If there are no qualified bargaining unit members or no applicants from within the bargaining unit and a delay is expected in filling the position, the district shall notify the Association President as to the reasons for the delay and the projected date for filling the position. Each applicant shall be so notified in writing with a copy provided to the Union.

Positions will be bid based upon seniority.

3. Except as provided in section 4 below, after the meeting, any change in hours (increase or decrease) will be made in each affected building on a seniority basis. No interbuilding realignment of paraeducators is required or permitted.

A reduction in hours under this paragraph will not require the implementation of the reassignment provisions of Article 13-C (Layoff) unless the reduction is at least one (1) hour per day.

4. After school begins, any paraeducator's position that is scheduled to be increased by one (1) or more hours per day will be posted in accordance with the procedures of Article 14.

There will be no testing of candidates from within the bargaining unit when vacancies are posted. When a vacancy is posted and a bargaining unit member applies and has not passed the required test during the established testing schedule above by the final date for internal applicants to apply, the bargaining unit member will not be considered for that position.

In the event of a layoff in a secretarial position as defined in Article 13(A), all current secretaries are considered qualified for purposes of the procedures in Article 13.

1. Within the last thirty (30) calendar days of the last student day of the year, there will be a bid meeting covering summer paraeducator positions.

Attendance at the meeting is voluntary and as such, no payment of wages will be made. Paraeducators from any seniority group (see Article 12-A) may attend.

When paraeducators are needed, the hours will be offered to the most senior employee within the building.

If making direct payment, the Employee shall present payment directly on the 1st of each month prior to the date at which the payment becomes due. Failure of an Employee to pay their portion of the costs shall alleviate the Board of any duty to pay insurance contributions.
- E. Employees who have access to another Employee's Board funded insurance shall choose between insurance plans (if more than one option is available). One Employee will take Board funded insurance which covers both Employees (and their dependents if applicable), while the other Employee shall not be eligible for separate Board provided health insurance, but must take Cash-in-Lieu benefits (less applicable taxes) and PAK B insurance benefits. Exceptions shall be made for employees who are less than 26 years of age and who are covered by a parent's PPACA compliant insurance, but have dependents of their own. All employees as a condition to receiving cash-in-lieu must first provide documentation that they otherwise receive health insurance that meets the value and coverage requirements of the Affordable Care Act.

Employees may continue the coverage at their own expense to the extent permitted by law or regulation.

- M. Unless otherwise delineated by law or regulation or the terms of the policy then in effect, eligible Employees shall receive insurance as of the 1st work day following their employment. Those employees opting to take cash-in-lieu shall not be eligible for Board paid health insurance contributions, but must participate in all other insurance products if full unit participation is required by the insurance carrier. An employee shall be eligible for Board paid insurance contributions or cash-in-lieu up to the maximum amounts allowed in this Article if the Employee is employed on a full-time basis (8 hours per day, 52 weeks per year) (or school-year basis for Classification III Secretaries (Appendix A) and if coverage is required by the PPACA (beginning upon implementation of the employer mandate). - C. The Board shall post the complete master agreement on the district's transparency reporting website. The Board shall print fifteen(15) copies of this Agreement for the Union.
- D. The Board and the Union recognize that the Master Agreement supersedes Board policy, past practice and previous understandings and agreements.

They further agree that differences shall be resolved by peaceful and appropriate collective bargaining processes without interruption of the school program. Therefore, the Union agrees that no employee shall strike as defined by Act 379 of the Michigan Public Acts of 1965, as amended. Any employee who is claimed by the Board to have violated this provision shall be accorded all of the procedural rights under Section 6 of said Act in connection with any discipline or discharge which the Board may desire to impose. The Union will use the means at its disposal to assist in terminating actions in violations of this section.
- F. An employee who has been employed for at least two (2) years may request up to ten (10) work days off per year on an unpaid basis. Such days off will not be granted in less than three (3) work day blocks of time. Full retirement is defined as eligible and application in process for Michigan School Employee's Retirement Fund.

Employees retiring under the above described conditions who have at least one hundred-fifty (150) [120 in the instance of school year employees] of accumulated sick leave days at the time of severance shall receive an additional \$15 per year of service.

In the event of death, payment will be made to the employee's designated beneficiary.

This provision is intended to satisfy this requirement.

Any action taken by the association challenging the action of an emergency manager shall not be subject to the grievance procedure but may be pursued in a court of competent jurisdiction.
