WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Hancock is their mutual aim and that the character of such education depends predominantly upon the quality and morale of the teaching service, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

In consideration of the following mutual covenants, it is hereby agreed as follows:

**ARTICLE 1

ARTICLE 2
BOARD RIGHTS CLAUSE

- A. The Board on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it, or permitted, by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:

The Hancock Public Schools are a general powers school district in accordance with Public Act 289 of 1995, Public Act 451 of 1976, M.C.L. 380.11a, as amended.

As duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other Laws of Michigan or the Constitution of Michigan or the United States; that it will not discriminate against any teacher with respect to hours, wages, or any other terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

When such material is made available to the Association, any reproduction shall be at the cost of the Association.

- G. The Board will inform the Association of any new or modified fiscal budgetary or tax programs, construction programs, or major revisions of educational policy, which are proposed or under consideration and the Association will be given opportunity to advise the Board with respect to said matters prior to their adoption and/or general publication.

ARTICLE 5
TEACHING HOURS, CLASS LOADS, AND ASSIGNMENTS

A. Normal Teaching Hours

A teacher's hours in the Hancock Schools shall be as follows:

Elementary Teachers: 8:05 a.m. to 3:45 p.m.

High/Middle School Teachers: 7:55 a.m. to 3:45 p.m.

It is understood that High/Middle School teachers will be in the hallways while students are still in the building, until 3:45 p.m.

During teacher's record day, teachers will not be required to be in attendance in their building

B. Delayed Openings

A responsible attempt will be made to open school later than usual in the morning period so that such days can be utilized as attendance/instruction days. (For example, two hours will be considered for such delays as necessary and feasible.) Professional staff will be required to report to their assignments as soon as possible but not later than twenty (20) minutes before the first period or class session for students programmed that day.

C. Normal Teaching Periods

1. The normal weekly teaching load in the middle-senior high school will be based on a seven (7) period day as described below. The normal weekly teaching load in the elementary school will be the above listed hours less the relief and preparation time as described in Article 5 E. Preparation periods prior to the opening of and immediately following the close of the class day are planned as part of the elementary teacher's day. Subject to the Normal Teaching Hours as provided above, and other specific terms of this Agreement, the District may set the starting time(s) for classes based upon the best judgment of the Administration as to how to best coordinate schedules between the District school(s) and other schools.
2. The normal teaching load for middle-senior high school teachers shall be five teaching periods or combination of four teaching periods and one study hall period, one unassigned preparation period and one professional period. The term "unassigned preparation period" shall be construed to include the use of this period for purposes other than preparation when deemed necessary in the judgment of the principal with the consent of the teacher.

3. The "professional period" shall consist of one class period per day and shall be devoted to various professional pursuits (examples of activities which fall within the professional hour would include those of department chair, school improvement, curriculum development, staff development, departmental meetings, textbook selection, consultation with parents, consultation, evaluation, tutoring, testing or other contact with students, or similar activities). Such tasks shall be mutually agreed upon by the Administration and staff member involved; goals and objectives shall be set and a tentative time table shall be established for the accomplishment of those tasks. Such professional efforts expended in this regard may occur off school premises and at other than school time. Every effort will be made by the district to schedule travel time during professional preparation periods as opposed to the unassigned preparation period.
4. No departure from these norms, except in case of emergency, shall be authorized without prior consultation with the Association. In the event of any disagreement between the representatives of the Board and the Association as to the need and desirability of such deviation, the matter may be processed through the Professional Grievance Negotiation Procedure hereinafter set forth.

- D. All teachers shall be entitled to a duty-free uninterrupted lunch period of at least a thirty (30) minute duration. This time may be reduced for individual buildings within the system if the daily time schedule of the buildings or system warrants same as determined by the Board and a majority of teachers of the buildings agree and the teacher workday is adjusted accordingly. During any Professional Development days, all teachers shall be entitled to a duty-free uninterrupted lunch period of at least a sixty (60) minute duration.
- E. Elementary teachers, K-5, will be provided two 15-minute relief periods or one 30 minute relief period each day. Elementary teachers may use for preparation all time during which their classes are receiving instruction from various teaching specialists.
- F. Teachers will not be required to serve as substitutes during their contractual unassigned preparation periods. Teachers who agree to substitute during such unassigned preparation periods, at the request of the Administration, will be paid at the rate of \$30.00 per hour (rounded up to the nearest half hour). While there is no requirement that elementary classes receive instruction from teaching specialists, where instruction from a teaching specialist is scheduled, and the elementary teacher is required to teach the class due to the absence of the teaching specialist, the elementary teacher will be paid at the above rate. The administration may grant compensatory time in lieu of pay. The Administration shall keep an accurate accounting of substitute hours.

- G. Supervisory teachers of student teachers shall be tenured teachers who voluntarily accept the assignment.
- H. Bargaining unit members will not be assigned as Mentors for New Teachers without their consent. (As currently provided by laws addressing assignment of Mentors, "New Teachers" as used in this Section refers to teachers during the first three years of their employment in classroom teaching.)
- I. All overloads shall be posted in all three buildings.
- J. Teacher work load is the sum of student contact time, preparation time and (middle school/high school) professional period time.

Elementary teachers with student contact time up to 50% per regularly scheduled day are entitled to fifteen (15) minutes of preparation time per day. If student contact time is between 50% and 80% preparation time will be twenty (20) minutes per day. If student contact time is 80% or more per day, preparation time will be thirty (30) minutes per day.

Note: The above listed preparation time accumulations do not include preparation time due to recess and/or specials.

Middle school/high school teachers with student contact time of 1-2 periods per day will be entitled to one half preparation period. If student contact time is three (3) or four (4) periods per day, preparation time will equal one period. If student contact time is five (5) periods, preparation time will be two (2) full periods.

Contact Time (Periods)	Prep Period(s)	Ratio/Percent
5	2	7/7 100%
4	1	5/7 71%
3	1	4/7 57%
2	0.5	2.5/7 36%
1	0.5	1.5/7 21%

Study hall assignments are considered student contact time.

The above listed workloads will be used to compute salaries and benefit levels.

ARTICLE 6
TEACHING CONDITIONS

- A. The parties recognize that the availability of optimum school facilities for both student and teachers is desirable to insure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school in the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.
- B. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible and it is recommended that the following maximums not be exceeded:

1.	Kindergarten	22 pupils
2.	Young Fives	16 pupils
3.	Elementary 1st-2nd grades	22 pupils
	3rd-5th grades	25 pupils

Note: In the event that class size exceeds these limits for 5 school days or longer, a committee composed of two administrators and two persons from the Association, one of whom will be a teacher of the class involved, will meet to discuss the situation. Among the solutions considered will be the hiring of an aide. The committee shall present to the Board of Education on or before its next regularly scheduled meeting its recommendation to address the situation.

4. Middle and High School:

The ratio of pupils to teachers and other professional staff members shall not exceed 27 to 1. It is recommended that, except in certain activity type classes, such as physical education, music and study hall, the total average pupil load for teachers within a department not exceed 150 pupils per day. The recommended class size is not more than 30 pupils except as noted below:

1.	Language	25 pupils
2.	Science Laboratory	25 pupils
3.	Practical Arts and Other Fine Arts	25 pupils
4.	Technology (computers, business, tech ed., etc.)	25 pupils

- C. The Board recognizes that appropriate text, library reference facility, computers, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires and similar materials are the tools of the teaching profession. Every teacher shall turn in a requisition to the Board by June 15 of each school year or by such other date as may be designated by the Superintendent of Schools. The teacher will be informed by August 1 or as soon as possible thereafter as to whether the requisition

shall be approved by the Board in full, in part, or not at all. The parties will confer from time to time for the purpose of improving the selection or use of such educational materials and the Board undertakes promptly to implement all joint decisions thereupon made by its representative and the Association. The Board will continue its efforts to keep the school reasonably and properly equipped and maintained.

- D. Under no conditions shall a teacher be required to drive a school bus as part of his regular assignment.
- E. Telephone facilities shall be made available to teachers for their reasonable use. Personal long distance calls may not be charged to the school district.
- F. Adequate parking facilities shall be available to the teachers for their exclusive use whenever practical.
- G. A teacher expecting to be absent shall notify their building principal (or designate) in adequate time to obtain a substitute, if available (normally by 7:00 a.m.). All teachers shall maintain a lesson plan book including class roster with lesson outline indicated so as to enable substitute teachers to be as effective as possible. This lesson plan book shall be available for use by the substitute teacher, and its usual location shall be known to the principal.
- H. Multi-level shall be defined as a K-5 combined classroom where two (2) separate grade levels *with two (2) separate curricula* are taught by the same teacher in the same classroom. K-5 multi-level teachers shall receive additional compensation of \$4,500 per entire year and pro-rated for duration greater than one month but less than one year. No multi-level class shall be overloaded.

ARTICLE 7 PROTECTION OF TEACHERS

- A. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to continue to give administrative backing and support to its teachers, although each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom and his assigned area. The teachers recognize that all disciplinary actions and methods invoked by them shall be reasonable and just. It shall be the responsibility of the teacher to report to his principal in writing the name of any student who, in the opinion of the teacher, need particular assistance from skilled personnel. The teacher shall be advised by the principal of the disposition of the teacher's report that a particular student needs such assistance.

- B. Any case of assault upon a teacher which has its inception in a school-centered problem shall be reported immediately to the Superintendent or his designated representative, and a written report promptly submitted to the proper person. In the event of such assault, the teacher involved may request assistance of the Board in such matter. These requests shall be made in writing. In the event that the assistance of the board is justified, then the Board will render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.

- C. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the Board will render reasonable assistance to the teacher in his defense. In considering whether assistance is reasonable the Board may consider whether the action taken was in accordance with Board policy. Copies of changes in Board policy regarding teacher conduct will be provided to the Association and made available to teachers.

- D. No complaint arising from a teacher's performance within the scope of his/her professional duties as an employee of the Hancock Public Schools by any parent or pupil shall become a part of the teacher's personnel file without adherence to the following procedures:
 - 1. The administration conducts an investigation into the merits of the complaint, which shall include an investigative conference with the involved teacher. Prior to the conference, the teacher will be advised of the nature of the complaint and the identity of the parent or pupil making the complaint and will be provided with a reasonable time to arrange for an Association representative to be present for the conference and consulted about the complaint. In the event the complaint arises in a public meeting, it shall be referred to the Administration for investigation.
 - 2. The teacher shall have the right to issue a written response to the administration.
 - 3. If the administration determines that the complaint is not valid, it shall not be placed in the teacher's personnel file, unless the complaint is subsequently found to be valid by the Board pursuant to appeal of the administration's determination.
 - 4. If the administration determines that the complaint is valid and is to be included in the teacher's personnel file, a meeting involving the superintendent, involved teacher, Association representative, and the teacher's immediate supervisor, shall be convened for the purpose of communicating the administrative disposition of the complaint.

- E. The determination as to whether the time lost by a teacher under this Article is to be chargeable or non-chargeable will be made by the Board given due consideration to the circumstances of the incident. The teacher shall have the right to be present and be heard at the time of making such determination in person and through representation by the Association.
- F. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of negligence or neglect of duty, for any damage or loss to person or property.
- G. Any teacher may exclude a pupil from a class session when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his teaching obligations will allow, full particulars of the incident.
- H. By mutual consent the following Board Policies 5421/5517 are part of the Collective Bargaining agreement

**ARTICLE 8
PROFESSIONAL BEHAVIOR**

Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of the Agreement, provided that the teacher may reasonably refuse to carry out an order which threatens physical safety or well-being. See Article 7 paragraph H.

**ARTICLE 9
EMPLOYEE RIGHT TO REPRESENTATION**

Teachers may at all times have a representative of the Association present, during an investigatory meeting for observation purposes only, if a request for representation is made no such meeting will take place until an Association representative is present (so long as the representative is reasonably available).

**ARTICLE 10
PROFESSIONAL QUALIFICATIONS**

The Association shall be notified in the event it becomes necessary to obtain a temporary or emergency permit or certification for a teacher from the Department of Education.

ARTICLE 11
SENIORITY

- A. Seniority shall be defined as the length of continuous service accumulated in the bargaining unit in the Hancock Public Schools from the teacher's most recent date of hire. The teacher's most recent date of hire shall be the date of the most recent Board meeting at which the teacher's employment was approved as recorded in the official minutes of the Board of Education. All periods when the teacher is on any unpaid leave of absence of one (1) full semester or more or on layoff shall be excluded from accumulated service but shall not constitute a break in continuous service.
- B. Seniority shall be calculated on a prorated basis, years of service being based on the ratio of employment in the school district to a full-time position. For example, an employee serving the year from September through June but only scheduled for sixty percent (60%) of a position will be credited with six-tenths (.6) year of seniority for such service.
- C. Teachers who have accrued seniority within the bargaining unit, and continue to work for the school district in a non-bargaining unit position will have their seniority frozen at the time they leave the bargaining unit position and may retain and resume accumulation of seniority if he/she returns to the bargaining unit from a Board approved period of leave of absence within two (2) years.
- D. In the event of a tie in accumulated seniority, teachers shall be ranked on the seniority list in order of the highest four-digit number determined by the last four digits of the teachers' respective social security numbers.
- E. Seniority shall be lost by a teacher upon his/her resignation, abandonment, discharge, and/or transfer to a non-bargaining unit position after expiration of leave of absence from the bargaining unit not to exceed two (2) years.
- F. The school district will prepare and post a seniority list by October 15 each year.

ARTICLE 12
HEALTH, SICK, CHILD CARE, AND OTHER LEAVES

A. Medical Examinations

1. The Employer reserves the right to require Medical Certification.
2. Medical Certification as used in this Agreement means verification by a duly licensed physician (or other medical personnel acceptable to the Employer) that he/she performed a Medical Examination of the employee (or family member) and that the employee has the medical ability to perform his/her work, or that the physician found demonstrative symptoms substantiating the employee's inability to perform his/her work or otherwise substantiating the medical opinion given. The Medical Certification need not include the physician's diagnosis but must include the need for the employee's absence from work. Any requirement in this Agreement for Medical Certification includes medical recertification(s) whenever reasonably required by the Employer. Medical Certification(s) will (unless otherwise specifically provided) be at the employee's expense.
3. Medical Examination(s) as used in this Agreement means physical and psychiatric/psychological examinations to establish or reestablish the employee's fitness, or inability, to perform his/her work.
4.
 - a. If the Employer reasonably believes that an employee is not physically and/or mentally able to perform their duties, the Employer may require the employee to undergo a Medical Examination in accordance with the provisions contained herein.
 - b. The Employer shall indicate in writing the reason(s) for requiring an examination, including the conduct of the employee that led the Employer to question whether or not the employee was physically and/or mentally able to perform their duties.
 - c. The employee shall be examined by a physician selected by the Employer and paid for by the Employer. Should the employee have a reasonable objection to the physician selected by the Employer, the Employer will select a different physician.
 - d. The physician shall provide the Employer with the physician's conclusion regarding whether the employee is able to competently and safely perform their duties. The Employer shall only be entitled to medical or psychological information directly related to the employee's ability to perform their duties.

- e. If, as a result of this examination, the physician states that the employee cannot return to work, the employee shall have the right to be examined by their own personal physician, at the employee's expense.
- f. If there is conflict between the opinions of the two physicians, the employee shall have the right to a third opinion. The third physician shall be selected and paid for by the Employer, and shall be from a different facility, corporation or practice than the first Employer-selected physician. Should the employee have a reasonable objection to the physician selected by the Employer, the Employer will select a different physician.
- g. The employee shall not lose pay or sick leave for work time lost during testing.
- h. The employee shall receive a complete copy of all physician's reports or findings. In order to protect the employee's privacy rights, the employee shall determine whether or not to provide the Employer with copies of the physician's reports and findings, except for the information that is required to be provided under subsection d above.
- i. If, as a result of these provisions, an employee is placed on involuntary leave or the Employer takes other actions which the employee disputes, the employee may utilize the grievance procedures contained in this Agreement.
- j. This provision is not intended to restrict any of the Employer's or employees legal rights pursuant to Michigan's Worker's Compensation Laws.

B. Partial Disability

In case of partial disability which may incapacitate the teacher from discharging their full teaching duties, such teacher's assignments may be adapted to their ability if they request, and a proportional salary adjustment made, upon the receipt of appropriate Medical Certification.

C. Sick Leave and Allowance

1. The Board grants to each regular or full-time teacher, excepting those classified as substitutes or hired on a day-to-day basis, annual allowances of sick leave days subject to rules and regulations controlling the number of days, use, and accumulation of the same.

2. a. Ten (10) sick days will be credited to each teacher at the beginning of the school year. Teachers hired during the school year shall be credited on a pro-rated basis for the amount of time remaining in the year. Sick leave may be utilized for the following purposes:
 - (1) Personal illness or disability of the employee, including illness or disability related to pregnancy and/or pending adoption, childbirth and recovery from pregnancy and/or child birth.
 - (2) Illness in the immediate family.
 - (3) Quarantining of the employee in case of contagious diseases – the quarantine having been imposed by the proper health authorities.
 - b. Any unused portion of the annual sick leave allowance of ten (10) days, depending on service time, will be allowed to accumulate to a maximum (“Maximum Accumulation”) equal to the number of days of pupil instruction during the school year (Student Days as provided in the Calendar, Schedule C). A part-time employee will have unused days prior to inclusion in the accumulated account prorated according to the percentage time employed in ratio to a full-time employee in that department classification.
 - c. Definitions:
 - (1) Illness in the immediate family is defined as the employee’s spouse, parent, parent of current spouse, sibling and child, and, if dependent upon the employee, grandchild and grandparent, or any relative living under the same roof and who is wholly dependent upon the employee for support.
 - (2) Death in the immediate family is defined as the father, mother, spouse, parents of the spouse, sister, brother, child, grandchild and grandparents or any relative who is wholly dependent upon the employee for support.
 - d. When the Maximum Accumulation has been reached, sick leave time will be deducted from such Maximum Accumulation. At the beginning of the school year, following any deduction for sick leave the prior year, the number of days earned the prior year (not to exceed ten) will be added to the accumulated days so long as the combined total does not exceed the Maximum Accumulation.
3. Any teacher who is absent because of an injury or disease compensable under the Michigan Worker’s Compensation Law shall receive from the Board the

difference between the Worker's Compensation payment prescribed by law and his regular salary, to the extent as specified below:

- a. An employee suffering a compensable injury shall be charged $\frac{1}{2}$ day from his accumulated sick leave account for every lost day due to the injury.

Any unused personal leave days exceeding the maximum accumulation of six (6) days will be added to the teacher's sick leave account.

The arbitrator's decision shall be in writing and will set forth his findings of fact, reasoning, and conclusions on the issues submitted.
3. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. - e) For post-season playoff or tournament participation:

1. For basketball, hockey, track, cross-country, skiing, swimming, forensics and/or similar non-athletic programs of competition that have a regional contest/meet in the Upper Peninsula of Michigan, no additional compensation will be paid. If the team or group is selected for additional competition, however, \$169/week will be paid for those weeks involving actual competition (a week in which one or more contests or meets occurs).
 2. Coaches involved in the varsity football program whose season is extended beyond the regular schedules due to participation in the playoffs (selected by State rankings) will be paid \$169 for each week that actual competition occurs (a week in which their team participates in a playoff contest).
- (f) The District will determine how many coaches continue in the program and receive additional compensation.
- (g) Prior to a season's start, the Athletic Director and coach, along with the Superintendent, will determine the number of coaches which will be reasonable for the season. If one coach will suffice for two teams, the Schedule B salary will be multiplied by 1.5 to determine the coach's salary for that season.
