10. Alcohol and Controlled Substance Testing for Safety Sensitive Workers

In fulfilling its commitment to the safety of its pupils, employees and the public, the Board of Education of the Baldwin Community Schools District endeavors to promote conditions aligned with creating and maintaining a safe educational environment and workplace for its students and employees. Substance abuse by employees, most particularly by those who

perform safety-sensitive functions, constitutes a grave threat to their physical and mental well-being, significantly impedes their work objectives and job performance, and interferes with their ability to maintain a safe educational environment and workplace.

The Board of Education of the Baldwin Community Schools District further believes that the safety of students while being transported to and from school or school activities is of paramount importance and is the primary responsibility of those persons who operate or maintain school vehicles. To fulfill that responsibility, each person who operates or maintains school vehicles must be mentally and physically alert at all times while on duty.

Accordingly, it is the policy of the Baldwin Community Schools District to establish and implement an alcohol and controlled substances testing program for its employees (both regular and substitute) who perform safety-sensitive functions as mandated by the Omnibus Transportation Employee Testing Act of 1991 and its promulgated regulations.

A Driver's failure to pass an Alcohol or Controlled Substance test, and any discipline or discharge related to such failure, shall not be grievable.

The seniority list shall be updated annually, (by October 1) and a copy shall be provided to all bargaining unit members.
- B. The seniority list shall also be forwarded to the President and Secretary of the Association, and the Association will have ten (10) working days from receipt of such list to protest any errors or inaccuracies. If no such written protest is received by the Superintendent of Schools, the Employer's seniority list shall be deemed to be conclusive.
- C. Bargaining Unit Members shall be on probation the first sixty (60) work days of their employment.
- D. When Bargaining Unit Members complete the probationary period, they shall be entered on the seniority list of their classification and rank for seniority from their first working day. There shall be no seniority among probationary Bargaining Unit Members.
- E. For the purposes of this Agreement, seniority shall accrue and be applied within the following classifications:

- G. Bargaining Unit Members who transfer into a non-bargaining unit position within the school district shall retain such seniority as was accrued while a member of the Bargaining Unit should they leave the non-bargaining unit position and return to the Bargaining Unit.

ARTICLE 10

VACANCIES, TRANSFERS AND PROMOTIONS

A. A vacancy shall be defined, for purposes of this Agreement, as a position open due to the death, retirement, resignation, or discharge of a Bargaining Unit Member, or a newly created position within the Bargaining Unit. No vacancy shall be filled permanently until it has been posted for at least five (5) working days. The posted position may be filled temporarily for a period not to exceed twenty (20) working days.

1. If a vacancy is not filled with a Bargaining Unit Member, the Employer shall give the Bargaining Unit Member applicants a written explanation as to why they were not awarded the position.

B. Whenever a vacancy occurs, the Superintendent shall post notice of the vacancy in each building in which Bargaining Unit Members work. A copy of the vacancy notice shall also be sent to the Association, and to any laid off Bargaining Unit Member at their last known address.

Whenever a vacancy occurs when school is not in session, the Superintendent shall post notice of any vacancy by mailing said notice to each Bargaining Unit Member. Said mailing shall be by first class mail, and Bargaining Unit Members shall be given no less than ten (10) days to respond to the posting.

Said posting shall contain, minimally, a description of the duties/responsibilities of the posted position; including the minimum requirements necessary to be considered a qualified applicant.

Each classification found in Article 10-E shall have a specific description listing the duties/responsibilities of that classification, the nature of the classification, and the minimum requirements necessary to be considered for the classification.

C. When filling vacancies, the Board shall consider the applicant's experience, competence, qualifications, and length of service in the district. Preference will be given to qualified applicants from the Bargaining Unit. When more than one (1) equally qualified applicant exists for any vacancy, seniority within that classification and system-wide seniority, in that order, shall be the deciding factor.

D. A transfer shall be defined as a permanent change in job classification. Any Bargaining Unit Member may request a transfer after the satisfactory completion of the probationary period. The Bargaining Unit Member shall remain in any position to which he/she has transferred for a period of six (6) months before being eligible to apply for another transfer, unless conditions prevail where a change would be in the best interest of the Board and the Bargaining Unit Member. The District may transfer a Bargaining Unit Member at its discretion.

A bargaining unit member granted a transfer to a new classification in the bargaining unit shall not have his/her wage rate reduced, provided that a replacement for the transferred bargaining unit member can be hired at the base wage rate and the bargaining unit member transferred is not paid more than the bargaining unit member previously employed in the bargaining unit position to which he/she is transferred. Applicants for the transfers will be advised of these conditions.

- E. Requests for transfer shall be made in writing; one (1) copy of which shall be filed with the Superintendent or his/her designee and one (1) copy shall be filed with the Association. All transfer requests shall be renewed each July 1 to remain valid.

- F. Involuntary transfers will be minimized to the extent possible. In such cases, voluntary transfers shall be given preference over involuntary transfers, if qualified. In the case that no qualified voluntary transferee wants the position, then the least senior qualified Bargaining Unit Member within that classification will be transferred. Bargaining Unit Members shall suffer no loss of pay or system-wide seniority in the event of an involuntary transfer.

ARTICLE 11

LAYOFF AND RECALL

- A. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to a shortage of funds or lack of work as determined by the Board of Education.
- B. During the school year, no Bargaining Unit Member shall be laid off unless said Bargaining Unit Member has been notified of said layoff at least twenty (20) work days prior to the effective date of layoff. During the Summer, layoff notice given by July 1st shall have immediate effect except for Summer employees who shall have Twenty (20) work days notice.
- C. In the event of a layoff, the Board shall first lay off probationary Bargaining Unit Members, then the least senior Bargaining Unit Members within the affected classification. In no case shall a new Bargaining Unit Member be hired by the Board while there are laid off Bargaining Unit Members who are qualified for a vacant or newly-created position.

If layoffs are instituted, the Employer may grant an unpaid leave of absence to a Bargaining Unit Member who wishes to take the place of a Bargaining Unit Member who would otherwise be subject to layoff in the same job classification. Such leave shall be voluntary and without compensation, benefits or experience credit. However, the Bargaining Unit Member shall accrue seniority during the leave.

- D. A laid-off Bargaining Unit Member may replace a Bargaining Unit Member within another classification under the following conditions:
 - 1. The laid off Bargaining Unit Member must possess equal or greater qualifications than the Bargaining Unit Member to be replaced;
 - 2. The laid off Bargaining Unit Member must possess greater Bargaining Unit seniority than the Bargaining Unit Member to be replaced;
 - 3. A laid off Bargaining Unit Member wishing to bump another member of the Bargaining Unit shall notify the Superintendent in writing immediately. The Bargaining Unit Member subject to the bump shall be notified in writing immediately by the Superintendent that he/she is laid off.
- E. In the event of a reduction in the work hours in a classification, a Bargaining Unit Member may claim seniority over the least senior Bargaining Unit Member in that classification for the purpose of maintaining his/her normal work schedule provided that his/her action will not disrupt the normal operation of the Employer. In no case shall a reduction of any Bargaining Unit Member's work hours take effect until the Board gives ten (10) work days written notice to the affected Bargaining Unit Member. A laid off Bargaining Unit Member shall, upon application, and, at his/her option be granted priority status on the substitute list according to his/her seniority and qualifications. Laid off Bargaining Unit Members may continue their health, dental, and life insurance benefits by paying the regular monthly per subscriber group rate premium for such benefits to the Employer, on (1) month in advance of the due date of the premium payment. The above practice shall be subject to the rules and regulations of the insurance carrier. The Board will, however, make premium payments on behalf of the Bargaining Unit Member for insurance benefits for up to thirty (30) days after the date of lay off.

- F. A recall list shall be provided by the Employer stating the jobs available for re-employment. Recall shall be conducted as follows:
1. Classification seniority shall apply when the available position is within a Bargaining Unit Member's former classification.
 2. When two or more Bargaining Unit Members possess equal classification seniority for an available position, the Bargaining Unit Member with the greater Bargaining Unit seniority shall be given the position. A drawing shall determine a tie where Bargaining Unit Members possess equal classification seniority and Bargaining Unit seniority.
 3. Bargaining Unit seniority shall apply when the available position does not fall within the classification of the presently laid off Bargaining Unit Member or those classifications in which a Bargaining Unit Member possesses seniority. The Employer is not obligated to make recall out of a classification unless the Bargaining Unit Member to be recalled to a different classification is qualified to perform the available work.
- G. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Board's records. The recall notice shall state the time and date on which the Bargaining Unit Member is to report back to work. It shall be the Bargaining Unit Member's responsibility to keep the Board notified as to his/her current mailing address. A recalled Bargaining Unit Member shall be given at least ten (10) calendar days from receipt of notice, excluding Saturdays and Sundays to report to work. The Board may fill the position on a temporary basis until the recalled Bargaining Unit Member can report for work providing the Bargaining Unit Member reports within the ten (10) day period. Bargaining Unit Members recalled to work for which they are qualified are obligated to take said work. A Bargaining Unit Member who declines recall to perform work of four (4) hours or more per day for which he/she is qualified shall forfeit his/her seniority rights, right to recall, and be considered to have resigned.
- H. Bargaining Unit Members on layoff shall retain their seniority for purpose of recall for a period of two (2) years. Any Bargaining Unit Member on layoff for more than two (2) years shall lose his/her seniority and any further rights under this Agreement.

1. Upon submission of a written application and acceptance for enrollment by the appropriate insurance underwriter, policyholder and/or carrier, the District shall pay health insurance premiums (including any pro-rated payments for reimbursement of co-pays, deductibles, or payments into health savings accounts, flexible spending accounts, any similar accounts used for health care costs, health related taxes and fees, or insurance agent or company commissions) for all eligible Bargaining Unit Members and their eligible immediate family members in an amount not to exceed the following monthly payment:

Single Coverage:	\$ 528
Two Person Coverage:	\$1,105
Family Coverage:	\$1,442

For the 2018-2019 and 2019-2020 school years the District agrees to pay health insurance premiums (including any pro-rated payments for reimbursement of co-pays, deductibles, or payments into health savings accounts, flexible spending accounts, any similar accounts used for health care costs, health related taxes and fees, or insurance agent or company commissions) up to but not exceeding the amounts listed above, plus any adjustments made by the State Treasurer, pursuant to PA 152 of 2011.

2. In addition to health insurance, the District agrees to pay all premiums for vision, dental, life, AD&D, and LTD for the 2017-2018, 2018-2019, and 2019-2020 school years.

Due to the nature of vision, dental, life, AD&D, and LTD insurance plan(s), once a plan is chosen by the Association, all eligible employees must participate in the plan. Bargaining Unit Members shall be solely responsible for any amounts above the District's contribution which are necessary to maintain the selected coverage.

The District must approve any changes proposed by the Bargaining Unit for these types of benefits. The agreed upon insurance plan shall comply with the PPACA, PA 152, and the IRS Code, including all necessary rules to avoid taxes, penalties, and fees chargeable to the District.

3. The type of health, vision, dental, life, AD&D, and LTD insurance plan(s) available to Bargaining Unit Members shall be determined on an annual basis by the Association. The Association shall provide all details necessary for Employer implementation, and shall transmit said details to the District with sufficient notice to allow the District to implement any insurance changes. Should the Association fail to identify preferred insurance plan(s) and provide all details necessary for Employer implementation, the insurance plan(s) shall be the plan(s) then in effect, however, the employer paid premium amounts stated above shall not change; the Bargaining Unit Member shall be solely responsible for any remaining amounts. The District shall not be responsible for any liability associated with late notice. The insurance plan chosen by the Bargaining Unit shall comply with the PPACA, PA 152, and the IRS Code, including all necessary rules to avoid taxes, penalties, and fees chargeable to the district.

4. Any premium amounts beyond the Employer's contribution, as specified above, which are required to maintain the selected coverage(s) are the responsibility of the Bargaining Unit Member and shall be payroll deducted. To the extent allowable by law, the Bargaining Unit Member may sign an agreement authorizing that any such premium amounts be payroll deducted through the Employer's Section 125 Plan. Where a Bargaining Unit Member is paid through less than 26 pays, the Bargaining Unit Member shall have prorated deductions removed from their pay sufficient to cover the Bargaining Unit Member's insurance premium contributions for the summer period. Where a Bargaining Unit Member is paid through less than 26 pays and becomes responsible for premium payments under this provision during the summer, payroll deduction of those premium amounts shall be made from the Bargaining Unit Member's salary in the ensuing school year, or the District may request that the Bargaining Unit Member present payment directly at its discretion. Failure of a Bargaining Unit Member to pay their portion of the costs shall alleviate the Employer of any duty to pay insurance contributions. The Employer shall have the right to make deduction of any amounts due from the Bargaining Unit Member's wages, and shall be held harmless from any liability arising from the deduction.
5. Eligible Bargaining Unit Members shall receive insurance as of the 1st day of the 1st full month following their employment. Those employees taking cash-in-lieu shall not be eligible for Employer paid health insurance contributions, but must participate in all other insurance products chosen by the Association. A Bargaining Unit Member shall be eligible for Employer paid insurance contributions if the Bargaining Unit Member is regularly scheduled to work at least 30 hours per week.
6. If the plan then in effect is a Health Savings Account, to the extent allowable by law, the Employer shall fund the premium first, then the HSA and/or other payments; but only to the maximums set forth above in Section A(1). HSA payments shall be in an amount that is no greater than the deductible of the health plan then in effect and shall be funded in one lump sum, one on or about January 1. Should the Employer fund co-pays, deductibles, or payments into health savings accounts, flexible spending accounts, or any similar accounts used for health care costs for the Bargaining Unit Member's benefit during the calendar year in which the insurance plan is implemented, whether previous to implementation or concurrent with implementation, the maximum Employer contributions listed above in Section A(1) shall be reduced by the pro-rated monthly amount the Employer funded the co-pays, deductibles, or payments into health savings accounts, flexible spending accounts, or any similar accounts used for health care costs for the Bargaining Unit Member's benefit.
7. Bargaining Unit Members who have access to another Bargaining Unit Member's District funded insurance shall not be eligible for separate Employer provided insurance, but must instead accept cash-in-lieu in accordance with subsection B, below. Exceptions shall be made for employees who are less than 26 years of age and who are covered by a parent's District funded insurance, but have dependents of their own. Those individuals may take the District funded insurance. During open enrollment, Bargaining Unit Members electing health care coverage will sign a statement that they are complying with this paragraph.

B. Bargaining Unit Members who are eligible for Employer paid medical coverage premium contributions under subsection A of this Article may make a written waiver of that coverage and instead elect to receive cash-in-lieu (less applicable taxes). The cash-in-lieu option shall be as follows:

1-2 Members: \$150 per member per month

3-4 Members:	\$300 per member per month
5-6 Members:	\$400 per member per month
6+ Members:	\$450 per member per month

The Bargaining Unit Member may direct all or a portion of the above amount to a 403(b) tax-sheltered annuity approved by the Employer through a separate written voluntary and elective contribution, as allowed by law.

- C. Unless otherwise noted within this Agreement, or as required by law, Bargaining Unit Members on unpaid leave status or who have exhausted leave allowed under this Agreement are financially responsible for the Employer's portion of insurance premiums for those days.
- D. If the Association chooses a group life insurance policy, Bargaining Unit Members are hereby advised that they may have a right pursuant to Section 4438 of the Insurance Code of 1956, MCL 500.4438, to convert their life insurance policy, and that the Bargaining Unit Member must make application to the life insurance carrier within 31 days of any termination of their employment status.
- E. To the extent permitted by law and/or insurer's policies, Employer-paid insurance premium contributions shall continue as long as the Bargaining Unit Member is in a pay status, but terminate at the end of the month during which the Bargaining Unit Member ceases to be in a pay status, except as is otherwise provided herein or by law. Bargaining Unit Members may continue the coverage at their own expense to the extent permitted by law.
- F. The Employer shall not be required to remit premiums for any insurance coverages on behalf of a Bargaining Unit Member if enrollment or coverage is denied by the insurance underwriter, carrier, policyholder or third-party administrator.
- G. The terms of any insurance contract or policy issued by an insurance underwriter, carrier, policyholder or third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. The Bargaining Unit Member is responsible for assuring completion of all forms and documents required for his/her participation in the above-described insurance programs. The Employer, by payment of its share of the insurance premium payments indicated above, shall be relieved from any and all liability with respect to insurance benefits. Such matters shall be excluded from the scope of the grievance procedure, except the Employer's failure to remit contractual premium amounts required of it.
- H. Changes in family status shall be reported by the Bargaining Unit Member to the Employer within thirty (30) days of such change. The Bargaining Unit Member shall be responsible for any overpayment of premium made by the Employer on his/her behalf for failure to comply with this paragraph.
- I. The Medical Benefit Plan Coverage Year shall be determined by the insurance carrier selected by the Bargaining Unit.
