WHEREAS the parties following extended and deliberate professional negotiations have reached certain understanding which they desire to memorialize.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I - RECOGNITION

- A. The Board hereby recognizes the Northern Michigan Education Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all professional personnel, but excluding supervisory and executive personnel.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.
- C. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General Schools Law or applicable civil service law and regulations.

ARTICLE II - TEACHERS RIGHTS

- A. Pursuant to Act 379 of the Public Act of 1965, the Board hereby agrees that every employee of the Board shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiations and concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the Michigan Employment Relations Commission or a moderator from such public agency or an arbitrator appointed pursuant to the provisions of this agreement.
- C. The Association and its members shall have the right to use school building facilities at all reasonable hours for meetings. - D. The Board agrees to furnish to the Association all available information concerning the financial resources of the district, tentative budgetary requirements and locations, and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with the information which may be necessary for the Association to process any grievance or complaint.
- E. Union Membership:
1. Employees covered by this Agreement at the time it becomes effective and who are members of the Association may voluntarily continue membership in the Association.

5. Save Harmless Clause: In the event of legal action against the employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

- A. The employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
- B. The employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available.

The Association agrees that in any action so defended, it will hold the employer harmless from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Commission.

- F. Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance of annuities, credit union, bank or any other plans or programs jointly provided by the Association and the Board, providing they are a single carrier and submitted to payroll office by the fourth Friday of September of each year.

A copy of each agreement shall be given to the Association within 30 days of ratification by Board and Association.
- H. The Board will consult with the Association on any new or modified fiscal, budgetary or tax programs, construction programs, or major revisions of educational policy which are proposed or under consideration and the Association shall be given opportunity to advise the Board with respect to said matters prior to their adoption and/or general publication.
- I. Any teacher may sign and deliver to the Board an authorization permitting payroll deductions in accordance with Board Policy.

ARTICLE III - RIGHTS OF THE BOARD

This reserves exclusively to the Board all responsibilities, powers, rights and authority vested in it by the laws and constitutions of Michigan and the United States or which have been heretofore properly exercised by it, which rights shall include, by the way of illustration and without limiting the generality of the foregoing, the following:

In the event of an emergency situation when such rules are developed with the direct participation of some member of the teaching staff, the Board agrees that ten (10) working days prior to the adoption date of any such rules, it shall give the Association notice of any such proposed rules. The Association shall submit to the Board whatever written recommendations it may have within five (5) working days prior to the adoption date of such rules.

When the Association has not been involved in the development of such rules and advance notice was not possible because of the urgency of time, the Board agrees that a review of such action will be scheduled at the request of the Association to consider recommendations after the Board's adoption of said rules.

Whenever possible, meetings shall be scheduled in such a manner as to accommodate the discussion of proposed rules or policy changes.

These meetings normally shall be held after school hours. The Board and the Association shall promptly establish rules of procedures for these meetings aimed at making them an efficient means of communication between the parties on such matters. A mutually prepared agenda shall be provided to all contract review members three duty days prior to the date of the meeting.

Such contribution shall be made within 60 days of the termination date from the district. Eligible participants shall not have the option of taking cash payment.

- B. The Board agrees at all times to maintain an adequate list of substitute teachers and aides. Teachers and aides shall be informed of a telephone number they may call before 7:30 a.m. to report unavailability for work. Once a teacher or aide has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher or aide.
- C. No polygraph or lie detector device shall be used in any investigation of any teacher by the Board.
- D. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of the Agreement shall be incorporated and be considered part of the established policies of the Board.
- E. Copies of this Agreement shall be printed at the expense of the Board and the Association and presented to all teachers now employed or hereinafter employed by the Board. Such copies shall be distributed within 30 calendar days of ratification by both parties.

- F. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and enforceable except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- G. Minutes, information of all Board meetings, and all other information presented and available to the Board shall be sent to the President of the Association at the same time the Board members receive copies.
This shall include notification of annual School Safety Planning Committee meeting.
- H. Payroll will be directly deposited into individual member's accounts by Friday morning of each pay period. Direct deposit vouchers for each individual will be made available via email at the same time.
- I. Mail shall be delivered to the respective schools without unreasonable delay.
- J. The Board of Education may, at its expense, require proof of adequate mental and/or physical health for any teacher to continue teaching.
- K. Nothing in this Agreement shall require the Board to keep schools open in the event of inclement weather, technical failures or when otherwise prevented by an Act of God. When the schools are closed to students due to the above conditions, teachers shall not be required to report for duty. Teachers who have scheduled personal business days or sick days shall not be charged for them provided school was closed for that entire day. If any of the above conditions occur after the beginning of the school day, teachers may leave as soon as the students in their charge have left the school grounds or if an administrator releases the teachers from that responsibility. The Board shall consult with the Association to schedule days which are called off and must be made up as required by State law. It is further understood by both parties that the district will not pay any additional salary and benefits for days which are not counted as State Aid days.
- L. No later than November 30 of any school year, the Board and the Association shall develop an accurate seniority list based on the district's employee records. The said seniority list shall rank all employees, including both active employees and employees on full or partial layoff, according to their length of service in the district. Such list shall also state the teaching assignments, if any, presently held by such employees and the areas in which the employee is certified or licensed.
- A seniority list shall be posted on the designated bulletin boards in the respective buildings. A copy of such lists shall be provided to the Association. Within 10 working days of such posting, any employee disputing the accuracy of the list shall notify the superintendent's office and the SEA in writing.
- If no written notice is given, the accuracy of the seniority list shall be deemed correct.
- M. In the circumstance of more than one individual being equal in qualifications and seniority, all individuals so affected will participate in a drawing to determine his/her position. The Association and teacher(s) involved will be notified in writing of the date, time and place of the drawing. The drawing shall be conducted openly and at a time and place which shall reasonably allow affected teachers and Association representatives to be in attendance.

- N. In the event of annexation, the Board of Education agrees to continue the tenure status of teachers currently employed by the District.
- O. In the event the District shall be consolidated or otherwise reorganized, the Board shall use every effort to continue employment of tenured teachers in this District.
- P. School wide professional development days are planned with input from the school improvement committee and are related toward making improvements on a school wide basis that will assist the school in meeting its annual school improvement goals. In order to make school wide progress it is important that all staff be involved in those professional development activities identified by the school improvement team as important. The administration will attempt to schedule professional development days when they are the least disruptive to the school learning atmosphere.

Q. PROFESSIONAL DEVELOPMENT - National Board Certification

National Board Certification (NBC) is a national voluntary system established by the National Board for Professional Teaching Standards designed to recognize teachers who meet the high and rigorous standards for what accomplished teachers should know and be able to do.

All members holding a baccalaureate degree from an accredited institution, having three years teaching experience, and holding a Michigan teaching license are eligible to earn NBC. All eligible members shall have an equal opportunity to earn NBC.

Any activity of a teacher related to NBC shall be voluntary. Members pursuing NBC may choose to terminate their involvement at any time without penalty or fear of retribution.

It is the responsibility of the member to notify and receive concurrence from the Superintendent of their intent to apply for NBC by October 1 of each school year.

Up to three (3) days paid leave (in addition to other leave granted in this document) will be provided to prepare for and complete NBC activities. These days must be approved a minimum of three (3) days in advance by the building principal.

The district shall recognize the accomplishment of each member receiving NBC by paying an additional \$1,000 stipend in annual compensation for each year the certificate is valid.

All materials prepared for the NBC assessment, including videotapes, audiotapes, portfolios, documents, computer media, etc. shall be provided by the members, and remain the sole property of the member.

- R. St. Ignace Area Schools will provide professional development opportunities to meet the state requirements. Professional development shall be planned in cooperation with the school improvement team. All staff is expected to attend scheduled in service programs unless excused due to illness or other unavoidable cause. A staff member excused from professional development shall be given an opportunity to make up the missed day by participating in another professional development program mutually agreeable to the staff member and the principal.

- S. **INDIVIDUAL CONTRACT.** The individual contract, executed between each teacher and the employer, is subject to the terms and conditions of this Agreement. It is specifically agreed that this Article takes precedence over and governs the individual contract and the individual contract is expressly conditioned upon this Article, if the individual position is eliminated.
- T. Each teacher shall have the right, upon request, to review the contents of his own personnel file. A representative of the Association may be requested to accompany the teacher in such review.

ARTICLE VII - MENTOR TEACHER

- A. A Mentor Teacher shall be defined as a Master Teacher as identified in section 1526 of PA 335 (1993) and shall perform the duties of a Master Teacher as specified in the act.
- B. Each bargaining unit member in his/her first three (3) years of employment in classroom teaching shall be assigned a Mentor Teacher by the Administration. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.
- C. An orientation jointly sponsored by the Administration and the Association shall be held for all Mentors and Mentees prior to the end of September each year.
- D. Mentor Teachers shall be assigned in accordance with the following:
 - 1. The ultimate and overriding criteria used in selecting a Mentor Teacher will be the candidate's recognition as a teacher skilled in the art and science of teaching with the capability to communicate these two areas.
 - 2. Participation as a Mentor Teacher shall be voluntary.
 - 3. The District shall notify the Association of those members requiring a mentor assignment.
 - 4. Mentor Teachers and Mentees shall work in the same building (elementary, middle, high school) and have the same area of certification (whenever possible).
 - 5. The Mentee shall be assigned to only one (1) Mentor Teacher at a time.
 - 6. The Mentor Teacher assignment shall be for one (1) year, subject to review by the Administration, Mentor Teacher and Mentee at any time upon request. The appointment may be renewed in succeeding years.
 - 7. Mentor Teachers may have up to two (2) Mentees if so desired.
 - 8. Mentor Teachers shall be tenured bargaining unit members whenever possible.

- E. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member into the teaching profession and to provide necessary assistance toward the end result of quality instruction, the Board and the Association agree the relationship shall be confidential. The Mentor Teacher may participate in the post-observation conference with the beginning teacher and the principal if requested by the beginning teacher.
- F. Upon request, the administration may make available reasonable amounts of release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular workday and school calendar year. Where possible, the Mentor Teacher and Mentee shall be assigned common preparation time.
- G. Mentees shall be provided with a minimum of fifteen (15) days of professional development activities during their first three (3) years of classroom teaching. Such professional development activities will be chosen with concurrence of the Mentor Teacher, Mentee and Administration and be in addition to regularly scheduled District-wide professional development. The Mentor and Mentee will be jointly responsible for recording these professional development days and submitting this recording in compliance with school practice and relevant school law.
- H. Compensation for Mentor Teachers shall be addressed in Article XXIII. In order to receive compensation as a Mentor Teacher under this section, the Mentor Teacher will be expected to spend a minimum of 1 hour per week (average) consulting the assigned Mentee Teacher. A record of all meetings/consultations shall be forwarded to the building administrator by June 1 of each year. This record shall be submitted along with the Professional Development Record referenced in G.
- I. The Board and Association will both encourage single Mentor-Mentee assignments, and if new multiple mentorship assignments are approved, then compensation will be one-half (1/2) of the rate for the second or subsequent assignment.

ARTICLE VIII- TEACHING LOADS AND ASSIGNMENTS

- A. The normal classroom teaching load in the senior high school (grades 9-12) will be six (6) teaching periods and one unassigned preparation period per day.

The normal weekly teaching load in the elementary/middle schools (grades K-8) will be a regulation school week, with a minimum of five (5) unassigned preparation periods or their equivalent per week.

When possible, IEP/child study will be scheduled during the teacher's regular work day. IEP/child study lasting after 3:20 p.m. shall be compensated at the rate of \$25 per hour.

- B. At least one certified teacher shall be out on the playground with the students during all recess activity.

- C. Class advisorships shall not be assigned to a teacher new to this system unless that teacher is assisted by a tenured teacher.
- D. Five (5) representatives of the Board and five (5) representatives of the St. Ignace Education Association will meet at least once annually to recommend the teaching hours of the different subject areas in the secondary schools. This committee will make its determination by June 1 of the preceding year.
- E. The Board agrees that use of supervisors or non-unit personnel will not cause a reduction in assignment of present bargaining unit members from the Schedule A positions.
- F. Any paid (either monetary or comp time earned) extra duty assignments (not covered under Schedule B) will be offered to bargaining unit members first on a rotating basis according to seniority, and must be pre-approved by an administrator.
 - 1. Members who wish to work extra duty assignments will submit their names to the SEA President or his/her designees by 4:00 p.m. on the first report to work day of the first semester and the last report to work day of the first semester.
 - 2. Members who sign up for extra duty assignments will be numbered according to seniority by the Association President.
 - 3. Participation in any said (either monetary or comp time earned) extra duty assignments will be voluntary and on a semester basis.
 - 4. Extra duty assignments will be offered by the Administration to those members who signed up for extra duty assignments on a seniority rotational basis beginning with the member with the most seniority.

Failure to accept an assignment on rotation will count as the same as accepting the assignment and will then allow the next senior person to accept the assignment for the semester.

ARTICLE IX - TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at ensuring that the energy of the teacher is primarily utilized to this end.

- A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size shall, whenever practicable, be within the following recommendations:

Kindergarten.....	20 pupils

Special Education Classes.....	as deemed by state guidelines

The recommended class size per teacher in the secondary schools shall be as follows:

*** Upon reaching 35 students an aide shall be provided for that hour if requested by the teacher.

***For the purpose of class size, special education students shall be counted as two, and if the actual number exceeds four special education students in any one class, an aide shall be assigned for the time periods when those five or more students are present. This section

pertains to general education classrooms only and only if a special education teacher is not present. Students with only a speech/language IEP and students with an individualized aide are excluded from the calculation in the above language. Multi-age classrooms shall be counted as two separate classes for this calculation.

Upon exceeding the base-line recommended numbers, the class size committee shall explore options to address the problem and make recommendations to the Board.

The first administrative review of class size base-line numbers shall occur by July 15 of each year. A second review of class size base-line numbers shall occur after the first full week of instruction. Such numbers will be sent to the Association President after each review date. Following the second review, if base-line recommended numbers have been exceeded, the class size committee shall be convened within five (5) days (one school work week). The committee shall then have two (2) weeks (10 work days) to make recommendations to be implemented as a relief for the classroom or grade level overloads. Copies of the class size committee's recommendation shall be given to the Superintendent,

Board President, Association President and the classroom teacher(s) involved, prior to submission to the Board for final approval.

Class size committee structure will consist of an administrator, Association Representative designee, all teachers involved, and parents selected by mutual agreement.

- B. (1). The Board recognizes that appropriate texts, library reference facilities; maps and globes; laboratory, shop, audio-visual, athletic, art supplies, band equipment; current periodicals; standard tests and questionnaires; and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board will undertake promptly to implement all joint decisions thereon made by its representative and the Association. The Board agrees at all times to keep the schools reasonable and properly equipped and maintained.
- (2). The Board recognizes that certain classes need adequate funds for consumable materials and to acquire and maintain durable goods and equipment. Therefore, the Board will provide adequate monies for these classes to be spent as the teacher or the department head deems necessary.
- (3). As a reasonable goal, the district's school rooms will be ready for teachers two (2) weeks before school begins; i.e. all painting, waxing and basic cleaning shall be completed.
- C. The Board of Education agrees to utilize any federal, state, and any other funds available to them and to use the professional advice from the intermediate district consulting services when practicable.
- D. Under no conditions shall a teacher under Schedule A be required to drive a school bus as part of his/her regular assignment.
- E. Tobacco use is banned from all public school buildings at all times.
- F. Telephone facilities shall be made available to teachers for their reasonable use.
- G. Work and study space will be available to teachers where no smoking is allowed.
- H. Adequate designated parking facilities shall be available at each building for bargaining unit members.
- I. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.
- J. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, sex or marital status, or membership or an association with activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to

every student without regard to race, creed, religion, age, sex, color or national origin and to seek to achieve full equality of educational opportunity for all pupils.

- K. Aides will not be assigned to teachers without a consultation between the teacher and the principal.
- L. Compensation for summer school programs shall be part of Schedule B if the program is not an extension of the regular school year program. Teachers with summer school experience in St. Ignace Area Schools during the preceding school year shall be given primary consideration for the succeeding year from summer school employment.
- M. If a teacher is asked to substitute for another teacher during his preparation time, he shall receive period credit for said substitution. This time may be used at the discretion of the teacher subject to administrative approval.

ARTICLE X - VACANCIES, PROMOTIONS, AND TRANSFERS

- A. A vacancy shall be defined as any position covered by this Agreement, i.e., a position requiring a teaching degree, a position opened by a death, a retirement, a resignation, a transfer.
- B. Any teacher may apply for such vacancy. Service in the system for the purpose of this agreement shall mean continuous employment in a school of the district or part-time service, irrespective of tenure status, but shall exclude all periods when the teacher was on leave of absence for any cause, except those designated by E, F, and G in Article XVI (16) and Article XV (15).
- C. Any teacher who shall later return to a teacher status shall be entitled to retain such rights as he/she may have had under this agreement prior to such transfer to supervisory or executive status.

ARTICLE XI- PROTECTION OF TEACHERS

- A. Since the teacher's authority and effectiveness is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to that pupil and initiate appropriate referrals.
- B. Any case of assault by a student upon a teacher on duty shall be promptly reported to the Board or its designated representative. The Board will provide counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement authorities.

- C. Time lost by a teacher in connection with any complaint within the terms of this agreement and/or school policy shall not be charged against the teacher.

- E. The Board agrees to make available a bank of at least \$4,000 per year (\$3,000 academics and \$1,000 extra-curricular) to be used by teachers who desire to attend professional conferences.
- F. At the beginning of each school year, the Association shall be credited with sixteen (16) days to permit its officers or members to attend official meetings relating to Association business. If unused, the days do not carry over from one year to the next. Only with the approval of the District shall the number of absences total more than six (6) days for any member. The Association agrees to notify the Board no less than two (2) working days in advance of taking such leave. Leave shall be granted based on the availability of substitute teachers.

ARTICLE XIII- SICK LEAVE

- A. Each teacher shall be allowed full pay for a total of eleven (11) days per year, with unlimited accumulation.

These days shall be used for:

- personal illness
- personal doctor appointments
- illness in the immediate family
- attendance at funerals

Attendance at funerals outside the immediate family shall be charged to personal leave.

Unused personal leave days may also be accumulated as unused sick days.

This also includes a dependent living in the immediate household. The term household is interpreted as those who dwell under the same roof and comprise a family or a domestic establishment.
- C. If a teacher has used 15 sick leave days over the course of a school year, the Superintendent may, at that time, request medical proof of illness for any subsequent sick leave time requested.
- D. Any teacher who is absent because of an injury or disease compensable under the Michigan Worker's Compensation Act, may elect to receive, at the teacher's option, the difference between the allowance under the Worker's Compensation Act and his/her regular salary by using accumulated sick leave. Fringe benefits shall continue while employee is covered under Worker's Compensation for six (6) months or to the end of the contract year, whichever is greater. The employee will then have the option to continue to pay the group rate premium for as long as the insurance company allows.
- E. Every teacher is eligible to borrow from the sick bank when all of his/her paid leave days (sick and personal) are depleted to 3 or less days. Reasons for use of the sick bank are limited to his/her own personal illness or disability, or that of his/her spouse or child. Use of sick bank shall require a minimum of 3 consecutive or reoccurring illness days of absence before the sick bank leave can be requested.
 - 1. No additional days will be added to the sick bank if, by June 30 of any one year, the bank contains eighty (80) or more days.
 - 2. Every teacher is eligible to borrow from the sick bank when all of his/her paid leave days (sick and personal) are depleted to 3 or less days. Reasons for use of the sick bank are limited to his/her own personal illness or disability, or that of his/her spouse or child. Use of sick bank shall require a minimum of 3 consecutive or reoccurring illness days of absence before the sick bank leave can be requested.
 - 3. This sick leave bank can only be utilized to qualify the teacher for STD, LTD, Worker's Compensation, or to recover from a personal illness.
 - 4. Teachers who use this sick bank are limited to a maximum of 90 work days within any consecutive 10 year period.
 - 5. Funeral leave shall not be drawn from the sick bank.
 - 6. Upon borrowing days from the sick bank, the teacher is obligated to pay these sick days back to the bank at a rate of three (3) days per year above the day each member pays each year.
 - 7. All sick days borrowed from the sick bank over and above ten (10) days shall require a statement from a physician or psychiatrist who is mutually acceptable to the Board and the Association.

8. In emergency cases where the sick bank is depleted during the school year, the Association shall have the authority to assess the teachers the needed days to replenish the bank on a matching basis with the Board.
9. If, upon retirement, a person owes days to the sick bank, this debt shall be cancelled. If upon leaving the St. Ignace Area School system a person owes days to the sick bank, these days shall be taken from his/her accumulated sick leave to the extent he/she borrowed and the remainder, if any, shall be cancelled.
10. The sick leave bank shall be administered by a committee of four (4) persons: two (2) persons appointed by the Superintendent of Schools and two (2) persons appointed by the Association President.
11. Teachers shall make application in written form to the committee.
12. All requests for use of days from the sick leave bank are subject to the approval of the committee.

ARTICLE XIV - LEAVES OF ABSENCE

- A. Upon written request of the Board, any teacher whose personal illness or disability extends beyond the period compensated under Article XV shall be granted a leave of absence without pay for such time as is necessary for complete recovery from such illness or disability. In order to provide continuity of instruction, an employee may return from leave at the beginning of either semester during a school year. If a teacher intends to return at the beginning of second semester from leave, the teacher must notify the Board prior to December 15 of the affected school year. If a teacher intends to return at the beginning of the school year from leave, the teacher must notify the Board by March 15 of the school year prior to the year he/she wishes to return. If a leave exceeds two years, the teacher may return when a vacancy occurs for which the teacher is qualified, provided that the Board is notified prior to March 15 of the school year prior to the year he/she wishes to return.
- B. Leaves of absence with pay, notice being given as far in advance as possible, shall be granted for the following reasons:
 1. Attendance at a ceremony awarding a degree to the staff member (for such portion of the day as is necessary).
 2. One day, except when travel requires additional time, for attendance at the school graduation of a son, daughter, husband or wife if substitutes are available.
 3. A maximum of four (4) days per school year shall be allowed for the conduct of personal affairs. Unused days may be cumulative to be capped at eight (8) days. The use of these days will be limited to two (2) at a time. The building principal must be notified by the close of the school day prior to the day desired. However, exceptions may be granted in an emergency, or by administrative approval. The use of personal leave days on days that school wide professional development is scheduled is discouraged. Teachers that miss two (2) or more school professional development days will meet with administration to discuss the reasons related to missing professional development.

4. Absence when a teacher is called for jury service. Compensation will equal the regular rate.
 5. Court appearance as a witness in any case connected with the Teacher's employment or the school or whenever a teacher is subpoenaed to attend legal proceedings. Compensation will equal the regular rate.
 6. Time necessary to take the selective service physical exam.
- C. One year leave of absence with Board approval, without pay, shall be granted upon application for the following purposes:
1. Study related to the teacher's certified field.
 2. Study to meet eligibility requirements for a certificate other than that held by the teacher.
 3. Study, research, or special teaching assignment involving probable advantage to the school system.
- The regular salary increment occurring during such period shall be allowed.
- D. Child Care Leave:
1. Child care leave shall be available to all teachers.
 2. Maximum leave will be three years.
 3. If a leave exceeds one year, the teacher may return when a vacancy occurs for which the teacher is qualified, provided that the Board is notified prior to March 15. If the vacancy is posted after March 1, the teacher on leave shall be informed of the vacancy by registered mail and shall have fourteen (14) days to accept the position.
- E. Leave of absence without pay will be granted for up to three years to any teacher who joins the Peace Corps as a full-time participant in an educational program. Any period so served shall be treated as time taught for purposes of the salary schedule set forth in Article XXII, of Schedule A of this Agreement.
- F. Sabbatical Leave:
1. The sabbatical leave policy is designed to provide an opportunity for those teachers who have been employed for seven (7) or more years in the St. Ignace School District to engage in professionally related experience having a major focus on self-improvement.
 2. Applications shall be filed with the office of the Superintendent by March 1 for leave beginning the following September. For leave beginning the second (2nd) semester, applications shall be filed by October 1. Applications requesting sabbatical leave commencing in September shall be notified by May 1 as to the status of their application. Applicants requesting leave commencing the second (2nd) semester shall be notified by December 1 as to the status of their application. Applicants for sabbatical leave shall include with their application forms an outlined plan for the period requested for sabbatical leave.

3. An approved sabbatical leave of absence may carry an allowance of up to one-half (1/2) contractual salary for the duration of the leave, subject to such deductions as are required by law, board regulation, or teacher election. A teacher granted such leave shall advance on the salary schedule as if he/she had been working in the district.
4. A teacher on sabbatical leave shall be considered to be in the employ of the school district and shall have a contract. Insurance benefits as set forth in this contract shall be provided teachers on sabbatical leave on a prorated basis consistent with the percentage of salary received. Teachers on sabbatical leave shall be entitled to participate in any and all benefits that may be provided other contracted teachers by the Board.
5. A teacher returning from sabbatical leave shall be restored to a position for which they are certified and qualified.
6. Sabbatical Committee

All applicants for sabbatical leave shall be reviewed by a committee composed of six (6) members. Three (3) members shall be appointed by the Association and three (3) members by the Superintendent. The committee shall consider the following criteria:

- a. Applicant's length of service in the district
- b. Merit of the applicant's proposed program

The committee shall send its affirmative recommendations to the Superintendent. The Superintendent shall send his/her recommendations, attached to the committee recommendations, to the Board for consideration.

7. Any teacher receiving a sabbatical leave shall sign an agreement to return to the school district for at least one (1) year following the leave or reimburse all salary paid by the Board while on leave.
- G. Teachers who are officers of the Association or are appointed to its staff should, upon proper application, be given a one-year leave of absence without pay for the purpose of performing duties for the Association. Teachers given leaves of absence without pay shall receive credit toward annual salary increment on the schedule appropriate to their rank.
- H. Military leaves of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty to any branch of the armed service. He/she shall advance one step on the salary schedule for each year of service upon return to teaching in this district.
- I. The Board shall grant leaves of absence without pay to any teacher to campaign for or serve in public office.
- J. Upon return from any leave, a teacher shall be restored to a position for which they are certified and qualified. If FMLA applies, the parties agree to abide by the provisions of the FMLA.

ARTICLE XV - PROFESSIONAL GRIEVANCE PROCEDURE

- A. Any teacher, group of teachers, or the Association who believe that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement or any existing rule, order, or regulation of the Board, or any other provision of law (except a statute specifically establishing a procedure for redress) relating to wages, hours, terms or conditions of employment, may file a written grievance with the Board or its designated representative. The Board will designate its representatives for such purpose.
- B. Definitions: (a) A GRIEVANCE is a claim based upon an event or conditions which affect the conditions or circumstances related to school operation, allegedly caused by misinterpretation or inequitable application of established law, policy, or the terms of this agreement. (b) The term TEACHER includes any individual or group who is covered by this contract. (c) A PARTY OF INTEREST is the person or persons making the claim and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem. (d) The term DAYS when used in this section shall, except where otherwise indicated, mean working school days.
- C. In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with his/her building principal either personally or accompanied by his/her Association representative.
This discussion must occur within 10 days of the violation, misinterpretation or misapplication, or within 10 days of the discovery thereof.
- D. If, as a result of the informal discussion with the building principal, a grievance still exists, the teacher may invoke the formal grievance procedure through the Association on a form provided by the Association representative. A copy of the grievance form shall be delivered to the principal within 10 days of the date of the prior meeting. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.
- E. Within five (5) days of receipt of the grievance, the principal (superintendent) shall meet with the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance within five (5) days of such meeting and shall furnish a copy thereof to the Association.
- F. If the local Association is not satisfied with the disposition of the grievance or if no disposition has been made within five (5) days of such meeting (or ten (10) days from date of filing, whichever shall be later), the grievance shall be transmitted to the Superintendent. Within ten (10) days, the Superintendent or his/her designee shall meet with the Association on the grievance and shall indicate his/her disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the Association.

If the grievance is not resolved at the Superintendent level within 10 days it should be presented to the Problem Solving Committee, for recommendations for resolution. If the committee does not meet within 10 days, this step shall be skipped.

- G. If the local Association is not satisfied with the disposition of the grievance in Section F, the Association representative shall file the grievance in writing with the Board within five (5) days

after the decision from Section F. The Board shall render a decision within five (5) days of receipt of the grievance or no later than the date of next regularly scheduled board meeting.

- H. If the local association is not satisfied with the decision in Section G, he/she shall within ten (10) days of the Board's decision notify the Superintendent of his/her dissatisfaction and request to go to arbitration. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in a court of competent jurisdiction.

A copy of this decision shall be forwarded to the Superintendent for permanent filing. Copies, also, will be given to the building principal for the building in which the grievance arose, the grievant, and the secretary of the Association.

- I. The fees and expenses of the arbitrator shall be shared equally by the parties.
- J. Except as limited by MCL 380.1248, if the probationary, tenure teacher, or bargaining unit member for whom a grievance is sustained or unjustly denied renewal of his/her contract or disciplined for an arbitrary or capricious reason, he/she shall be reinstated with full reimbursement of all professional compensation lost, and reference to any discipline related to that specific issue will be rescinded and destroyed.
- K. The time limits provided in this article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the Superintendent shall use his/her best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- L. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- M. It shall be the general practice of all parties to process grievance procedures during times which do not interfere with the assignment of duties; provided, however, in the event it is agreed by the Board to hold proceedings during regular working hours, a member participating in any level of the grievance procedure with any representative of the Board including arbitration proceedings, shall be released from assigned duties without loss of salary.
- N. Any failure by the SEA to follow the approved timeline shall declare the grievance null and void and no grievance over that occurrence shall be permitted.
- O. Any failure by either administration or Board of Education to follow the approved timeline will result in the grievance resolution being settled in the Association's favor, providing requested relief is within the contract parameters.

ARTICLE XVI - STUDY COMMITTEES

Study committees, particularly regarding matters concerning curriculum and materials, should be established. The clerical expenses of such committee representatives shall be borne by the Board. Representatives on such committees shall be excused from the performance of other work, up to five (5) hours per week, for the purpose of serving on such committees.

ARTICLE XVII - NEGOTIATION PROCEDURES

- A. It is contemplated that matters not specifically covered by this Agreement, or those covered by this Agreement and of common concern, shall be subject to professional negotiations during the period of this Agreement upon written notice to the other party within thirty (30) days. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussion, furnishing necessary information, and otherwise constructively considering and resolving any such matters.
- B. By March 1, the parties will begin negotiations for a new agreement covering hours, wages, terms, conditions of employment and shall continue negotiating on a regular basis.
- C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from inside or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

D. Impasse

If the parties fail to reach an agreement in any such negotiations, either party may evoke the mediation machinery of the Michigan Employment Relations Commission, or take any other lawful measure it may deem appropriate. The end result of the mediation machinery will be fact finding, subject to the following restrictions:

1. Negotiations impasse will occur only after both parties have designated a proposal as their Last Best Offer, said designation to be in writing.
2. The selection of the fact finder will be by mutual consent. If mutual consent cannot be reached, then the State will appoint the fact finder. The fact finder shall have the power to select (1) the total last offer by the Board, (2) the total last offer by the Association, or (3) a compromise between the two last best offers.
3. The parties agree that all cost incurred during this process of securing the services of the fact finder shall be shared equally by the Board and the St. Ignace Education Association.

4. It is expressly understood that the fact finder's recommendations are not binding on either party.

E. The Association and the Board recognize that strikes and other forms of work stoppages by teachers are contrary to law. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association, therefore, agrees that its officers and members shall not authorize, instigate, cause, encourage, aid, ratify or condone, nor shall any teacher take part in any strike, slowdown or stoppage of work, boycott, picketing or other interruption of activities in this school system.

ARTICLE XVIII – INSURANCE BENEFITS

The Board shall provide health insurance to each employee with Board contributions per state law. This shall be equal to the full state mandated hard cap amount provided by the State of Michigan each year. Any remaining premium costs shall be paid by the employee through payroll deduction. Health insurance may be reviewed annually by the group and the Board without opening any other areas of this contract. The plan agreed upon by the group and Board will remain in effect for the medical billing year. Effective January 1, 2019, the parties agree to MESSA or other insurance carrier/policy as determined by the parties. Any contract language to the contrary shall be null and void at that time. If the insurance premiums fall below the state “hard cap,” the Board will provide to the employee the difference of the cap and insurance premium.

At no time shall the Board’s premium contribution exceed the established state cap numbers and shall be subject to both PA 54 and PA 152 at all times.

It is understood that the Board may grant more than five (5) years credit at its discretion, but the credit will be given only if earned in the area of certification. This may include military and Peace Corps service.
2. Increment becomes effective September 1 of each year and advancement under the salary schedule shall be automatic as of September following completion of required academic or professional courses. Salary adjustments into a higher salary schedule for advanced training must be requested by the teacher, in writing, and accompanied with an official transcript of the completed required academic or professional courses, on or before October 1, in order to receive a salary credit for the year.
3. In addition to the basic teacher salary as provided in the foregoing, there shall be paid the following further sum: (items in percents to be based on the years of experience in that said position with the St. Ignace Area School system). New teachers coming into the system can have up to five (5) years experience in their extra-curricular activities.
 - A. Teacher's summer work when approved in writing by the Superintendent for work beyond normal preparation, etc. pro-rated on teacher's base salary.
 - B. The salary schedule for extra-curricular activities (Schedule B) has been agreed to be based upon the Board's indication that criterion has been utilized in determining said schedule reflecting a single-rated pay existing for teachers doing similar jobs requiring equal effort, time, and responsibility.
 - C. In the event that a teacher initiates any suit or action against the Board concerning the salary for extra-curricular activities, the Board shall hold the Association not liable for any damages which may be assessed against the Board for said suit or action.
4. Half-time teaching at the High School means three (3) teaching periods plus one (1) work period, based on an eight (8) period schedule. Periods taught beyond three (3) will be paid on a pro-rated basis.
5. The Board shall pay the teacher retirement rate as established by the State. Those teachers with Member Investment Plan (MIP) coverage shall continue to pay their MIP portion.
6. The Board agrees to pay one-hundred (100%) percent of the tuition cost per hour of credit for teachers required by the Board to take additional course work to qualify for a new position created by additions to the curriculum. In order to qualify for this reimbursement, the teacher shall have prior written approval from the Superintendent and verified by the Association designee requesting that he/she enroll in a particular class or classes.

ARTICLE XXIII - LEAST RESTRICTIVE ENVIRONMENT

The Board and the Association acknowledge that the policy of least restrictive environment is legally mandated and intended in the best educational interest of the student. Accordingly, the parties also recognize that the extent to which any individual student who would fit legal requirements which would involve the use of an Individual Educational Planning Committee (IEPC) for placement in the regular classroom must be appropriate to the student's unique needs as determined by an IEPC on an individual basis. For the purpose of this section, such students shall be referred to as "mainstreamed students".

- A. Any member who has a reasonable basis to believe that a mainstreamed student assigned to that member has a current IEPC report that is not meeting the student's unique needs as required by law should promptly notify the administration.
- B. Recognizing periodic changes in student status and enrollment subsequent to the start of the school year, to the extent possible, mainstreamed students will be assigned in equitable numbers across general education grade levels within the junior and senior high school. This section will not apply in the event the teacher volunteers to take additional mainstreamed students.

C. The following conditions shall apply to placement of mainstreamed students in general education classrooms:

1. Any member who will be providing instructional or other services to a mainstreamed student in a regular education classroom setting shall be invited to participate in the IEPC which may initially place (or continue the placement of) the student in a regular education classroom. When invited to such an IEPC, the member will make a reasonable attempt to attend the IEPC, and when it is requested, will provide written input to the IEPC (or the Multi-Disciplinary Evaluation Team Report to be presented to the IEPC).

In instances where it is not possible to identify in advance of an IEPC general education teachers who ultimately will have mainstreamed student(s) assigned to their classroom(s), meetings will be convened with such general education teachers as soon as possible following the beginning of the school year to explain the conclusion of the IEPC and to provide for the teacher to have input.

2. The district shall make every reasonable effort to provide the receiving teacher with necessary support identified in the IEPC.
3. The administration shall provide, prior to such placement whenever possible, in-service training and awareness information to the teacher(s) regarding the instruction and behavioral management of such mainstreamed students in the regular education classroom setting, including but not limited to, the differing approaches, problems, and techniques to be utilized with varying physical, mental, emotional and behavioral conditions as are likely to be faced in the given situation. Such training and information shall be provided at board expense and shall be mutually arranged with the teacher(s) to be involved. If such prior training and information are not possible, the training and/or information will be provided as early as can be arranged after the placement has occurred.
4. Except in life threatening circumstances, a regular education classroom teacher shall not be required to perform medically specialized procedures for or on mainstreamed students. In a situation where a teacher agrees to provide such procedures, he/she shall be provided with training appropriate to the situation with all expenses paid by the Board.

ARTICLE XXIV - INTERNET ACCEPTABLE USE AGREEMENT

To provide an intellectual atmosphere that includes access to the Internet, the Board and Association believe that all teachers should have the opportunity to develop skills in using computer technology. Having access to the Internet will allow the teacher to access and use the Internet to transmit material, which is consistent with the educational goals of the school district, as well as allow the teacher to access and transmit appropriate material to be used in the educational environment.

Whereas the parties do recognize the educational value of Internet access at school using district equipment they hereby agree to the following:

1. The parties seek to educate young people in the use of the Internet as an assistive device to support student learning and achievement.
2. The parties recognize that in order to support student learning and achievement the teacher must use the Internet access in a responsible manner.

While it is agreed that telecommunications, information gathering and recreational uses of electronic resources are available to staff, any use thereof not related to supporting the academics of students will be restricted to those hours when staff are not responsible for students (lunch hour, conference hour, before and after school hours).
5. The parties agree that the District will periodically make determinations on whether specific uses of the electronic resources are consistent with the acceptable use practice of the school.
6. The District reserves all rights to any material stored in files which are generally accessible to others and will remove any material which the District believes may be unlawful, obscene, pornographic, abusive, or otherwise objectionable.
