- b. A teacher may use any or all accumulated leave for personal illness or disability. Up to five (5) days per year and three (3) days per incident may be used for other family members to make arrangements for care.

This extension can be no more than three (3) days and teachers must have the written approval of the Superintendent fourteen (14) calendar days before the leave. Unless a leave is due to emergency or illness, a vacation will be without pay unless seven (7) day notice and approval is given by the Superintendent.

## 2. Bank

The purpose of the Bank is to relieve its members from undue financial burden due to absence from work on a long-term basis due to illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable. It would be used to protect teachers with little accumulated sick leave who have a need for more sick days that have accumulated.

The Bank will be administered by the Sick Leave Committee, which will be established and guided by the following rules:

- b. A teacher's enrollment in the Bank shall continue from year-to-year unless cancelled in writing to the Superintendent Office and the Committee.
- c. At its September meeting, the Committee shall decide if contributions from teachers for the following year are required to retain eligibility. Such a determination is to be based on the total accumulation of contributions and the grants during the previous year. Continued membership requires a minimum of one (1) sick day every two (2) years.
- d. Other District employees may donate to the Bank.
- e. If the Committee has determined the need, one (1) day of sick leave shall be automatically transferred from the teachers' individual leave accumulations and placed in the Bank by October 1. If the teacher wishes to contribute more than the minimum for that year, he/she must notify the Committee or the Superintendent by September 15 of that year.
- f. The Board shall not be required to contribute any days to the Bank.
- g. A record of each teacher's contributions and use of days from the Bank and the total accumulation of the Bank shall be kept in the Superintendent's Office. This record will be presented to the Committee no less than once a year.

### Withdrawal of Days:

- a. Any teacher as identified above who has exhausted his/her accumulated sick leave and who has sick leave accumulated one (1) uncompensated sick leave day, is eligible to apply to the Sick Leave Committee to use for further absences from work during the current contract year. The

aforementioned day shall not be deducted from the Bank. A teacher wishing to use the Bank shall notify the chairperson of the Committee, and the Association of their intended absence and the dates of absences.

- b. The Committee may grant, deny, or suspend grants of sick days from the Bank. An applicant shall have the right to request a review by the Committee.
- c. Any grants, by necessity, will be retroactive except in instances of hospitalization, nursing home, or similar confinement, in which cases the Committee may grant days in advance when supported by a doctor's note.
- d. Teachers withdrawing leave days from the Bank shall not be required to replace these days except as a contributing teacher. However, they will be permitted to replace them if they wish.
- e. A maximum of sixty (60) workdays may be drawn from the Bank for each incident.
- f. Medical complication arising from pregnancy will be addressed on an individual basis upon requesting days from the Bank.
- g. All days contributed to the Bank become the property of the Bank and will not be returned to the individual.
- h. If the Bank is dissolved, days will be returned to the teachers on a pro-rated basis.
- i. The Committee Chairperson will be responsible to see that all new teachers are made aware of the Bank and given the proper forms for membership.
- j. Unused leave days in the Bank at the end of the school year will accumulate for the ensuing school years.
- k. Employees requesting to be involved in the use or contribution to the Bank must make it known in writing to the District before September 15 of the school year.

3. Bereavement Leave--

A teacher shall be allowed a maximum of five (5) days absence without loss of salary in the case of a death in the teacher's immediate family. The immediate family shall include: spouse, partner, child, parent (natural or in-law), sibling. Two (2) days shall be allowed for the death of other in-laws, grandparents, or

The teacher may continue teaching as long as she can maintain her regularly-assigned responsibilities.

Teachers not having a class due to their regular class being absent may be assigned to substitute for an absent teacher for no additional pay.

4. Teachers shall be paid at a rate of one hundred fifty dollars (\$150.00) per semester hour, or up to 50% of SCHECH cost (not to exceed \$150.00 per year) for course job/work related to the teacher's present or future instructional program or with prior approval of the Superintendent. #### **ARTICLE 10: PROFESSIONAL GRIEVANCE PROCEDURE**

- A. A claim by a Teacher or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.

When one employee shares the Principal/Superintendent role, the Principal step will be by-passed and go directly to the Superintendent – Step 3.

**Step 1.** If a Teacher/Association believes there is a basis for a grievance, they shall first discuss the alleged grievance with the Principal within ten (10) business days of the alleged grievance. If the two parties cannot find a resolution in that meeting the teacher or association moves to step 2.

**Step 2.** Within six (6) working days of failing to find a resolution in the previous grievance step, the Association shall complete the grievance forms in the CBA and meet with the Principal to resolve the grievance. The Principal shall indicate their disposition of the grievance and furnish a written reply to the Association within six (6) business days of the Principal meeting.

**Step 3.** Within six (6) working days of failing to find a resolution in previous grievance step, the Association shall meet with the Superintendent to resolve the grievance. The Superintendent shall indicate their disposition of the grievance and furnish a written reply to the Association within eight (8) business days of the Superintendent meeting.

**Step 4.** If the Association is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, the grievance shall be transmitted to the Board within eight (8) working days of having received the disposition from the Superintendent or his/her designee. If no disposition has been received within the (8) working days of the Superintendent having received the grievance, the grievance shall be transmitted to the Board by filing a written copy thereof with the Secretary or other designee of the Board.

**Step 5.** The Board, no later than its next regular meeting or two (2) calendar weeks, whichever shall be later, shall hold a hearing on the grievance. Disposition of the

grievance in writing by the Board shall be made no later than seven (7) working days thereafter. A copy of such disposition shall be furnished to the Association.

**Step 6.** If the Association is not satisfied with the Board's disposition of the grievance, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. Request for arbitration must be made within seventeen (17) working days of the hearing with the Board.

Probationary teachers shall be entitled to arbitration rights upon commencement of their third year of employment.

B. The following matters may not be submitted to arbitration:

1. any matter covered by the Michigan Teachers' Tenure Act;
2. termination of services of or failure to re-employ any probationary teacher;
3. termination of services of or failure to re-employ any teacher to a position on the extracurricular schedule;
4. any matter being processed in another forum;
5. any matter that is a prohibited or illegal bargaining subject.
6. any claim not previously raised in the grievance process.

C. The powers of the arbitrator are subject to the following limitations:

1. He/she shall have no power to add to, subtract from, disregard alter or modify any of the terms of this Agreement.
2. He/she shall have no power to change any practice, policy or rule of the District nor to substitute his/her judgment for that of the District as to the reasonableness of any such practice, policy, rule or any action taken by the District. His/her power shall be limited to deciding whether the District has violated the express articles or sections of this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the District.
3. He/she shall have no power to interpret state or federal law.
4. He/she shall not hear any grievance previously barred from the scope of the scope of the grievance procedure.
5. He/she shall not issue a decision on the merits of a prohibited or illegal bargaining subject.

6. The arbitrator's decision shall conform with the Michigan Uniform Arbitration Act, MCL 691.1681 et seq.

More than one (1) grievance may not be considered by the arbitrator at the same time except upon the express written mutual consent of the parties and then only if the grievances are of a similar nature. The cost of the arbitrator shall be borne equally by the parties, except each party shall assume its own cost for representation including any expense of witnesses.

- D. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have no jurisdiction to render a decision on the merits until he/she has first made a ruling on the issue of arbitrability. By stipulation of the parties, the arbitrator shall have the authority to concurrently hear both the jurisdictional issues and the merits of the dispute in the same proceeding. Should the arbitrator determine that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits. Submission of jurisdictional issues to the arbitrator shall not be regarded as a waiver by either party of its right to institute civil litigation contesting either the authority of the arbitrator or any award allegedly rendered in excess of such authority.
- E. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned or could have reasonably earned less any compensation that he/she may have received from any source during the period of back pay. No decision in any one case shall require a retroactive wage adjustment in any other case.
- F. All preparation, filing, presentation, or consideration of grievances shall be held at times other than when a bargaining unit employee or participating Association representative is to be at his/her assigned duty station, except as otherwise mutually agreed to the contrary between the District and Association.
- G. These time limits shall be strictly adhered to but may be extended by mutual agreement of the parties, confirmed in writing.
- H. Notwithstanding the expiration of this Agreement, any claim or grievance arising during the term of this Agreement (as defined in the duration clause) may be processed through the grievance procedure until resolution. It is understood by the parties that no grievance shall be filed or based upon any prior or previous agreement or upon an alleged grievance occurring before the effective date of this Agreement. Further, grievances filed after the expiration of this Agreement shall not be processed under these grievance procedures unless otherwise specifically agreed in writing by both the Board and Association.
- I. If an individual teacher has personal complaints which he/she desires to discuss with a supervisor, the teacher may do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a

grievance be inconsistent with this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

- J. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

#### **ARTICLE 11: MENTOR LANGUAGE**

- A. A mentor teacher shall be identified as found in Section 1526 of the Revised School Code.
- B. Participation as a Mentor Teacher shall be voluntary.
- C. The District shall notify the Association of those teachers requiring a mentor assignment.
- D. The Administration shall notify the Association when a Mentor Teacher is matched with a Mentee. Any concerns arising from this pairing shall be brought to the attention of the Administration within five (5) working days following the notification.
- E. Because the purpose of the Mentor-Mentee match is to acclimate the bargaining unit employee and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential.
- F. Upon request, the Administration may make available reasonable release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular work day. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.
- G. A mentor Teacher while assigned will be paid annually two hundred dollars (\$200).

#### **ARTICLE 12: STUDENT DISCIPLINE AND TEACHER PROTECTION**

- A. Since the teacher's authority and effectiveness in his/her classroom are undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to the teachers as to the maintenance of control and discipline in the classroom. Whenever it appears that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps to see that these services are provided for such student upon recommendation of the Administrator and/or qualified consultants and in compliance with applicable legal standards. The sending of a student to the administration will be done only after all available resources have been exhausted in the classroom.

It is recognized that discipline problems are less likely to occur in classes which are well taught and where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be addressed with encouragement, praise, and emphasis upon the student's characteristics. The Board and the teachers recognize that personal technology devices (cellular phones, personal data devices, tablets, iPods, iPads, etc.) are not to be used during the school day for personal use or for social use during class time. Teachers will be fully supported by the school and Board for implementing all handbook policies for all students.

- B. A teacher may exclude a student from one (1) class period when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the Administrator or supervisor, as promptly as the teaching obligations will allow, full particulars of the incident in writing.
- C. Suspension of students from school may be imposed only by an Administrator or his/her designated representatives. School authorities will endeavor to achieve correction of student misbehavior through counseling and interview with the student and his/her parents when warranted. Transfer of the student to another teacher or other measure may be agreed upon by the teacher and the administration.
- D. A teacher may use such reasonable physical force as is necessary for self-defense or to prevent injury to another student.
- E. Any case of assault upon a teacher, it shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations as to such assault.
- F. The Board will reimburse teachers who, without fault on their part, suffer any loss, damage, or destruction of clothing or personal property of the teacher used while on duty not covered by insurance up to a maximum of one hundred dollars (\$100) per year.
- G. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.
- H. The administration shall give notice to a teacher regarding any complaint by student or parent in a timely manner.

### **ARTICLE 13: NEGOTIATION(S) PROCEDURES**

- A. Ninety (90) calendar days before the expiration of the current Agreement, the parties shall initiate negotiations for the purpose of entering into a successor Agreement for the forthcoming year. Negotiations may begin before the ninety (90) period if agreed by both parties.

- B. Neither party in any negotiations shall have any control over the selection of the negotiation or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.
- C. There shall be three (3) signed copies for purposes of record, one (1) retained by the Board, one (1) by the Association, and one (1) by the Superintendent.
- D. The Association will produce a copy for each member, future members, and supply the Board with an electronic copy in a non pdf format (word version preferred). The Board will provide electronic copy on its website.

#### **ARTICLE 14: CONTRACT ADMINISTRATION**

- A. Representatives of the Board and the Association's bargaining committee will meet on the second Monday of each month for thirty (30) minutes before the regularly-scheduled Board meeting for the purpose of reviewing the administration of the Agreement and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedures.
- B. Each party will submit to the other, on or before Friday before the meeting, an agenda covering what they wish to discuss. Business between the Board and the Association will be placed first on the Agenda.
- C. All meetings between the parties will be regularly scheduled to take place as promptly as possible at times when the teachers involved are free from assigned instructional responsibilities, unless otherwise mutually agreed.
- D. Should such a meeting result in a mutually acceptable amendment of the Agreement, and then the amendment shall be subject to ratification by the Board and the Association provided that the Bargaining Committee shall be empowered to effect temporary accommodations to special problems.
- E. If any provision of this Agreement is found contrary to law, then such provision or application shall not be deemed valid, except to the extent permitted by law. Other conditions shall continue in full force and effect.
- F. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by the law from the area of negotiations and that the understanding and agreements arrived at by the parties after the exercise of the right and opportunity are in this Agreement.

Therefore, the Board and the Association for the life of this Agreement, each voluntarily and unqualified, waives the right and each agrees that the other shall not be obligated to

negotiate as to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated and signed this Agreement.

It is contemplated that matters not specifically covered by this Agreement, but of common concern to the parties shall be subject to discussions upon written request of either party. The parties shall undertake to cooperate in arranging meetings and selecting representatives for such discussion, furnishing necessary information and otherwise constructively considering any such matters.

#### **ARTICLE 15: TAX-DEFERRED PAYMENTS**

- A. WHEREAS Internal Revenue Code (IRC) Section 414(h)(2) permits employer “pick-up” of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions; and

WHEREAS under the Michigan Public School Employees Retirement System (MPSERS) plan conditions permit bargaining unit employees to: (1) re-deposit contributions previously withdrawn plus interest, and when full repayment is made before termination of employment, the previously forfeited service is reinstated in full; and/or: (2) purchase permissive service credit.

NOW THEREFORE BE IT RESOLVED that in order to permit tax deferral for these additional amounts, an employee shall enter into a binding irrevocable payroll deduction authorization, under which the employer will make designated contributions in lieu of the employee’s contributions, and such employee shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to MPSERS;

BE IT FURTHER RESOLVED that additional amounts herein specified, through payroll deduction from salary, be designated as being picked up by the employer and paid by the employer in accordance with MPSERS retirement plan requirements.

#### **ARTICLE 16: EMERGENCY MANAGER**

An emergency manager appointed under the Local Financial Stability and Choice Act, MCL 141,541 et seq. may reject, modify, or terminate this Agreement as provided in that Act.

#### **ARTICLE 17: DURATION OF AGREEMENT**

This Agreement shall be effective as of August 16, 2016 and shall continue in full force and effect until 11:59 PM, June 30, 2019.

This Agreement shall be re-opened no later than April of each successive school year in order to negotiate financial compensation including salaries and insurance, as per Article 8 and Article 9.
