K. Parent-teacher conferences will be held for all grades in each school once each semester as scheduled by the school administration. The schedule for each semester shall include conferences with all parents and shall provide for one evening session or equivalent outside the teachers' regular work day. On parent-teacher conference days there shall be a minimum of one hour between students' dismissal time and the first conference period. Other conferences with parents on an individual basis shall be arranged from time to time as necessity dictates.

- L. A teacher shall attend all designated professional staff meetings and committee sessions when called by the Superintendent, building principal or committee chairperson. When such meetings extend beyond a teacher's hours of formal responsibility, he/she shall not be required to remain in excess of sixty minutes beyond the close of the pupil's school day and on the average not more frequently than once a week (in elementary buildings not in excess of sixty minutes beyond the close of the pupil's school day and on the average not more frequently than once a month). - R. Quality education is not possible in an environment affected by drug or alcohol use.
- Illness or other problems relating to the use of alcohol or other drugs will be treated as any other illness.

The Board shall not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, including alcohol by any teacher at any time while on District property or while involved in any District-related activity or event. Any staff member who violates this requirement shall be subject to disciplinary action in accordance with District guidelines and the terms of the Collective Bargaining Agreement.
- S. Classrooms shall be kept at a reasonable temperature.
- T. School Improvement: Participation, outside the normal school day, on any School Improvement Committee established as a result of Section 1277 of the Revised School Code shall be voluntary. School Improvement Committee decisions that require deviation from the Collective Bargaining

- U. It is in the interest of both parties to jointly establish and implement procedures, guidelines and working conditions to promote the quality of education for special students enrolled in the Vandercook Lake Public Schools as a result of the Least Restrictive Environment / Medically Fragile initiative. In the event problems arise, both parties agree to work cooperatively and bargain to find a solution to the problem. In no case shall the Vandercook Lake Schools be prevented from fulfilling the requirements of law.

ARTICLE VIII - TEACHER EVALUATION

- A. Evaluations shall be done according to the Teacher Tenure Act. The work of all tenured teachers in good standing shall be evaluated at least every two (2) years in writing by members of the administrative staff on such forms and with such frequency as may be prescribed by the Superintendent. Probationary teachers, or teachers under an IDP, shall be observed two (2) times at least sixty (60) days apart. Within two (2) weeks regular written evaluations shall be reviewed with the teacher before they are placed in the teacher's personnel file and the teacher shall have the opportunity to attach a written statement to said form and to sign said forms.

A probationary teacher shall be provided an Individualized Development Plan (IDP) developed by the appropriate administrator with input from the individual teacher.

- B. All monitoring or observation of the work of a teacher for evaluation purposes shall be conducted openly and with full knowledge of the teacher.

- C. If an evaluator finds a tenured teacher lacking, the reasons shall be set forth in specific terms with recommendations for improvement in an Individualized Development Plan (IDP).

In subsequent evaluation reports failure to again note a specific deficiency shall be interpreted to mean that improvement has taken place, if such deficiency is observable.

- D. No evaluation shall unduly interfere with the normal teaching process.

- E. Each teacher will have the right, upon request, to review the contents of his/her own personnel file in the presence of an administrator.

- F. If a teacher is asked to sign material placed in his/her file, such signature shall indicate awareness of, rather than agreement with, the content of the material.

ARTICLE IX - SCHOOL CALENDAR

The school calendar shall be in accordance with the county-wide calendar, with mutual agreement by the parties for deviation. However, if the school year does not begin as so designated or if students are not in

attendance on regularly-scheduled school days during the school year, including when school is closed due to inclement weather, student attendance hours shall be made up through an extension of the school calendar as designated by the school board to accommodate the minimum number of hours of student instruction as required by state law. In some years ~~the event that Labor Day falls during the second week of September,~~ faculty may need to report to work prior to Labor Day in order to maintain a 26 pay schedule. Students will not attend classes before Labor Day.

ARTICLE X - RE-ASSIGNMENTS, TRANSFERS, PROMOTIONS

- A. A vacancy shall mean an existing or new position in the bargaining unit not filled by transfer or reassignment.

For the purpose of this article, a re-assignment shall mean a change in teaching subject or grade level, or to an assignment other than as a classroom teacher, and a transfer shall mean a change in school but not in subject or grade level.

- B. A teacher may request a transfer or re-assignment for any teaching position at any time. His/Her application should be in writing, addressed to the Superintendent of Schools, also a copy filed by the teacher with the Association. The application will be acknowledged within ten (10) days should a vacancy occur, either during the school year or during the summer. The application should be renewed annually. Whenever the Board contemplates a transfer or reassignment, it shall first post a notice of the available teaching position in all school buildings for at least three (3) calendar days exclusive of weekends and holidays with a copy to the Association.

The purpose of the notice is to provide teachers with an opportunity to apply for the position if they haven't done so previously as provided above and shall not be construed as restricting the Board's right to make transfers and reassignments, voluntary or involuntary as provided herein.

- C. Whenever a vacancy in any teaching position in the District shall occur and is indicated by official notification, the Board will give written notice of the same to the Association within ten (10) calendar days and will post such vacancy simultaneously in each school building. Such notice will be posted at least ten (10) calendar days before the position is filled. During the summer recess the Association will be notified of vacancies. Such vacancies will be held open for three calendar days.

- D. When an established teaching position becomes vacant, the Board agrees to fill such vacancy with a qualified substitute teacher until such time as such established teaching position can be filled with a qualified tenured or probationary teacher; excepting, the Board reserves the right to make adjustments in class sizes that are not inconsistent with the terms of this Agreement.

- E. In filling a vacancy within the bargaining unit, the Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system, and other relevant factors. The decision of the Board as to the filling of such vacancies shall, however, be final.

If a teacher from outside the bargaining unit is awarded a vacancy over a teacher from within the bargaining unit the reason for rejection shall upon request be provided in writing to the teacher within two (2) weeks.

F. The parties recognize that changes in grade assignments in the elementary schools, changes in subject assignment in the secondary school grades, and transfers between schools will be necessary. While the right of determination to assign or transfer a teacher is vested in the Board, the Board will not, in any case, assign or transfer a teacher without prior discussion with said teacher. Such transfers and changes of assignments shall be on a voluntary basis whenever possible. In making involuntary assignments and transfers, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils.

ARTICLE XI - GRIEVANCE PROCEDURE

- A. A "grievance" is a claim by a teacher, a group of teachers of the Association, the Association, or by the Board that there has been a violation, misapplication of a specific provision of this Agreement. All such grievances shall be processed as hereinafter set forth.
- B. The termination of the employment of a teacher, the refusal to re-employ any teacher, the refusal of the Board to re-assign a teacher to any special assignment set forth in Appendix B, the placing of any non-tenured teacher on a third year of probation, or any grievance for which redress is provided under the Tenure Act shall be matters excluded from consideration under the grievance procedure set forth in this Agreement.
- C. Any grievance filed by the Board shall begin by serving a written copy thereof upon the Association President within ten (10) school days of the alleged violation. This filing shall be preceded by an informal discussion between the Superintendent of Schools and the Association President. The procedure thereafter shall proceed directly to Level Three where the Board or committee thereof shall meet with a JCEA representative.
- D. Within ten (10) school days of the occurrence complained of, all complaints must be discussed informally with the building principal or with the Superintendent or his designee if the complaint involves more than one school building.
- E. Any grievant may invoke the formal grievance procedure by delivering a copy of the grievance form to the building principal. If the grievance involves more than one school building, it may be filed directly with the Superintendent or a representative designated by him. A written grievance must be filed with the building principal or Superintendent, as the case may be, within fifteen (15) school days after the occurrence or alleged violation. The written grievance form required herein shall contain the following items:
1. The signature of the grievant or grievants;
 2. The signature of the Association representative;
 3. A detailed statement of the specific facts giving rise to the alleged violation;
 4. The citation of the section or subsections of this contract alleged to have been violated;
 5. The date of the alleged violation;
 6. The date of filing;
 7. The specific relief requested.

Any written grievance which is defective in any of the above particulars, shall be deemed to be dismissed.

F. **Level One:** Within five (5) school days of receipt of the written grievance, the Principal shall meet with the Association representative in an effort to resolve the grievance. The Principal shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting, and shall furnish a copy thereof to the Association representative.

Level Two: If the grievance is not resolved at Level One, the matter may be transmitted to the Superintendent by filing a written notice thereof with his/her office within five (5) school days of receipt of the Principal's written disposition, (or if no written disposition is made, within twelve (12) school days of the filing of the grievance at Level One). The Superintendent or his/her designee shall meet with the Association and indicate his/her disposition of the grievance in writing within seven (7) school days of receipt of the grievance at this level and shall furnish a written copy of the disposition to the Association.

Level Three: If the grievance is not resolved at Level Two, the grievance may be submitted to the Board of Education within five (5) school days of the receipt of the written disposition at Level Two, (or if no written disposition is made, within twelve (12) days of the filing of the grievance at Level Two) by delivering the written grievance form, together with copies of all materials previously filed, to the Board of Education offices, attention Secretary of the Board. The Board may hold a hearing if requested, or if not requested, give such other consideration as it shall deem appropriate. Disposition of the grievance shall be rendered within twenty (20) school days of the delivery of the grievance to the Board of Education offices. A written copy of such disposition shall be furnished to the Association and/or JCEA.

Level Four: If the grievance is not resolved at Level Three, the matter may be referred to arbitration by the Board or JCEA provided that notice to refer is given within twenty (20) days of the written decision at Level Three.

If the parties cannot agree as to the arbitrator within five (5) school days of the described notice of arbitration, the arbitrator will be selected in accordance with rules and regulations of the American Arbitration Association. Neither party may raise a new defense or ground at Level Four not previously raised or disclosed at other written levels.

It shall be the responsibility of the arbitrator to interpret only this Agreement. He/She shall have no power to alter, add to, subtract from or disregard the express language of this Agreement, nor shall he/she have the power to substitute his/her judgment for that of the Board or Association as to the reasonableness of the provisions of this Agreement.

The arbitrator shall not substitute his/her judgment for that of any administrator who has expressed his/her opinion in the evaluation procedure as to the competency of any teacher.

The Arbitrator shall have no power to establish salaries different from those provided in this Agreement nor shall he/she award money damages except as reimbursement for lost wage or fringe benefits. No punitive damages or other decision resulting in a financial burden to the District shall be made. The arbitrator shall have no power to interpret state or federal law.

Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or nonoccurrence of the event upon which the grievance is based. In no event, however, shall any award be made retroactive to predate the beginning of the then current teaching school year.

A grievance properly referred to the arbitrator for consideration may not be withdrawn except by the mutual written consent of the parties.

The Board may challenge the arbitrability of any grievance referred to arbitration by giving written notice of same to the JCEA within two weeks of the notice of intent to arbitrate. In the event the Board fails to commence a court proceeding for such purpose within thirty (30) days of its notice of challenge, the JCEA shall be entitled to proceed with arbitration as if the question had been decided positively by the court.

If the Board challenges the arbitrability of any grievance, the arbitrator shall have no jurisdiction to act until the matter has been determined by a court of competent jurisdiction as provided above. In the event that a case is appealed to the arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

- G. No more than one grievance may be considered by the arbitrator in the same hearing, except upon expressed written mutual consent and then only if they are of similar nature.
- H. The cost of the arbitrator shall be borne equally by the parties except each party shall assume its own cost for representation including any expense of witnesses. Witnesses who are bargaining unit employees shall be released for duty without loss of compensation for the time necessary to participate in the hearing.
- I. The time limits provided in this Article shall be strictly observed unless extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year, the parties shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- J. Failure of the moving party to proceed with any grievance within the times hereinbefore provided, shall result in the dismissal of the grievance. Failure of either party to take the required action at any stage of the grievance procedure, shall entitle the other party to proceed to the next step of the grievance procedure.
- K. Any grievant may be present at any stage of the grievance procedure if he/she so desires. If any individual teacher has a personal complaint which he/she desires to discuss with an administrator, he/she is free to do so without recourse to the grievance procedure.
- L. At any stage in the grievance procedure, if the solution to a grievance as proposed by the Board is acceptable to the teacher and/or teachers within a school building who submitted the grievance, the matter shall be terminated and it cannot be pursued further by the Association and/or JCEA.
- M. Notwithstanding the expiration of this Agreement, any claim or grievance arising during the term of this Agreement, may be processed through the grievance procedure until resolution.

ARTICLE XII - LEAVES OF ABSENCE - PAID AND UNPAID

The unpaid leave provisions of this Agreement shall be construed consistently with the requirements of the Federal Family and Medical Leave Act.

- A. All teachers regularly employed by the District who are absent from duty because of personal illness, including illness or disability due to child birth and complications of pregnancy, shall be allowed sick leave as follows:

- Q. **Salary Provisions on Return from Leave of Absence** - If the salary schedule has changed during an employee's leave of absence, his/her basic salary shall be changed according to his/her service

- T. The Employer shall comply with the provisions of the Family and Medical Leave Act (FMLA) of 1993.

ARTICLE XIII - PROTECTION OF TEACHERS

Notwithstanding the foregoing, in the case of the discipline of a tenured teacher within the meaning of the Michigan Tenure of Teacher's Act, just cause shall be determined under that Act.

Any action relative to the discipline of an employee for drug/alcohol related incidents shall be subject to Board Policy and the provisions of this Contract.

ARTICLE XIV - LAYOFF AND RECALL PROCEDURE

It is hereby specifically recognized that it is within the sole discretion of the Board to reduce its educational program, curriculum and staff and that the procedures set forth in this article shall be used in laying off personnel.

A. Layoff Procedure

In order to promote an orderly reduction in personnel when the educational program, curriculum and staff are curtailed, the following procedure will be used:

1. Probationary teachers shall be laid off first. A probationary teacher shall not be laid off unless there is a tenured teacher who is certified and qualified to perform the duties of the position the probationary teacher is vacating, or unless the position that the probationary teacher is vacating is being eliminated altogether.
2. If the reduction of teaching personnel is still necessary, then tenured teachers in the specific positions or departments being reduced or eliminated shall be laid off on the basis of seniority, except as hereinafter provided. Layoffs made pursuant to this section shall be made in the inverse order of seniority, i.e.: those with the least seniority are to be laid off first. For the purposes of this section and layoff and recall procedures within the system, "seniority" is defined to mean the amount of time an individual with proper teacher certification is continuously employed within the school district. Seniority shall be determined by the date of hire. Ties in seniority shall be broken by an impartial drawing.
3. A tenured teacher who is laid off pursuant to this article has the right to be placed in a teaching position for which he/she is certified and qualified to fill and which is occupied by a teacher with less seniority. For the purposes of this Article "qualified" shall be defined in the following manner:
 - a. For placement in a pre K-6 grade level elementary position, a tenured teacher is qualified if he/she has elementary certification in all subject areas and a minimum of six (6) semester hours credit in elementary reading methods. The District agrees that this requirement in reading methods shall be waived if the teacher has a minimum of one (1) year's experience at the pre K-6 level within the last five (5) years of employment as a regular (not specialized such as in the areas of art, music, physical education, speech, etc.) classroom teacher within the District.

- b. A pre K-6 teacher to be qualified for assignment to the seventh and eighth grade levels shall have certification in all subject areas to which she/he is assigned, shall have a minimum of one (1) year's teaching experience in the subject area to which he/she is attempting to be assigned within the past five (5) years or agree to take a minimum of six (6) semester hours of academic training in that specific subject area within the next year. Such academic training shall commence with the next regular semester in which such subjects are taught at an accredited institution of higher learning. Also, to qualify for an assignment, the teacher must be highly qualified under NCLB.
 - c. At the secondary level, a teacher assigned to a specific position or department shall qualify for reassignment under the following conditions:
 - (1) He/she is certified by the State Department of Education to teach the subject.
 - (2) He/she be highly qualified under NCLB. This meeting NCLB standards.
 - d. The expense of maintaining NCLB standards shall be incurred by the teacher and the classes shall be taken during off-duty hours.
 - e. In conformance with the first paragraph of this Article XIV, in all cases involving the elimination of any teaching position the decision of the Board is final.
 - 4. Prior to any layoff, teachers will be provided an updated copy of the seniority list.
 - 5. Employees on layoff or leave do not acquire seniority while on layoff or leave of absence but seniority prior to layoff or leave shall be reinstated when the employee is recalled. Leaves of absence or layoff shall not interrupt continuous service for purpose of seniority.
- B. Whenever possible, the Board will give sixty (60) days notice of possible layoff to the Association and the individuals involved; and in any event thirty (30) days written notice of layoff shall be given in all cases. It is further agreed that any layoff shall suspend for the duration of the layoff period, the Board's obligation to pay salary or fringe benefits under any teacher's (tenured and non-tenured) individual employment contract or under this Collective Bargaining Agreement.
- C. The Board shall give written notice of recall from layoff by sending a registered letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board record shall be conclusive when used in connection with layoffs, recalls, or other notice to the teacher. If the teacher fails to notify the Board within ten (10) days from the date of mailing of the recall, unless an extension is granted in writing by the Board, said teacher shall be considered a voluntary quit.
- Also, if a teacher acknowledges the recall notice but fails to accept a regular teaching position when offered, and does not report for work as requested, he/she shall forfeit all seniority and recall right as viewed by the Association and Board.
- D. Recall rights shall expire two years after layoff for any teacher who is non-tenured at the time notice of layoff is given. Recall from layoff shall be by order of seniority, i.e.: greatest seniority to be recalled first.

ARTICLE XV - PROFESSIONAL BEHAVIOR AND IMPROVEMENT

Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and creates undesirable conditions in the school building. Except when the behavior of a teacher is so improper or when gross offenses occur as to warrant immediate disciplinary action, the Board, in recognition of the concept of progressive correction, shall notify the teacher in writing, of alleged delinquencies, indicate expected correction, and indicate a reasonable period for correction. Alleged breaches of discipline shall be promptly reported to the teacher involved. The Association will use its best efforts to correct breaches of professional behavior by any teacher. A written statement, of such correction, shall be filed by the Association, with the Superintendent's office within ten (10) school days of such action.

ARTICLE XVI - MENTOR TEACHERS

- A. Pursuant to Section 1526 of the Michigan School Code, for the first three (3) years of employment as a classroom teacher, a new teacher will be assigned one (1) or more mentors.
- B. The right of selection of mentors will be reserved to the Board. Preference will be given to qualified members of the bargaining unit. The Association will be notified of the mentor assignments.
- C. Mentor teaching assignments are voluntary. If there is no volunteer for a particular mentor teacher position the administration will seek teacher input on selecting a non-bargaining unit person. Tenured teachers within the bargaining unit who are at least two (2) years beyond the probationary period provided by law, who have record of successful teaching, may request consideration for assignment as a mentor through the office of the Superintendent.
- D. In making appointments, the Board will take into consideration by way of example, degrees earned, areas of certification, participation in professional development activities and the performance record of internal and external applicants.
- E. Mentor assignments will normally be for the three (3) year period. The assignment may be discontinued for good cause shown by the probationary teacher, the mentor or administration.
- F. The full annual honorarium for mentor teachers shall be as set forth in Appendix A – Schedule B (under Supervisory at the Club amount). Teachers will be paid the stipend per mentee.
- G. Where the mentor is a teacher within the bargaining unit, consideration will be given to the building assignment and schedule of both teachers.
- H. The responsibility of the mentor will be determined by the administration. In general, the responsibilities will include by way of illustration, assisting the teacher in fulfilling the objectives of the teacher's Individualized Development Plan and guidance in such areas as classroom management and instructional delivery.
- I. The parties agree that mentor (internal or external to the bargaining unit) will not be involved in the evaluation of the probationary teacher. The parties further agree that absent being subpoenaed; mentors will not be called as a witness in administrative hearings, court proceedings or grievance hearings.

ARTICLE XVII - MISCELLANEOUS PROVISIONS

- A. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher's contract. All future individual teacher's contracts shall be made expressly subject to the terms of this Agreement.
- B. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

If the School Code or other law or regulation mandates a change that conflicts with a provision of this Agreement, the parties agree to work cooperatively and bargain to resolve the conflict.

It is recognized that all agreements are tentative until final agreement is completed. It is also recognized that no final agreement between the parties may be executed without ratification by the Board of Education and by the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiating or bargaining, subject to such ultimate ratification.
 - 1. Either party may caucus at any time.
 - 2. If the parties fail to reach agreement in any such negotiations, either party may invoke the mediation machinery and/or fact-finding machinery of the Michigan Employment Relations Commission.
- D. Copies of this Agreement titled "Professional Agreement between the Vandercook Lake Public Schools and the Association" shall be duplicated at the expense of the Board within thirty (30) days after the Agreement is signed and presented to all teachers of the Association now employed and hereafter employed. Sufficient copies will be furnished to the Association at actual cost of production.
- E. The Board may, after one week prior notice, or in case of clear emergency, require a teacher to have a physical or mental exam by a licensed physician designated by the Board. The Board shall not be arbitrary or capricious in requiring a teacher to have an examination. The cost of any such examination required by the Board shall be borne by the Board. During the term of this Agreement, the Board and the Association shall work cooperatively to develop and implement an employee assistance plan to address the problems posed by alcohol, drug abuse, and other illnesses that may affect the work performance of bargaining unit employees.
- F. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in written and signed amendment.
