1. It is specifically agreed that with respect to any vacancies in positions listed in Article 27 of this Agreement, the Board shall hire bargaining unit personnel who apply for such positions as posted, pursuant to Article 10 and who are qualified to fill such positions. If no vacancies occur or if no bargaining unit members apply and/or are qualified to fill such vacancies as may occur, the Board may hire nonbargaining unit personnel or utilize volunteers to fill such positions and shall be entitled to compensate non bargaining unit personnel at any rate not greater than the sums set forth in Article 27 of this Agreement. Qualified shall be defined by the requirements set forth in the posting.
2. The Board shall have the right to subcontract school psychologist work on a temporary/emergency basis, due to peak period overload.
3. The right to contract or subcontract is expressly vested in the Employer. 4. The Board's right to participate in regional/consortium/apprenticeship educational opportunities of a nature which has existed shall not be encumbered by the above provision.

F. COMMUNITY EDUCATION

Preferential consideration of current or laid-off bargaining unit members will be given provided such applicants are certified and qualified as per the posting for the position(s) in question.

It is further agreed that Community Education programs will not:

1. Displace regular K-12 programs;
2. Interfere with regular K-12 programs, or
3. Displace any regular K-12 employee.

ARTICLE 2 ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. EMPLOYEE RIGHTS

The Board hereby agrees that each employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining and processing of grievances.

B. AGENCY ASSISTANCE

The Board recognizes the right of each employee to appropriately invoke the assistance of the Michigan Employment Relations Commission or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement.

C. INFORMATION

Upon request from the Association, the Board shall provide reasonable information in the form in which it is available concerning the financial resources of the Board, tentative budgetary requirements and allocations and other such information as will assist the Association in developing accurate information on behalf of the employee(s). Any information not immediately available shall be provided within ten (10) calendar days from such request. The request shall be in writing if directed by the Board.

D. FACILITIES

The Local Association, with the approval of the Superintendent or designated representative, shall have the right to use school building facilities at all reasonable hours for meetings. Materials and Duplicating machinery used for the benefit of the organization shall be requested in writing prior to usage and be paid for by the Association. Materials used for the preparation of items of mutual and common use shall be provided without cost by the Board. Bulletin boards and other media of communication, which are available between schools, shall be made available to the Local Association.

E. DEDUCTIONS

The Board, when authorized by the employee, in writing, shall deduct membership dues the total sum of which is equal to the combined dues of the Association, from the regular salary of each employee. Such deduction shall begin within thirty (30) calendar days after receipt of authorization or beginning of employment, whichever is the latest. All monies collected shall be remitted monthly to the Association.

F. LOCAL ASSOCIATION INVOLVEMENT

The Local Association is encouraged to express its opinions to the Board and/or Administration, with respect to questions of finance, millage, construction programs, educational policy and other matters of common concern.

G. MAIL

The Board agrees to accept mail of the Local Association or each employee at the school mailing address. During the summer, any teacher expecting to receive shipment of school related materials shall also include the name of the school on the mailing so that such shipments may be opened by the Employer.

H. ASSOCIATION DAYS

Leave days may be provided upon request of the Association's designee. These days are to be used for professional advancement, educational conferences, or conventions and are not to exceed four (4) employees on any one day, provided sufficient substitutes are available, or a total of fifteen (15) leave days during any one school year. Additional employees may be released on a given day only with the approval of the Superintendent. The Association shall pay the per diem rate of the substitute hired to replace the employee. The Association shall be responsible for the record keeping related to this provision and make such records available to the Employer.

I. EXCELLENCE IN TEACHING

The teacher accepts responsibility to strive for excellence in teaching, and to take advantage of opportunities for continually improving his/her teaching skills and his/her relationships with children.

J. PARENT CONFERENCES

Teachers shall arrange for conferences with parents when it appears that better understanding and more cooperative support from the home is required for the student's progress in the program.

ARTICLE 3 EMPLOYEE RIGHTS

A. CITIZENSHIP

Each employee shall be entitled to full rights of citizenship. Employee involvement in religious or political activities, or lack thereof, outside of the employee's employment responsibilities shall not be grounds for any disciplinary action.

B. APPLICATION OF AGREEMENT

The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, handicap or membership in or involvement in the normal activities of the Association. The parties recognize the protection provided here for a handicap is limited to reasonable accommodation. The duty to provide reasonable accommodations under this agreement shall be interpreted in a manner consistent with the American Disability Act (ADA).

C. PERSONNEL FILE

Each employee, upon request, has the right to review the entire contents of his/her personnel file. A representative of the Association may accompany the employee if so requested. Nothing which comments upon the employee's performance may be placed in the employee's file to which the employee has not been allowed to respond in writing. All written responses by the employee will be included in the personnel file. Items may be removed by mutual consent of the employee and the Board or its designee, however, the parties recognize that material regarding unprofessional conduct cannot be removed from the file regardless of any agreement to the contrary. The Board will advise an employee of a request for information from the employee's personnel file, except when the request is made by an individual with a professional association with the Board (e.g., attorney, administrator, etc.) or when the request is made pursuant to an investigation/hearing by a governmental agency/department or when the information will be used as evidence in any action involving the Board (e.g., Workers' Compensation, arbitration, MERC, etc.). Identification of the requesting person will be provided, if known.

An employee will be allowed to remove any items related to, or represented as a disciplinary action(s), excluding unprofessional conduct, four years after the date of such items.

D. ACADEMIC FREEDOM

1. Teacher Rights

The parties agree that free discussion of historic, scientific and/or contemporary issues, with free access to all relevant information, is the heart of the democratic process and, therefore, the following rights of teachers in working with students are accepted:

- a. the right to study any of the above-stated issues which have political, economic, scientific or social significance;
- b. the right to free access of all relevant information; and
- c. the right to study and discuss issues in an atmosphere free from bias and prejudice.

2. Teacher Responsibilities

The teacher has the responsibility of treating subject matter and issues in an objective and scholarly manner, i.e. the teacher shall approach historic, scientific and/or contemporary issues in the classroom in an impartial and unprejudiced manner and the teacher shall refrain from using his/her position and prestige as a teacher to promote a partisan point of view.

3. Activities Contrary to Board Policy

The Board or its designee(s) do not waive their rights to invoke Article 5 of this contract, if they feel that the teaching or activities of any employee(s) are contrary to Board policy, rules or regulations.

4. Board Responsibilities

The Board has the responsibility to use its best efforts to protect teachers from interference, harassment or threats to academic freedom as defined, provided, however, that this paragraph shall not obligate the Board to take any specific legal action to restrain or limit the rights of individuals or organizations, including members of the community, to freedom of speech, assembly, and the like.

ARTICLE 4 ASSOCIATION MEMBERSHIP

A. MEMBERSHIP

Membership in the Association is not compulsory. Employees have the right to join, not join, maintain or terminate their membership in the Association. Membership may be dropped by providing written notice to the Association treasurer between August 1 and 31 of any given year. Neither the Association nor the Board shall discriminate against an employee as a result of his/her action regarding this matter.

B. PAYMENT OF DUES OR FEES

All full-time employees in the bargaining unit shall, on or before the sixtieth (60th) calendar day following the beginning of the school year, beginning of their employment, or the execution of the collective bargaining Agreement, whichever is later, as a condition of employment, or of continued employment, either:

1. Become a member of the Association, or
2. Pay to the Association an amount of money which the Association certifies in writing as a cost (hereinafter referred to as fees) equal to the negotiation and administration of this Agreement. Such cost amount shall be verified and submitted in writing to the Board on or before September 15 of each year, and notice of this fee shall be presented in writing by the Association to all employees. This amount shall not exceed Association dues.
3. Full-time employees hired during the school year shall be required, as a condition of employment, to tender (through direct payment or deduction authorization) only a pro rata amount of fees. Such pro rata shall be based on a maximum of ten (10) months (school year) and/or the number of months remaining in the school year. (Within a month, it is the majority of days left that shall govern.)
4. Temporary or substitute employees shall not be required to join the Association or pay a representation fee thereto.
5. Employees hired on a regular part-time basis shall be required to join the Association or pay a representation fee.

C. NON-PAYMENT OF DUES OR FEES

In the event an employee does not pay the required amount as scheduled for regular and addenda positions, the Association shall notify the employee of noncompliance therewith by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall further advise such employee that an involuntary payroll deduction of such dues shall commence if compliance is not affected.

D. COURT DECISION

If any court of competent jurisdiction or administrative agency holds that an "agency shop" clause is invalid, illegal, or unconstitutional, or that it violates any Federal or State law, or that it is in conflict with any Federal or State law and/or regulation or if the Legislature enacts a law forbidding the "agency shop" clause, or any part thereof (which this Article does not conform to or with), this Article shall be null and void and the Association shall reimburse all employees who have been required to pay either dues, fees or service charge, provided such employee must request the Association for reimbursement within thirty (30) calendar days of such court, agency, or legislative decision or action.

E. SAVE HARMLESS CLAUSE

In the event the Board, acting on the request of the Association, discharges or attempts to discharge an employee for failure to comply with these provisions, the Association shall assume all costs, indemnify and save harmless the Board against any and all claims, demands, suits, expenses or other forms of liability, including back pay, of whatsoever kind and nature, that shall arise out of action taken by the Board for the purpose of complying with the provisions of this Agreement.

ARTICLE 5 BOARD RIGHTS

A. RESPONSIBILITIES

The Board, on its own behalf and on behalf of the electors of the School District, hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States of America.

B. AUTHORITY

The Association recognizes that the Board is legally responsible for the operation of the entire school system and that the Board has the necessary authority to discharge all of its responsibilities subject to laws above-mentioned and the provisions of this Agreement.

C. MANAGEMENT

In meeting such responsibilities, the Board acts through its management staff. Such responsibilities include, without being limited to:

- The establishment of education policies;
- The construction, acquisition and maintenance of school buildings, equipment and supplies;
- The qualifications, selection, testing and training of employees;
- The hiring, transfer, assignment, supervision, discipline, promotion and termination of each employee;
- The establishment and revision of Rules and Regulations governing and pertaining to work and performance of each employee.

The Board and administrative staff shall be free to exercise all of its managerial rights and authority to the extent permitted by law, provided, however, that no actions shall violate any of the express terms of this Agreement and no rules or regulations shall be adopted or revised which violate the express terms of this Agreement.

ARTICLE 6 CALENDAR GUIDES

A. WORK DAYS

1. The conference week shall be as follows unless agreed to otherwise by the Superintendent and the Association president:

Semester (K-12)

Fall and Spring

Three conferences at 3.5 hours each in both Fall and Spring for a total of six (6) conference sessions.

Full-Time Kindergarten Teachers

Fall and Spring

Five conferences at 3.5 hours each in both Fall and Spring for a total of ten (10)

conferences scheduled at 20 minutes per conference session.

Full-time kindergarten teachers have a larger number of parents to meet for parent teacher conferences. They will be scheduled for seven (7) additional hours each semester (consisting of two (2) three and a half (3.5) hour blocks each semester). Therefore, during the school year kindergarten staff will work fourteen (14) more hours than other staff members during parent teacher conferences. As a result, they will be given the option of having compensation time for the extra fourteen (14) hours or being paid for this time in accordance with Article 6.A.1.

Part-time teachers will receive the same rate of compensatory time as full-time teachers.

Trimester (K-12)

Fall, Spring and Winter Conferences

A total of eight (8) conferences will be held at 3.5 hours each – 3 fall, 3 winter and 2 spring

Conference dates and times will be determined by each building's school improvement committee by the end of May for the following school year. Conferences must be held within four weeks of the end of the marking periods. No more than two conference sessions per building may be held in one week and conferences may not be scheduled in conflict with another building, if possible. Compensatory time for conferences shall be scheduled by the parties when negotiating the school calendar. Compensatory time will be granted as follows: for every 3.5 hours conference time served outside of the regular work day – one half (1/2) day of compensatory time will be given. In exchange for one of the scheduled compensatory days, each teacher shall be credited with one (1) conference compensatory day each year.

Use of any compensatory day shall be subject to the following conditions:

- a. The following limitations are placed on the number of teachers from each building who will be granted use of a personal business day and/or compensatory day on the same day.

<u>Building</u>	<u># of Teachers</u>
High School	4.....6
Mill Creek	4.....6
Pine Island	4.....5
Stoney Creek	3.....4
Greenridge	3.....3
North Kent	2.....2

- b. Teachers may take a compensatory day at anytime, except as limited by this Agreement.
- c. Teachers must apply for the use of the compensatory day no less than five (5) business days before the requested use.
- d. There shall be no use of the conference or substitute compensatory day after June 1st.
- e. If more than the allocated number of teachers apply for use of the compensatory day or personal business day on the same day, and the use is more than sixty (60) calendar days away, the most senior of teachers will be awarded the day.

- f. Once the desired day is less than sixty (60) days from requested use, seniority will not apply in the award of the day. The day, in this circumstance, will be awarded on a "first come, first serve" basis.
- g. Any disputes of this portion of the contract will be resolved by the EA's President or designee and the Superintendent or designee.
- h. Teachers who do NOT use the conference compensatory day(s) will be paid an additional \$75. The \$75 payments will be made per regular payroll and before the end of the school year.
- i. No teacher will be allowed to use seniority to take the same day off in more than one year.
- j. No more than three (3) compensatory days and/or personal days may be used consecutively. For additional consecutive days employees may apply to the superintendent or designee.

Exceptions to the above guidelines will be made at the discretion of the Superintendent or Superintendent's designee.

2. At each building all staff are expected to attend an evening school open house. The date and agenda is to be set by mutual agreement of the respective building principals and school improvement committees by the end of May for the following school year. An employee with an unavoidable schedule conflict shall inform the building principal of such a conflict at the time the meeting is set unless it involves an emergency situation that arises after the open house has been scheduled so that the principal has time to arrange for an alternate host/hostess (e.g., parent of a student).

B. COMPENSATION FOR EXTRA WORK

1. For direct instructional extra work required by the Board, not covered by the attached salary schedule, the employee shall be entitled to additional compensation at an hourly rate found by dividing his/her per diem salary by six (6).
2. For non-direct instructional extra work required by the Board, not covered by the attached salary schedule, the employee shall be entitled to additional compensation at an hourly rate found by dividing the beginning BA base per diem salary by nine (9).
3. School Improvement Committee meetings will only be scheduled by administration during time scheduled for staff/in-service meetings, or through release time. Prior approved time beyond the normal teacher duty hours/work year will be compensated at the rate of \$10.00 per hour.

C. SCHOOL CLOSINGS

1. On school closings due to inclement weather or other emergency reasons, teachers need not report to work.
2. If attendance days and/or instructional hours fall below the state required minimums, the days shall be made up on days reserved for that purpose in the school calendar or at the end of the school year in June unless a mutually agreeable alternative can be reached between the Association and the Board.

D. EXTRA TIME FOR NEWLY HIRED TEACHERS

In their first year of employment with Comstock Park Schools, each teacher shall be required to report for duty on four (4) days in the week prior to the start of school for previously employed teachers. On one of these days, two hours of the day shall be designated as time for the union to meet with the new teachers. The newly hired teacher must fulfill this requirement or the hourly rate for missed hours shall be deducted from the last paycheck of the year.

E. FIRST DAY ASSOCIATION MEETING

The Association shall be provided one and one half-hours on the first day of attendance for all teachers each year. The time shall be used for a general meeting to be held after the opening session and before teachers return to their building assignments. The lunch period shall not be included in this time.

ARTICLE 7 WORK HOURS

A. HIGH SCHOOL (9-12)

1. Day Defined

The High School day shall be seven (7) hours and five (5) minutes, except as otherwise provided in this Agreement, which shall include one period of the regular class schedule to be set aside for a preparation period. Employees are expected to be on duty five (5) minutes before and ten (10) minutes after the regular scheduled class day, and during class changes/passing times. Employees shall have a thirty (30) minute duty-free lunch period.

2. Zero Hour

The Board may offer regular class length courses just prior to the regular course schedule under the following conditions:

- a. Recommendations for course offerings will be developed through Board and Association joint decision making efforts.
- b. Scheduled hours of a 0-hour teacher will be consistent with Article 7 of the Master Agreement except that the teacher's day will be moved up one teaching period, unless mutually agreed between the teacher and building principal, with the concurrence of CPEA.
- c. The schedule of a 0-hour teacher will be arranged with consecutive periods so that there is no unassigned and uncompensated period, except the lunch period, between assignments, unless mutually agreed between the teacher and building principal, with the concurrence of CPEA.
- d. A teacher may volunteer but shall not be required to teach during 0-hour.

- e. The building administrator will ensure that media center services are available to the 0-hour upon 24-hour notice.
 - f. A non-tenure teacher will not be permitted to teach five classes in addition to a zero hour assignment without the approval of the superintendent and CPEA.
3. Seminar Period

- b. The parties also believe that in the process of this collaboration around the implementation of Site Based Decision Making (SBDM), there will be a growing sense of openness of communication, growing trust and, ultimately, a developing ability to problem-solve for the improvement of quality education in the Comstock Park Public Schools System.
- c. The Comstock Park Board of Education and the Comstock Park Education

Association (MEA/KCEA) agree to explore together a process of decision making that will deliberately place greater authority and responsibility for education and related decisions within the school itself or within the direct educational delivery unit. Upon recall, the individual's employment contract and all benefits under this Master Agreement, shall be reinstated in full.

2. If the laid-off employee refuses a recall to a position which is equal, or more than equal, in time worked in the position from which he/she is laid off and for which he/she is qualified and certified, seniority and subsequent recall rights shall be forfeited unless the teacher is under contract to another school district in which case the teacher shall be exempt from forfeiture for that year only.
3. A representative of the Board shall make reasonable effort to contact the employee by phone or email prior to sending the notice of recall and contract offer by mail to inform the employee of proffered employment. Notice of recall shall be sent to the laid-off employee's last known address by registered or certified mail, along with a contract offer. A copy of such notice shall be sent to the Local Association. If the employee fails to return or mail the contract within ten (10) calendar days of receipt of said notice, the employee shall be said to be voluntarily terminated. B. LEVEL ONE - FORMAL

The written grievance form must be submitted to the principal or immediate supervisor within ten (10) school days from occurrence of the grievance with the principal and immediate supervisor. Within five (5) school days of the receipt of the written grievance, the principal or immediate supervisor shall answer the grievance expressing written disposition with a copy of the grievance returned to the aggrieved.

C. LEVEL TWO - SUPERINTENDENT

1. If the aggrieved is not satisfied with the disposition of the grievance at Level One, written notification shall within seven (7) working days thereafter be transmitted to the Superintendent or designee stating the reason to pursue the grievance to Level Two. 2. Within ten (10) school days after the date of a written request for arbitration, a committee of the Board, or its designated representative, and the Association, may agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator, within the ten (10) day period herein provided, either the Board or the Association may, within twenty (20) school days after the date of the written request for arbitration, request M.E.R.C. to submit a list of qualified arbitrators. The arbitrators shall then be selected according to the rules of the M.E.R.C.
3. The arbitrator shall hear the grievance in dispute and shall render his/her decision in writing within thirty (30) days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth his/her findings and conclusions with respect to the issue submitted to arbitration. The arbitrator shall confine his/her decision to the particular case submitted to him/her. Both parties agree to be bound by the award of the arbitrator and agree that judgement thereon may be entered in any court of competent jurisdiction.
4. The arbitrator shall have no authority except to pass upon alleged violations of the express provisions of this Agreement and to determine disputes involving the application or interpretation of the express provisions of this Agreement.

The arbitrator shall construe this Agreement in a manner that does not interfere with the exercise of the Board's rights and responsibilities, except to the extent that such rights and responsibilities may be expressly limited by the terms of this Agreement.
5. The arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement and shall not substitute his/her judgement for that of the Board where the Board is given discretion by the terms of this Agreement. The arbitrator shall not render any decision, which would require or permit an action in violation of the Michigan School Laws. The termination of first and second year probationary teachers shall not be subject to arbitration.
6. The arbitrator's fees and expenses shall be borne by the losing party. The expenses and compensation of any witness or participants in the arbitration shall be paid by the party calling such witness or requesting such participant.
7. A complaint or dispute involving the discharge or demotion of a teacher on continuing tenure shall not be subject to the grievance and arbitration procedure but shall be presented, heard, and resolved pursuant to the provisions of Act 4, Public Acts of Michigan, 1937 (Ex. Sess.), as amended (Tenure of Teachers Act.).
8. All arbitration hearings shall be held in the school district.
9. Grievances filed after May 1 may be filed concurrently with the principal/immediate supervisor and the Superintendent. Both parties will make efforts to resolve any disputes prior to the end of the current school year.

The Board shall bear the full cost of the examination.

C. ALCOHOL ILLNESS

The Association and the Board jointly recognize that alcoholism is an illness and shall be treated as such pursuant to the application of the terms and conditions of this Agreement. The parties further agree that the goal of the Board and the Association to provide a high quality education program for students requires that teachers report for work fit for duty and not in an intoxicated state.

The Board agrees that any bargaining unit member with an alcohol abuse problem who requests diagnosis or treatment will not jeopardize his/her job rights or job security because of such request and that such problems will be handled in a confidential manner.

When an administrator observes a bargaining unit member experiencing difficulties in maintaining his/her performance and those difficulties, in the opinion of the administrator, are due to alcohol abuse, he/she will discuss the apparent difficulties with the bargaining unit member at a specially scheduled conference. The bargaining unit member shall be afforded the right to have appropriate Association representative(s) present at such interview, unless the employee waives his/her right to such representation.

The parties concern is limited to problems that cause poor attendance and/or unsatisfactory performance on the job. Accordingly, the Board will not require testing of bargaining unit members through the taking of blood, urine, or breath samples in order to determine if they are working under the influence of alcohol unless the Board has reason to believe that the employee is working under the influence of alcohol.

In such cases, the employee will furnish the principal or immediate supervisor with full particulars of the incident (in writing if requested) as soon as possible.

The Board recognizes the need to have reasonable rules established for student conduct. At the beginning of each school year, the district will distribute to all students and staff of the district a copy of all rules of conduct for students that shall be in effect at the time. APPENDIX D

Method of payment for part-time employees covered by the provisions of the currently effective Master Agreement.

Stipulations:

- 1) The currently effective Master Contract provisions will apply to wages, hours, terms and conditions of employment in determining wages, benefits and working rights of regular part-time teachers.
- 2) The basis for determining part-time pay applicable to any K-12 employees will arise from the full-time salary schedule negotiated for full-employment.
- 3) Instructional class time (contact time in teaching and supervising students) will be based on duty in the classroom and engaging in preparation, conference or planning activities as expressed herein.
- 4) The base value for full-time teaching will be five (5) sixty (60) minute periods not to exceed 300 minutes per day for all employees. Any time beyond 300 minutes per day will require additional wages.
- 5) Classroom assignments will not be "gapped" with non-duty time unless agreed to by the part-time employee. Part-time assignments to classroom duty will be sequential in schedule. If preparation, conference or planning periods (times) are included within two assigned periods, the time will be counted as duty time, unless otherwise agreed to by the part-time employee. Gaps between assignments may be paid pro-rata if agreeable to the parties.
- 6) Whenever possible, full-time employees will be utilized in conducting School District teaching assignments and part-time employees will be used on when absolutely necessary.
- 7) A method for determining wages and compensation for part-time employment will apply equally and without discrimination to all members of the bargaining unit.
- 8) Definitions:

Article 1	Recognition Exclusive bargaining representative Local Association and employee Teacher
Article 6	Calendar Guides Work days
Article 7	Work Hours Work Hours and Work Loads Conference Period
Article 10	Vacancies and Promotions Vacancy
Article 11	Transfer
Article 12	Seniority, Layoff-Recall Seniority
Article 24	Salary
Article 27	Insurance Protection Half-time Employees

Proposed procedure:

Alternative A.

- Step One: Multiply the number of assigned classroom duty periods to be assigned the part-time employee by the number of minutes in a classroom duty period, to determine the number of minutes on duty.
- Step Two: Divide Step One (total minutes on part-time duty) by the total number of minutes in a full-time classroom duty day based on five (5) sixty (60) minute classroom periods.
- Step Three: Multiply this ratio (decimal or fraction) times the salary (appropriate step and level) found in the schedule for full-time employees to determine the part-time annual wage.
- Step Four: Apply the part-time annual wage to the payroll procedures similar to that applied to regular full-time classroom employees.
- Step Five: To determine the pro rata time for non-classroom duties and responsibilities such as, planning, conference or preparation time and time before and after classes begin, multiply the ratio in Step Two by the time related to these duties.
- Step Six: All other wages, rights and/or benefits accruing to part-time employees will be prescribed by the specific provisions of the Master Contract or by such laws that govern employees pay and benefits.

Example:

Part-time employee needed for two (2) assigned classroom teaching duties, Step 3, BA experience.

- Step 1: 2 periods times 60 minutes per period = 120 minutes
- Step 2: 120 minutes divided by 300 minutes = 0.4 (2/5)
- Step 3: 0.4 (or 2/5) times \$14,072 = \$5,628.80 annual salary
