AGREEMENT

This Agreement entered into on this 1st day of July, 2007 between the Comstock Park School Board (hereinafter referred to as the "Board") and the KENT COUNTY EDUCATION ASSOCIATION/MEA/NEA (hereinafter referred to as the "union"). For purposes of this agreement, the Board shall be defined as including its administrators and supervisory agents.

ARTICLE 1 RECOGNITION, EMPLOYEES COVERED

A. EMPLOYEES COVERED

Pursuant to, and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the employer does hereby recognize the union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment, for the term of this agreement, of all building maintenance, mechanics, custodial and grounds, educational assistants, secretarial, clerical and copy machine operators, food service and transportation employees (hereinafter referred to as "employee(s)", excluding Supervisory employees and all Central Office personnel. Substitute bus drivers shall have no rights to move to another classification regardless of seniority. This shall apply to filling vacancies, bumping in layoff situations and recall.

ARTICLE 2 AID TO OTHER UNIONS

The employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreements with any such group or organization for the purpose of undermining the Union.

ARTICLE 3 UNION SECURITY

A. MEMBERSHIP CONTINUING

Employees shall, after completion of their probationary period, tender the monthly dues by signing the dues deduction authorization form or by paying the same directly to the Union. The Union agrees to notify the Board on or before September 1 of each year the amount of the dues and the Board agrees to deduct the dues from those employees who have executed the authorization form in ten (10) equal installments. Such authorization shall continue in effect from year to year unless revoked in writing from August 1 to August 31.

B. MEMBERSHIP NEW

Employees covered by this agreement shall, as a condition of employment, either become members of the Union or pay the Union's designated service fee. The District shall notify the Union treasurer of newly hired bargaining unit members within ten (10) days of their first day of work.

C. NON-MEMBERS

Employees who are not members of the Union on the effective date of this agreement, or employees covered by this agreement thereafter, who do not become members within thirty (30) days after the effective date of this agreement, or within thirty (30) days after their employment, shall pay to the Union a sum equal to or less than membership dues as a charge for the representation as long as they remain a non-member. The Union shall determine such fees.

D. MEMBERSHIP CONDITIONS

Employees shall be deemed to have met the conditions of the foregoing if they are not more than sixty (60) days in arrears in payment of dues or fees in accordance with paragraph A, B and C above.

E. INDEMNIFICATION CLAUSE

The Union agrees to indemnify the Board against any and all legal claims, demands, suits, or other forms of liability that arise out of action taken by the Board for the purpose of complying with the foregoing agency shop provision.

F. RELEASED TIME - LEAVE FOR UNION BUSINESS

1. Association Meetings

The Board may release employees working after 4 p.m. with pay to participate in local Union meetings not to exceed one (1) hour per year per affected employee. Time lost beyond the one (1) hour will be made up and paid when worked. Time made up will not result in payment of overtime if such time carries over into a subsequent workday. Notice of such meetings shall be provided to the Board not less than ten (10) working days before the meeting. At the beginning of each school year, the Association may schedule a meeting with bargaining unit members, not to exceed one and one half hours, which shall be paid by the Employer. Unless otherwise mutually agreed, this meeting shall be held on orientation day.

2. Conferences, etc.

Members of the Union will be allowed to attend area meetings, conventions or educational conferences held by the Union, up to a maximum of ten (10) working days (eighty hours). Time off to attend such conferences or conventions shall be with pay. Use of such leave is conditioned upon a minimum of five (5) working days notice, the availability of substitutes and payment of the substitutes, when used, by the Association.

G. SUBCONTRACTING

Should the Board make the decision to subcontract any support services, the Association shall be notified at least forty-five (45) days prior to requesting bids for such services. Should the law be amended to allow for the negotiations of subcontracting language, the parties shall immediately meet at the request of the other side to begin negotiations on successor language.

ARTICLE 4 UNION DUES AND REPRESENTATION FEE

A. UNION DUES

Employees shall after completion of their probationary period, tender the monthly dues by signing the dues deduction authorization form or by paying the same directly to the Union. The Union agrees to notify the Board on/or before September 1 of each year the amount of the dues and the Board agrees to deduct the dues from those employees who have executed the authorization form. Such authorization shall continue in effect from year to year unless revoked in writing from August 1 to August 31.

B. REPRESENTATION FEE

Any employee who is not a member of the Union shall as a condition of employment, pay a Representation Benefit Fee to the Union, provided however, that the employee may authorize payroll deduction for such fee in the same manner as provided for Union dues. The fee shall be determined by the Union.

C. WHEN DEDUCTIONS BEGIN

Check-off deductions under all properly executed Authorization for Check-off of Dues forms shall become effective at the time the application is signed by the employee and shall be deducted from the first pay of the month and each month thereafter following his/her probationary period. In the event that the amount of dues/representation fee exceeds the amount of the employee's pay on the first day of the month, there

shall be no deduction of dues/representation fee and collection of such fee shall be the responsibility of the Association.

D. REMITTANCE OF DUES FEES TO FINANCIAL OFFICER

Deductions for any calendar month shall be remitted to the designated address of the treasurer of the local Union, with a list for whom dues have been deducted, as soon as possible after the first payday of each month.

E. TERMINATION OF CHECK-OFF

An employee shall cease to be subject to check-off of deductions beginning with the month immediately following the month in which he/she no longer is a member of the bargaining unit. The local Union will be notified by the Board of the names of such employees following the end of each month in which the termination took place.

F. NEW POSITIONS

Any new positions created during the life of this agreement will be added to the unit providing it is similar to any position heretofore recognized. When mutual agreement is not reached regarding new positions, the decision will be referred to MERC.

G. CHANGES OF STATUS

The Board will make available to the treasurer of the local Union the names and addresses of each employee separated from the payroll, hired, laid off, recalled, or placed on approved leave of absence, or a change of address within fifteen (15) days of such change occurs.

ARTICLE 5 STEWARDS AND ALTERNATE STEWARDS

A. NUMBER OF STEWARDS

Employees of the bargaining unit shall be represented by the President, President elect, Treasurer, Secretary, one steward in each building, one steward for the bus drivers and one steward for the night shift.

C. PROCESSING GRIEVANCES

The President or stewards, when processing or investigating a written grievance or a complaint with the Board during working hours shall suffer no loss in wages. Time spent by the employee beyond regular working hours shall not mandate overtime payment.

D. UNION ACTIVITIES

E. IDENTIFICATION OF STEWARDS

The President shall advise the Board in writing of the names of the stewards, President, President elect, Treasurer and Secretary within ten (10) days of their election to office.

ARTICLE 6 SPECIAL CONFERENCES

A. SCHEDULING

Special conferences will be scheduled during the school year between the Union officers and representatives of the Board, upon the request of either party. Conferences shall be held at a time mutually agreed upon (normally outside of working hours). Members of the Union shall not lose time or pay for the time spent in such special conferences. Representatives of the Union and/or a representative of the Michigan Education Association may attend this meeting.

B. BUILDING USE

The union representatives may meet at a place designated by the Board on the Board's property for at least one-half hour immediately preceding such conference.

ARTICLE 7 GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A "grievance" is a claim by one (1) or more employees, or the Union, that there has been an alleged improper application or violation of this agreement.
2. An "aggrieved employee" is the employee (or employees) or the Union.

B. GRIEVANCE FORM (APPENDIX B.)

Any grievance presented in writing by the employee shall include the following:

1. What, when and where did it happen.
2. What article(s) and section(s) were allegedly improperly applied or violated.
3. Relief sought.

C. PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. If appropriate action is not taken by the aggrieved within the time limit specified, the grievance shall be deemed settled on the basis of the disposition at the preceding level. In the event the written answer is not submitted in the time specified, the aggrieved may proceed to the next level. The time limits specified may, however be extended by mutual agreement in writing between the President and the Superintendent or their designee.

1. INFORMAL

An employee may, within ten (10) Central Office business days of the occurrence of the event upon which the grievance is based, orally discuss this matter with his/her principal or immediate supervisor with the objective of resolving the matter informally.

2. LEVEL ONE

- a. If the aggrieved is not satisfied with the disposition from the oral discussion and wishes to further pursue the matter, he/she shall file the grievance in writing. The written grievance must be submitted to the employee's principal or immediate supervisor within fifteen (15) Central Office business days of the occurrence of the grievance.

- b. Within ten (10) Central Office business days of the filing date, the principal or immediate supervisor will meet with the aggrieved and/or representative in an effort to resolve it. A written answer shall be given within five (5) Central Office business days after such meeting expressing written disposition with a copy of the grievance returned to the aggrieved.

3. LEVEL TWO

- a. If the aggrieved is not satisfied with the disposition of the grievance at Level One b., written notification shall within seven (7) Central Office business days thereafter be transmitted to the Superintendent or designee stating the reason to pursue the grievance to Level Two. At this level the grievance form or written notification must be co-signed by the aggrieved and the Union except as provided by Act 379.
- b. Within ten (10) Central Office business days of receipt of such grievance, the Superintendent/designee and the grievance committee of the Board will meet with the aggrieved and appropriate Union official to discuss the issues. The employee may be present and shall be present at the request of either the Superintendent or the Union. By mutual agreement, the grievance committee of the Board will not be required to attend these hearings and the meeting will be held only between the Association and the Administration. A written answer shall be given within ten (10) Central Office business days after receipt of such grievance.

4. LEVEL THREE - ARBITRATION

- a. If the decision at Level Two is not satisfactory to the aggrieved, the grievance may be submitted to arbitration by written notice given by the Union to the Superintendent within thirty (30) calendar days after receipt of the Level Two decision. If the Board and the Union cannot agree upon an arbitrator within ten (10) days from the date the Superintendent receives the written notice, the matter will be submitted to MERC for settlement under their rules of binding arbitration.
- b. The arbitrator shall have no authority except to pass upon alleged violations of the express provisions of this agreement and to determine disputes involving the application or interpretation of the express provisions of this agreement. The arbitrator shall construe this agreement in a manner that does not interfere with the exercises of the Board's rights and responsibilities, except to the extent that such rights and responsibilities may be expressly limited by the terms of this Agreement.
- c. The arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this agreement and shall not substitute his/her judgment for that of the Board where the Board is given discretion by the terms of this agreement. The arbitrator shall not render any decision which would require or permit an action in violation of the Michigan School Laws. The termination of probationary employees shall not be subject to arbitration.
- d. The losing party shall pay the fees and expenses of the arbitrator. If there is a split decision, the arbitrator shall decide the payment of his/her expenses. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- e. All arbitration hearings shall be held in the school district.

5. CLAIMS FOR BACK WAGES

All claims for back wages shall be limited to the amount of wages that the employee would have otherwise earned, less any compensation that he/she may have received from other employment during the period for which back pay is claimed. This provision shall not apply to part-time or supplemental employment held prior to the period for which back pay is claimed.

ARTICLE 8 DISCHARGE AND DISCIPLINE

A. **WRITTEN DOCUMENTS AND MEETINGS**

1. The Board agrees to notify within seven (7) calendar days the President of any disciplinary action taken toward any employee within the bargaining unit. The Board shall limit the notice to the Union to the name of the employee and the date of the disciplinary action.
2. The Board agrees to provide a facility in which an employee disciplined and/or discharged may meet with a steward before he/she is required to leave the premises unless the nature of the employee misconduct warrants immediate removal of the employee from the premises.

B. **DISCHARGE AND DISCIPLINE**

Should the discharged or disciplined employee consider the discharge or discipline to be improper, a grievance may be submitted by the employee in writing at Level Two of Article 7 within five (5) working days following the action.

C. **PROBATIONARY EMPLOYEE**

Any employee working within a probationary period may be disciplined and/or discharged by the Board for any reason at any time.

D. **DISCIPLINE - JUST CAUSE**

The Superintendent or designee may discipline any other employee for failure to properly perform the duties of his/her assignment or position and/or misconduct constituting just cause leading up to and including discharge. This section and the arbitration step of the grievance procedure will not apply to the mandatory termination of employment as required by law.

E. **USE OF PAST RECORD**

In imposing any discipline on a current charge the Board will not take into account any prior disciplinary action which occurred more than two (2) years previously except where the record would show a pattern of behavior causing the disciplinary action. The parties recognize that material regarding unprofessional conduct cannot be removed regardless of any agreement to the contrary.

F. **NON-DISCRIMINATION**

No employee shall be discriminated against based on his/her age, race, national origin, color, sex, marital status, handicap, or religion by the Board. The duty to provide reasonable accommodation under this agreement shall be interpreted in a manner consistent with the American Disabilities Act. (ADA)

G. **FILES**

No materials of an evaluation nature shall be placed in an employee's file without his/her knowledge. The employee shall have the right to review his/her personnel file at reasonable times accompanied by a representative of the Union. The employee shall have the right to have a rebuttal statement attached to any evaluative materials being placed in his/her file.

H. **SECURITY CAMERAS**

Security cameras will not be used in the evaluation process, but may be used for disciplinary action. However, disciplinary actions may be used in the evaluation process.

ARTICLE 9 PROBATIONARY PERIOD

The probationary period for each new employee shall be sixty-five (65) employee working days of employment for that employee.

ARTICLE 10 SENIORITY

A. DEFINITION

The word "seniority" means continuous service with the Board beginning with the first date the employee reports to work in any position represented by the Union. Seniority for substitute bus drivers shall be from the first date of actual work, except for those drivers who accreted to the Union on 7-1-91. In the event more than one employee has the same seniority date, a tiebreaker shall be determined using the last four digits of the employee's social security number, with the highest number ranked highest, effective July 1, 1992.

B. PROBATIONARY EMPLOYEES

1. There shall be no seniority among probationary employees.
2. When an employee finishes the probationary period, he/she will be granted full seniority as defined in Section A.

C. SENIORITY LISTS

1. Classifications

The seniority list for the bargaining unit will show the name, hire date, job title, and classification in which the employee works. The classifications will be as follows:

Mechanics & Maintenance
Custodial & Grounds
Food Service
Secretaries
Clerical
Educational Assistants (including copy machine operator)
Transportation

2. Posting

- a. The Board and the Association shall prepare and post conspicuously in all buildings of the District an official seniority list by January 15 each year. This list shall be displayed throughout the remainder of the school year.
- b. During each school year the Board and the Association shall amend the seniority list as changes occur, incorporating the changes into a new list to be posted by January 15th. Any amended seniority list shall be made available to any Association member upon request.
- c. An employee who feels that his/her seniority is inaccurately posted must challenge their seniority listing by March 1 in order to be considered for a seniority adjustment. If changes are made in any employee's seniority list or any new hires are added after January 15, a revised list will be posted by the end of the school year.

D. LOSS OF SENIORITY

Seniority shall be lost for any of the following reasons:

1. If the employee quits.
2. If the employee retires.
3. If the employee is discharged.
4. If the employee is absent for three (3) consecutive working days without properly notifying the Supervisor, unless it was impossible for the employee to submit such notification.

5. If the employee does not return from leave of absence within three (3) working days after the leave expires without notifying the Supervisor unless it was impossible for the employee to submit such notification.
6. If the employee is laid off for more than twenty-four (24) months. The employee shall be responsible for keeping his/her address current with the Board. The Board's obligation is limited to sending the recall notice to the address on file.
7. If the employee does not return to work within ten (10) working days after the date of recall, extension of the ten (10) days will be subject to notification of the need for the extension within the ten (10) day period to the superintendent for approval.
8. If an employee is promoted to a position under the employer not included in the unit, and is within twelve (12) months returned to a position within the unit, he/she shall retain but not accumulate seniority while working in the new position. Employees returning to the unit under the above circumstances shall retain all rights previously accrued for the purpose of any benefits provided for in this agreement.

ARTICLE 11 SHIFT PREFERENCE

A. REQUEST (Custodial)

1. Once in the life of each contract, on or before August 1, each employee may request a shift preference providing there is more than one (1) shift in the classification in which the employee works. Assignment to shift preference shall be in accordance with the provisions of Article 14 b. The normal shift times are second shift from 3:30 p.m. until 11:30 p.m. and third shift from 11:30 p.m. until 7:30 a.m. with an allowable time change up to one and one-half (1 ½) hours. Employees will be paid at the shift level that the majority of their hours occur.
2. An employee who has been unable to perform the duties of a particular position shall not be able to select that position again until such time as he/she has received additional training or the position has changed. The specific deficiencies and methods of improvement shall be provided to the employee.

B. NEW SHIFT TIMES (Custodial and Maintenance)

In the event a new shift is applied to a given position, the employee with the most seniority within the classification in which the shift is applied will be given preference. The employee desiring such shift shall notify the Board in writing of his/her preference within three (3) working days after being notified.

NOTE: A revision of working times for an established shift shall not be considered a "new shift" provided the time revision is not in excess of one and one-half (1-1/2) hours. Notice of change of times as a regular assignment shall be given not less than seven (7) days prior to the change.

C. LAYOFFS/SHIFT CHANGES

Shift changes will be made by seniority (i.e., least senior employee will be moved first).

ARTICLE 12 MUTUAL CONSENT

This agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in writing and signed by both parties as an amendment to this agreement.

ARTICLE 13 LAYOFF AND RECALL

A. DEFINITION

The definition of the word "layoff" means a reduction in the number of employees employed by the Board for any reason, with recall rights.

B. SENIORITY

1. The President, grievance chairperson, and each steward shall, in the event of a layoff, be continued at work as long as there is a position in his/her classification that he/she can satisfactorily perform.
2. Employees shall retain but not accrue seniority while on layoff.

C. LAYOFF PROCEDURES

If it becomes necessary for a layoff, the following procedure will be used:

- Layoff Order

In the event of a layoff, the person with the least seniority in the classification, regardless of shift, will be laid off first, providing there are remaining employees who are qualified to perform the remaining work.

2. Efforts to Avoid Layoffs

The Board may accept requests for voluntary layoffs, unpaid leaves and voluntary reductions in hours in the classifications being reduced. Such voluntary layoffs shall not affect the employees recall rights.

3. Probationary Employees

When probationary employees are employed in those classifications where layoffs shall occur, they shall be the first to be laid off.

4. Non-probationary Employees

Non-probationary employees will be laid off according to inverse order of seniority, i.e., the employee with the least seniority within the classification being affected.

Employees who have been reduced from their classification shall have the right to bump a lesser senior employee within his/her classification group occupying a position within the same benefit level or a lower level.

An employee bumped by the operation of the above sentence shall have the right to bump a lesser senior employee within his/her classification group occupying a position within the same benefit level or a lower level.

Each subsequent employee bumped by the operation of the above sentence shall have the same bumping rights as the above.

An employee with insufficient seniority to bump within his/her classification group shall be laid off, unless said employee has previously accumulated seniority within another classification group, in which case the employee may bump according to the provisions of this paragraph and transfer all seniority.

5. Necessary Qualifications

The layoff procedure is contingent upon remaining employees in the affected classification being minimally qualified or licensed (if required by code) to perform the work remaining. A person working in a classification shall be deemed minimally qualified in that classification for purposes of this provision only. In no case shall an employee be able to bump into another classification if he/she has never had seniority in that classification.

6. Special Conference

A layoff will not be affected without special conference held at least one (1) week prior to the effective date of layoff notice if the union is available to meet. Employees to be laid off will receive at least thirty (30) calendar days notice. Layoffs for the following school year shall be notified thirty (30) calendar days before the last day of school.

7. Loss of Hours

a. In the event an employee is faced with the prospect of losing hours as compared to the previous year, the employee shall have the right to exercise seniority within the classification or any classification in which the employee has worked to attempt to receive a job with more hours. From the start of the school year and up to October 15th, the employer will not reduce hours across more than 20% of the employees of a classification in lieu of layoff due to economic reasons. After October 15th, the employer will reduce hours of the least senior employee of a classification in lieu of layoff due to economic reasons.

b. If the hours of an employee who works less than twelve (12) months per year are reduced, resulting in a loss of benefits, and no comparable position exists within the same classification in which the hours were reduced, the employer shall offer the employee an existing bargaining unit position (if any) held by another less than twelve (12) month employee with less seniority in the same or another classification, to restore the hours necessary to qualify for benefits with the least disruption possible. An employee whose hours are reduced will not be assigned a combined position with conflicting hours. The employee must be qualified for the position in which the additional hours will be assigned. If hours are later restored in the employee's prior classification, the employee will be reassigned to that classification.

8. Educational Assistants

Any educational assistant who has not worked as a special education or healthcare educational assistant shall not be able to bump into one of those positions unless he/she has either previously worked in such a position and/or has taken training for those positions as determined by the Educational Assistant Training Committee. This provision shall not apply if the employee has not been afforded the opportunity to take such training.

D. PROBATIONARY EMPLOYEES

The Board shall not be required to recall any probationary employee who was laid off.

E. RECALL PROCEDURE

1. Seniority

When the work force is increased following a layoff, employees laid off shall be recalled according to seniority within the affected classification providing he/she meets the minimum qualifications for the position. An employee must have, or have had, seniority within a classification to be eligible to be recalled to it.

2. Notice

Notice of recall shall be sent to the employee at his last known address by registered mail or certified mail. If the employee fails to report for work within ten (10) working days from the date of the mailing or notice of recall, he/she shall be considered as a quit.

3. Rejecting Recall

Employees recalled to a position with lower pay and/or fewer hours may reject recall to that position and remain eligible for recall.

4. Return to Full Positions

When an employee involuntarily loses a portion of his/her position and that position is reinstated, he/she shall be entitled to that position without posting.

F. SENIORITY APPLICATION TO MULTIPLE JOB EMPLOYEES

Employees shall not apply district-wide seniority to more than one job classification at the same time. Seniority will be in the classification with the most hours. If hours are equal, the employee must declare the classification of seniority. Seniority rights for purposes of layoff and/or recall shall not accrue for any job classification in which an employee did not hold seniority.

ARTICLE 14 JOB POSTING

A. ANNOUNCEMENT

The Board shall notify the employees by posting with a copy to the Union President of the newly created or vacated positions to be filled within the bargaining unit. Positions may be adjusted up to forty-five (45) minutes as needed to accommodate schedule changes without posting. Added time shall be in accordance to the employee's current position. Vacancies known to be of two (2) weeks or longer shall be posted. Every effort will be made to have an advance posting for known vacancies. A previously new position will be reposted if the hours increase beyond the initial posting and the increased hours qualify for additional benefits within one year of the initial posting. Summer postings will remain on the designated web site for no less than two (2) weeks. Employees who wish to receive summer postings via U.S. Mail should notify the Superintendent's Office prior to the end of the school year. In filling custodial vacancies, seniority within the custodial classification shall be the first factor considered (i.e., no employee from another classification shall be considered unless no custodial employee has applied for the vacancy). Custodial seniority may not be used in filling vacancies outside the custodial classification unless no other bargaining unit member applies. Regardless of how a vacancy is filled, the employee will bring his/her full seniority into that classification.

2. Trial Period and Notification of Applicants

The trial period shall be used to determine the employee's desire to remain on the job or the Board's desire to have the employee continue the assignment. The Board shall, upon request, provide the Union President the name of the senior applicant and whether or not such applicant was awarded the position.

C. DISAGREEMENT

In the event the senior applicant is denied the job or removed within the trial period, the reasons shall be given in writing to the employee with a copy to his/her steward. If the senior applicant disagrees with the reasons he/she may invoke the grievance procedure.

D. RATE OF PAY

During the trial period, the employee will receive the rate for classification of the position he/she is performing. If an employee moves to a classification with a higher maximum rate, the employee shall be placed on the lowest rate of pay for that classification that is higher than the rate of pay the employee was making prior to the move. If an employee moves to a classification with an equal or lower maximum rate, the employee shall be placed at the rate of pay that corresponds to the step on which the employee was on prior to the move.

All interested drivers shall have twenty-four (24) hours notice, (provided the employer has 24 hours notice) to sign their names for the extra trip(s). Extra duty trip assignments shall be made on a rotation system initiated by seniority and are not to be in conflict with a driver's regular run(s), unless approved by the administration. A driver must have an AM and PM run to be on the regular drivers' rotation list. Any regular drivers with less than an AM and PM run shall be on the sub drivers' rotation list. A second rotation system shall be maintained for substitute drivers for those extra trips which regular drivers are not available to take. If a driver, when his/her turn is available, fails to

accept an extra duty trip(s) he/she shall automatically be eliminated from their turn. In the event there are insufficient volunteers for daytime extra trips, the Board may assign a driver to take the trip, by inverse seniority, provided the assigned driver has no other conflicting employment. When it becomes necessary to assign a driver an extra duty trip in lieu of his/her regular run, volunteers will be sought. If no one volunteers, the extra duty trip shall be assigned to the least senior driver.

 2. Non-student Attendance Periods The eight (8) hour per day limit may be waived by mutual agreement between the Union and the Employer to provide for a forty (40) hour week with daily hours in excess of eight (8) to a maximum of ten (10) hours per day during periods that students are not in attendance (except the week of the 4th of July).

Additional hours must be mutually agreed upon in advance by the secretary and supervisor. There shall be no use of compensation days after May 1. Compensation time remaining as of May 1 will be paid to the employee at time and a half. Normal work hours will not be compromised by additional time without mutual agreement by the secretary and supervisor.
