ARTICLE IX - SENIORITY, LAYOFF, AND RECALL

A. Seniority.

1. In September of each year the Board shall publish and distribute to each member of the bargaining unit a copy of the complete seniority list for the members of the bargaining unit. Such list shall include all individuals who hold seniority as a result of this Master Agreement.
2. In the event that more than one individual has the same last date of hire according to the aforementioned seniority list, a drawing shall be held to determine position on the seniority list. Seniority frozen in the previous classification shall remain frozen for as long as the employee is employed by the District. Seniority frozen shall not be used for bidding purposes. Seniority frozen may only be used by the employee to bump the least senior employee in the previous classification when he/she is facing a layoff in his/her current classification.

 - b. When an employee completes the probationary period in a satisfactory manner, he/she shall be entered on the seniority list and shall rank for seniority purposes from the date of hire.
 - c. Probationary employees shall come under the terms and conditions of the Master Agreement beginning with the date of hire, except the Board shall have the right to discharge said employee within the probationary period and said dismissal shall not be subject to the grievance procedure.
7. During the term of their respective offices, the local President shall be deemed to head the seniority list and the Chief Steward shall be deemed to occupy the second highest place on the seniority list for the purposes of layoff and recall only, provided said employee so listed is qualified to do the required work. Upon termination of his/her term said employee shall be returned to his/her regular seniority status.
