RECOGNITION

- A. The Board of Education of the Columbia School District (hereinafter called the "Board", "Employer", or "District") hereby recognizes TEAMSTERS LOCAL 214 (hereinafter known as the "Union") as the sole representative for the purposes of collective bargaining with respect to wages, hours, terms, or conditions of employment for all transportation employees, including transportation substitute employees, but excluding all administrative, executive, supervisory personnel and all other substitutes, and all other employees of the Board.
- B. The term "employee" when used in this Agreement shall refer only to personnel employed by the Board and defined in "A" of this Article.

ARTICLE II
NEGOTIATIONS PROCEDURE

- A. The parties agree to enter into negotiations on a new Agreement on wages, hours, and working conditions at least ninety (90) days prior to the expiration date of the Agreement.
- B. This Agreement shall not be extended beyond the termination date, except by written and signed mutual agreement.
- C. The Union recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board through the negotiating agent and/or agents officially designated by the Board, as negotiations pertain to this Agreement.
- D. The Board agrees not to negotiate with or recognize any organizations other than the Union for the duration of this Agreement.

ARTICLE III

GRIEVANCE PROCEDURE

A. A "grievance" is defined as any claim or complaint by an employee that there has been a violation or misapplication of the provisions of this Agreement. Probationary employee termination or evaluation of an employee shall be matters excluded from consideration under the grievance procedure set forth in this Agreement. It is the intent of the Board and the Union to limit the grievance procedure to specific provisions of the Agreement.

B. All time limits herein shall consist of workdays. Time limits may be extended only upon mutual written consent of the parties. Failure of an employee or the Union to conform to time limits shall mean the grievance is resolved based on the previous disposition by the Board. If the Board fails to conform to time limits, the employee or Union may proceed to the next Level.

C. Grievances shall be processed by the chosen representatives of the Union. If grievance meetings occur during the working time of the grievant and/or the Union representative, they shall be allowed to make up time as determined by the administration.

D. Level 1: Any employee who believes he/she has a grievance shall begin by informally discussing the matter with the Supervisor within five (5) days of its occurrence with the object of informally resolving the matter.

E. Level II: If, as a result of the informal discussion with the Supervisor a grievance still exists, or no decision has been rendered within five (5) days, the employee may invoke the formal grievance procedure by the employer or Union representative delivering a copy of the grievance form to the supervisor. The written grievance form required herein is attached as Appendix B and shall contain the following items:

1. The signature of the grievant or grievant(s) and Union representative.
2. A synopsis of the specific facts giving rise to the alleged violation.

3. The citation of the section or subsections of this Agreement alleged to have been violated.
4. The date of the alleged violation.
5. The date of filing.
6. The specific relief requested.

Any written grievance which is defective by omission in any of the above particulars shall be deemed to be dismissed if not remedied within two (2) days of the written notice of the missing item(s). A written grievance must be filed within five (5) days of the discussion with the Supervisor. Within five (5) days of receipt of the grievance, the Supervisor shall meet with the Union representative and affected employee in an effort to resolve the grievance. He shall indicate his disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the Union.

F. Level III: If the employee is not satisfied with the disposition of the grievance by the Supervisor, or if no disposition has been made within five (5) days of such meeting, the grievance shall be presented within five (5) days to the Assistant Superintendent or the Superintendent. Disposition of the grievance in writing to the Union by the Superintendent shall be made no later than ten (10) days following the receipt of the grievance at this level.

G. Level IV: If the alleged grievance is not settled at Level III, the Union shall within thirty (30) calendar days submit the grievance to Teamsters Local 214's Grievance Panel. The Union shall notify the Superintendent within sixty (60) working days after the Panel's submission or its intent to arbitrate the grievance or withdraw it. Within fifteen (15) days after the date of written notice to the Board regarding arbitration, the parties will make every attempt to mutually select an arbitrator. If the parties are unable to agree on an arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the

American Arbitration Association. The arbitrator shall then be selected according to the rules of the American Arbitration Association.

H. Neither party may raise a new defense or ground at Level IV not previously raised or disclosed at other written levels. The parties shall hold a conference not less than ten (10) days prior to the hearing in an attempt to settle the grievance.

I. Powers of arbitrator are subject to the following limitations:

1. He/she shall have no power to add to, subtract from, disregard, alter, or modify any terms of the Agreement.
2. He/she shall have no power to establish salary scales or fringe benefits.
3. He/she shall have no power to decide any question which under this Agreement is within the responsibility of management to decide. In rendering decisions, the arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities except as they may be specifically conditioned by the Agreement.
4. He/she shall have no power to interpret State or Federal law.
5. He/she shall not hear any grievance previously barred from the scope of the grievance procedure.
6. More than one (1) grievance may not be considered by the arbitrator at one time without the mutual consent of both parties.
7. Arbitration awards or grievance settlements will not be made retroactive beyond the date of occurrence or non-occurrence of the event the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.

J. The arbitrator shall hear the grievance in dispute and shall render his/her decision in writing within thirty (30) calendar days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth his/her findings and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the Employer, the Union and the employee or employees involved.

K. The expenses and compensation for attendance of any employee, witness, or participant in the arbitration shall be paid by the party calling such employee, witness, or requesting such participant, except that if any hearing is conducted during normal working hours, the grievant and two (2) representatives of the Union shall be granted released time to be present at said hearing(s). The Union shall be liable for the cost of these employees and for other school employees called during the course of the hearing(s).

L. The fees and expenses for an arbitrator shall be paid by the losing party or as determined by the arbitrator in the event of a split decision.

M. A complaint or grievance may be withdrawn at any level without prejudice. No reprisals of any kind shall be taken by or against any participant(s) in the grievance procedure by reason of such participation. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

N. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discussing and having it resolved informally with the Employer, provided that the Union is given the opportunity to be present at the hearings or meetings of such grievances and that the final decision by the Employer is not inconsistent with the terms of this Agreement.

O. Any claim or grievance arising under this contract may be processed through the grievance procedure until resolution. During the summer months, week days will be considered

work days.

P. All relevant information forming the basis of a grievance filed under the grievance procedure will be made available to the employee and to the Union by the Board and to the Board by the employee and the "Union.

E. Time lost by an employee in connection with any incident related to "D" above shall not be charged against the employee unless negligence is proven.

F. The Board will reimburse the proven loss, damage, or destruction, not through personal negligence, of personal property requested or required by the Board of an employee in the performance of his/her duties. G. An employee shall be entitled, at the employee's request, to have present a representative of the Union when being reprimanded or disciplined for any infraction of rules or delinquency in professional performance.

It is therefore agreed that progressive discipline shall be exercised and shall include, but not be limited to or necessarily be the order listed: Verbal warning, written warning, reprimand, suspension with or without pay, and discharge. However, certain delinquencies such as being under the influence of intoxicating beverages or drugs, or theft, shall be just cause for immediate dismissal. ARTICLE VIII

SENIORITY AND REDUCTION IN PERSONNEL

A. Seniority.

1. New transportation employees hired by the Board shall serve a probationary period for the first forty-five (45) work days of their employment. In the event the probationary employee is absent during the probationary period, the number of days absent will be added to the 45 work day probationary period.

2. When an employee completes the probationary period in a satisfactory manner, he/she shall be entered on the seniority list and shall rank for the seniority purposes from the date of hire.
3. At any time prior to the completion of the probationary period the employee's work performance is unsatisfactory; he/she may be dismissed by the Board. This is not to be construed as limiting the Board's prerogative to discharge after seniority has been established.
4. In the case of two or more employees having the same seniority date, the employees involved will draw from a deck of playing cards, with the employee drawing the higher card (the Ace being the highest) being considered the more senior employee.
5. Definitions. "*Seniority*" shall be defined as an employee's length of continuous employment with the Employer since his last hiring date. "*Last hiring date*" shall Mean the date upon which the employee first reported for work at the instruction of the Employer since which he/she has not quit, or been discharged.

When a regular employee becomes a substitute bus driver, he/she shall continue to accrue seniority.
Any driver voluntarily giving up his/her bid route(s) during a year to become a substitute driver shall go to the bottom of the seniority list until the next year. This shall not include

a driver who gives up his/her bid **route(s)** because of a medical, emergency family or child care leave.

7. Employees on lay-off shall not continue to accrue seniority.

8. Board approved leaves of absence, voluntary and involuntary transfer, and promotions shall be construed as continuous service and given credit as same. However, an employee on a non-medical leave of absence for more than 20 working days shall cease to accrue seniority after the 20th day.

9. In July of each year, the Board shall publish and distribute to each member of the bargaining unit a copy of the complete seniority list for the members of the bargaining unit. Such list shall include all individuals who hold seniority as a result of this Agreement.

10. The stewards and the alternate steward, in that order, shall head the seniority list of the unit for the term of their office. This shall pertain to layoff and recall procedures only.

11. A substitute bus driver who drives 75 or more days during the school year shall accumulate one (1) year seniority. A substitute driver who drives less than 75 days during the school year shall accumulate half (1/2) year seniority.

B. Layoff and Recall.

1. Employees who are to be laid off shall be given no less than fourteen (14) day's written notice. The word lay-off shall mean a reduction in the employee work force due to a decrease in work or lack of funds.

2. If a lay-off becomes necessary, probationary employees shall be laid off first, District-wide. If further lay-off is necessary, lay-off shall be according to seniority (least

senior employees shall be the first laid off).

3. Laid off employees shall be recalled in reverse order of lay-off within a classification.

4. Notice of recall shall be sent by registered mail to the employee's last known address. The employee shall have ten (10) .calendar days to report to work from the date that the notice was delivered to the employee's last known address.

5. Should the Board reinstate a position that had been eliminated, or fill a position that had been allowed to remain vacant, the employee who previously held said position, if not on lay-off, shall be offered the position before it is offered to laid off employees.

6. If the Board anticipates a reduction of staff, it shall meet and confer the matter with the Union prior to taking any formal action.

7. An employee on scheduled lay-off shall have the right to displace the least senior employee provided the senior employee is qualified to hold the position held by the displaced employee.

ARTICLE IX

VACANCIES, PROMOTIONS, AND TRANSFERS

A. A "vacancy" shall be defined as any position within the bargaining unit either newly created or a present position that is not filled.

B. A vacancy within the bargaining unit to be filled shall be posted within seven (7) calendar days from the date of vacancy and the employees shall be given five (5) working days time in which to make application to fill the vacancy or new position. A vacant bus run shall also be posted as provided in this paragraph and shall be awarded at a meeting as provided in Article X, B. 1 .c.

C. If a vacancy occurs while there are employees on layoff, the position shall be posted and those on layoff shall be notified of such vacancy by certified mail. The employee shall keep the Administration office apprised of his/her latest address.

D. The Board shall have the right to fill the vacancy temporarily until a transfer or promotion of an employee has been completed. This employee shall receive the pay rate of the vacancy or his/her present pay rate, whichever is higher.

E. The following format will be used to advertise vacant positions:

1. Type of work
2. Starting date
3. Rate of pay
4. Hours to be worked
5. Classification

F. When a vacancy occurs, it shall be awarded to the most senior applicant from within the bargaining unit who possesses the necessary skills and physical requirements for that specific job classification; provided, however, that a vacancy in the mechanic classification may be awarded to the applicant, internal or external, who the Board, in its sole discretion, determines is best qualified for the position.

If an employee is currently working in the classification, or has worked in the classification for the District, he/she shall automatically be considered to possess the necessary skills.

To possess physical requirements the employee must be physically able to perform the work.

G. Failure to follow this Article shall be subject to the grievance procedure. However,

award of a higher-rated classification based on necessary skills and physical requirements may be processed only through Level III of the grievance procedure.

H. The parties agree that un-requested transfers are to be minimized and avoided whenever possible. In making voluntary transfers the wishes of the individual will be considered to the extent that these considerations do not conflict with the best interests of the school system.

ARTICLE X

A second refusal shall cause time limits to be doubled.

5. All busses will be kept at the high school parking lot.

To insure orderly operations, the area adjacent to the bus parking lot nearest fence will be reserved for bus drivers' and be specifically marked as such with visible, legible signs.

6. Drivers will pick up papers and sweep bus daily. Drivers using bus for extra trips are responsible for cleaning that bus after trip. Bus drivers are not responsible for the outside cleaning of the bus. The exterior of the bus will be washed by maintenance personnel on a weekly basis; or as necessary for safe operation of the vehicle and vision of the driver. When maintenance personnel are not available, a posting will be made for regular drivers to bid.

7. Maintain Bus Schedule as Closely as Possible.  - a. A regular route is any regular schedule a.m. or p.m. pick up or delivery of students to or from school.
 - b. All regular routes shall be bid by seniority at a meeting during the two-week period before the beginning of each school year. Every driver must attend except in the case of emergency. In the case of emergency, the driver may send a person to bid by proxy.

year, it and all other routes affected by the bid for that route will be filled by seniority at a special bid meeting.

C. Trips.

1. A sign-up sheet (Master List) shall be posted for 5 working days at the beginning of each school year. Drivers not signing the sheet will not be considered for the trip category that they did not sign. Drivers can notify the supervisor once during the school year to add their name to the list or take it off but not both.

2. **Daily Trips** are any trips that are scheduled during working hours (typically 5:00 a.m. and 5:00 p.m.) on scheduled work days. For regular run holders, the first two (2) hours of a Daily Trip that conflicts with the p.m. run will be paid at the Regular Run rate, and the remaining time will be paid at the Trip rate. In the event the Daily Trip is cancelled, then Section C, 9 of this Article will apply.

1. Daily Trips shall be awarded to drivers through the posting procedure on a rotating basis from the master list. The rotation continues for Daily Trips where it left off. Probationary drivers will be assigned on a rotating basis, to all Daily Trips that have not been signed up for by the other drivers. Probationary drivers will be placed on Daily Trips

listing upon satisfactory completion of their probationary period. In situations where there are no probationary drivers on the list, unfilled Daily Trips will be assigned on a rotating basis starting with the least senior driver. In situations where this driver cannot, due to extreme emergency conditions, accept the trip, it shall be assigned the next eligible driver on a courtesy trip basis. Daily Trips are to be posted on Friday or the last day of the work week and assigned on Friday or the last day of the work week in the week prior to the trip. In any case, a Daily Trip shall be posted for a minimum of three working days.

3. **After 5 and Weekend Trips.** All trips scheduled to depart after the normally scheduled work day, weekends, and holidays. After 5 Trips are to be posted in the same procedure as stated in Daily Trips (Article X, G, 2)
4. **Courtesy Trips.** If less time is given for posting a Daily or After 5 Trip, the trip will then become a Courtesy Trip. The Courtesy Trip shall be posted in accordance with Daily Trips (Article X, G, 2). Short-notice emergency trips will be designated by the bus supervisor and the supervisor may assign them to the first available driver and any driver accepting or refusing will not lose his or her turn in rotation.
5. When available, a substitute driver will be provided in the event the regular driver is scheduled on a trip that interferes with his/her regular trip. In cases where there are not a substitute driver available, the driver(s) and supervisor will coordinate efforts in order to cover the driver's route and trip.
6. There shall be no trading of trips among drivers.
7. All drivers not honoring the trip awarded to them excepting for extenuating

circumstances beyond their control, shall lose special trip bidding privileges for a period of fifteen (15) working days. The trip will be assigned to the next senior driver bidding on the extra trip. This procedure will not affect the rotation of trips already awarded out.

8. **Summer Trips:** A summer trip list shall be posted one (1) week prior to the end of the school year. Any trips during the summer will be offered on a seniority rotating basis. Refusal of a trip will cause the driver to be charged with a trip and the next senior driver will be offered the trip. If no driver accepts the trip then the supervisor will assigned the trip to the lowest seniority driver. The supervisor will move up the seniority list on the next occurrence if no driver accepts the trip.

9. **Cancellation.**

1. If a Daily or Courtesy Trip is canceled after the driver reports, the driver shall be paid for a minimum of four (4) hours at the trip rate of pay. The driver will then be eligible to pick one (1) of the next three (3) that will be posted.

2. If a Daily or Courtesy Trip is canceled before the driver reports for duty, the driver will be given a choice of the next three (3) trips that will be posted. If the driver refuses the first two trips he/she must accept the third trip or be charged for a trip.

3. Week-end and holiday trips that are take-over and drop-off will be paid a minimum of four (4) hours.

4. If a week-end or holiday trip is canceled after the driver shows up, the driver will be paid a minimum of four (4) hours. The driver will be eligible to pick one (1) of the next three (3) week-end trips that will be posted.

5. If the week-end or holiday trip is cancelled before the driver shows up for

duty, the driver will be eligible to pick one (1) of the next three (3) week-end trips that will be posted.

10. The Employer shall provide payment for the cost of fuel for extended special trips prior to the start of that trip. Any fuel that is purchased shall have a receipt turned in to the supervisor as soon as possible.

11. Driver and bus shall remain at the site of activity with driver available to drive at all times excepting when driver is given permission from person responsible for activity to obtain something to eat.

12. Shuttle Trip. Pay shall be seventeen dollars and fifty cents (\$17.50) per trip.

D. Substitute Drivers. A "*substitute driver*" shall be defined as a driver in the unit not assigned to a regular route. Drivers not assigned to a regular route and who do not sign up for designated routes will not be assigned to substitute those designated routes. If no driver on the substitute list is available, and then drivers will be assigned as in G.1 below. The Employer will diligently recruit and make every effort to maintain a substitute list of at least five (5) substitutes at all times.

After the Employer has attempted to contact a substitute five (5) times and the substitute has refused or been unavailable for contact, then the Employer will drop that employee from the substitute list until the employee meets with the Employer. If the Employer does not hear from that employee within two (2) weeks of the last time the substitute was contacted, then the substitute will be dropped from all lists and any seniority will be terminated. The exceptions to this are legitimate refusals due to illness, emergencies or granted leaves of absence. If a substitute driver is unavailable because of a legitimate reason, he/she shall inform the transportation supervisor.

1. Substituting Daily Routes. Drivers with regular routes may substitute on a regular rotating basis as long as it does not interfere with their regular assigned route.

If a regular route is unfilled after the sub list has been exhausted, the bus supervisor shall begin at the top of the regular driver seniority list and assign the route to the first driver available. This procedure will start after the last seniority driver is assigned.

2. Assignment of Substitutes to Routes: The first week of the school year a sign up sheet will be posted for drivers who are available to be substitutes. The substitutes will be awarded routes in rotation of seniority. If a high school route and an elementary route are available then both routes shall be assigned in rotation to the next seniority driver available. If only a high school route or an elementary route is available that route will be assigned to the next seniority driver in rotation.

3. Permanent Substitutes. A route that will be vacant for three (3) days or greater will have a substitute assigned to that route until either the permanent driver returns or the vacancy is filled.
