The Board recognizes the Saranac Educational Support Association, MEA/NEA as the exclusive bargaining representative for the bargaining unit defined as all custodial/maintenance, school paraprofessionals, classroom paraprofessionals, and secretarial personnel employed by the Board, but excluding supervisory and executive personnel, and all other classifications of employees. The term "employee," when used hereafter in this agreement, shall refer to all employees represented by the Association in the bargaining unit as above defined. The term "Association," when used hereafter in this agreement, shall refer to the Saranac Educational Support Association, MEA/NEA, solely in its representative capacity for the local bargaining unit.
2. The terms "Custodial/Maintenance", "School Paraprofessional", "Classroom Paraprofessional", and "Secretarial", when used hereafter in this Agreement, shall refer only to those employees in those classifications.
3. The following guidelines shall be used when placing a position into one of the paraprofessional classifications.

 - b. Classroom paraprofessionals shall not be expected to prepare any lessons but will provide some instruction of students under the supervision of a classroom teacher. They will supervise students. They shall have at least one (1) year of college or applicable work experience, and must meet highly qualified status as per the Michigan department of Education (MDE) guidelines.
4. Nothing contained herein shall be construed to deny or restrict to any employee, rights s/he may have under state or federal laws and regulations. The rights granted to the employee hereunder shall be in addition to those provided by law.

ARTICLE 2

BOARD RIGHTS

- A. It is agreed that the Board hereby retains and reserves unto itself, without limitation, and without prior negotiations with the Association, all the powers, rights, authority, duties and responsibilities conferred upon and vested in it by the Michigan Revised School Code, the laws and the Constitution of the State of Michigan, and of the United States, including, and without limiting the generality of the foregoing, the right to:

 2. Hire all employees, and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment; to their dismissal or demotion, and to promote and transfer all such employees.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement, and then only to the extent such specific and express terms are in conformance with the constitution and laws of the state of Michigan and the constitution and laws of the United States.

ARTICLE 3

- E. One hour will be scheduled during the pre-school in-service for the Association to meet with all covered employees. All bargaining unit members are required to be present.

ARTICLE 4
HOURS OF WORK

- A. All employees are expected to be at their regular assigned duty station at the scheduled time and remain until their scheduled dismissal time.
- B. Work assignments and work schedules shall be made by the administration in compliance with this agreement, Board policy, and applicable job descriptions.
- C. The regular work week for full-time 52-week employees shall consist of forty (40) hours over five (5) work days from Monday through Friday. Part-time employees may be hired and scheduled for less than forty (40) hours on any five (5) consecutive days. Additional hours of work for part-time employees during their scheduled five (5) days up to a total of forty (40) hours of work shall be paid at the regular rate of pay. Individual employees and the administration may mutually agree to alter work schedules (for example, four ten-hour days per week). If the administration needs to change the five (5) consecutive days, which a part-time employee is scheduled to work, it must give the affected employee at least a two (2) week notice of such change. The intent of a change will be to accommodate a specific need of the administration and that specific need will be so noted in the notice to the employee.
- D. The regular working week for full-time school year employees shall consist of a minimum of thirty-seven and one-half (37.5) hours. Part-time employees may be hired and scheduled for less than thirty-seven and one-half (37.5) hours. The five (5) working days shall be Monday through Friday.

Classroom Paraprofessionals that work a shared schedule will work with building administration to develop a mutually agreeable schedule for shortened days. Programs such as ECC and MSRP have fewer student days, which will result in fewer workdays for Paraprofessionals working in those classrooms.
- E.
 - a. If an employee's shift is at least five (5) consecutive hours in duration, the employee shall take a paid ten (10) minute break no sooner than thirty minutes into the first half and then again no later than thirty (30) minutes from the end of the second half of his/her regular shift. In the event the responsibilities of the employee interfere with the opportunity to take a scheduled break, the employee shall take the break as soon as possible.
 - b. If the employee's shift is less than five (5) consecutive hours but greater than two and one-half (2.5) hours in duration, only one (1) such break may be taken. This break shall occur no sooner than thirty (30) minutes into the employee's shift and no later than thirty (30) minutes from the end of the employee's shift.
 - c. Persons working a shift of two and one-half (2.5) hours or less in duration shall not be entitled to a break.
 - d. Nothing shall prevent the employee and the supervisor from reaching mutually agreed upon alternatives to the scheduling of breaks.
- F. Each employee shall be entitled to an unpaid duty-free lunch period consisting of thirty (30) consecutive minutes. In the event an employee is expected by the administration to remain at or near the specific work site and be able to work during his/her lunch period, the employee shall be paid for the lunch period.
- G. In the case of working overtime (more than forty (40) hours per five-day week) at the request of an administrator, the employee shall be paid at the rate of 1-1/2 times his/her regular hourly rate or given compensatory time for such overtime provided the hours worked are during the five (5) scheduled days or the first scheduled off day. Overtime shall be offered to bargaining unit members within each school within the classification in which the overtime is to be worked. Overtime shall first be offered to the bargaining unit member having the greatest building classification seniority. If all bargaining unit members within the classification in the affected building refuse the overtime, it will be offered to other bargaining unit members within the

same classification based on seniority district wide.

- H. Overtime work performed on an employee's second scheduled off day or on a holiday shall be paid at double the employee's regular hourly rate or by compensatory time given at one and one-half (1-1/2) the amount of overtime accrued.
- I. Whether an employee receives pay or compensatory time shall be by mutual consent of the employee and the administrator.
- J. The employee shall give at least three days written notice of intent to use compensatory time except in cases of emergency. Such use can be at any time provided there is mutual consent between the employee and the administrator.
- K. Compensatory time shall be granted to those employees who request it, if they work over forty (40) hours in a work week and receive at least ten (10) paid leave of absence days per year (i.e. holidays, vacations, and personal days). The rate will be one and one-half (1 1/2) hours for each one (1) hour worked, and may be accumulated to forty (40) hours. Hours of overtime worked after an employee has accumulated forty (40) hours of compensatory time will be paid at the appropriate overtime rate. If the accumulated compensatory time falls below forty (40) hours, the employee shall be allowed to accumulate time until the maximum of forty (40) hours is reached. In the event an employee retires or dies without exhausting their accrued compensatory time, such time shall be paid at their normal hourly rate less mandatory withholding.
- L. Summer custodial work will be offered to part-time custodians on the basis of district-wide seniority before it is given to substitute custodians. After all summer work has been given to part-time and substitute custodians, other qualified bargaining unit members will be considered for remaining work on the basis of district-wide seniority prior to any non-bargaining unit member being considered.

The applicant selected shall be notified of his/her selection and the time and place to report for work.
7. In cases of an involuntary transfer, seniority within a classification (custodian, secretary, or school paraprofessional) shall be taken into consideration, with the superintendent making the final decision. In the event another employee is placed into the position, the affected employee shall be allowed to return to his/her previously held position, if it exists, or to the position vacated by the applicant. Said request shall be made by the employee within three (3) work days of the notice of the "bump."

No more than three (3) employees shall be affected by this procedure with the third employee being placed into the available position.

2. In the event an employee bids on and accepts another position that ultimately has a decrease of more than one (1) hour each day within the first year, the employee shall be allowed to return to his/her previously held position if it exists. Said request to return to the previously held position shall be made by the employee within five (5) work days of the notice of the decrease in hours.

The employee currently in the previously held position shall be allowed to return to his/her previously held position, if it exists, or to the one vacated by the other employee. Said request shall be made by the employee within three (3) work days of the notice of the "bump."

No more than three (3) employees shall be affected by this procedure with the third employee being placed into the available position.

3. In no event shall the application of 1. or 2. above allow an employee to be placed into a paraprofessional position for which he/she is not qualified pursuant to the recognized guidelines for a job classification. In the event an application of either 1. or 2. above would cause this, the procedure shall stop with the last employee so allowed to move appropriately.

A. LAYOFF

1. "Layoff" shall be defined as a reduction in staff resulting in the loss of positions within the bargaining unit or a reduction in hours.

2. The least senior employee in the classification being reduced will be the one whose schedule will be reduced in time or who will be laid off.

C. REDUCTION OF HOURS

1. In the event a reduction in the number of hours becomes necessary, a determination will be made with respect to whether said reduction will be made individually or will be made across the classification.
2. If the reduction in the number of hours is done individually, the least senior individual in the affected classification shall be the employee whose hours are reduced.
3. In the event the employee who is laid off has seniority in another classification, he/she will be placed into the other classification. If this causes the other classification to have a less senior employee, he/she shall be the one who is laid off.
4. Thirty (30) days' notice of a schedule reduction or layoff shall be provided to the employee so affected.
5. If the Administration decides that the reduction in the number of hours or positions is to be made across the classification, the Association shall be given an opportunity to discuss the decision prior to its actual implementation. If the Association and the Administration can mutually agree to an alternate method, the alternate method will be implemented. The Administration will make the final decision in the event there is no mutually agreed upon alternative.

(2) Accumulated sick leave days are carried over only for those employees returning from the previous year, or from an approved leave of absence.

(3) Hours of planned absences or emergencies shall be cumulative to full day equivalencies and deducted from sick leavedays.

d. In the event the Administration believes that there is abuse of sick leave by an employee, the Administration shall notify the employee in writing. Upon further absence by the same employee, the Administration may require that the employee provide a physician's statement attesting to the need of absence. Failure of an employee to provide the appropriate physician's statement upon request will result in denial of use of sick leave. Continued abuse may result in further disciplinary action.

- e. If it is necessary for an employee to be absent from duty due to illness or injury compensable under the Michigan Workers' Disability Compensation Act, he/she shall receive from the District, at the employee's option, payment which represents the difference between his/her net salary and the amount received as workers' compensation benefits with the resulting deduction of sick leave prorated to the amount of payment received. For example, if worker's compensation pays sixty percent (60%) of the net pay amount, the employee will receive forty percent (40%) from the District with a four tenths (.4) deduction of sick leave days for each day covered.

- b. An employee who is injured on the job will receive his/her worker's compensation income. The Board will pay the difference and deduct the employee's accumulated sick days by the prorated amount. This will be accomplished by continuing to issue the employee his/her regular pay check. When the employee receives the worker's compensation, he/she shall sign the check over to the District.
- c. Up to three (3) days per occurrence shall be allowed for each death in the immediate family. Immediate family is defined as: spouse, child, step-child, sibling, step-sibling, parent or step-parent, spouse's parent or step-parent, grandparents or step-grandparents, grandchildren, step-grandchildren and spouse's siblings. This unpaid leave shall commence after the exhaustion of the period compensated by sick leave, vacation, and/or personal days unless the employee or employer selects otherwise
- (2) Upon return from leave, the employee shall be returned to his/her position held at the time of the disability or to a position that seniority and qualifications entitles him/her. If the position no longer exists, the employee shall be returned to a position equivalent in pay, benefits, hours, and other working conditions of employment in the same job category. In no case will an employee be returned to a position in the event a layoff has occurred and the employee would be on layoff status if he/she had been at work during the leave.

These amounts may permissibly be deducted from any wage or other payments due the employee, with any deficiency to be remitted by the employee to the Board within thirty (30) days of demand.
- (4) Where an employee requests intermittent leave or reduced schedule leave for personal serious illness/disability or to care for a seriously ill family member as authorized under the Family and Medical Leave Act, the Board may require that the employee transfer temporarily to an alternative position for which the employee is qualified and which has an equivalent pay rate and benefits where the temporary transfer would better accommodate the need for recurring leave, in comparison to the employee's current assignment. Where the temporary transfer is to part time position the pay rate and benefits shall be adjusted accordingly, in conformance with the other terms of this Agreement. Intermittent leave shall be taken in intervals of not less than two (2) hours. The employee shall attempt to schedule intermittent leave so as not to disrupt the continuity of services and instruction.

At the expiration of the extension of the leave, the employee will either be returned to a vacant position for which he/she is qualified and seniority provides or placed on lay off status. In the event the employee is placed on lay off status, the employee shall be returned to the first vacant position for which he/she is qualified and seniority provides. Posting for the vacant position in this case shall be waived.

b. Child Care Leave

- (1) Upon request, child care leave shall be granted to an employee otherwise eligible for such leave under the Family and Medical Leave Act for up to twelve (12) weeks commencing at a date agreed upon by the Superintendent and the affected employee. When this leave is taken in order to care for a child with a serious health condition, under the Family and Medical leave Act, leave will commence upon the exhaustion of the period compensated by sick leave, vacation and/or personal leave days unless the employee or employer directs otherwise.
- (2) Upon return from leave, the employee shall be returned to his/her position held at the time of the disability or to a position that seniority and qualifications entitles him/her. If the position no longer exists, the employee shall be returned to a position equivalent in

pay, benefits, hours, and other working conditions of employment in the same job category. In no case will an employee be returned to a position in the event a layoff has occurred and the employee would be on layoff status if he/she had been at work during the leave.

- (3) The Board will continue hospital/medical, dental and vision premium contributions on behalf of the employee (and eligible dependents) for up to twelve (12) weeks for employees who are on an unpaid leave of absence under the Family and Medical Leave Act as is specified in paragraph b. 1) above. For periods beyond the twelve (12) week period described above, the payment of the premium is the responsibility of the employee. If the employee fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the employee or other circumstances beyond the employee's control) the Board shall have the right to recover all premium payments made during the unpaid leave interval. These amounts may permissibly be deducted from any wage or other payments due the employee, with any deficiency to be remitted by the employee to the Board within thirty (30) days of demand.
- (4) Where an employee requests intermittent leave or reduced schedule leave for personal serious illness/disability or to care for a seriously ill family member as authorized under the Family and Medical Leave Act, the Board may require that the employee transfer temporarily to an alternative position for which the employee is qualified and which has an equivalent pay rate and benefits where the temporary transfer would better accommodate the need for recurring leave, in comparison to the employee's current assignment. Where the temporary transfer is to part-time position, the pay rate and benefits shall be adjusted accordingly, in conformance with the other terms of this Agreement. Intermittent leave shall be taken in intervals of not less than two (2) hours. The employee shall attempt to schedule intermittent leave so as not to disrupt the continuity of services and instruction.
- (5) This leave may be extended for a period of up to two (2) years upon request. At the expiration of the extension of the leave, the employee will either be returned to a vacant position for which he/she is qualified and seniority provides or placed on lay off status. In the event the employee is placed on lay off status, the employee shall be returned to the first vacant position for which he/she is qualified and seniority provides. Posting for the vacant position in this case shall be waived.

Return from a leave under this subsection will be to the same position, if available, or to a similar position, if available. In no case will an employee be returned to a position in the event a layoff has occurred and the employee would be on layoff status if he/she had been at work during the leave.
- (6) The approval of a leave of absence under this subsection will entitle the employee to

retain all seniority rights except as specifically limited in Article 7, Section A.

5. An employee shall not accrue sick leave, emergency leave, or personal leave entitlement while on unpaid leaves of absence under this Section.

D. DAMAGE TO PERSONAL PROPERTY

If the employee has taken reasonable precautions, and reports the damage within two (2) working days, the Board will reimburse the employee for any loss, damage, or destruction of personal property caused by students while in school, or on school premises, and not collectable from other sources. A committee of three (3), one (1) employee, one (1) board member, and one (1) administrator will determine if reimbursement is warranted.
