*Cafeteria Personnel, Custodians, Housekeeping and Transportation Department

(NOTE: The headings used in this Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.)

PURPOSE & INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the community, Employer, employees, and the Union.

The Employer and employees mutually agree to provide the best possible education for the children of the Dryden Community Schools

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends, the Employer and the employees (Union) encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1. - RECOGNITION - Employees Covered

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below:

All full-time and part-time custodians, full-time regular bus drivers, and cafeteria personnel, including Head Cooks, EXCLUDING administrators, supervisors, student help, temporary help, and co-op.

ARTICLE 2 - AID TO OTHER ORGANIZED GROUPS OR UNIONS

The Employer and/or employees (Union) will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the other organized groups or unions.

ARTICLE 3 - MANAGEMENT'S RIGHTS

The Union recognizes, except where expressly abridged by any other provision of this Agreement, the vested rights of the School System to:

(a) In the administration of all matters covered by the Agreement, employees are governed by the provisions of any existing or future laws and regulations which may be applicable, and the Agreement shall at all times be applied subject to such laws, regulations and policies.

(b) Management officials of the agency retain the right, in accordance with applicable laws and regulations,

- (1) to direct employees within the agency;
- (2) to hire, promote, transfer, assign, and retain employees in positions within the agency, and to suspend, demote, discharge, or take other disciplinary action against employees;
- (3) to relieve employees from duties because of lack of work or for other legitimate reasons;
- (4) to maintain the efficiency of the School District operations entrusted to them;
- (5) to determine the methods, means and personnel by which such operations are to be conducted; and
- (6) to take whatever actions may be necessary to carry out the mission of the agency in situations of emergency.

(c) It is further understood that immediate supervisors of bargaining unit members shall continue to perform bargaining unit work at the same level and extent as has been customary prior to the execution of this agreement. In addition, supervisors may perform unit work for the purposes of demonstration, training or in emergency conditions or where required technical expertise is not available in the bargaining unit, in the Employer's judgment. "Emergency" shall be defined, for purposes of this Article, as an unforeseen or critical circumstance or combination of circumstances which call for immediate action and which is not expected to recur on a regular basis.

Nothing in this Section is intended to limit any other right of the School Board not expressly indicated in this Section, where the exercise of such rights is not in conflict with any other provisions of this Agreement.

In order to be a proper matter for the grievance procedure, the grievance must be presented within ten (10) calendar days of the employee's knowledge of its occurrence. The Employer will answer, in writing, any grievance presented to it in writing by the Union. A grievance is a complaint by an employee of the bargaining unit concerning any alleged violation of this Agreement or other conditions of employment.

Step 1

Any employee having a grievance shall discuss the grievance with the immediate supervisor and the Steward.

Step 2

If the matter is thereby not disposed of, it will be submitted in written form by the Steward to the immediate supervisor. Upon receipt of the grievance, the supervisor shall sign and date the Steward's copy of the grievance. The grievance must include relief sought.

The immediate supervisor shall give his/her answer to the Steward within five (5) working days, seven (7) calendar days of the receipt of the grievance. In the event the supervisor is absent, the grievance may be brought to the principal. If the principal is absent, it will go directly to the superintendent.

The Board of Education shall respond in writing to the Chapter Chairperson within five (5) working days following the next official Board meeting.

Step 5

(b) In the event Council #25 wishes to carry the matter further, it shall, within thirty (30) calendar days from the date of the Employer's answer at Step 4, meet with the Employer for the purpose of attempting to resolve the dispute(s). If the dispute(s) remains unsettled, and the Council wishes to carry the matter(s) further, Council #25 shall file a demand for arbitration in accordance with the American Arbitration Association's rules and procedures.

(c) The arbitration proceedings shall be conducted in accordance with the American Arbitration Association rules and regulations.

(d) There shall be no appeal from any arbitrator's decision. Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the Employer. The arbitrator shall make a judgment based on the express terms of this Agreement, and shall have no authority to add to, or subtract from, any of the terms of this Agreement. The expenses for the arbitrator shall be shared equally between the Employer and the Union.

(e) A grievance may be withdrawn without prejudice and if so withdrawn all financial liabilities shall be canceled. If the grievance is reinstated, the financial liability shall date only from the date of reinstatement. If the grievance is not reinstated within thirty (30) working days from the date of withdrawal the grievance shall not be reinstated. When one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of the representation case. In such event, the withdrawal without prejudice will not affect financial liability.

(f) Any grievance not answered within the time limits by the Employer shall be appealed to the next step, if the Union so desires.

(g) Any grievance not appealed by the Union within the time limits shall be deemed settled on the basis of the Employer's last answer.

(h) Any individual employee may present a grievance and have the grievance adjusted without intervention of the Union if the adjustment is not inconsistent with the terms of this Agreement at Step 1 only.

ARTICLE 10 - CLAIMS FOR BACK PAY

(a) All grievances must be filed in writing within thirty (30) days from the time the alleged violation was to have occurred. The School shall not be required to pay back wages more than ten (10) days prior to the date a written grievance is filed.

(1) All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment or other compensation that he/she may have received from any source during the period of back pay.

(2) No decision in any one case shall require a retroactive wage adjustment in any other case.

(b) Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed.

(c) The fact that the grievance has been considered by the parties in the preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the arbitrator in this Agreement.

ARTICLE 11 - DISCHARGE AND SUSPENSION

(a) Notice of Discharge, Suspension or Demotion

The Employer agrees, promptly upon the discharge, suspension, or demotion of an employee, to notify in writing the employee and his/her Steward of the discharge, suspension, or demotion. Said written notice shall contain the specific reasons for the discharge, suspension, or demotion.

(b) The discharged, suspended, or demoted employee will be allowed to discuss his/her discharge, suspension, or demotion with his/her Steward, and the Employer will make available a meeting room where he/she may do so before he/she is required to leave the property of the Employer. Upon request, the Employer or his/her designated representative will discuss the discharge, suspension, or demotion with the employee and the Steward.

(c) Appeal of Discharge, Suspension, or Demotion

Should the discharged, suspended, or demoted employee and/or the Steward consider the discharge, suspension, or demotion to be improper, it shall be submitted to the Fourth Step of the grievance procedure. The grievance must be presented within ten (10) working days of the discharge, suspension, or demotion.

(d) Warnings or Reprimands

If the employee feels the warning or reprimand is unjust, he/she may file a grievance. A grievance which is filed related to a warning and/or reprimand will only progress through Step Four of the grievance procedure.

In imposing any discipline or discharge on a current charge, the Employer will not take into account any prior infractions which occurred more than three (3) years previously (except in cases of moral turpitude or alcoholism.)

There shall be no seniority among probationary employees.

BUS DRIVER DEFINITIONS, ASSIGNMENT TO RUNS,

CONDITIONS, AND WAGE SCALE

DEFINITIONS

A. REGULAR DRIVER -- A regular driver is one assigned to drive at least three (3) regular runs each school day, morning and/or afternoon.

1. Regular runs are defined as runs to pick up children, to deliver them to their school of normal attendance, and to return them home after the regular school day is completed. The Lapeer County Education and Technology Center, and any other regular programs as determined by the Employer, is defined an adjunct school, and therefore is a school of regular attendance for students of Dryden Community Schools.

2. Outside runs are defined as school runs of an occasional nature, including athletic events, class & group field trips, etc.

B. PART-TIME REGULAR DRIVER -- A driver who has completed the required probationary period and is driving two (2) or less regularly scheduled runs per day.

C. SUBSTITUTE DRIVERS -- A substitute driver is one that takes the place of a full-time driver when a full-time driver is not available to drive either his/her morning or afternoon run. (Not covered by this Agreement)

ASSIGNMENT TO RUNS

A. **REGULAR RUNS** – Yearly assignment to regular runs will be offered on the basis of seniority and will be made on an annual basis when possible. Barring unforeseen circumstances, the district will schedule a bid meeting at least two (2) weeks prior to the start of the school year. The driver with the most seniority will have first choice of regular runs. Once an assignment is made, the assigned driver may not be bumped from his or her run by a driver with more seniority. If a driver is unable to do his or her assigned run, it is the driver's responsibility to notify the transportation supervisor at least one week in advance to have another district approved driver to cover the run. A regular driver is to contact the transportation supervisor at least one hour in advance in the case of illness or emergency when possible. The transportation supervisor will be responsible for arranging for a substitute driver.

B. **OUTSIDE RUNS**

1. The Employer will maintain an outside run rotation list. Drivers will be given the opportunity to be placed on the outside run rotation at least two weeks prior to each athletic season, for a total of three times per year. In the event an insufficient number of drivers sign up for the outside run rotation, the Employer shall have the right to assign runs to all eligible bargaining unit drivers beginning with the least senior driver and rotating from the least senior to the most senior driver.

2. Runs will be offered to those regular drivers who have elected to be on the outside run rotation list on a rotation starting with most senior driver. For each subsequent outside run, the rotation will begin with the next most senior driver on the outside run rotation list. Barring unforeseen circumstances, the district will schedule an outside run bid meeting at least two (2) weeks prior to each athletic season. Outside runs scheduled after each bid meeting will be offered to those regular drivers on the outside run rotation list starting with next most senior driver after the bid meeting.

3. In the event a driver cannot make an assigned outside run, said driver will notify the transportation supervisor at least one week in advance when possible. Notification of illness or emergency situations should be given as early as possible. The transportation supervisor will be responsible to arrange another driver for the run.

4. Newly hired drivers will be placed on the outside trip rotation after thirty (30) days, at the driver's request. Outside trips will be offered to regular drivers, including part-time drivers, on the outside run rotation list before being offered to substitute drivers.

C. When a regular run becomes vacant or a new regular run is scheduled by the Employer during the school year, the Employer will post said vacancy for the term of one week. The employer will schedule a bid meeting at the end of the posting period and at a time when no bus runs are scheduled. Drivers wishing to change to the posted vacancy may indicate so **at** the bid meeting. The vacant run and all subsequent vacancies created will be offered according to seniority, and assigned to the most senior driver requesting the new assignment at the bid meeting.

D. If during any bid meeting all runs are not bid upon by established regular drivers, the Employer has the right to assign the additional runs to a new driver(s). If no new drivers are available, the runs may be assigned to regular drivers, beginning with the least senior driver. In any circumstances, individual drivers will not be assigned any more than five (5) regular runs per day unless they agree to the additional assignments.

CONDITIONS

A. Regular bus drivers and their members shall have the right to use the school building facilities and equipment at all reasonable hours for meetings, providing such use does not interfere with previous building commitments.

B. All bus drivers are required to go to bus drivers' school and meet all relevant requirements of the Michigan Vehicle Code.

C. The Employer is to give drivers at least twenty-four (24) hours notice, when possible, for all outside runs. The driver is to know the destination and time of the trip before the start of the run.

D. If an outside run must be cancelled, the Employer will make every effort to cancel the run in a timely fashion. If an outside run scheduled for a regular driver, who would then miss his or her regular run, is cancelled at least 24 hours in advance, the regular driver returns to his or her regular run and the substitute driver is cancelled. In the event that an emergency dictates that an outside run be cancelled with less than 24 hours notice, the regular driver will take their regular run at their regular pay and the substitute driver is excused from the run and is paid one-half (1/2) of the substitute rate for that run.

E. When a bus is used for an outside run, the Transportation Supervisor will determine the bus to be used, set the time for the bus to leave, and the time to meet back at the bus for the return trip. When on an outside run, the driver is to remain with the group being transported. The driver will be allowed to leave the group briefly to secure his or her lunch for a reasonable duration, as long as his or her departure from the site does not create a hardship on the group being transported. When leaving for lunch the driver is to notify the chaperones as to where they are going, and how they can be reached in the event that there is an emergency.

F. No bus driver will be forced to drive a bus that is in need of repairs, especially brakes and steering.

G. Drivers are to inspect their vehicles on a daily basis and complete Driver's Daily Bus Check form for submission to the Transportation Supervisor to report any necessary repairs to be performed on their using the Bus Repair Request form. Drivers are also responsible for keeping the interior of the bus cleaned in a safe and appropriate manner. This shall be considered housekeeping of the vehicle. These responsibilities also apply for drivers on outside runs.

H. Drivers are to keep the exterior of the assigned bus properly cleaned as directed by their supervisor. Poor weather conditions may preclude a driver from washing a bus; however, bus safety cleaning measures must be maintained at all times.

I. On runs of excessive time or distance (exceeding 150 miles one way), when the fatigue of the driver may be a factor of safety, the Employer will send an additional driver on the run. Special circumstances may dictate that the district send two (2) drivers to ensure the safety of the students and driver.

J. A driver may not be assigned to more than one outside run at overlapping times.

K. Drivers will be paid for mandatory drug and alcohol testing at hourly rate times 1.5 hours per employee for each required test.

L. A regular run equals the regular hourly rate times the actual driving time of the run plus 10 minutes for pre-tripping.

M. Minimum regular run equals the regular rate times .75 hour. All runs will include 10 minutes for pre-tripping. The Employer will establish the length and subsequent pay rate of each regular run prior to the initial fall bid meeting. The bus driver union steward or Union Chapter Chairperson will be consulted during the establishment of the pay rate for each run. The length of each run will be rounded up to the nearest quarter hour. The pay rate for each run will be available at the time of the fall bid meeting. The pay rate for each run established by the Employer will remain in effect until such time as changes to the run have extended the length of the run beyond the next quarter hour. Drivers may request that the Supervisor reevaluate the run length if the run is significantly altered by the Employer. Two consecutive runs that result in downtime of at least 10 minutes, but not over 20 minutes, will be paid at an additional .25 hour at the downtime rate.

N. The district will have mandatory meetings with bus drivers, at no expense to the district, for up to a total of five (5) hours per school year. For any meetings beyond the five (5) hours for the school year, the district will agree to pay the drivers at the downtime rate per hour per employee for attending mandatory meetings.

O. Drivers will be paid for up to two (2) hours per run at the downtime rate per hour to check their runs and turnarounds at the beginning of the school year.

P. Drivers will fuel buses on site as directed by the transportation supervisor and be paid the down time rate times .25 hour.
