NOTE: For clarification, it is understood that this section applies to sick leave and leaves under the Family Medical Leave Act and Workers' Compensation.

### Section 9: Return from Leaves

The beginning and termination dates of all leaves shall be determined at the time of granting except for emergency leaves where the termination date is not known at the time of granting.

- A. During an authorized leave of one calendar year or less an employee's position should be regarded as frozen, exempt from transfers and postings. Upon return from an authorized leave of one calendar year or less an employee shall return to his/her former position.
- B. During the aforementioned one calendar year, the administration may cover the job with a substitute or may hire an employee pursuant to the following conditions:
  - 1. The employee hired shall serve the normal probationary period.
  - 2. The employee hired shall be restricted from requesting transfers or bidding on postings until such time as the leave which created the position is terminated, unless the administration waives this restriction.
  - 3. During a reduction in force, the position shall no longer be frozen but shall be subject to the provisions of Article VII, Section 5. An employee subsequently returning from leave shall, if his/her replacement has been displaced, exercise seniority rights under Article VII, Section 5.
- C. During an authorized leave of more than one calendar year, the vacated position shall be opened for transfer per Article VII, Section 2. If the master list has been exhausted, then the Employer may fill the position with a new hire.
  - 1. On return from any extended leave an employee shall bump into division according to Article VII, Section 6, paragraph C2.
  - 2. If the Employer has been unable to fill the position by transfer or with a new hire, the returning employee shall displace the substitute and return to his/her former position.

## Article XI

- D. A new hire displaced under B or C above will exercise bump rights per Article VII, Section 6.

### **Section 10: Educational Leave**

An employee with two (2) or more years seniority may be granted an unpaid educational leave. Said leaves shall not exceed one (1) year. If an employee does not utilize the full year of educational leave, an additional educational leave may be granted utilizing the remaining balance. Thereafter an employee shall be ineligible for consideration for another study/travel leave until such time as he/she has actually worked another three (3) school years.

### **Section 11: Unpaid Relief Time for Extended Year Employees**

- A. Staff working the extended year day calendar may request leave of absence without pay subject to the following conditions:
1. The request stating the exact dates and the reason for the leave is to be filed with the immediate supervisor not later than April 1st preceding the commencement of the leave if it is to be taken in the ensuing summer. During the rest of the year the filing deadline shall be one month prior to commencement.
  2. A replacement can be obtained who, in the judgment of the Superintendent, is qualified.
  3. The leave shall be in blocks of one work week (consecutive work days). The total shall not exceed one (1) work week of consecutive work days. Time off shall be scheduled with the immediate supervisor.
  4. At least one regular staff person assigned to that classroom must be available for coverage. (Where there is only one paraprofessional in a room, the administrator may decide to waive this provision and allow the individual to take unpaid relief time if a detriment to the program does not result.)
  5. In event there is a conflict in dates, the principal shall resolve the conflict. In making his/her judgment he/she shall consider the dates the requests were submitted and which paraprofessional had been on leave most recently.
  6. During the first year of employment an employee's eligibility for unpaid leave shall be according to the following schedule:
    - a. Under 6 months - no unpaid leave
    - b. 6-12 months - 1 week unpaid leave

## **Article XI**

- B. Anyone who is taking an unpaid leave during the school year will be granted the opportunity to have the remainder of his/her paychecks adjusted to reflect the leave, if the employee submits by August 1<sup>st</sup> the proposed schedule of leave days to the Assistant Superintendent for Personnel & Employee Relations.

### **Section 12: Unpaid Leave**

Unpaid leave for 186 day staff may be granted by the Board.

## ARTICLE XII

- A. This section applies to glasses and clothing damaged in school, on field trips or any other assigned duties, and to other personal property used for educational instruction when written approval for such use is obtained in advance from the principal.
- B. There must be no negligence on the part of the employee.
- C. The only appeal for a decision by the administration not to reimburse shall be to the Board of Education which decision shall be final.
- D. The decisions of the Superintendent and/or Board shall not be grievable.

#### Section 2: **Smocks**

The Employer will provide cover-up smocks for bus duty.

THE FOLLOWING SECTION IS SUBJECT TO PERA, AS AMENDED: ARTICLE XII-SECTION 3 (AMOUNT OF PUPIL CONTACT TIME TO RECEIVE FULL STATE AID)
--

#### Section 3: **Snow Days**

- A. On any day when school sessions are scheduled but that schedule is cancelled by the Superintendent due to weather or other conditions beyond control and this official closing is announced on a major Detroit area radio or TV station, then the following provisions for paraprofessionals' pay will prevail:
  - 1. If the announcement states that schools are closed, paraprofessionals are not to report and will receive full pay.
  - 2. Paraprofessionals who work with students will not be required to report to their work assignment on snow days if all center-based programs are closed.
  - 3. The first two (2) days when pupil instruction is not provided because of conditions not within the control of school authorities, such as severe storms, fires, epidemics, or health conditions as defined by the city, county, or state health authorities, shall be counted as days of pupil instruction, and shall not be made up by students or staff.

## Article XII

4. Subsequent such days shall not be counted as days of pupil instruction and shall be made up by students and staff.
5. Make up days may be scheduled during Winter Recess, Midwinter Break, Spring Recess, Summer, or Summer Recess.
6. Inasmuch as make up days will have been paid for in advance (at the time of the snow day), Trustmark, Board paid sick days, and Board paid personal business days will not be used to cover absences on a make up day. Instead, if a paraprofessional is absent on a make up day, an additional day's work will be scheduled by the district and performed by the para-professional prior to the start of the next school year, or the para-professional shall be docked at that time.
7. The above provisions, 2 through 5, shall be in effect only so long as state of federal law mandates.
8. If the announcement states that schools are closed and paraprofessionals are to report, then paraprofessionals must report. If a paraprofessional is unable to report he/she may be paid for such absence by using a personal business day or compensatory time.

### Section 4: Evaluation

Each paraprofessional will be evaluated at least bi-annually. New paraprofessional employees will be evaluated prior to the end of the ninety (90) day probationary period and at least bi-annually thereafter. All observations of the employee's performance shall be conducted openly and with full knowledge of the employee. General procedure following evaluation is as follows:

- A. After the principal and/or assistant visits the classroom and discusses the paraprofessional's service with the teacher in charge, he/she shall hold a conference with the paraprofessional at which time the evaluation is discussed. At the option of either the principal or the paraprofessional, the teacher in charge may also be called upon to attend the conference relative to the evaluation.
- B. Upon completion of the evaluation, the paraprofessional shall read and sign both copies of the evaluation and will retain one copy for his/her personal file; remaining copy will become part of the MISD personnel records.

**Section 5: Supporting Student Behavior**

- A. The Board recognizes its responsibility to give all reasonable support and assistance to staff with respect to the maintenance of control and discipline in the classroom. When appropriate, the services of special counseling, social workers, law enforcement personnel, physicians and other professionals shall be provided to assist the classroom staff.
- B. Paraprofessionals may use only such force as is necessary to protect themselves from attack or to prevent injury to a student pursuant to State of Michigan General School Laws, Section 380.1312.
- C. Chronic/Bizarre acting out behavior shall be reported to the teacher.
- D. It shall be the responsibility of the principal to conduct necessary investigations thoroughly and fairly. It shall be the responsibility of the paraprofessional to cooperate and assist in such investigations.

**Section 6: Health and Safety Committee**

The Union and administration will together establish a committee which will investigate health and safety issues of concern to bargaining unit members.

The committee will be made up of two (2) members selected by the Union (MIFT), two (2) members selected by the Paraprofessional Union, and two (2) members selected by Administration.

The committee will meet a minimum of six times per year. Additional meeting may be scheduled by the consensus.

The committee may invite such expertise as may be needed. Additionally, if building and grounds conditions are placed on the agenda, the Supervisor of Building and Grounds shall attend the meeting in a non-voting capacity.

The committee, acting by consensus, shall make recommendations directly to the superintendent on policies and procedures which are related to bargaining unit members.

- A. Upon receiving recommendations from the committee, the superintendent has twenty (20) days to decide:

## **Article XII**

superintendent. The superintendent will have five (5) days to respond to the supervisor's action.

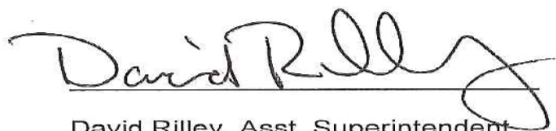

2. If the recommendation is rejected, the superintendent will forward to the committee the reasons for the rejection.
  - a. The committee has the option of revising the recommendation and to resubmit it to the superintendent for his/her action.
3. The superintendent may make a request that more time is needed to make a decision.

### **Section 7: Public Health and Communicable Disease**

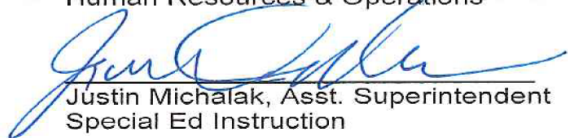

1. Public Health rules regarding communicable diseases will be adhered to.
2. Information pertaining to communicable diseases such as incubation period, contagious periods, and health related concerns (including disinfectant procedures) will be made available annually. The MISD Communicable Disease Policy will be made available to the paraprofessional union president at the beginning of each school year along with any updates throughout the school year.
3. In the event the Board of Education authorizes the development or revision of Board Policies and/or procedures dealing with communicable diseases, the employer will provide the Union, prior to adoption or implementation, with notice and opportunity to be involved in the development of said policies and/or procedures as they impact the working conditions and health and safety of the paraprofessionals.
