

**Fraser Public Schools District And  
AFSCME Local 1884, Administrative Assistants  
Tentative Agreement  
March 25, 2013**

The circumstances leading to this agreement are as follows. The PPACA regulations recently published indicate that the District will be required to offer health insurance benefits to employees who would not otherwise qualify for such benefits. The District is interested in opening the current labor contract to address this issue to contain costs. The Union is willing to do so, provided that the parties extend their labor contract an additional two years.

Therefore, the parties hereby agree as follows:

1. The parties agree to re-open the contract on the issue of all health insurance issues as well as working conditions related to or impacted by the PPACA regulations that relate to the District's ability to contain costs.
2. The parties agree to extend the current agreement two additional years, with a new contract expiration date of June 30, 2016. For 2014-15 and 2015-16 there will be a re-opener on economic issues. Each party can also elect to re-open the contract on three non-economic language issues.

All other contract provisions shall remain unchanged in the new agreement except as provided above.

It is further understood that this agreement is contingent upon ratification by the Board of Education and the Union.
