C. **LONGEVITY**

Longevity is incorporated into the wage schedule.

D. **PLACEMENT ON THE SALARY SCHEDULE**

When moving from one job classification and grade to another, placement on the salary schedule is determined by experience and seniority.

Employees that are teacher certified may be placed on Steps 2, 3 and/or 4 in Grades I, II, and III.

E. **OVERTIME**

Overtime pay of one and one-half (1.5) times the regular rate shall be paid on actual time worked beyond the forty (40) hour work week. A holiday shall be deemed as a day worked. Compensatory time for any time worked beyond the forty (40) hour work week must also be granted at one and one-half (1.5) times the hours worked beyond a forty (40) hour work week and should be taken during the two (2) week period in which it was earned. Overtime and/or compensatory time shall be authorized by each employee's immediate supervisor prior to working it. Compensatory time shall not accrue and be carried over to the next fiscal year.

ARTICLE II: SENIORITY, LAYOFF AND RECALL

A. SENIORITY

1. Seniority for longevity purposes is defined as the length of continuous service with the Forest Hills Public Schools. Seniority, for layoff purposes, is defined as the length of continuous service as an employee within the job classifications covered by the Administrative Support Staff handbook, commencing with the first day of employment after the last date of hire. When an employee holds multiple assignments at different grades and/or steps, seniority will be based on the assignment with the most hours. An employee must work a minimum of one-half (.5) of their scheduled calendar year in order to be given credit for one (1) full year of seniority.
2. Seniority automatically terminates if an employee resigns, is discharged or fails to report to a position in the District upon the termination of a leave of absence.
3. Time away from the job on an approved leave of absence, including unpaid time or time an employee is on Workers' Compensation, will not be applied to the employee's seniority, but the employee will not lose seniority accrued up to the date of leave, except as noted above.
4. Seniority will be credited based on the total number of hours worked, not including overtime or subbing, and pro-rated by a tenth of one year, following the same breakdown in hours used by MPSERS to calculate a retirement credit.

1,020 hours or more	1.0 year
918 - 1,019	.9 year
816 - 917	.8 year
714 - 815	.7 year
612 - 713	.6 year
510 - 611	.5 year
408 - 509	.4 year
306 - 407	.3 year
204 - 305	.2 year
203 or less	.1 year
5. It is understood that when an individual moves from one job classification to another, they retain their total seniority within the district to determine vacation days.

B. **LAYOFF**

When a reduction of staff is necessary, as determined at the sole discretion of the Board of Education, layoff shall be determined in the following manner:

1. Probationary employees shall be laid off first when an employee who has acquired any seniority and whose position has been eliminated, is qualified to perform the services of the probationary employee.
2. The Board will make every effort to send out layoff notifications to affected employees a minimum of two weeks prior to the end of the employee's work year, whenever possible.
3. In the event the position of a senior employee is eliminated, he/she shall have the opportunity to replace the lesser senior employee in the same grade classification or a lower grade classification of employment provided he/she is deemed to have the qualifications, proficiency and efficiency of job performance, special job skills and knowledge necessary to successfully handle the assignment.
4. When a more senior employee moves to a lower grade classification, pay will be adjusted to accurately reflect the pay level for the classification. The employee would retain step placement within the lower classification to reflect appropriate seniority based on the most recent date of hire in a position covered by the Administrative Support Staff handbook.
5. For purposes of layoff and recall, grade classifications V and VI will be combined.

C. **RECALL**

1. The employee will be given written notice of recall at his/her most recent known address by certified letter. If the employee fails to respond within ten (10) days, he/she shall be considered to have voluntarily resigned.
2. Recall shall be in the inverse order based on the same criteria used by layoff as determined by the Board.
 - a. A recall list shall be maintained by the Board for a period not to exceed two (2) years. Thereafter, an employee shall lose his/her right to recall.
 - b. An employee offered a comparable position to the one previously held, who declines recall to work, is considered a voluntary resignation..

ARTICLE III: EMPLOYEE WORK SCHEDULE

A. HOURS OF WORK

1. Daily hours will be assigned for each position by the District. Additional time may be adjusted per mutual consent between the employee and the administrator.
2. Employees who work less than eight (8) hours and more than four (4) consecutive hours per day will be given one (1) fifteen minute paid break and one unpaid half hour (.5) lunch period per day.
3. Employees who work eight (8) consecutive hours per day will be given two (2) fifteen minute paid breaks, one in the morning and one in the afternoon, and one unpaid half hour (.5) lunch period.
4. Breaks are not to be combined with lunch, or to be used to leave early.

B.. SCHEDULED WORK CALENDAR

1. Work weeks, with beginning and ending dates for those employees working less than fifty-two (52) weeks per year, shall be distributed one month prior to the next school year. It is understood that there will be no extension of currently assigned work weeks without mutual consent of the employee involved, unless there is a significant change in the current school calendar. Work weeks are what are budgeted. If the total time is not needed, it is not mandatory that it be used.
2. Employees in Grades I and II will not be scheduled to work during District in-service days, record marking days or parent-teacher conferences, when student are not in attendance, with the exception of secondary media staff, who are allowed to work on scheduled half days for student exams. If an employee in Grades I and II is needed to work for a specific reason on the before mentioned days, a request shall be made, in writing by the building principal, and must be approved in advance by the Assistant Superintendent for Human Resources. If employees in Grades I and II are invited to attend District-Wide orientation meetings on opening day or other times scheduled during the year, those attending will be paid at their hourly rate for the actual hours worked.

C. SCHOOL DELAYS

On days when school is delayed for students, all employees are expected to report to work at their regularly scheduled starting time or as soon as they may safely do so. Employees will be paid for hours worked.

D. **SCHOOL CLOSINGS**

1. On days that schools are closed for unscheduled reasons, employees are not expected to work unless notified otherwise by their supervisor. Employees will be paid at their regular rate for the number of days, which are allowable by law. Additional days will not be paid. Fifty-two (52) week employees and those staff assigned to work additional weeks beyond the normal school year may use personal leave or vacation time for the extra days off.
2. If school is closed during the day because of weather conditions or other Acts of God, the employee will be permitted to leave immediately following the last school bus taking students home has departed. To provide office coverage, the administrator will assign an employee to remain after dismissal for inclement weather or other Acts of God. That employee will receive compensation or flex-time for time worked.
