ARTICLE I – RECOGNITION

Section 1

The Board hereby recognizes the Association of Okemos Administrators (AOA) as exclusive bargaining representative pursuant to Act 370 of Public Acts of 1965 as amended for all elementary principals, middle school principals, senior high school principal, all assistant principals, the director of community education, the director of special education, and the athletic director. Excluded from recognition specifically are the superintendent, deputy superintendent, assistant superintendent, and all other school personnel.

The Board or Representative of the Board will not approve or agree to any request from individual members of AOA for deviation from this agreement, unless the Association and representative of the Board enter into a mutually developed written agreement.

Section 2

The term "Administrator" when used herein, shall refer to all members of the bargaining unit represented by the Association. If the Board of Education shall create a new administrative position, the Association shall have the right to meet and confer with the Board regarding the inclusion of the position within the bargaining unit. If the parties so agree, the position will be added by written agreement. If the parties do not agree, the dispute may be settled in accordance with the law.

ARTICLE II - PURPOSE

The general purpose of this agreement is to promote orderly and harmonious relations between the Board and Administrators and to document the benefits available to Administrators in the Okemos Public Schools.

Both parties recognize that the basic purpose of the Okemos Public Schools is for the education of its youth and that all employees are obligated to help provide the best educational system possible. The Board and AOA cooperatively encourage friendly relations between the respective representatives at all levels, among all employees and all citizens.

ARTICLE III - RIGHTS OF THE BOARD

Section 1

The Board has responsibility and authority for the direction and management, on behalf of the public and the State of Michigan, of all the operations and activities of the school district in accordance with the Constitution, statutes, Administrative Rules, Attorney General opinions and court decisions of the State of Michigan and the United States.

Section 2

The provisions of the Agreement shall be and hereby are in conformity with the above laws, rules and interpretations.

Section 3

By its own decision, the Board agrees to the terms of this contract, but in entering into this contract the Board does not and cannot divest itself of its policy making power to make the final decision in any situation which falls beyond the terms of this Agreement.

Section 4

In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Board, the adoption of policies, rules, regulations and practices and furtherance therewith shall be limited only by the specific and express terms of agreement.

Section 5

An emergency manager appointed by law may reject, modify or terminate this agreement as provided by law.

ARTICLE IV - ASSOCIATION RIGHTS

Section 1

Duly authorized representatives of the Association shall be permitted to transact official Association business on school property provided that such business does not interfere with the instructional program of the school nor the duties of the Administrators.

Section 2

It is understood that the Association shall have rights to financial information of the district pursuant to the Public Employment Relations Act and/or the Freedom of Information Act.

ARTICLE V - ADMINISTRATOR'S RIGHTS

Section 1

Each Administrator shall have the right to review the contents of his/her personnel file. The Administrator shall have the right to choose an individual to accompany him/her for such review. No more than one (1) official file shall be kept on each Administrator, and the contents herein shall remain in the building housing the Superintendent.

No materials concerning a complaint about an Administrator may be placed in the personnel file by anyone other than the Superintendent without first notifying the Administrator of his/her opportunity to file a response thereto and when filed not later than ten (10) working days after notification, the

response shall become part of the file. In the event that a proper request for a copy of information contained in the file is made by a person not employed by the Okemos Public School system, the Administrator shall be notified before copies are released.

Section 2

Administrators shall be entitled to Association representation upon request at all interviews or conferences when disciplinary action concerning that Administrator will be discussed or where discipline will be imposed.

Section 3

Building principals shall supervise the operation and management of school buildings and property as the Board shall determine. Administrators shall be assigned Administrative responsibilities and coordinate instructional leadership under the supervision of the Superintendent and Deputy Superintendent for the planning, management, operation and evaluation of the educational program and services provided in their building. Further, the Administrator shall submit recommendations to the Superintendent or designee for the appointment, assignment, promotion, or dismissal of personnel assigned to the Administrator's supervision. As a part of appointment or assignment of staff to a building, the building Administrator shall have the opportunity to interview the staff to be assigned to their building prior to the assignment except where the assignment is mandated by other contractual relationships.

Section 4

It is recognized that the administration of the school district must be a unified endeavor directed towards the efficient operation of the delivery of education to the youth of the community. As such, the mutual support of the administration and the Board are pledged in order to carry out the policies of the District.

ARTICLE VI - HOURS AND DAYS OF WORK

Section 1

It is recognized that Administrators have the same professional hours as other Okemos professional personnel. By professional hours, we mean that Administrators must be on the job whenever it is necessary for them to fulfill their role as the leader/supervisor of the educational program and activities within their building. The goal of professional hours is to make sure the quality educational supervision takes place. This can be done only if there is the dedication of the professional Administrator. It is expected of professional Administrators that they will be in their buildings during heavy and crucial school related activity hours, including before and after school and evening hours, it being understood that principal representation at evening meetings and/or functions is mandatory. Since the crucial and heavy activity hours vary according to building and level, Administrators will work with the Superintendent in identifying those hours. Also, with the permission of the Superintendent, the principal may appoint an assistant or designee to cover some of the crucial and heavy activity hours. The use of a designee or assistant will be on file in the Superintendent's office in case of emergencies.

Section 2

The Superintendent or his/her designee will establish the schedule of days worked with each Administrator according to the days worked category negotiated by the Association and found in the salary schedule. Unpaid days of absence will not be accumulated from year to year. Any deviation from the established schedule will require prior written approval of the Superintendent or designee.

Section 3

Due to the complex nature of the administrative position, certain situations may arise during the work year that require an Administrator to work one or more days in addition to the regular contract to aid the District and/or to fulfill the role of the job. Advance approval from the superintendent is required and if approved, a compensatory day will be granted for each additional day worked. On the other hand, it may be necessary to extend the number of days, at the beginning or ending, of the contract year. Advance approval from the Superintendent is required and, if approved, the daily rate for the individual will be paid for each additional day worked.

ARTICLE VII - VACANCY

Section 1

Vacant bargaining unit positions shall be posted within the school district for a period of no less than ten calendar days.

Section 2

The posting shall contain the responsibilities and duties of the vacant position and set forth required qualifications.

Section 3

All internal candidates who apply for a vacant position shall be interviewed.

Section 4

The Board shall be free to interview and accept applications from non-bargaining unit members for vacant bargaining unit positions.

Section 5

The Superintendent shall be free to recommend and the Board of Education shall be free to employ any applicant for administrative vacancies which they shall, in their sole discretion, determine to be in the best interest of the school district. Should the Superintendent decide to offer an administrative position above Step One of the salary schedule, every effort will be made to contact AOA leadership to discuss and review rationale.

Section 6

When school is not in session and Administrators are not required to report, the posting of vacancies will be accomplished by mailing a copy of the posting of each Administrator who has left a written request along with his address with the Superintendent of Schools for this purpose. It is understood that the vacant position shall not be permanently filled until after ten calendar days from the date of mailing the notice.

ARTICLE VIII - ASSIGNMENTS AND TRANSFERS

The Superintendent shall be responsible for the effective utilization of all Administrators with the educational needs of the school district given major priority. In fulfilling this requirement, the Superintendent, upon consultation with the affected Administrator and the President of the Association or his/her designee, shall recommend to the Board such assignments and transfers as deemed necessary and in the best interest of the Okemos Public Schools.

Any Administrator who is reassigned shall receive the salary and employment benefits for the new position provided in this Agreement.

ARTICLE IX - EVALUATION

Section 1

The administrative evaluation process provides an opportunity for continuing dialogue concerning Administrator progress. The process may include the establishment of future objectives. If there is a change in the process, the Superintendent will meet with the Administrators.

Section 2

Each Administrator shall be evaluated in writing once each year by the immediate supervisor. A copy of the final evaluation signed by the Administrator and immediate supervisor shall be filed in the Administrators' personnel file.

Section 3

Each Administrator shall be given the opportunity to discuss the job performance objectively and constructively with the supervisor. A written response may be attached to the signed evaluation report by the Administrator.

The Supervisor shall give written acknowledgment of receipt of a response and if he/she chooses to respond to the Administrators' response in writing, a copy shall be given to the Administrator at the time of filing a copy in the personnel file.

ARTICLE X - COMPLAINTS

Section 1

It is understood that during the course of employment as an Administrator, inevitable decisions will be made that may adversely affect certain individuals, thereby causing that person to seek redress elsewhere. It is also recognized that complaints concerning problems or indeed solutions to problems can best be handled first by the affected parties, unless very unusual circumstances dictate other procedures. Accordingly, in most cases, a complaint about a Principal or his/her administration of the building, program or personnel under his/her jurisdiction, will be referred to the Principal for disposition initially. If the Superintendent or Deputy Superintendent receive complaints on appeal from the building level, the Superintendent or Deputy Superintendent, upon determining the validity of the complaint, will inform the Principal involved of any recommended disposition of the complaint. The Principal shall have an opportunity to provide background information prior to any action on the complaint which changes the Administrator's initial decision.

Section 2

Likewise, it is acknowledged by the Association and its members that the proper channels of communication to the Board of Education will be observed so that the flow of information and resolution of problems can best serve the needs of the District. It is understood that administrative problems are best handled by the administration in accordance with Board policy. Resolution of the day-to-day decisions in running the district must first be resolved at the administrative level. Guidance from the Board on administrative decisions is sought through the Superintendent's office and not directly.

ARTICLE XI - GRIEVANCE PROCEDURE

Section 1

- A. A "grievance" is an alleged violation of the express terms of this agreement by an Administrator.
- B. The term "day" as used herein shall mean Monday through Friday except when a holiday shall fall on one of those days.
- C. When submitting a written grievance the grievant will provide the following information on the grievance:
 - 1. It shall be signed by the grievant.
 - 2. It shall contain the date of the alleged violation.
 - 3. It shall be specific.
 - 4. It shall contain a summary of the facts giving rise to the alleged violation.
 - 5. It shall cite section(s) or subsection(s) of this agreement which are alleged to have been

violated.

6. It shall specify the relief requested.

Any grievance not in accordance with the above shall be rejected as improper and shall not extend the time limits contained herein.

- D. Any matter involving the content of evaluations shall not be grievable nor shall non-renewal or non-extension of an Administrator's contract.
- E. Any grievance considered under this procedure must be initiated within ten (10) days of its alleged occurrence.

Section 2 - Step 1

An Administrator may initiate a grievance by first discussing the matter with the Superintendent or designee. The grievance must be initiated within ten (10) days of the date of the occurrence of the facts upon which the grievance is based.

If the matter cannot be resolved orally, it shall be reduced to writing and submitted to the Superintendent within five (5) days of the oral discussion. The Superintendent shall respond in writing within five (5) days of receipt of the written grievance.

Section 2 - Step 2

If the response of the Superintendent is not satisfactory, the Administrator may appeal to the Board of Education within five (5) days of the date of the Superintendent's response. The appeal shall be to the Secretary of the Board of Education who shall transmit the appeal to the Board of Education at its next regularly scheduled meeting. At that meeting, the Board shall appoint a committee of the Board to hear the grievance within twenty (20) days and report its recommendations back to the Board at its next regularly scheduled meeting for final disposition by the Board of Education. The Board shall render its final decision no later than twenty (20) days from the date of the hearing before the committee. The Board's decision shall be final and binding on all parties.

Section 3

The time limits stated herein shall not be extended except by written agreement.

ARTICLE XII - INDIVIDUAL CONTRACTS/LENGTH/EXTENSION/NON-RENEWAL

Section 1

All Administrators shall be employed under annual written contracts, the terms of which shall be subject to and consistent with the terms of this Agreement. Said contracts shall be effective on July 1st and shall terminate on June 30th. Neither individual contracts nor this collective bargaining agreement shall confer tenure to any Administrator in any administrative position.

Section 2

All newly hired Administrators that are hired after the school year has begun, shall be initially employed for the remainder of that school year and the next school year.

Section 3

Prior to March 31 of each year, the Board shall consider the extension or non-renewal of each Administrator's contract. Failure of the Board of Education to take affirmative action will result in a one-year extension of each Administrator's contract. If the Board denies the extension of any Administrator's contract, it shall adopt a resolution informing the Administrator of its decision not to extend the termination date of the contract.

Also prior to March 31 of each year, the Board of Education shall consider non-renewal of an Administrator's contract. Non-renewal is distinguished from non-extension in that non-renewal is in essence a termination notice to be effective as of the termination date of the individual contract in that school year. Non-extension is action or in-action of the Board ninety days in advance of the termination date.

Notification of non-renewal of a contract will be given in writing at least sixty days before contract termination. This notice shall include a written statement of reasons for such action. These reasons shall not be arbitrary or capricious.

The Board shall not issue a notice of non-renewal unless this affected person has been provided with not less than thirty days advance notice that the Board is considering non-renewal of the contract. This notice shall include a written statement of the reasons for such action. After the issuance of the written statement and before the non-renewal statement is issued, the affected person shall be given the opportunity to meet with not less than a majority of the Board to discuss the reasons stated in the written statement.

ARTICLE XIII - REDUCTION IN FORCE

Section 1

When the Board identifies a need to eliminate a position, it will provide the Association an opportunity to discuss the reduction with the Superintendent. The Administrator employed in the eliminated position shall be placed on lay-off status. Administrators in other positions are not subject to "bumping" procedures.

Section 2

In the event of any reduction of administrative personnel, the Administrator shall be given written notice at least 90 days prior to the termination date of the Administrators' individual contract. The opportunity for re-assignment shall exist providing a vacancy exists and it does not violate state law, district policies, existing contracts or collective bargaining agreements.

Section 3

The following factors shall be considered by the Superintendent in selecting the individuals to be retained: It is understood that the factors may not be weighted equally.

- A. Needs of the School District
- B. Certification requirements for the position
- C. Employee's skills and knowledge specifically related to the level and responsibilities of the position. (Example: elementary versus high school; instructional leadership; athletic director versus principal.)
- D. Employee's professional experience which includes teaching, administrative and leadership experiences inside and outside the district
- E. Applicable education and training for the job
- F. Number of years of administrative experience within the district.

The Board pledges its support of its Administrators in the lawful performance of their duties. In

accordance with this concept, the Board will continue to provide coverage for each Administrator under a \$3,000,000 comprehensive liability insurance policy. In the event the insurance company shall not provide legal counsel, if the Administrator is sued, the Board shall provide its legal counsel on behalf of the Administrator, if the Board shall determine the Administrator has acted within the scope of the Administrator's job responsibilities and authority, and in accordance with Board Policy.

ARTICLE XVII - LEAVES

The mentor shall receive a \$500 stipend for mentoring an experienced principal and shall receive \$1,000 for mentoring a first year new principal.

The purpose of a mentorship is to help administrative colleagues who are new to the position to be successful in their work. Among the mentor's goals would be to orient the "mentee" to the district, to act as a support person for the "mentee", to answer questions, and to give suggestions as needed.

Upon agreement of the parties the responsibilities of the mentor may include:

1. Making regular contacts with the "mentee".
2. Attending staff meetings at the "mentee's school".
3. Attending parent meetings at the "mentee's school".
4. Visiting the "mentee's" school while in operation.

It is understood that the mentor would not be part of any evaluation done by the "mentee's" supervisor.

ARTICLE XXVI – RESPONSIBILITY STIPEND

In recognition of the extra responsibilities required of each administrator throughout the school year, the Board of Education and AOA agree that the following responsibility stipends will be paid:

Administrator	2011-12
Assistant Principals	
Principals	\$2,568
Director of Community Education	\$3,218
High School Athletic Director	
Director of Special Education	\$4,453

It is further understood that these positions will no longer receive a cell phone stipend or mileage stipend effective with the 2004-05 school year.

For Administrators whose responsibilities involve meetings outside of the county, upon presentation of vouchers, mileage will be reimbursed at the current IRS rate. It is the responsibility of each Administrator to maintain personal expense ledgers for IRS proof that expenditures exceed allowances.

The district will pay for the replacement of the administrator's cell phone if it becomes outdated or is no longer functioning under normal use. The phone will be replaced no more than once every two years. The cost of the phone must be pre-approved by the Deputy Superintendent.

Retirement Benefits: Unused Sick Days

It is agreed that with the implementation of the 1998-2001 agreement, the amount of administrative service to the district required to receive pay for unused sick days upon retirement will change from "0-10 years" to "at least ten (10) years" of administrative service (Article XX, Section 2). However, should an individual currently serving as an Administrator decide to retire* from Okemos Public Schools within the term of this agreement with 1-9 years of administrative service to the district, he/she will be eligible for \$75 per unused sick leave day. The aforementioned administrators would include: Barbara Hoevel, Marge Clay, Ross Vandercook, Kathy Branch, Russ Verrell, Bob Greenhoe, Bob Bullock and Keith Froelich. All other administrators, including those hired after March 3, 1998, will be bound by the retirement language set forth in the 1998-2001 agreement.

This letter of agreement will expire with the master agreement.

* Retirement shall be interpreted to mean leaving the service of the Okemos School District and becoming an annuitant of either the Michigan Public School Employee Retirement Fund, Social Security, or both.
