In the event the run has been eliminated, the employee shall be considered laid off and have all rights and benefits defined in Article 10. The Employer may modify the bus runs and stops to accommodate the student population.

2. Two employees may agree to exchange their assigned runs. Such exchange shall only be made with the agreement of the employees involved and the Transportation Supervisor.
3. In the event that an employee severs employment, with or without notification, their position will be considered vacant.

After a discussion, the employee may request that the supervisor put the reasons for the change in writing.

In changing an employee's assigned run, the supervisor shall first seek volunteers. If there are no volunteers for a change, the supervisor may reassign the employee to a pool run. An employee may not be involuntarily reassigned more than once in any twelve-month period. Runs 01-2 and 99-2 are designed-as pool runs. In the event of the need to either change pool runs or add to the number of pool runs, the primary run as described in Article 1(D)(1) occupied by the least senior driver will be added to the list.

When posting vacancies for pool runs, it will be designated as such on the posting.

 - b. Any temporary vacancy on a secondary run exceeding thirty (30) school days, that is not expected to last longer than ninety (90) school days, will continue to be posted as a temporary vacancy. If such a temporary vacancy lasts longer than ninety (90) school days, it will be considered a permanent vacancy without further bidding.

Any temporary vacancy in a secondary run expected to last longer than ninety (90) school days will be posted as a permanent vacancy.

2. In the event a temporary vacancy is filled by a non-bargaining unit employee, the vacancy shall be re-posted for the following school year if it continues to be vacant.

3. An employee who fills a temporary vacancy shall return to their regular position when the vacancy terminates.
4. A temporary vacancy of more than the school days set forth in Section B(2) above, shall be posted and filled by the most senior applicant. If filling of the temporary vacancy should result in another run being vacated, the Employer may fill the second vacancy at its discretion.
5. In the event a temporary vacancy is initially scheduled to be for a period of time less than the school days set forth in Section B(2) above and is later found that it will be more than the school days set forth in the aforementioned section, the temporary vacancy shall be filled in accordance with the procedure set forth in this Article as soon as it becomes known that the vacancy will be vacant for more than the school days set forth in Section B(2).

C. **Permanent Vacancies**

1. A permanent vacancy shall be defined as a newly created position or an existing position that is not filled (i.e., retirement, death, or separation from service). When a route becomes vacant, the primary and secondary runs shall be posted separately.
2. Positions shall be posted within five (5) workdays after a vacancy occurs.
3. Vacant positions shall be posted for a period of seven (7) calendar days during which time applicants must be submitted in writing as per the instructions on the job posting. Posting of vacancies during the summer months shall be mailed to the Chapter Chairperson.

Any employee wanting copies of the postings during the summer months shall give self-addressed, stamped envelopes to the Transportation Supervisor or Chapter Chairperson and copies of the postings will be mailed to them.

A vacancy shall be filled on a temporary basis by a non-unit employee until the posting requirements can be met.

4. Where it is financially more efficient to do so, runs may be combined by the Employer for posting purposes.
5. Except as set forth in this subsection, a vacant position shall be awarded to the most senior applicant who is qualified. Vacant primary routes shall first be filled by posting the position under this section before recalling an employee from layoff. Vacant secondary positions will first be filled in accordance with Article 10(C). In the event there are no request for transfers, laid off employees shall be recalled.
6. In filling vacancies, a driver shall not bid and accept a vacant assignment that conflicts with current assignment when such an acceptance would require him/her to vacate portions of the regular current assignment in order to acquire the additional work.

7. Van runs shall not be construed or configured with two or more runs combined such that the Employer will avoid having to pay initial base run wages. When pick ups and deliveries requiring added distance are attached to an established van run, the driver awarded such an addition shall receive added compensation equal to one-half current base run rate plus additional pay the added mileage generates.

Article 8 – Working Conditions

- A. Employees shall work the days set forth in the student calendar.

Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions are defined by the city, county or state health authorities may be rescheduled to ensure that there are the number of days required to receive full state aid payments. - D. The Employer shall purchase a new jacket (up to \$70) for each employee every two (2) years. Prior to the purchase of the jackets, a committee comprised of three (3) bargaining unit members shall recommend to the Transportation Supervisor two (2) styles of jackets. If there is disagreement with the recommendations, the committee and supervisor shall meet to jointly determine mutually acceptable selections. Each employee shall choose the style they desire.
- E. The Employer recognizes its responsibility to give all reasonable support and assistance to employees with respect to the maintenance of control and discipline on the school bus.

The Employer recognizes the need to have reasonable rules established for student conduct. At the beginning of each school year, the Employer will publish to all students and staff of the Employer's a copy of all rules of conduct for students as shall be in effect at the time. In addition to the rules set forth above, each employee may establish additional rules to the Transportation Supervisor.

- F. An attempt shall be made to notify employees of any health problems which would be relevant to the transportation of students that the employee is required to transport. The Employer shall provide training or guidance if necessary to employees on how to respond to the student's health problem(s).
- G. Employees shall be reimbursed for all required mileage driven on the job in the employee's vehicle at the Employer established rate.

- H. Employees shall be paid the following meal allowances for all trips and/or required meetings exceeding three hours other than regular routes.

2. If this (Step 1) fails to resolve the grievance, the employee(s) shall within five (5) days reduce the grievance to writing specifying the section of the contract he alleges is violated, the events that caused the alleged violation and the remedy he seeks and submit it to the Superintendent. Upon receipt of the written grievance, the Superintendent shall attempt to resolve the matter within fifteen (15) days. The Superintendent’s disposition shall be in writing.

- C. If the Union is not satisfied with the disposition of the grievance by the Superintendent, if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator upon written notice to the Superintendent within thirty (30) days of the Superintendent’s answer. If the parties cannot agree as to the arbitrator within fifteen (15) days from the notification date, the arbitrator shall be selected from the list of qualified arbitrators from the Michigan Employment Relations Commission in accordance with its rules and procedures. The Employer and the Union shall not be permitted to assert in such arbitration proceeding

any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of the Agreement as written. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be shared equally by the parties.

Powers of the Arbitrator

It shall be the function of the arbitrator, and the arbitrator shall be empowered, except as the arbitrator's powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- b. The arbitrator shall have no power to rule on any of the following:
 1. The discipline and termination of services of any probationary employee.
 2. Any claim or complaint for which there is another remedial procedure or forum established by law or by regulation having the force of law.
 3. Any matter involving the content of any evaluation.
 4. The Arbitrator shall have no power to change any practice, policy or rule of the Employer nor to substitute the arbitrator's judgment for that of the Employer as to the reasonableness of any such practice, policy, rule or any action taken by the Employer. The arbitrator's power shall be limited to deciding whether the Employer has violated the expressed articles or sections of this Agreement; and the arbitrator shall not imply obligations and conditions binding upon the Employer from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Employer.
 5. The arbitrator shall have no power to decide any question which, under this Agreement, is within the responsibility of the Employer to decide. In rendering a decision, an arbitrator shall give due regard to the responsibility of the Employer and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
- c. There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Union, its members, the employee or employees involved and the Employer.

Claim for Back Pay

Article 10 – Layoff and Recall

- A. Layoff shall be defined as a reduction in daily routes or runs (Primary or Secondary).
- B. No employee shall be laid off unless said employee shall have been notified of said layoff at least ten (10) calendar days prior to the effective date of layoff. In such instances, the Employer shall identify the specific routes or runs to be eliminated and shall notify the employee(s) in those positions with a copy to the Union. Employees affected shall have the right to assume an equivalent position that is held by the least senior employee, provided the more senior employee holds the appropriate certification and is qualified. New employees shall not be hired or employed by the Employer while there are laid off employees.

If an employee is totally laid off or in the instance of a run reduction (Primary or Secondary), equivalent shall mean an assignment within the same time frame that does not conflict with the laid-off employee's current work schedule. Distance traveled in the replacement assignment may be the same, more or less than that which was lost.

An employee notified of impending layoff/reduction must exercise their option to assume an equivalent assignment within three (3) days of receipt of such notice or forfeit the option.

- C. Totally laid off employees and those employees who lost a secondary run shall be recalled in order of seniority, with the most senior being recalled first to any vacant position, after the position has been posted as required under Article 7-C-5.
 1. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records with a copy to the Union. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as this/her current mailing list.
 2. A recalled employee shall give notice of intent to return to work within three (3) working days after receipt of notice of recall and shall return to work within five (5) working days after receipt of notice of recall or such employee shall be terminated without recourse under this Agreement.

- E. An employee who is laid off for more than thirty-six (36) calendar months shall be removed from the seniority list.
- F. In the event an employee's work assignment is reduced on a per run basis and the affected employee is unable to assume an equivalent position, the employee shall be allowed to remain on the recall list until they accept an available assignment, pursuant to Section E above.

Article 11 – Evaluations

- A. All evaluations shall be reduced to writing and a copy given to the employee. If the employee disagrees with the evaluation, they may submit a written response, which shall be attached to the file copy of the evaluation in question. If the Transportation Supervisor believes an employee is doing unacceptable work, the reasons therefore shall be set forth in specific terms.
- B. Following each formal evaluation, which shall include a conference with the evaluator, the employee shall sign and be given a copy of the evaluation report prepared by the evaluator. In no case shall the employee's signature be construed to mean that they necessarily agree with the contents of the evaluation. All written evaluations are to be placed in the employee's personnel file and shall be treated as confidential information.

At the completion of the probationary period, an evaluation of the employee's work shall be completed, following the procedures of this provision.

- C. In the event an employee is not continued in employment, the Employer will advise the employee of the specific reasons therefore in writing.

Article 12 – Miscellaneous

The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Employer.
- C. If any article or section of this Agreement should be held invalid by operation of law or any tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained pending a final determination as to its validity, the remainder of this Agreement and/or its applications shall not be affected thereby. If any Article or section is held invalid or enforcement of or compliance with which as been restrained, the parties shall enter into immediate negotiations, upon the request of either party, for the purpose of arriving at a mutually satisfactory replacement for such article or section.

- D. Section 15(7) of the Public Employment Relations Act (PERA) mandates that any contract entered into include a statement that allows an emergency manager appointed under the Local Government and School District Fiscal Accountability Act to reject, modify, or terminate the collective bargaining agreement as provided in the Local Government and School District Fiscal Accountability Act. This provision is intended to satisfy this requirement. No grievances may be processed contesting actions taken by an emergency manager since those actions are outside of the control of the District.

Article 13 – Continuity of Operations

The parties to this Agreement mutually recognize and agree that the services performed by employees covered by this Agreement are services essential to the public health, safety and welfare. Under no circumstances will the Union cause or permit its members to cause nor will any employee take part in any strike, sit-down, stay-in, or slowdown, or any curtailment of work or restriction of production or interference with the operations of the Employer.

Article 14 – Drivers Certification and Physicals

- A. All employees must pass required physical examinations as required by law. Physical examinations shall be given by a school-designated physician and shall be paid by the Employer. The district shall pay for or provide all required TB tests and follow-up x-rays.
- B. Employees must satisfy all certification and training requirements adopted by the State of Michigan. The Employer shall reimburse employees for the cost of licenses or the renewal of licenses, including CDL, required for the employee to perform his/her job.

Employees hired after September 1, 1997 must be certified and qualified to operate all student transportation vehicles operated by the school district.

If an employee is separated from employment during their first three years of employment, the employee shall have deducted from their final paycheck a pro-rated share of the cost of the license, group designation, and/or endorsement based upon the number of years remaining on said license, group designation, or endorsement.

- C. In the event the Employer finds it necessary to take steps to be in compliance with the American with Disabilities (ADA) and other similar state or federal legislation, they shall immediately notify the Union of the problem(s). The parties shall meet and discuss any changes that may be necessary. Any changes which require a modification in the terms and conditions of this Agreement, shall be negotiated by the parties.
- D. In the event an employee loses their certification or does not meet the training requirements adopted by the State of Michigan, the employee shall be terminated. This section will not apply where the employee was on an approved unpaid leave and was not physically able, while on the leave, to complete the requirements. Where not physically able, the driver's leave will be extended until the first available testing date for recertification in order for the driver to complete the requirements. If the driver fails to do so, the driver will be terminated.

Article 15 – Agency Shop and Payroll Deductions

- A. Upon completion of the probationary period, the payment of membership dues or service fees is required.
