B. BOARD POWERS

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duty and responsibilities conferred upon and vested in it by the laws and Constitutions of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

Any employee with a problem or grievance as defined herein shall informally discuss the matter directly or accompanied by a Union representative with the appropriate member of the administration.

Step 1.

- a. Within five (5) workdays after receipt of the written grievance, the Director shall communicate his/her decision, in writing, together with the supporting reasons to the aggrieved party.

The appeal must be in writing and must include a statement of the grievance and the Director of Human Resources reply.

- a. Within thirty (30) workdays after receiving an appeal, the Board of Education shall hold a hearing or meeting concerning the grievance, which the Union may attend, if they choose. Within ten (10) days from the date of the hearing or meeting, the Board shall communicate its decision, in writing, together with the supporting reasons, to the Union and the aggrieved party.

2. Posting of Vacancies

The Board shall give written notice to the President and Chapter Chairperson of vacancies as defined above. Sufficient copies of the notice shall be provided for posting in each building within the School District. The notice shall include any requirements for applicants and shall be at least seven (7) workdays prior to the filling of the vacancy. The President and Chapter Chairperson shall sign a receipt or otherwise acknowledge by electronic confirmation that he/she has received the above notices for posting. Employees shall apply for the vacancy within the said seven (7) work day period. Except in extenuating circumstances, the Director of Human Resources or his/her designee shall notify the President and Chapter Chairperson within ten (10) work days from the date a vacancy is posted as to the disposition of the posted vacancy. Inquiries regarding the location of a posted vacancy may be made by the Director of Food Service. Except in extenuating circumstances, the successful candidate shall be placed in the vacancy within thirty (30) calendar days after the original posting date.

3. Filling of Vacancies

- a. In filling vacancies as defined above, the Board shall first consider seniority, qualifications and records of the employees presently employed by the district.
- b. If a vacancy is filled which is considered a promotion, the employee granted the promotions have a fifteen (15) work days trial period to determine:
 1. His/her desire to remain on the job.
 2. His/her ability to perform the job.

During the trial period the employee shall receive the rate of pay for the job he/she is performing. The employee shall have the right to revert to his/her former position within the same building classification if he/she so desires during the trial period.

The Board shall have the right to revert the employee to his/her former position within the same building of the classification in the event the employee is unsatisfactory.

4. **Non-Bargaining Unit Promotion**

In the event an employee covered by the terms of this Agreement is promoted to a non bargaining unit position and remains in that position for more than sixty (60) consecutive days, he/she shall lost his/her seniority accrued as a member of the bargaining unit.

B. TRANSFERS

1. **Unrequested Transfers**

Prior to an employee being transferred within the School District, the employee, upon written request, shall have a personal conference with the Director of Human Resources at which a Union Representative and/or International or Council Representative shall be present. Following the conference, the employee shall, upon written request, receive written reason for the transfer. Unrequested transfers shall only be made in order to meet the needs of the School District and/or promote efficiency. Transfers shall not be made for disciplinary reasons.

2. **Temporary Transfers**

The Board and the Union recognize the necessity to make temporary transfers to promote efficiency or to meet emergencies and agree that a transfer of this type shall last only as long as the emergency exists or until the vacancy has been permanently filled, subject to the following provisions:

- a. Temporary transfers to a vacancy caused by illness or disability of an employee shall not exceed one hundred eighty (180) calendar days.
- b. All other temporary transfers shall not exceed sixty (60) calendar days.
- c. This provision does not obligate the Board to fill vacancies and any such vacant position may be terminated or eliminated by the Board upon notification to the Union at the expiration of temporary transfer.

ARTICLE 12 - TEMPORARY VACANCIES

When a position becomes temporarily vacant due to an employee absence for three (3) or more days or the District knows that a position will be vacant for the three (3) or more days and the District has sufficient notice of the absence (more than twenty-four (24) hours before the start of the employee's starting time), the District shall follow the following procedure to fill the temporary vacancy.

1. First, the District shall call the first qualified employee on the applicable temporary vacancy rotational list to fill the position.
2. If the first employee on the list is not available, the District shall call the second employee on the list.
3. If the second employee on the list is not available, the District shall call the third employee on the list.

4. If the third employee on the list is not available, then the District shall fill the temporary vacancy with a substitute employee.
5. A temporary vacancy that results from an employee being called from the temporary vacancy rotational list to fill in for another position shall be filled by a substitute employee.

The District shall not be required to fill more than three temporary vacancies in this manner on any one day. In no event shall the District be required to make more than three phone calls per classification per day in implementing this section. An employee (other than a substitute) who fills a temporary vacancy in accordance with the procedure above shall remain in that position for the duration of the vacancy, unless the vacancy goes on for a period of one month (i.e., twenty (20) working days). In this event, the opportunity to fill the vacancy shall be offered to the most senior eligible employee.

It is understood that an employee will be called in under this provision only to a higher-paying classification, or to the same classification only if the increase in time is one or more hours in a day. This provision shall not apply to the elementary server position, as those positions will continue to be filled by substitute employees.

Employees shall sign up on the temporary vacancy rotational lists at the beginning of each year. The lists shall be maintained by the District, and shall be rotated first on the basis of seniority and thereafter on the basis of hours (in case of a tie, seniority shall prevail). If an employee on a temporary vacancy list is called and refuses the temporary vacancy opportunity three times in a school year, except in extenuating circumstances, the employee's name shall be removed from all temporary rotational lists. The Director and Union shall agree in advance as to which employees are qualified to fill which temporary vacancy positions; if they cannot agree, the Director of Human Resources shall make the determination. If the District makes mistakes in calling employees or maintaining the temporary vacancy rotational lists, the mistake shall be rectified through future opportunities.

If there are problems in implementing the provisions in this section, the dispute shall be resolved through a meeting of representatives of the District and Union. If the dispute is not resolved through such meetings, the parties may resort to the grievance procedure.

Signup sheets for the following temporary positions will be available at the "Back to School" meeting:

Assignments will be rotated from this list. Every reasonable effort will be made to give as much advanced notice as possible when extra hours are available and the district will try to match work schedules with assignments, if possible, while trying to be fair in consideration to all those who wish to work. A list will be sent out to each school to confirm those who signed up. Extra-hours assignments shall be given to those employees who signed up on a seniority / rotational basis (i.e., first on the basis of seniority, then by low hours; in case of a tie, seniority shall prevail). In addition, if a sufficient number of bargaining unit members refuses to work at a banquet or Board dinner, the District may employ or contract with outside personnel.

F. SUBSTITUTE EMPLOYMENT

Interested employees of the Food Service Division may apply for vacant positions on the Maintenance Division's substitute employee list, to be considered along with other applicants for such vacant positions as long as the employee is available to work without interfering with his/her usual duties and as long as such work can be performed without having to be "combined" with the employee's regular hours for overtime calculation purposes under the Fair Labor Standards Act.
