WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Armada Area School District is their mutual aim and that the character of such education depends predominantly upon the quality and morale of the teaching service, and

WHEREAS both parties recognize that the Board by state law is vested with policy making responsibilities, and

WHEREAS the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

1. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the first day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.
2. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the Administrative Procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedures set forth in this Agreement.
3. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments and contributions to the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedure outlined in the MEA Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Employer shall deduct such dues, assessments and contributions from the regular salary check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year.
4. Upon appropriate written authorization from the bargaining unit member, the Employer shall deduct from the wages of any such member and make appropriate remittance for MEA-FS's MEA-sponsored programs (tax-deferred annuities, auto insurance, homeowner's insurance, etc.), MESSA programs not fully Employer-paid, credit union, savings bonds, charitable donations, MEA-PAC/NEA Fund for Children and Public Education (formerly known as "NEA-PAC") contributions or any other plans or programs jointly approved by the Association and Employer. *When authorized by the individual teacher, a designated sum may be deducted and remitted to: The Macomb Schools and Government Credit Union, health insurance companies named in this agreement, and one of the Board approved tax-sheltered annuity programs. Additional companies and programs may be added by mutual consent of the Association and Board.*
5. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the Service Fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February).

Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation Service Fee by non-members shall be activated no earlier than thirty (30) days following the Association's notification to non-members of the Service Fee for that given school year.

6. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
 - 6a. The Employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
 - 6b. The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
 - 6c. The Association shall have complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as direct consequence of the Employer's compliance with this Article V, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE VI - TEACHER EVALUATION

1. The work performance of all teachers shall be evaluated in writing. The membership will be informed of the specific criteria on which they will be evaluated. This means that there shall be a pre-evaluation meeting at which time the teacher shall be notified of the criteria that will be used to evaluate him/her.
2. A teacher's work will be evaluated by either the building principal, assistant principal or immediate supervisor. Special Education teachers will be evaluated by the Special Education Director in collaboration with the building principal. Teachers who travel between two buildings will be evaluated by the administrator of the building where the preponderance of the teacher's duty time exists.
3. As per the amended Teacher Tenure Act of 1993, a meeting shall be held with the appropriate administrator, the first - year probationary teacher, and the mentor teacher. This meeting shall take place within thirty (30) calendar days of each first - year probationary teacher's first day of work. The purpose of the meeting is to discuss the goal and expectation plan for the year. A written goal and expectation plan shall be presented to the teacher and the president of the Association within seven (7) days of the meeting. The formal individualized development plan (IDP) shall be created with input from the teacher and appropriate administrator, then finalized and presented in written form to the probationary teacher and the Association president prior to the end of the probationary teacher's first year.
4. Probationary teachers shall be observed at least two (2) times per year. Classroom observations shall be at least sixty (60) calendar days apart and shall be at least forty-five (45) consecutive minutes in length. Each year of the probationary period, probationary teachers shall be provided with an annual

- year end performance evaluation based on two (2) classroom observations and an evaluation progress report based on the employee's meeting of goals established in the written goal and expectation plan for the first year.
- 4a. Evaluations for probationary teachers shall be submitted to the teacher prior to sixty (60) days before the end of the school year.
 5. Tenured teachers and other continuing contract teachers shall be observed at least two (2) times during the evaluation year and be evaluated in writing at least once every three (3) years.
 - 5a. In order that each teacher may be aware of his/her strengths, as a part of his/her overall evaluation, a minimum of two (2) classroom observations will be conducted. Notification of the dates of two (2) such observations will be made five (5) working days in advance. Classroom observations shall be at least forty-five (45) consecutive minutes in length. Any evaluation shall be reviewed with the teacher, and a copy of the written evaluation presented to the teacher within ten (10) school days of the final classroom observation. Failure to meet this ten (10) school-day guideline negates this particular evaluation.
 - 5b. The written evaluation for all teachers shall include a statement of the improvement desired and a statement providing a reasonable period of time in which to attain the desired improvements, if any. Should the evaluation of a teacher prove unsatisfactory, the Association shall be made aware of that fact prior to the teacher's discussion with the administrator to review the evaluation.
 - 5c. If the evaluator deems the evaluation to be unsatisfactory, it shall be so noted on the evaluation form, and the district shall, as per the amended Tenure Act, provide the teacher with an IDP. The IDP shall be developed in conjunction with the administration, the Association and the individual member. The IDP shall be created within ten (10) calendar days of the unsatisfactory evaluation. A written copy of the IDP created for any tenure teacher shall be given to the teacher.
 - 5d. If an IDP plan is in place for a tenure teacher, the subsequent evaluation conducted by the administrator shall assess the teacher's progress in meeting the goals identified in the IDP.
 - 5e. Evaluations will be submitted to the teacher by May 1.
 6. At the conclusion of the stated time for attaining the desired improvements, a meeting shall be held with the teacher, principal and/or supervisor, and the Association representative to discuss the progress made. A statement will be added to the written evaluation concerning the progress.
 7. At the conclusion of this meeting should the teacher still find disagreement with the evaluation, the teacher has the right to attach a statement to the evaluation and request one re-evaluation.
 8. The principal's, assistant principal's or supervisor's records or observations shall not be used in an evaluation unless referred to in the official evaluation or placed in the personnel file.
 9. The district's failure to provide the required performance evaluation as described herein shall mean that for that period the teacher's performance was satisfactory.
 10. By October 1 of each school year, the Administration will submit to the Association president, a list of all teachers to be evaluated during the school year. If a teacher's performance is less than satisfactory, the Board will so notify, in writing, the Association president.

ARTICLE VII - TEACHING HOURS

1. Prior to the beginning of the school year, teachers shall meet with the appropriate principal on request and with mutual agreement.
2. The teacher's day will consist of 7 hours and 11 minutes, including lunch, preparation and class time.

5. The Administration will make every attempt to limit the number of secondary preparations to three or less.
6. Instructional time will not exceed five (5) hours and forty-seven (47) minutes.
7. Teachers shall be informed of a telephone number that they must call prior to 6:00 a.m. to report unavailability for work. Whenever possible, teachers should call before school is out to verify the succeeding day's absence.
8. The Board wishes to retain the involvement of teachers for daily non-teaching duties such as recess and noon-hour. Teachers will be involved in the scheduling of these duties.
9. The Board is committed to compliance with NCA standards in the establishment of teaching hours.
10. If the state requirements for minimum days and hours of pupil instruction change during the life of this Agreement, representatives of the Association and the Board shall meet for the purpose of bargaining the school calendar and hours of instruction.

ARTICLE VIII - TEACHING CONDITIONS

1. The Board shall make available in each school adequate lunchroom and lavatory facilities exclusively for staff use and at least one room appropriately furnished which shall be reserved as a staff room.

5. The pupil-teacher ratio, class assignments, and teaching load are an important aspect of an effective educational program. The parties agree that class size, class assignments, Special Education student assignment, and teaching load will be equalized, if feasible, and shall be reasonably consistent with the past practice of the Board, providing funds, scheduling, and building facilities are available to effectively reach the desired changes, and with the policy established by the State Department of Education. The individual teacher may agree to participate in different types of group instruction such as large groups or experimental programs. The individual teacher may also agree to accept more than his share of Special Education students.
6. The Board and the Association recognize that appropriate texts, library reference facilities, music supplies and equipment, maps and globes, lab equipment, current periodicals, audio-visual equipment, art supplies, athletic equipment, standard tests and questionnaires, and basic supplies are the tools of the teaching profession. The Board will assure an adequate supply of materials is maintained to meet the instructional needs of the staff.
7. In developing the goals, standards and content of the K-12 curriculum, the Board agrees that the input from teachers and Association will be considered.

A district-wide Curriculum Committee shall be mutually selected by the Administration and the Association. The Committee shall be composed of five (5) teachers (one each from the early and later elementary, middle school, MA2S, and high school) and up to five (5) administrators. The Committee shall appoint sub-committees as necessary. All curriculum recommendations of the committee will be submitted to the Superintendent. Both parties agree that the intent of the Curriculum Committee or any sub-committee dealing with the curriculum shall not be to circumvent the Master Agreement. The Curriculum Committee shall also plan post in-service work, arrange for professional growth opportunities, arrange for speakers on selected educational topics, develop grants, and investigate other programs related to professional development and improvement.

7a. Participation in this committee is voluntary and will not be used as an evaluation tool.

 - 8b. The administrator(s) and teachers will mutually agree to the process for selecting the teacher representatives.
9. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a mentor teacher. The mentor teacher will be available to provide professional support, instruction and guidance.
 - 9a. Participation as a mentor shall be on a volunteer basis.
 - 9b. The mentor position will first be offered to a current bargaining unit member who is tenured and has a satisfactory record of evaluation. If no tenured teacher agrees to be a mentor, the Principal of the affected building will meet with the Association President to discuss the situation to resolve the situation.
 - 9c. The administration shall notify the Association when a mentor teacher is matched with a bargaining unit mentee.
 - 9d. Every effort will be made to match mentor teacher with mentees who work in the same building and have the same area of certification.
 - 9e. The mentee shall be assigned to one (1) mentor teacher at a time.

ARTICLE IX - PROFESSIONAL QUALIFICATIONS AND
ASSIGNMENTS/VACANCIES & TRANSFERS

1. Teachers shall not be assigned outside the scope of their teaching certificate in their major or minor field of study.

2. It is the sole responsibility of the teacher to meet and maintain certification requirements as prescribed by the state law. Any loss of state aid or penalties assessed against the school district for improper certification of a teacher shall be charged directly against that teacher's salary.
3. A vacancy shall be defined for the purpose of this Agreement as a position presently unfilled, a position currently filled but which will be open in the future, a new position that is currently not in existence, or a position vacant for more than ninety (90) days.
4. Whenever a vacancy in any professional position in the district shall occur, the Superintendent will publicize the same by posting in every building notice thereof in writing for a period of at least seven (7) calendar days before the position is filled. All teachers on the current layoff list will be notified in writing, at their last known address, of any vacancy.
5. During the normal summer months and recesses, the Superintendent will mail a notice to the Association President or his designee concerning vacant positions. Between June 15 and August 15 notice will be given for a period of fourteen (14) days.
6. If two or more teachers request reassignment or transfer to the same vacant full time position, the selection will be made by the Superintendent with consideration given to: (1) certification; and (2) professional background; and (3) seniority, in this order. Should the secondary schools become North Central Certified during the life of this Agreement, the criteria will be: (1) certification; (2) NCA certification; (3) professional background; and (4) seniority.
 - 6a. For the purposes of this Agreement, reassignment shall mean a change in department at the high school or MA²S, within a department or grade at the middle school, or grade level within each elementary school, or within the Special Education Department.
 - 6b. A transfer shall mean a change between schools.
 - 6c. Teachers affected by a change in grade or subject assignment will be notified as soon as practical before their reassignment or transfer.
7. Although the Board and Association recognize that frequent transfer of teachers is disruptive to the educational programs of the district, they also recognize that some involuntary transfers are unavoidable. No teacher has the right to a specific assignment, but the interests, aspirations, and current assignments must be considered. Therefore, they agree to the following:
 - 7a. No teacher shall be transferred involuntarily without good cause.
 - 7b. An involuntary transfer shall be made only after a meeting with the teacher involved, the administration, and the Association representative. At which time the teacher shall be notified in writing of the reasons for the transfer.
 - 7c. Notice of the involuntary transfer shall be given to the teacher involved immediately upon the decision to transfer.
8. Although reassignment, as described in paragraph 6 of Article IX, does not require the same procedures as in involuntary transfer, it is understood that the Administration shall discuss with the teacher the rationale for the reassignment. This communication is especially important when reassigning teachers from elementary level (early to later elem.), or in the secondary levels from a

major to a minor area.

9. The Administration will make available job postings during the school year to the Local I Office. The Administration will interview candidates that meet the qualification criteria established by the Administration.

ARTICLE X - PROTECTION OF TEACHERS

1. A teacher may exclude a pupil from one class when the grossness of the offense, persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the pupil on the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his teaching obligations will allow, full particulars of the incident, in writing, on request by the principal. Prior to the next meeting of that class or the beginning of the next school day, the principal will state in writing, on request by the teacher, the course of action which will be taken to alleviate the disruptive situation.
2. The Board recognizes its responsibility to give all reasonable support and assistance to teachers in maintaining control and discipline.
3. Any case of assault upon a teacher (or if any teacher is complained against or sued as a result of disciplinary action taken against a student) it shall be promptly reported to the administration, who will counsel with the teacher.
4. Time lost by a teacher in connection with any incident mentioned in this article shall not be charged against the teacher's leave, but such time shall not exceed five (5) days. Additional leave may be granted upon approval of the Board.
5. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property but shall not be individually liable, except in cases of gross negligence, for any damage or loss to person or property.
6. A teacher may take such reasonable steps as necessary to protect himself from attack or to prevent injury to another student.
7. The Armada Education Association and the Board of Education agree that the Superintendent will consider on a case-by-case basis the need to release teachers from teaching duties for illness without loss of pay when such illness is reasonably determined to be a result of exposure to student illness.

ARTICLE XI - LAYOFF AND RECALL

1. Seniority is defined as the total length of service as a member of the bargaining unit in the district.
 - 1a. Should two members have identical seniority dates, the date and time of the signing of the individual contract will determine those members' places on the seniority list for the duration of this Agreement.
 - 1b. Any bargaining unit member who becomes an administrator in Armada shall receive seniority credit for the number of years accrued as a bargaining unit member.

2. The Board shall exclude tenure in a capacity other than as a classroom teacher in the individual continuing contract issued to teachers hired or placed in such a capacity on or after September 1, 1984.
3. The Board of Education shall furnish the Association with an updated seniority list sixty (60) days after the beginning of each school year.
4. Layoff shall be defined as a necessary reduction in the work force. When situations arise that require a layoff in staff, the Board of Education must first determine what the school program shall be.
5. Article XI, #5, where possible, the Board shall endeavor to give thirty (30) working days notice of layoff to the individual involved and in any event notice by July 1 shall be given in all cases. A list of the names of the teachers to be laid off shall be sent to the Association at the time the teachers are notified (At the expiration of this agreement, "notice by July 1" will revert to "twenty (20) working days").
6. When the Board determines that a reduction in the teaching staff is necessary, a list of certified teachers in the district will be posted in each building. This list shall include area of certification, experience in the district, tenure status, and seniority in the Armada District. Teachers who do not agree with their description on the list shall have five (5) school days to notify their building administrator. Failure to do so within five (5) school days will mean the list is correct.
7. The administrative staff, in fulfilling its responsibilities, shall solicit recommendations from the Association. Any recommendation from the Association shall be in writing, signed by its President or designee, and delivered to the administrative staff within ten (10) work days of the request for the same. Failure of the Association to so prepare, sign, and deliver its recommendations shall constitute a waiver of the right to submit said recommendations as herein provided.
8. The failure of the Board to accept and/or place into effect any recommendations from the Association shall not constitute any basis for a grievance.
9. In the event it becomes necessary for the Board to curtail programs, including the establishment of partial-day sessions, and to reduce the professional staff in the school district, the order of reduction shall be:
 - 9a. Teachers with sub-standard certification will be laid off first, provided there are qualified, fully certificated teachers to replace and perform all the duties of the laid off teachers.
 - 9b. If reduction is still necessary, then probationary teachers will be laid off, according to qualifications and seniority, provided there are qualified, fully certificated teachers to replace and perform all duties of the laid off teachers.
 - 9c. If reduction is still necessary, then tenured teachers will be laid off according to qualifications and seniority.
 - 9d. For the purposes of this article, North Central qualifications are required in addition to state certification.
10. If, after a reduction of teachers as outlined above, there are teaching positions that become vacant,

laid off teachers who are qualified (9a-d) shall be recalled in the reverse order of layoff. The Board shall give written notice of the recall from layoff by sending a registered letter or telegram to said teacher at his last known address. At the same time, the Board shall further notify the Association of the recall. It shall be the responsibility of each teacher to notify the Board of any change of address. The teacher's address, as it appears on the Board's records, shall be conclusive when used in connection with layoffs, recalls, or other notice to the teacher.

11. Teachers being recalled will have seven (7) calendar days from the date of the receipt of a registered letter of recall to indicate acceptance or rejection of reemployment. Failure to respond shall result in termination of all employee rights.
12. Failure of a teacher to accept a full-time position, that is, a position for which the teacher is certified and qualified and which extends from the date of recall to the end of that school year, shall result in termination of all employee rights. However, notwithstanding the preceding, no teacher shall be required to accept recall to a position which is opened after May 1 unless such position is guaranteed for the succeeding year.
13. The Board will advise the Association prior to any reduction in staff, as to who will be laid off, providing a list which reflects teachers' certification(s) and seniority dates. In the event the Association questions the wisdom of the employer as to (1) specific teachers being laid off or not being laid off or (2) filling vacant positions (as set forth above) or not filling such positions, the employer shall set forth in writing to the teacher and to the Association its reason for its action.
14. Changes in a teacher's certification while on layoff will enable that teacher to be recalled for the first vacancy where that teacher is now qualified. It will be the responsibility of said teacher to inform the Board of any changes in certification. All teachers subject to layoff for the following school year shall not lose, over the summer months, their fringe benefits or salary afforded them under the terms of this Agreement and individual employment contracts.
15. A laid-off teacher or a teacher on a Board approved leave of absence shall have the right to purchase insurance at the present group rate for the duration of his layoff or leave of absence per the provisions of COBRA.
16. A laid-off teacher shall retain recall rights following layoff for a period of three (3) years or a length of time equal to his/her seniority at the time of lay-off, whichever is greater.

ARTICLE XII - PAID LEAVES OF ABSENCE AND DISABILITY INSURANCE

1. The Board of Education will grant paid sick leave to days up to twelve (12), and each bargaining unit member will carry over unused sick leave days from the 2004-2005 school year as follows to fund individual paid sick leave banks: A teacher having taught one year in Armada will carry over a maximum of four (4) sick leave days; a teacher having taught two years in Armada will carry over a maximum of eight (8) sick leave days; a teacher having taught three years in Armada will carry over a maximum of twelve (12) sick leave days; a teacher having taught four years in Armada will carry over sixteen (16) sick leave days; a teacher having taught five or more years in Armada will carry over a maximum of twenty (20) sick leave days. 2. Sick Leave Bank

- 2a. All employees covered by this Agreement shall participate in the sick leave bank.
 - 2b. Each year, each bargaining unit member will contribute one (1) day of his/her personal sick leave days which will be deposited in the bank until the bank is built up to a maximum of at least two hundred and thirty (230) days. If, within a given school year, the bank is depleted to fewer than seventy-five (75) days, the Superintendent and the Association President will meet to discuss ways to replenish the bank. Teachers in their first year of teaching in Armada will not be required to contribute any of their sick leave days to the unit bank.
 - 2c. Those teachers whose previous accumulated sick leave days were frozen effective June 30, 1971, and August 31, 1990, will have whatever unused days remain added to their personal sick leave banks.
 - 2d. The first twenty (20) school days of illness or disability will not be covered by the unit bank but must be covered by the employee's own accumulated sick leave or absence without pay. Following the twentieth (20th) day of absence for an extended illness, a teacher may withdraw days from the unit sick bank. A statement from a physician is required before a teacher can withdraw such days.
 - 2e. A Person withdrawing sick leave days from the unit sick leave bank will not be required to replace such days except as a regular contributing member of the bank.
 - 2f. The president of the Association shall be apprised annually as to the status of the bank and shall certify as to the accuracy of the additions or deductions from the bank.
 - 2g. A maximum of forty-five (45) days for an extended illness may be drawn by one individual from the bank during one school year. Should a teacher, returning to work without using the total forty-five (45) days, experience a relapse from the same illness as certified by his/her physician, he/she shall be granted access to the unused portion without waiting an additional twenty (20) day period.
3. Maximum of three (3) days for personal leave shall be granted for business which cannot be handled outside the school hours. Notice of said personal leave day or days shall be given to the building principal three (3) days prior to said leave day or days, except in emergency situations, PROVIDED HOWEVER, that no personal leave day or days shall be granted one (1) day prior to or one (1) day after any regularly scheduled vacation period or school holiday, except in emergency situations. These days must be taken in full day increments. Any bargaining unit member who does not use the three (3) allowable personal days in a given year will have two (2) additional sick days added to her/his personal bank of sick days for the ensuing school year.
 4. Two (2) additional bonus days without the restrictions of paragraph 1 shall be granted to a teacher the following year if that teacher does not use any of the paid sick leave days, as referenced in section 2 of this article. If a teacher uses only one (1) paid sick leave day, as referenced in section 2 of this

article, the Board shall grant one (1) bonus day without restriction. The teacher may accumulate a maximum of five (5) bonus days and use them without restriction. The teacher shall give one (1) day's notice to his/her principal. If a teacher accumulates days beyond five (5), the teacher will be paid for the days over five (5) at the end of the school year at the rate of \$100.00 per day. At retirement, a teacher who has unused bonus days will be reimbursed for said days at the rate of \$100 per day.

5. The Board of Education shall carry an insurance policy, per the specifications as referenced in Article XV, which protects the income of the teacher for personal illness after sixty-five (65) days of absence thereafter according to the rules and regulations of the insurance policy.
6. Paid leave of absence may be granted as follows:
 - 6a. Bereavement time necessary not to exceed five (5) days per death in the immediate family. Immediate family shall be defined as those persons listed in paragraph 1b. and shall also include grandchildren, grandparents and guardians. One bereavement day shall be granted for an aunt, uncle, sister-in-law, brother-in-law, niece or nephew if necessary. One bereavement day may be granted for the death of a colleague at the discretion of the Superintendent.
 - 6b. Court appearance as a witness in any case connected with the teacher's employment with the school whenever the teacher is subpoenaed to attend such proceedings. If requested, the teacher shall produce evidence of such subpoena.
 - 6c. Court appearances when subpoenaed as a witness on behalf of a party other than the Board of Education in any case connected with the teacher's employment.
 - 6d. Absence for jury duty service by a teacher. Such absence will not be charged to the sick leave allowance, and the school district will pay the difference in salary between the teacher's daily salary and any fee the teacher is paid for jury duty.
 - 6e. Visitation at other schools, attending educational conferences, or conventions when approved by the Principal and/or Superintendent.
 - 6f. If the need arises for one teacher(s) to appear before the State Labor Mediation Board, the teacher shall be released from regular duties without loss of salary.
7. Upon return from sick leave of absence, not to exceed one (1) year, the teacher shall be assigned to the same position, if available, or a substantially equivalent position. If the leave extends beyond one year, the teacher will be assigned to the least senior position for which the teacher is certified and qualified.
8. Sick Leave Accumulated Frozen
 - 8a. Sick leave which has been accumulated by each teacher through June 30, 1971, shall be frozen at that number of days. Upon retirement from Armada Area Schools under the Teachers Retirement Act each teacher shall receive a sum equal to one-half the accumulated sick days as of June 30, 1971, times their 1970-71 daily rate of pay exclusive of extra duty pay.
 - 8b. Sick leave which has been accumulated by each teacher through August 31, 1990 shall be frozen at that number of days.
 - 8c. Said days shall be deducted from the accumulated sick days, thus reducing the total accumulated

days eligible for payment upon retirement.

9. Teachers may draw from their accumulated sick days, not to exceed five (5) days per year, for absence covered in paragraph 1 of Article XII which are in excess of the thirty (30) days granted in said section.

 2. Whenever possible in case of medical/maternity leaves, the teacher must submit a written notice of such leave at least forty-five calendar days prior to the expected delivery date.
 3. A teacher on medical/maternity leave must return to work as soon as one is physically able to fulfill one's normal duties. A teacher may be required to submit proof of disability to the Board during the leave. The Board reserves the right to require teachers on such leave to report upon reasonable notice for a physical examination by appropriate specialists to determine whether the medical/maternity leave is warranted. If the report of the Board's physician and the report of the teacher's physician are in disagreement or conflict, the affected teacher shall be examined at the Board's expense by an appropriate specialist in the area of controversy at a hospital in the Detroit Metropolitan area for final determination in the matter which shall be binding on the parties.
 4. In cases where a teacher has been on medical/maternity leave for more than ten (10) days, the Board may require that upon returning to work the teacher shall submit a statement from his/her physician that he/she is able to return to work, and/or be certified as able to return to work by a licensed physician chosen by the Board. If there is a dispute as to whether the teacher is able to return to work, it shall be resolved in the manner set forth above.

5. Upon written notice, the Board shall grant unpaid medical/maternity leaves. This leave will be granted without pay or fringe benefits and without experience credit and without sick leave, accumulation. Upon return from unpaid medical/maternity leave the employee shall be restored to his/her same position on the salary schedule as when he/she left and be entitled to his benefits prior to said leave. Upon application by a teacher, an unpaid leave of absence may be granted to that teacher for the purpose of child care. Said leave shall commence upon the date requested by the teacher. The duration of the leave shall not be less than the remainder of a semester nor more than the next two semesters. Upon written application, the Board may, at its sole discretion, extend the leave for a period of two or less years.

2. Forty-five (45) calendar days before the end of the school year or the termination of the leave, whichever is earlier, any teacher on such leave shall notify the Board of his intention to:
 - 2a. return from leave
 - 2b. request another leave, or
 - 2c. resign.
3. Notification must be made by registered mail. Failure to give such notification shall result in termination of all employee rights.

5. The Board will grant up to twelve (12) weeks of family and medical leave during a twelve (12) month period to eligible employees in accordance with the Family and Medical Leave Act (FMLA) of 1993. All requests for such leave will be made to the Superintendent. When the need is foreseeable, notice will be given thirty (30) days before the start of the FMLA leave. If it is not possible for the employee to give thirty (30) days notice, the employee will give as much notice as is practicable. Proper certification of the reason for the leave must be provided. 3. Applicants shall not have received a Sabbatical Leave during the seven years immediately preceding any application.
4. Each applicant must agree to return to service in the Armada Area School District immediately upon termination of Sabbatical Leave, and to continue in such service for a period of two years, unless physical disability makes this impossible or there is mutual agreement to the contrary.

6. The application shall be accompanied by plans for the use of the Sabbatical Leave, evidence that the applicant has been accepted into a graduate program and an exposition of the plan's potential for increasing the applicant's professional competence and such other information as may be necessary as determined by the Committee for Sabbatical Leave.

14. Sabbatical Leave may not exceed a full school year.
15. A teacher on Sabbatical Leave may not deviate from his approval plan except with the written

permission of the Committee.

2. Procedure: LEVEL ONE: In the event that a teacher believes there is a basis for a grievance, he shall first discuss the alleged grievance with his building principal either personally or accompanied by his Association representative. The grievance must be discussed with the principal within five school days of the violation misinterpretation or misapplication, or within five (5) school days of the discovery thereof, but no later than twenty (20) days of the alleged occurrence.
3. LEVEL TWO: If, as a result of the informal discussion with the building principal, a grievance still exists, he may invoke the formal grievance procedure through the Association on a form which shall be available from the Association representative in his building. LEVEL FOUR: If the Association is not satisfied with the disposition of the grievance by the Superintendent or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator within twenty (20) school days from the receipt by the Association of the Superintendent's response. Only the Association may take a grievance to arbitration. If the parties cannot agree as to the arbitrator within five (5) school days from the notification date that arbitration will be pursued, he shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceeding. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment may be entered in any court of competent jurisdiction.
6. The fees and expenses of the arbitrator shall be shared equally by the parties.
7. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
8. The time limits provided in the Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as is possible.

9. For the purpose of assisting a teacher or the Association, in the prosecution or defense of any contractual, administrative, or legal proceedings, the Board shall permit a teacher access to and the right to inspect and acquire copies of his personnel file. A representative of the Association may accompany and assist the teacher in this regard. Confidential letters of reference secured from sources outside the school system may be excluded from the materials available for the teacher's inspection.
10. The Board agrees to make available information requested by the Association which is necessary to process any grievance.
11. Failure of the grievant or the Association to appeal in writing any determination at any level within the appropriate time frame shall be deemed to be incontestable evidence that the grievance has been settled satisfactorily. Lack of written response within the written time limits at Level Two and Three by the Administration shall concede the grievance.
12. All steps will be followed. During the superintendent's absence, he will designate someone to act on grievances. Class action can be filed with one principal, but all steps must be followed.
13. Paid leave shall be provided any employee of the district who is called to testify at an arbitration hearing.

ARTICLE XVIII - STRIKES

1. For the duration of the Master Agreement, the Association will not engage in, authorize, encourage, either directly or indirectly, any concerted interruption of educational activities due to a cessation, withdrawal, or withholding of services in any manner or form, either in whole or in part, by members of the bargaining unit for any reason, and no officer or representative of the Association or member of the bargaining unit shall be empowered to provoke, instigate, cause, participate in, assist, encourage or prolong any such prohibited activity.

ARTICLE XIX - NEGOTIATION PROCEDURES

1. At least sixty (60) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, terms and conditions of employment of teachers employed by the Board.
2. Copies of this Agreement shall be printed at the expense of the Association and Board and presented to all teachers now employed or hereafter employed by the Board.
3. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provisions or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE XX - DURATION OF AGREEMENT

1. The terms and conditions of this Agreement shall be in full force and effect, from the first day of September 2011, and shall continue in full force and effect until the 31st day August 2013.

IN WITNESS WHEREOF:

The parties hereto have executed this Agreement by their duly authorized representatives on the 17th of May, 2011.

This schedule is based on semester hours of work beyond the B.A. degree.

To qualify for higher educational levels of pay, an official transcript shall be provided to the Superintendent's Office accompanied by a letter requesting this change.

Movement to higher educational lanes will be granted also at semester.
Requests must be made by October 15 and March 15.

If an official transcript is not available at that time from the university, any other official document such as a grade card will serve until an official transcript is available.

State Board approved continuing education units (SB-CEU's) awarded bargaining unit members will be exchanged for semester hours of credit. Six (6) CEU's will equal one (1) semester hour. A maximum of eighteen (18) CEU's will be allowed per year (September 1st through August 31st) effective September 1, 1990.
