When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present.*

The Board reserves the right to charge the Association the same amount for copies as it charges the person making the request under the Freedom of Information Act. If other requested materials are not in the personnel file and the teacher is named in the Freedom of Information Act request, then the foregoing shall also apply.*

 - 7. Any written grievance not substantially in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the time limits set forth herein.*
- E. *Level One – Principal*

1. *A teacher believing himself wronged by an alleged violation of the express provisions of this Agreement may orally discuss the grievance with the building principal in an attempt to resolve same.*
2. *If no resolution is obtained or no oral discussion is held, the teacher shall reduce the grievance to writing and file it with the principal within ten (10) days of its alleged occurrence or within ten (10) days of when the grievant could have reasonably been expected to have knowledge of its occurrence. By mutual agreement between the Association and the District, the ten (10) day time period at the onset of the grievance may be extended.*
3. *The principal shall arrange a meeting with the grievant and/or designated representative and issue a written decision to the grievant and association representative within ten (10) days of receiving the written grievance. If the grievant is not satisfied with the principal's written response or no response is received, the grievant or Association may proceed to level two within ten (10) days of when the response was due.*

D. Level Two – Superintendent

1. *To appeal the decision a copy of the written grievance shall be filed with the Superintendent, or designee.*
2. *The Superintendent or designee shall arrange a meeting with the grievant and/or designated representative and issue a written decision to the grievant and Association representative within ten (10) days of receiving the written grievance. If the grievant or Association is not satisfied with the Superintendent's written response or if no response is received, the Association may proceed to level three within ten (10) days of when the response was due.*

G. Level Three - Board of Education

1. *To appeal the decision a copy of the written grievance shall be filed, together with the decision of the Superintendent, with the secretary of the Board.*
2. *The Board may, at its sole discretion, waive its right to hear the grievance. In which case the union may proceed to the next step of the grievance procedure.*

4. *Upon proper application as specified in Level Two, the Board shall allow the teacher and/or his/her Association Representative an opportunity to be heard at the meeting for which the grievance was scheduled. Within ten (10) days from the hearing of the grievance, the Board shall render its decision in writing, subject to a., below.*

- e. Shall have no power to interpret state or federal law.*
- f. Shall not hear any grievance previously barred from the scope of the grievance procedure.*

6. *After a case on which the arbitrator is empowered to rule has been referred to him/her, it may not be withdrawn except by mutual consent.*
7. *No more than one (1) grievance shall be considered by the arbitrator at the same time except upon the written consent of the parties.*
8. *The cost of arbitration shall be borne equally by the parties. Each party shall assume its own cost for representation including any expense of witnesses.*

Should a teacher fail to appeal a decision within the limits specified, or leave the employ of the Board (except a claim involving a remedy directly benefiting the grievant regardless of his/her employment), all further proceedings on a previously instituted grievance shall be barred. All extension of timelines will be agreed to in writing. Should the Board fail to respond to a grievance within the time limits specified, the grievance will be considered to have been moved to the next level*
- J. *All preparation, filing, presentation or consideration of grievances shall be held at times other than when a teacher or a participating Association Representative are to be at their assigned duty stations except as mutually agreed otherwise.*
- K. *Where no monetary loss has been caused by the action complained of, the Board will be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one.*
- L. *Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.*

ARTICLE 7: Working Conditions

- A. *Hours*
 1. *The Association recognizes that each teacher is expected to be punctual and regular in his/her attendance. In the event teachers deviate from established hours, the Association encourages principals to take positive action in eliminating such deviation.*
 2. *Teachers agree:*
 - a. *To be in their buildings fifteen (15) minutes prior to the beginning of the school day [ten (10) minutes for K-5 and grades 9-12 teachers],*
 - b. *To be at their assigned place of duty ten (10) minutes prior to the beginning of the school day [five (5) minutes for K-5 teachers], and*

- c. *To be in the immediate area of their assigned duty stations during passing time prior to the period following lunch and/or preparation periods.*
 - d. *To leave no earlier than five (5) minutes following the dismissal of school, except with permission from the building principal.*
3. *Work hours may be adjusted by mutual agreement between the teacher and administrator. Staff would be informed of any situations involving adjusted work hour opportunities and have the ability to express interest in the opportunity.*
 4. *All teachers shall be entitled to a duty-free, uninterrupted lunch period of at least thirty (30) minutes during which they may leave the building after notice to the office.*

In addition to the foregoing, teachers assigned to the K-5 levels shall be entitled to a ten (10) minute planning period which is contiguous to the lunch period.

The administration will evaluate the structure of the lunch hour to enable teachers to have the ten minute planning time free of students.

5. *Classroom teachers in grades K-5 shall be provided an average of 250 minutes of released preparation/conference time during the student instructional day each week except in the event of a reduction in staff and/or programs. Each full-time K-5 classroom teacher will be provided with five (5) forty (40) minute planning times per week. Partial classroom teacher's planning time will be prorated accordingly.*

When scheduling specials (physical education, music, art, etc.) the highest priority will be to minimize the number of days where K-5 teachers have no prep time. Some consideration shall be given to teacher preferences and upper elementary versus lower elementary needs. Excess planning time for physical education, music and art teachers will be used for program enhancement in a manner collaboratively decided by the teacher and building principal.

Each elementary school improvement team may explore innovative scheduling of preparation time.

6. *Full time classroom teachers in grades 6-12 shall have one (1) unassigned preparation period per day equal in length to an academic period. Part-time classroom teachers in grades 6-12 will receive preparation periods in accordance with the following:*

<i>a.</i>	<i>Teaching Hours</i>	<i>Contract Pro-ration</i>	<i>Teaching Hours</i>	<i>Contract Pro-ration</i>
	1	17%	1	25%
	2	33%	2	50%
	3	50%	3	75%
	4	67%	4	100%
	5	83%		
	6	100%		

- b. *This method of pro-ration takes into account the existence of a preparation period in each teaching day. Part-time teachers will be expected to report for work fifteen (15) minutes before their first class, if the majority of their assignment is in the first half of the day or stay five (5) minutes after their last class, if the majority of their assignment is in the second half of the day. Part-time teachers will also be expected to be in the building for an amount of time equal to their pro-rated preparation period. At the middle school, preparation period is defined as 47 minutes and at the high school, 70 minutes. The salary pro-ration percentage will be applied to the above class time periods to establish the pro-rated preparation period.*
- c. *As part of the weekly preparation time, each high school teacher must plan for 1 (one) TIES (To Inspire, Empower and Succeed) advisory period of forty minute duration to work with a group of approximately twenty students. Teacher responsibilities include, but are not limited to, academic advising, scheduling, data collection and other responsibilities decided and agreed to by building staff and administration. Members teaching a half time schedule or less are not required to participate in TIES.*

7. *Meetings and Professional Development Days*

- a. *All teachers agree to be available the equivalent of one (1) hour per week in addition to the basic school day for a building meeting called by the principal (not to exceed 20 per year). An unscheduled meeting may be called by the principal for emergency reasons.*

Teachers serving on curriculum councils are also expected to attend called meetings (not to exceed two (2) per month).

The Superintendent may call general staff meetings not to exceed four (4) in any school year. The Superintendent may call further meetings in emergency situations after consultation with the Association President.

It is understood that teachers, when requested by the Special Education Director or Building Principal, shall attend IEPTs, student staffing and other meetings as determined appropriate by the supervisor. Wherever reasonably possible, these meetings will take place during regular, established hours with minimum disruption of normal planning time.

- b. *Thirty (30) hours of professional development will be provided by the District. This time may be replaced with teacher selected professional development activities with building principal approval.*
- c. *Reporting forms for recording professional development hours will be maintained by teacher and building principal to record the thirty (30) hours required by the state.*

8. *All teachers will consider it a professional obligation to attend the following:*

Elementary teachers: Fall Open House
Fall Parent Conferences – 7.5 hours
Spring Parent Conferences – 7.5 hours

Middle School teachers: Fall Open House – 2 hours
Fall Parent Conferences – 7.5 hours
Spring Parent Conferences – 5.5 hours
A Chaperoning Function

High School teachers: Fall Open house – 2 hours
Fall Parent Conferences – 5 Hours
Winter Parent Conferences – 5 hours
Spring Parent Conferences – 3 hours
A Chaperoning Function

Any variation of the aforementioned schedule may be adjusted with approval of the building principal and building School Improvement Team.

In addition to the foregoing, all teachers are encouraged to attend High School Commencement and other after school student activities.

No additional release time will be provided other than the current amount established on the calendar.

9. *The Board will employ a sufficient number of lunchroom and playground aides at the elementary schools to supervise the student lunch/recess period.*
10. *Teachers will be available on a rotation basis for consultation with the lunchroom/playground aides when the building principal is not available during the lunch period.*
11. *Any teacher who substitutes in the absence of the building principal, as a consultant to the lunchroom and playground aide(s) during the student lunch/recess period, shall be compensated at the hourly rate established in Appendix B for Professional hourly rate. It is understood that the building principal must authorize the compensation prior to payment.*
 - a. *Prior to the first student day in each building, a list of playground regulations will be jointly developed by teachers and the building principal.*
 - b. *A copy of the regulations will be provided to each teacher and each lunchroom and playground aide prior to the first student day in each year.*
 - c. *When it will be necessary for the principal to be absent during the student lunch/recess period he/she will notify the consultant prior to the lunch period.*

12. *A K-5 teacher may choose to take his/her class outside for recess daily [twenty (20) minute maximum] and provide direct supervision for the students.*

A 1:2 or 2:3 teacher to classroom ratio for recess supervision is allowable on an occasional basis, with occasional being defined as up to three times per week.

The teacher remaining indoors must be supervising and/or assisting students. If no students remain indoors, all teachers would need to be providing recess supervision.

Elementary recess must end by 3:00 p.m.

Any variation of the aforementioned points needs prior approval of the building principal.

13. *Any teacher who completes the parent-teacher conferences prior to the end of the conference schedule may leave the building with the permission of the principal, who will not unreasonably withhold such.*
14. *Probationary teachers fulfilling the fifteen (15) days of professional development as required by law will be paid at the per diem substitute rate of pay for reporting to work in August prior to the first returning-teacher day for District sponsored Professional Development.*
15. *Teachers assigned partial FTE schedules shall work a pro-rated amount of time as defined by the posting or administrator. The individual is expected to attend a pro-rated number of staff meetings and professional development activities, and work a pro-rated amount of the required after school time (13.5 hours) equal to the partial schedule.*

B. Class Loads

The teacher/pupil ratio is an important aspect of an effective educational program. The parties agree that class size should be adjusted whenever possible to meet the following maxim:

1. Elementary: Kindergarten..... 26
Grades 1-2..... 26
Grades 3-6..... 28
Split Sections..... 24
Special Education..... 15
Transitional 1st grade 15-18 students
Pre-Kindergarten 16-18 students

- a. *Class loads will be adjusted and/or aides assigned as appropriate within ten (10) working days of a count completed at the end of the second week of the school year and the beginning day of each successive marking period thereafter for grades K-5. For 6th grade, the count dates will be the end of the second week of the school year and the beginning day of the 2nd, 3rd and 4th marking periods.*

- b. *Physical Education, Music, and Art in grades K-5 shall be governed by the above class sizes. An overloaded section will be exempt from the aide requirement defined in Article 7B5.*
- c. *Prior to the first full week of school and prior to establishing class schedules, the physical education and music teachers will be consulted by their respective building principals regarding their class schedules.*
- d. *Within each building the disparity in class size at the same grade level will not exceed four (4) students. Once the school year begins, the disparity will be addressed by placing new students in the class with the lower student count. Bargaining unit members that have a district start date after August 16, 2015 shall be paid on the appropriate step of the MA schedule up to a maximum of Step 10. APPENDIX D: Bargaining Unit Member Sick Leave Bank

The sick leave bank is a cooperative project between the Board and the professional staff of the Association.

The purpose of the bank is to provide emergency extended sick leave days to teachers through a shared donation of sick leave days. The plan in no way alters the sick leave provisions of the Master Agreement.

ELIGIBILITY

All teachers as defined by the Master Agreement will participate in the sick leave bank.

A teacher must teach at least 1/2 of the school day to be eligible to draw on the sick bank.

DONATION OF DAYS

On the first full day of school in September, 1972, each teacher donated one half (1/2) sick day to the sick bank. Beginning with the 2010-11 school year, new members will donate one half (.5) of a day on the onset of their third year in the District. Members who have not yet donated a day, will donate one half (.5) of a day upon ratification of the Agreement.

When the number of days in the sick bank drops below ten (10) days, more days may be requested by a 2/3 vote of the MDMEA Representative Council.

The number of days donated will be limited to a maximum of one (1) day per year per teacher.

ADMINISTRATION

The MDMEA Executive Board will make determinations regarding requests for up to ten (10) extended sick leave days.

The MDMEA Representative Council will make determinations for over ten (10) requested days.

All committee decisions will be forwarded in writing to the Superintendent's office for appropriate administrative action.

CHAIRPERSON

A sick leave bank chairperson will be appointed by the MDMEA President.

The chairperson will be responsible for dispensing request forms for sick bank leave. The chairperson will forward the completed request forms to the appropriate body.

The chairperson will be responsible for the record keeping of the sick bank.

LIMITS

All teachers will be eligible to receive up to ten (10) days of extended sick leave upon approval of the MDMEA Executive Board. A special meeting of the MDMEA Board can be called at the President's request.

Requests for more than ten (10) days shall be submitted to the MDMEA Representative Council at a regular monthly meeting. A two-thirds (2/3) majority vote is required for approval.

A teacher's request for leave may not exceed thirty (30) days in any school year.

In case of pregnancy, the request for days will be submitted after the birth.

The MDMEA reserves the right to refuse any request. Such refusal will be accompanied by written reasons for such refusal.

PROCEDURE

1. *The teacher shall obtain a request form from the sick bank leave chairperson.*
2. *The teacher shall complete the form, and have it signed by a physician.*
2. *The teacher shall return the form to the chairperson who will forward it to the proper body.*
3. *Twenty percent (20%) of the value of the anticipated loaned days will be paid by the member to the Association upon application. This money will be repaid to the member upon return of all borrowed days.*
5. *The chairperson will report the decision to the teacher.*
6. *Before receiving extended leave days, the teacher will sign a repayment agreement with the MDMEA.*
7. *The chairperson will submit written notification to the Superintendent's office for administrative action.*

REPAYMENT

Teachers who borrow from the bank will sign an agreement with the MDMEA for repayment.

Repayment will start at the beginning of the following school year.

Repayment shall be at the rate of at least six (6) days per year until all days are paid.

In the event that a teacher leaves the Mason Public Schools before repayment is complete, the teacher will reimburse the District an amount equal to the number of non-reimbursed days, times his daily rate of pay at the time the days were borrowed. Upon receipt of repayment from the teacher, the Board shall return the sick leave days borrowed by the teacher to the bank.

APPENDIX H – ANCILLARY STAFF--applicable to positions and individuals not covered by the Michigan Teacher Tenure Act (Previous Articles from the 2011-2013 Contract)

ARTICLE 4: Teacher Rights and Responsibilities

The Association recognizes that abuse of sick leave or other leaves, chronic tardiness, or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the profession and create undesirable conditions in the school building.

The administrator will have clearly identified the member's deficiencies and documented the previously taken steps prior to the development and implementation of any written plan or placement in an out of sequence evaluation.

In recognition of progressive discipline, no teacher shall be disciplined or reprimanded without just cause. Any such discipline or reprimand asserted by the Board, or representative thereof, shall be subject to the professional grievance procedure herein set forth. All information forming the basis for disciplinary action will be made available to the teacher. Upon request of the teacher, such information shall be provided to the Association Representative.

Any warning, reprimand or other document of a disciplinary nature in a teacher's file which does not relate to a recurring incident within a three (3) year period from the date of such warning or reprimand, shall be removed at the written request of the teacher provided there is concurrence of the immediate supervisor. Should the teacher and the immediate supervisor disagree, the Superintendent shall make the final determination. Once removed, such documentation shall not thereafter be used against the teacher.

ARTICLE 7: WORKING CONDITIONS

Selection for assignment would be dependent on the individual being certified and qualified and possessing the most seniority, with exceptions made to maintain master schedule integrity.

ARTICLE 9: INSERVICE AND PROFESSIONAL DEVELOPMENT

Any determination of failure to meet professional development requirements, as charged, shall be subject to review.

ARTICLE 9A: Evaluation

It shall be the administration's responsibility to evaluate performance. Evaluations shall be conducted by the teacher's immediate supervisor or an administrator working in the same building or an administrator who is otherwise familiar with the teacher's work. The evaluation process and forms set forth in the Evaluation Process and Framework For Professional Practice booklets will be used to evaluate performance and will be interpreted for any and all new hires prior to any formal observation.

The purposes of evaluation are to provide information which will determine the employment status of the teacher and promote the improvement of instruction. The evaluation of a teacher's performance will be based only upon valid criteria.

- C. *Formal monitoring or observation of the work of a teacher shall be conducted openly and in the classroom with full knowledge of the teacher. Formal monitoring in any other manner shall be*

APPENDIX H – ANCILLARY STAFF--applicable to positions and individuals not covered by the Michigan Teacher Tenure Act (Previous Articles from the 2011-2013 Contract)

done only with the consent of the teacher. Each observation shall be for a minimum of thirty (30) consecutive minutes.

D. The appropriate administrator shall provide the probationary teacher with an Individualized Development Plan at the beginning of the second school year. First year probationary teachers may also be provided an IDP. The Plan shall be based upon the Evaluation Process and Framework for Professional Practice and shall be developed in consultation with the teacher.

ARTICLE 14: Vacancies, Transfers and Promotions

When considering individuals for placement, the following factors will be considered: certification, highly qualified status, seniority, Title One comparability and other potential factors (e.g. – the transfer would block a laid off member from returning due to the certification/qualification/grade level of the position changes). The transfer request form must be submitted by June 1, or within five days that an unstaffed position becomes available. Copies of the transfer form will be filed with the individual's current principal, the principal of the building where the transfer is requested, the Association President and the Assistant Superintendent for Human Resources.

ARTICLE 15: Seniority

- D. Should substantial and unforeseen changes in student population or other conditions make a general reduction in the number of teachers employed by the Board necessary, the Board will consult with the Association prior to making any reductions.
- E. Layoffs will be governed by seniority, certification and “highly qualified” status.
1. “Certification” shall be as defined in Article 11.
 2. “Highly Qualified” shall be as defined in Article 11.
- F. In order to promote an orderly reduction in personnel when the educational program and curriculum are curtailed, the following procedure will be used:
1. Probationary teachers will be laid off first provided there is a more senior teacher who is certified and qualified to perform the services of the probationary teacher.
 2. In the event it is necessary to lay off senior teachers, layoff will be on the basis of seniority, certification and “highly qualified” status. The Association recognizes that upon certain occasions it will be necessary, to assure proper staffing throughout the school system, for the Board to retain a certified teacher out of line of seniority. It is expressly understood that the Association shall have a right to review the layoff list prior to the notification of the teachers to be laid off. In the event of a dispute concerning the layoff list, the Association shall have the right to file a written grievance thereon within three (3) working days after reviewing the layoff list.

 4. No new teachers shall be employed by the Board while there are teachers of the District who are on the recall list unless there are no laid off teachers who are certified and highly qualified to fill the remaining positions.
 5. Written notice of layoff to the affected unit members and the Association President will be at least forty-five (45) calendar days prior to the effective date of layoff.
- G. Senior teachers shall be recalled to employment in inverse order of layoff for vacant positions, as determined by the programs to be offered by the Board, provided they are certified and highly qualified. Prior to the recall of members on layoff status, the District will consider transfer requests of individuals as stipulated Article 15. A. 5.
- H. The Notice of Recall shall be by certified, return receipt mail. A teacher shall indicate acceptance of recall by certified mail to the Superintendent within fifteen (15) days from the postmarked date of the Notice of Recall. Failure to do so shall forfeit the right of the teacher to remain on the recall list.
- J. It shall be the responsibility of each teacher to notify the Board of any change of address and any change of status (e.g. certification and qualifications) as it relates to being considered for recall.

APPENDIX H – ANCILLARY STAFF--applicable to positions and individuals not covered by the Michigan Teacher Tenure Act (Previous Articles from the 2011-2013 Contract)

- J. *The teacher shall lose his right to recall if he refuses employment to an equivalent position unless at the time of recall he is already under contract to another public school in the State of Michigan. If he is under contract, he shall have a right to return to the next available position for which he is certified and highly qualified upon the expiration of the contract not to exceed one (1) school year. Should there be no available position at the end of one (1) school year, the teacher shall retain the right to recall.*

**LETTER OF AGREEMENT ON CLASSROOM SAFETY ISSUES
INVOLVING SPECIAL NEEDS STUDENTS**

The IEP also will determine if an aide placement is necessary.
