PREAMBLE

This Agreement is between the Fraser School District, County of Macomb, State of Michigan (hereinafter referred to as the "School Board," "Board" or "Employer") and the Fraser Paraprofessional Association, MEA/NEA, (hereinafter referred to as the "Association").

PURPOSE

The purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful Labor Relations for the mutual interest of the Employer, the employees and the Association.

Article 1 RECOGNITION

A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the School Board does hereby recognize the Association as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement, of all employees of the School Board included in the bargaining unit described below. This recognition clause shall be construed to apply to employees and not to work.

B. All Special Education Aides, Pre-School, Day Care, Lead Caregiver/Lead Daycare Provider and Focus Four Aides, as listed in Article 5(J), no matter the source of funding, excluding all other Board employees, shall be members of the bargaining unit represented by the Association.

Article 2
RIGHTS AND RESPONSIBILITY OF THE BOARD

A. The Board on its own and on behalf of the Electors of the District, hereby retains and reserves unto itself without limitation, except as specifically set forth in this Contract, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States including, but without limiting the generality of the foregoing rights, the following:

1. To exercise the Executive Management and Administrative Control of the school system, its properties, facilities and the activities of its employees.
2. To hire all employees, and subject to the provisions of law and this Contract, to determine qualifications and conditions for continued employment, discipline, dismissal or demotion and to promote and transfer all such employees.
3. To decide upon the means and methods for the performance of the work covered by this contract.
4. To determine the work schedules, hours of work, duties, responsibilities and assignments of employees subject to the rights set forth in this agreement.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, reasonable rules and regulations, and practices in furtherance thereof, and the use of judgment and discretion in

connection therewith, shall be limited only by the specific and express terms of this Agreement to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of the State of Michigan and the Constitution and Laws of the United States, and subject to the provisions of PERA.

Article 3 **REPRESENTATION**

A. The Board will be advised in writing by the Association of the identity of the President, Secretary and the bargaining committee when and as they are appointed and/or elected.

B. The Association shall provide notice to the Board of Association Building Representatives within two (2) weeks of appointment or election. The Board will be advised in writing of temporary appointments in the absence of regular representatives for such buildings and the Board shall continue to deal with such representatives until an official written notice of change is given to the Board.

C. At the request of a bargaining unit member and upon approval of the Director of Human Resources or designee, a Building Representative may be released from regular duties during working hours without loss of pay to investigate reported grievances and to present grievances to the Board. Such efforts shall not interfere with an employee's duties as determined by the Supervisor.

D. The Association President shall receive a copy of employment postings, school calendar and changes of employment status of bargaining unit members promptly after such documents have been created/posted. Such postings and notices shall be considered informational only.

E. The President of the Association or her/his designated representative shall be granted up to twenty-eight (28) hours per year of release time for the purpose of attending educational conferences, conventions, and membership meetings subject to the following:

- Any unused hours will not accumulate from year to year.
- The Association shall reimburse the District for MPSERS contributions as required by law.
- The Association shall provide five (5) days advance notice of the use of Association release time.
- No more than two (2) members of the union may use the above release hours at the same time.

Article 4 **ASSOCIATION SECURITY**

A. Any employee covered by this Agreement may become a member in good standing of the Fraser Paraprofessional Association MEA/NEA.

B. The Board shall furnish the President and Vice-President or another FPA leader designated by the Association one (1) copy each of the names of persons hired, job title, building assignment and hours of employment within two (2) weeks following employment.

Article 5 **SENIORITY**

A. Seniority shall be determined on a Unit and a Classification basis for purposes set forth in this Agreement.

B. Unit seniority shall commence with the first date of employment to a permanent position in the Bargaining Unit, provided, the Employee has successfully completed the probationary period and the employee was continuously employed throughout the probation period.

C. PROBATIONARY EMPLOYEES. New employees hired in the Unit shall be considered probationary employees for the first ninety (90) actual work days of employment, but shall be treated as regular employees for salary purposes only. Probationary employees are not entitled to seniority status until the completion of the probationary period. Probationary periods may be extended by mutual agreement between the Association and the Board. Probationary employees, while in the probationary period, may be terminated without recourse to the grievance procedure. Such employees shall be represented by the Union for all purposes under the Agreement during the probationary period, except that no action may be taken against termination of the employee during the probationary period. During the probationary period, employees shall not be entitled to receive fringe benefits, other than Medical, Dental, Vision, Life and Accidental Death and Dismemberment and Long Term Disability Insurance benefits provided to regular full time employees.

D. Classification seniority shall commence with the first date of placement in a particular classification within the Bargaining Unit.

E. A seniority list will be furnished to the Association by January 15 of each school year, setting forth the order of seniority by name, and by seniority in the Bargaining Unit and in each particular classification. Each employee and the Association shall have accepted the seniority list in total if no written objections are

received by the Director of Human Resources within ten (10) working days following the distribution of the seniority list.

F. Where more than one (1) employee is hired on the same date (either in the Unit or in a particular Classification), Unit and Classification seniority shall be determined by the time of day the employee is officially registered with Human Resources.

G. Seniority shall be broken and employment in the District ended for any of the following reasons:

1. If an employee quits or retires.
2. If the employee is discharged and the discharge is not reversed through the grievance process in this Agreement.
3. If the employee is absent for three (3) consecutive working days without giving proper notification or satisfactory reasons to the Board for such absence.
4. If the employee fails to timely return to work from a leave of absence or when recalled from layoff (as set forth in the Recall procedure in this Agreement).
5. If the employee is on layoff for a period exceeding his or her seniority, or one (1) year, whichever is greater.
6. If an employee is on a non-compensable leave of absence for a period greater than one (1) year.

7. If the employee gives a false reason for a leave of absence or engages in other employment during any leave.

H. Employees who have been laid off shall not accrue seniority during the period of the layoff. Employees on a non-compensable leave of absence for reasons other than illness (unless the leave qualifies as an FMLA leave) shall not accrue seniority during the leave of absence. Any lost time shall be subtracted on a full month basis using the majority of workdays in a month as the determining factor. Seniority adjusted as a result of time lost shall be reflected on the next seniority list. [Example: Initial date of employment being January 1, 2013, less time lost of six (6) months = seniority date adjusted to July 1, 2013.]

I. For purposes set forth in this Agreement, classification seniority shall be based upon the following classifications:

- Pre-School Aides (includes Day Care providers, Pre-School Caregivers);
- Focus Four Aides/Associate Teacher and Lead Caregiver/Lead Daycare Provider;
- SSLI Special Education (MISD) Aides;
- Special Education Aides (including resource room, Early Childhood Special Education (ECSE Aides), Cognitively Impaired (CI) and Autism Spectrum Disorder (ASD) Aides; and Least Restrictive Environment (LRE) Aides.

Article 6
LAYOFF & RECALL

A. A layoff is a reduction in force that may occur because of a decrease in revenue, declining enrollment or decrease in work. Layoffs shall take place by Classification within the Association according to need, as determined by the Board. The least senior employee in the affected classification shall be reduced first, provided there is a remaining bargaining unit employee in the classification who is fully qualified to perform the necessary assignments. If not, then the qualifications of bargaining unit members in other classifications will be considered with a goal of having the least senior member being the one placed on layoff.

B. In the event of layoff or reduction in force, Board Representatives will meet and inform representatives of the Association of the reductions to be made. Notice in writing, with a copy to the Association, shall be provided to the employees at least twenty (20) calendar days prior to such layoff.

C. In the event of a building emergency, or the specific needs of particular students, which requires the layoff or the reduction of hours of employees, such affected employees may be laid-off without regard to seniority or notice for periods of short duration. It is intended that this Section shall be operative only when the layoff period is ten (10) working days or less, except in the cases of Special Education Aides near the end of the school year. In such event, the affected employees may continue their pay through use of leave days, if any, and are not eligible for unemployment benefits for that period.

D. In the event of a layoff, the work force shall be reduced in the following order: temporary employees performing Bargaining Unit work (Subs), probationary

employees and then seniority employees in each classification in reverse order as their names appear on classification seniority lists.

E. BUMPING

1. Laid-off employees in the Special Education classifications shall have the right to accept the layoff or exercise seniority rights to bump. In exercising a bump, laid-off Special Education employees shall displace any less senior employee in any other classification provided the employee is fully qualified to perform the available job. The least senior employee remaining unplaced after bumping is completed, shall be laid off.

2. Laid-off employees in the Pre-School Aides and Focus Four Aides classification shall have the right to accept the layoff or exercise seniority rights to bump. In exercising a bump, such laid-off employees shall displace any less senior employee in any one of these two classifications provided the employee is fully qualified to perform the available job. The least senior employee remaining unplaced after bumping is completed, shall be laid off.

3. Notwithstanding the foregoing, Special Education employees in the Least Restrictive Environment (LRE) and SSLI classroom aides classifications shall not be bumped at any time during a school year or beyond the school year if it is determined that not continuing the assignment to an individual student would be detrimental to the student's interest as established in the individualized education plan. Any person seeking to bump into an LRE position shall have prior experience in dealing with disabled children and selection will be subject to input from the parents of the student

and the teacher. The District's determination under this paragraph may be grieved but is subject to the arbitral review standard set forth in Article 9, Section B(4).

F. Laid-off seniority employees shall be recalled in the inverse order of the layoff. Employees shall be recalled to the first available opening for which s/he possesses the required qualifications. A recalled employee is required to report to work within seven (7) days from the date of mailing of the notification.

G. Notice of recall shall be accomplished by both mailing of a certified letter to the employee's last known address and attempting to reach said employee by telephone. A copy of each letter is to be sent to the Association president.

Article 7
**VACANCIES, TRANSFERS, NEWLY CREATED POSITIONS
AND BIDDING PROCEDURES**

A. VACANCIES.

1. Vacancies shall be defined to include new positions and positions in existing job classifications within the Bargaining Unit which are vacant, and which have not been terminated or eliminated by the Board. The change of two (2) hours or less to a daily work schedule (or four (4) hours or less for a Special Education Aide) does not create a vacancy.

2. The provisions of this Article regarding vacancies shall not apply to temporary vacancies occurring as a result of leaves of absence granted in accordance with this Agreement for illness, FMLA, or a temporary disability of an employee, where the employee intends or is reasonably expected to return to work during the current school year.

B. NOTICE AND POSTING.

1. All vacancies, including newly created positions, shall be filled within forty-five (45) calendar days from date the position becomes vacant (or is created) except in extenuating circumstances.

2. The Board shall give written notice to the Association of vacancies as soon as the vacancy is confirmed by Administration and posting shall be promptly provided by the Board to the Association President or his/her designee. A copy of the posting may serve as notice of the vacancy. The notice can consist of a job posting for a position to be filled and shall include the classification, title, the area (building) where the classification is currently assigned, the number of hours, job duties and the qualifications or requirements reasonably necessary to perform the job.

3. Any employee desiring to bid for a vacant job shall forward to Human Resources, within seven (7) days of notice to the Association, a letter expressing interest in the position and a description of skills and experience sufficient to meet the selection criteria. Failure of an employee to make such application during this time will bar said employee from any grievance for not being selected.

C. SELECTION.

1. In filling vacancies, first consideration will be given to qualifications, personnel records and seniority of employees who have applied for the position. Outside applicants may also be considered consistent with Article 7, Paragraph C, Section 4. Applicants for Special Ed Aide classifications may require additional experience and qualifications to perform the work.

2. Opportunities to complete minimum qualifications for each position may be offered at times other than working hours (non-compensable). Any added or new qualifications imposed by the Board, including any new or periodic training required to continue to be placed in the position, shall be paid for by District and compensated at the member's regular hourly rate, only if the training occurs during regular working hours. All aides will be provided appropriate and available MISD-training at District expense, to meet State or federal standards necessary, if any, to maintain employment in their specific position.

3. Applicants for vacant positions in the LRE Aide classification should have prior experience in dealing with disabled children and selection for any vacancy in that classification will be subject to input from the parents of the students and the discretion of the Director of Special Education.

4. In the event of a vacancy in the unit, the most senior qualified and otherwise appropriate employee will be selected. Movement from one job to another as a result of bidding shall be in compliance with this Article. The determination for placement of Special Education Aides will be within the discretion of the Director of Special Education.

5. Whenever a vacancy is filled by a member of the Bargaining Unit, or a member is granted a requested transfer, that individual shall not be permitted to exercise rights to bid on another vacancy or secure another transfer for a period of one (1) year from the selection date.

6. During the posting period, the job opening may be filled temporarily for a period not to exceed forty-five (45) calendar days. An employee applicant for a vacancy who is denied such position shall be notified in writing or by telephone. The decision with respect to qualifications shall be based on the opinion and discretion of the supervisor and/or the Director of Human Resources. The determination may be grieved but is subject to the arbitral review standard set forth in Article 8 Section B (4).

7. District employees filling a vacancy within the bargaining unit, shall be given a trial period not to exceed ten (10) work days to demonstrate the ability to meet the standards of satisfactory performance in the new job. During such time, the individual shall be provided with any special training required of the new position (excluding educational degree requirements) at District expense and on District time, including any required medical or specialized training. During this time the employee shall be permitted to transfer back to the former position within the Bargaining Unit; in the event said employee is returned to the Bargaining Unit during the trial period, s/he shall return to the former position with no loss of previously accrued seniority, including time spent in the trial period. The employee can also be transferred back by the Director of Human Resources for failure to meet the standards of required performance. The review of the employee's performance shall be based on the opinion and discretion of the supervisor and Director of Human Resources, subject to the grievance procedure.

D. TRANSFERS.

1. Subject to Section B (3) of this Article, above, employees may request a transfer in writing to the Director of Human Resources for any vacant position. The written request shall state the position to which the employee desires to be transferred

and the reasons for requesting the transfer. In the event the requested transfer is denied, the Director of Human Resources or his designee shall, upon the request of the employee, give written reasons for the denial of the requested transfer.

2. An employee may be transferred at any time to meet specific articulated needs of the Board. Prior to such a transfer, a meeting will be held with the effected employee and the Director of Human Resources, or his designee, at which time the real reason for the transfer will be discussed. Such transfers shall only be made to meet the needs of the School District and its students and/or to promote efficiency, and not for disciplinary reasons.

Article 8 **GRIEVANCE PROCEDURE**

A. DEFINITION.

A grievance is a complaint by a bargaining unit member or the Association about an act or condition which affects the welfare or working conditions of an employee or group of employees, or a complaint that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.

B. PROCEDURE.

1. All specified time limits herein consist only of work days defined as student report days. During the summer recess, "work days" shall mean Monday through Friday, excluding legal holidays.

2. Problems and grievances shall be presented and adjusted according to the following procedure:

3. Any employee with a problem or grievance as defined herein must informally discuss the matter directly or accompanied by a Union representative with the appropriate member of the administration.

Step 1. In the event the matter is not resolved informally, a written grievance may be filed with her/his immediate supervisor or appropriate administrator within ten (10) workdays following the act or condition, which is the basis of the grievance. Within ten (10) workdays after receipt of the grievance, the supervisor or appropriate administrator, shall state his/her decision in writing, together with the supporting reasons, and shall furnish a copy to the aggrieved party and the Association. Employees shall be considered to have knowledge of information appropriately published/posted by the Board or its designee.

Step 2. In the event the matter is not resolved at the Step 1 level, the Aggrieved party may appeal to the Director of Human Resources within ten (10) workdays after the receipt of the decision of the supervisor or appropriate administrator. The appeal shall be in writing and shall be accompanied by a copy of the decision at Step 1. Within ten (10) workdays after receipt of the Step 2 appeal, the Director of Human Resources, shall communicate his decision in writing, together with the

supporting reasons, to the aggrieved party and the Association. If a grievance originates at Step 2, any appeal would be to Step 3.

Step 3. In the event the matter is not resolved at the Step 2 level, a written grievance may be filed with the Superintendent, or his/her designee, within ten (10) workdays following receipt of the decision of the Director of Human Resources at Step 2. The appeal shall be in writing and shall be accompanied by a copy of the original grievance. Within ten (10) workdays after receipt of the appeal, the Superintendent or his/her designee shall communicate a decision in writing to the Association and aggrieved party.

Step 4. If the Association is dissatisfied with the decision of the Superintendent, or his/her designee, the Aggrieved party may, within ten (10) work days of receipt of the Step 3 response, file a written notice to the other party of an intention to arbitrate. If timely notice is not so delivered, the grievance shall be abandoned. Upon receipt of the written notice of arbitration, the parties shall confer to select an impartial arbitrator within ten (10) workdays of the request for arbitration. If the parties are unsuccessful, then the party requesting arbitration shall, within twenty (20) work days of the date of the notice of intent to arbitrate, file a demand for arbitration with the American Arbitration Association, sending a copy of such demand to the opposite party.

4. Where an issue in arbitration involves the hiring or placement in a position in the bargaining unit other than "Pre-School Aides", there shall be a presumption that the District has exercised sound discretion based on specialized knowledge concerning the needs of its students, teachers and families. To overturn such decisions, the Association and employee must rebut the presumption with substantial evidence that

the District acted in an arbitrary and capricious manner.

5. The Arbitrator's decision shall be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted. The Arbitrator shall have no authority to arbitrate any complaint that is not an alleged violation, misinterpretation or misapplication of specific and express provisions of this Agreement. At all times, the Arbitrator shall be subject to the rights, responsibilities and authority of the parties under the Michigan General School Laws, the Constitutions of the United States and of the State of Michigan, and all other applicable state and federal laws. The decision of the Arbitrator, if within the scope of his authority as above set forth, shall be final and binding. The cost of arbitration shall be borne by the losing party; however, each party shall bear its own expenses.

C. GENERAL.

1. All written complaints or grievances must be specific. They shall contain a concise statement of the facts upon which the grievance is based; a specific reference to the Articles and sections of the Agreement which have allegedly been misinterpreted or violated; the specific nature of the relief requested; and shall be signed by the employee(s) involved or the Association.

2. Any employee may present a grievance for adjustment without intervention of the Union if the adjustment is not inconsistent with the terms of this Agreement, provided that the Union has been given an opportunity to be present at such adjustment.

3. If a grievance arises of a general nature, the Union may present such grievance directly to the appropriate step. The time limits specified in this procedure may be extended in any specific instance by mutual written agreement.

4. Failure of the Board to report any decision within the specified time limit at any step of the Grievance Procedure shall automatically move the grievance to the next step in the Grievance Procedure.

5. A grievance may be entertained in or advanced to Step 2 of the grievance procedure if the parties both agree.

Article 9
DISCIPLINE AND DISCHARGE

A. The parties agree that any discipline (reprimands, suspensions without pay, discharge) shall be for just cause and that the employee and Association will be provided copies of all discipline in writing with copies of any investigation and findings at the time discipline is imposed.

B. Before a determination is made to discipline an employee, the immediate supervisor shall have offered direction to the employee for the purpose of correcting his/her alleged deficiencies.

C. The level of discipline shall be consistent with the principles of progressive discipline. Initial discipline may reflect the nature of the employees conduct.

D. The employee, upon request, shall have the right to an Association representative present when he/she is being investigated, warned, reprimanded or disciplined.

E. Except as otherwise provided by law, any complaint against an employee by a parent, student or other person will be promptly reported to the employee and the Association President. Complaints shall not be placed into the employee's personnel file unless the employee is given a right to make a reply to the complaint and, if such a reply is made, it shall remain attached to the complaint as long as the complaint remains in the employee's personnel file.

F. Employees shall have the right upon request to review the contents of his/her personnel file(s). A representative of the Association may be requested by the employee to accompany the employee in such review.

Article 10
NO STRIKE

A. For the duration of this agreement, the Association will not engage in, authorize, or encourage any interruptions of education or subsidiary related activities due to a cessation, withdrawal, or withholding of services either in whole or in part by members of the Bargaining Unit for any reason. No officer or representative of the Association or member of the Bargaining Unit shall be empowered to provoke, instigate, cause, participate in, assist, encourage, or prolong any such prohibited activity, nor shall the School Board authorize or encourage the same nor lock out employees. Employees of the district violating any of the above conditions shall subject themselves to disciplinary action, including discharge.

B. The Association shall have no liability under this article if it, immediately upon knowledge or notice of any of the activities set forth in Section A above, does both of the following:

1. Post immediate notices at any or all schools affected, advising that such action is unlawful, in violation of this Agreement, and unauthorized by the Association.

2. Further advises any and all employees involved, along with any available local media outlets, as reasonably requested by the Board to be contacted by the Association, that such employees are in violation of this Agreement and that all such employees shall return forthwith to regular duties.

Article 11
PHYSICAL EXAMINATIONS

A. In the event the Board elects to conduct an initial medical examination for employment of new personnel in the Bargaining Unit for an individual already employed by the District, the examination is to be paid by the employer. Health Examination Procedures will be as follows:

1. In cases where school employees are required by law to furnish evidence of a negative T.B. skin test or x-ray, such test will be given to all employees in the Bargaining Unit and the employees shall not be charged for such test. At the time of the skin test, employees on scheduled work will be temporarily released from their job without loss of pay. Employees not on scheduled work shall initiate attendance for this skin test.

2. All chest x-rays and T.B. skin tests required by law shall be completed in compliance with the law.

3. Employees who show a positive reaction upon taking a skin test will submit to a chest x-ray by the Macomb County Health Department within two (2) weeks

from the date of notification of such reaction or within two (2) weeks after receiving notification from the Health Department to report for an x-ray. Payment by the district, if any, shall be limited to the cost of the x-ray, only if not covered by any health insurance coverage available to the employee. Employees on scheduled work will be temporarily released from their job without loss of pay.

B. Every employee shall be required, on an annual basis, to complete safety or health training program(s) offered by the District. Any Bargaining Unit member, who in the performance of their job responsibilities, comes in contact with any student's blood or other bodily fluids will be referred to the District's regular clinic. In such cases, all employees shall be provided with appropriate medical coverage for any work related health injuries or illnesses as required by Michigan Workers Compensation laws.

C. In the event there is medical evidence or reason to suspect that an employee is either not fit to perform his/her duty, or the employee is being rendered incompetent by physical and/or emotional disability, the District may require that such employee be examined by a physician or psychiatrist appointed by the District, at the District's expense. The opinion of the District's doctor shall be final unless challenged by the employee and the challenge is upheld by a medical doctor specializing in the area of medicine at issue, who is selected by the District and the Association and paid by the District. The determination of such mutually selected expert shall not be grievable or subject to any further challenge by either party.

D. Any employee in the Bargaining Unit unable to work because of illness for a period of three (3) consecutive days, shall be required to provide evidence from a physician (M.D., D.O.) to justify the absence and establish when his/her condition

warrants a return to work. In the event an employee is absent from work as a result of illness for a longer period of time, the Board may require that s/he be examined, at the Board's expense, by a physician appointed by the Board who shall certify said employee is capable of performing his/her job and is ready to return to work. The opinion of the Board's doctor shall be final, subject to the following: At the employee's request, another examination shall be scheduled in which the cost shall be borne by the Board, by an appropriate specialist in the area of controversy, selected by the Board and the Association for final determination in the matter which shall be binding on the parties.

Article 12 **HOURS AND OVERTIME**

- A. The parties to this Agreement mutually subscribe to the principle of a fair day's work for a fair day's pay.
- B. The normal workday for regular full-time employees in the Bargaining Unit shall be 7 or more hours per day, 5 days per week. The regular workday shall be determined by the immediate supervisor. This Section is not to be construed as and is not a guaranty of any number of hours of work per day or per week. This Article shall not supersede Article 6 (Layoffs and Recalls).
- C. The Board reserves the right to reduce work hours of individual employees in the event of an emergency, crisis, financial crisis, a change in the conditions of a special education student or for other operational or financial purposes. If hours are reduced, the Association will be notified as soon as practical and allowed to discuss the proposed changes with the Board's representatives before they are put into effect. The

Board's determination of the need to reduce work hours because of the existence of an emergency, crisis, finances or change in conditions concerning a student shall not be subject to arbitral review.

D. The normal work year for regular full-time school aides shall be as follows:

1. Special Education Aides: The student school calendar, beginning the first student school day and ending on the last student school day; provided, that SSLI Special Education Classroom Aides shall begin one day before the first student school day; and provided further that LRE Aides, upon written request and with pre-approved written permission from the Director of Special Education, can begin one (1) day before the first student school day if necessary to set up required equipment or for other legitimate reasons. No bargaining unit member will be permitted to work without being requested to work.

2. Pre-school/Day Care/Focus Four Aides: The student school calendar, beginning the first student school day and ending on the last student school day.

3. It is further agreed that if a teacher provides a written explanation for the need for a Classroom Aide prior to the first day of school, such request will be given due consideration.

E. A regular starting time for each position will be established at each school building at the beginning of each school year, subject to change due to curriculum changes, student-scheduled school days such as split sessions, half day sessions, etc. and/or in the interest of the school and/or students, as determined by the supervisor.

F. Pre-School, Daycare and Focus Four Aides shall be entitled to not more than two (2) ten (10) minute breaks per day. Employees that work less than six (6) hours in those classifications will have no lunch and if working less than four (4) hours, no break. Special Education Aides (all classifications) shall receive a thirty (30) minute unpaid duty free lunch period when scheduled to work four (4) or more hours.

G. 1. Overtime shall only be worked with prior approval of the supervisor, except when it is necessary for the employee to work overtime due to the failure of a parent or guardian to timely pick up a child from Daycare or Latchkey programs. In that instance, the employee shall immediately call the supervisor to advise of the situation. If personal contact cannot be made, a timely voicemail on the cell phone of the supervisor is required. The employee shall then immediately contact the parent or guardian responsible to determine the timeframe for the pick-up of the child. The employee shall document the name of the child, parent and/or guardian, the time of the eventual pick up and provide that information the next school day to the immediate supervisor.

2. Overtime will be paid at the rate of 1-½ times the regular hourly rate for all work in excess of forty (40) hours in any given work week. Overtime shall not be pyramided and shall only be worked with prior approval of the supervisor. Substitutes will not work overtime as long as regular employees are available, except in the LRE and CI Classifications.

H. Bargaining unit members shall receive their regular rate of pay for up to two (2) days of student instruction which are cancelled due to an "act of god" or "other conditions". Beginning with the third occurrence of school being cancelled, and for each

occurrence thereafter, all bargaining unit members shall have the option of using leave days if available. If no such days are available, the bargaining unit member shall not receive compensation for said day.
