Past practices of the parties can be used as relevant evidence if it bears on an interpretation of the actual terms of the contract. The arbitrator shall not base any decision on his/her opinion that it is fair or not fair, unless it is based on actual language of this contract. Re: Act No. 369 of 2018 (Paid Medical Leave Act)

It is hereby agreed and acknowledged by the parties set forth above as follows:

1. The parties have reviewed the provisions of Article 12(A)(1) (Personal Leave of Absence) and Article 14 (Sick Leave) and have confirmed that for eligible employees as defined in the Act, that the total paid hours afforded to be off currently in the master agreement exceeds to the requirements of the Act and that the present system of front-loading paid time off at the start of the year is compliant with Section 3(3) of the Act.
2. The parties recognize the Act only applies to the first 40 hours earned in a benefit year (July 1 to June 30). This letter of agreement and the Act in no way regulates or expands upon any conditions set forth in the master agreement after the first 40 hours requested by an eligible employee in a benefit year. This letter of agreement and master agreement also do not afford the ability of the employee to request unpaid time off for purposes covered by the Act in lieu of the employees available accumulated paid time (personal business or sick leave).
3. The parties further recognize the Act acknowledges a variety of forms of paid time off (existing sick leave and personal business) as being among the time that can be used to comply with the Act's provisions.

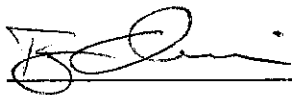

The parties have also reviewed the various provisions affording for paid time off in light of the new requirements in Section 4 of the Act and have found certain deficiencies to exist in relationship to what the Act requires the district to authorize employees to use the existing paid time off for during the first 40 hours requested by an eligible employee in a benefit year.

As such and by way of example, for the first 40 hours of paid time requested in a benefit year, eligible employees are advised that where paid time off is required to be authorized under Section 5 of the Act for a covered family members physical or mental illness and that family members is not listed in Article 14(C)(2), that the employee may be required to use available personal business time before being afforded the right to use any accumulated sick time under Article 14.

4. The parties agree and acknowledge that where the paid time off required to be granted to eligible employees under the Act for the first 40 hours in a benefit year has been exhausted, that

it will not require the district to afford unpaid time off or further time off with pay unless specifically authorized in Article 12(A)(1) and Article 14.

5. Given there is a rebuttable presumption of compliance under Section 3(5) of the Act, the parties agree that any dispute involving the application of the Act is not subject to review through the grievance procedure and may be appealed to the procedures established by the Michigan Department of Licensing and Regulatory Affairs. This section will not preclude local discussions relating to compliance outside of the grievance procedure.
6. This letter of agreement and the benefits afforded by the Act will terminate if the Act is repealed. If the Act is amended, the district's operating procedures will be adjusted accordingly.
7. Any alleged violation of this addendum are not subject to the grievance procedure but may be addressed at the employees option to the Superintendent's Office in writing explaining in full detail the dates and nature of the alleged violation. The complaint must be filed within six (6) months of the alleged infraction. The complaint will be reviewed by the Superintendent or his/her designee.
