If the option is exercised and an employee's hours change so as to no longer result in a penalty or the employees hours are reduced below thirty (30) hours per week, the employee's coverage will be discontinued. Employees being permanently transferred between pay classifications will be placed at the probationary rate (or step one or year one where there is no probationary rate). Where the schedule has a probationary rate, the employee will advance to the next step after the probationary period. Advancement thereafter will be based upon years of service in the pay classification.

Letter of Agreement

between the

Oscoda Area Schools Board of Education

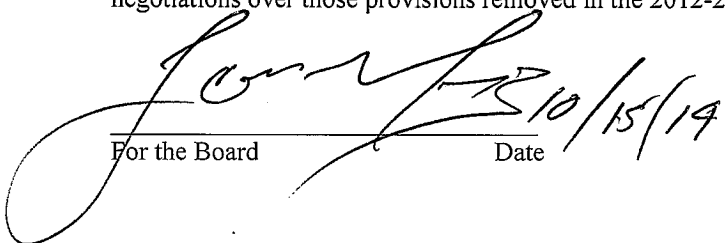

and

Local 1545 AFSCME

During the negotiations of the 2014-2016 master agreement, the parties eliminated and/or amended certain provisions relating to the right to substitute, temporary assignments, extra hours, etc. for all bargaining unit personnel.

These provisions were eliminated due to the impact of the Affordable Health Care Act and the penalties it could otherwise cause for the district. These penalties have been projected and are considerable.

The parties agree that if the Affordable Health Care Act is repealed, is found unconstitutional or amended in such a manner to adjust the thirty (30) hour provision for medical benefit consideration under the act, this Agreement will be reopened for negotiations over those provisions removed in the 2012-2014 master agreement relating to this issue.
