The Board and Association will make every attempt to comply with the agreed-on rules.

- B. This Agreement is for two (2) years. The following items may be re-opened for negotiations during the life of this Agreement, but only upon determination by the Board that there are not sufficient funds available to allow the Board to avoid adoption of a deficit budget:

1. Salary schedule

See Article 21 for further clarification.

All other items within this Agreement shall remain unchanged during the term of this Agreement and neither party may require the other to re-open negotiations for the purposes of altering or amending same, nor shall either party have the power to require additions to this Agreement.

There shall be three (3) signed copies of the final Agreement for the purpose of record: one to be retained by the Board of Education, one by the Association, and one by the Superintendent.
- E. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating representatives of the other party and each party may select its representatives from within or outside the District. However, should one party feel that it needs to have representation from the outside it will officially notify the other party, in writing, that outside representation is desired at the next negotiations meeting. The other party also has the opportunity to seek outside representation for said meeting. Neither party will be required to hold a negotiations meeting once notice has been served by one party that outside representation is desired, unless both sides can obtain outside representation for said meeting if it is so desired. No final agreement between the parties may be executed without ratification by a majority of the membership of the Association and a majority of the Board, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations, subject only to such ultimate ratification.

Teachers are required to attend all parent-teacher conference sessions. In addition, elementary teachers will be required to attend the fall open house and 6-12th grade teachers will be required to attend a spring awards night.

- C. The normal weekly teaching load in the elementary and secondary schools shall be planned by the school administration. Recommendations may come from the teaching staff and/or Association. The Board and administration shall make the final decision.

<u>Grade Level</u>	<u>Students</u>
1. Kindergarten	25
2. Lower elementary grades	25
3. Upper elementary grades	30

(If there is a grouping in the elementary grades, the lower group should contain fewer students.)

2. Business Technology	25
3. Industrial Arts	20

 2. Those areas in which the Tenure Act prescribes a procedure or authorizes a remedy (e.g., discharge and/or demotion).
 3. Any prohibited or illegal bargaining subject.
- B. The Association shall designate two (2) representatives for the elementary teachers and two (2) representatives for the secondary teachers to handle grievances when requested by the grievant. The Board designates the principal of each building to act as its representative at Level One and the Superintendent or designee to act at Level Two.
- C. The term "days" shall mean weekdays.
- D. Written grievances are required and shall:
1. Be signed by the grievant or grievants
 2. Be specific
 3. Contain a synopsis of the facts giving rise to the alleged violation
 4. Cite the section of subsection(s) of this Agreement, alleged to have been violated
 5. Contain the date of the alleged violation
 6. Specify the relief requested

Any written grievance not substantially in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the time limitations.

E. LEVEL ONE

A teacher believing him/herself wronged by an alleged violation of the express provisions of this Agreement shall within fifteen (15) school days of its alleged occurrence orally discuss the grievance with the building principal in an attempt to resolve same. If no resolution is obtained within five (5) days of this discussion, the teacher shall reduce the grievance to writing and proceed, within five (5) days of said discussion, to Level Two.

LEVEL TWO

A copy of the written grievance shall be filed with the Superintendent or designee as specified in Level One with the endorsement thereon of the approval or disapproval by the Association. Within ten (10) days of receipt of the grievance, the Superintendent or designee shall arrange a meeting with the grievant and/or the designated Association representative at the option of the grievant to discuss the grievance.

Within five (5) days of the discussion, the Superintendent or designee shall render his/her decision in writing, transmitting a copy of the same to the grievant, the Association Secretary, the principal of the building in which the grievance arose, and place a copy of same in a permanent file in the Superintendent's office.

If no decision is rendered within ten (10) days of the discussion, or the decision is unsatisfactory to the grievant and the Association, the grievant may appeal the decision to the Board by filing a written grievance (along with the Superintendent's decision), with the officer of the Board in charge of drawing up the agenda for the Board's meeting, not less than seven (7) days before the next regularly-scheduled Board meeting.

LEVEL THREE

Upon proper application as specified in Level Two, the Board shall allow the teacher or Association representative opportunity to be heard at the meeting for which the grievance was scheduled. Within five (5) weeks from the hearing of the grievance, the Board shall render its decision in writing. The Board may hold future hearings about the grievance, may designate one or two of its members to hold future hearings therein, or otherwise investigate the grievance; provided, however, that except with the express written consent of the Association a final determination of the grievance shall be made by the Board within five (5) weeks after the initial hearing. A copy of the Board's written decision shall be forwarded to the Superintendent for permanent filing, the building principal for the building in which the grievance arose, the grievant, and the Secretary of the Association.

LEVEL FOUR

Individual teachers shall not have the right to process a grievance at Level Four.

1. If the Board's decision is unsatisfactory to the Association and the teacher, they may proceed to appeal the decision by notifying the Board as outlined under Article 12.D., within seven (7) calendar days after the Board's receipt of notification of the Association's desire to arbitrate.

- a. The arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings.
 - b. The Board and the Association shall not be permitted to assert in any such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.
2. Each party shall submit to the other party not less than three (3) days before the hearing, a pre-hearing statement alleging facts, grounds, and defenses which will be proven at the hearing, and hold a conference at that time in an attempt to settle the grievance.
 3. If the grievance is not settled before the hearing, the grievance may be tried before the arbitrator whose decision shall be binding upon both parties.
 4. Notwithstanding the foregoing, the arbitrator shall not have the power to add to, modify, alter or amend, or subtract from the terms of this Agreement. The arbitrator shall not hear any grievance previously barred from the scope of the grievance procedure, nor shall the arbitrator question the reasonableness of Board policy, nor annual assignments of extra duties for extra pay as outlined in Article 21.

The Arbitrator shall have no authority to issue a decision on the merits of a prohibited or illegal bargaining subject.

If the arbitrability of any grievance is disputed, the arbitrator shall have no jurisdiction to render a decision on the merits until he/she has first made a ruling on the arbitrability issue. By stipulation of the parties of the grievance, the Arbitrator may concurrently hear both the jurisdictional issues and the merits of that dispute in the same proceeding. If the Arbitrator determines that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits.

The Arbitrator's decision shall conform with the Michigan Uniform Arbitration Act, MCL 691.1681 et seq.

If any grievance award shall include back pay, the award shall not extend more than thirty (30) days before the date of the Level One conference.

5. The costs of arbitration shall be borne equally by the parties, except each party shall assume its own cost for representation.
- F. Should a teacher fail to institute or appeal a decision within the time limits specified, or leave the employ of the Board, all further proceedings on a previously instituted grievance (except a claim involving a remedy directly benefiting the grievant regardless of his/her employment) shall be barred.

- G. The Association shall have no right to initiate the grievance involving the right of a teacher or group of teachers without the express written approval of the involved teacher(s).
- H. All preparation, filing, presentation, or consideration of grievance shall be held at times other than when a teacher or a participating Association representative are to be at their assigned duty station.

ARTICLE 12 - AUTHORIZED ABSENCES & LEAVES

Should a teacher be granted a leave of absence by the Board for any reason for a given period of time, the teacher shall be entitled to return to the District upon the expiration of said leave. The teacher must file with the Superintendent a written statement indicating that the teacher wishes to return and providing a vacancy for which said teacher is qualified exists.

Teachers shall be allowed sick leave at the rate of ten (10) days per year, accumulative to one hundred (100) days. Three (3) of the ten (10) days may be personal days, no excuse needed. Personal days are non-cumulative and shall be deducted from the total sick leave accumulated by this teacher. Sick days may be accumulated to one hundred (100). Any accumulated sick days above one hundred (100) shall be reimbursed to the employee at the rate of \$70 per day, on the first July payroll check.

A. SICK DAYS

All sick days will be granted in full-day increments only. Half-days may be granted by the building principal in extenuating circumstances. Teachers leaving their building because of illness during any one (1) of the first three class periods of a given day, shall have one (1) full day's sick leave deducted from their accumulated days. Teachers leaving their building because of illness during any one (1) of the last four (4) periods of a given day, shall have one half (1/2) of a day's sick leave deducted from their accumulated days. The accumulation of sick leave days shall be reflected on the teacher's payroll check. Borrowing in advance accumulated sick leave days shall not be permitted except that a teacher shall be allowed to use ten (10) days of sick leave in the current school year from the first day of school starting after the payment of the first pay period in September.

Should a teacher leave the employ of the Board during the school without sufficient accumulation of sick days as specified above, a pro-rated deduction shall be made from the teacher's last pay check(s) for any deficiency.

A teacher employed in the District for five (5) or more years, may exchange unused sick days at \$70 per day. Said teacher may exchange sick days only once during a school fiscal year, with a maximum yearly limit of forty (40). The monetary reimbursement, at the request of the teacher, will be paid in either one lump sum to MEA Financial Services as part of the Michigan Education Association Financial Services 19.3 plan or as one lump sum cash payout to the teacher through the District's payroll system.

Employees may use sick leave, upon approval of the Board, Superintendent, and/or building principal, for reasons set forth below:

1. PERSONAL ILLNESS OR INJURY - When the severity of the illness or the injury makes it ill-advised for the employee to work.
2. EXPOSURE TO CONTAGIOUS DISEASE - Following the exposure to a contagious disease which could be communicated to students or other employees. In this situation, it is mandatory to file with the Superintendent a statement signed by the physician-in-charge.
3. EMERGENCY DOCTOR, DENTAL, OR CLINIC APPOINTMENTS will be granted providing the doctor will furnish proof in writing that to wait for a regular appointment, which could be scheduled after school hours or on a Saturday, would be injurious to the teacher's health.
4. ILLNESS IN THE IMMEDIATE FAMILY - Leave shall not exceed five (5) days for any illness in the immediate family, defined as: spouse, child, parent. The above days shall be charged against accumulated sick leave.
5. DEATH IN THE IMMEDIATE FAMILY - Leave days for any death in the immediate family, defined as: spouse, child, parent, sibling, grandchild, grandparent, *child-in-law* and parent-in-law shall be granted as deemed necessary by the employee. All leave days over three (3) days shall be charged against accumulated sick leave. Leave days for any family death of the following: sibling-in-law, aunt, uncle, aunt-in-law, uncle-in-law, nephew, and niece shall be granted as deemed necessary by the employee. All leave days over one (1) day shall be charged against accumulated sick leave.
6. BIRTH OF A CHILD OR ADOPTION.
7. All absences due to illness, injury, or death in the immediate family beyond the one hundred (100) day maximum will be considered by the Board as each separate case arises. See C. Medical Leave of Absence, paragraphs 1 and 2.
8. The Board may allow or disallow, at its sole discretion, any time claimed as sick leave by employees.
9. All part-time contracted teachers shall receive sick leave proportionately.
10. The principal or designee will approve/deny absences during the school day for emergency appointments on an individual basis.

B. SICK DAY DRIVE PROPOSAL

All employees are encouraged to save sick days and purchase short term disability. If a catastrophic event befalls an employee, the Association may approach the Administration and request, in writing, to initiate a sick day drive. Sick day drives will be considered on a case-by-case basis and the final decision to initiate a drive will rest with the Administration. Once a sick day drive is initiated, the Administration will contact employees (via a form) and employees will have one (1) week to return the form to the Administration. Sick day donations will be anonymous, voluntary, and limited in number. Employees who choose to donate sick days may donate up to five (5) per drive.

C. PERSONAL DAYS

Request for a personal day must be submitted through the District's on-line attendance program at least forty-eight (48) hours in advance unless an emergency situation develops. A teacher may not use a personal day before the beginning of a vacation or on the first day of the conclusion of a vacation without obtaining prior approval from the building principal. All personal days will be granted only in full increments unless approved by administration. All part-time contracted teachers shall receive personal business days proportionately.

D. MEDICAL LEAVE OF ABSENCE

1. To promote continuity in the student/teacher relationship, the Board may place a teacher on a leave of absence without pay and fringe benefits for a period not to exceed one (1) year if a teacher is absent in excess of ten (10) teaching days more than the individual's accumulated sick leave time.
2. Any teacher whose personal illness extends beyond the allowed by the Family Medical Leave Act (FMLA) may, by written application to the Board at least seven (7) days in advance of the next regularly-scheduled Board meeting, at the Board's sole discretion, be granted a leave of absence without pay for a period not to exceed one (1) year, renewable at the Board's sole discretion.
3. If a teacher is placed on a leave of absence in accordance with paragraph D. or E., subparagraphs 1. and 2., the teacher shall, seventy (70) days before the closing of school, notify the Superintendent that he/she wishes to return to the District, and on or before July 1st of the given school year, upon returning to the District, present to the Board a certificate from a certified licensed doctor (M.D. or D.O.) stating that he/she is able to perform the teacher's essential job functions . All leaves of absence shall be at the Board's sole discretion..

4. Upon recommendation of the Superintendent for good cause shown, the Board reserves the right to require a teacher to submit to a fitness for duty examination by a doctor licensed to practice medicine in Michigan or Ohio. The Board reserves the right to select the doctor if the Board requests that the teacher undergo a fitness for duty examination. The examination result shall be transmitted to the Board as soon as the diagnostic report can be filed with the Superintendent. All information concerning said teacher shall be confidential upon the teacher's request, except when said report(s) are needed for legal purposes. If a teacher employed by the District is requested to take a fitness for duty examination, the cost will be paid by the Board.
5. A teacher who fails to comply with this Article may be subject to revocation of the leave of absence, denial of the application for a leave of absence, and disciplinary action up to and including dismissal.

E. MINI LEAVE

To promote continuity in teacher/student relationships, the Board may grant a teacher a mini leave of absence without pay and fringe benefits, if the teacher makes a written request to the Superintendent through the building principal. The mini leave of absence can be granted upon the completion of the ongoing marking period. The teacher will return to duty at the conclusion of the leave, which will coincide with the end of a marking period. The Board may require the teacher to furnish a statement from a certified, licensed physician (M.D. or D.O.) that the teacher is able to perform the teacher's essential job functions. If needed, a mini leave extension can be obtained if its conclusion coincides with the conclusion of a marking period. The Board reserves the right in its sole discretion to approve extensions of mini leaves or accelerated terminations of the mini leave of absence based on each individual case. Failure to comply with any of the above provisions shall be conclusively deemed as the teacher's resignation.

F. LEAVE OF ABSENCE - GENERAL

The Board shall, in its sole discretion, grant a general leave of absence for up to one (1) year, during which seniority shall not accrue. The Board reserves the right to limit the number of leaves granted. Further, the application for this leave shall be prospective from the date of ratification by the parties and shall only apply to active employees. The Board's decision to grant or deny a request for a leave is not reviewable in any manner, and is not grievable under the Agreement's grievance/arbitration procedures. No arbitrator shall have any authority to review the Board's decision pursuant to this section. The teacher must submit to the Superintendent on or before April 1, a letter of intent to return to employment. However, if an employee is on an unpaid leave, the individual will not receive pay.

ARTICLE 13 - MISCELLANEOUS PROVISIONS

A. The Board will contract substitute teachers through a 3rd party company. Teachers shall promptly contact the District's absence reporting system to report unavailability to work. Once a teacher has reported his/her unavailability, it shall be the responsibility of the 3rd party company and the administration to arrange for a substitute teacher.

B. In any situation where a substitute is not available and a classroom teacher is required to use any preparation or other period during which he/she does not have teaching duties, the teacher shall receive, in addition to his/her regular salary, reimbursement as provided under Article 21 for such period. In an emergency situation, pending the arrival of a substitute teacher or regular classroom teacher, the classroom teacher may voluntarily assist the building administrator during a period in which the teacher has no teaching duty. In such circumstances the teacher will not be paid for such assistance.

- C. Whenever possible the Association shall be informed ~~whenever possible~~ by the Board of fiscal, budgetary, and tax programs affecting the District.
- D. Teachers and administrators will act as professionals while working for and representing the Sand Creek Community Schools. The Association will encourage attendance by all teachers at major school functions such as athletic events, PTO programs, programs of school and community interest, plays, science fairs, graduation, or any other program which will foster a good relationship within the community. Professional attendance clearly indicates to the public that the teachers are keenly interested in the promotion and execution of a good school program.
- E. All teachers must be present for the entire duration of parent/teacher conferences. Excuses will only be accepted in case of severe illness (substantiated by a doctor's certificate stating the nature of the illness), or death in the immediate family as defined in Article 12.A.5. Parent/teacher conferences are to acquaint the parents better with the total school program and to acquaint the teacher better with the home environment in which the child lives so that both teacher and parent can better understand the student and can strive to improve the program to meet the student's needs.
- F. This Agreement shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with terms in any individual teacher contracts in effect. All individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- G. If any provision of this Agreement or any application of this Agreement to any teacher or group of teachers is found contrary to law, then such provision or application shall be deemed invalid, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- H. Copies of this Agreement shall be prepared by the Administrative office. The master copy will be proof read and mutually agreed upon by the Board's representative and the Association representative before copies are made. The cost of said materials will be paid by the Board. The Association will be responsible for assembling the Agreement. The new Agreement will be produced as soon as possible after final negotiations have been completed.
- I. All expenses for in-service training, teacher meetings, school visitations, curriculum improvements, and educational conferences requested by the administration will be paid by the Board. Should driving for school visitation be necessary, each driver will be reimbursed at the rate established by the Board. This reimbursement shall not be construed to be a lease of a teacher's vehicle.

- J. The Board will reimburse all or part of the expenses of teachers who request in writing to attend conferences, clinics, workshops, seminars, etc. when such request is approved by the principal and the Superintendent. Requests to attend are to be made at least ten (10) school days before the conference and are limited by substitute and conference funds available and number of requests received. This reimbursement shall not be construed to be a lease of a teacher's vehicle.
- K. Reimbursement of expenses of teachers attending conferences, clinics, workshops, seminars, etc. pertaining to extra-curricular organizations are to be paid for by said organization. No reimbursement will be given by the Board to school or non-school personnel unless authorization has been granted before the conference by the building principal. This reimbursement shall not be construed to be a lease of a teacher's vehicle.
- L. The policy-making functions of the Board as set forth by law cannot be delegated or abrogated.
- M. Both the Board and the Association disavow all illegal collective bargaining.

ARTICLE 14 - INSURANCE PROTECTION

The District shall pay the current premium costs caps annually adjusted as determined by the State Treasurer as established by the Publicly Funded Health Insurance Contribution Act, MCL 15.561 et seq. As provided in that law, the District may deduct the employee's proportional cost of the medical benefit plan from compensation due to the employee. This consortium membership will be a 3-year agreement, subject to renewal at the end of the initial 3 years.

1. **PLAN A - For employees electing health insurance**

- a. Any of the four (4) MESSA plans included in the Lenawee County Health Consortium
- b. MESSA LONG-TERM DISABILITY INSURANCE PLAN - The plan shall guarantee continuation of sixty-six and 2/3 (66 2/3) percent of the teacher's monthly contractual salary to a maximum benefit of \$6,000 including benefits the employee is eligible to receive from any employer; the Michigan Public School Employees Retirement Fund; employer's annuity or pension plan; social security; any employer's labor-management trustee, union, employee benefit plan or any governmental agency or program or coverage required or provided by law. Benefits begin after ninety (90) calendar days (straight wait) and continue to age 65 for disability commencing before age 60. For disability commencing at or after age 60 but before age 66, benefits are payable up to five (5) years. For disability commencing at or after age 66, benefits are payable to age 70. - c. MESSA VISION SERVICE PLAN - same as above
- d. NEGOTIATED TERM LIFE INSURANCE - \$50,000 AD&D
- e. An employee whose spouse carries the family's health insurance coverage through another program and/or an employee whose family members are both

employed by the District where the other spouse carries the family's health insurance coverage may elect a cash in lieu of health insurance in the amount of **\$515** a month *on the conditions that: (1) the employee voluntarily and in writing opts out of the health benefits coverage available under Plan A; and (2) provides documentation to the Board that the employee has other health coverage that meets the minimum value and coverage requirements of the Affordable Care Act.*

- B. During the term of this Agreement, said MESSA insurance is available to all bargaining unit employees regardless of membership status with the Association. This eligibility does not include substitutes. Half-year and half-time teachers will receive half the amount of paid insurance. The Board is not obligated to pay directly to the teacher any benefits under paragraph 2 or 3 above or to pay premiums for insurance policies not identified in this Agreement, it being the sole purpose of this clause to obligate the Board not to exceed the amount specified for premiums for participating teachers only in the MESSA insurance plan.

The Board reserves the right to select replacement carriers that will offer comparable, equivalent insurance coverage during the duration of this Agreement should MESSA terminate said insurance program with the District.

Half-year and half-time teachers will receive one-half (1/2) the insurance benefits. Part-time teachers employed less than sixty (60) days, along with substitute teachers are not entitled to insurance benefits.

Official medical insurance application forms must be properly completed and returned to the Business Office. These official insurance application forms can be obtained from the Business Office. New employees must obtain these forms within the first full week of school and return the forms the following Monday, properly completed, to the Business Office. Existing insurance programs will remain in effect from year to year unless the teacher elects to change coverage. If a teacher wishes to make a change in coverage, it must be done during the designated open enrollment period, on the forms provided by the insurance company and according to instructions and rules of the insurance company. Additions and deletions may be made for a "qualifying event" (e.g., birth, death, marriage, divorce), as they may occur within the time limits as specified by the insurance company.

It is the teacher's responsibility to keep his/her insurance updated to meet personal and family needs. It is not the District's position to recommend companies, changes of coverage, or spending of the insurance monies due the employee. All changes must be initiated by the employee and within the specified times.

- D. Any dispute between the Association and the Board, which may arise as to whether an employee properly executed or revoked an insurance form pursuant to this Article, shall be reviewed with the employee by a representative of the Board. Until the matter is disposed of, no further deductions shall be made. The Board assumes no liability for the authenticity, execution, or revocation of the authorization form.

- E. When a bargaining unit employee terminates employment during the school year with the District, the Board will not pay for insurance benefits beyond that employee's last month of employment.
- F. The Association will protect and save harmless the Board from any or all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purpose of complying with this Article.
- G. If an employee wishes to maintain his/her present benefits under Section B, while on an unpaid medical leave, the following formulas will be used to pro-rate the employee's and the Employer's financial responsibilities for those benefits. The Family and Medical Leave Act ~~allows~~ mandates the Employer to maintain the employee's health coverage for up to twelve (12) weeks, on the same terms as if the employee had continued to work during a FMLA leave. The formulas shown below are used to pro-rate cost after the expiration of this 12-week FMLA period (if applicable).

$\text{COST OF ANNUAL BENEFIT(S)} \times \frac{\text{\# OF UNPAID DAYS}}{\text{(appropriate days)}} =$	EMPLOYEE'S RESPONSIBILITY
$\text{COST OF ANNUAL BENEFIT(S)} \times \frac{\text{\# OF PAID DAYS}}{\text{(appropriate days)}} =$	EMPLOYER'S RESPONSIBILITY

After the Board's responsibility has been exhausted, the employee must pay the Board for any further benefits or discontinue said benefits.

The Board and Superintendent, at their discretion, may assume all financial responsibility for an employee's approved unpaid medical leave. Each case will be decided on its own merits, with special consideration given for extenuating circumstances. Any decision concerning unpaid medical leave is not precedent setting.

ARTICLE 15 - PAYROLL DEDUCTIONS

The Board may deduct from the employee's wages such amounts as required by law, which the employee may owe to the District, or which are authorized by the employee by this Agreement or by the employee in writing.

A. FINANCIAL INSTITUTIONS

The Board shall deduct from the salaries of teachers revenue installments to be paid to an elected financial institution when voluntarily authorized, in writing, by each teacher who wishes such deduction.

1. The Business Office will provide the forms authorizing such deductions. The voluntary deduction forms must be properly completed and returned to the Business Office. The voluntary deduction authorization forms filed in previous years will remain in effect until revoked in writing by said teachers, according to the paragraph below. The voluntary deduction authorizations filed annually with the Business Office shall continue in effect until a completed revocation form, signed by the teacher, is filed with the Business Office.
2. Any dispute between the financial institution and the Board, which may arise as to whether an employee properly executed or revoked an authorization card pursuant to this Article, shall be reviewed with the employee by a representative of the Board. Until the matter is addressed, no further deductions shall be made. The Board assumes no liability for the authenticity, execution, or revocation of the authorization form.
3. The Association will protect and save harmless the Board from any or all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purposes of complying with this Article.

B. TAX-DEFERRED ANNUITIES

1. The Board will deduct from the salaries of teachers for tax-deferred annuities with any vendor on the Approved Provider List, included as Appendix C. Signed payroll voluntary authorization forms must be received from each teacher before the deduction. These forms may be obtained from the Business Office or from an approved provider agent. Regular premiums will be deducted in bi-weekly equal installments.
2. Teachers will be allowed to enroll with any of the vendors on the Approved Provider List at any time throughout the school year.
3. The premium deduction authorization forms filed annually with the Superintendent shall continue in effect until a revocation form in writing and signed by the teacher is filed with the Superintendent and the insurance company. Revocation forms are available from the Business Office.
4. Any dispute between the above-mentioned insurance companies and the Board that may arise as to whether or not an employee properly executed or properly revoked an authorization form pursuant to this Article shall be reviewed with the employee by a representative of the Board. Until the matter is addressed, no

further deductions shall be made. The Board assumes no liability for the authenticity, execution, or revocation of the authorization form.

5. The Association will protect and save harmless the Board from any or all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purposes of complying with this Article.

ARTICLE 16 - TEACHER MENTOR PROGRAM & TENURE STATUS

The Board recognizes the importance and value of developing a procedure for assisting and evaluating the progress and success of both newly employed and experienced personnel. Therefore, to this end, the following procedure has been agreed upon in an effort to accomplish this goal.

The Board or its designee will advise the teacher of his/her full rights under the Tenure Law.

ARTICLE 17 - Instruction Performance & Student Achievement

The Board and the Association offers a merit-based professional career ladder to facilitate the continuous improvement of the quality of instructional skills of teachers. Through the skilled implementation of research-based teacher evaluation tools and related emphasis on the professional growth of teachers, student achievement will improve as will the overall quality of education for all our students.. The Association and the Board recognize the importance of sharing common goals for instructional performance and student achievement. In the spirit of cooperation, the following goals are set forth.

These goals do not constitute a binding part of this Agreement.

- Goal 1: The importance of continuous improvement in the area of instructional performance and student achievement.
- Goal 2: The importance of Administrators who are instructional leaders and the need to support Administrators with regular training in the areas of teacher evaluations and instructional leadership.
- Goal 3: The need for teachers to take an active role in the improvement of their instructional performance. To this end, teachers will strive to share ideas, strategies, and resources that enhance the instructional performance of their colleagues.
- Goal 4: The importance of devoting resources to professional development activities (for teachers) with the ultimate goals of improved instructional performance and student achievement.
- Goal 5: Discussing instructional performance can be a stressful and emotional experience for all parties. It shall be the common goal of all parties to maintain an open, constructive, and professional dialogue about instruction and student achievement.
- Goal 6: The need for instructional leaders to provide specific, written recommendations, intended to improve instructional performance and student achievement, including, but not limited to, videos, books, conferences, articles, etc.
- Goal 7: The need to provide administrators with constructive feedback on their collective efforts at improving instructional performance and student achievement. To this end, the Association will furnish the Superintendent with the results of a teacher survey within one (1) month of the conclusion of each semester. Said surveys will be on the topics of **teacher evaluation** and **instructional support**. The contents of this survey will be mutually agreed upon by the Association President and the Superintendent. This feedback should respect the right to privacy of individual teachers and individual administrators. To this end, teachers will complete the survey anonymously. Finally, the survey results will be discretely reviewed by the Superintendent and Association President, after which the results will become the sole property of the Superintendent.
- Goal 8: The difficulty in balancing discussions of the evaluation process while still respecting the privacy of all employees. To this end, the Superintendent will provide a summary of the evaluation process to teachers within one (1) month of the conclusion of the school year. The summary will include some common qualities that our “highly effective” teachers exhibit.

ARTICLE 18 - PERSONNEL FILE

A. Each teacher will have a personnel file in the Superintendent's office. It is the teacher's responsibility to see that the following information is provided to the Superintendent for this file and kept up to date:

- 1) Copies of all teaching certificates held
- 2) Transcripts of academic records
- 3) Credentials of his/her professional performance up to the date of employment in the District

Once hired it is the teacher's responsibility to see that he/she continues to be properly certified and meets all qualifications of his/her position. Should an emergency arise where a special certificate is needed and the Michigan Department of Education refuses to grant a special certificate, the teacher's individual contract with the District will automatically terminate.

The teacher may, upon request of the Superintendent and in the presence of the Superintendent or designee, see copies of his/her transcripts, teaching certificates, and evaluations, which have been made by his/her immediate supervisors in the District. All other information is considered confidential and is not for personal review.

Recommendations for job advancement within or outside the District will be made when requested by the institution considering the teacher's promotion or employment.

ARTICLE 19 - SENIORITY

A. Definitions:

1. "Certification" shall be defined by the Michigan Department of Education.
2. "Highly qualified" shall be defined by the Michigan Department of Education
3. "Seniority" shall be defined as the teacher's first working day in the District and years of uninterrupted continuous service with the Sand Creek Community Schools. A teacher's official date of employment for seniority purposes is the date the Board votes on employment of that teacher. If two (2) or more teachers are approved at the same Board meeting, a drawing will be held to determine seniority ranking. For circumstances needing a drawing, the Association and bargaining unit employees so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit employees and Association representatives to be in attendance.

For purposes of seniority, a full-time teacher teaching 75% or more of the semester shall receive full credit and those teaching 74% - 50% of the semester shall receive half credit. A half-time teacher teaching 75% or more days per semester shall receive half credit and those teaching between 74% - 50% shall receive quarter credit.

Continuous service shall not be interrupted by an approved leave of absence, lay off, or administrative service but seniority shall not accumulate while in this status. Seniority shall accumulate during an approved medical leave of absence and while on lay off with the understanding that seniority has no effect on increment.
 5. "Major or Minor" will be determined by an accredited college or university transcript.
- B. The Board shall prepare a seniority list by certification and transmit a copy of it to the Association on or before the first day of May. If the Association disagrees on one or all parts of the seniority list, and if mutual agreement between the parties cannot be reached on the disagreement, the Association may use the grievance procedure within ten (10) working days of receipt of the seniority list. The parties agree to expedite arbitration as promulgated by the American Arbitration Association.
- C. The Board retains the right to determine the curriculum, scheduling of classes, and teaching assignments.
- D. If a teacher receives a layoff notice by June 1, collects unemployment pay over the summer recess period, and is then recalled before the start of the next school year, shall pay back to the District the unemployment pay collected.

In such cases, the teacher will furnish the principal, as promptly as teaching obligations will allow, full particulars of the incident in writing each time or day a student is excluded from the classroom. The teacher will also contact the student's parents and inform them of the particulars of the incident in a timely manner.

- C. Any assault upon a teacher shall be promptly reported to the Board or its designee. The Board may provide legal counsel to advise the teacher of his/her rights and obligations as to such assault and render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities, provided that the teacher has complied with established administrative and Board policies.

ARTICLE 21 - MONETARY REMUNERATION

A. Duration: The teacher compensation plan and fringe benefits of the Agreement will exist for a two (2) year period of time.

- 1) The Board desires to have a two (2) year contract with the Association complying with the above schedules. However, due to the Headlee Amendment, presidential guidelines, possible further decline in enrollment, etc., the Board reserves the right to the exclusive control of planning and implementing the District's education program-
- 2) The Board disavows deficit financing; therefore, this plan has been mutually agreed upon by both the Board and Association and becomes an official part of the Agreement.
- 3) The teacher compensation plan (Professional Career Ladder) as negotiated is included below. The extra-curricular salary schedule may be found on the last pages of the Agreement.

B. Career Ladder:

- 1) Compensation will be determined by placement into one of the following professional career ladders:

Bachelor's Ladder: Minimum = \$38,000

Master's Ladder: Minimum = \$41,000

Under the board's discretion, credit may be awarded to a newly hired teacher for years of service obtained from another district. This award will be limited to \$400 per year for up to ten years of service (\$4,000 on top of base).

- 2) Teachers shifting from the Bachelor's Ladder to the Master's Ladder will have \$3,000 added to the base pay they accumulated on the Bachelor's Ladder (provided they have earned an "effective" score on their evaluations in the preceding three (3) consecutive years). If a Master's degree is earned before school starts, the said teacher shall move directly to the Master's Ladder effective as of the first day of school in September. If earned after school starts, but before the beginning of the second semester of the college where the degree is earned, the teacher shall move to the Master's Ladder at the beginning of the District's second semester at one-half (1/2) the increase. Reimbursement will only be given for credits that are accompanied by B- or better grades. Teachers are responsible to confirm that the Superintendent's Office has a copy of the transcript(s) and diploma(s) before requesting a pay increase for any of the above positions earned on the scale.
- 3) All cumulative pay increases will be subject to "effective" evaluation ratings. Additionally, cumulative pay increases will be based on a Tiered Trigger Schedule which considers both the blended enrollment of the previous school year as well as the current budget year's per-student State Aid—and a teacher's current placement on the professional career ladder (see #6).
- 4) Compensation awarded for "effective" evaluation ratings will be distributed according to the schedule agreed upon below to all participants in a professional ladder as a percentage of the base for said category (see #6).
- 5) The Board recognizes the need to reward teachers rated "highly effective" and will award additional non-cumulative pay to those teachers All teachers that earn a "highly effective" rating for the school year shall be paid a performance incentive equal to 1% of their ladder base. This shall be paid out no later than the first pay in July following the school year.
- 6) Good stewardship of the District is based on stable student enrollment and **State Aid funding**. To this end the following formula will be used to determine compensation:

For 2017-2018 Only
