WITNESSETH

Whereas, the Employer has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Union as the representative of its bus drivers with respect to hours, wages, terms and conditions of employment, the parties have reached agreement on all such matters and desire to execute this contract covering such agreement.

ARTICLE 1 RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the terms of this Agreement of all employees of the Employer included in the bargaining unit described below; excluding substitutes, supervisors; and all other employees of the district.

All regularly scheduled and certified school bus drivers employed by Portland Public Schools, excluding supervisory employees.

A substitute shall be defined as one who works in the place of a regular employee on a temporary basis.

Employees may hold more than one position with the employer provided 1) it does not create an overtime situation; 2) the schedules do not conflict and 3) except for employees in the bargaining unit prior to September 2, 2008, that hours cannot be combined for the purposes of insurance benefits.

ARTICLE 2 EMPLOYER RIGHTS

- A. It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Employer, except those which are clearly and expressly relinquished herein by the Employer, shall continue to vest exclusively in and be exercised exclusively by the Employer without prior negotiations with the Union either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement. Such rights shall include by way of illustration and not by way of limitation, the right to:

1. Manage and control the school's business, the equipment, the operations and to direct the working forces and affairs of the Employer.
 2. Continue its rights of assignment and direction of work of all its personnel; determine the hours of work and starting times and scheduling of all the foregoing; the right to establish, modify or change any work or business hours or days.
 3. The right to direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, assign work or extra duties to employees within their respective classifications, determine the size of the work force and to lay off employees.
 4. Determine the type of services, supplies and equipment necessary to continue its operations and to determine the methods, schedules, and standards of operation; the means, methods and processes of carrying on the work including automation thereof or changes therein, the institution of new and/or improved methods or changes therein.
 5. Determine the qualifications of employees, including physical conditions.
 6. Determine the number and location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or location or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
 7. Determine the placement of operations, production, service, maintenance, or distribution of work, and the source of materials and supplies.
 8. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
 9. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization.
- B. The exercise of the foregoing powers, rights, duties and responsibilities by the Employer and the adoption of policies, rules, regulations and practices in the furtherance thereof, shall be the exclusive prerogative of the Employer except as otherwise abridged by the express provisions of this Agreement.

ARTICLE 3 UNION SECURITY

- A. Non-probationary employees covered by this Agreement shall be required to pay union dues or service fees. The collection of dues and service fees through payroll deduction using public school resources is prohibited.

- B. The non-member representation fee shall be determined by the Union and shall represent a proportionate share of the cost of negotiating and administering this Contract. The Union shall warrant to the Board of Education, upon their request, the amount of the monthly non-members representation fee.
- C. The Union shall save the Board harmless from any and all costs, including witness and attorney fees, claims, demands, suits and other forms of liability resulting from action taken by the Union in enforcing the provisions of this Article.

ARTICLE 4 SPECIAL CONFERENCES

By mutual agreement, special conferences may be held during the life of this Agreement between the Union and the Employer, or their designated representative(s). Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Conferences shall be held at a mutually-agreed time and date.

Designated representatives for the purpose of this Article shall be construed to mean employee or non-employee representatives.

The Union representatives may meet at a place designated by the Employer on the Employer's property for one-half (1/2) hour immediately preceding the conference with the representatives of the Employer for which written request has been made.

ARTICLE 5 UNION REPRESENTATION

A. Stewards, Alternate Stewards and Union Chairpersons.

The employees covered by this Agreement will be represented by one (1) Steward and one (1) Chapter Chairperson and one (1) Alternate for either office. The Union shall have the exclusive right to appoint such Steward.

1. The Employer will be notified of the names of the Steward, Chapter Chairperson and Alternate who will serve only in the absence of the regular Steward or Chapter Chairperson.
2. As a general rule, the Chapter Chairperson or Steward will investigate and present grievances on his/her own time. However, whenever the Employer requests the presence of the Chapter Chairperson and/or the Steward, or schedules a conference during working hours, the Chapter Chairperson and/or the Steward will be allowed time off without loss of time or pay.

B. Union Bargaining Committee.

1. Employees covered by this Agreement will be represented in negotiations by five (5) negotiating committee members.

2. If bargaining by the parties conflicts with regular work hours, members of the bargaining committee shall suffer no loss of time or pay.

ARTICLE 6 GRIEVANCE PROCEDURE

A grievance shall be an alleged violation of the express terms of this contract or a dispute over its application. The Chapter Chair and/or Chief Steward may file a grievance on behalf of the Union if the alleged violation affects bargaining unit integrity or the entire bargaining unit.

An alleged violation of any written policy or written rule or condition of employment will be the subject of a Special Conference as described in Article 5.

STEP ONE. If an employee feels he/she has a grievance, he/she shall discuss the grievance with the steward. The steward will discuss the grievance with the immediate supervisor. If the matter is not thereby disposed of, it will be submitted in written form by the steward to the immediate supervisor within fifteen (15) working days from the date the grievance occurred.

Written grievances shall be submitted on the standard Michigan Council #25 Grievance Report Form and shall be as complete as possible. The written grievance shall be signed by the grievant or grievants. The immediate supervisor shall answer the grievance in writing within fifteen (15) working days.

STEP TWO. If the grievance has not been settled, it shall be presented in writing and signed by the grievant to the Superintendent within fifteen (15) working days after the supervisor's response is received. A grievance conference shall be held within five (5) working days if requested by the Union or the Employer. The Superintendent shall respond to the grievance in writing within fifteen (15) working days from the date received or fifteen (15) working days from the conference, if held.

STEP THREE. If the answer in step two is not satisfactory to the Union, they will within fifteen (15) working days of the Superintendent's answer, serve written notice of appeal to the Superintendent or their designee. The Superintendent, upon receipt of the union's notice of appeal, shall within fifteen (15) work days, arrange a meeting of the parties involved for the purpose of dispute resolution. This meeting shall include at least two representatives of the Board of Education and at least two members of the Union including a representative of Michigan Council 25. Additionally, upon mutual agreement, an impartial third party may be requested to attend.

STEP FOUR - ARBITRATION

If, at the conclusion of the above meeting, the dispute remains, the Union shall, within thirty (30) calendar days serve written notice to the Employer of its intent to arbitrate the dispute.

In the event the Employer and the Union are unable, within ten (10) working days, to agree on an ad hoc arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with their rules and procedures.

The fees and approved expenses of the arbitrator will be paid equally by the parties, except that each party shall assume its own costs for representation including any expense of witnesses.

Witnesses, under this Employer, requested by the Union, shall be released from work for the arbitration.

POWER OF THE ARBITRATOR

- A. The arbitrator shall be empowered to decide disputes about the interpretation or application of the clauses of this Agreement, and about alleged violations of the Agreement. The arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this Agreement, nor shall he/she substitute their discretion for that of the Board of Education or the Union where such discretion has been retained by the Board or the Union, nor shall he/she exercise any responsibility or function of the Board of Education or the Union, nor shall he/she have the power to establish or change any salary schedules, nor shall he/she have the power to interpret any state or federal laws. However, he/she shall be empowered to reverse or sustain an unjust disciplinary action.

If either party disputes that the matter is not subject to arbitration under the terms of this Agreement, that dispute shall be submitted to an arbitrator as a separate issue. The arbitrator who rules on the arbitrability of the matter shall be banned from ruling on the merits of the grievance, unless there is mutual agreement of the parties involved.

He/she shall have no authority to award a monetary judgment retroactively to a date earlier than the alleged violation or where there has been no monetary loss.

Any grievances which are similar in nature, may be heard simultaneously by the arbitrator, upon written consent of the Board of Education and the Union.

The decision of the arbitrator shall be final and binding on the employees, the Union and the Board of Education; any decision of the arbitrator shall be implemented forthwith, however the parties retain the right to appeal to a court of competent jurisdiction.

- B. The failure of the Union to appeal, at any step of the grievance procedure, within the specified time limits, shall be deemed to be settled on the terms of the Employer's last answer. If the Employer does not respond in a timely manner, the Union may appeal to the next level within the appropriate number of days from the date the answer was due. Any grievance may be withdrawn, without prejudice, at any stage of the grievance procedure upon mutual consent of the

Union and the Board. The financial liability of either party shall be limited to those specified in this Article.

- C. The time limits specified herein for movement of grievances through the process shall be strictly adhered to; however, they may be relaxed or extended by mutual written consent of the parties.
- D. For purposes of this Article “calendar days” shall be construed to mean weekdays, excluding Saturday, Sunday and holidays.

ARTICLE 7 DISCHARGE AND SUSPENSION

- A. Discipline shall include oral and written reprimands, suspensions, with or without pay, and discharge. The discipline of non-probationary employees shall be applied in a progressive manner, as applicable. Employees shall not be disciplined in front of other employees, students, or the public.
- B. The discharged or suspended employee will be allowed to discuss his/her discharge or suspension with his/her steward and the Employer will make available a meeting room where they may do so. Upon request, the Employer or his designated representative may discuss the discharge or suspension with the employee and the Steward.

The Employer agrees promptly upon the discharge or suspension of an employee to notify in writing the Chief Steward.

The parties agree that grievances involving discharge shall proceed directly to Step 2 of the Grievance Procedure.

- C. In imposing any discipline or discharge on a current charge, the Employer may take into consideration any prior infractions or disciplinary actions in determining whether to take action or what the level of penalty will be. It is recognized that if a grievance is filed and arbitrated, that the arbitrator may review the propriety of considering the prior action.

ARTICLE 8 SENIORITY

- A. All employees shall be on probation for the first sixty (60) active work days of their employment. Time missed will serve to extend the probationary period. Probationary employees are considered employed “at will” and are subject to discipline and dismissal at the discretion of the district and shall have no recourse to the grievance procedure.

There shall be no seniority among probationary employees. When employees complete the probationary period, they shall be entered on the seniority list of the

unit; and rank for seniority from their last date of hire. Should two or more employees have the same seniority date, their ranking shall be determined by the greatest sum of the last four (4) digits of their social security number.

The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in Article 1 of this Agreement, except discharged, disciplined or laid-off employees for Union activity.

- B. For the purposes of this Agreement, seniority shall accrue and be applied on a classification wide basis.
- C. Seniority will continue to accumulate while on paid leaves, unpaid leaves (including worker's compensation) and while on layoff.
- D. An employee shall lose all accrued seniority and further employment rights for the following reason:
 - 1. The employee quits, retires or is discharged and the discharge is not reversed through the grievance procedure.
 - 2. The employee obtains a paid or unpaid leave of absence under false pretenses.
 - 3. The employee is laid off for a period of two (2) years from the effective date of layoff.
 - 4. If the employee refuses to submit to testing or tests positive under the Omnibus Transportation Employee Testing Act.
 - 5. If the employee loses their CDL license or the district's insurer indicates the driver will not be insured.

ARTICLE 9 SENIORITY LISTS

The seniority list on the date of this Agreement will show the date of hire, names and job titles of seniority employees of the unit.

~~The Employer will provide the Chapter Chairperson with an up-to-date seniority list at the beginning of each school year or within thirty (30) days thereafter upon written request of the Chapter Chairperson. If there are no errors identified on the list within thirty (30) calendar days of the date of distribution, the list will be deemed correct until the next posting.~~

**ARTICLE 10
LAYOFF AND RECALL**

- A. It is hereby specifically recognized and agreed that it is within the sole discretion of the Employer to reduce the work force.
- B. LAYOFF PROCEDURE. In order to promote an orderly reduction in personnel, the following procedure will be used:
1. A bid meeting will be held and drivers will bid on routes. At least seven (7) calendar days' notice of the meeting will be provided.
 2. Drivers may attend or bid by written proxy through the steward with a copy being provided to the supervisor.
 3. All drivers who are laid off will be notified of the meeting.
 4. Routes will be bid based upon seniority and qualifications. Probationary drivers will be the last to bid if there are remaining routes. If there is more than one probationary driver, the first driver hired will bid first.

When the Employer elects to reduce the work force, employees may request, in writing, preferential layoff out of line of seniority. If granted, the Employer shall not contest the employee's initial eligibility for unemployment compensation. Nothing in this section shall be construed to constitute a waiver of such employees recall rights to vacancies.

- C. RECALL PROCEDURE. When there is a need to recall a driver, there will be a bid meeting. Notice of recall shall be sent to the employee at his last official address (as reflected in the Employer's records) by certified mail. The letter will indicate the date of a bid meeting. The recall list shall be maintained by the Employer for a period not to exceed two (2) years. Thereafter, an employee shall lose his/her right to recall. A laid off driver who does not attend the bid meeting, does not bid by written proxy or does not return to work the first scheduled day after the bid meeting, will be considered a voluntary quit.

**ARTICLE 11
VACANCIES, PROMOTIONS, JOB POSTINGS & BIDDING PROCEDURES**

- A. 1. ~~When a vacancy occurs all routes will be available for bidding on a seniority basis, provided the driver meets the qualifications necessary. Drivers who are on a paid leave of absence, unpaid leave of absence, lay-off or on workers compensation shall be allowed to participate in this bidding. Drivers who cannot attend may bid by written proxy through the steward with a copy to the supervisor.~~
2. In the event a route is permanently altered by fifteen (15) minutes per run or more, a new time will be established. The Employer agrees to notify

the affected driver of any need to alter the established time. It is agreed that, when establishing the route every effort will be made to duplicate the normal route and loading.

3. Drivers will be paid on the basis of the route time listed on the route posting.

If after the last posting/bidding, a route becomes permanently changed by more than one (1) hour; the procedure below will apply.

ROUTE IS INCREASED: Route will be reposted and rebid.

ROUTE IS DECREASED: Driver may bump a less senior driver.

4. The Transportation Director shall have the ability to change route classifications on a temporary basis due to road conditions and/or ridership changes

5. All special education runs shall be bid separately and based on seniority. Individuals bidding on such runs shall have successfully completed a six hour training program prescribed by the Director of Special Education prior to such bidding. Training shall be available at least once each year at no cost to the employee. The employee will not be compensated for time in training.

Special education drivers may be required to attend up to three hours of annual training to continue bidding on special education runs. There shall be no cost to the employee and he/she shall be compensated at the special trip rate for actual time spent.

6. Summer runs shall be posted as soon as possible and no later than seven (7) working days prior the run and shall be awarded according to seniority unless exceptional circumstances are involved.
7. All kindergarten runs shall be posted as separate jobs. They shall be bid on separately and may be dropped separately.
8. Drivers shall be compensated for any time in excess of thirty (30) minutes when a regular run is delayed for reasons over which the driver has no control. Such compensation shall be at the special trip rate and further, if a driver is unable to take the second half of a back-to-back run they shall be compensated at least the amount of the second run.

- B. Except as described in Section F of this article, a substitute from outside of the Transportation Unit will be utilized when a unit driver is absent.
- C. There will be a job description of each bus route available to the bus drivers in the transportation office.
- D. The definition of "Route" shall be a position posted by the Employer. A route may consist of two (2) or more runs. The composition of a route is determined by the Employer at the time of posting. Employees may bid on a combination of routes provided the times do not conflict. A "Run" is defined as each occasion when a bus transports students.

- E. There will be no splitting of routes. If the Employer or Union believes that there is an unusual circumstance that may necessitate the splitting of a route it shall be the subject of a special conference. The split will only be allowed if the parties agree in writing. Any such agreement will not set a precedent and each case will be decided solely on its own merits.
- F. Substitute positions on Kindergarten, Special Education (if trained, as per Article 12, A-5) and Vocational Education runs shall be offered to bargaining unit members on a seniority basis, provided it does not conflict with a regularly scheduled run. This provision does not supersede Section B of this article.

It is hereby agreed as follows in conjunction with the 2012-2013 successor agreement.

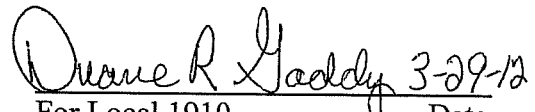

Articles 3 and 4 were amended due to the passage of Public Act 53 of 2012 which prohibits the payroll deduction of dues and service fees.

In the event that the Act is repealed or the courts find it to be unconstitutional or otherwise unenforceable, the provisions of Articles 3 and 4 of the 2011-2012 agreement will be reinstated.
