaining unit member's cumulative days shall be included in the member's check each pay period.
4. A maximum of five (5) days, prorated, per year of sick leave shall be allowed in case of emergency in the immediate family. For purposes of this section, immediate family is defined as spouse, parents, siblings, children, and any other person residing in the member's household. Emergency is defined as an unforeseen combination of circumstances which calls for immediate action. Once these five (5) emergency days are used, employees are required to use remaining personal days. If more days are required, the Superintendent may allow more days at his/her discretion. These days will be deducted from sick leave. The Superintendent's decision shall be final.
5. In the event that a bargaining unit member shall be absent from work because of mumps, pinkeye, impetigo, scarlet fever, measles, chicken pox or head lice which have been verified by the school nurse or physician, the resulting absences shall be paid, not chargeable to sick leave. The non-

chargeable time shall be limited to the contagious or quarantine period as determined by the employee's physician.

- B. At the beginning of the school year each new bargaining unit member shall contribute an amount not to exceed three (3) days, prorated, of the foregoing sick leave allowance to a common bank, which will carry a maximum of days equal to the number of employees multiplied by seven (7) and which will be administered by a committee of three (3) persons. The Union and the Board shall name a representative to the committee and the remaining one will be mutually agreed upon by the Union and the Board.

Employees who have exhausted their accumulated personal sick leave, personal days, vacation days, and comp time due to a critical illness or emergency in the immediate family may petition this committee for additional sick leave days from the bank provided there are sufficient days remaining in the bank. This petition must be supported by a statement of a physician as to the reason for not being able to work. Following the exhaustion of all leave time, the bargaining unit member must use three (3) days of unpaid leave time before qualifying for the sick leave bank. In no case will an employee be paid personal sick leave for more than a year. During the time the employee is drawing from the bank the person shall be considered on sick leave and all benefits allowed herein shall be in force. An employee who is once drawing from the sick leave bank will continue to accrue leave time but will not be forced to use said time during the period he/she is drawing from the bank. An additional year of leave may be granted by the Board of Education but after two (2) years the employee shall be terminated. There shall be no compensation or fringe benefits accrued during the second year if it is granted.

The bank will be replenished with one (1) day, prorated, from each employee when the number of days remaining in the bank equals the number of employees in the joint units of the Union.

- C. An employee will receive from the Board of Education his/her regular pay provided he/she is eligible and is receiving Worker's Compensation benefits.

Any such employee may choose to award his/her Worker's Compensation check to the Board of Education. Upon doing so the Board of Education shall deduct from his sick leave accrual the sufficient number of days to cover the actual additional cost to the Board, or the difference between the Worker's Compensation payment and the amount of his/her weekly salary.

The above mentioned difference between Worker's Compensation and the employee's regular weekly pay shall continue only so long as the employee has sick leave credits. When the sick leave credits are exhausted, employees shall receive only his/her Worker's Compensation benefits.

An employee on Worker's Compensation who cannot perform his/her duties may be assigned his/her normal work hours providing he/she is physically capable of performing other work. Reassignment shall be to a position he/she is qualified for. A vacancy resulting from the Board's compliance with this position shall be posted and shall be filled within the bargaining unit in accordance with Article 8 of this Agreement. Where no vacancy exists the employer may involuntarily transfer employees in accordance with Article 8, Section I.

D. Personal Leave:

1. Two (2) days annually, deductible from sick leave, for personal business, except that the number allowed on any given day cannot exceed ten percent (10%) plus one (1) of the total employees in a classification. Leave will be granted in order of request. Use of personal days shall be preceded by at least twenty-four (24) hours notice. Except in case of emergency, once a personal day is requested, it cannot be canceled unless notice is given by the close of office hours the day prior to the scheduled leave. Custodians shall not use personal leave during the two (2) weeks before the start of school, and no employee shall take a personal leave day during the first two (2) weeks when school is in session. Exceptions may be granted at the discretion of the Superintendent.
2. Employee personal days will be paid at the employee status classification rate.
3. Personal leave days may accumulate up to five (5).
4. Those individuals not using or accumulating personal leave days will be paid \$35 a day. Individuals will inform the Superintendent at the end of the school year that they wish to be paid.

- E. An employee shall be allowed for a death in the immediate family up to three (3) working days as funeral days, only one (1) of which may follow the day of the funeral. None of the funeral leave days shall be deducted from sick leave. The immediate family is defined as spouse, mother, father, brother, sister, son, daughter, mother-in-law, father-in-law, grandparent-in-law, son-in-law, daughter-in-law, grandparents and grandchildren. One (1) day will be allowed for sister-in-law, brother-in-law, niece, nephew, aunt or uncle. In the event the employee is responsible for the arrangements for the emergency caused by the death, or in case of distant travel, the Superintendent may allow one (1) or two (2) additional days.

An employee who is asked to serve as pall bearer shall be allowed to use emergency leave or his/her personal day.

F. Subpoena and Jury Duty:

An employee will be excused with full salary when serving as a subpoenaed witness.

Any employee who serves on jury duty will be paid the difference between his/her pay for jury duty and his/her regular pay. In case of emergency, the employer may enter a formal request to the court to have the employee excused.

ARTICLE 18
UNPAID LEAVE

- A. Following one year of employment, a bargaining unit member may request, and upon approval of the Board, may be granted a leave of absence without pay for a period of time not to exceed one (1) year. Extension of the leave may be granted if requested in writing thirty (30) days prior to the expiration of the leave. Two (2) weeks prior notice shall be provided when possible.
- B. Maternity leave will be granted upon written request by the employee and supported by a statement by the employee's physician. The employee will notify the Board at their earliest opportunity.
- The employee may elect the option of using accumulated sick leave and/or vacation credit upon commencement of the maternity leave (the balance of time on leave shall be without pay).
- Leaves will be for a maximum of one year from the start of the approved leave. Vacation rights shall not be lost for leaves of six (6) months or less.
- C. Upon return from any approved leave the bargaining unit member shall be assigned to the same position he/she held prior to the leave. In the event the position has been eliminated, the bumping procedure in Article 10 shall be followed.

ARTICLE 19
VACATION

- A. Employees working at least 1,785 permanently scheduled annual hours shall be eligible for paid vacation per Section D below. Employees who had previously earned vacation on the 225-day requirement from prior contracts shall have their vacation time grandfathered and frozen at the number of days earned during the 1993-94 contract year.
- B. Employees may use vacation during the school year providing it does not drastically interfere with the necessary operation of the school district. These vacations must be arranged in advance with the Superintendent during the regular school year.
- C. Vacations will be granted at such times during the summer recess of the school year as are suitable, considering both the wishes of employees and efficient operation of the District. Custodians, however, will work as one group from the end of school through the end of June, and from the first of August until the start of school. This will be under the direction of the superintendent. Therefore, summer vacations will normally be taken during the month of July. Vacations during other times during the summer months will be made at the discretion of the superintendent with good reason. The superintendent's decision shall be final.
- D. Vacation pay will be paid at the employee status classification rate.

During in session days, pay shall be at the employee's base rate including longevity. - E. When a legal holiday is observed by the Employer during a scheduled vacation, the vacation will be extended one day continuous with the vacation.
- F. If an employee becomes ill and is under the care of a duly licensed physician during his/her vacation, said day shall be considered as paid sick leave and shall not be charged against the

employee's earned vacation time. If the above mentioned incapacity continues through the year the employee shall receive payment in lieu of vacation.

- G. Vacation days may accumulate from year to year up to two (2) years accumulation. However, days may not be waived in lieu of pay except as provided in Section F above or in the event the employee's written request for vacation has been denied. An employee whose written vacation request has been denied shall have the option of carrying said days over to the next year or to be paid for said days at his/her regular rate.
- H. If a regular payday falls during an employee's vacation, he/she can request an advance for duration of the vacation and receive his/her check in advance of going on vacation. Such request must be made two (2) weeks in advance, but preferably at the time of setting the vacation.
- I. If any employee is laid off or retired, he/she will receive pay for unused vacation up to one year's accumulation. A recalled employee who received credit at the time of layoff for the current calendar year will have such credit deducted from his/her vacation the following year.
- J. Except under extenuating circumstances as determined by the Superintendent, employees qualifying for vacation may not take unpaid leave unless they qualify under Article 18.

If more than two (2) members apply for the same float day, those with higher seniority will be given first preference. No substitutes are required.

The decision to reduce or continue the hours will remain within the discretion of the District.

- F. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary or inconsistent with its terms.
